# AGENDA ITEM

**COUNCIL MEETING DATE:** January 21, 2025
**TYPE OF AGENDA ITEM:** Action Item
**AGENDA OUTLINE NUMBER:** 4.B.

**TO:** City Council

**THRU:** Larry Jones , City Manager
Kimberly Kopp, City Attorney

**FROM:** Andy Peters, Director of Information Technology
Krystal Strickland, Finance Director

**DATE:** January 21, 2025

**SUBJECT:** Passthrough Payment Processing Fees - Determination

**I. BACKGROUND:** When a purchaser pays the City with a Credit Card, the payment processing company charges a fee (usually between 3% and 7% depending on contract). Two models exist for handling this fee: (1) the City pays it, or (2) the purchaser pays, also known as a Passthrough.

**II. DISCUSSION:** Historically, the City has paid this processing fee, but it is unclear whether Council was ever given the opportunity to make that determination. Since most fees are tied to specific services (such as building permits, facility rentals, etc.), the question arises: should all of our taxpayers at large bear this cost, or should it be paid by the individual using their credit card for a specific service?

Below is a table of actual merchant service fees paid by the City of Destin broken into two categories. The first category is general merchant service fees, which are paid by the general fund as citizens make payments online or at an office terminal. Most of these payments are for permits, licenses, recreation activities and recreation rentals.

The second category includes all services provided by Passport Parking and these fees are paid for by the parking fees collected.

| | FY 2022 | FY 2023 | FY 2024 | FY 2025 (est) |
|---|---|---|---|---|
| General Merchant Service Fees | $ 123,863 | $ 115,583 | $ 147,540 | $ 137,368 |
| Parking Payment Processing Fees | $ 64,318 | $ 64,403 | $ 58,667 | $ 63,685 |

**A. Link to Strategic Goals / Objectives:** I. Financially sound city providing service excellence

**B. Effect on Budget (EOB):** The City currently pays between $6,500 and $15,000 per month ($115,000 - $150,000 per year) in payment processing fees, depending on the processing company being used.

**C. Level of Service (LOS):**

**D. Legislative Sponsor:** Torey Geile

**III. CONCLUSION:** City Staff seeks Council guidance on whether they should pursue Passthrough payment of processing fees to customers, or no.

**IV. RECOMMENDED MOTION:**

OPTION 1: I move that we direct staff to proceed with pursuing passthrough payment processing fees for the City of Destin.

OPTION 2: NO MOTION - the City would continue to pay processing fees.

# AGENDA ITEM

**COUNCIL MEETING DATE:** January 21, 2025
**TYPE OF AGENDA ITEM:** Action Item
**AGENDA OUTLINE NUMBER:** 4.C.

**TO:** City Council

**THRU:** Larry Jones , City Manager
Kimberly Kopp, City Attorney

**FROM:** Jeffrey Cozadd, Projects, Grants and Contracts Manager
Krystal Strickland, Finance Director

**DATE:** January 13, 2025

**SUBJECT:** Confirmation of Appropriation Requests

**I. BACKGROUND:** Representative Maney has recently invited municipalities in his district to submit state appropriation requests through his office to be considered for inclusion in the state's next fiscal year's budget.

**II. DISCUSSION:** The city has been notified that the appropriation requests are due to Representative Maney's office by February 7th, 2025.

If requests are funded, they will be a part of the state's next fiscal year's budget, which does not begin until July 1, 2025. Grant agreements would then follow in September or October.

On November 4, 2024, Council directed staff to prepare appropriation requests for the Stahlmann Intersection Improvements project. One project recommendation that has been presented to staff recently to improve pedestrian and vehicular traffic at Stahlman intersection is a pedestrian overpass. Cost estimates came in at approximately $10.5M. This project would require a public/private partnership with the owners of the Emerald Grand property. Preliminary conversations with the owners suggest a strong interest in pursuing such a partnership. The next step to advance this effort would be to prepare design plans. The approximate cost of the design is $1,050,000. Staff recommends an appropriation request for $500K.

Additional discussion at the November 4th meeting highlighted the importance of consulting with the City Lobbyist (once hired) to identify and recommend projects that are most likely to receive favorable consideration for an appropriation request.

Heffley & Associates was hired on November 18, 2024, to act as the city lobbyist. Consultation with the lobbyist yielded the list of the following projects to be considered:

Stormwater Infrastructure Project: M. Kelly Outfall - request $1M
Capacity Project: Cross-Town Connector - request $3M
Recreational Project: Clement Taylor Park - request $1M

Staff are seeking council's confirmation that they approve the submission of these appropriation requests and direct the city lobbyist to lobby the state on the inclusion of these requests in the state's next fiscal year budget.

A. **Link to Strategic Goals / Objectives:**
B. **Effect on Budget (EOB):**
C. **Level of Service (LOS):**
D. **Legislative Sponsor:**

**III. CONCLUSION:** Staff have confirmed that these major infrastructure projects are prioritized above other CIP initiatives, emphasizing that securing external funding would substantially accelerate their completion timelines.

**IV. RECOMMENDED MOTION:** I move that the council confirms the submission of appropriation requests for the following projects: Stahlman Intersection Improvements, M. Kelly Outfall, Crosstown Connector, and Clement Taylor Park and that the council directs the lobbyist to support these requests at the state legislature and agencies.

**SUBJECT:** StormReady Community, Letter of Recognition

**I. BACKGROUND:** The City of Destin has been recognized as a "Storm Ready" Community by the National Weather Service. The City of Destin is the first municipality in Okaloosa County to receive this designation.

**II. DISCUSSION:** A StormReady community is a designation by the National Weather Service (NWS) that recognizes cities, towns, or counties that have demonstrated advanced preparation and planning for severe weather events. These communities meet specific criteria for communication, public outreach, and emergency response capabilities, ensuring they are well-prepared to protect lives and property during weather-related emergencies.

**A. Link to Strategic Goals / Objectives:** I. Financially Sound City providing Service Excellence
II. Enhanced Quality of Life and Safety for Families

**B. Effect on Budget (EOB):** None

**C. Level of Service (LOS):** Recognition as a StormReady Community

**D. Legislative Sponsor:**

**III. CONCLUSION:** By achieving StormReady designation, the City of Destin has demonstrated its commitment to safeguarding the community through proactive weather preparedness and emergency response. This recognition not only enhances the city's ability to manage severe weather events but also strengthens public confidence and ensures the safety and well-being of residents and visitors alike. The continued focus on preparedness is a vital step in supporting Destin's resilience and sustainability as a coastal community.

A letter congratulating the City of Destin for its StormReady Community status is attached.

**IV. RECOMMENDED MOTION:** No motion is required.

January 4, 2025

Mr. Michael Burgess - Director of Emergency Management
City of Destin
90 College Blvd. East
Niceville, FL 32578

Dear Mr. Burgess:

On behalf of the National Oceanic and Atmospheric Administration, your National Weather Service, and the local StormReady Advisory Board, I would like to congratulate the City of Destin on its *StormReady Community* recognition. This success is clearly a result of your vision, leadership, hard work, and commitment to your community and its preparedness. Obtaining your *StormReady* recognition indicates that the city of Destin has done everything possible to improve emergency first responder and community preparedness in the event of a natural disaster. Your community's robust communications infrastructure and increased level of severe weather awareness will minimize the loss of life and property in the future.

Destin's *StormReady* recognition is valid for four years and will expire on November 27, 2028. I recommend that the City of Destin apply for renewed recognition at least 3 months prior to that date.

As a *StormReady Community*, Destin is authorized to use the *StormReady* logo in official letterheads, brochures, or other suitable documents. You can acquire a digital file of the logo image from the Mobile National Weather Service Office. If you use the logo in any way, please send the National Weather Service a copy or description of how it was used. The *StormReady* logo is trademarked and subject to certain restrictions, which require the National Weather Service to monitor its use. *StormReady* logos, brochures, and additional information can be found on our website at www.weather.gov/StormReady.

If you have any questions, please feel free to call me or Jessica Chace (Warning Coordination Meteorologist) at 251-633-6443. Once again, congratulations on your accomplishment!

Sincerely,

Jason Beaman

**TO:** City Council

**THRU:** Larry Jones , City Manager

**FROM:** Lisa Firth, Parks & Rec Director

**DATE:** 1/17/25

**SUBJECT:** Fee Schedule for Parks and Recreation

**I. BACKGROUND:** At the December 2, 2024 City Council meeting a motion was passed for staff to bring back recommended updates to Resolution 23-21, Sections 347-220 and 347-520, with price comparisons to the City of Fort Walton Beach, City of Niceville, and Publix Sports Park and Frank Brown Park at Panama City Beach, by the end of January 2025.

**II. DISCUSSION:** After reviewing our current fees for Section 347-220 (Morgan Sports Center/Destin Sports Complex/Dalton Threadgill) and Section 347-520 (Community Center), in comparison with the applicable fees obtained from the other municipalities, we have modified our current sections to reflect updates. Also, we have done a cost comparison chart illustrating changes to renting Morgan Sports Complex for a tournament, as well as a room and gym rental at the Community Center. In regard to the deposit that is currently reflected in our fee schedule, we have removed it and encumbered into the rental. We plan to collect a 50% down payment of the primary cost of a tournament at Morgan Sports Center, which will be applied toward the total payment of the primary cost. The down payment will be refundable 60 days prior to event if cancelled by the renter. If the City cancels, the down payment will be 100% refunded.

A. **Link to Strategic Goals / Objectives:**
B. **Effect on Budget (EOB):** Financially sound city providing service excellence.
C. **Level of Service (LOS):**
D. **Legislative Sponsor:**

**III. CONCLUSION:** We believe that these updates will create a more straight forward rental process.

**IV. RECOMMENDED MOTION:** Recommend to adopt changes as reflected to Resolution 23-21, Section 347-220 and Section 347-520.

# AGENDA ITEM

**COUNCIL MEETING DATE:** January 21, 2025
**TYPE OF AGENDA ITEM:** City Manager Report
**AGENDA OUTLINE NUMBER:** 4.I.

**TO:** City Council

**THRU:** Larry Jones , City Manager

**FROM:** Krystal Strickland, Finance Director

**DATE:** January 13, 2025

**SUBJECT:** Operations Financial Report - **Informational Only**

**I. BACKGROUND:** This item is informational only.

**II. DISCUSSION:** Year-to-date budget versus actuals shall be provided to Council within forty-five days of the month end. Governmental funds are accounted for on a modified accrual basis, which excludes long-term assets and liabilities.

The operational report for the last month of the fiscal year (September) is held open for 45 days to allow all contractors and subcontractors to submit their final bills for work completed through September 30th as required to meet GASB standards of modified accrual accounting. The final accounting is completed within 60 days of the fiscal year end, resulting in delayed reporting.

**Highlights of the period ending 11/30/2024:**
At the end of October, we were 17% of the way through Fiscal Year 2025, which is October 1 - September 30, 2025.
More than 7% of Ad Valorem (property) taxes have been received. The majority of property taxes arrive in January/February.
We have expended and encumbered 29% of the Operating Budget.
We have expended and encumbered 36% ($15m/$42m) of the Capital Budget.

We closed on a $25 million construction loan on Nov 7, 2024 for the following three projects:

- $9 million went to reimburse the General Fund for the Harbor CRA's purchase of **1 Harbor Blvd**.
- $11.5 million has been expended/encumbered by the **Undergrounding** project.
- $4.5 million is invested in Florida Prime awaiting contracting for the **CrossTown**

**Connector**.

The net change in total fund balance is a year-to-date increase of $25.2 million.

Details for all funds are on file with the Finance Department, and are available upon request.

**A. Link to Strategic Goals / Objectives:** Financially sound city providing service excellence

**B. Effect on Budget (EOB):**

**C. Level of Service (LOS):**

**D. Legislative Sponsor:**

**III. CONCLUSION:**

**IV. RECOMMENDED MOTION:** Not applicable. Item is informational only.

**Table 4** lists the investments by type, lists maturity dates and average maturities of the investments in each major category. The percentage of portfolio total is then applied to find the weighted average maturity of the total portfolio. The significant amount of cash brings the average weighted maturity down to the equivalent of 0.61 years. Ratings by Standard & Poors are also listed in this table. Eagle Assets of Raymond James has worked diligently to replace BBB+ investment grade corporate bonds with corporate bonds with a minimum rating of A and asset-backed securities with a minimum rating of AAA. As of December 31, 2024, there was only one security with a BBB+ rating with a current value of $45,749 remaining in our portfolio. This one security is an investment grade corporate bond with a coupon rate paying 2.8%.

**Table 4: Maturity dates and weighted average maturity of the investment portfolio**

**Performance**

The performance data quoted represents past performance and does not guarantee future results. The investment return and principal value of an investment will fluctuate so that an investor's shares, when redeemed, may be worth more or less than their original cost. The current performance may be lower or higher than the performance data quoted. It is not possible to invest directly in an index.

Performance is depicted using the Time-Weighted method for the entire period.

Time-Weighted - The geometric (compounded) return measured on the basis of periodic market valuations of assets. If applicable, the return includes the effects of leverage. Unlike the dollar-weighted method, it minimizes the impact of cash flows on the rate of return; however, in principle it requires valuations to be made on the occasion of each cash flow. Approximation to this measure can be obtained by prorating cash flows to successive valuation points or by computing internal rates of return between valuation points. If there are no interim cash flows, the time-weighted return, compounded annually determines the entire value of an investment.

Returns are calculated net of fees.

Annualized refers to the annualized return from the inception date of the account, or the selected beginning date when using the date-to-date functionality.

The inception date indicates the date of account or household initiation in the Portfolio Performance system. This date may not match the date the account was opened.

Managed Account Performance- In order for managers to track real time cash in managed AMS accounts, certain activity may not reflect the actual transaction dates and market values may differ from what is reported on client statements. The Time-Weighted Total Equity and Time-Weighted All Cash returns are the same for these accounts.

All performance figures exclude unpriced securities (including securities of indeterminate value), limited partnerships (other than limited partnerships classified as Alternative Investments and appearing in that section of your statement).

Dividends are not guaranteed and will fluctuate.

The CFA Institute has not been involved with the preparation or review of this statement.

Accounts that have been closed may be included in the consolidated performance report. When closed accounts are included in the consolidated report, the performance report will only include information for the time period the account was active during the consolidated performance reporting time period.

Accounts with Real Time Cash may have cash values updated throughout the day, note that this may cause a difference in account values between performance and holdings reports.

**Securities Information**

Non-proprietary annuity values will show as contributions on the date they became available to the Portfolio Performance system. They are included through the selected calculation ending date. Prior inclusion of these values in the rate of return calculation is not available.

Raymond James Certificates of Deposit values will show as contributions on the date they became available to the Portfolio Performance system. They are included through the selected calculation ending date. Prior inclusion of these values in the rate of return calculation is not available.

Values include accrued income. Values are based on trade date accounting method.

