City of Destin

Proclamation

Parks and Recreation Month

WHEREAS, parks and recreation programs are an integral part of communities throughout this country, including the City of Destin; and

WHEREAS, our parks and recreation are vitally important to establishing and maintaining the quality of life in our communities, ensuring the health of all citizens, and contributing to the economic and environmental well-being of a community and region; and

WHEREAS, parks and recreation programs build healthy, active communities that aid in the prevention of chronic disease, provide therapeutic recreation services for those who are mentally or physically disabled, and improve the mental and emotional health of all citizens; and

WHEREAS, parks and recreation programs increase a community's economic prosperity through increased property values, expansion of the local tax base, increased tourism, the attraction and retention of businesses, and crime reduction; and

WHEREAS, parks and recreation areas are fundamental to the environmental well-being of our community; and

WHEREAS, parks and natural recreation areas improve water quality, protect groundwater, prevent flooding, improve the quality of the air we breathe, provide vegetative buffers to development, and produce habitat for wildlife; and

WHEREAS, our parks and natural recreation areas ensure the ecological beauty of our community and provide a place for children and adults to connect with nature and recreate outdoors; and

WHEREAS, the U.S. House of Representatives has designated July 2025 as ***Parks and Recreation Month***; and

WHEREAS, the City of Destin recognizes the benefits derived from parks and recreation resources;

NOW, THEREFORE, ***BE IT PROCLAIMED THAT*** I, Mayor Bobby Wagner, on behalf of the Destin City Council, do hereby designate the month of July 2025 as ***Parks and Recreation Month*** in the City of Destin. We call upon park and recreation supporters to join us in recognizing the importance of our nation's parks and recreation.

SO DONE THIS 7TH DAY OF JULY 2025

ITEM # 2025-716

CITY OF DESTIN – COMMUNITY DEVELOPMENT

AGENDA ITEM

MEETING DATE: July 7, 2025
BOARD/COMMITTEE: City Council
TYPE OF AGENDA ITEM: Action Item
OUTLINE NUMBER: 3.A.

TO: City Council

THRU: Larry Jones , City Manager
Kimberly Kopp, City Attorney

FROM: David Prichard, Community Development Director
Daniel Butler, Principal Planner

DATE: June 27, 2025

SUBJECT: 506 & 508 Harbor Blvd, Commercial Marine Construction, HWB-001589-2025

I. BACKGROUND: What's Up Docks LLC, on behalf of Stephen Abbott of Stephen Abbott Trust and Jonathan Taylor of Destin Harbor Place Condo Association, has applied for Harbor and Waterways Board review for the construction of a new shared seawall varying from zero feet (0') to three feet (3') waterward of the MHWL, measuring approximately 210 linear feet.

The applicant seeks a recommendation of approval from the City Council for a Commercial Marine Construction project proposing a new seawall with:

Total Square Feet:	840 (210 LF x 4' cap)
Total Number of Piers or Docks:	N/A
Total Length:	210 LF
Total Slip Density:	N/A
Located in the Destin Harbor:	Yes

II. DISCUSSION: The applicant requests City Council approval for Commercial Marine Construction located at 506 & 508 Harbor Blvd within Destin Harbor.

The City Council is being asked to review the proposed Marine project per Land Development Code ***Section 11.05.01 - General regulations; prohibitions*** and ***Section 11.05.02 – Permitting procedures.*** Below are Staff's findings with respect to ***Section 11.05.01*** and ***Section 11.05.02;*** items not applicable to this project are marked "Not Applicable."

11.05.01. General regulations; prohibitions*.This article establishes and regulates procedures and standards by which the City controls and regulates development, construction and activities within and contiguous to the Harbor and waterways of Destin. The following regulations and prohibitions shall apply to the Harbor and waterways of Destin:*

A. No person shall construct or add to an existing dock, seawall, bulkhead, mooring or piling, modify an existing submerged land lease, or conditions thereto, or conduct dredge or fill operations in, or contiguous to, the Harbor or waterways of Destin without first obtaining the proper authorization from the appropriate federal, state and City agencies.

Staff response: *The applicant has submitted for authorization from all appropriate agencies.*

B. The addition or modification of a boat lift or pilings within an existing legal and conforming boat slip shall not require the review of the Harbor and Waterways Board or the City Council. Rather, a copy of the U.S. Army Corps of Engineers permit, DEP permit, and a homeowner's association approval (if applicable) shall accompany a completed application for a building permit, provided no additional slips are created.

Staff response: *Not applicable.*

C. No fish carcasses and debris shall be discharged into the Harbor or waterways of Destin.

Staff response: *This regulation applies to all users of the harbor and waterways of Destin and shall be adhered to.*

D. No person who maintains or operates a dock shall allow or permit the disposal of fish carcasses, litter, waste petroleum products or other pollutants into the Harbor or waterways of Destin. Trash disposal receptacles shall be anchored to each dock to ensure compliance with the provisions of this article.

Staff response: *This regulation applies to all users of the harbor and waterways of Destin and shall be adhered to.*

E. No fuel or oil shall be willfully or knowingly discharged in the Harbor or waterways of Destin. No dock which sells fuel or oil shall be constructed, operated or maintained in the Harbor or waterways of Destin unless an oil abatement plan, in accordance with Coast Guard guidelines, is available at each dock. The Destin Harbor and Waterways Board shall review and recommend approval or disapproval of each oil abatement plan to the City Council, which shall have approval authority. Each existing dock which sells fuel or oil shall develop and have approved an oil abatement plan acceptable to the City. All new docks which sell fuel or oil shall develop and have an approved oil abatement plan, which is acceptable to the City, prior to receiving a building permit from the City.

Staff response: *This regulation applies to all users of the harbor and waterways of Destin and shall be adhered to.*

F. No new or existing dock shall be constructed or modified such that the length of any

pier as completed is greater than 20 percent of the width of the Harbor or waterway at the place where the pier is located, or out 200 feet, whichever is less, except in Choctawhatchee Bay.

Staff response: *Proposed construction will only include the construction of a new seawall varying between 0 ft to 3 ft seaward of the MHWL. Existing docks will not be modified.*

G. No piling(s) shall be added to the waterward end of any pier which piling(s) would make the total length of the dock more than 200 feet, or 20 percent of the waterway, whichever is less, except in Choctawhatchee Bay.

Staff response: *Proposed construction will only include the construction of a new seawall varying between 0 ft to 3 ft seaward of the MHWL. Existing docks will not be modified.*

H. No vessel shall be moored or docked on the waterward end of any pier of the maximum legal length, as determined pursuant to subsection F above, for more than 72 hours.

Staff response: *This regulation applies to all users of the harbor and waterways of Destin and shall be adhered to.*

I. No dock shall be constructed which permits the commercial docking of boats with on-board toilets unless such the dock is equipped with a sewage pump-out.

Staff response: *Not applicable.*

J. No dock shall be constructed which permits the docking of a live-aboard unless such vessel has an operable holding tank.

Staff response: *This regulation applies to all users of the harbor and waterways of Destin and shall be adhered to.*

K. No boat shall be moored in the Harbor or waterways of Destin such that it constitutes a hazard to navigation.

Staff response: *This regulation applies to all users of the harbor and waterways of Destin and shall be adhered to.*

L. No dock shall be constructed such that it constitutes a hazard to navigation.

Staff response: *This regulation applies to all users of the harbor and waterways of Destin and shall be adhered to.*

M. Excepting docks connected to uplands zoned SHMU, or those located on Choctawhatchee Bay, no dock shall be longer than the width, at the mean high-water line, of the lot to which the dock is attached.

Staff response: *Not applicable.*

1. For those docks connected to uplands zoned SHMU, or those located on Choctawhatchee Bay, a dock may be constructed to a length of 1.5 times the width of the

property at the mean high-water line, provided the length of the dock does not exceed the maximum length established by paragraphs F and G above.

Staff response: *Not applicable.*

2. For the purpose of this subsection, lots may be combined with neighboring lots. However, no dock may exceed the limitations specified in subsection F above.

Staff response: *Not applicable.*

N. No dock shall be constructed or modified such that slip density exceeds one slip per eight linear feet of waterfront footage except that, on canals, no lot may have more than one slip per 45 linear feet of waterfront. However, all lots riparian to a canal shall be entitled to at least two slips on the canal.

Staff response:*. Not applicable, as there are no modifications proposed to the existing docks.*

O. No boat or vessel, entering into, exiting or operating within the Destin Harbor shall operate at such speed that would create a wake that endangers other boats or vessels, swimmers or other persons within the Destin Harbor, or would contribute to any adjacent land erosion.

Staff response: *This regulation applies to all users of the harbor and waterways of Destin and shall be adhered to.*

P. No heated or cooled water may be emitted into the Harbor, waterways, or the Harbor canals other than from a boat.

Staff response: *This regulation applies to all users of the harbor and waterways of Destin and shall be adhered to.*

Q. No pier shall extend more than six feet into a canal right-of-way.

Staff response: *Not applicable.*

R. No discharge of water shall contain phosphorous or any other substance likely to cause a violation of the water quality standards specified in Chapter 17-302, Florida Administrative Code.

Staff response: *This regulation applies to all users of the harbor and waterways of Destin and shall be adhered to.*

S. No dock or vessel shall be placed within the 25-foot setback of a property line without providing prior written notification to the adjoining landowners and requesting their response. Any objections received from the adjoining property owners will be considered by the Harbor and Waterways Board in their recommendations to the City Council.

Staff response: *Staff sent the provided Adjacent Property Notification to the neighboring properties on June 3, 2025.*

T. No dock shall unreasonably interfere with the riparian rights of others.

Staff response: *Staff sent the provided Adjacent Property Notification to the neighboring properties on June 3, 2025. As proposed, the riparian rights of others are not interfered with.*

U. No dock of 100 feet or longer shall be constructed unless a white navigation/security night-light is installed at the furthest point seaward on said dock and such light is to be illuminated continuously from dusk to dawn every night of the year. All existing docks 100 feet or longer shall install and operate a navigation/security light pursuant to this subsection. Each light shall be installed within 90 days after adoption of this Code.

Staff response: *Not applicable.*

V. No commercially operated boat docking facilities shall be permitted or operated unless equipped with firefighting facilities as specified by the City.

Staff response: *Not applicable.*

W. No construction shall be allowed which violates any provision of the Standard Building Code, as adopted by the City.

Staff response: *Applicant must obtain an approved Marine Construction Permit prior to any construction.*

X. No electrical or water service upon any dock shall be installed unless a permit is obtained from the Planning Department and Building Department for that service.

Staff response: *Applicant must obtain an approved Marine Construction Permit prior to any construction.*

Y. No person, while operating a boat within the or waterways of Destin shall allow or permit the disposal of fish carcasses, litter, waste, petroleum products or other pollutants into the Harbor or waterways of Destin from such boats.

Staff response: *This regulation applies to all users of the harbor and waterways of Destin and shall be adhered to.*

Z. No lot, or multi-contiguous lots, with less than 50 feet of waterfront footage shall be allowed individual docks, unless they are parallel to the shoreline. However, docks may be allowed under the provisions of subsection ***11.05.01.M.2***.

Staff response: *Not applicable.*

Pursuant to ***Section 11.05.03, Land Development Code (LDC),*** all construction shall be inspected by the City Building Inspector for compliance with applicable building codes. The applicant shall be responsible for the condition and repair of permitted docks and failure to maintain said docks in a safe condition shall constitute grounds for revocation of the permit.

PUBLIC COMMENT:
Staff have received no comments from the public to date.

A. Link to Strategic Goals / Objectives: IV. Enhanced quality of life and safety for families.

B. Effect on Budget (EOB): N/A

C. Level of Service (LOS): N/A

D. Legislative Sponsor:

E. Business Impact Statement:

III. CONCLUSION: The applicant requests the City Council approval for a Commercial Marine Construction Project located at 506 & 508 Harbor Blvd. Additionally, the applicant provided the authorization from the Florida Department of Environmental Protection (FDEP), Permit No.: 429234-001-EI/46, as well as Army Corps of Engineers authorization (ACOE), Permit No.: SAJ-2016-00979 (NW-HMM).

City Staff reviewed the application and determined that the plans comply with ***LDC Section 11.05.00, Marina Siting***, and the Coastal Management Element of the City's Comprehensive Plan ***(Coastal Management Element Policy 6-1.1.6)***.

The Harbor & Waterways Board met at their regularly scheduled meeting on June 26, 2025 and voted unanimously to recommend approval.

IV. RECOMMENDED MOTION: I move that the City Council approve the Proposed Commercial Marine Construction Project at 506 & 508 Harbor Blvd, for the construction of a new seawall with the following conditions:

1. **All applicable Federal or State approvals shall be submitted with the Marine Construction Permit application; and**

2. **All regulations of the City's Marina Siting *LDC Section 11.05.00* shall be adhered to and followed at all times.**

Environmental Resource Permit
State-owned Submerged Lands Authorization – Granted

U.S. Army Corps of Engineers Authorization – Separate Corps Authorization Required

Okaloosa County
Permit No.: 429234-001-EI/46

Permit Issuance Date: November 13, 2023
Permit Construction Phase Expiration Date: November 13, 2028

Consolidated Environmental Resource Permit and Sovereignty Submerged Lands Authorization

Permittees: Randy Taylor, Steven Abbott
Permit No: 429234-001-EI/46

PROJECT LOCATION

The activities authorized by this permit and sovereignty submerged lands authorization are located at 508 Harbor Blvd and 506 E Highway 98 Destin, Florida 32541, in Section 00, Township 2 South, Range 22 West in Okaloosa County, at 30° 23' 31.8"/86° 29' 55.9".

PROJECT DESCRIPTION

The permittee is authorized to construct a 210 linear foot seawall with riprap and a 22 linear foot return wall within Destin Harbor, a Class III Florida Waterbody and Prohibited Shellfish Harvesting Area. Those activities include the proposed fill of 354.25 square feet/.008 acre/13.1 cubic yards waterward of the mean high water line. Authorized activities are depicted on the attached exhibits.

AUTHORIZATIONS

Taylor Seawall

Environmental Resource Permit

The Department has determined that the activity qualifies for an Environmental Resource Permit. Therefore, the Environmental Resource Permit is hereby granted, pursuant to Part IV of Chapter 373, Florida Statutes (F.S.), and Chapter 62-330, Florida Administrative Code (F.A.C.).

Sovereignty Submerged Lands Authorization

The activity is located on sovereignty submerged lands owned by the State of Florida. It therefore also requires authorization from the Board of Trustees of the Internal Improvement Trust Fund (Board of Trustees), pursuant to Article X, Section 11 of the Florida Constitution, and Section 253.77, F.S., and Chapter 258, F.S.

As staff to the Board of Trustees of the Internal Improvement Trust Fund (Board of Trustees) under Sections 253.002, F.S., the Department has determined that the activity qualifies for and requires a Letter of Consent, as long as the work performed is located within the boundaries as described and is consistent with the terms and conditions herein.

During the term of this Letter of Consent you shall maintain satisfactory evidence of sufficient upland interest as required by paragraph 18-21.004(3)(b), Florida Administrative Code. If such interest is terminated or the Board of Trustees determines that such interest did not exist on the date of issuance of this Letter of Consent, this Letter of Consent may be terminated by the Board of Trustees at its sole option. If the Board of Trustees terminates this Letter of Consent, you agree not to assert a claim or defense against the Board of Trustees arising out of this Letter of Consent.

Federal Authorization
Your proposed activity as outlined in your application and attached drawings **does not qualify** for Federal authorization pursuant to the State Programmatic General Permit VI-R1. **SEPARATE permit(s)** or authorization **may be required** from the U.S. Army Corps of Engineers.

Authority for review - an agreement with the USACOE entitled "Coordination Agreement Between the U. S. Army Corps of Engineers (Jacksonville District) and the Florida Department of Environmental Protection (or Duly Authorized Designee), State Programmatic General Permit", Section 10 of the Rivers and Harbor Act of 1899, and Section 404 of the Clean Water Act.

Coastal Zone Management
Issuance of this authorization also constitutes a finding of consistency with Florida's Coastal Zone Management Program, as required by Section 307 of the Coastal Zone Management Act.

Water Quality Certification
This permit also constitutes a water quality certification under Section 401 of the Clean Water Act, 33 U.S.C. 1341.

Other Authorizations
You are advised that authorizations or permits for this activity may be required by other federal, state, regional, or local entities including but not limited to local governments or municipalities. This permit does not relieve you from the requirements to obtain all other required permits or authorizations.

The activity described may be conducted only in accordance with the terms, conditions and attachments contained in this document. Issuance and granting of the permit and authorizations herein do not infer, nor guarantee, nor imply that future permits, authorizations, or modifications will be granted by the Department.

PERMIT/SOVEREIGNTY SUBMERGED LANDS CONDITIONS
The activities described must be conducted in accordance with:

- **The Specific Conditions**
- **The General Conditions**
- **The Special Consent Conditions**
- **General Conditions for Sovereignty Submerged Lands Authorization**
- **The limits, conditions and locations of work shown in the attached drawings**
- **The term limits of this authorization**

You are advised to read and understand these conditions and drawings prior to beginning the authorized activities, and to ensure the work is conducted in conformance with all the terms, conditions, and drawings herein. If you are using a contractor, the contractor also should read and understand these conditions and drawings prior to beginning any activity. Failure to comply with these conditions, including any mitigation requirements, shall be grounds for the

Department to revoke the permit and authorization and to take appropriate enforcement action. Operation of the facility is not authorized except when determined to be in conformance with all applicable rules and this permit and sovereignty submerged lands authorization, as described.

SPECIFIC CONDITIONS – AMINISTRATIVE/EMERGENCIES

1. The construction phase expires at 11:59 p.m. on the date indicated on the cover page of this permit.

2. For emergencies involving a serious threat to the public health, safety, welfare, or environment, the emergency telephone contact number is (800) 320-0519 (State Warning Point). The Department telephone number for reporting nonthreatening problems or system malfunctions is (850) 595-0663, day or night.

3. The mailing address for submittal of forms for the "Construction Commencement Notice", "As-Built Certification …", "Request for Conversion of Stormwater Management Permit Construction Phase to Operation and Maintenance Phase", or other correspondence is FDEP, SLERP, 160 W Government Street, Suite 308, Pensacola, Florida 32502.

SPECIFIC CONDITIONS - PRIOR TO ANY CONSTRUCTION

4. Prior to the initiation of any work authorized by this permit, floating turbidity screens with weighted skirts that extend to within 1 ft. of the bottom shall be placed around the active construction areas of the site. The screens shall be maintained and shall remain in place for the duration of the project construction to ensure that turbidity levels outside the construction area do not exceed 29 NTU's above background levels. The permittee shall be responsible for ensuring that turbidity control devices are inspected daily and maintained in good working order so that there are no violations of state water quality standards outside of the turbidity screens.

5. Best management practices for erosion control shall be implemented prior to construction commencement and shall be maintained at all times during construction to prevent siltation and turbid discharges in excess of State water quality standards pursuant to Rule 62-302, F.A.C. Methods shall include, but are not limited to the use of staked hay bales, staked filter cloth, sodding, seeding, staged construction and the installation of turbidity screens around the immediate project site.

SPECIFIC CONDITIONS – CONSTRUCTION ACTIVITIES

6. There shall be no stock piling of tools, materials, (i.e., lumber, pilings, riprap, and debris) within wetlands, along the shoreline within the littoral zone, or elsewhere within waters/waters of the state.

7. Construction equipment shall not be repaired or refueled in wetlands or elsewhere within waters of the state.

8. Any damage to wetlands outside of the authorized impact areas as a result of construction shall be immediately reported to the Department at (850)595-8300 and repaired by reestablishing the pre-construction elevations and replanting vegetation of the same species, size, and density

as that in the adjacent areas. The restoration shall be completed within 30 days of completion of construction, and the Department shall be notified of its completion within that same 30-day period.

9. The following measures shall be taken immediately by the permittee when turbidity levels within waters of the State surrounding the project site exceed 29 NTUs above background:

a. Immediately cease work contributing to the water quality violation.

b. Stabilize exposed soils contributing to the violation. Modify the work procedures responsible for the violation, install additional turbidity containment devices and repair non-functioning turbidity containment devices.

c. Notify the Department of Environmental Protection, Submerged Lands & Environmental Resources Program, Compliance and Enforcement Section, Northwest District Office, 160 W Government Street, Pensacola, Florida 32502-5794, in writing or by telephone at (850)595-8300 within 24 hours of the time the violation is first detected.

10. All cleared vegetation, excess lumber, scrap wood, trash, garbage and any other type of debris shall be removed from wetlands/waters of the state within 14 days of completion of the work authorized in this permit.

11. The seawall shall be fully constructed prior to the placement of any backfill material.

12. All material used as backfill for construction of the of the seawall shall be clean material and shall not be contaminated with vegetation, garbage, trash, tires, hazardous, toxic waste or other materials that are not suitable construction within waters of the State as so determined by the department.

13. Dredging within waters of the State for the purpose of providing backfill is prohibited.

SPECIFIC CONDITIONS - MANATEE

14. The Standard Manatee Conditions for In-water Work (2011) shall be followed for all in-water activity.

SPECIFIC CONDITIONS - OTHER LISTED SPECIES

15. While performing backfilling, it is important to ensure that manatees or sea turtles do not become entrapped during sheet pile installation or gain access after the sheet pile has been installed and before filling work has been completed. To prevent trapping, backfilling shall be filled from the terminus, landward end, outward. If a manatee or sea turtle becomes entrapped, the area shall be opened to allow the manatee or turtle to leave of its own volition. It shall not be herded or harassed into leaving the area.

16. This permit does not authorize the permittee to cause any adverse impact to or “take” of state listed species and other regulated species of fish and wildlife. Compliance with state laws regulating the take of fish and wildlife is the responsibility of the owner or applicant associated with this project. Please refer to Chapter 68A-27 of the Florida Administrative Code for definitions of “take” and a list of fish and wildlife species. If listed species are observed onsite,

FWC staff are available to provide decision support information or assist in obtaining the appropriate FWC permits. Most marine endangered and threatened species are statutorily protected and a "take" permit cannot be issued. Requests for further information or review can be sent to FWCConservationPlanningServices@MyFWC.com.

17. If new information (e.g. listing of new species, new critical habitat, etc.) shows that the magnitude of impacts to federally listed species has the potential for adverse effects, the U.S. Fish and Wildlife Service (USFWS) will notify the Department. The Department will initiate coordination with the permittee and with the USFWS to determine what adverse impacts are likely and if additional minimization measures, reporting, or monitoring are required in order to be consistent with the Endangered Species Act, as deemed necessary by USFWS.

18. The Permittee shall report any injured, sick, or dead federally or state listed animal(s) discovered onsite to the Florida Fish and Wildlife Conservation Commission Wildlife Alert number at 888-404-FWCC (3922).

GENERAL CONDITIONS FOR INDIVIDUAL PERMITS
The following general conditions are binding on all individual permits issued under this chapter, except where the conditions are not applicable to the authorized activity, or where the conditions must be modified to accommodate project-specific conditions.

1. All activities shall be implemented following the plans, specifications and performance criteria approved by this permit. Any deviations must be authorized in a permit modification in accordance with rule 62-330.315, F.A.C. Any deviations that are not so authorized may subject the permittee to enforcement action and revocation of the permit under chapter 373, F.S.

2. A complete copy of this permit shall be kept at the work site of the permitted activity during the construction phase, and shall be available for review at the work site upon request by the Agency staff. The permittee shall require the contractor to review the complete permit prior to beginning construction.

3. Activities shall be conducted in a manner that does not cause or contribute to violations of state water quality standards. Performance-based erosion and sediment control best management practices shall be installed immediately prior to, and be maintained during and after construction as needed, to prevent adverse impacts to the water resources and adjacent lands. Such practices shall be in accordance with the State of Florida Erosion and Sediment Control Designer and Reviewer Manual (Florida Department of Environmental Protection and Florida Department of Transportation, June 2007), and the Florida Stormwater Erosion and Sedimentation Control Inspector's Manual (Florida Department of Environmental Protection, Nonpoint Source Management Section, Tallahassee, Florida, July 2008), which are both incorporated by reference in subparagraph 62-330.050(9)(b)5., F.A.C., unless a project-specific erosion and sediment control plan is approved or other water quality control measures are required as part of the permit.

4. At least 48 hours prior to beginning the authorized activities, the permittee shall submit to the Agency a fully executed Form 62-330.350(1), "Construction Commencement Notice," (October 1, 2013), (http://www.flrules.org/Gateway/reference.asp?No=Ref-02505), incorporated by reference herein, indicating the expected start and completion dates. A copy of this form may be obtained from the Agency, as described in subsection 62-330.010(5), F.A.C., and shall be submitted electronically or by mail to the Agency. However, for activities involving more than one acre of construction that also require a NPDES stormwater construction general permit, submittal of the Notice of Intent to Use Generic Permit for Stormwater Discharge from Large and Small Construction Activities, DEP Form 62-621.300(4)(b), shall also serve as notice of commencement of construction under this chapter and, in such a case, submittal of Form 62-330.350(1) is not required.

5. Unless the permit is transferred under rule 62-330.340, F.A.C., or transferred to an operating entity under rule 62-330.310, F.A.C., the permittee is liable to comply with the plans, terms, and conditions of the permit for the life of the project or activity.

6. Within 30 days after completing construction of the entire project, or any independent portion of the project, the permittee shall provide the following to the Agency, as applicable:
   a. For an individual, private single-family residential dwelling unit, duplex, triplex, or quadruplex – "Construction Completion and Inspection Certification for Activities Associated with a Private Single-Family Dwelling Unit" [Form 62-330.310(3)]; or
   b. For all other activities – "As-Built Certification and Request for Conversion to Operation Phase" [Form 62-330.310(1)].
   c. If available, an Agency website that fulfills this certification requirement may be used in lieu of the form.

7. If the final operation and maintenance entity is a third party:
   a. Prior to sales of any lot or unit served by the activity and within one year of permit issuance, or within 30 days of as-built certification, whichever comes first, the permittee shall submit, as applicable, a copy of the operation and maintenance documents (see sections 12.3 thru 12.3.4 of Volume I) as filed with the Florida Department of State, Division of Corporations, and a copy of any easement, plat, or deed restriction needed to operate or maintain the project, as recorded with the Clerk of the Court in the County in which the activity is located.
   b. Within 30 days of submittal of the as-built certification, the permittee shall submit "Request for Transfer of Environmental Resource Permit to the Perpetual Operation and Maintenance Entity" [Form 62-330.310(2)] to transfer the permit to the operation and maintenance entity, along with the documentation requested in the form. If available, an Agency website that fulfills this transfer requirement may be used in lieu of the form.

8. The permittee shall notify the Agency in writing of changes required by any other regulatory agency that require changes to the permitted activity, and any required modification of this permit must be obtained prior to implementing the changes.

9. This permit does not:

a. Convey to the permittee any property rights or privileges, or any other rights or privileges other than those specified herein or in chapter 62-330, F.A.C.;
b. Convey to the permittee or create in the permittee any interest in real property;
c. Relieve the permittee from the need to obtain and comply with any other required federal, state, and local authorization, law, rule, or ordinance; or
d. Authorize any entrance upon or work on property that is not owned, held in easement, or controlled by the permittee.

10. Prior to conducting any activities on state-owned submerged lands or other lands of the state, title to which is vested in the Board of Trustees of the Internal Improvement Trust Fund, the permittee must receive all necessary approvals and authorizations under chapters 253 and 258, F.S. Written authorization that requires formal execution by the Board of Trustees of the Internal Improvement Trust Fund shall not be considered received until it has been fully executed.

11. The permittee shall hold and save the Agency harmless from any and all damages, claims, or liabilities that may arise by reason of the construction, alteration, operation, maintenance, removal, abandonment or use of any project authorized by the permit.

12. The permittee shall notify the Agency in writing:
a. Immediately if any previously submitted information is discovered to be inaccurate; and
b. Within 30 days of any conveyance or division of ownership or control of the property or the system, other than conveyance via a long-term lease, and the new owner shall request transfer of the permit in accordance with rule 62-330.340, F.A.C. This does not apply to the sale of lots or units in residential or commercial subdivisions or condominiums where the stormwater management system has been completed and converted to the operation phase.

13. Upon reasonable notice to the permittee, Agency staff with proper identification shall have permission to enter, inspect, sample and test the project or activities to ensure conformity with the plans and specifications authorized in the permit.

14. If prehistoric or historic artifacts, such as pottery or ceramics, projectile points, stone tools, dugout canoes, metal implements, historic building materials, or any other physical remains that could be associated with Native American, early European, or American settlement are encountered at any time within the project site area, the permitted project shall cease all activities involving subsurface disturbance in the vicinity of the discovery. The permittee or other designee shall contact the Florida Department of State, Division of Historical Resources, Compliance Review Section (DHR), at (850)245-6333, as well as the appropriate permitting agency office. Project activities shall not resume without verbal or written authorization from the Division of Historical Resources. If unmarked human remains are encountered, all work shall stop immediately and the proper authorities notified in accordance with section 872.05, F.S. For project activities subject to prior consultation with the DHR and as an alternative to the above requirements, the permittee may follow procedures for unanticipated discoveries as set forth within a cultural resources assessment survey determined complete and sufficient by DHR and included as a specific permit condition herein.

15. Any delineation of the extent of a wetland or other surface water submitted as part of the permit application, including plans or other supporting documentation, shall not be considered binding unless a specific condition of this permit or a formal determination under rule 62-330.201, F.A.C., provides otherwise.

16. The permittee shall provide routine maintenance of all components of the stormwater management system to remove trapped sediments and debris. Removed materials shall be disposed of in a landfill or other uplands in a manner that does not require a permit under chapter 62-330, F.A.C., or cause violations of state water quality standards.

17. This permit is issued based on the applicant's submitted information that reasonably demonstrates that adverse water resource-related impacts will not be caused by the completed permit activity. If any adverse impacts result, the Agency will require the permittee to eliminate the cause, obtain any necessary permit modification, and take any necessary corrective actions to resolve the adverse impacts.

18. A Recorded Notice of Environmental Resource Permit may be recorded in the county public records in accordance with subsection 62-330.090(7), F.A.C. Such notice is not an encumbrance upon the property.

19. In addition to those general conditions in subsection (1), above, the Agency shall impose any additional project-specific special conditions necessary to assure the permitted activities will not be harmful to the water resources, as set forth in rules 62-330.301 and 62-330.302, F.A.C., Volumes I and II, as applicable, and the rules incorporated by reference in this chapter.

SPECIAL CONSENT CONDITIONS

1. The applicant agrees to indemnify, defend and hold harmless the Board of Trustees and the State of Florida from all claims, actions, lawsuits and demands in any form arising out of the authorization to use sovereignty submerged lands or the applicant's use and construction of structures on sovereignty submerged lands. This duty to indemnify and hold harmless will include any and all liabilities that are associated with the structure or activity including special assessments or taxes that are now or in the future assessed against the structure or activity during the period of the authorization.

2. Failure by the Board of Trustees to enforce any violation of a provision of the authorization or waiver by the Board of Trustees of any provision of the authorization will not invalidate the provision not enforced or waived, nor will the failure to enforce or a waiver prevent the Board of Trustees from enforcing the unenforced or waived provision in the event of a violation of that provision.

3. Applicant binds itself and its successors and assigns to abide by the provisions and conditions set forth in the authorization. If the applicant or its successors or assigns fails or refuses to comply with the provisions and conditions of the authorization, the authorization may be terminated by the Board of Trustees after written notice to the applicant or its successors or assigns. Upon receipt of such notice, the applicant or its successors or assigns will have thirty

(30) days in which to correct the violations. Failure to correct the violations within this period will result in the automatic revocation of this authorization.

4. All costs incurred by the Board of Trustees in enforcing the terms and conditions of the authorization will be paid by the applicant. Any notice required by law will be made by certified mail at the address shown on page one of the authorization. The applicant will notify the Board of Trustees in writing of any change of address at least ten days before the change becomes effective.

5. This authorization does not allow any activity prohibited in a conservation easement or restrictive covenant that prohibits the activity.

GENERAL CONDITIONS FOR SOVEREIGNTY SUBMERGED LANDS AUTHORIZATION

Any use of sovereignty submerged lands is subject to the following general conditions are binding upon the applicant and are enforceable under Chapter 253, F.S.

1. Sovereignty submerged lands may be used only for the specified activity or use. Any unauthorized deviation from the specified activity or use and the conditions for undertaking that activity or use will constitute a violation. Violation of the authorization will result in suspension or revocation of the applicant's use of the sovereignty submerged lands unless cured to the satisfaction of the Board of Trustees.

2. Authorization under Rule 18-21.005, F.A.C., conveys no title to sovereignty submerged lands or water column, nor does it constitute recognition or acknowledgment of any other person's title to such land or water.

3. Authorizations under Rule 18-21.005, F.A.C., may be modified, suspended or revoked in accordance with its terms or the remedies provided in Sections 253.04, F.S. and Chapter 18-14, F.A.C.

4. Structures or activities will be constructed and used to avoid or minimize adverse impacts to resources.

5. Construction, use, or operation of the structure or activity will not adversely affect any species which is endangered, threatened or of special concern, as listed in Rules 68A-27.003, 68A-27.004, and 68A-27.005, F.A.C.

6. Structures or activities will not unreasonably interfere with riparian rights. When a court of competent jurisdiction determines that riparian rights have been unlawfully affected, the structure or activity will be modified in accordance with the court's decision.

7. Structures or activities will not create a navigational hazard.

8. Activities shall not interfere with the public easement for traditional uses of the sandy beaches provided in section 161.141, F.S.

9. Structures shall be maintained in a functional condition and shall be repaired or removed if they become dilapidated to such an extent that they are no longer functional. This shall not be construed to prohibit the repair or replacement subject to the provisions of rule 18-21.005, F.A.C., within one year, of a structure damaged in a discrete event such as a storm, flood, accident, or fire.

10. Structures or activities shall be constructed, operated, and maintained solely for water dependent purposes, or for non-water dependent activities authorized under paragraph 18-21.004(1)(g), F.A.C., or any other applicable law.

11. The applicant agrees to indemnify, defend and hold harmless the Board of Trustees and the State of Florida from all claims, actions, lawsuits and demands in any form arising out of the authorization to use sovereignty submerged lands or the applicant's use and construction of structures on sovereignty submerged lands. This duty to indemnify and hold harmless will include any and all liabilities that are associated with the structure or activity including special assessments or taxes that are now or in the future assessed against the structure or activity during the period of the authorization.

12. Failure by the Board of Trustees to enforce any violation of a provision of the authorization or waiver by the Board of Trustees of any provision of the authorization will not invalidate the provision not enforced or waived, nor will the failure to enforce or a waiver prevent the Board of Trustees from enforcing the unenforced or waived provision in the event of a violation of that provision.

13. Applicant binds itself and its successors and assigns to abide by the provisions and conditions set forth in the authorization. If the applicant or its successors or assigns fails or refuses to comply with the provisions and conditions of the authorization, the authorization may be terminated by the Board of Trustees after written notice to the applicant or its successors or assigns. Upon receipt of such notice, the applicant or its successors or assigns will have thirty (30) days in which to correct the violations. Failure to correct the violations within this period will result in the automatic revocation of this authorization.

14. All costs incurred by the Board of Trustees in enforcing the terms and conditions of the authorization will be paid by the applicant. Any notice required by law will be made by certified mail at the address shown on page one of the authorization. The applicant will notify the Board of Trustees in writing of any change of address at least ten days before the change becomes effective.

15. This authorization does not allow any activity prohibited in a conservation easement or restrictive covenant that prohibits the activity.

NOTICE OF RIGHTS

This action is final and effective on the date filed with the Clerk of the Department unless a petition for an administrative hearing is timely filed under Sections 120.569 and 120.57, F.S., before the deadline for filing a petition. On the filing of a timely and sufficient petition, this action will not be final and effective until further order of the Department. Because the administrative hearing process is designed to formulate final agency action, the hearing process may result in a modification of the agency action or even denial of the application.

Petition for Administrative Hearing

A person whose substantial interests are affected by the Department's action may petition for an administrative proceeding (hearing) under Sections 120.569 and 120.57, F.S. Pursuant to Rules 28-106.201 and 28-106.301, F.A.C., a petition for an administrative hearing must contain the following information:

(a) The name and address of each agency affected and each agency's file or identification number, if known;
(b) The name, address, any e-mail address, any facsimile number, and telephone number of the petitioner, if the petitioner is not represented by an attorney or a qualified representative; the name, address, and telephone number of the petitioner's representative, if any, which shall be the address for service purposes during the course of the proceeding; and an explanation of how the petitioner's substantial interests will be affected by the agency determination;
(c) A statement of when and how the petitioner received notice of the agency decision;
(d) A statement of all disputed issues of material fact. If there are none, the petition must so indicate;
(e) A concise statement of the ultimate facts alleged, including the specific facts that the petitioner contends warrant reversal or modification of the agency's proposed action;
(f) A statement of the specific rules or statutes that the petitioner contends require reversal or modification of the agency's proposed action, including an explanation of how the alleged facts relate to the specific rules or statutes; and
(g) A statement of the relief sought by the petitioner, stating precisely the action that the petitioner wishes the agency to take with respect to the agency's proposed action.