**BRIAN HAUGEN, STEVE CANN**
brian.haugen@raymondjames.com

**Benchmark Information**

Bloomberg U.S. Agg Bd - The Bloomberg U.S. Aggregate Bond index is a measure of the investment grade, fixed-rate, taxable bond market of roughly 6,000 SEC-registered securities with intermediate maturities averaging approximately 10 years. The index includes bonds from the Treasury, Government-Related, Corporate, MBS, ABS, and CMBS sectors.

ICE BofA 1-Yr US Treas - The ICE BofA 1-Year US Treasury Note Index is comprised of a single issue purchased at the beginning of the month and held for a full month. At the end of the month that issue is sold and rolled into a newly selected issue. The issue selected at each month-end rebalancing is the outstanding two-year Treasury note that matures closest to, but not beyond, one year from the rebalancing date. To qualify for selection, an issue must have settled on or before the month-end rebalancing date.

S&P 500 Total Return Indx - The S&P 500 Index Total Return is a broad-based measurement of changes in stock market conditions based on the average performance of 500 widely held common stocks. It consists of 400 industrial, 40 utility, 20 transportation, and 40 financial companies listed on U.S. market exchanges. This is a capitalization-weighted calculated on a total return basis with dividends reinvested. The S&P represents about 75% of the NYSE market capitalization.

## Market Overview[1,2]

The bond market, as measured by the Bloomberg U.S. Aggregate Bond Index, fell -3.06% during the quarter, lowering the total return for the year to a modest gain of 1.25%. The fourth quarter proved challenging as a sharp rise in U.S. Treasury yields negatively impacted fixed income assets. The yield on the benchmark 10-year U.S. Treasury note rose 79 basis points from 3.78% at the end of September to finish the year at 4.57%. Treasury volatility, as measured by the ICE BofAML MOVE Index, remained elevated throughout the year as yields whipsawed on the back of fluctuating U.S. Federal Reserve (Fed) rhetoric and monetary policy expectations. Despite a year that saw 100 basis points of interest rate cuts, the Bloomberg U.S. Treasury Index returned just 0.58% – its smallest annual increase since inception, among the years it advanced. The spread between the yield on the 2-year note and the 10-year note widened consistently throughout December, reaching levels not seen since May 2022, a trend likely to continue as the front-end of the curve moves in tandem with Fed cuts while the tail-end of the curve will remain buoyed by a resilient economy, inflation risks, and fiscal deficit concerns.

## Portfolio Review[1,2]

### Taxable Portfolios

Investment-grade corporate bonds, as measured by the Bloomberg U.S. Corporate Bond Index, fell -3.04% during the quarter, which lowered the total return for the year to 2.13%. The positive performance for the year was predominately driven by the tightening of corporate credit spreads coupled with increased levels of income, which helped offset the negative impact brought on by rising interest rates. The average corporate credit spread tightened 9 basis points during the quarter to 0.80% compared to 0.89% at the end of September. Since the beginning of the year, the average corporate credit spread tightened 19 basis points. The path of credit spreads fluctuated throughout the year, peaking at 1.11% in early August amid volatility associated with changing monetary policy expectations and the unwinding of the yen carry trade. Spreads ground decidedly tighter into the end of the year, reaching levels not seen since 1998.

Looking ahead to 2025, corporate bond issuers are poised to come to market aggressively; syndicate desks forecast issuance levels of around $200 billion in January. Should we see issuance at the high end of expectations, it would be January's fastest pace of issuance over the last five years. Fresh corporate bond paper with elevated yield profiles will be welcomed by market participants and likely will temper the extent of average corporate credit spread widening, assuming broader economic conditions remain largely stable.

Corporate bonds outperformed all major taxable fixed-income sectors on a total return basis as well as U.S. Treasuries on a duration-adjusted basis. Government-related securities and securitized products (asset-backed, mortgage-backed, and commercial mortgage-backed securities) also posted positive total returns during the quarter and outperformed relative to U.S. Treasuries.

### Tax-sensitive Portfolios

Compared to other fixed income asset classes, municipal bond performance was fairly lackluster in 2024. While the

## Fixed Income

Bloomberg Municipal Bond Index posted a gain of 2.71% in the third quarter, this was materially offset by a loss of -1.46% in the month of December. This was the worst performance for the month since 2012. As a result, municipals ended the fourth quarter down -1.22% and finished the year up a meager 1.05%. This underwhelming performance was due in part to continued concerns about inflation, a record supply level with narrower demand, and price volatility due to the impending change in presidential administrations.

Our municipal market outlook for 2025 is optimistic, as economic indicators no longer point to a recession and the Fed continues to lower rates. Over the quarter, the AAA municipal to Treasury yield ratios generally richened across the curve, still remaining relatively attractive versus their 12-month averages. While the 1-year and 2-year spots on the curve cheapened by 8 percentage points and 1 percentage point, ending the quarter at 70% and 67%, respectively, the 20-year and 30-year spots richened by 3 percentage points and 5 percentage points, ending the quarter at 75% and 81%, respectively.

While value has diminished slightly due to market technicals, we believe investors can still benefit by locking in tax-efficient income from coupon payments. As of the end of December, the Bloomberg Municipal Bond Index's yield-to-worst was 3.74% (a tax-equivalent yield of 6.32%). Yield-to-worst for the 7-year and 15-year Bloomberg Municipal Bond benchmarks was 3.41% and 3.84%, respectively. Given the relative richness of the market, we will continue to focus on reinvesting bond proceeds in the intermediate-to-longer end of the curve, where we believe there is more value. We will also look for opportunities to sell credits that we believe are at peak prices and/or are showing weakness in their credit fundamentals.

Going into 2025, we expect that the Tax Cuts and Jobs Act (TCJA) under a Trump presidency will be extended, and an estimated $4.6 trillion in costs will need to be offset. One possibility to mitigate some of these costs is through the elimination of the tax exemption of municipal bonds. However, given how essential municipal bonds are as the primary source of financing for state and local governments, it is our thought that the tax exemption will remain in place for at least the majority of the municipal market. If federal officials were to carve out certain sectors to lose the tax exemption, those sectors most at risk would include portions of the higher education, corporate-backed, and private activity bond parts of the market. All municipal bonds issued prior to any elimination would of course be grandfathered in, which would benefit them in the long run. If an elimination occurs, we could also see a potential rush of issuance in an effort to issue bonds prior to the exemption. As President-elect Trump's policy focus becomes clearer, we will overweight and underweight market segments based on their susceptibility to changes.

Municipal bond fund flows were negative in December, with outflows of $1.3 billion reversing the inflow cycle that began in July and lasted 23 consecutive weeks. This reversal is attributable to the rise in U.S. Treasury rates and tax trading activities. The municipal market had total net inflows of $19.7 billion in 2024.

New issue supply hit a record high, totaling $507 billion in 2024, breaking the 2020 high of $484 billion. That's up 33% year over year and 23% above the 10-year average. The increase in supply was driven primarily by tax-exempt issuance, totaling $471.9 billion this year. Taxable municipal issuance totaled $35.6 billion in December, accounting for only 7% of total supply. The supply and demand imbalance has caused many new issue deals to be oversubscribed and re-priced at higher prices. As a result, we expect prices to remain relatively range-bound in the near term.

The outlook for supply in 2025 is flat to slightly positive across the market, with estimates ranging from $480 billion to $520 billion. We expect supply to normalize because state and local governments have essentially used up federal COVID funding and will need to revert to the traditional bond market to fund operations and infrastructure needs. A surge of issuance is possible if the new presidential administration eliminates the tax exemption of municipal bonds, which would be a detriment to state and local governments, but the value of existing municipal debt could increase due to scarcity.

Municipal default rates have remained historically low, with Moody's reporting an average cumulative default rate of 0.06% over a 5-year horizon. Credit quality remained healthy in 2024, and we expect this to persist into 2025. We have a positive bias in favor of state and local government sectors, due to their healthy levels of reserves and strong financial governance. In addition, we continue to remain overweight the electric and water and sewer sectors, given the essential nature of both.

We are closely monitoring sectors that include healthcare and higher education. U.S. not-for-profit hospitals and healthcare systems have experienced margin compressions since 2022 due in part to higher labor and supply costs, putting a

drag on earnings. Our expectation is for margins to continue to improve in 2025 albeit at a slow rate. Over the last two years, the higher education sector has also struggled with growing expenses and enrollment challenges, which led to operating deficits for a growing number of institutions. As inflation continues to cool in 2025, we expect expense growth to be constrained, improving operating margins for most institutions. In addition, favorable investment returns and donor support should increase financial reserves. We are currently underweight both the hospital and higher education sectors, with a focus on higher-quality bonds in those sectors. The monitoring of municipal credit quality is a top priority of our credit team. We will follow these sectors and others, adjusting our holdings as necessary.

## Outlook[1,2]

The near-term outlook heading into the beginning of 2025 remains largely unchanged with the base case for decelerating-but-healthy economic growth and sticky inflation. With high conviction, we have spent several months calling out the resilience of the U.S. economy, the likelihood of inflation firming in the fourth quarter, and ultimately a shallower path for rate cuts. Federal Open Market Committee (FOMC) estimates and market consensus expectations are finally in alignment with our views, completing a months-long reset that culminated with the Dec. 18 FOMC meeting. However, navigating the macroeconomic landscape and the Fed's reaction function in 2025 will be far more difficult because the distribution of probable outcomes affecting the economy is much wider, particularly due to the number of proposed policy changes associated with the incoming administration.

While our near-term macroeconomic outlook has not changed, we do believe the risks for markets are rising. For one, the next year will be a period of significant private debt refinancing needs here in the United States and globally, tied to the massive debt issuance at the onset of the pandemic. The consensus view, which we generally agree with, suggests that not all the debt issued in 2020 and 2021 will need to be refinanced – some portion will simply be paid off. After all, one of the key factors to the resilience of the economy has been robust cash buffers on household and corporate balance sheets. However, that still leaves a sizeable amount that will require ample market liquidity and is at risk of being crowded out because government funding needs will remain high.

That leads us to our second concern, which is unsustainable U.S. fiscal deficit spending. We believe everyone can agree in principle that the government should become more efficient, reduce fraud, and cut spending overall. President-elect Trump plans to establish the Department of Government Efficiency (DOGE), an advisory effort co-chaired by Elon Musk and Vivek Ramaswamy, specifically to address these issues. We're concerned, however, that DOGE efforts will be more performative than substantive, especially since most federal spending is for programs like Social Security, Medicare, health, income security, and veterans benefits and services. Those programs plus national defense and interest on debt account for roughly 90% of federal government spending, and as far as we understand, they are not on the DOGE priority list. Musk has previously said he could find $2 trillion to cut from the federal budget, but if those programs aren't on the list, it's hard to see how those numbers work. Any attempt to cut anything close to $2 trillion from other parts of the budget would mean draconian actions that could severely undermine government operations and military readiness, and cause market havoc as a result of the potential disfunction in government agencies that compile and produce economic data – namely the Bureau of Labor Statistics, Bureau of Economic Research, and the Census Bureau.

Staying on the topic of proposed policy changes under the new administration, we'd like to highlight the importance of the sequence in which fiscal and regulatory policies are implemented. At a high level, we're looking at a combination of supply policies that are negative (tariffs and immigration) and positive (tax cuts and deregulation). While there's much debate about the magnitude of the net impact they may have on the broader economy, we believe the market is currently missing the fact that the effects of tariffs and tight immigration are more likely to be realized before we get the benefits of tax cuts and deregulation.

At 4.57%, the 10-year yield currently sits right around where we expected it to move. As discussed in prior commentary, based on yield curve normalization or looking at nominal growth suggests 4.5% to 4.75% on the 10-year note makes sense, with the broader range around 4% to 5%. As part of our base case outlook, we remain fully aware rates may still move higher depending on just how resilient the economy stays and how sticky inflation remains. The base case can be revised due to tariffs coming in higher than expected, the scale of deportations, or deficit spending that fails to get reined in. But at current levels, we believe fixed income is already well positioned to deliver respectable returns, anchored by an attractive yield landscape.

Investing in bonds involves risks that may adversely affect the value of your investment such as inflation risk, credit risk, call risk, interest rate risk, and liquidity risk, among others. The two most prominent factors are interest rate movements and the credit worthiness of the bond issuer. Investors should pay careful attention to the types of fixed income securities that comprise their portfolios and remember that, as with all investments, there is the risk of loss of capital. A Real Estate Mortgage Investment Conduit (REMIC) is a type of multiclass mortgage-related security in which interest and principal payments from mortgages are structured into separately traded securities. These classes are distinguished by their sensitivity to the prepayment risk of the underlying mortgage-related collateral. Therefore, they may be more or less sensitive to prepayment risk, bear different interest rates, and have various average lives and final maturities.

Asset-backed securities (ABS) and mortgage-backed securities (MBS) are created by pooling loans from a variety of sources and issuing bonds that are backed by these loans. Creditworthiness stems from the credit quality of the underlying loans, as opposed to corporate bonds in which creditworthiness is derived from the earning power of the issuing company. The primary risk of these securities is interest-rate risk. Rising interest rates might cause loan principal prepayments to slow, resulting in less available principal to invest at prevailing higher rates. Conversely, rate decreases might accelerate prepayments, leaving more dollars to invest at lower rates.

Investment-grade refers to fixed-income securities rated BBB or better by Standard & Poor's or Baa or better by Moody's.

Convertible securities and preferred stock combine the fixed income characteristics of bonds with some of the potential for capital appreciation of equities and, thus, may be subject to greater risk than pure fixed-income instruments. Unlike bonds, preferred stock and some convertible securities do not have a fixed par value at maturity, and in this respect may be considered riskier than bonds. Convertible securities may include convertible bonds, convertible preferred stocks and other fixed-income instruments that have conversion features.

Investments in high-yield bonds and convertible securities are subject to the client's authorization, as set forth in the Investment Management Agreement. Such investments may be subject to greater risks than other fixed-income investments. The lower rating of high-yield bonds (less than investment grade) reflects a greater possibility that the financial condition of the issuer or adverse changes in general economic conditions may impair the ability of the issuer to pay income and principal. Periods of rising interest rates or economic downturns may cause highly leveraged issuers to experience financial stress, and thus markets for their securities may become more volatile. Moreover, to the extent that no established secondary market exists, there may be thin trading of high-yield bonds, which increases the potential for volatility.

Sector investments are companies engaged in business related to a specific sector. They are subject to fierce competition and their products and services may be subject to rapid obsolescence. There are additional risks associated with investing in an individual sector, including limited diversification.

Bond Ratings: Ratings are by Moody's, S&P, and/or Fitch. Ratings provided by nationally recognized statistical rating organizations, also called ratings agencies, are appraisals of a particular issuer's creditworthiness, including the possibility that the issuer will not be able to pay interest or repay principal. Ratings are not recommendations to buy, sell or hold a security, nor do ratings remove market risk. Securities with the same rating can actually trade at significantly different prices. In addition, ratings are subject to review, revision, suspension, reduction or withdrawal at any time, and a rating agency may place an issuer under review or credit watch. Additionally, Fitch reports are available for municipal bonds. More about ratings is available at moodys.com, standardandpoors.com, and fitchratings.com.