The petition must be filed (received by the Clerk) in the Office of General Counsel of the Department at 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida 32399-3000, or via electronic correspondence at Agency_Clerk@dep.state.fl.us. Also, a copy of the petition shall be mailed to the applicant at the address indicated above at the time of filing.

Time Period for Filing a Petition

In accordance with Rule 62-110.106(3), F.A.C., petitions for an administrative hearing by the applicant and persons entitled to written notice under Section 120.60(3), F.S., must be filed within 14 days of receipt of this written notice. Petitions filed by any persons other than the applicant, and other than those entitled to written notice under Section 120.60(3), F.S., must be filed within 14 days of publication of the notice or within 14 days of receipt of the written notice, whichever occurs first. You cannot justifiably rely on the finality of this decision unless notice of this decision and the right of substantially affected persons to challenge this decision has been

duly published or otherwise provided to all persons substantially affected by the decision. While you are not required to publish notice of this action, you may elect to do so pursuant Rule 62-110.106(10)(a).

The failure to file a petition within the appropriate time period shall constitute a waiver of that person's right to request an administrative determination (hearing) under Sections 120.569 and 120.57, F.S., or to intervene in this proceeding and participate as a party to it. Any subsequent intervention (in a proceeding initiated by another party) will be only at the discretion of the presiding officer upon the filing of a motion in compliance with Rule 28-106.205, F.A.C. If you do not publish notice of this action, this waiver will not apply to persons who have not received written notice of this action.

Extension of Time
Under Rule 62-110.106(4), F.A.C., a person whose substantial interests are affected by the Department's action may also request an extension of time to file a petition for an administrative hearing. The Department may, for good cause shown, grant the request for an extension of time. Requests for extension of time must be filed with the Office of General Counsel of the Department at 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida 32399-3000, or via electronic correspondence at Agency_Clerk@dep.state.fl.us, before the deadline for filing a petition for an administrative hearing. A timely request for extension of time shall toll the running of the time period for filing a petition until the request is acted upon.

Mediation
Mediation is not available in this proceeding.

FLAWAC Review
The applicant, or any party within the meaning of Section 373.114(1)(a) or 373.4275, F.S., may also seek appellate review of this order before the Land and Water Adjudicatory Commission under Section 373.114(1) or 373.4275, F.S. Requests for review before the Land and Water Adjudicatory Commission must be filed with the Secretary of the Commission and served on the Department within 20 days from the date when this order is filed with the Clerk of the Department.

Judicial Review
Once this decision becomes final, any party to this action has the right to seek judicial review pursuant to Section 120.68, F.S., by filing a Notice of Appeal pursuant to Florida Rules of Appellate Procedure 9.110 and 9.190 with the Clerk of the Department in the Office of General Counsel (Station #35, 3900 Commonwealth Boulevard, Tallahassee, Florida 32399-3000) and by filing a copy of the Notice of Appeal accompanied by the applicable filing fees with the appropriate district court of appeal. The notice must be filed within 30 days from the date this action is filed with the Clerk of the Department.

Permit Expiration: November 13, 2028

CERTIFICATE OF SERVICE

The undersigned hereby certifies that this permit and authorization to use sovereignty submerged lands, including all copies, were mailed before the close of business on **November 13, 2023,** to the above listed persons.

FILING AND ACKNOWLEDGMENT

FILED, on this date, under 120.52(7) of the Florida Statutes, with the designated Department Clerk, receipt of which is hereby acknowledged.

Clerk

November 13, 2023
Date

STANDARD MANATEE CONDITIONS FOR IN-WATER WORK
2011

The permittee shall comply with the following conditions intended to protect manatees from direct project effects:

a. All personnel associated with the project shall be instructed about the presence of manatees and manatee speed zones, and the need to avoid collisions with and injury to manatees. The permittee shall advise all construction personnel that there are civil and criminal penalties for harming, harassing, or killing manatees which are protected under the Marine Mammal Protection Act, the Endangered Species Act, and the Florida Manatee Sanctuary Act.

b. All vessels associated with the construction project shall operate at "Idle Speed/No Wake" at all times while in the immediate area and while in water where the draft of the vessel provides less than a four-foot clearance from the bottom. All vessels will follow routes of deep water whenever possible.

c. Siltation or turbidity barriers shall be made of material in which manatees cannot become entangled, shall be properly secured, and shall be regularly monitored to avoid manatee entanglement or entrapment. Barriers must not impede manatee movement.

d. All on-site project personnel are responsible for observing water-related activities for the presence of manatee(s). All in-water operations, including vessels, must be shutdown if a manatee(s) comes within 50 feet of the operation. Activities will not resume until the manatee(s) has moved beyond the 50-foot radius of the project operation, or until 30 minutes elapses if the manatee(s) has not reappeared within 50 feet of the operation. Animals must not be herded away or harassed into leaving.

e. Any collision with or injury to a manatee shall be reported immediately to the Florida Fish and Wildlife Conservation Commission (FWC) Hotline at 1-888-404-3922. Collision and/or injury should also be reported to the U.S. Fish and Wildlife Service in Jacksonville (1-904-731-3336) for north Florida or Vero Beach (1-772-562-3909) for south Florida, and to FWC at ImperiledSpecies@myFWC.com

f. Temporary signs concerning manatees shall be posted prior to and during all in-water project activities. All signs are to be removed by the permittee upon completion of the project. Temporary signs that have already been approved for this use by the FWC must be used. One sign which reads *Caution: Boaters* must be posted. A second sign measuring at least 8 ½" by 11" explaining the requirements for "Idle Speed/No Wake" and the shut down of in-water operations must be posted in a location prominently visible to all personnel engaged in water-related activities. These signs can be viewed at MyFWC.com/manatee. Questions concerning these signs can be sent to the email address listed above.

WARRANTY DEED

This Warranty Deed, executed APR 0 6 2009, between **WILLIAM W. ABBOTT, JR.**, a married man, of the County of Okaloosa, State of Florida, (GRANTOR), whose post office address is 231 Yacht Club Drive, Fort Walton Beach, Florida, 32548, and **WILLIAM W. ABBOTT, JR.**, TRUSTEE, or his successor in trust under the **REVOCABLE TRUST AGREEMENT OF WILLIAM W. ABBOTT, JR., DATED JANUARY 6, 1999**, and any amendments thereto, (GRANTEE), of the State of Florida, county of Okaloosa, whose post office address is 231 Yacht Club Drive, Fort Walton Beach, Florida, 32548.

THE GRANTOR, in consideration of the sum of Ten Dollars ($10.00) and other good and valuable considerations, to said GRANTOR in hand paid by said GRANTEE, the receipt of which is hereby acknowledged, has granted, conveyed, bargained and sold to said GRANTEE and GRANTEE'S successors, and assigns forever the following described land situate in **Okaloosa** County, Florida, to wit:

AN UNDIVIDED ONE-HALF (1/2) INTEREST IN THE FOLLOWING:

The East 50 feet of the West 350 feet of Lot 3-A, Moreno Military Reservation according to the plat thereof as recorded in Deed Book 25 at page 571, Public Records of Okaloosa County, Florida.

and said GRANTOR does hereby fully warrant the title to said land and will defend the same against the lawful claims of all persons whomsoever. Where used herein the terms GRANTOR, GRANTEE and TRUSTEE shall be construed as singular or plural as the context requires.

This property is being transferred without consideration as a result of Grantors estate planning decisions, into GRANTOR'S Living Revocable Trust. An examination was not made of the title before transfer.

WILLIAM W. ABBOTT, JR., shall have the independent power and authority to protect, conserve, and to sell, or to lease, or to encumber, or otherwise to manage and dispose of the real property conveyed by this deed.

If **WILLIAM W. ABBOTT, JR.**, cannot continue to serve as TRUSTEE, then the Successor CO-TRUSTEES shall be **CATHY L. ABBOTT and CHRISTOPHER A. ABBOTT**. If **CATHY L. ABBOTT** cannot serve or continue to serve as TRUSTEE, then **CHRISTOPHER A. ABBOTT** shall continue as the sole Trustee. If **CHRISTOPHER A. ABBOTT** cannot serve or continue to serve as TRUSTEE, then the Successor TRUSTEE shall be **JESSICA A. MULLER.**

All Successor TRUSTEES are hereby granted the power to protect, conserve and to sell, or to lease, or to encumber, or otherwise to manage and dispose of the real property described in this deed.

The powers of the TRUSTEE and all Successor TRUSTEES shall extend to any and all rights which the Trustor possesses in the above described real property;

any deed, mortgage, or other instrument executed by the TRUSTEE shall convey all rights or interests of the Trustor including homestead; and the TRUSTEE is appointed as the attorney-in-fact for the Trustor to carry out this intent, which appointment shall be durable and shall not be affected by the incapacity of the Trustor.

Any person dealing with the TRUSTEE shall deal with said TRUSTEE in the order as set forth above. However, no person shall deal with a Successor TRUSTEE until one or more of the following have been received by said person or placed of record in the aforementioned county:

A. The written resignation of the prior TRUSTEE sworn to and acknowledged before a notary public.

B. A certified death certificate of the prior TRUSTEE.

C. The order of a court of competent jurisdiction adjudicating the prior TRUSTEE incompetent, or removing said TRUSTEE for any reason.

D. The written certificates of two physicians currently practicing medicine that the TRUSTEE is unable to manage his or her own affairs or is physically or mentally incapable of discharging the duties of TRUSTEE.

E. The written removal of a successor TRUSTEE and/or the appointment of an additional Successor TRUSTEE by the Trustor sworn to and acknowledged before a notary public; this right being reserved to GRANTOR, **WILLIAM W. ABBOTT, JR.**

This conveyance is subject to restrictions, reservations, limitations, and easements of record, taxes for the current year and subsequent years, and all mortgages of record which the GRANTEE herein assumes and agree to pay.

BYLAWS
OF
DESTIN HARBOR PLACE
OWNERS ASSOCIATION, INC.

I. IDENTITY

These are the Bylaws of DESTIN HARBOR PLACE OWNERS ASSOCIATION, INC., a corporation not for profit under the laws of the State of Florida (the "Association"), organized for the purpose of operating that certain condominium located in Okaloosa County, Florida, and known as *Destin Harbor Place, a Condominium* (the "Condominium").

1.1 Principal Office. The principal office of the Association shall be at 508 Highway 98 East, Destin, Florida 32541, or at such other place as may be designated by the Board of Directors.

1.2 Fiscal Year. The fiscal year of the Association shall be the calendar year.

1.3 Seal. The seal of the Association shall bear the name of the corporation, the word "*Florida*", the words "*Corporation Not for Profit*", and the year of incorporation.

1.4 Definitions. For convenience, these Bylaws shall be referred to as the "Bylaws"; the Articles of Incorporation of the Association as the "Articles"; and the Declaration of Condominium for the Condominium as the "Declaration." "Division" shall mean the Division of Land Sales, Condominiums, and Mobile Homes. "Board" shall mean the Board of Directors for the Association. The other terms used in these Bylaws shall have the same definitions and meaning as those set forth in *F.S. Chapter 718, The Condominium Act* (the "Act"), as well as those set forth in the Declaration and the Articles, unless provided to the contrary in these Bylaws, or unless the context otherwise requires.

II. MEETINGS OF UNIT OWNERS AND VOTING

2.1 Membership-Designation of Unit Owners. Persons or entities shall become members of the Association on the acquisition of a fee simple interest to a Unit in the Condominium after approval of the acquisition in the manner provided in the Declaration, and shall thereafter be Unit Owners. Membership shall be terminated when a person or entity no longer owns a Unit in the Condominium. If a Unit is owned by more than one natural person, or a corporation, partnership or other artificial entity, then the voting interest of that Unit shall be exercised only by such natural person as shall be named in a voting certificate signed by all the natural persons who are owners or by the chief executive officer of the artificial entity and filed with the Secretary of the Association among its official records.

2.2 Annual Meeting. The annual meeting of the Unit Owners shall be held on the date and at the place and time as determined by the Board from time to time, provided that there shall be an annual meeting every calendar year and no later than 13 months after the last annual meeting. The purpose of the meeting shall be to elect Directors and to transact any other business authorized to be transacted by the Unit Owners.

2.3 Special Meetings. Except as modified by the specific requirements for special kinds of Unit Owner meetings as set out in these Bylaws, notice of special meetings shall be delivered to each Unit Owner not less than 14 or more than 60 days before the date of the meeting. Unit Owner special meetings shall be held at such places as provided for annual meetings and may be called by the President or by a majority of the Board, and must be called by the President or Secretary on receipt of a written request from at least 10% of the voting interests of the Association. Requests for a meeting by the Unit Owners shall state the purpose for the meeting, and business conducted at any special meeting shall be limited to the matters stated in the notice for it.

2.4 Notice of Annual Meeting. Written notice of the annual meeting shall be mailed to each Unit Owner at least 14 days and not more than 60 days before the annual meeting. Notice of an annual meeting at which Directors will be elected shall be delivered pursuant to Provisions 2.9 and 3.3

2.5 Notice of Budget Meeting. The Board shall mail a notice and a copy of the proposed annual budget to the Unit Owners not less than 14 days before the meeting at which the Board will consider the budget. Notice shall be delivered pursuant to Provision 2.9. Evidence of Compliance with this fourteen (14) day notice must be made by an affidavit executed by an officer of the Association or the Condominium Manager and filed among the official records of the Association.

2.6 Notice of Meeting to Consider Excessive Budget. If a budget adopted by the Board requires assessment against the Unit Owners for the calendar year exceeding 115% of assessment for the preceding year (less any lawfully excluded items), the Board, on written application of 10% of the voting interests to the Board, shall call a special meeting of the Unit Owners within 30 days upon not less that 10 days written notice of the meeting to each unit owner. Notice shall be delivered pursuant to Provision 2.9.

** OFFICIAL RECORDS **
BK 2223 PG 4764

2.7 Notice of Meeting to Consider Recall of Directors. A special meeting of the Unit Owners to recall a Director or Directors may be called by 10% of the voting interests giving notice of the meeting as required for a special meeting of Unit Owners. The notice must be accompanied by a dated copy of a signature list of at least 10% of the Unit Owners. The meeting shall be held not less than 10 days nor more than 60 days from the date the notice of the meeting is given. Recalls shall be held in accordance with Provision 3.7.

2.8 Notice of Meeting to Elect Non-developer Directors. Notice of a meeting to elect a Director or Directors from Unit Owners other than the Developer shall be given as described in Section 3.2 (D) below. The meeting may be called and notice given by any Unit Owner if the Association fails to do so.

2.9 Delivery of Notice; Content; Posting; Waiver. Notice for all meetings, and all other purposes, shall be addressed to the address that the Developer initially identified for that purpose unless one or more of the Unit Owners advises the Association of a different address. If no address is given or the Unit Owners do not agree, the notice shall be delivered to the address provided on the deed of record. Notice for budget meetings shall be mailed or hand delivered to each Unit Owner at the address last furnished to the Association. For all other meetings, the Association shall mail or deliver, whether by separate Association mailing or included in another Association mailing or delivery, including regularly published newsletters, a copy of the notice. An officer of the Association shall provide an Affidavit, to be included in the official records of the Association affirming that notices of the Association meeting were mailed or otherwise delivered to each Unit Owner at the address last furnished to the Association. If mailed, the notice shall be deemed to be delivered when deposited in the United States mail addressed to the Unit Owner at the address as it appears in the records of the Association, with postage prepaid. Payment of postage for notice of any meeting, by whomever called, shall be an obligation of the Association. The notice shall include the date, time and location of the meeting. The notice shall also include an identification of agenda items. A copy of the notice shall also be posted in a conspicuous place on the condominium property at least 14 continuous days before the meeting. A Unit Owner may waive their right to receive notice of any meeting by a writing signed by them and filed with the Secretary of the Association either before, at or after the meeting for which the waiver is given.

2.10 Quorum. A quorum at Unit Owner meetings shall consist of persons entitled to exercise, either in person or by proxy, a majority of the voting interests of the entire membership. Absentee ballots, alone, may not be counted in determining a quorum.

2.11 Participation. Unit Owners shall have the right to participate in meetings of Unit Owners with reference to all designated agenda items. The Association may, however, adopt reasonable rules governing the frequency, duration, and manner of Unit Owner participation. Any such rules must first be adopted in written form. The rules may limit a Unit Owner's presentation time to not less than 3 minutes and may require that a Unit Owner file with the Association, at or a reasonable time before the meeting, a written request to speak at a meeting.

2.12 Voting; Number of Votes; Majority Vote. In any Unit Owner meeting, each Unit shall have one vote. The vote of a Unit is not divisible. The acts approved by a majority of the voting interests present in person or by proxy at a meeting at which a quorum is present shall be binding on all Unit Owners for all purposes unless the Act, the Declaration, the Articles, or these Bylaws require a larger percentage, in which case that larger percentage shall control.

2.13 Proxies; Powers of Attorney. Voting interests may be exercised in person or by proxy. Except as specifically provided herein, Unit Owners may not vote by general proxy, but may vote by limited proxy substantially conforming to a limited proxy form provided by the Association. Limited proxies and general proxies may be used to establish a quorum. No proxy, limited or general, shall be used in the election of Directors. Limited proxies shall be used for votes taken to waive or reduce association reserves, for votes taken to waive the requirement of the Association to deliver to the Unit Owners a complete set of financial statements for each preceding fiscal year, for votes taken to amend the Declaration of Condominium, for votes taken to amend the Articles of Incorporation or Bylaws, or for any other matter for which a Unit Owner is required or permitted to vote. General proxies may be used for other matters for which limited proxies are not required. Each proxy shall set forth specifically the name of the person voting by proxy, the name of the person authorized to vote the proxy, and the date the proxy was given. Each proxy shall contain the date, time, and place of the meeting for which the proxy is given. If the proxy is a limited proxy, it shall set forth those items that the holder of the proxy may vote and the manner in which the vote is to be cast. The proxy shall be effective only for the specific meeting for which originally given and any lawfully adjourned meetings. No proxy shall be valid for a period longer than 90 days after the date of the first meeting for which it was given, and it may be revoked at any time at the pleasure of the Unit Owner executing it. The proxy shall be signed by the Unit Owner or by the designated person mentioned in 2.1, or the duly authorized attorney-in-fact of that person or entity (provided the power of attorney is filed with the Secretary of the Association). The proxy shall be filed with the Secretary before or at the meeting for which the proxy is given. One holding a power of attorney from a Unit Owner, properly executed and granting such authority, may exercise the voting interest of that Unit. If the proxy expressly provides, any proxy holder may appoint, in writing, a substitute to act in his place. If no such provision is made, substitution is not authorized. Nothing contained herein shall prevent Unit Owners from voting in person.

** OFFICIAL RECORDS **
BK 2223 PG 4765

2.14. Adjourned Meetings. If any meeting of Unit Owners cannot be organized because a quorum is not present, the Unit Owners who are present, either in person or by proxy, may adjourn the meeting from time to time until a quorum is present; except that in the cases where meetings have been called to consider the enactment of a budget to replace a proposed budget which exceeds 115% of the assessments for the preceding year, or to determine to provide no reserves or reserves less adequate than required, they may not be adjourned for lack of a quorum and if a quorum is not present the excessive budget, or the reserves as the case may be, shall go into effect as scheduled. The time and place to which the meeting is adjourned shall be announced at the meeting at which the adjournment is taken and a notice and a copy of the meeting agenda shall be posted in a conspicuous place on the condominium property as soon thereafter as may be practical stating the time and place to which the meeting is adjourned.

2.15 Action by Unit Owners Without a Meeting. Unit Owners may take action by written agreement without a meeting, provided written notice is given to the Unit Owners in the manner prescribed elsewhere in these Bylaws appropriate to the subject matter to be agreed on, unless that notice is waived as provided in these Bylaws. The decision of a majority of the Unit Owners, or a larger percentage vote as otherwise may be required by the Act, the Declaration, the Articles or these Bylaws (the decision to be evidenced by written response to be solicited in the notice), shall be binding on the membership. The notice shall set forth a time period within which responses must be made by the Unit Owners, and responses received after that shall not be considered.

2.16 Minutes of Meetings. The minutes of all meetings of Unit Owners shall be kept in a book open to inspection by any Unit Owner or the authorized representative of such Owner, and Directors at all reasonable times. The minutes shall be retained by the Association for a period of not less than seven (7) years. Unit Owners and their authorized representatives shall have the right to make or obtain copies at the reasonable expense, if any, of the Unit Owner.

2.17 Order of Business. The order of business at annual Unit Owner meeting and as far as practical at other Unit Owner meetings, shall be:

A. Call to order.

B. Election of a chairman of the meeting, unless the President or Vice President is present, in which case he or she shall preside.

C. Calling of the roll, certifying of proxies, determination of a quorum.

D. Proof of notice of meeting or waiver of notice.

E. Reading and disposal of any unapproved minutes.

F. Reports of Officers.

G. Reports of Committees.

H. Appointment of inspectors of election.

I. Determination of number of Directors.

J. Election of Directors.

** OFFICIAL RECORDS **
BK 2223 PG 4766

K. Unfinished business.

L. New business.

M. Adjournment.

2.18 Actions Specifically Requiring Unit Owner Approval. The following actions require approval by the Unit Owners and may not be taken by the Board acting alone:

A. Amendments to the Declaration, except those made by the Developer as otherwise provided specifically in the Declaration.

B. Merger of two or more independent condominiums of a single complex to form a single condominium.

C. Purchase of land or recreation lease.

D. Cancellation of grants or reservations made by the Declaration, a lease or other document and any contract made by the Association before the transfer of control of the Association from the Developer to Unit Owners that provides for operation, maintenance or management of the Condominium Association or property serving the Unit Owners.

E. Exercise of Option to purchase recreational or other commonly used facilities lease.

F. Providing no Reserves, or less than adequate reserves.

G. Recall of Directors.

H. Other matters contained in the Declaration, the Articles or these Bylaws that specifically require a vote of the Unit Owners.

III. DIRECTORS

3.1 Number and Qualifications. The affairs of the Association shall be managed initially by a Board of three Directors selected by the Developer. When Unit Owners other than the Developer

** OFFICIAL RECORDS **
BK 2223 PG 4767

are entitled to elect a majority of the Directors, the Board shall be composed of any odd number of Directors that the Unit Owners may decide. The number of Directors, however, shall never be less than three. Other than those selected by the Developer, Directors must be either Unit Owners, tenants residing in the Condominium, officers of a corporate Unit Owner, or partners of a partnership Unit Owner. No Director (except those selected by the Developer) shall continue to serve on the Board after he ceases to be Unit Owner, a tenant residing in the Condominium, an officer of a corporate Unit Owner, or a partner of a partnership Unit Owner.

3.2 Transfer of Control of Association.

A. One Third. When Unit Owners other than the Developer own 15% or more of the Units in any one Condominium that will be operated ultimately by the Association, they shall be entitled to elect no less than one third of the Directors.

B. Majority. Unit owners other than the Developer are entitled to elect not less than a majority of the Directors at the earliest of:

(i) three years after 50% of the Units that ultimately will be operated by the Association have been conveyed to purchasers; or

(ii) three months after 90% of the Units that ultimately will be operated by the Association have been conveyed to purchasers; or

(iii) when all the Units that ultimately will be operated by the Association have been completed, some of them have been conveyed to purchasers and none of the others are being offered for sale by the Developer in the ordinary course of business; or

(iv) when some of the Units have been conveyed to purchasers and none of the others are being constructed or offered for sale by the Developer in the ordinary course of business; or

(v) seven (7) years after recordation of the Declaration of Condominium, whichever occurs first.

Transfer of Association Control shall be in accordance with *F.S. 718.301*.

C. Developer Member. The Developer is entitled to elect at least one Director as long as the Developer holds for sale in the ordinary course of business at least 5% of the Units that ultimately will be operated by the Association, if that number shall be fewer than 500 Units, and 2% if that number shall be more than 500 Units.

D. Election. Within 75 days after the Unit Owners other than the Developer are entitled to elect a Director or Directors, the Association shall call, and give not less than 60 days notice of a meeting of the Unit Owners to elect a Director or Directors. The meeting may be called and the notice given by any Unit Owner if the Association fails to do so. Any eligible person may nominate himself. Nominations must be provided in written form to the Association not less than 40 days before the meeting. Written notice of the meeting at which elections will be held, including an agenda and a ballot, shall be mailed or delivered to each unit owner at least fourteen (14) days prior to the meeting and shall be posted in a conspicuous place on the condominium property at least fourteen (14) days preceding the meeting. Elections shall be held by ballot in accordance with procedures adopted by the Division. Neither general or limited proxies shall be used for the election of Directors. Elections shall be decided by a plurality of the votes cast. There shall be no quorum requirement; however, at least 20 percent of the eligible voters must cast a ballot in order to have a valid election of members of the Board of Directors. Upon election of the first Unit Owner other than the Developer to the Board, the Developer shall forward to the Division the name and mailing address of the Unit Owner Director. Notice of the meeting shall be provided pursuant to Provision 2.9.

** OFFICIAL RECORDS **
BK 2223 PG 4768

E. Relinquishment of Control. Either before or not more than 60 days after the time that Unit Owners other than the Developer elect a majority of the Directors, the Developer shall relinquish control of the Association and the Unit Owners shall accept control. Simultaneously, the Developer shall deliver to the Association at the Developer's expense, all property of the Unit Owners and of the Association held or controlled by the Developer, including but not limited to those items specified in the Act. After relinquishing control of the Association, the Developer may exercise the right to vote any Developer-owned units in the same manner as any other Unit Owner except for purposes of re-acquiring control of the Association or selecting the majority of the Board.

F. Compelling Compliance. In any action brought to compel compliance with *F.S. 718.301* regarding transfer of Association control and election of Directors by Unit Owners other than the Developer, the summary procedure provided for in *F.S. 51.011* may be employed, and the prevailing party shall be entitled to recover reasonable attorneys' fees.

G. Early Transfer. Nothing contained in this 3.2 shall be deemed to prevent the Developer from transferring control of the Association to Unit Owners other than the Developer before the occurrence of the events described in this section.

3.3 Election of Directors after Transfer of Control of Association. After the initial election of Directors by Unit Owners pursuant to Provision 3.2(D.), Directors shall be elected at the annual Unit Owner meeting. Each Unit Owner shall be entitled to cast votes for each of as many nominees as there are vacancies. Neither general or limited proxies shall be used for the election of Directors. There shall be no cumulative voting. Not less than 60 days before an annual meeting at which an election is scheduled, the Association shall mail or deliver to each Unit Owner entitled to vote a first notice of the election. Any eligible person may nominate himself. Nominations must be provided in written form to the Association not less than 40 days before a scheduled election. The Association shall mail or deliver a second notice of the election to all Unit Owners entitled to vote, together with a ballot listing all candidates. Upon request of a candidate, the Association shall include an information sheet, no larger than 8-1/2" by 11", which must be furnished by the candidate not less than 35 days before the election, to be included with the mailing of the ballot. The failure of the Association to mail or deliver all information sheets provided shall void the election. The Association shall be responsible for the cost of mailing and copying. The Association shall not be liable for the contents of the information sheets prepared by the candidates. Elections shall be decided by a plurality of votes. There shall be no quorum requirement; however, at least 20% of the eligible voters must vote to have a valid election. No Unit Owner shall permit any other person to vote his ballot, and any such ballots shall be void. A Unit Owner who needs assistance in voting for the reasons stated in *F.S. 101.051* may obtain such assistance. Notwithstanding the provisions of this section, an election is not required unless more candidates are available for election than vacancies exist on the Board. Any Notice required herein shall be provided pursuant to Provision 2.9.

3.4 Election Procedures. Elections shall be held in accordance with the Act and any Division regulations.

3.5 Term. Each Director's term of service shall extend until the next annual Unit Owner meeting and thereafter until his successor is duly elected and qualified or until he is removed in the manner provided in Provision 3.7. The Unit Owners, however at any annual meeting after the Developer has relinquished control of the Association and to provide a continuity of experience, may vote to create classes of directorships having a term of one, two, or three years to create a system of staggered terms.

3.6 Vacancies. Except for vacancies resulting from removal of Directors, vacancies occurring between annual Unit Owner meetings of members shall be filled by majority vote of the remaining Directors. Any Director elected to fill a vacancy shall hold office only until the next election of Directors, irrespective of the length of the remaining term of the vacating Director.

** OFFICIAL RECORDS **
BK 2223 PG 4769

3.7 Removal. Any Director, except those selected by the Developer, may be recalled and removed from office with or without cause by the vote or agreement in writing of a majority of all voting interests. A special meeting of the Unit Owners to recall a Director or Directors may be called by 10% of the voting interests giving notice of the meeting as required in these Bylaws. The notice shall state the purpose of the meeting. Any vacancy on the Board thus created shall be filled by the Unit Owners at the same meeting. If more than one Director is subject to recall, there shall be a separate vote on the question to remove each Director. Recalls shall be further governed by the Act and any Division regulations.

3.8 Disqualification and Resignation. Any Director may resign at any time by sending or personally delivering a written notice of resignation to the Association, addressed to the Secretary. The resignation shall take effect on receipt by the Secretary, unless it states differently. Any Director elected by the Unit Owners who is absent from more than three consecutive regular meetings of the Board, unless excused by resolution of the Board, shall be deemed to have resigned from the Board automatically, effective when accepted by the Board.

3.9 Organizational Meeting. The organizational meeting of a newly elected Board shall be held within 10 days of their election at a place and time established by the Directors at the meeting at which they were elected. Additional notice to the Directors shall not be required.

3.10 Regular Meetings. The Board may establish a schedule of regular meetings to be held at a time and place as a majority of them shall determine from time to time. Notice of regular meetings, however, shall be given to each Director personally or by mail, telephone or telegraph, at least 3 days before the meeting.

3.11 Special Meetings. Special meetings of the Board may be called by the President and, in his absence, by the Vice President, and must be called by the Secretary at the written request of one third of the Directors. Notice of the meeting shall be given personally or by mail, telephone or telegraph. The notice shall state the time, place, and purpose of the meeting and shall be delivered to each Director at least 3 days before the meeting.

3.12 Emergency Items. Any item not included on the notice of a regular or special meeting may be taken up on an emergency basis by at least a majority plus one (1) of the Board. Such emergency action shall be noticed and ratified at the next regular meeting of the Board.

3.13 Posting of Notice to Unit Owners. Upon notice to the Unit Owners, the Board shall by duly adopted rule, designate a specific location on the Condominium property or Association property for the posting of notices for all Board meetings. A copy of the notice of all Director or committee meetings shall be posted conspicuously at the selected location at least 48 continuous hours before the meeting, except in an emergency. The notice shall include a identification of agenda items, and the date, time, and location of the meeting. If no property is so designated, notices of all Board meetings shall be delivered pursuant to Provision 2.9 at least fourteen (14) days before the meeting.

3.14 Written Notice to Unit Owners. Written notice of any meeting at which non-emergency special assessments, the Association budget, or amendments to rules regarding unit use will be considered shall be delivered to the Unit Owners pursuant to Provision 2.9 not less than fourteen (14) days before the meeting. The notice shall include an identification of agenda items, and the date, time, and location of the meeting. Notice of any meeting in which regular assessments are to be considered shall specifically contain a statement that such assessments will be considered and the nature of any such assessments.

3.15 Waiver of Notice. Any Director may waive notice of a meeting before, at or after the meeting and that waiver shall be deemed equivalent to the giving of notice. Attendance by any Director at a meeting shall constitute a waiver of notice of the meeting, except when his attendance is for the express purpose of objecting at the beginning of the meeting to the transaction of business because the meeting is not lawfully called.

** OFFICIAL RECORDS **
BK 2223 PG 4770

3.16 Quorum. A quorum at the meetings of the Directors shall consist of a majority of the Board. The acts approved by a majority of those present at a meeting at which a quorum is present shall constitute the acts of the Board, except when approval by a greater number of Directors is required by the Declaration, the Articles or these Bylaws.

3.17 Adjourned Meetings. If there is less than a quorum present at any meeting of the Board, the majority of those present may adjourn the meeting until a quorum is present. At any adjourned meeting, any business that might have been transacted at the meeting as originally called may be transacted without further notice.

3.18 No Proxy. There shall be no voting by proxy at any meeting of the Board.

3.19 Presumed Assent. A Director present at any Board meeting at which action on any corporate matter is taken shall be presumed to have assented to the action taken, unless he or she votes against such action or abstains from voting because of an asserted conflict of interest.

3.20 Joinder in Meeting by Approval of Minutes. A Director may join in the action of a meeting by signing and concurring in the minutes of that meeting. That concurrence, however, shall not constitute the presence of that Director for the purpose of determining a quorum.

3.21 Attendance by Conference Telephone. When a telephone conference is used, a telephone speaker shall be attached so that the discussion may be heard by the Board and by any Unit Owners present in an open meeting. Directors utilizing telephone conference calls may be counted toward obtaining a quorum and may vote over the telephone.

3.22 Meetings Open to Unit Owners. Meetings of the Board, at which a quorum of the members is present, shall be open to all Unit Owners. At such meetings, Unit Owners shall have the right to address agenda items. The Association may adopt reasonable rules governing the frequency, duration, and manner of Unit Owner statements. Any such rules must first be adopted in written form. The rules may limit a Unit Owner's presentation time to not less than 3 minutes and may require that a Unit Owner file with the Association, at or a reasonable time before the meeting, a written request to speak at a meeting. Notwithstanding any other law, the requirement that Board meetings and committee meetings be open to the unit owners is inapplicable to meetings between the Board or a committee and the Association's attorney, with respect to proposed or pending litigation, when the meeting is held for the purpose of seeking or rendering legal advice.

3.23 Presiding Officer. The presiding officer at Board meetings shall be the President or, in his absence, the Vice President, and in his absence, the Directors present shall designate any one of their number to preside.

3.24 Minutes of Meetings. The minutes of all meetings of the Board shall be kept in a book open to inspection by any Unit Owner or the authorized representative of such Owner and Directors at all reasonable times. The Association shall retain these minutes for a period of not less than seven years. Unit Owners and their authorized representatives shall have the right to make or obtain copies, at the reasonable expense, if any, of the Owner.

3.25 Executive Committee. The Board, by resolution, may appoint an executive committee to consist of three or more Directors. The executive committee shall have and may exercise all of the powers of the Board in the management of the business and affairs of the Condominium during the intervals between the meetings of the Board insofar as may be permitted by law. The executive committee, however, shall not have power to: (a) determine the common expenses required for the operation of the Condominium; (b) determine the assessments payable by the Unit Owners to meet the common expenses of the Condominium; (c) adopt or amend rules and regulations covering the details of the operation and use of the Common Elements; (d) purchase, lease or otherwise acquire Units in the Condominium in the name of the Association; (e) approve any actions or proposals required by the Act, the Declaration, the Articles or these Bylaws to be approved by Unit Owners; or (f) fill vacancies on the Board. Meetings of the executive committee shall be open to Unit Owners.

3.26 Compensation. Directors shall serve without pay but shall be entitled to reimbursement for expenses reasonably incurred in the discharge of their duties.

3.27 Order of Business. The order of business at meetings of Directors shall be:

A. Calling of roll.

B. Proof of notice of meeting or waiver of notice.

C. Reading and disposal of any unapproved minutes.

D. Reports of officers and committees.

E. Election of Directors.

F. Unfinished Business.

G. New Business.

H. Adjournment.

3.28 Failure to Elect Director Quorum. If the Association or the Board fails to fill vacancies on the Board sufficient to constitute a quorum, any Unit Owner may apply to the circuit court within whose jurisdiction the Condominium is situated for the appointment of a receiver to manage the affairs of the Association, in the manner prescribed in the Act. If a receiver is appointed, the Association shall be responsible for the salary of the receiver, court costs and attorneys' fees. The receiver shall have all the powers and duties of a duly constituted Board and shall serve until the Association fills vacancies on the Board sufficient to constitute a quorum.

IV. POWERS AND DUTIES OF THE BOARD OF DIRECTORS

All of the powers and duties of the Association existing under the Act, the Declaration, the Articles and these Bylaws shall be exercised exclusively by the Board, or its duly authorized agents, contractors or employees, subject only to the approval by Unit Owners when that approval is specifically required. The powers and duties of the Board shall include, but shall not be limited to, the following:

4.1 Maintenance, Management and Operation of the Condominium Property.

4.2 Contract, Sue or be Sued. After control of the Association is obtained by Unit Owners other than the Developer, the Association may institute, maintain, settle, or appeal actions or hearings in its name on behalf of all Unit Owners concerning matters of common interest, including but not limited to the common elements and commonly-used facilities. The statute of limitations for any actions in law or equity that the Association may have shall not begin to run until the Unit Owners have elected a majority of the Directors.