Definitions

The AAA Municipal general obligation bond to Treasury yield ratio is a comparison of the yield of AAA municipal general obligation bonds to U.S. Treasuries. It aims to ascertain whether AAA municipal general obligation bonds are an attractive buy in comparison.

Basis points (bps) are measurements used in discussions of interest rates and other percentages in finance. One basis point is equal to 1/100th of 1%, or 0.01%.

A carry trade involves borrowing money in countries where interest rates are low and using the funds to make investments in countries with high interest rates. An unwinding in a carry trade refers to the rush that takes place when many investors leave trade all at once.

A consensus estimate is a forecast of a public company's projected earnings, the results of a particular industry, sector, geography, asset class, or other category, the expected findings of a macroeconomic report, or the path of a developing or ongoing trend based on the combined estimates of analysts and other market observers that track the stock or data in question.

Conviction represents a market participant's confidence in particular investments or the likelihood that particular outcomes will take place. High-conviction investments represent what participants consider to be their best bets for performance for a given outlook or period.

A credit spread is the difference in yield between a U.S. Treasury bond and another debt security with the same maturity but different credit quality. Also referred to as "bond spreads" or "default spreads," credit spreads are measured in basis points, with a 1% difference in yield equaling a spread of 100 basis points. Credit spreads reflect the risk of the debt security being compared with the Treasury bond, which is considered to be risk-free. Higher quality securities have a lower chance of the issuer defaulting. Lower quality securities have a higher chance of the issuer defaulting.

Credit spread tightening refers to the contraction of credit spreads in response to changes in economic conditions that cause a decline in credit risk.

Credits are a generic term for fixed-income securities such as corporate bonds, mortgage- or asset-backed securities, municipal bonds, or emerging market bonds.

Duration incorporates a bond's yield, coupon, final maturity and call features into one number, expressed in years, that indicates how price-sensitive a bond or portfolio is to changes in interest rates. Bonds with higher durations carry more risk and have higher price volatility than bonds with lower durations.

The Federal Open Market Committee (FOMC) consists of 12 members: the seven members of the Board of Governors of the Federal Reserve System; the president of the Federal Reserve Bank of New York; and four of the remaining 11 Reserve Bank presidents, who serve one-year terms on a rotating basis. The FOMC holds eight regularly scheduled meetings per year at which it reviews economic and financial conditions, determines the appropriate stance of monetary policy, and assesses the risks to its long-run goals of price stability and sustainable economic growth.

Fiscal deficit spending consists of government spending over a specific period of time that exceeds the revenues that the government takes in for the same period.

Fund flow is the net of all cash inflows and outflows into and out of a particular financial asset, sector, or index. It typically is measured on a quarterly or monthly basis. Investors and others look at the direction of fund flows for indications about the health of specific securities and sectors or the overall market.

The ICE BofAML MOVE Index is a measure of U.S. interest rate volatility that tracks the movement in U.S. Treasury yield volatility implied by current prices of one-month over-the-counter options on 2-year, 5-year, 10-year and 30-year Treasuries.

Margin compression is what happens when input costs rise faster than the sale price of a product. As a result, the producer's profit margins decline over time.

Nominal values refer to the current price without taking inflation or other factors into account as opposed to real values, which include adjustments changes in general price levels over time.

Overweight describes a portfolio position in an industry sector or some other category that is greater than the corresponding weight level in a benchmark portfolio.

Range-bound is a condition where the value of a security keeps vacillating between the low and high ends of a narrow range. For example, if the 10-year Treasury yield repeatedly vacillated between 3.75% and 4.25%, it would be described as "range-bound."

Securitized products, such as asset-backed securities (ABS) and mortgage-backed securities (MBS), are created by pooling loans from a variety of sources and issuing bonds that are backed by these loans. Creditworthiness stems from the credit quality of the underlying loans, as opposed to corporate bonds in which creditworthiness is derived from the earning power of the issuing company. The primary risk of these securities is interest-rate risk. Rising interest rates might cause loan principal prepayments to slow, resulting in less available principal to invest at prevailing higher rates. Conversely, rate decreases might accelerate prepayments, leaving more dollars to invest at lower rates.

Sticky is a term used to describe measured data that is slow to change, in contrast to faster-changing or more variable data.

A syndicate desk is a team at a sell-side investment bank that researches, markets, and prices bonds or other financial securities.

The Tax Cuts and Jobs Act (TCJA) of 2017 was a sweeping revision of the U.S. tax code that reduced taxes for individuals and businesses. The changes for businesses created a single flat corporate tax rate of 21% and also affected deductions, depreciation, expensing, tax credits, and other tax items that affect businesses. The corporate tax cut is permanent. The individual tax cuts are scheduled to expire in 2025. Tax-efficient income refers to income generated by investments that seek to maximize returns by limiting losses to taxes.

Tax-equivalent yield is the interest rate that a taxable bond must pay to provide the same yield as a comparable tax-exempt municipal bond.

Technicals refers to technical indicators of historic market data, including price and volume statistics, to which analysts apply a wide variety of mathematical formulas in their study of larger market patterns.

Total return, when measuring performance, is the actual rate of return of an investment or a pool of investments over a given period. Total return includes interest, capital gains, dividends, and distributions realized over the specified period. Total return accounts for two categories of return: income including interest paid by fixed-income investments, distributions, or dividends and capital appreciation, representing the change in the market price of an asset.

Underweight describes a portfolio position in an industry sector or some other category that is less than the corresponding weight level in a benchmark portfolio.

The U.S. 2/10 Curve, known as the 2s/10s, is a bellwether indicator that measures the difference between the rates of the 10-year U.S. Treasury bond and the 2-year Treasury note. Measured in basis points, it is watched as an indicator of where the U.S. economy is in the business cycle, as the spread typically narrows as the economy moves through the cycle, reaches a low point and may go negative near the onset of a recession, then widens again during and after a recession.

A yield curve is a line that plots yields (interest rates) of bonds having equal credit quality but differing maturity dates. The slope of the yield curve gives an idea of future interest rate changes and economic activity. Investors and market analysts watch certain yield curves for signs of inversion, when yields for longer-term debt instruments fall below yields on short-term debt with the same credit quality. Inversions are watched as potential signs of a weakening economy and in certain cases, a harbinger of recessions.

Yield to worst is a measure of the lowest possible yield that can be received on a bond with an early retirement provision. It is a type of yield that is referenced when a bond has provisions that would allow the issuer to close it out before it matures. The yield to worst metric is used to evaluate the worst-case scenario for yield at the earliest allowable retirement date. It is always less than yield to maturity because it represents a return for a shortened investment period.

Indices

The Bloomberg U.S. Aggregate Bond Index is composed of the total U.S. investment-grade bond market. The market-weighted index includes Treasuries, agencies, commercial mortgage-backed securities (CMBS), asset-backed securities (ABS) and investment-grade corporates.

The Bloomberg U.S. Corporate Bond Index measures the investment grade, fixed-rate, taxable corporate bond market.

The Bloomberg Municipal Bond Index is a rules-based, market-value-weighted index engineered for the long-term tax-exempt bond market.

The Bloomberg 7-Year Municipal Bond Index is an unmanaged index comprised of investment-grade municipal bonds with maturities of six to eight years.

The Bloomberg 15-year Municipal Bond Index is the 15-year component of the Municipal Bond Index. The Bloomberg 15-year Municipal Bond Index is an unmanaged index comprising investment-grade municipal bonds with maturities of 12 to 17 years.

The Bloomberg U.S. Treasury Index measures U.S. dollar-denominated, fixed-rate, nominal debt issued by the U.S. Treasury. Treasury bills are excluded by the maturity constraint, but are part of a separate Short Treasury Index.

# AGENDA ITEM

**COUNCIL MEETING DATE:** January 21, 2025
**TYPE OF AGENDA ITEM:** Public Hearing
**AGENDA OUTLINE NUMBER:** 5.A.

**TO:** City Council

**THRU:** Larry Jones , City Manager
Kimberly Kopp, City Attorney

**FROM:** Troy Williams, Code Compliance Director
Steve O'Connor, Deputy Community Development Director
Krystal Strickland, Finance Director

**DATE:** December 19th, 2024

**SUBJECT:** First reading of Ordinance 24-23-CC - Requiring short-term rental registrations at all multifamily units (including but not limited to condominium units and apartment units) within the City of Destin; distinguishing between short-term rental registrations for single-family homes and short-term rental registrations for multifamily units; renaming Article VI of Chapter 13 "Registration of Short-Term Rentals (single-family) but making no other amendments to the regulations for short-term rentals single-family homes; creating Article VI(A) of Chapter 13 "Registration of Short-Term Rentals (Multifamily); Requiring an application for such registration and authorizing registration fees for short-term rentals at multifamily units; Requiring a local responsible party for short-term rentals at multifamily units.

**I. BACKGROUND:** The City Council has discussed the registration of condominium short term rentals within the City on multiple occasions, and currently only requires registration for single-family homes. At the August 19, 2024 Council meeting, discussion continued regarding registration requirements for short-term rental properties in the City, focusing on condominiums. Discussions examined how to integrate condominiums into the City's existing short-term rental registration program, including discussing potential fee structures, and ultimately the Council voted to proceed. Additionally, Council voted to direct staff to return with proposals for software that could be used to oversee the short-term rental program.

The first step in the registration process to implement short-term rental fees on condominiums and other multi-family units is to establish the registration process via ordinance, and the 2nd step is to amend the fee resolution to impose the actual fee. Ordinance 24-23-CC is before you on first reading tonight to establish the registration requirement. Amendment of the City's fee resolution would occur if this ordinance is adopted on second reading. Proposals for software that could be used to oversee the short-

term rental program will also be brought to council with the fee resolution and 2nd reading of the ordinance.

**II. DISCUSSION:** The City of Destin, through the Code Compliance Division, oversees the single-family residential short- and long-term rental registrations. The City of Destin does not currently oversee any multifamily units that engage in short-term rentals and these units bring a considerable number of visitors to the City each year who use and benefit from City services and infrastructure.

The population in the City of Destin is approximately 14,594 full-time residents. However, on any given day during the peak tourist/summer season there could be upwards of 80,000 additional people in the City. The Code Compliance Division currently registers and monitors approximately 1,200 single and multifamily residential units that have been registered as short- or long-term rentals. All the currently registered multifamily units are long-term rentals.

To date, GIS records indicate that there are 101 residential condominium complexes in the City and the total number of condominium parcels is 7,017 out of a total of 15,892 parcels. The latest information we've received from the TDC is that 4,741 of the condominiums in the City are collecting the County Bed Tax.

Our current Short- and Long-Term Registration fee structure is as follows:
Up to 2,499 square feet pay a $500 registration fee,
2,500-4,999 square feet pay a $600 registration fee, and
5,000+ square feet pay a $700 registration fee.

Data supplied by Avenu Insights and Analytics, which monitors active and intermittently listed rentals, shows that in Destin on September 21, 2023, there were 13,246 listings for both long and short-term rentals. However, some of these could be duplicates (possibly 61% accuracy, which equals approximately 8,100 rentals). These numbers include both single and multifamily home rentals.

The factors contributing to the decision to register the short-term multifamily and commercial lodging unit rentals include:

- Equity;
- Impact of the short-term rentals on city services,
- Impact fees that are no longer able to be collected (due to impact fee credits on redeveloped land); and
- Forecasted General Fund revenues for the next 5 years.

The labor cost of administering the current rental registration program involves a full-time Code Compliance Officer with assistance from time to time from other Code Compliance Officers and the Division's Administrative Assistant.

As noted above, this item is the proposed Ordinance for First Reading, requiring multifamily units (condominiums and apartments) to register as short-term rentals. If approved at the First Reading, Staff will bring back a Fee Resolution incorporating the fees

approved by the Council at the August 19, 2024 meeting, for consideration at the Second Reading.

Regarding the Council request to bring back registration administration options, if the Ordinance is approved on Second Reading, Staff will request Council approval to proceed with the procurement of a vendor to provide this service at that time. To illustrate what the approximate cost might be, Staff believes there are at least 4,700 condominiums being used as short-term rentals, based upon the bed tax collections. A quote from the registration program management company Carasoft for these services is $48.91 per year, per managed unit. Therefore, 4,700 condo rentals at $48.91, per unit would be approximately $229,877 to have an outside entity administer the program. If the City also had the outside entity managing the current 1,200 single-family and multifamily short-and long-term rentals in addition to the estimated 4,700 rental condominiums, it would come out to 5,900 rental parcels at $48.91 per unit and approximately $288,569.

Multiplying the estimated 4,700 condominium short-term rentals with the minimum $500 rental registration fee equates to $2,350,000 in registration fee collections. Subtracting the $229,877 management fees equates to $2,120,123 in net revenue for the City of Destin. If there are an additional 2,200 rental parcels, as Avenu Insights and Analytics believes there are, they could potentially generate another $1,100,000 in revenue, minus the $107,602 management fees.

**A. Link to Strategic Goals / Objectives:** I. Financially sound city providing service excellence
I. Enhanced quality of life and safety for families
III. Economic development and revitalization
IV. Effective, efficient, and aesthetically pleasing infrastructure
V. Improve mobility and connectivity
VI. A green and sustainable environment

**B. Effect on Budget (EOB):** Taking the approximately 4,700 condominiums that are currently paying the County Bed Tax and applying the current minimum short-term rental registration fee of $500, equates to $2,350,000 in additional rental registration gross revenue, which would help significantly with the public safety needs of Destin to cover the contracts with the Sheriff's Department for law enforcement and with the Destin Fire Control District for lifeguards (FY 2025 estimate: $3,263,695).

In order for the City Code Compliance Division to oversee the additional properties this would add to the registration program, we would need to shift staff from their normal patrol/compliance duties into primarily administrative roles, which would impact the proactive enforcement level of service the Division is able to provide. To maintain and enhance the current level of service, it is recommended that an outside entity oversee the registration process for the short-term rental multifamily units as well as assume responsibility for overseeing the single and multifamily short-term and long-term rental registrations the Code Compliance Division currently oversees.

**C. Level of Service (LOS):** The proposed ordinance allows for greater assurance of oversight, provides funding for administration of the program and enforcement, creates an equitable approach to ensuring all short-term rentals follow equitable protocols, and assists with public safety needs and infrastructure sustainability.

**D. Legislative Sponsor:** Councilmember Torey Geile

**III. CONCLUSION:** Staff recommends approval of Ordinance 24-23-CC on first reading.

**IV. RECOMMENDED MOTION:** I move that the City Council approve, on First Reading, Ordinance 24-23-CC.

The Council of the City of Destin met in special session with the following members and staff present:

**Destin City Council**

Mayor Bobby Wagner
Councilmember Torey Geile
Councilmember Kevin Schmidt
Councilmember Johnny King
Councilmember Jim Bagby
Councilmember John Stephens
Councilmember Dewey Destin
Councilmember Terésa Hebert

**City of Destin Staff**

Acting City Manager Krystal Strickland
Projects/Grants/Contract Manager Jeffrey Cozadd

Community Development Director Tina Deater
Parks & Recreation Director Lisa Firth
City Attorney Kimberly Kopp
City Clerk Rey Bailey
City Engineer Ryan Scott
HR Director Jaime Haynes
IT Director Andy Peters
Code Compliance Officer Allan Smith
Public Work Director Michael Burgess

**CALL TO ORDER/PLEDGE OF ALLEGIANCE**

Mayor Bobby Wagner called the meeting to order at 5:15 PM, followed by the recitation of the Pledge of Allegiance.