4.3 Right of Access to Units. The Association has the irrevocable right to access to each Unit during reasonable hours as necessary for the maintenance, repair, or replacement of any common elements or for making emergency repairs necessary to prevent damage to the common elements or to another Unit or Units.

4.4 Make and Collect Assessments; Common Elements. The Association has the power to make and collect assessments, and to lease, maintain, repair and replace the common elements. A user fee may not be charged for the use of common elements or Association property unless such fee is provided for in the Declaration, approved by a majority vote of the Unit Owners, or relate to expenses incurred by the Unit Owner having exclusive use of the common element or Association property. Garage or reserved parking spaces are limited common elements, as set forth in paragraph 5.5 of the Declaration of Condominium, and are not subject to assessment by the Association even though such parking spaces are used exclusively by their respective unit owners.

** OFFICIAL RECORDS **
BK 2223 PG 4772

4.5 Lien and Foreclosure for Unpaid Assessments. The Association has a lien on each Condominium parcel for any unpaid assessments with interest and for reasonable attorneys' fees incurred in the collection of the assessment or enforcement of the lien. It also has the power to purchase the Condominium parcel at the foreclosure sale and to hold, lease, mortgage, or convey it.

4.6 Purchase Unit. In addition to its right to purchase Units at a lien foreclosure sale, the Association generally has the power to purchase Units in the Condominium and to acquire, hold, lease, mortgage, and convey them.

4.7 Grant or Modify Easements. The Association, without the joinder of any Unit Owner, may grant, modify, or move any easement if the easement constitutes part of or crosses common elements.

4.8 Purchase Land or Recreation Lease. Any land or recreation lease may be purchased by the Association on the approval of two-thirds of the voting interests of the Association.

4.9 Acquire Use Interest in Recreational Facilities. The Association may enter into agreements, acquire fee simple memberships and other possessory or use interest in lands or facilities, such as country clubs, golf courses, marinas, and other recreational facilities, whether contiguous to the Condominium property or not if (a) they are intended to provide enjoyment, recreation, or other use or benefit to the Unit Owners and (b) if they exist or are created at the time the Declaration was recorded, they are fully stated and described in the Declaration.

4.10 Acquire Title to Property. The Association has the power to acquire title to property or otherwise hold property for the use and benefit of its members.

4.11 Authorize Certain Amendments. If it appears that through a drafter's error in the Declaration that the common elements, common expenses, or common surplus has been stated or distributed improperly, an amendment to the Declaration correcting that error may be approved by the Board or a majority of the voting interests.

4.12 Adopt Rules and Regulations. The Association may adopt reasonable rules and regulations for the operation and use of the common elements, common areas, and recreational facilities serving the Condominium.

4.13 Maintain Official Records. The Association shall maintain all of the records, where applicable, set forth in Article IX of these Bylaws, which shall constitute the official records of the Association.

4.14 Obtain Insurance. The Association shall use its best efforts to obtain and maintain adequate insurance to protect the Association, the Association property and the Condominium property. The Association may also obtain liability insurance for Directors and officers, insurance for the benefit of the Association employees, and flood insurance for common elements, Association property and units. The Association shall make available a copy of each policy for inspection by Unit Owners at reasonable times.

4.15 Furnish Annual Financial Reports to Unit Owners. Within 60 days following the end of the fiscal or calendar year or annually on such date as is otherwise provided in the Bylaws, the Board of Directors of the Association shall mail or furnish by personal delivery to each unit owner a complete financial report of actual receipts and expenditures for the previous 12 months prepared in accordance with generally accepted accounting principles.

4.16 Give Notice of Liability Exposure. If the Association may be exposed to liability in excess of insurance coverage in any legal action, it shall give notice of the exposure to all Unit Owners, who shall have the right to intervene and defend.

4.17 Provide Certificate of Unpaid Assessment. Any Unit Owner or unit mortgagee has the right to request from the Association a certificate stating all assessments and other monies owed to the Association with respect to the Condominium parcel.

4.18 Pay the Annual Fee to the Division for Each Residential Unit Operated by the Association.

4.19 Contract for Operation, Maintenance, and Management of the Condominium.

4.20 Pay Taxes or Assessments Against the Common Elements or Association Property.

4.21 Pay Costs of Utilities Service Rendered to the Condominium and Association Property and Not Billed Directly to Individual Unit Owners.

4.22 Employ Personnel. The Association may employ and dismiss personnel as necessary for the maintenance and operation of the Condominium property and may retain those professional services that are required for those purposes.

4.23 Impose Fines. The Board may impose fines on Unit Owners in such reasonable sums as they may deem appropriate, not to exceed the maximum allowed by the Division or Act for violations of the Declaration, these Bylaws, or lawfully adopted rules and regulations by Owners or their guests or tenants. See 7.10.

4.24 Suspend Approval for Delinquent Unit Owner. The Board may disapprove the prospective tenant of any Unit Owner as long as he is delinquent in the payment of assessments for Common Expenses.

4.25 Authorize Private Use of the Common Elements. The Board may authorize Unit Owners or others to use portions of the Common Elements, such as social rooms and meeting rooms for private parties and gatherings. Reasonable charges may be imposed provided a lease is entered into between the Association and the Unit Owner.

4.26 Repair or Reconstruct Improvements After Casualties.

4.27 Lien for Labor and Materials Furnished to the Common Elements. Labor performed on or materials furnished to the Common Elements, if authorized by the Board, may be the basis for the filing of a lien against all Condominium parcels in the proportions for which the Owners are liable for Common Expenses.

4.28 Evidence of Compliance to Fire and Safety Code. The Board may accept a certificate of compliance from a licensed electrical contractor or electrician as evidence of compliance of the condominium units to the applicable fire and life safety codes.

4.29 Owner Inquiries. When a Unit Owner files a written inquiry by certified mail with the Board, the Board shall respond to the Unit Owner within thirty (30) days of receipt of the inquiry. The Board's response shall either give a substantive response to the inquirer, notify the inquirer that a legal opinion has been requested, or notify the inquirer that advice has been requested from the Division of Florida Land Sales, Condominiums, and Mobile Homes. If the Board requests advice from the Division, the Board shall, within ten days of its receipt of the advice, provide a substantive response to the inquirer. If a legal opinion is requested, the Board shall within 60 days after the receipt of the inquiry, provide in writing a substantive response to the inquiry. The failure to provide a substantive response to the inquiry as provided herein shall preclude the Board from recovering attorney's fees and costs in any subsequent litigation, administrative proceeding, or arbitration arising out of the inquiry. The Association may, through its Board, adopt reasonable rules and regulations regarding the frequency and manner of responding to unit owner inquiries, one of which may be that the Association is only obligated to respond to one written inquiry per unit in any given 30-day period. In such a case, additional inquiry or inquiries must be responded to in the subsequent 30-day period, or periods, as applicable.

V. OFFICERS

5.1 Executive Officers. The executive officers of the Association shall be a President, who

shall be a Director, a Vice President, who shall be a Director, a Treasurer, a Secretary, and an Assistant Secretary. The officers shall be elected annually by the Board and may be removed without cause at any meeting by a vote of a majority of all of the Directors. A person may hold more than one office except that the President may not also be the Secretary or Assistant Secretary. No person shall sign an instrument nor perform an act in the capacity of more than one office. The Board from time to time shall elect other officers and designate their powers and duties as the Board shall find to be required to manage the affairs of the Association.

5.2 President. The President shall be the chief executive officer of the Association. He shall have all of the powers and duties that usually are vested in the office of president of an Association, including but not limited to the power to appoint committees from the Unit Owners to assist in the conduct of the affairs of the Association as he in his discretion may determine appropriate. He shall preside at all meetings of the Board.

5.3 Vice President. The Vice President shall exercise the powers and perform the duties of the President in the absence or disability of the President. He also shall assist the President and exercise those other powers and perform those other duties as shall be prescribed by the Directors.

5.4 Secretary. The Secretary shall keep the minutes of all proceedings of the Directors and the Unit Owners. He shall attend to the serving of all notices to the Unit Owners and Directors and other notices required by law. He shall have custody of the seal of the Association and shall affix it to instruments requiring the seal when duly signed. He shall keep the records of the Association, except those of the Treasurer, and shall perform all other duties incident to the office of the secretary of an association and as may be required by the Directors or the President.

5.5 Treasurer. The Treasurer shall have custody of all property of the Association, including funds, securities, and evidences of indebtedness. He shall keep books of account for the Association in accordance with good accounting practices, which, together with substantiating papers, shall be made available to the Board for examination at reasonable times. He shall submit a treasurer's report to the Board at reasonable intervals and shall perform all other duties incident to the office of treasurer. All money and other valuable effects shall be kept for the benefit of the Association in such depositories as may be designated by a majority of the Board.

5.6 Compensation. The compensation, if any, of all officers and other employees of the Association shall be fixed by the Board. This provision shall not preclude the Board from employing a Director as an employee of the Association or preclude the contracting with a Director for the management of the Condominium.

VI. FISCAL MANAGEMENT

6.1 Board Adoption of Budget. The Board shall adopt a budget for the common expenses of the Association in advance of each fiscal year at a special meeting of the Board called for that purpose at least 45 days before the end of each fiscal year.

6.2 Budget Requirements. The proposed annual budget of common expenses shall be detailed and shall show the amount budgeted by accounts and expense classifications, including, when applicable, but not limited to:

A. Administration of the Association.

B. Management fees.

C. Maintenance.

D. Rent for recreational and other commonly used facilities.

E. Taxes on Association property.

F. Taxes on leased areas.

G. Insurance.

** OFFICIAL RECORDS **
BK 2223 PG 4775

H. Security provisions.

I. Other expenses.

J. Operating capital.

K. Fees payable to the Division.

L. Reserve accounts for capital expenditures and deferred maintenance pursuant to the Act and any Division regulations.

6.3 Notice of Budget Meeting. The Board shall mail or hand deliver to each unit owner at the address last furnished to the Association a meeting notice and copies of the proposed annual budget to the Unit Owners not less than 14 days before the meeting at which the budget will be considered. Notice shall be provided pursuant to Provision 2.9. Evidence of Compliance with this fourteen (14) day notice must be made by Affidavit executed by an officer of the Association or other manager and filed among the official records of the Association.

6.4 Unit Owner Rejection of Excessive Budget. If a budget adopted by the Board of Directors requires assessment against the Unit Owners in any fiscal year exceeding 115% of the assessment for the previous year, the Board, on written application of 10% of the voting interests, shall call a special meeting of the Unit Owner within 30 days. Each Unit Owner shall receive 10 days notice of the meeting. Notice shall be provided pursuant to Provision 2.9. At the special meeting, Unit Owners shall consider and enact a budget by not less than a majority of all voting interests. If a quorum is not attained or a substitute budget is not adopted by the Unit Owners, the budget adopted by the Board shall go into effect as scheduled. Provisions for reasonable reserves for repair or replacement of the Condominium property, nonrecurring expenses and assessments for betterment to the Condominium property shall be excluded from the computation in determining whether assessments exceed 115% of similar assessments in the previous year.

6.5 Alternative Budget Adoption by Directors. At its option, for any fiscal year, the Board may propose a budget to the Unit Owners at a meeting of Directors or in writing. If the proposed budget is approved by the Unit Owners at the meeting or by a majority of all voting interests in writing, the budget shall be adopted.

6.6 Budget Restraints on Developer. As long as the Developer is in control of the Board, the Board shall not impose an assessment for any year greater than 115% of the previous year's assessment without approval of a majority of all voting interest other than those held by the Developer.

6.7 Accounting Records and Reports. The Association shall maintain accounting records in the county in which the Condominium is located, according to good accounting practices. The records shall be open to inspection by any Unit Owner or the authorized representative of such Owner at all reasonable times. The records shall include, but are not limited to:

A. Accurate, itemized, and detailed records of all receipts and expenditures.

B. A current account and a monthly, bi-monthly, or quarterly statement of the account for each Unit designating the name of the Unit Owner, the due date and amount of each assessment, the amount paid upon the account, and the balance due.

C. All audits, review, accounting statements, and financial reports of the Association or Condominium.

D. All contracts for work to be performed. Bids for work to be performed shall also be considered official records and shall be maintained for a period of one year. Within 60 days after the end of each fiscal year, the Board shall mail or furnish by personal

https://clerkapps.okaloosaclerk.com//LandmarkWeb//Document/GetD...

delivery to each Unit Owner a complete financial report of actual receipts and expenditures for the previous 12 months.

6.8 Depository. The depository of the Association shall be those banks or savings and loan associations, state or federal, located in Florida, as shall be designated from time to time by the Board and in which the money for the Association shall be deposited. Withdrawal of money from those accounts shall be only by checks or other withdrawal instruments signed by those persons as are authorized by the Directors.

6.9 Fidelity Bonding. Each officer and Director of the Association and each employee of the agent under the terms of the Association Management Agreement now in force or in force in the future who controls or disburses its funds shall be bonded by a fidelity bond. If the Association's annual gross receipts do not exceed $100,000, the bond shall be in the principal sum of not less than $10,000 for each person. If the Association's annual gross receipts exceed $100,001, but do not exceed $300,000, the bond shall be in the principal sum of $30,000 for each person. If the Association's annual gross receipts exceed $300,000, the bond shall be in the principal sum of not less than $50,000 for each person. The Association shall bear the cost of bonding.

6.10 Annual Election of Income Reporting Method. The Board shall make a determination annually, based on competent advice, as to whether it shall cause the Association's income to be reported to the Internal Revenue Service by the "regular" method (Federal Tax Form 1120H), according to which method of reporting shall best serve the interest of the Association for the reporting period under consideration.

VII. ASSESSMENTS AND COLLECTION

7.1 Assessments, Generally. Assessments shall be made against the Units not less frequently than quarterly in the discretion of the Board. The assessments shall be made in an amount no less than required to provide funds in advance for payment of all of the anticipated current operating expenses and for all of the unpaid operating expenses previously incurred. The assessment funds shall be collected against Units in the proportions or percentages provided in the Declaration.

7.2 Special Assessments. The specific purpose or purposes of any special assessment, including emergency assessments, that cannot be paid from the annual assessment for Common Expenses, as determined by the Board, shall be set forth in a written notice of such assessment sent or delivered to each Unit Owner. The notice shall be sent or delivered within such time before the payment or initial payment thereunder shall be due, as may be reasonable or practicable in the circumstances. Special assessments shall be paid at the times and in the manner that the Board may require in the notice of the assessment. The funds collected pursuant to a special assessment shall be used only for the specific purpose or purposes set forth in such notice, or returned to the Unit Owners. Upon completion of such specific purpose or purposes, however, any excess funds shall be considered Common Surplus.

7.3 Charges for Other than Common Expenses. Charges by the Association against individual Unit Owners for other than Common Expenses shall be payable in advance and the billing and collection thereof may be administered by the Association. Charges for other than Common Expenses may be made only after approval of a Unit Owner or when expressly provided for in the Declaration or other Condominium documents. These charges may include, without limitation, charges for the use of the Condominium property or recreation area, maintenance services furnished at the expense of a Unit Owner and other services furnished for the benefit of a Unit Owner. The provisions of 7.7 shall not apply to the charges described herein.

7.4 Liability for Assessments. Each Unit Owner, regardless of how title is acquired, shall be liable for all assessments coming due while he is the Unit Owner. The Unit Owner and his grantee in a voluntary conveyance shall be jointly and severally liable for all unpaid assessments due and payable up to the time of the transfer of title. A first mortgagee or other purchaser of a Condominium Unit who obtains title to the Condominium parcel by a purchase at the public sale

resulting from the first mortgagee's foreclosure judgment in a foreclosure suit in which the Association has been properly named as a defendant junior lienholder, or who obtains title as a result of a deed given in lieu of foreclosure, together with his successors and assigns, is liable for the share of Common Expenses or assessments attributable to the Condominium parcel or chargeable to the former Unit Owner of the parcel as required by F.S. 718.116. The unpaid share of Common Expenses or assessments are Common Expenses collectible from all of the Unit Owners, including such acquirer and his successors and assigns. The liability for assessments may not be avoided by waiver of the use or enjoyment of any Common Element or by abandonment of the Unit for which the assessments are made.

7.5 Assessments Against Developer-Owned Units. If a Developer holds units for sale in the ordinary course of business, the Developer may not be assessed as a Unit Owner for capital improvements without written approval by the Developer.

7.6 Assessments, Amended Budget. If the annual assessment proves to be insufficient, the budget and assessments may be amended at any time by the Board. Unpaid assessments for the remaining portion of the year for which an amended assessment is made shall be payable in as many equal installments as there are installment payment dates remaining in the budget year as of the date of the amended assessment. The budget shall not be amended for emergency or special nonrecurring expenses.

7.7 Collection: Interest, Administrative Late Fees, and Application of Payment. Assessments and installments on them, if not paid within ten days after the date they become due, shall bear interest at the highest rate allowed by the laws of the State of Florida (currently 18%) from the date when due until paid. In addition to interest, the Association may charge an administrative late fee in an amount not to exceed the greater of $25.00 or 5% of the assessment for each delinquent installment that is late. All payments received by the Association upon account shall be applied first to interest, then to any administrative late fee, then to any costs and reasonable attorneys fees incurred in collection, and then to the delinquent assessment.

7.8 Lien for Assessments. The Association has a lien on each Condominium parcel for any unpaid assessments with interest and for reasonable attorneys' fees incurred by the Association incident to the collection of the assessment or enforcement of the lien. Except as otherwise provided, the lien is effective from and shall relate back to the recording of the original Declaration of Condominium. However, as to first mortgages of record, the lien is effective from and after recording a claim of lien in the public records in the county in which the Condominium parcel is located.

To be valid, a claim of lien must state the description of the condominium parcel, the name of the record owner, the name and address of the Association, the amount due, and the due dates. It must be executed and acknowledged by an officer or authorized agent of the Association. No such lien shall be effective longer than one year after the claim of lien has been recorded, unless within that time an action to enforce the lien is commenced in a court of competent jurisdiction. The one-year period shall automatically be extended for any length of time during which the Association is prevented from filing a foreclosure action by an automatic stay resulting from a bankruptcy petition filed by the parcel owner or any other person claiming an interest in the parcel. The claim of lien shall secure all unpaid assessments, interest, administrative late fees, costs, and attorneys' fees which are due and which may accrue after the recording of the claim of lien and before the entry of a final judgment of foreclosure. The lien is subordinate to any mortgage on the Condominium parcel recorded before it.

Where a unit owner is delinquent in the payment of assessments, and the Association institutes collection procedures by pursuing a claim of lien, for the purpose of that action, the Association may include the assessments due for the remaining budget year. If accelerated, those assessments become due and payable on the date the claim of lien is filed, regardless of the fact they might not have otherwise been billed or payable until a later date. Further, the claim of lien may secure interest owed on assessments and all reasonable costs and attorneys fees incurred by the Association incident to the collection process. Upon payment in full, the person making the payment is entitled to satisfaction of the lien.

7.9 Collection: Suit, Notice. The Association may bring an action in its name to foreclose any lien for assessments in the manner that a mortgage of real property is foreclosed. It also may bring an action to recover a money judgment for the unpaid assessment without waiving any claim of lien. The Association shall give notice to the Unit Owner of its intention to foreclose its lien at least 30 days

before the foreclosure action is filed. The notice shall be given by delivery of a copy of it to the Unit Owner or by certified or registered mail, return-receipt requested, addressed to the Unit Owner at the last known address. The Association shall be entitled to bid at any sale held pursuant to a suit to foreclose an assessment lien, and to apply as a cash credit against its bid, all sums due the Association covered by the lien enforced. The Association is entitled to recover its reasonable attorney's fees incurred in either a lien foreclosure action or an action to recover a money judgment for unpaid assessments.

7.10 Fines. The Association may levy reasonable fines against a unit for the failure of the owner of the unit, or its occupant, licensee, or invitee, to comply with any provision of the declaration, the Association bylaws, or reasonable rules of the Association. No fine will become a lien against a unit. No fine may exceed $100 per violation. However, a fine may be levied on the basis of each day of a continuing violation, with a single notice and opportunity for hearing, provided that no such fine shall in the aggregate exceed $1,000. No fine may be levied except after giving reasonable notice and opportunity for a hearing to the unit owner and, if applicable, its licensee or invitee. The hearing must be held before a committee of other unit owners. If the committee does not agree with the fine, the fine may not be levied. Before levying a fine, the Board shall afford an opportunity for hearing to the party against whom the fine is sought to be levied, after reasonable notice of not less than 14 days. The notice shall include:

A. a statement of the date, time and place of the hearing;

B. a statement of the provisions of the Declaration, these Bylaws and lawfully adopted rules and regulations which have allegedly been violated; and

C. a short and plain statement of the matters asserted by the Association. The party against whom the fine may be levied shall have an opportunity to respond, to present evidence, and to provide written and oral argument on all issues involved and shall have an opportunity at the hearing to review, challenge, and respond to any material considered by the Association. Upon the levying of any fine, the Board may collect such fines like assessments in one or more installments. Each day of violation shall be a separate violation. The affected Unit Owner, whether the offending party or not, shall always be given notice of the hearing. No fine shall become a lien against a Unit. No fines may be levied against unoccupied Units.

VIII. ASSOCIATION CONTRACTS

8.1 Fair and Reasonable, Cancellation. Any contracts made by the Association before the Unit Owners assume control from the Developer must be fair and reasonable. All contracts for the operation, maintenance or management of the Association or property serving the Unit Owners, made by the Association, whether before or after assumption of control of the Association by the Unit Owners, must not be in conflict with the powers and duties of the Association or the rights of the Unit Owners. Contracts made by the Association before the Unit Owners assume control may be canceled by the Unit Owners after assumption of control in the manner and under the circumstances as provided in the Act.

8.2 Laundry-Related Vending Equipment. The Developer may obligate the Association under lease agreements or other contractual arrangements for laundry-related vending equipment. The leases or agreements for such vending equipment may not be subject to cancellation by Unit Owners other than the Developer if those leases or agreements contain certain provisions as prescribed by the Act.

8.3 Escalation Clauses in Management Contracts Prohibited. No management contract entered into by the Association shall contain an escalation clause, since they have been declared to be against the public policy of the State of Florida.

8.4 Requirements for Maintenance and Management Contracts. Written contracts for operation, maintenance and management entered into by the Association must contain certain elements in order to be valid and enforceable. These include, but are not limited to:

A. Specification of the services, obligations, and responsibilities of the service provider.

B. Specification of costs for services performed.

** OFFICIAL RECORDS **
BK 2223 PG 4779

C. An indication of frequency of performance of services.

D. Specification of minimum number of personnel to provide the services contracted for.

E. The disclosure of any financial or ownership interest that the Developer has in the service provider, if the Developer is in control of the Association.

IX. ASSOCIATION OFFICIAL RECORDS

The Association, from its inception, shall maintain each of the following items when applicable, which shall constitute the official records of the Association:

A. A copy of the plans, permits, warranties and other items provided by the Developer pursuant to F.S. 718.301(4) of the Act.

B. A Photocopy of the recorded Declaration of each Condominium operated by the Association and all amendments.

C. A photocopy of the recorded Bylaws of the Association and all amendments.

D. A certified copy of the Articles of Incorporation of the Association and all amendments.

E. A copy of the current rules of the Association.

F. A book or books containing the minutes of all meetings of the Association, of the Board and of Unit Owners, which minutes shall be retained for a period of not less than seven years.

G. A current roster of all Unit Owners, their mailing addresses, Unit identifications, voting certifications, and, if known, telephone numbers. Additionally, the Association may require a copy of the deed or other instrument showing each Unit's ownership, together with a copy of any mortgage on the Unit and any satisfaction of that mortgage.

H. All current insurance policies of the Association and Condominiums operated by the Association.

I. A current copy of any management agreement, lease or other contract to which the Association is a party or under which the Association or the Unit Owners have an obligation or responsibility.

J. Bills of sale or transfer for all property owned by the Association.

K. The accounting records required in 6.7.

L. Ballots, sign-in sheets, voting proxies and all other papers related to voting, which shall be maintained for a period of one year from the date of the meeting, election or vote to which the document relates.

M. All rental records where the Association is acting as agent for the rental of Condominium Units.

N. A copy of the current question and answer sheet as described in section 718.504, Florida Statutes.

O. All other records of the Association not specifically included in the foregoing which are related to the operation of the Association.

** OFFICIAL RECORDS **
BK 2223 PG 4780

The official records of the Association shall be maintained in the county in which the Condominium is located and shall be open to inspection by any Unit Owner or the authorized representative of such Owner at all reasonable times. The right to inspect the records includes the right to make or obtain copies, at the reasonable expense, if any, of the Unit Owner. Failure to permit inspection of the Association records entitles any person prevailing in an enforcement action to recover reasonable attorneys' fees from the person in control of the records who, directly or indirectly, knowingly denied access to the records for inspection.

X. OBLIGATIONS OF OWNERS

10.1 Violations, Notice, Actions.

In the case of a violation (other than the nonpayment of an assessment) by a Unit Owner of any of the provisions of the Act, the Declaration, the Articles, these Bylaws, or any lawfully adopted rules and regulations, the Association by direction of the Board may transmit to the Unit Owner by certified mail, return-receipt requested, a notice of the violation. If the violation shall continue for a period of 30 days from the date of the notice, the Association shall have the right to treat the violation as an intentional and material breach of the provision cited in the notice. It then, at its option, may take the following actions:

A. File an action to recover for its damages on behalf of the Association or on behalf of other Unit Owners.

B. File an action for injunctive relief requiring the offending Unit Owner to take or desist from taking certain actions.

C. File an action for both damages and injunctive relief.

A Unit Owner may bring an action against the Association or any Director for damages, injunctive relief, or both, if the Association, or a Director willfully and knowingly, fails to comply with the provisions of the Act, the Declaration, the Articles, these Bylaws or the rules and regulations.

The foregoing action may be taken in addition to the Association's right to impose fines under Provision 4.25.

10.2 Attorneys' Fees. In any action brought pursuant to Provision 10.1, the prevailing party is entitled to recover reasonable attorneys' fees.

10.3 No Waiver of Rights. Neither a Unit Owner nor the Association may waive a provision of the Act if that waiver would adversely affect the rights of a Unit Owner or the purposes of the provision, except that Unit Owners or Directors may waive notice of specific meetings in writing.

XI. ARBITRATION OF INTERNAL DISPUTES

Disputes among Unit Owners, the Association, their agents, and assigns may be resolved by mandatory non-binding arbitration pursuant to the Act and any Division regulations.

XII. LIABILITY SURVIVES MEMBERSHIP TERMINATION

Termination of membership in the Association shall not relieve or release a former member from any liability or obligation incurred with respect to the Condominium during the period of membership, nor impair any rights or remedies that the Association may have against the former member arising out of his membership and his covenants and obligations incident to that membership.

** OFFICIAL RECORDS **
BK 2223 PG 4781

XIII. LIMITATIONS ON UNIT OWNER LIABILITY FOR USE OF COMMON ELEMENTS

Each Unit Owner may be personally liable for the acts or omissions of the Association relating to the use of the Common Elements. That liability shall be shared with other Unit Owners in the same percentages as their respective interests in the Common Elements. No individual Unit Owner's liability shall exceed the value of his Unit.

XIV. PARLIAMENTARY RULES

ROBERTS' RULES OF ORDER (latest edition) shall govern the conduct of the Association's meetings when not in conflict with the Act, the Declaration, the Articles, or these Bylaws.

XV. RULES AND REGULATIONS

15.1 Board May Adopt. The Board may adopt and amend, from time to time, reasonable rules and regulations governing the details or the use and operation of the Common Elements, Allocation property, and recreational facilities serving the Condominium.

15.2 Posting and Furnishing Copies. A copy of the rules and regulations adopted from time to time by the Board, and any amendments to existing rules and regulations, shall be posted in a conspicuous place on the Condominium property and a copy furnished to each Unit Owner. No rule, regulation, or amendment shall become effective until 30 days after posting, except in the case of an emergency, in which case the rule, regulation, or amendment shall become effective immediately on posting.

15.3 Limitations on Authority. The Board may not unreasonably restrict any Unit Owner's right to peaceably assemble or right to invite public officers or candidates for public office to appear and speak in Common Elements, Association property, common areas, and recreational facilities. The Board may not deny any resident of the Condominium, whether tenant or owner, access to any available franchised or licensed cable television service or exact a charge or anything of value in excess of charges normally paid for like services by residents of single-family homes within the same franchise or license area.

15.4 Reasonableness Test. Any rule or regulation created and imposed by the Board must be reasonably related to the promotion of the health, happiness, and peace of mind on the Unit Owners and uniformly applied and enforced.

XVI. RESTRICTIONS ON AND REQUIREMENTS FOR USE, MAINTENANCE AND APPEARANCE OF THE UNITS.

16.1 Where Contained. Restrictions on the use, maintenance, and appearance of the individual Condominium Units shall be as stated in the Declaration and no amendments to such restrictions shall be contained elsewhere than in the Declaration as adopted by a vote of the Unit Owners conducted in the manner prescribed elsewhere in these Bylaws.

16.2 Tests for Validity of Restrictions. Restrictions contained in the Declaration and any amendments duly adopted by a vote of the Unit Owners shall be valid and in the nature of covenants running with the land, unless it is shown that they: (1) are wholly arbitrary in their application; (2) are in violation of public policy; or (3) abrogate some fundamental constitutional right.

** OFFICIAL RECORDS **
BK 2223 PG 4782

XVII. BYLAWS DEEMED AMENDED

These Bylaws shall be deemed amended in those particulars as may be required to make them consistent with the provisions of the Act, as it may be amended from time to time.

XVIII. PRIORITIES IN CASE OF CONFLICT

In the event of conflict between or among the provisions of any of the following, the order of priorities shall be, from highest priority to lowest:

A. The Act, and any regulations promulgated by the Division.

B. The Declaration

C. The Articles

D. These Bylaws

E. The Association's rules and regulations

XIX. INDEMNIFICATION

Every officer and Director shall be indemnified by the Association against all expenses and liabilities, including reasonable attorneys' fees incurred and imposed in connection with any proceedings to which he may be a party, or in which he may become involved by reason of his being or having been an officer or Director, whether or not he is an officer or Director at the time the expenses are incurred. The officer or Director shall not be indemnified if he is adjudged guilty of gross negligence or willful misconduct or shall have breached his fiduciary duty to the Unit Owner. The Association shall not be liable, however, for payment of a voluntary settlement unless it is first approved by the Board. The foregoing rights shall be in addition to and not exclusive of all other rights to which the Director or officer may be entitled.

XX. DEFECTIVE CONDOMINIUM DOCUMENTS, CURATIVE PROVISIONS

Pursuant to F.S. 718.110(10) of the Act, the Association or a Unit Owner may petition the circuit court having jurisdiction in the county in which the Condominium property is situated to correct an error or omission in the Declaration or any other documents required to establish the Condominium, affecting its valid existence, and which errors or omissions are not correctable by the amendment procedures in the Declaration or the Act. In any case, after three years from the filing of the Declaration, it shall be deemed to be effective under the Act to create a Condominium, whether in fact it substantially complies with the mandatory requirements of the Act or not.

XXI. AMENDMENTS

Amendments to these Bylaws shall be proposed and adopted in the following manner:

21.1 Notice. Notice of the subject matter of a proposed amendment shall be included in the notice of any meeting at which the proposed amendment is to be considered.

21.2 Adoption. An amendment may be proposed either by a majority of the Board or by

not less than one third of the voting interests of the Association. The amendment shall be adopted if it is approved by not less than two-thirds of the voting interests of the Association.

21.3 Limitation. No amendment shall be made that is in conflict with the Act or the Declaration, nor shall any amendment abridge, alter or amend the rights of the Developer or mortgagees of Units without their consent.

21.4 Recording. A copy of each amendment shall be attached to or included in a certificate certifying that the amendment was duly adopted as an amendment of the Bylaws. The certificate, which shall identify the first page of the book and page of the public records where the Declaration of each Condominium operated by the Association is recorded, shall be executed by the President or Vice President and attested by the Secretary or Assistant Secretary of the Association with the formalities of a deed. The amendment shall be effective when the certificate and copy of the amendment are recorded in the public records of the county where the Declaration is recorded.

21.5 Format. Proposals to amend existing Bylaws shall contain the full text of the Bylaws to be amended. New words shall be underlined and words to be deleted shall be lined through with hyphens. If the proposed change is so extensive that this procedure would hinder rather than assist understanding, a notation must be inserted immediately preceding the proposed amendment saying "SUBSTANTIAL REWORDING OF BYLAW. SEE BYLAW NUMBER _____ FOR PRESENT TEXT".

XXII. CONSTRUCTION

Whenever the context permits or requires, the singular shall include the plural, the plural shall include the singular, and the use of any gender shall be deemed to include all genders.

The foregoing were adopted as the Bylaws of DESTIN HARBOR PLACE OWNERS ASSOCIATION, INC., on August 31, 1999.

BOARD OF TRUSTEES OF THE INTERNAL IMPROVEMENT TRUST FUND
OF THE STATE OF FLORIDA

SOVEREIGNTY SUBMERGED LANDS LEASE

No. 462590141

THIS LEASE is hereby issued by the Board of Trustees of the Internal Improvement Trust Fund of the State of Florida, hereinafter referred to as the Lessor.

WITNESSETH: That for and in consideration of payment of the annual lease fees hereinafter provided and the faithful and timely performance of and compliance with all terms and conditions stated herein, the Lessor does hereby lease to DESTIN HARBOR PLACE, L.C., a Florida limited liability company, hereinafter referred to as the Lessee, the sovereign lands described as follows:

A parcel of sovereign submerged land being a portion of Lot 3A, Moreno Point Military Reservation, Township 02 South, Range 22 West, in Old Pass Lagoon, Okaloosa County, containing 5,993 square feet, more or less, as is more particularly described and shown on Attachment A, dated November 24, 1998.

TO HAVE THE USE OF the hereinabove described premises for a period of 5 years from May 10, 1999, the effective date of this lease. The terms and conditions on and for which this lease is granted are as follow:

1. USE OF PROPERTY: The Lessee is hereby authorized to construct and operate an ownership oriented docking facility exclusively to be used for recreational vessels in conjunction with an upland condominium, without fueling facilities, with a sewage pumpout facility if it meets the regulatory requirements of the Department of Environmental Protection or local authority, whichever entity applies the more stringent criteria, and without liveaboards, as shown and conditioned in Attachment A, and the Department of Environmental Protection, Environmental Resource Permit Exemption No. 46-0136013-001-DF, dated May 10, 1999, incorporated herein and made a part of this lease by reference. The construction of the structures described in Attachment A shall be completed within the initial term hereof or within the first 5 years of the initial term if the initial term is for a period greater than 5 years. The failure to complete the construction of all authorized structures within this time period shall constitute a material breach of the lease causing the lease to automatically terminate upon the expiration of the initial term or 5 years, whichever is sooner, with any right of renewal.

2. LEASE FEES: The Lessee hereby agrees to pay to the Lessor an initial annual lease fee of $ 692.79 and 25 percent surcharge, plus sales tax pursuant to Section 212.031, Florida Statutes, if applicable, within 30 days of receipt of this fully executed lease. The annual fee for the remaining years of the lease shall be adjusted pursuant to provisions of Section 18-21.011, Florida Administrative Code. The Division of State Lands will notify the Lessee in writing of the amount and the due date of the annual payment. The lease fee shall be remitted annually to the Division of State Lands as the agent for the Lessor, beginning with the effective and due date of this lease, and each year thereafter until the term of this lease terminates or expires.

[05]

https://clerkapps.okaloosaclerk.com//LandmarkWeb//Document/GetD...

3. WET SLIP RENTAL CERTIFICATION/SUPPLEMENTAL PAYMENT: The Lessee shall provide upon request by the Lessor any and all information in a certified form needed to calculate the lease fee specified in paragraph two (2) above, including wet slip rental information, if applicable. In addition, if the wet slip rental rates change during the year, the Lessee shall submit a revised rate schedule within 30 days following the effective date of the rate change. The Lessor reserves the right to assess retroactively additional payments when the actual rental rates or total number of linear feet for rent used to determine the annual payment differs from the rental rates or total number of linear feet for rent supplied by the Lessee.

4. LATE FEE ASSESSMENTS: The Lessee shall pay a late charge equal to interest at the rate of twelve percent (12%) per annum from the due date until paid on any lease fees due hereunder which are not paid within 30 days of their due dates.

5. EXAMINATION OF LESSEE'S RECORDS: For purposes of this lease, the Lessor is hereby specifically authorized and empowered to examine, for the term of this lease including any extensions thereto plus three (3) additional years, at all reasonable hours, the books, records, contracts, and other documents confirming and pertaining to the computation of annual lease payments as specified in paragraph two (2) above.

6. MAINTENANCE OF LESSEE'S RECORDS: The Lessee shall secure, maintain, and keep all records for the entire term of this lease, plus three (3) additional years. This period shall be extended for an additional two (2) years upon request for examination of all records and accounts for lease payment verification purposes by the Lessor.