**A. Interim City Manager Contract.**

On August 5th council meeting, the council directed the City Attorney and HR Director to negotiate an Interim City Manager contract with Mr. Larry Jones. Acting City Manager Krystal Strickland presented the proposed contract to the council.

**Councilmember Bagby moved to amend paragraph 5M of the proposed contract as follows:**

- **Add a statement that, "*The Interim City Manager shall adhere to the ethical standards set forth by the ICMA, FCCMA, and FLC.*"**
- **Remove the remaining language beginning on line 4 of paragraph 5M, which is a reference to the former Community Development Director's contract as Interim City Manager.**

**Councilmember Hebert provided a second to the motion, which passes 7-0 (Council members Schmidt, King, Hebert, Bagby, Destin, Geile, and Stephens voted "yes").**

**Motion by Councilmember Bagby, seconded by Councilmember Destin, to approve the Interim City Manager contract, as amended, passed 7-0 (Council members Schmidt, King, Hebert, Bagby, Destin, Geile, and Stephens voted "yes").**

**B. 2024 Debt Issuance RFQ Underwriters and Bank Loan**

On June 3, 2024, staff brought forth a debt issuance update to the council confirming amount to borrow and proposing a timeline, process, and choice of an SEC licensed broker (underwriter). The Council adopted the following motions:

1. To approve the issuance of $25 million to underground overhead utilities from the Marler Bridge to Airport Road to complete construction of the Destin Cross Town Connector, and for the purchase of One Harbor Blvd property.
2. Direct staff to undertake a competitive solicitation for either a bank loan or an underwriter.
3. Direct staff to bring back an adjusted timeline for the 2024 debt issuance to include additional time needed to develop and route competitive solicitations.

At the August 5, 2024, regular council meeting, a motion was made to bring back revised ITN to clearly request a 10-yer amortization of principal and a 15-year amortization with a 10-year balloon.

The Finance Director presented the revised Request for Qualifications (RFQ) to be routed to Underwriters, and a revised Invitation to Negotiate (ITN) to be routed to banks that hold current BTRs with the City of Destin and that have approached the city with interest in lending over the past 24 months. She recommends the release of the RFQ and the ITN on August 15th.

**Councilmember Bagby moved to release the RFQ and the ITN, as proposed on August 12, 2024, not earlier than August 15, 2024. Seconded by Councilmember Hebert. Motion passed 7-0 (Council members Schmidt, King, Hebert, Bagby, Destin, Geile, and Stephens voted "yes").**

Councilmember Destin requests a summary of all estimated charges to be provided to the council earlier than the date the council will need to make a decision on this matter.

**C. FY 2023 Budget Vs Actuals Parks and Rec CIP and RR – <u>Informational Only</u>.**

At the August 5, 2024, regular council meeting, Councilmember Bagby requested staff provide a detailed plan for the allocation of funds that were identified in the 2024 budget, that were rolled over into 2024 budget, and that remained unspent for the Parks and Recreation Department.

The Finance Director explained that in 2023, the Parks and Recreation Department had a total budget of $8.4 million. However, the city expended or encumbered a total of $15.2 million, which left $13.2 million unutilized. A significant portion of this unspent amount was associated with a planned beach acquisition, particularly the purchase of the White House at Crystal Shores, which did not go through as expected. Focusing on the renewal and replacement portion of the

budget, the allocated amount was $58,000. However, the city ended up spending $189,000, which resulted in a balance of $309,000 being carried over to the following year.

**D. FY 2024 Parks and Recreation Budget vs Actuals**

The Finance Director explained that the Parks and Recreation budget for FY 2024 was revisited after a request made during the August 5th meeting. Staff were asked to return with a clear motion regarding the unspent remaining funds in the budget. The Parks and Recreation Department faced a decision between two projects but prioritized the renovation of the playground at Morgan Sports Center due to the availability of grant funds, which are set to expire on October 31, 2024. Staff suggested reallocating funds from the artificial infields, field netting, and window replacement projects to initiate the playground project.

**Councilmember Hebert moved to perform an internal budget transfer in the amount of $617,990 into RR572 to start renovating the playground at Morgan Sports Center. The funds shall be taken from artificial infields, field netting, and community center window projects. Motion was seconded by Councilmember Stephens.**

Councilmember Destin expressed concern about reallocating funds away from the community center window repairs, highlighting the risk of deferring essential maintenance.

City staff clarified that the critical repairs to the community center windows, including stucco and roofing, are budgeted for 2025. The $200,000 allocated for window repairs in 2024 was intended for preliminary work, which would now be reallocated if the motion passed.

Councilmember Bagby sought clarification on the funds' reallocation timeline and future budget implications. Staff explained that the $200,000 for windows in 2024 would be used for the playground, with 2025 funding covering the remaining window repairs.

Concerns were raised about the adequacy of project estimates and the need for more precise bidding processes. Council members emphasized the importance of securing competitive bids, particularly for substantial projects like the playground renovation.

Councilmember Destin questioned the inclusion of a contract approval within the budget transfer motion, noting that such motions should be single subject per Robert's Rules of Order. He suggested separating the motion into two parts: one for the budget transfer and one for the contract approval.

**Councilmember Hebert offered an amended motion to perform an internal budget transfer in the amount of $617,990 into RR572 to start renovating the playground at Morgan Sports Center, seconded by Councilmember Stephens.**

Concerns were raised about unallocated funds ($111,000) in the Parks and Recreation budget. Staff explained that any unspent funds would remain in the renewal and replacement fund, available for future use.

**Motion passed 6-1 (Council members King, Hebert, Bagby, Destin, Geile, and Stephens voted "yes"; Councilmember Schmidt voted "no").**

**Councilmember Schmidt made a motion to put out a bid request for the playground renovation at the Morgan Sports Center; seconded by Councilmember Hebert.**

Councilman Bagby inquired if the contract for the playground equipment was similar to state contracts used for purchasing vehicles, which offer bulk pricing through state-negotiated contracts. It was confirmed that this was a correct assumption, with the contract being handled at a national level by an entity called Omnia, a private procurement business.

Councilman Bagby expressed concerns that going out for bids might delay the project by six months, potentially leaving the sports center without a playground for the next summer. He acknowledged that while typically he would support going out for bids, he believed this contract likely provided the best price and did not want to delay the project unnecessarily. He requested additional information on other local uses of the Omnia contract to validate its pricing.

Councilmember Hebert emphasized the importance of acting swiftly due to an approaching grant submission deadline in October. Missing this deadline could result in losing a grant that could discount the playground project by up to one-third.

The council's debate highlighted a balance between ensuring the best use of taxpayer funds and the urgency of completing the playground project to avoid delays that could affect the community's use of the sports center. The council also discussed the possibility of bringing back a refreshed quote and more specific details about the grant at the next meeting.

**Motion <u>failed</u> 3-4 (Council members Schmidt, King, and Geile voted "yes"; Council members Hebert, Bagby, Destin, and Stephens voted "no").**

**Motion by Councilmember Bagby, seconded by Councilmember Stephens, to approve the contract as written passed 6-1 (Council members King, Hebert, Bagby, Destin, Geile, and Stephens voted "yes"; Councilmember Schmidt voted "no").**

Councilmember Bagby requests staff provide the information to the council by the next council meeting as to which other jurisdictions in Northwest Florida, besides Okaloosa County TDC, that have used the OMNIA contract vehicle.

**DISCUSSIONS:**

Councilman Guile expressed concerns regarding the ongoing support and system upgrades from the IT vendor, Tyler Technologies, and the impact on city systems. He suggested reconsidering the elimination of the IT position, predicting significant challenges during the transition to new software.

Councilman Stevens shared his experience with IT transitions and supported retaining the position.

Councilwoman Destin inquired about the possibility of using contract help to supplement IT needs.

The IT Director explained that while contract help was an option, most issues required on-site personnel. He outlined that the new hire would handle day-to-day IT tasks, allowing experienced staff to focus on the software implementation.

**Councilmember Geile moved to reconsider the decision to cut the additional IT position and proposed to reinstate it was seconded by Councilmember Hebert and passed 7-0 (Council members Schmidt, King, Hebert, Bagby, Destin, Geile, and Stephens voted "yes").**

Councilman King expressed concerns about the adequacy of the Public Information Officer's (PIO) current resources, particularly for content creation. It was clarified that the PIO currently has a part-time content creator working 29 hours a week. The discussion focused on whether additional resources were necessary, and the possibility of hiring consultants for specific projects instead of additional part-time staff. Councilmember Hebert suggested that instead of hiring another content creator, allocating funds for professional services to hire consultants on an as-needed basis would be more effective. The PIO Director supported this approach, emphasizing the need for specialized content creators for specific tasks.

**Councilmember Hebert moved to authorize the hiring of a consultant for various projects, as needed, for the Public Information Office; seconded by Councilmember Stephens.**

**Councilmember Bagby offered a substitute motion to add $20,000 to Contracting Services for the use of the Public Information Office for special projects; seconded by Councilmember Stephens. Motion passed 7-0 (Council members Schmidt, King, Hebert, Bagby, Destin, Geile, and Stephens voted "yes").**

Councilmember Stephens revisited a previous discussion about the feasibility of reducing code compliance enforcement at night, suggesting a shift to an on-call system.

**Councilmember Stephens moved to eliminate the evening shift for the Code Compliance Department; seconded by Councilmember Hebert.**

Other council members strongly opposed reducing nighttime enforcement, particularly due to the high volume of noise complaints in residential areas, which predominantly occur at night; and highlighting the potential negative impact on the city's reputation.

**Motion <u>failed</u> 3-4 (Council members Hebert, Geile and Stephens voted "yes"; Council members Schmidt, King, Bagby, and Destin voted "no").**

The discussion shifted to the proposed increase in funding for the lifeguard program to $282,000 for FY 2025. Councilmember Guile and Councilwoman Hebert requested a detailed breakdown of the budget, similar to the one provided by the Sheriff's Department. Councilmember Bagby expressed concerns about the fairness of the funding distribution among the city, fire district, and TDD, and questioned whether additional funding sources had been considered, such as contributions from larger condo complexes.

**Councilmember Schmidt moved for approval of the $282,000 for the lifeguard services contract as proposed; seconded by Councilmember Stephens. Motion passed 5-2 (Council members Schmidt, King, Destin, Geile, and Stephens voted "yes"; Council members Bagby and Hebert voted "no").**

Councilman Bagby raised concerns about the budget allocation for mowers, particularly questioning the necessity of purchasing seven new mowers. He proposed a

more coordinated approach between Parks and Recreation and Public Works to reduce the number of mowers purchased.

The Parks & Recreation Deputy Director explained the current workload and the necessity for durable commercial mowers. The Council discussed the possibility of reducing the number of mowers purchased and using existing resources more efficiently.

**Councilmember Bagby moved to direct staff to present a joint Public Works and Parks & Recreation departments "mower plan" at the first budget hearing; seconded by Councilmember Hebert. Motion passed 7-0 (Council members Schmidt, King, Hebert, Bagby, Destin, Geile, and Stephens voted "yes").**

Councilmember Bagby proposed bringing median maintenance in-house, citing ongoing issues with external contractors.

**Councilmember Bagby moved to bring the Median Maintenance Services in-house; seconded by Councilmember Hebert.**

Councilmember Destin opposed the motion, arguing that adding more city employees would increase long-term costs.

Councilmember Hebert supported the motion, noting the difficulty in securing reliable external contractors.

**Motion passed 5-2 (Council members King, Hebert, Bagby, Geile, and Stephens voted "yes"; Council members Destin and Schmidt voted "no").**

Councilmember Bagby proposed implementing a $300 registration fee for short-term rental units in condominiums.

**Councilmember Bagby moved to set a short-term rental registration condominium fee of $300 annually and direct staff to bring back a draft ordinance; seconded by Councilmember Guile.**

Councilmember Schmidt raised concerns about the lack of public notice and suggested tabling the motion until the next meeting, where it could be properly discussed with public input.

**Councilmember Schmidt moved to table this item to the August 19th council meeting; seconded by Councilmember Stephens. Motion passed 6-1 (Council members Schmidt, King, Hebert, Bagby, Destin, and Stephens voted "yes"; Councilmember Geile voted "no").**

Councilman Bagby proposed revising the city's shift differential policy to provide additional compensation for code compliance officers working nights and weekends. The Human Resources Director explained the current policy, which provides a $1 per hour increase for work after 6:00 PM and on weekends.

**Councilmember Bagby moved to revise the city's shift differential pay policy increasing the hourly pay for staff member working evenings and weekends to an amount not to exceed $3 more per hour; seconded by Councilmember Hebert. Motion passed 6-1 (Council members Schmidt, King, Hebert, Bagby, Geile, and Stephens voted "yes"; Councilmember Destin voted "no").**

Councilman Bagby expressed concerns about the city's cost recovery for building permits, impact fees, and recreation fees. Council members discussed the importance of aligning fees with actual costs and the potential for adjusting current rates.

**Councilmember Bagby moved to a direct staff to develop a proposed schedule of cost recovery percentages for each of the following:**

- **Building Permits Fees**
- **Impact Fees**
- **Recreational Fees**
- **NPEB fees**

**Motion was seconded by Councilmember Schmidt and passed 7-0 (Council members Schmidt, King, Hebert, Bagby, Destin, Geile, and Stephens voted "yes").**

Councilmember Bagby requests staff provide detailed breakdown of the $140,000 allocated for the Annexation Opinion Survey, as well as potential assessments related to metes and bounds legal descriptions. The Finance Director explained that a large portion of the cost was for the metes and bounds survey required by state statute.

Councilmember Destin noted that the city's original incorporation bill contained the metes and bounds description, which included all areas up to the county line and suggested that they may be able to use it.

Councilman Bagby proposed capping the budget for merit increases at $225,300, equivalent to a 2.97% increase, matching the cost-of-living adjustment (COLA).

**Councilmember Bagby moved to limit the merit increase to 2.97% or $225,035.00, seconded by Councilmember Destin. Motion <u>failed</u> 3-4 (Council members Bagby, Destin, and Hebert voted "yes"; Council members Stephens, Geile, King, and Schmidt voted "no").**

Councilmember Destin has expressed interest in exploring innovative merit program ideas that differ from traditional approaches. Specifically, he is looking for programs that offer monetary rewards to employees who propose effective strategies for saving money for the city.