7. AGREEMENT TO EXTENT OF USE: This lease is given to the Lessee to use or occupy the leased premises only for those activities specified herein and as conditioned by the Department of Environmental Protection, Environmental Resource Permit . The Lessee shall not change or add to the approved use of the leased premises as defined herein (e.g., from commercial to multi-family residential, from temporary mooring to rental of wetslips, from rental of wetslips to contractual agreement with third party for docking of cruise ships, from rental of recreational pleasure craft to rental or temporary mooring of charter/tour boats, from loading/offloading commercial to rental of wetslips, etc.), shall not change activities in any manner that may have an environmental impact that was not considered in the original authorization or regulatory permit, or shall not change the type of use of the riparian uplands without first obtaining a regulatory permit/modified permit, if applicable, and the Lessor's written authorization in the form of a modified lease, the payment of additional fees, if applicable, and, if applicable, the removal of any structures which may no longer qualify for authorization under the modified lease.

8. PROPERTY RIGHTS: The Lessee shall make no claim of title or interest to said lands hereinbefore described by reason of the occupancy or use thereof, and all title and interest to said land hereinbefore described is vested in the Lessor. The Lessee is prohibited from including, or making any claim that purports to include, said lands described or the Lessee's leasehold interest in said lands into any form of private ownership, including but not limited to any form of condominium or cooperative ownership. The Lessee is further prohibited from making any claim, including any advertisement, that said land, or the use thereof, may be purchased, sold, or re-sold.

9. INTEREST IN RIPARIAN UPLAND PROPERTY: During the term of this lease, the Lessee shall maintain a leasehold or fee simple title interest in the riparian upland property and if such interest is terminated, the lease may be terminated at the option of the Lessor. Prior to sale and/or termination of the Lessee's leasehold or fee simple title interest in the upland property, Lessee shall inform any potential buyer or transferee of the Lessee's upland property interest of the existence of this lease and all its terms and conditions and shall complete and execute any documents required by the Lessor to effect an assignment of this lease, if consented to by the Lessor. Failure to do so will not relieve the Lessee from responsibility for full compliance with the terms and conditions of this lease which include, but are not limited to, payment of all fees and/or penalty assessments incurred prior to such act.

10. ASSIGNMENT OF LEASE: This lease shall not be assigned or otherwise transferred without prior written consent of the Lessor or its duly authorized agent. Such assignment or other transfer shall be subject to the terms, conditions and provisions of management standards and applicable laws, rules and regulations in effect at that time. Any assignment or other transfer without prior written consent of the Lessor shall be null and void and without legal effect.

** OFFICIAL RECORDS **
BK 2218 PG 1067
** OFFICIAL RECORDS **
BK 2223 PG 4789

11. INDEMNIFICATION/INVESTIGATION OF ALL CLAIMS: The Lessee shall investigate all claims of every nature arising out of this lease at its expense, and shall indemnify, defend and save and hold harmless the Lessor and the State of Florida from all claims, actions, lawsuits and demands arising out of this lease.

12. VENUE: Lessee waives venue as to any litigation arising from matters relating to this lease and any such litigation between Lessor and Lessee shall be initiated and maintained only in Leon County, Florida.

13. NOTICES/COMPLIANCE/TERMINATION: The Lessee binds itself, its successors and assigns, to abide by the provisions and conditions herein set forth, and said provisions and conditions shall be deemed covenants of the Lessee, it successors and assigns. In the event the Lessee fails or refuses to comply with the provisions and conditions herein set forth, or in the event the Lessee violates any of the provisions and conditions herein, or fails or refuses to comply with the provisions and conditions herein set forth within 20 days of receipt of the Lessor's notice to correct, this lease may be terminated by the Lessor upon thirty (30) days written notice to Lessee. If canceled, all of the above-described parcel of land shall revert to the Lessor. All costs and attorneys' fees incurred by the Lessor to enforce the provisions of this lease shall be paid by the Lessee. All notices required to be given to the Lessee by this lease or applicable law or administrative rules shall be sufficient if sent by U.S. Mail to the following address:

Destin Harbor Place, L.C.
1000 Ridgeway Loop Road, Suite 320
Memphis, Tennessee 38120

The Lessee shall notify the Lessor by certified mail of any change to this address at least ten (10) days before the change is effective.

14. TAXES AND ASSESSMENTS: The Lessee shall assume all responsibility for liabilities that accrue to the subject property or to the improvements thereon, including any and all drainage or special assessments or taxes of every kind and description which are now or may be hereafter lawfully assessed and levied against the subject property during the effective period of this lease.

15. NUISANCES OR ILLEGAL OPERATIONS: The Lessee shall not permit the leased premises or any part thereof to be used or occupied for any purpose or business other than herein specified unless such proposed use and occupancy are consented to by the Lessor and the lease is modified accordingly, nor shall Lessee knowingly permit or suffer any nuisances or illegal operations of any kind on the leased premises.

16. MAINTENANCE OF FACILITY/RIGHT TO INSPECT: The Lessee shall maintain the leased premises in good condition, keeping the structures and equipment located thereon in a good state of repair in the interests of public health, safety and welfare. No dock or pier shall be constructed in any manner that would cause harm to wildlife. The leased premises shall be subject to inspection by the Lessor or its designated agent at any reasonable time.

17. NON-DISCRIMINATION: The Lessee shall not discriminate against any individual because of that individual's race, color, religion, sex, national origin, age, handicap, or marital status with respect to any activity occurring within the area subject to this lease or upon lands adjacent to and used as an adjunct of the leased area. During the lease term, the Lessee shall post and maintain the placard furnished to the Lessee by the Lessor in a prominent and visible location on the leased premises or adjacent business office of the Lessee. It shall be the responsibility of the Lessee to post the placard in a manner which will provide protection from the elements, and, in the event that said placard becomes illegible at any time during the term of this lease (including any extensions thereof), to notify the Lessor in writing, so that a replacement may be provided.

18. ENFORCEMENT OF PROVISIONS: No failure, or successive failures, on the part of the Lessor to enforce any provision, nor any waiver or successive waivers on its part of any provision herein, shall operate as a discharge thereof or render the same inoperative or impair the right of the Lessor to enforce the same upon any renewal thereof or in the event of subsequent breach or breaches.

19. PERMISSION GRANTED: Upon expiration or cancellation of this lease all permission granted hereunder shall cease and terminate.

20. RENEWAL PROVISIONS: Renewal of this lease shall be at the sole option of the Lessor. Such renewal shall be subject to the terms, conditions and provisions of management standards and applicable laws, rules and regulations in effect at that time. In the event that Lessee is in full compliance with the terms of this lease, the Lessee may apply in writing for a renewal. Such application for renewal must be received by Lessor no sooner than 120 days and no later than 30 days prior to the expiration date of the original or current term hereof. The term of any renewal granted by the Lessor shall commence on the last day of the previous lease term. If the Lessee fails to timely apply for a renewal, or in the event the Lessor does not grant a renewal, the Lessee shall vacate the leased premises and remove all structures and equipment occupying and erected thereon at its expense. The obligation to remove all structures authorized herein upon termination of this lease shall constitute an affirmative covenant upon the riparian upland property more specifically described in Attachment B, which shall run with the title to said riparian upland property, and shall be binding upon Lessee and Lessee's successors in title or successors in interest.

21. REMOVAL OF STRUCTURES/ADMINISTRATIVE FINES: If the Lessee does not remove said structures and equipment occupying and erected upon the leased premises after expiration or cancellation of this lease, such structures and equipment will be deemed forfeited to the Lessor, and the Lessor may authorize removal and may sell such forfeited structures and equipment after ten (10) days written notice by certified mail addressed to the Lessee at the address specified in Paragraph 13 or at such address on record as provided to the Lessor by the Lessee. However, such remedy shall be in addition to all other remedies available to the Lessor under applicable laws, rules and regulations including the right to compel removal of all structures and the right to impose administrative fines.

22. REMOVAL COSTS/LIEN ON RIPARIAN UPLAND PROPERTY: Any costs incurred by the Lessor in removal of any structures and equipment constructed or maintained on state lands shall be paid by Lessee and any unpaid costs and expenses shall constitute a lien upon the interest of the Lessee in its riparian upland property enforceable in summary proceedings as provided by Law.

23. RECORDATION OF LEASE: The Lessee, at its own expense, shall record this fully executed lease in its entirety in the public records of the county within which the lease site is located within fourteen (14) days after receipt, and shall provide to the Lessor within ten (10) days following the recordation a copy of the recorded lease in its entirety which contains the O.R. Book and pages at which the lease is recorded.

24. RIPARIAN RIGHTS/FINAL ADJUDICATION: In the event that any part of any structure authorized hereunder is determined by a final adjudication issued by a court of competent jurisdiction to encroach on or interfere with adjacent riparian rights, Lessee agrees to either obtain written consent for the offending structure from the affected riparian owner or to remove the interference or encroachment within 60 days from the date of the adjudication. Failure to comply with this paragraph shall constitute a material breach of this lease agreement and shall be grounds for immediate termination of this lease agreement at the option of the Lessor.

25. AMENDMENTS/MODIFICATIONS: This lease is the entire and only agreement between the parties. Its provisions are not severable. Any amendment or modification to this lease must be in writing, must be accepted, acknowledged and executed by the Lessee and Lessor, and must comply with the rules and statutes in existence at the time of the execution of the modification or amendment. Notwithstanding the provisions of this paragraph, if mooring is authorized by this lease, the Lessee may install boatlifts within the leased premises without formal modification of the lease provided that (a) the Lessee obtains any state or local regulatory permit that may be required; and (b) the location or size of the lift does not increase the mooring capacity of the facility.

** OFFICIAL RECORDS **
BK 2218 PG 1069

26. ADVERTISEMENT/SIGNS/NON-WATER DEPENDENT ACTIVITIES/ADDITIONAL ACTIVITIES/MINOR STRUCTURAL REPAIRS: No permanent or temporary signs directed to the boating public advertising the sale of alcoholic beverages shall be erected or placed within the leased area. No restaurant or dining activities are to occur within the leased area. The Lessee shall ensure that no permanent, temporary or floating structures, fences, docks, pilings or any structures whose use is not water-dependent shall be erected or conducted over sovereignty submerged lands without prior written consent from the Lessor. No additional structures and/or activities including dredging, relocation/realignment or major repairs or renovations to authorized structures, shall be erected or conducted on or over sovereignty, submerged lands without prior written consent from the Lessor. Unless specifically authorized in writing by the Lessor, such activities or structures shall be considered unauthorized and a violation of Chapter 253, Florida Statutes, and shall subject the Lessee to administrative fines under Chapter 18-14, Florida Administrative Code. This condition does not apply to minor structural repairs required to maintain the authorized structures in a good state of repair in the interests of public health, safety or welfare; provided, however, that such activities shall not exceed the activities authorized by this agreement.

27. ACOE AUTHORIZATION: Prior to commencement of construction and/or activities authorized herein, the Lessee shall obtain the U.S. Army Corps of Engineers (ACOE) permit if it is required by the ACOE. Any modifications to the construction and/or activities authorized herein that may be required by the ACOE shall require consideration by and the prior written approval of the Lessor prior to the commencement of construction and/or any activities on sovereign, submerged lands.

28. COMPLIANCE WITH FLORIDA LAWS: On or in conjunction with the use of the leased premises, the Lessee shall at all times comply with all Florida Statutes and all administrative rules promulgated thereunder. Any unlawful activity which occurs on the leased premises or in conjunction with the use of the leased premises shall be grounds for the termination of this lease by the Lessor.

29. SPECIAL LEASE CONDITIONS:

(a) The Lessee shall prohibit any mooring, on either a temporary or permanent basis, to the eastern and western faces of the main access dock for a distance of 58 feet from the MHW line. To ensure compliance, the Lessee agrees to place and maintain signs advising boaters that mooring either on a temporary or permanent basis is prohibited.

(b) During the term of this lease and any renewals, extensions, modifications or assignments thereof, Lessee shall prohibit the operation of or entry onto the leased premises of gambling cruise ships, or vessels that are used principally for the purpose of gambling, when these vessels are engaged in "cruises to nowhere," where the ships leave and return to the state of Florida without an intervening stop within another state or foreign country or waters within the jurisdiction of another state or foreign country, and any watercraft used to carry passengers to and from such gambling cruise ships. In the event that Lessor adopts a provision prohibiting "cruises to nowhere" from operation on or entry onto the leased premises which is different from the above language, Lessee agrees that this lease shall forthwith be modified to include the revised language.

FIRST AMENDMENT TO DECLARATION OF CONDOMINIUM OF DESTIN HARBOR PLACE, A CONDOMINIUM

WHEREAS, on September 9, 1999, DESTIN HARBOR PLACE, L.C., a Florida Limited Liability Company (the "Developer"), executed a *Declaration of Condominium* (herein called the "Declaration") submitting the property known as Destin Harbor Place, a Condominium, to condominium use, which Declaration was recorded on September 13, 1999 in Official Records Book 2223, at Page 4716, of the Public Records of Okaloosa County, Florida; and

WHEREAS, the Destin Harbor Place Owners Association, Inc. (the "Association"), acting through its duly authorized President, and various owners of units in Destin Harbor Place, a Condominium (the "Condominium"), desire to amend Article 11, Section 11.1 of said Declaration to prohibit the short term rental of units in the Condominium and impose additional restrictions on the rental of units in general.

NOW, THEREFORE, the Association and its Members, by and through their duly elected President, and pursuant to the authority and in the manner provided by Article 19 of the Declaration, including proper notice of the proposed amendments and approval by the Members and Directors, hereby make the following amendments:

1. Article 11, Paragraph 11.1 of the Declaration is hereby amended to read as follows:

11 USE RESTRICTIONS. The use of the property of the condominium shall be in accordance with the following provisions:

11.1 Residential and Rental Use of Units.

Each unit is hereby restricted to residential or residential-rental use with the exception of short term rentals which are hereby prohibited. A "short term rental" is defined as any rental for a period of less than thirty (30) days. Long term rentals (defined as any rental for a period of thirty (30) days or more) shall be permitted; provided, however, that any such long term rental must first be submitted to and approved in writing by a majority vote of the Board of Directors of the Association."

IN WITNESS WHEREOF, the duly authorized President and Secretary, acting for and on behalf of the Association, having obtained the affirmative vote of ten of the twelve Members of said Association at a duly called and noticed meeting of the Membership held on the 4th day of March, 2000, and in accordance with the requirements and provisions of Article 19 of the Declaration, have executed this First Amendment to the Declaration effective the 15th day of March, 2000.

BOARD OF TRUSTEES OF THE INTERNAL IMPROVEMENT TRUST FUND
OF THE STATE OF FLORIDA

SOVEREIGNTY SUBMERGED LANDS LEASE RENEWAL

BOT FILE NO. 462590141

THIS LEASE is hereby issued by the Board of Trustees of the Internal Improvement Trust Fund of the State of Florida, hereinafter referred to as the Lessor.

WITNESSETH: That for and in consideration of payment of the annual lease fees hereinafter provided and the faithful and timely performance of and compliance with all terms and conditions stated herein, the Lessor does hereby lease to Destin Harbor Place Owners Association, Inc., a Florida nonprofit corporation, hereinafter referred to as the Lessee, the sovereignty lands as defined in 18-21.003, Florida Administrative Code, contained within the following legal description:

> A parcel of sovereignty submerged land in Lot 3A Moreno Point Military Reservation, Township 02 South, Range 22 West, in Destin Harbor (a/k/a Old Pass Lagoon), Okaloosa County, Florida, containing 11,398 square feet, more or less, as is more particularly described and shown on Attachment A, dated March 21, 2017.

TO HAVE THE USE OF the hereinabove described premises from May 10, 2024, the effective date of this lease renewal, through May 10, 2034, the expiration date of this lease renewal. The terms and conditions on and for which this lease renewal is granted are as follows:

1. USE OF PROPERTY: The Lessee is hereby authorized to construct and operate a 9-slip private residential multi-family docking facility with boat lifts to be used exclusively for mooring of recreational vessels in conjunction with an upland residential condominium, without fueling facilities, with a sewage pumpout facility if it meets the regulatory requirements of the State of Florida Department of Environmental Protection or State of Florida Department of Health, whichever agency has jurisdiction, and without liveaboards as defined in paragraph 26, as shown and conditioned in Attachment A, and the State of Florida Department of Environmental Protection Consolidated Environmental Resource Permit No. 46-0136013-005-EI, dated July 25, 2017, incorporated herein and made a part of this lease by reference. All of the foregoing subject to the remaining conditions of this lease.

2. LEASE FEES: The Lessee hereby agrees to pay to the Lessor an annual lease fee of $0.00, which includes the discounts authorized pursuant to Section 253.0347(2)(f), Florida Statutes, plus sales tax pursuant to Section 212.031, Florida Statutes, if applicable, within 30 days of receipt of this fully executed lease. The annual fee for the remaining years of this lease shall be adjusted pursuant to provisions of Rule 18-21.011, Florida Administrative Code. The State of Florida Department of Environmental Protection, Division of State Lands (the "Division") will notify the Lessee in writing of the amount and the due date of each subsequent annual lease payment during the remaining term of this lease. All lease fees due hereunder shall be remitted to the Division, as agent for the Lessor.

3. WET SLIP RENTAL CERTIFICATION/SUPPLEMENTAL PAYMENT: (A) The Lessee shall provide upon request by the Lessor any and all information in a certified form needed to calculate the lease fee specified in paragraph two (2) above, including the income, as defined in subsection 18-21.003(31), Florida Administrative Code, derived directly or indirectly from the use of sovereignty submerged lands on an annual basis. When six percent (6%) of said annual income exceeds the base fee or minimum annual fee established pursuant to Rule 18-21.011, Florida Administrative Code, for any lease year during the term of this lease, the Lessor shall send the Lessee a supplemental invoice for the difference in the amounts for that lease year. (B) The instrument or agreement used by the Lessee to transfer or assign the right to use a wet slip at the docking facility to a third party shall include a provision that clearly notifies the wet slip renter/user/holder that if the wet slip renter/user/holder subsequently transfers his right to use said wet slip to another party, the instrument or agreement used to transfer said wet slip shall contain a provision that requires six percent (6%) of the annual gross income derived from said instrument or agreement for the use of said wet slip be paid to the Lessee who, upon receipt, shall report and transmit said amount to the Lessor. The instrument or agreement used by the Lessee to transfer a wet slip shall also include a provision that clearly notifies the wet slip renter/user/holder that no interest in said wet slip may be further transferred unless a substantially similar provision to the one contained in the preceding sentence is placed in each succeeding instrument or agreement used to transfer said wet slip to each new wet slip renter/user/holder. (C) The Lessee shall submit to the Lessor each instrument or agreement used by the Lessee to transfer or assign the right to use a wet slip at the docking facility to a third party annually at the same time the Lessee submits the required Annual Wet Slip Revenue Report to the Lessor. Any breach of this lease condition shall constitute a default under this lease.