**Councilmember Destin made a motion to direct staff to report back on the total savings achieved from the 3% reduction in the operational budget. Seconded by Councilmember King. Motion passed 7-0 (Council members Schmidt, King, Hebert, Bagby, Destin, Geile, and Stephens voted "yes").**

**Councilmember Schmidt moved to decrease the light budget line item by $200,000, decrease the community center upgrade line item by $200,000, and add $400,000 to Morgan's playing field upgrades and batting cage; seconded by Councilmember Stephens. Motion failed 2-5 (Council members Schmidt and Stephens voted "yes"; Council members Hebert, Bagby, Geile, Destin, and King voted "no").**

**Motion by Councilmember King, seconded by Councilmember Hebert, to take $200,000 from the light budget line item and put that money as well as the $111,000 unspent fund from the FY 2024 budget, towards the Morgan's field upgrades failed 3-4 (Council members Schmidt, King, and Stephens voted "yes"; Council members Hebert, Bagby, Geile, and Destin voted "no").**

Having no further business at this time, the meeting was adjourned at 9:41 PM.

## CALL TO ORDER, INVOCATION AND PLEDGE OF ALLEGIANCE

Mayor Bobby Wagner called the meeting to order at 6:00 PM. Pastor David J. Butler of the Faith Assembly Christian Church gave the invocation, which was then followed by the recitation of the Pledge of Allegiance.

## AGENDA APPROVAL

Agenda item 4F – *STR Condominium Registration* – has been taken from the table and back for council consideration.

**Motion by Councilmember Hebert, seconded by Councilmember Stephens, to approve the agenda, as amended, passed 6-0 (Council members Schmidt, King, Hebert, Destin, Geile, and Stephens voted "yes"; Councilmember Bagby was absent from the meeting).**

## 1. PROCLAMATIONS / RECOGNITIONS / SPECIAL / PUBLIC PRESENTATIONS / ANNOUNCEMENTS

## 2. PUBLIC COMMENTS

Mr. Ken Wampler, residing at 4320 Commons, expressed concern over the proposed fee for condominium owners, arguing it would be unfair as condo owners already manage noise,

trash, parking, and security issues through their associations. He emphasized that while the city needs to generate more revenue, targeting condo owners without providing additional services seems unjust. He suggested that any fee should apply broadly, including hotels, motels, vacation rentals, and timeshares. Additionally, he questioned whether imposing this fee was the best approach to address rising public safety costs and worried about the city building "big government" unnecessarily. He urged the council to consider more equitable solutions for funding public services.

Ms. Tiffany Edwards, a Walton County resident with properties in the city, also raised concerns about the proposed short-term rental and condo registration fee. She emphasized the importance of fairness and noted that hotels, although exempt by state law from short-term rental fees, still contribute to the tourism impact on public safety services. She recommended reconsidering the allocation of the fee, cautioning against spending large sums on compliance software. She shared insights from discussions with data companies, urging the council to verify the accuracy of rental listing data before proceeding with any decision.

Mr. Jim Wood, a Destin resident, briefly addressed the council to thank them for including items in the consent agenda that support the Destin Seafood Festival. He noted the festival would take place from September 27-29 and expressed appreciation for the continued use of local parks and parking lots for the event.

## 3. CONSENT AGENDA

A. 40th Annual Christmas Parade
B. Additional Staff Parking at Destin Public Library, authorization to issue Purchase Order
C. 2024 Destin Seafood Festival Shuttle Stop Request/Parking Lots
D. Approval of minutes of July 29, 2024, Special City Council Meeting

**Motion by Councilmember Hebert, seconded by Councilmember Destin, to approve Consent Agenda items 3A through 3D passed 6-0 (Council members Schmidt, King, Hebert, Destin, Geile, and Stephens voted "yes"; Councilmember Bagby was absent from the meeting).**

## 4. CITY MANAGER REPORTS

A. Approval of Purchase - New Permitting and Licensing System (MGO)

The Interim City Manager introduced the item requesting approval for a new permitting and licensing system, "My Government Online," to replace the existing Tyler EnerGov component. He stated that the new system is expected to be more cost-effective and better serve both citizens and staff. The city staff recommended approval of the request, and a representative from My Government Online was available remotely to answer questions.

Councilmember Stephens raised a concern about potential office closures during the transition, referencing past software changes that led to Friday closures for training. The city's IT Director assured that no such closures were anticipated.

**Councilmember Geile moved to approve the adoption of My Government Online (MGO) and authorize the City Manager to execute the agreement with SCPDC at a monthly fee as set forth in the draft agreement. Councilmember Hebert seconded the motion, which passes 6-0 (Council members Schmidt, King, Hebert, Destin, Geile, and Stephens voted "yes"; Councilmember Bagby was absent from the meeting).**

B. Approval of Purchase - New Accounting System (Aclarian)

The Interim City Manager asked the council to approve a new accounting system as the city transitions away from the Tyler Munis software. The recommended replacement is a financial and budgeting software from Aclarian. Staff reviewed several alternatives and determined that Aclarian's system would meet the city's current and future financial management needs. The proposal is for a three-year contract with Aclarian.

**Motion by Councilmember Stephens, seconded by Councilmember Hebert, to direct the City Manager to proceed to enter into a three-year contract with Aclarian for the provision of Financial and Budgeting Module services, passed 6-0 (Council members Schmidt, King, Hebert, Destin, Geile, and Stephens voted "yes"; Councilmember Bagby was absent from the meeting).**

C. Consultant Support Services - Community Development and City Manager Office

The Interim City Manager introduces this item which involves a request for approval to issue a Request for Qualifications (RFQ). He noted that the purpose of the RFQ is to secure consulting services to support various city projects, including planning, rate analysis, grant pursuits, and the implementation of the Community Redevelopment Agency (CRA) Master Plan, the Mobility Plan, and other council-prioritized capital projects.

Additionally, the request seeks to include grant assistance to help the city's Capital Improvement Plan by researching nationwide grant opportunities and providing grant writing services. The city's current agreement for these services has expired or is expiring, necessitating this action. The proposal is for a master agreement (or agreements) with one or more firms. Specific projects will be brought back to the council for approval, ensuring there is no cost involved unless task orders are formally approved by the council. Staff recommended approval to move forward with issuing the RFQs.

**Councilmember Hebert moved to direct staff to prepare an RFQ for planning, rate and grant consulting support services and bring that back to the council for review and approval at a future meeting; seconded by Councilmember Destin. Motion passed 6-0 (Council members Schmidt, King, Hebert, Destin, Geile, and Stephens voted "yes"; Councilmember Bagby was absent from the meeting).**

D. City staff work schedule for Joe's Bayou

The Interim City Manager presented this item which addressed the staffing and operation of Joe's Bayou boat ramp. The city currently has three part-time positions budgeted for this role, but only one is filled, creating challenges in covering all required hours. The sole staff member works Friday through Monday, from 6:00 a.m. to 3:00 p.m. Parks and Recreation covers other

days and holidays, but concerns were raised about the lack of coverage in the late afternoons when unauthorized use of the ramp has been reported.

There were concerns about rogue operators who take advantage of the unattended ramp after 3 p.m. It was suggested that Parks staff monitor the ramp between 3 and 6 p.m., especially on weekends.

Councilmember Geile provided insights based on personal experience, noting that Parks staff on site are often ignored by those violating regulations. He expressed that without enforcement authority, Parks staff could not control the situation effectively. He suggested stronger authority or assistance from law enforcement.

Councilmember Destin supported the idea of installing live cameras at the ramp, proposing that video surveillance could help document infractions and assist law enforcement.

**Councilmember Destin made a motion to direct the City Manager to investigate the cost of installing a video camera at Joe's Bayou to gather evidence of illegal activities that law enforcement personnel can use to pursue violators of the law; seconded by Councilmember Hebert. Motion passed 6-0 (Council members Schmidt, King, Hebert, Destin, Geile, and Stephens voted "yes"; Councilmember Bagby was absent from the meeting).**

Councilmember Schmidt shared concerns about the staffing gap and supported exploring ways to staff the ramp after 3 p.m., suggesting possible pay increases or rethinking the role to make it more appealing for recruits. He also emphasized the need to start planning for better staffing for the next season.

Councilmember Stephens added that during peak summer periods, it may be beneficial to have code compliance officers present during morning hours to monitor frequent users of the ramp. He suggested this measure to identify patterns of misuse.

The council discussed alternative enforcement options, including hiring off-duty deputies to monitor the ramp during peak times. There was a proposal to investigate whether Sheriff's Posse members, who volunteer for event security, could assist, but a representative from the Sheriff's Department clarified that they lack arrest authority.

**Councilmember Schmidt moved to direct the City Manager to collaborate with Human Resources, the Parks & Recreation, Code Compliance, and the Sheriff's departments to ensure that the Joe's Bayou attendant positions are fully staffed, providing complete coverage in preparation for the next season. Councilmember Stephens provided a second to the motion, which passes 6-0 (Council members Schmidt, King, Hebert, Destin, Geile, and Stephens voted "yes"; Councilmember Bagby was absent from the meeting).**

E. Morgan Sports Center Playground

The Interim City Manager presented the Morgan Sports Center playground project. He noted that the council previously approved using the Omnia Game Time contract for playground equipment, with two requirements: confirming the final contract amount and presenting information on other local governments using the contract. He stated that the updated contract amount is $696,042, which is $222,000 less than the initial estimate. Nearby jurisdictions,

including Fort Walton Beach, Crestview, Niceville, and Walton County, have also utilized this contract.

**Motion by Councilmember Hebert, seconded by Councilmember Destin, to contract with GameTime through a piggybacking off the OMNIA contract #104851-01-06 passed 6-0 (Council members Schmidt, King, Hebert, Destin, Geile, and Stephens voted "yes"; Councilmember Bagby was absent from the meeting).**

F. Short Term Rental-(STR) registration and possible STR Condominium registration

The meeting continued with a discussion about the registration requirements for short-term rental properties in the city, focusing on condominiums. This item had been tabled in the last meeting but was reinstated with the current agenda. Discussions, led by Code Compliance Director Troy Williams, examined how to integrate condominiums into the city's short-term rental registration program, including discussing potential fee structures.

Director Williams began by explaining the current system that applies to single and multifamily homes and presented options for extending these requirements to condominium rentals. He highlighted the strain that short-term rentals place on public resources such as code compliance, public safety, and beach lifeguard services. Notably, there are approximately 7,400 condominiums in the city, with an estimated 4,700 participating in short-term rentals. He suggested that applying a uniform fee based on square footage, such as $0.30 per square foot, could be an equitable way to distribute the cost of these services.

Councilmember Hebert spoke to the broader impact of short-term rentals, emphasizing the financial strain on public resources due to the influx of visitors. She highlighted a steep increase in city expenses, particularly in contracts with the Okaloosa Sheriff's Office and beach safety services. She stressed that the proposed fees aim to offset these rising costs and are not about penalizing businesses but rather addressing the needs arising from the significant seasonal population increase.

Councilmember Geile supported the square footage fee structure as a fair way to standardize fees across properties of varying sizes, noting that it aligns well with the revenue generated by larger units.

Councilmember Schmidt questioned whether the proposed fees would adequately cover the additional public safety costs, such as those for beach lifeguards and police services. Finance Director Krystal Strickland confirmed that the projected revenue from these fees would only partially cover these costs, contributing approximately 60%.

Councilmember Destin and Councilmember King both raised concerns about the fee complexity. Councilmember Destin suggested a simpler flat fee approach, arguing that this would be more straightforward and easier for property owners to comply with, while Councilmember King questioned the necessity of an increase in fees, asking for clarity on how the proposed rates were calculated.

**Tabled motion from the August 12th Special City Council Meeting:**

***Councilmember Bagby moved to set a short-term rental registration condominium fee of $300 annually and direct staff to bring back a draft ordinance; seconded by Councilmember Schmidt.***

**Councilmember Geile offered a substitute motion to require short-term condominium rentals, hotels and timeshares, to be included in the city's rental registration program and establish an additional level of registration fee of thirty cents per square footage of such rentals, which will be set forth in the city's fee resolution. Motion seconded by Councilmember Hebert.**

**Councilmember Destin proposed an amendment to the substitute motion requiring that these properties be subject to the same fee rates as those currently outlined in the city code for short-term rentals. Motion seconded by Councilmember Hebert and passed 4-2 (Council members Schmidt, Hebert, Destin, and Geile voted "yes"; Council members Stephens and King voted "no"; Councilmember Bagby was absent from the meeting )**

**Vote on the substitute motion, as amended, passed 4-3 (Council members Destin, Hebert, and Schmidt voted "yes"; Council members Stephens, Geile, and King voted "no"; Mayor Wagner cast a tie-breaking vote of "yes").**

**Councilmember Schmidt moved to direct staff to return with proposals for software that can be used to oversee the short-term rental programs; seconded by Councilmember Stephens. Motion passed 6-0 (Council members Schmidt, King, Hebert, Destin, Geile, and Stephens voted "yes"; Councilmember Bagby was absent from the meeting).**

G. Code Compliance Work Schedule

The Interim City Manager addressed the work schedule for the Code Compliance Department, which is currently 50% staffed, limiting the availability of evening hours. There were concerns about staffing constraints and operational needs. Discussion focused on whether to maintain the current daytime-focused schedule or to shift some coverage to evenings, acknowledging that this would reduce daytime availability.

According to the Code Compliance Director Williams, the Code Compliance Department has eight total staff members, including the director and an administrative assistant, leaving limited personnel for field operations. Due to staffing shortages, three officers are tasked with morning and afternoon crossing guard duties, which further limits the department's ability to extend service hours. Director Williams reiterated that they had already reduced hours to adapt to staffing limitations.

**Councilmember Hebert moved that Code Compliance Department keeps their revised schedule with a return to expended hours in 2025; seconded by Councilmember Geile.**

**Councilmember Stephens proposed a substitute motion requesting that staff return with a more comprehensive scheduling proposal to be implemented until the department is fully staffed; seconded by Councilmember Geile.**

The Interim City Manager confirmed that currently, the department does not have anyone on duty after 5 p.m. but is exploring options such as supplemental pay to incentivize on-call coverage.

The council discussed various staffing options, including potential increased pay or temporary reallocation of resources, and requested a comprehensive plan that addresses coverage during short-staffed periods.

Director Williams confirmed that Code Compliance is in the process of hiring new officers, with two interviews conducted recently. He assured the council that any staffing adjustments would remain within the existing budget constraints.

Councilmember Destin emphasized that if code compliance is reduced at night, it is vital to ensure the public is not informed about specific times when officers won't be on duty.

Councilmember Kevin Schmidt stressed the importance of maintaining a nighttime presence for Code Compliance, citing the risk to public safety if evening coverage is entirely dropped.

**Motion passed 4-2 (Council members King, Hebert, Geile, and Stephens voted "yes"; Council members Destin and Schmidt voted "no"; Councilmember Bagby was absent from the meeting).**

The council revisited the role of Code Compliance officers as crossing guard. Councilmember Stephens proposed involving the local school in managing crossing guard duties, potentially engaging parents or school staff to help fill gaps.

Several members of the council provided support for the recommendation acknowledging the community impact of reduced crossing guard availability and considering alternative solutions.

**Councilmember Stephens made a motion, seconded by Councilmember Hebert, to direct the City Manager to engage with Destin Elementary School to assist in providing crossing guard duties. The assistance could involve implementing a volunteer parent program until the city is fully staffed. Motion passed 5-1 (Council members Schmidt, King, Hebert, Geile, and Stephens voted "yes"; Councilmember Destin voted "no"; Councilmember Bagby was absent from the meeting).**

H. Norriego Point Park Update

The Interim City Manager presented an update on the Norriego Point Park project, managed by the Florida Department of Environmental Protection. He noted that phase three of the recreational improvements is set to begin on September 5th, with RJ Gorman awarded the construction contract. The project is estimated to take nine months to complete. To ensure safety, the Gulf Shore Drive Extension will be closed and used as a secure staging area. The contractor

requested to keep the entire park closed for the project's duration, citing safety and liability concerns.

The Interim City Manager noted that after reviewing the construction and staging plans, staff agreed with this approach, recommending the full park closure to avoid safety risks.

**Councilmember Hebert moved to direct the City Manager to work with staff and the City Attorney to close Norriego Point Park throughout the duration of the construction improvements; seconded by Councilmember Stephens.**

Councilmember Destin expressed concern over closing the inlet channel areas that are frequently used and house lifeguard towers. He proposed to have staff collaborate with the contractor to explore options for keeping these areas open.

Councilmember Schmidt supported Councilmember Destin's recommendation, but proposing an update by April 1st to monitor project progress and assess if adjustments are necessary.

**Councilmember Destin made a substitute motion to direct the City Manager to work with staff, the City Attorney, FDEP, and RJ Gorman Marine Construction, LLC to leave the Gulf/Inlet side of the park open throughout the duration of the construction improvements providing a status update to the council on a quarterly basis; seconded by Councilmember Stephens. Motion passed 6-0 (Council members Schmidt, King, Hebert, Destin, Geile, and Stephens voted "yes"; Councilmember Bagby was absent from the meeting).**

I. Capital Project Status - Informational Only

**Councilmember Schmidt moved to approve an internal transfer of $119,000 from the Renewal and Replacement 572 fund, designated for Parks and Recreation, to the Morgan Sports Center batting cage facility. The motion was seconded by Councilmember Stephens**

Councilmember Schmidt highlighted that there were remaining funds after budget allocations to other major projects, and this internal transfer would allow Parks & Recreation Department to complete a desired improvement at the Morgan Sports Center.

The Finance Director provided clarification on the Renewal and Replacement fund, explaining that it is a general fund dedicated to Parks and Recreation. The transfer is allowable within these funds and would utilize available resources. She further noted that essential projects for the following year, such as HVAC replacements, window replacements, community center upgrades, and LED light installations, are sufficiently funded.

The Parks and Recreation Director Lisa Firth supported the proposal, emphasizing the need for an upgraded batting cage at Morgan Sports Center. She detailed that the current facility is outdated, and that the new installation would be similar to one recently added at Threadgill Park, which was initially intended for Morgan Sports Center. She stressed that this would be a beneficial addition to serve the community's children and align with the city's improvement goals.

Councilmember Destin sought clarification on whether the project would complete the entire batting cage facility. Ms. Firth responded that this transfer would facilitate a substantial upgrade but might not cover the complete facility immediately. However, it would significantly enhance recreational facilities and serve the needs of the community effectively.

**Motion passed 6-0 (Council members Schmidt, King, Hebert, Destin, Geile, and Stephens voted "yes"; Councilmember Bagby was absent from the meeting).**

## 5. PUBLIC HEARINGS

A. Second reading of Ordinance 24-06-LC - Amending Article 7 - Zoning and Regulatory Controls - of the Land Development Code to modify conditions and criteria for approval For a Luxury Recreational Vehicle (RV) resorts (Formerly referred to as Luxury Motor Home Resorts).

The City Attorney read Ordinance 24-06-LC by title, and then presented it to the city council on second reading.

> AN ORDINANCE OF THE CITY OF DESTIN, FLORIDA, AMENDING ARTICLE 7, ZONING AND REGULATORY CONTROLS, OF THE LAND DEVELOPMENT CODE TO MODIFY CONDITIONS AND CRITERIA FOR APPROVAL FOR LUXURY RECREATIONAL VEHICLE (RV) RESORTS (FORMERLY REFERRED TO AS LUXURY MOTOR HOME RESORTS); PROVIDING FOR AUTHORITY; PROVIDING FOR FINDINGS OF FACT; PROVIDING FOR INCORPORATION INTO THE LAND DEVELOPMENT CODE; PROVIDING FOR CONFLICTING PROVISIONS; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

The mayor opened a public hearing to receive comments for or against the proposed ordinance. Having none, the mayor closed the public hearing and turned the matter over to the city council for their discussion and consideration.

**Motion by Councilmember Hebert, seconded by Councilmember King, to adopt proposed Ordinance 24-06-LC passed 6-0 (Council members Schmidt, King, Hebert, Destin, Geile, and Stephens voted "yes"; Councilmember Bagby was absent from the meeting).**

B. Second reading of Ordinance 24-07-PC, amending the Comprehensive Plan, providing for the adoption of a small-scale amendment to the Comprehensive Plan Future Land Use Map to include a change in future land use designations of eight parcels of real property located north of Calhoun Avenue, as described and depicted in Exhibit "A", consisting of approximately 4.75 acres from Calhoun Mixed Use - Village (CMU-V) to Calhoun Mixed Use (CMU).

The City Attorney read Ordinance 24-07-PC by title, and then presented it to the city council on second reading.

> AN ORDINANCE OF THE CITY OF DESTIN, FLORIDA, AMENDING THE COMPREHENSIVE PLAN; PROVIDING FOR AUTHORITY; PROVIDING FOR FINDINGS OF FACT; PROVIDING FOR THE ADOPTION OF A SMALL SCALE AMENDMENT TO THE COMPREHENSIVE PLAN FUTURE LAND USE MAP TO INCLUDE A CHANGE IN FUTURE LAND USE DESIGNATION OF EIGHT PARCELS OF REAL PROPERTY LOCATED NORTH OF CALHOUN AVENUE, AS DESCRIBED AND DEPICTED IN EXHIBIT "A", CONSISTING OF APPROXIMATELY 4.75 ACRES, FROM CALHOUN MIXED USE- VILLAGE (CMU-V) TO CALHOUN MIXED USE (CMU); PROVIDING FOR INCORPORATION INTO THE COMPREHENSIVE PLAN; PROVIDING FOR CONFLICTING PROVISIONS; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE. (PARCEL ID NUMBERS: 00-2S-22-0630-0000-1230; 00-2S-22-0630-0000-1240; 00-2S-22-0310-000D-072J; 00-2S-22-0310-000D-072I, 00-2S-22-0310-000D-0040; 00-2S-22-0310-000D-0030; 00-2S-22-0310-000D-0020; 00-2S-22-0310-000D-002A).

The mayor opened a public hearing to receive comments for or against the proposed ordinance. Having none, the mayor closed the public hearing and turned the matter over to the city council for their discussion and consideration.

Councilmember Schmidt inquired about the notification process for nearby property owners regarding the proposed zoning and land use amendment. The Community Development Director clarified that notification was indeed sent to all property owners within a 300-foot radius once the application was deemed sufficient. The notification process also included a public notice posted on the property, legal ads in local newspapers, and a photographic record of the signage, ensuring thorough community awareness.

Councilmember Schmidt further sought clarification on the project's details, specifically its purpose and requirements. The Director explained that the developers, who own an adjacent parcel were seeking this amendment to support a future development project requiring additional parking. The land use amendment and rezoning would enable the property to be incorporated into this development. Additionally, the Director mentioned that although the developers were not present to provide direct responses, they are planning a wedding venue and will return for further review as part of the major development order amendment process.

**Motion by Councilmember Hebert, seconded by Councilmember Stephens, to adopt proposed Ordinance 24-07-PC passed 5-1 (Council members King, Hebert, Destin, Geile, and Stephens voted "yes"; Councilmember Schmidt voted "no"; Councilmember Bagby was absent from the meeting).**

C. Second reading of Ordinance 24-08-LC, amending the official Zoning Map as Referenced in the Land Development Code, Section 7.12.01(A)2, Zoning Maps, to include a change in the zoning designation of eight parcels of real property located north of Calhoun Avenue, as described and depicted in Exhibit "A" consisting of approximately 4.75 acres, from Calhoun Mixed Use - Village (CMU-V) to Calhoun Mixed Use (CMU).

The City Attorney read Ordinance 24-08-LC by title, and then presented it to the city council on second reading.

> AN ORDINANCE OF THE CITY OF DESTIN, FLORIDA, AMENDING THE OFFICIAL ZONING MAP AS REFERENCED IN THE LAND DEVELOPMENT CODE, SECTION 7.12.01(A)2, ZONING MAPS, TO INCLUDE A CHANGE IN THE ZONING DESIGNATION OF EIGHT PARCELS OF REAL PROPERTY LOCATED NORTH OF CALHOUN AVENUE, AS DESCRIBED AND DEPICTED IN EXHIBIT "A", CONSISTING OF APPROXIMATELY 4.75 ACRES, FROM CALHOUN MIXED USE- VILLAGE (CMU-V) TO CALHOUN MIXED USE (CMU); PROVIDING FOR AUTHORITY; PROVIDING FOR FINDINGS OF FACT; PROVIDING FOR JURISDICTION; PROVIDING FOR ZONING MAP AMENDMENTS; PROVIDING FOR INCORPORATION INTO THE LAND DEVELOPMENT CODE; PROVIDING FOR CONFLICTING PROVISIONS; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE. **Motion by Councilmember Hebert, seconded by Councilmember Stephens, to adopt proposed Ordinance 24-08-LC passed 5-1 (Council members King, Hebert, Destin, Geile, and Stephens voted "yes"; Councilmember Schmidt voted "no"; Councilmember Bagby was absent from the meeting).**

## 6. COMMENTS / PRESENTATIONS FROM MAYOR, COUNCIL, AND CITY ATTORNEY

A. Councilmember Stephens

B. Councilmember Geile
   1) Projects Status/Updates

Councilmember Geile highlighted that detailed updates on the capital projects are available to the public through the city's website by navigating to the regular council meeting agenda packet. The latest report, dated August 13, 2024, includes the status of all projects currently underway in Destin.

Next, Councilmember Geile provided an update on the ongoing discussions about the interlocal agreement with Destin High School. He emphasized the complexity of the request, as it encompasses multiple sports and has broader implications for local recreational resources. He noted that the school's attorney had submitted a revised draft, and a meeting was scheduled for the following day to review proposed changes. The revisions focus on access to local

recreational fields for various sports, including baseball, softball, and soccer. He also pointed out the delicate nature of providing equal access to city resources among multiple schools in and near Destin. He highlighted that Destin High School is the only high school within the city limits, and other schools have expressed interest in similar agreements, which may lead to increased requests and complications.

The City Attorney added that Destin Water Users had also received a copy of the agreement for their feedback, as they are stakeholders due to their connection with park facilities.

Councilmember Schmidt raised concerns about the potential need for a firm timeline or ultimatum for the high school's compliance. He noted that presenting the unreviewed draft directly to the council might have caused significant confusion or concern.

C. Councilmember Destin

Councilmember Dewey Destin initiated a discussion about the chain-link fence under construction around Harbor One, expressing dissatisfaction with its appearance and receiving negative public feedback. He suggested options that maintain safety without compromising the area's visual appeal.

**Councilmember Destin made a motion to suspend the construction of the chain-link fence on the One Harbor property and to direct staff to present alternative options, such as signage or fences similar to those at Morgan Sports Center, or other alternatives that are more aesthetically pleasing than a chain-link fence. Councilmember Stephens provided a second to the motion.**

Councilmember Hebert raised questions about the financial implications. She specifically inquired about the feasibility of refunding the $25,000 already committed to the project.

The City's Public Works Director responded, explaining that materials had already been purchased and significant labor expended. He noted that while construction could be halted, costs related to the partial completion would need to be settled with the contractor. He detailed that, thus far, fencing posts had been installed along the northern boundary by neighboring condominiums and the water's edge, with additional adjustments made to minimize visual impact.

Councilmember King expressed concern over the sudden shift in council sentiment, questioning the abandonment of initial safety motivations for the fence. He reiterated the importance of securing the seawall area to prevent trip and fall hazards.

Councilmember Destin replied, suggesting that less obtrusive fencing or signage could address safety without requiring an unsightly chain-link fence. He referenced other areas, such as the Jetties, which remain unfenced despite posing greater risks. He reiterated his preference for an alternative fencing solution that would not obstruct views or create an undesirable atmosphere.

**Motion passed 6-0 (Council members Schmidt, King, Hebert, Destin, Geile, and Stephens voted "yes"; Councilmember Bagby was absent from the meeting).**

D. Councilmember Bagby

E. Councilmember Hebert

**Councilmember Hebert moved to schedule the city's annual Christmas Party on the second Saturday of December, coinciding with the city's Christmas Parade, beginning in 2025 and continuing in future years; seconded by Councilmember Schmidt. Motion passed 6-0 (Council members Schmidt, King, Hebert, Destin, Geile, and Stephens voted "yes"; Councilmember Bagby was absent from the meeting).**

Next, Councilmember Hebert raised concerns regarding ongoing code violations by renters, especially those with absentee landlords. She highlighted a specific case of a property on Main Street, owned by an individual residing in Virginia, where repeated violations have occurred. She expressed frustration over the strain on city resources caused by these continuous issues. She suggested exploring whether stricter regulations, similar to those applied to short-term rentals, could be implemented for long-term rentals. Specifically, she proposed possibly revoking rental authorizations for properties with multiple violations.

**Councilmember Hebert moved to direct the City Attorney to draft an ordinance for future discussion and action, aimed at penalizing long-term property owners whose tenants repeatedly violate city codes. Motion was seconded by Councilmember Schmidt**

The City Attorney confirmed that implementing a system akin to the one for short-term rentals could be possible.

Councilmember Destin addressed the issue of landlords and renters ignoring code enforcement fines, noting that fines alone are often ineffective. He pointed out that the city has the option to pursue legal action in Circuit Court to compel compliance through a court order. He emphasized that such legal actions, while more severe, could be necessary for landlords who consistently disregard fines. He acknowledged that this approach would incur additional litigation costs but could potentially include sanctions like jail time for non-compliance.

Further discussion highlighted that in cases where fines accumulate on a property, the council may have to make decisions regarding lien reductions, particularly if the property changes hands or if the owner is deceased. The City Attorney clarified that the council has the authority to reduce liens in certain cases, and that previous instances of taking matters to court have been rare but are within the council's discretion if deemed appropriate.

**The motion passed 6-0 (Council members Schmidt, King, Hebert, Destin, Geile, and Stephens voted "yes"; Councilmember Bagby was absent from the meeting).**

F. Councilmember King

G. Councilmember Schmidt

Councilmember Schmidt requested that staff research whether the city has the authority to take any action regarding the reported jet ski racing in the bayou, including the possibility of reporting the activity to the appropriate authorities.

**Councilmember Schmidt moved to direct the City Manager to collaborate with staff in determining whether any of the necessary actions highlighted during his presentation regarding park facilities, which have not been previously addressed, can be incorporated into the 2025 budget. Motion seconded by Councilmember Hebert.**

Councilmembers Schmidt discussed the ongoing budget process and the potential for adjusting budget priorities before the final approval. He noted the importance of clarity as the

council is preparing for the state-mandated budget hearing and inquired about the flexibility in making further adjustments before the budget's first reading on September 5th.

Councilmember Destin emphasized that the budget remains a "living, breathing, changing document" until it is formally approved. He clarified that while specific priorities might not have been comprehensively outlined, the council has already made some modifications to the budget, particularly in areas like vehicle acquisitions and the community center. He expressed his openness to considering additional adjustments if needed, as long as they could be feasibly incorporated into the fiscal year 2025 budget.

Both council members acknowledged the importance of adhering to state mandates while also ensuring that potential changes or considerations are realistically evaluated by staff, and that staff could review and provide feedback on the feasibility of incorporating any suggested changes into the budget before the formal voting process.

**The motion passed 6-0 (Council members Schmidt, King, Hebert, Destin, Geile, and Stephens voted "yes"; Councilmember Bagby was absent from the meeting).**

**ORDINANCE 24-23-CC**

**AN ORDINANCE OF THE CITY OF DESTIN, FLORIDA REQUIRING SHORT-TERM RENTAL REGISTRATIONS AT ALL MULTI-FAMILY UNITS (INCLUDING BUT NOT LIMITED TO CONDOMINIUM UNITS AND APARTMENT UNITS) WITHIN THE CITY OF DESTIN; PROVIDING FOR AUTHORITY; PROVIDING FOR FINDINGS OF FACT; DISTINGUISHING BETWEEN SHORT-TERM RENTAL REGISTRATIONS FOR SINGLE-FAMILY HOMES AND SHORT-TERM RENTAL REGISTRATIONS FOR MULTI-FAMILY UNITS; RENAMING ARTICLE VI OF CHAPTER 13 "REGISTRATION OF SHORT-TERM RENTALS (SINGLE FAMILY) BUT MAKING NO OTHER AMENDMENTS TO THE REGULATIONS FOR SHORT-TERM RENTALS FOR SINGLE-FAMILY HOMES; CREATING ARTICLE VI(A) OF CHAPTER 13, "REGISTRATION OF SHORT-TERM RENTALS (MULTI-FAMILY); REQUIRING AN APPLICATION FOR SUCH REGISTRATION AND AUTHORIZING REGISTRATION FEES FOR SHORT-TERM RENTALS AT MULTI-FAMILY UNITS; REQUIRING A LOCAL RESPONSIBLE PARTY FOR SHORT-TERM RENTALS AT MULTI-FAMILY UNITS; PROVIDING FOR CONFLICTING PROVISIONS; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.**

**NOW THEREFORE BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF DESTIN, FLORIDA, AS FOLLOWS:**

**SECTION 1**. **AUTHORITY.** The authority for enactment of this Ordinance is Article I, Section I .0l (b) of the City Charter, Section 166.021, Florida Statutes and Chapter 163, Pan II, Florida Statutes.

**SECTION 2. FINDINGS OF FACT.**

**WHEREAS,** the City Council has deemed it necessary to amend the existing Code of Ordinances to provide for revisions to the short-term rental registration process to require registration for multi-family units and associated regulations; and

**WHEREAS,** because many of the impacts to the adjacent properties and surrounding community are different in the cases of single-family homes and multi-family units, the City Council desires to create separate regulations to address the impacts created by short-term rentals located in multi-family units and multi-family residential areas; and

**WHEREAS**, the City Council previously adopted a fee associated with the registration of short-term rentals in single-family homes, and desires to authorize a fee or fees for registration of all short-term rentals, which fee(s) shall be set forth in the City's fee resolution and separately approved by the City Council; and

**WHEREAS.** the City Council has determined that this ordinance is consistent with the adopted Comprehensive Plan and is in the best interests of the City and its citizens; and

**WHEREAS,** a public hearing has been conducted by the City Council after due public notice.

**NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF DESTIN, FLORIDA, AS FOLLOWS:**

NOTE: Language in section three (3) of this ordinance that is ~~strike-thru~~ is language proposed to be deleted, underline language is language to be added, language that is not in strike-thru or underlined is not to be changed. The symbol *** represents sections of the Code of Ordinances that have been skipped and remain unchanged.

**SECTION 3. AMENDMENT OF CODE OF ORDINANCES CHAPTER 13:** Chapter 13 of the Code of Ordinances is hereby amended as follows:

* * *

**ARTICLE VI. REGISTRATION OF SHORT-TERM RENTALS (SINGLE-FAMILY)**

* * *

**ARTICLE VI(A) - REGISTRATION OF SHORT-TERM RENTALS (MULTI-FAMILY)**

* * *

**Sec. 13-135~~-139~~. Registration of Multi-Family Units Required. - ~~Reserved.~~**

(a) It shall be unlawful within the City of Destin, for any person to allow another person to occupy any multi-family unit for one hundred and eighty days or less, or offer such rental services within the City of Destin, unless the unit has been registered with the City of Destin in accordance with the provisions of this Article VI(A). For purposes of this Article VI(A), *short-term rental* shall mean any occupancy of a multi-family dwelling unit for a period of time between one (1) day to no more than six (6) months.

(b) No registration issued under this article shall be transferred or assigned or used by any person other than the one to whom it is issued, or at any location other than the one for which it is issued.

(c) All registrations issued under the provisions of this article shall be valid for no more than one (1) year, and all registrations shall expire on May 1 of each year. Registrations that are not renewed by May 1 of each year may be renewed up to the last business day in June of that year without paying a late renewal fee. Owners who do not renew their registrations before the last business day in June shall pay the appropriate late renewal fee as established, from time to time, by the City Council of the City of Destin.

**Sec. 13-136. - Fees for registration.**

The City of Destin is authorized and shall charge reasonable fees for registration to compensate for administrative expenses. The fees for registration shall be provided for, from time to time, by resolution adopted by the City Council of the City of Destin. If a property owner fails to register their short term rental in a timely manner, fines will be imposed consistent with the schedule of fees as amended. If a property owner fails to register their short-term rental unit within 90 days of receipt of the notice to register, the property owner is subject to code compliance proceedings.

**Sec. 13-137. - Formal application required.**

(a) Every property owner required to procure a registration under the provisions of this article Applications for registration shall set forth and/or include at a minimum:

(1) Address, unit number, name of the multi-family unit offered for short-term rental;
(2) Name, address, and phone number of owner of said unit;
(3) Name, address, and emergency contact phone number of responsible party for said multi-family unit, which shall be a twenty-four-hour, seven (7) days a week contact number;
(4) That the phone number for the responsible party will be answered twenty-four (24) hours a day, seven (7) days a week by a party with authority to address or coordinate problems associated with the multi-family unit;
(5) Proof of owner's current ownership of the multi-family unit(s);
(6) Acknowledgements by owner of the following:
    a. That all vehicles must be parked in the driveway, garage or other city approved parking space for the multi-family unit and clear of all grassy areas and sidewalk sections for pedestrian traffic pursuant to City of Destin Code of Ordinances, Section 19, Traffic and Motor Vehicles;
    b. That it shall be unlawful to allow or make any noise or sound which exceed the limits set forth in Chapter 14, Art. 2;

(b) It shall be unlawful for any person to give any false or misleading information in connection with the application for registration required by this article.

(c) The city manager or city manager's designee shall issue a registration to the applicant upon proof of the following:
(1) The owner and/or responsible party completes the City of Destin registration application form;
(2) The registration fee has been paid to the City of Destin; and
(3) Incomplete registration applications are unacceptable and requested registration shall not issue.

**Sec. 13-138. - Responsible party required.**

(a) Whenever any property is required to be registered under this article, the owner shall appoint a person to serve as the local responsible party for service of notices as are specified herein, and notices given to the responsible party shall be sufficient to satisfy any requirement of notice to the owner. The owner shall notify the city manager or city manager's designee in writing of the appointment within five (5) days of being required to make such appointment, and shall thereafter notify the city manager or city manager's designee of any change of responsible party within fifteen (15) days of such change. Further, it is hereby made the affirmative duty of the responsible party to:

(1) Inform all residents prior to occupancy of the unit of applicable City of Destin Ordinances and any applicable property owners' or homeowners' association rules concerning noise, vehicle parking, occupancy limits and garbage;
    a. Information shall include, but not be limited to, the following:
        i. It is unlawful to allow or make any noise or sound which exceed the limits set forth in Chapter 14, Article 2;
        ii. All trash shall be properly disposed of in authorized receptacles for

collection. It is recognized that multi-family units typically utilize garbage dumpsters intended for all or a portion of the units, however, if any multi-family unit utilizes one or more individual trash canisters, then section 13-109(4) regulating single-family short term rentals shall apply to the multi-family unit.

iii. All requirements applicable to the multi-family unit for parking and enforcement.

iv. A list of safety information including safety procedures for any amenities including any pool, spa, fitness facility, playground, or other amenity at the property.

v. A list of contact numbers for public safety, including but not limited to the local responsible party, sheriff's office, and city code compliance office.

(2) See that the provisions of this article are complied with and promptly address any violations of this article or any violations of law, which may come to the attention of the responsible party;

(3) Be available with authority to address or coordinate problems with the rental of the unit twenty-four (24) hours a day, seven (7) days a week;

(4) Store garbage and litter in authorized receptacles for collection.

(b) Whenever a violation of this article occurs, or is alleged to have occurred, any person may file a written complaint. Such complaint, stating fully the causes and basis thereof, shall be filed with the city manager or city manager's designee. The city manager or designee shall record properly such complaint, investigate, and take action thereon in accordance with sections 14-71—14-85, City of Destin Code of Ordinances.

(c) The city manager or city manager's designee shall, in connection with their duties imposed by law, diligently enforce the provisions of this article.

(d) Any registration issued pursuant to this article may be denied, revoked, or suspended by the city for the violation by the owner of this article, any City of Destin Ordinance, or state law. Such denial, revocation or suspension is in addition to any penalty provided herein. Additionally, the provisions of this Article may be enforced by Chapter 14 of this Code, or by any legal or equitable means available to the City of Destin.

**SECTION 4. INCORPORATION INTO CODE OF ORDINANCES.** This ordinance shall be incorporated into the City of Destin's Code of Ordinances and any section or paragraph number or letter and any heading may he changed or modified as necessary to effectuate the foregoing.

**SECTION 5. CONFLICTING PROVISIONS.** Special Acts of the Florida Legislature applicable to the incorporated area of the City of Destin. City Ordinances and City Resolutions, or parts, thereof, in conflict with the provisions of this ordinance are hereby superseded by this ordinance to the extent of such conflict.

**SECTION 6. SE\'ERABILITY.** Each separate provision of this ordinance is deemed independent of all other provisions herein so that if any portion or provision of this ordinance is declared invalid, all other provisions thereof shall remain valid and enforceable.

**SECTION 7. EFFECTIVE DATE.** This ordinance shall become effective upon its adoption by the City Council and signature by the Mayor.

**ITEM # 2025-5**

**CITY OF DESTIN**

# AGENDA ITEM

**COUNCIL MEETING DATE:** January 21, 2025
**TYPE OF AGENDA ITEM:** Ordinance
**AGENDA OUTLINE NUMBER:** 5.B.

**TO:** City Council

**THRU:** Larry Jones , City Manager
Kimberly Kopp, City Attorney

**FROM:** Steve O'Connor, Deputy Community Development Director
Krystal Strickland, Finance Director

**DATE:** January 15, 2025

**SUBJECT:** First reading of Ordinance 25-01-CC - Requiring short term rental registrations for rentals of commercial lodging units (including but not limited to hotels, motels, bed and breakfasts, condotels, and similar facilities) within the city of Destin; providing for authority; providing for findings of fact; providing for definitions; distinguishing between short-term rental registrations for residential units and registrations for commercial lodging units; creating Article VI(b) of Chapter 13, "Registration of Short-Term Rentals (commercial); requiring an application for such registration and authorizing registration fees for short-term rentals at commercial lodging units; requiring a local responsible party for short-term rentals at commercial lodging units.

**I. BACKGROUND:** The City Council has discussed the registration of commercial lodging unit and multi-family short term rentals within the City on multiple occasions, and currently only requires registration for single-family homes. Discussions have examined how to integrate condominiums (and other multi-family units) and hotels (and other commercial lodging units) into the City's existing short-term rental registration program, including discussing potential fee structures, and ultimately the Council voted to proceed.

The first step in the registration process to implement short-term rental fees on commercial lodging units is to establish the registration process via ordinance, and the 2nd step is to amend the fee resolution to impose the actual fee. Ordinance 25-01-CC is before you on first reading tonight to establish the registration requirement. Amendment of the City's fee resolution would occur if this ordinance is adopted on second reading. Proposals for software that could be used to oversee the short-term rental program will also be brought to council with the fee resolution and 2nd reading of the ordinance.

**II. DISCUSSION:** The City of Destin, through the *Co*de Compliance Division, oversees the single-family residential short- and long-term rental registrations. The City of Destin

does not currently oversee any multifamily units or commercial lodging units that engage in short-term rentals. These multifamily and commercial lodging units bring a considerable number of visitors to the City each year who use and benefit from City services and infrastructure.

The population in the City of Destin is approximately 14,594 full-time residents. However, on any given day during the peak tourist/summer season there could be upwards of 80,000 additional people in the City.

Our current Short- and Long-Term Registration fee structure is as follows:
Up to 2,499 square feet pay a $500 registration fee,
2,500-4,999 square feet pay a $600 registration fee, and
5,000+ square feet pay a $700 registration fee.

There are currently approximately 12 hotels in the City, and staff has compiled the attached spreadsheet based on square footage.

The factors contributing to the decision to register the short-term multifamily and commercial lodging unit rentals include:

- Equity;
- Impact of the short-term rentals on city services;
- Impact fees that are no longer able to be collected (due to impact fee credits on redeveloped land); and
- Forecasted General Fund revenues for the next 5 years.

The labor cost of administering the current rental registration program involves a full-time Code Compliance Officer with assistance from time to time from other Code Compliance Officers and the Division's Administrative Assistant.

As noted above, this item is the proposed Ordinance for First Reading, requiring commercial lodging units (hotels and similar uses) to register as short-term rentals. If approved at the First Reading, Staff will bring back a Fee Resolution incorporating the fees for consideration at the Second Reading.

**A. Link to Strategic Goals / Objectives:**

**B. Effect on Budget (EOB):**

**C. Level of Service (LOS):** The proposed ordinance allows for greater assurance of oversight, provides funding for administration of the program and enforcement, creates an equitable approach to ensuring all short-term rentals follow equitable protocols, and assists with public safety needs and infrastructure sustainability.

**D. Legislative Sponsor:**

**III. CONCLUSION:** Staff recommends approval of Ordinance 25-01-CC.

**IV. RECOMMENDED MOTION:** I move to approve Ordinance 25-01-CC on first reading.

**AN ORDINANCE OF THE CITY OF DESTIN, FLORIDA REQUIRING SHORT-TERM RENTAL REGISTRATIONS FOR RENTALS OF COMMERCIAL LODGING UNITS (INCLUDING BUT NOT LIMITED TO HOTELS, MOTELS, BED AND BREAKFASTS, CONDOTELS, AND SIMILAR FACILITIES) WITHIN THE CITY OF DESTIN; PROVIDING FOR AUTHORITY; PROVIDING FOR FINDINGS OF FACT; PROVIDING FOR DEFINITIONS; DISTINGUISHING BETWEEN SHORT-TERM RENTAL REGISTRATIONS FOR RESIDENTIAL UNITS AND REGISTRATIONS FOR COMMERCIAL LODGING UNITS; CREATING ARTICLE VI(B) OF CHAPTER 13, "REGISTRATION OF SHORT-TERM RENTALS (COMMERCIAL); REQUIRING AN APPLICATION FOR SUCH REGISTRATION AND AUTHORIZING REGISTRATION FEES FOR SHORT-TERM RENTALS AT COMMERCIAL LODGING UNITS; REQUIRING A LOCAL RESPONSIBLE PARTY FOR SHORT-TERM RENTALS AT COMMERCIAL LODGING UNITS; PROVIDING FOR CONFLICTING PROVISIONS; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.**

**NOW THEREFORE BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF DESTIN, FLORIDA, AS FOLLOWS:**

**SECTION 1**. **AUTHORITY.** The authority for enactment of this Ordinance is Article I, Section I .0l (b) of the City Charter, Section 166.021, Florida Statutes and Chapter 163, Pan II, Florida Statutes.

**SECTION 2. FINDINGS OF FACT.**

**WHEREAS,** the City Council has deemed it necessary to amend the existing Code of Ordinances to provide for revisions to the short-term rental registration process to require registration for commercial lodging units and associated regulations; and

**WHEREAS,** because many of the impacts to the adjacent properties and surrounding community are different in the cases of residential short-term rentals and commercial lodging units, the City Council desires to create separate regulations to address the impacts created by short-term rentals located in residential and commercial areas; and

**WHEREAS**, the City Council previously adopted a fee associated with the registration of short-term rentals in single-family homes, and desires to authorize a fee or fees for registration of all short-term rentals, which fee(s) shall be set forth in the City's fee resolution and separately approved by the City Council; and

**WHEREAS.** the City Council has determined that this ordinance is consistent with the adopted Comprehensive Plan and is in the best interests of the City and its citizens; and

**WHEREAS,** a public hearing has been conducted by the City Council after due public notice.

**NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF DESTIN, FLORIDA, AS FOLLOWS:**

NOTE: Language in section three (3) of this ordinance that is ~~strike-thru~~ is language

proposed to be deleted, underline language is language to be added, language that is not in strike-thru or underlined is not to be changed. The symbol *** represents sections of the Code of Ordinances that have been skipped and remain unchanged.

**SECTION 3. AMENDMENT OF CODE OF ORDINANCES CHAPTER 13:** Chapter 13 of the Code of Ordinances is hereby amended as follows:

* * *

**ARTICLE VI(B) - REGISTRATION OF COMMERCIAL LODING UNITS**

* * *

**Sec. 13-139. Registration of Commercial Lodging Units Required. - ~~Reserved.~~**

(a) ***Definition of Commercial Lodging Unit.*** For purposes of this Article VI(B), a *commercial lodging unit* is an establishment where lodging is provided for compensation other than in dwelling units, including but not limited to hotels, motels, bed and breakfasts and condotels. For purposes of this Article VI(B), a commercial lodging unit is a *short-term rental* if occupancy of a commercial lodging unit is permitted for a period of time between one (1) day to no more than six (6) months. Occasional rental of commercial lodging units for more than six (6) months shall not preclude consideration of the unit as a short-term rental if the ongoing use of the unit includes rental periods of less than six months.

(b) ***Requirement for Registration of Commercial Lodging Unit***. It shall be unlawful within the City of Destin, for any person to allow another person to occupy any commercial lodging unit for one hundred and eighty days or less, or offer such rental services within the City of Destin, unless the unit has been registered with the City of Destin in accordance with the provisions of this Article VI(B).

(i) No registration issued under this article shall be transferred or assigned or used by any entity other than the one to whom it is issued, or at any location other than the one for which it is issued.

(ii) All registrations issued under the provisions of this article shall be valid for no more than one (1) year, and all registrations shall expire on May 1 of each year. Registrations that are not renewed by May 1 of each year may be renewed up to the last business day in June of that year without paying a late renewal fee. Owners who do not renew their registrations before the last business day in June shall pay the appropriate late renewal fee as established, from time to time, by the City Council of the City of Destin.

(c) - ***Fees for registration.***

The City of Destin is authorized and shall charge reasonable fees for registration to compensate for administrative expenses. The fees for registration shall be provided for, from time to time, by resolution

adopted by the City Council of the City of Destin. If a property owner fails to register their short-term rental in a timely manner, fines will be imposed consistent with the schedule of fees as amended. If a property owner fails to register their short-term rental unit within 90 days of receipt of the notice to register, the property owner is subject to code compliance proceedings.

**(d) *Formal application required.***

(i) Every property owner of one or more commercial lodging unit(s) required to procure a registration under the provisions of this article Applications for registration shall set forth and/or include at a minimum:

a. Address, unit number(s), name of the establishment housing one or more commercial lodging units offered for short-term rental;
b. Name, address, and emergency contact phone number of responsible party for said establishment containing one or more commercial lodging unit(s), which shall be a twenty-four-hour, seven (7) days a week contact number;
c. That the phone number for the responsible party will be answered twenty-four (24) hours a day, seven (7) days a week by a party with authority to address or coordinate problems associated with the commercial lodging unit;
d. Acknowledgements by owner of the following:
    1. That all vehicles must be parked in city approved parking space for the commercial lodging unit and clear of all grassy areas and sidewalk sections for pedestrian traffic pursuant to City of Destin Code of Ordinances, Section 19, Traffic and Motor Vehicles;
    2. That it shall be unlawful to allow or make any noise or sound which exceed the limits set forth in Chapter 14, Art. 2;

(ii) It shall be unlawful for any person to give any false or misleading information in connection with the application for registration required by this article.

(iii)The city manager or city manager's designee shall issue a registration to the applicant upon proof of the following:

a. The owner and/or responsible party completes the City of Destin registration application form;
b. The registration fee has been paid to the City of Destin; and
c. Incomplete registration applications are unacceptable and requested registration shall not issue.

**(e) - *Responsible party required.***

(i) Whenever any property is required to be registered under this article, the owner shall appoint a person to serve as the local responsible party for service of notices as are specified herein, and notices given to the responsible party shall be sufficient to satisfy any requirement of notice to the owner. The owner shall notify the city manager or city manager's designee in writing of the appointment within five (5) days of being required to make such appointment, and shall thereafter notify the city manager or city manager's designee of any change of responsible party within fifteen (15) days of such change. Further, it is hereby made the affirmative duty of the responsible party to:

(a) Inform all residents prior to occupancy of the unit of applicable City of Destin Ordinances and any applicable rules of the establishment containing commercial lodging unit(s) concerning noise and vehicle parking.
    1. Information shall include, but not be limited to, the following:
        i. It is unlawful to allow or make any noise or sound which exceed the limits set forth in Chapter 14, Article 2;
        ii. All requirements applicable to the commercial lodging unit for parking and enforcement.
        iii. A list of safety information including safety procedures for any amenities including any pool, spa, fitness facility, playground, or other amenity at the property.
        iv. A list of contact numbers for public safety, including but not limited to the local responsible party, sheriff's office, and city code compliance office.
(b) See that the provisions of this article are complied with and promptly address any violations of this article or any violations of law, which may come to the attention of the responsible party;
(c) Be available with authority to address or coordinate problems with the rental of the unit twenty-four (24) hours a day, seven (7) days a week.

(ii) Whenever a violation of this article occurs, or is alleged to have occurred, any person may file a written complaint. Such complaint, stating fully the causes and basis thereof, shall be filed with the city manager or city manager's designee. The city manager or designee shall record properly such complaint, investigate, and take action thereon in accordance with sections 14-71—14-85, City of Destin Code of Ordinances.

(iii) The city manager or city manager's designee shall, in connection with their duties imposed by law, diligently enforce the provisions of this article.

(iv) Any registration issued pursuant to this article may be denied, revoked, or suspended by the city for the violation by the owner of this article, any City of Destin Ordinance, or state law. Such denial, revocation or suspension is in addition to any penalty provided herein. Additionally, the provisions of this Article may be enforced by Chapter 14 of this Code, or by any legal or equitable means available to the City of Destin.

**SECTION 4. INCORPORATION INTO CODE OF ORDINANCES.** This ordinance shall be incorporated into the City of Destin's Code of Ordinances and any section or paragraph number or letter and any heading may he changed or modified as necessary to effectuate the foregoing.

**SECTION 5. CONFLICTING PROVISIONS.** Special Acts of the Florida Legislature applicable to the incorporated area of the City of Destin. City Ordinances and City Resolutions, or parts, thereof, in conflict with the provisions of this ordinance are hereby superseded by this ordinance to the extent of such conflict.

**SECTION 6. SE\'ERABILITY.** Each separate provision of this ordinance is deemed independent

of all other provisions herein so that if any portion or provision of this ordinance is declared invalid, all other provisions thereof shall remain valid and enforceable.

**SECTION 7. EFFECTIVE DATE.** This ordinance shall become effective upon its adoption by the City Council and signature by the Mayor.

November 22, 2024

The Honorable Bobby Wagner
4200 Indian Bayou Trail
Destin, FL 32541

Dear Mayor Wagner:

We appreciate your interest in retaining Heffley & Associates to provide governmental relations services to the City of Destin. It will be a pleasure to work with you.

The City of Destin will retain Heffley & Associates to perform legislative and executive branch advocacy, Triumph Gulf Coast advocacy and governmental relations services on behalf of matters affecting the interest of the City of Destin in Florida. We will utilize our key contacts and vast knowledge of Florida's governmental process to ensure that you achieve their strategic goals.

Our team is uniquely qualified to represent the City of Destin in all aspects of State Government. No firm will match our knowledge of Government, our understanding of the political process and most importantly, our relationships with the Governor and Cabinet, agency heads, lawmakers, members of key boards and staff. In addition, we have boots on the ground in both the Panhandle and Tallahassee with Walton County native Kelly Horton as our contract leader.

At Heffley & Associates we have an open-door-policy and will make ourselves easily available to City staff and elected officials during the session. We are easily reachable, through phone, email and text messages (in accordance with City policies, texts will be sent to City cell phones only and not to personal phones) at any time of day or week. We also take great pride in providing informative, accurate and timely formal written reports, email updates as necessary/requested, but no less than quarterly and Council appearances as requested.

On or before Monday, June 9, 2025 Heffley & Associates will submit the following deliverable to the City Manager and City Clerk for inclusion on the June 16, 2025 City Council agenda:

A report that (1) lists the actions taken by Heffley & Associates between January 1, 2025 through June 1, 2025; (2) lists any and all funds received by the City as a result of such actions during said time period and (3) provides the City Council with any other information deemed relevant by Heffley & Associates with respect to their efforts and achievements pursuant to this engagement letter.

The City of Destin will pay Heffley & Associates a sum of $30,000, payable in monthly installments of $5,000. The initial term of this agreement is from January 1, 2025 through June 30, 2025, with the option to renew for additional periods of time. Either party may terminate or

extend this agreement with 30 days written notice. Heffley & Associates shall be reimbursed for all official expenses in relationship to its work for the City of Destin when agreed to in advance.

Kelly and I look forward to a continuing relationship with you and the City of Destin. Should you find this letter agreeable, please sign below and return a copy to our office. You can be assured that all services will be performed in a competent and professional manner, in strict conformity with applicable law and with due deference to the preservation of the goodwill and reputation of the City of Destin.

Again, thank you and we look forward to working with you and your team.

Sincerely,

Rich Heffley

Kelly Wells Horton

**RESOLUTION 25-16**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF DESTIN, FLORIDA; ESTABLISHING A POLICY REGARDING USE OF THE CITY'S LOBBYIST; PROVIDING FINDINGS OF FACT; AND PROVIDING FOR AN EFFECTIVE DATE.**

**SECTION 1. FINDINGS OF FACT.**

**WHEREAS,** the City has entered into an engagement agreement with Heffney & Associates for lobbyist services, which is attached hereto as "**Attachment A**"; and

**WHEREAS**, it is a goal of the City Council to be proactive in its lobbying efforts and to afford City Council members open access and communication to the City's engaged lobbyist, while requiring formal Council direction prior to engaging in formal lobbying efforts; and

**WHEREAS**, the purpose of this policy is to establish clear guidelines for engaging with the state lobbyist to ensure effective communication, consistency in advocacy efforts, and alignment with the City Council's established priorities.

**NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DESTIN**, **THAT**:

**Section 1. Recitals.** The foregoing recitals are true and correct, and incorporated into this Resolution.

**Section 2. Purpose and Scope of City Lobbyist Policy.**

***Purpose:*** The purpose of this policy is to establish clear guidelines for engaging with the state lobbyist to ensure effective communication, consistency in advocacy efforts, and alignment with the City Council's established priorities.

***Scope:*** This policy applies to all City of Destin elected officials, city staff, and any authorized representatives interacting with the state lobbyist.

**Section 3. City Lobbyist Policy**

a. ***Information Requests***. Requests for information from the state lobbyist may be made directly by individual council members or through the City Manager.

**b.** ***Action Requests.***

**(i)** **Council action is required for advocacy positions and legislative requests:** Any advocacy position, financial request, or policy and legislative position that requires the support or involvement of the state lobbyist must first be approved by the City Council through formal action. The City Council will review and vote on such matters during regular or special council meetings.

(ii) **All individual requests for action from the state lobbyist shall flow through the City Manager's office.** The City Manager will ensure an appropriate description of the request is provided to the City Council, and place such request on an agenda if appropriate, for Council consideration. This ensures coordinated communication and prevents conflicting or redundant requests. The City Manager shall ensure that Council approvals have been obtained, except on an emergency basis. In the event that the City Manager determines that emergency lobbying efforts are in the best interest of the City, the City Manager shall notify the City Council at the next scheduled Council meeting of any efforts or actions taken by the lobbyist.

**Section 5. Effective Date.** This Resolution shall become effective immediately upon its adoption.

PASSED AND ADOPTED BY THE CITY OF DESTIN, FLORIDA THIS 21ST DAY OF JANUARY, 2025.