4. LATE FEE ASSESSMENTS: The Lessee shall pay a late payment assessment for lease fees or other charges due under this lease which are not paid within 30 days after the due date. This assessment shall be computed at the rate of twelve percent (12%) per annum, calculated on a daily basis for every day the payment is late.

5. EXAMINATION OF LESSEE'S RECORDS: For purposes of this lease renewal, the Lessor is hereby specifically authorized and empowered to examine, for the term of this lease renewal including any extensions thereto plus three (3) additional years, at all reasonable hours, the books, records, contracts, and other documents confirming and pertaining to the computation of annual lease payments as specified in paragraph two (2) above.

6. MAINTENANCE OF LESSEE'S RECORDS: The Lessee shall maintain separate accounting records for: (i) the gross revenue derived directly from the use of the leased premises, (ii) the gross revenue derived indirectly from the use of the leased premises, and (iii) all other gross revenue derived from the Lessee's operations on the riparian upland property. The Lessee shall secure, maintain and keep all records for the entire term of this lease renewal plus three (3) additional years. This period shall be extended for an additional two (2) years upon request for examination of all records and accounts for lease verification purposes by the Lessor.

7. AGREEMENT TO EXTENT OF USE: This lease is given to the Lessee to use or occupy the leased premises only for those activities specified herein and as conditioned by the permit(s) referenced in paragraph 1 of this lease. The Lessee shall not (i) change or add to the approved use of the leased premises as defined herein (e.g., from commercial to multi-family residential, from temporary mooring to rental of wet slips, from rental of wet slips to contractual agreement with third party for docking of cruise ships, from rental of recreational pleasure craft to rental or temporary mooring of charter/tour boats, from loading/offloading commercial to rental of wet slips, etc.); (ii) change activities in any manner that may have an environmental impact that was not considered in the original authorization or regulatory permit; or (iii) change the use of the common elements described in that certain Declaration of Condominium recorded in Official Records Book 2223, Page 4716, Public Records of Okaloosa County, Florida, as amended from time to time, without first obtaining a regulatory permit/modified permit, if applicable, the Lessor's written authorization in the form of a modified lease, the payment of additional fees, if applicable, and, if applicable, the removal of any structures which may no longer qualify for authorization under the modified lease.

8. PROPERTY RIGHTS: The Lessee shall make no claim of title or interest to said lands hereinbefore described by reason of the occupancy or use thereof, and all title and interest to said land hereinbefore described is vested in the Lessor. The Lessee is prohibited from including, or making any claim that purports to include, said lands described or the Lessee's leasehold interest in said lands into any form of private ownership, including but not limited to any form of condominium or cooperative ownership. The Lessee is further prohibited from making any claim, including any advertisement, that said land, or the use thereof, may be purchased, sold, or re-sold.

9. INTEREST IN RIPARIAN UPLAND PROPERTY: During the term of this lease, the Lessee shall be responsible for the operation and management of the common elements described in that certain Declaration of Condominium recorded in Official Records Book 2223, Page 4716, Public Records of Okaloosa County, Florida, as amended from time to time, together with the riparian rights appurtenant thereto. If such interest is terminated or the Lessor determines that such interest did not exist on the effective date of this lease, this lease may be terminated at the option of the Lessor. If the Lessor terminates this lease, the Lessee agrees not to assert a claim or defense against the Lessor arising out of this lease. Prior to sale and/or termination of the Lessee's interest in the riparian upland property, the Lessee shall inform any potential buyer or transferee of the Lessee's interest in the riparian upland property and the existence of this lease and all its terms and conditions and shall complete and execute any documents required by the Lessor to effect an assignment of this lease, if consented to by the Lessor. Failure to do so will not relieve the Lessee from responsibility for full compliance with the terms and conditions of this lease which include, but are not limited to, payment of all fees and/or penalty assessments incurred prior to such act.

10. ASSIGNMENT OF LEASE RENEWAL: This lease renewal shall not be assigned or otherwise transferred without prior written consent of the Lessor or its duly authorized agent. Such assignment or other transfer shall be subject to the terms, conditions and provisions of this lease, current management standards and applicable laws, rules and regulations in effect at that time. Any assignment or other transfer without prior written consent of the Lessor shall be null and void and without legal effect.

11. INDEMNIFICATION/INVESTIGATION OF ALL CLAIMS: The Lessee shall investigate all claims of every nature arising out of this lease at its expense, and shall indemnify, defend and save and hold harmless the Lessor and the State of Florida from all claims, actions, lawsuits and demands arising out of this lease renewal.

12. NOTICES/COMPLIANCE/TERMINATION: The Lessee binds itself, its successors and assigns, to abide by the provisions and conditions herein set forth, and said provisions and conditions shall be deemed covenants of the Lessee, its successors and assigns. In the event the Lessee fails or refuses to comply with the provisions and conditions herein set forth, or in the event the Lessee violates any of the provisions and conditions herein set forth, and the Lessee fails or refuses to comply with any of said provisions or conditions within twenty (20) days of receipt of the Lessor's notice to correct, this lease may be terminated by the Lessor upon thirty (30) days written notice to the Lessee. If canceled, all of the above-described parcel of land shall revert to the Lessor. All notices required to be given to the Lessee by this lease or applicable law or administrative rules shall be sufficient if sent by U.S. Mail to the following address:

Destin Harbor Place Owners Association, Inc.
C/O RDF Associates, INC.
PO Box 2613
Ft. Walton Beach, Florida 32549

The Lessee shall notify the Lessor by certified mail of any change to this address at least ten (10) days before the change is effective.

13. TAXES AND ASSESSMENTS: The Lessee shall assume all responsibility for liabilities that accrue to the subject property or to the improvements thereon, including any and all drainage or special assessments or taxes of every kind and description which are now or may be hereafter lawfully assessed and levied against the subject property during the effective period of this lease renewal.

14. NUISANCES OR ILLEGAL OPERATIONS: The Lessee shall not permit the leased premises or any part thereof to be used or occupied for any purpose or business other than herein specified unless such proposed use and occupancy are consented to by the Lessor and the lease is modified accordingly, nor shall Lessee knowingly permit or suffer any nuisances or illegal operations of any kind on the leased premises.

15. MAINTENANCE OF FACILITY/RIGHT TO INSPECT: The Lessee shall maintain the leased premises in good condition, keeping the structures and equipment located thereon in a good state of repair in the interests of public health, safety and welfare. No dock or pier shall be constructed in any manner that would cause harm to wildlife. The leased premises shall be subject to inspection by the Lessor or its designated agent at any reasonable time.

16. NON-DISCRIMINATION: The Lessee shall not discriminate against any individual because of that individual's race, color, religion, sex, national origin, age, handicap, or marital status with respect to any activity occurring within the area subject to this lease renewal or upon lands adjacent to and used as an adjunct of the leased area.

17. ENFORCEMENT OF PROVISIONS: No failure, or successive failures, on the part of the Lessor to enforce any provision, nor any waiver or successive waivers on its part of any provision herein, shall operate as a discharge thereof or render the same inoperative or impair the right of the Lessor to enforce the same upon any renewal thereof or in the event of subsequent breach or breaches.

18. PERMISSION GRANTED: Upon expiration or cancellation of this lease all permission granted hereunder shall cease and terminate.

19. RENEWAL PROVISIONS: Renewal of this lease shall be at the sole option of the Lessor. Such renewal shall be subject to the terms, conditions and provisions of management standards and applicable laws, rules and regulations in effect at that time. In the event that the Lessee is in full compliance with the terms of this lease, the Lessor will begin the renewal process. The term of any renewal granted by the Lessor shall commence on the last day of the previous lease term. In the event the Lessor does not grant a renewal, the Lessee shall vacate the leased premises and remove all structures and equipment occupying and erected thereon at its expense. The obligation to remove all structures authorized herein upon termination of this lease shall constitute an affirmative covenant upon the common elements described in that certain Declaration of Condominium recorded in Official Records Book 2223, Page 4716, Public Records of Okaloosa County, Florida, as amended from time to time, which shall run with the title to said common elements and shall be binding upon Lessee and Lessee's successors in title or successors in interest.

20. REMOVAL OF STRUCTURES/ADMINISTRATIVE FINES: If the Lessee does not remove said structures and equipment occupying and erected upon the leased premises after expiration or cancellation of this lease renewal, such structures and equipment will be deemed forfeited to the Lessor, and the Lessor may authorize removal and may sell such forfeited structures and equipment after ten (10) days written notice by certified mail addressed to the Lessee at the address specified in Paragraph 12 or at such address on record as provided to the Lessor by the Lessee. However, such remedy shall be in addition to all other remedies available to the Lessor under applicable laws, rules and regulations including the right to compel removal of all structures and the right to impose administrative fines.

21. REMOVAL COSTS/LIEN ON RIPARIAN UPLAND PROPERTY: Subject to the noticing provisions of Paragraph 20 of this lease, any costs incurred by the Lessor in removal of any structures and equipment constructed or maintained on state lands shall be paid by Lessee and any unpaid costs and expenses shall constitute a lien upon the common elements described in that certain Declaration of Condominium recorded in Official Records Book 2223, Page 4716, Public Records of Okaloosa County, Florida, as amended from time to time. This lien on the common elements shall be enforceable in summary proceedings as provided by law.

22. RIPARIAN RIGHTS/FINAL ADJUDICATION: In the event that any part of any structure authorized hereunder is determined by a final adjudication issued by a court of competent jurisdiction to encroach on or interfere with adjacent riparian rights, Lessee agrees to either obtain written consent for the offending structure from the affected riparian owner or to remove the interference or encroachment within 60 days from the date of the adjudication. Failure to comply with this paragraph shall constitute a material breach of this lease renewal agreement and shall be grounds for immediate termination of this lease renewal agreement at the option of the Lessor.

23. AMENDMENTS/MODIFICATIONS: This lease renewal is the entire and only agreement between the parties. Its provisions are not severable. Any amendment or modification to this lease renewal must be in writing, must be accepted, acknowledged and executed by the Lessee and Lessor, and must comply with the rules and statutes in existence at the time of the execution of the modification or amendment. Notwithstanding the provisions of this paragraph, if mooring is authorized by this lease, the Lessee may install boatlifts within the leased premises without formal modification of the lease provided that (a) the Lessee obtains any state or local regulatory permit that may be required; and (b) the location or size of the lift does not increase the mooring capacity of the docking facility.

24. ADVERTISEMENT/SIGNS/NON-WATER DEPENDENT ACTIVITIES/ADDITIONAL ACTIVITIES/MINOR STRUCTURAL REPAIRS: No permanent or temporary signs directed to the boating public advertising the sale of alcoholic beverages shall be erected or placed within the leased premises. No restaurant or dining activities are to occur within the leased premises. The Lessee shall ensure that no permanent, temporary or floating structures, fences, docks, pilings or any structures whose use is not water-dependent shall be erected or conducted over sovereignty submerged lands without prior written consent from the Lessor. No additional structures and/or activities including dredging, relocation/realignment or major repairs or renovations to authorized structures, shall be erected or conducted on or over sovereignty, submerged lands without prior written consent from the Lessor. Unless specifically authorized in writing by the Lessor, such activities or structures shall be considered unauthorized and a violation of Chapter 253, Florida Statutes, and shall subject the Lessee to administrative fines under Chapter 18-14, Florida Administrative Code. This condition does not apply to minor structural repairs required to maintain the authorized structures in a good state of repair in the interests of public health, safety or welfare; provided, however, that such activities shall not exceed the activities authorized by this lease.

25. COMPLIANCE WITH FLORIDA LAWS: On or in conjunction with the use of the leased premises, the Lessee shall at all times comply with all Florida Statutes and all administrative rules promulgated thereunder. Any unlawful activity which occurs on the leased premises or in conjunction with the use of the leased premises shall be grounds for the termination of this lease by the Lessor.

26. LIVEABOARDS: The term "liveaboard" is defined as a vessel docked at the facility and inhabited by a person or persons for any five (5) consecutive days or a total of ten (10) days within a thirty (30) day period. If liveaboards are authorized by paragraph one (1) of this lease, in no event shall such "liveaboard" status exceed six (6) months within any twelve (12) month period, nor shall any such vessel constitute a legal or primary residence.

27. GAMBLING VESSELS: During the term of this lease and any renewals, extensions, modifications or assignments thereof, Lessee shall prohibit the operation of or entry onto the leased premises of gambling cruise ships, or vessels that are used principally for the purpose of gambling, when these vessels are engaged in "cruises to nowhere," where the ships leave and return to the state of Florida without an intervening stop within another state or foreign country or waters within the jurisdiction of another state or foreign country, and any watercraft used to carry passengers to and from such gambling cruise ships.

28. FINANCIAL CAPABILITY: To assure the Lessor that the Lessee has the financial capability to undertake and operate the project authorized by this lease, the Lessee certifies to the Lessor as follows: (i) the Lessee is not the subject of a pending bankruptcy proceeding that would prohibit the Lessee from paying its lease fees, on or before the due date, with or without, as applicable, approval from the bankruptcy court or, if appointed, the bankruptcy trustee; (ii) the Lessee has no unsatisfied judgments entered against it that would impair the Lessee's financial capability to undertake and operate the project authorized by this lease; (iii) the Lessee has no delinquent state and local taxes for which it is responsible and that remain outstanding and not in dispute; and (iv) to the best of the Lessee's knowledge, there are no other matters pending or threatened against or affecting the Lessee or the Lessee's interest in the riparian upland property that would impair the Lessee's financial capability to undertake and operate the project authorized by this lease. Any breach of this lease condition shall constitute a default under this lease.

29. SPECIAL LEASE CONDITION(S):

A. The Lessee shall prohibit any mooring, on either a temporary or permanent basis, along the eastern and western sides of the main access dock for a distance of approximately 21 feet from the mean high water line of Destin Harbor (a//k/a Old Pass Lagoon). To ensure compliance, the Lessee shall place and maintain: (1) a 3-foot high railing along the east and west face of the structures; and (2) signs advising boaters that mooring at the above described locations, on either a temporary or permanent basis, is prohibited.

B. Any vessel moored at the docking facility, on either a temporary or permanent basis, shall be wholly located within its designated wet slip as depicted on Attachment A and no portion of a vessel may extend beyond the leased premises. Vessel length shall be measured as overall length including all parts and accessories such as outboard motors, bow pulpits, and swim platforms.

C. Vessels that either do not possess a current vessel registration and title as required by Chapters 327 and 328, Florida Statutes, or do not have a current vessel registration and title as required in another state or country are prohibited within the leased premises.

D. All vessels that moor, dock, or otherwise use the leased premises shall be maintained in a fully operational condition.

E. The Deed of Conservation Easement recorded in Official Records Book 2216, Page 1260, Public Records of Okaloosa County, Florida, is hereby amended to read as follows: "Grantor is authorized to construct, operate, repair and maintain the docking facility described in Lease No. 462590141 and depicted in Attachment A to said lease rather than the docking facility depicted in the exhibit(s) attached to the Deed of Conservation Easement."

SPECIFIC PURPOSE SURVEY

SURVEY REPORT:

1. BEARINGS SHOWN HEREON ARE BASED ON THE FLORIDA STATE PLANE COORDINATE SYSTEM, NORTH LAMBERT ZONE (No. 0903) NORTH AMERICAN DATUM, 1983/90 ADJUSTMENT, PURSUANT TO F.D.E.P. (D.N.R.) CCCL MONUMENTATION SHOWN HEREON.
2. THIS PARCEL IS LOCATED IN FLOOD ZONE VE 9, 9' MINIMUM FLOOR ELEVATION REQUIRED AND FLOOD ZONE VE 11, 11' MINIMUM FLOOR ELEVATION REQUIRED, AS DETERMINED BY SCALE FROM F.E.M.A. MAP NUMBER 12091C0488 H, PANEL 488 OF 494, DATED DECEMBER 6, 2002, OKALOOSA COUNTY, FLORIDA.
3. NO ENVIRONMENTAL JURISDICTION LINES HAVE BEEN DETERMINED BY EMERALD COAST ASSOCIATES, INC.
4. THIS SURVEY WAS PERFORMED WITHOUT THE BENEFIT OF A CURRENT ABSTRACT OF TITLE OR TITLE INSURANCE POLICY. NO SEARCH OF THE PUBLIC RECORDS WAS PERFORMED BY EMERALD COAST ASSOCIATES INC. NO CERTIFICATION IS GIVEN THAT EASEMENTS, UNDERGROUND ENCROACHMENTS OR OTHER MATTERS OF RECORD DO NOT EXIST.
5. THERE MAY BE ADDITIONAL RESTRICTIONS THAT ARE NOT SHOWN ON THIS SURVEY THAT MAY BE FOUND IN THE PUBLIC RECORDS OF OKALOOSA COUNTY, FLORIDA.
6. APPARENT USES ARE AS SHOWN.
7. NO STRUCTURAL FOUNDATIONS BELOW THE SURFACE OF THE GROUND WERE LOCATED.
8. GRAPHIC SYMBOLISM OF CORNER MONUMENTATION, UTILITIES, SIGNS, ETCETERA, ARE EXAGGERATED FOR CLARITY AND ARE NOT TO SCALE. THE CENTER POINT OF WHICH IS ACCURATELY PLOTTED TO SCALE AND/OR DIMENSIONED THERETO.
9. NO UNDERGROUND UTILITIES OR UTILITY LINES WERE LOCATED.
10. THE MEAN HIGH WATER LINE ELEVATION OF 0.73' NORTH AMERICAN VERTICAL DATUM OF 1988 (NAVD88) WAS OBTAINED FROM THE F.D.E.P. LAND BOUNDARY INFORMATION SYSTEM INTERNET WEB SITE (WWW.LABINS.ORG). (DATE: 4-14-14)
11. STATE PLANE COORDINATES FOR P.O.B. SHOWN HEREON COMPUTED BY DIRECT MEASUREMENT TO FDEP PUBLISHED MONUMENTATION.
12. THIS IS A FIELD SURVEY.
13. THIS SURVEY CERTIFIED TO THE BOARD OF TRUSTEES OF THE INTERNAL IMPROVEMENT TRUST FUND OF THE STATE OF FLORIDA.

c/o Randy Taylor, President
c/o Steven Abbott
508 Harbor Boulevard
Destin, FL 32541

Dear Mr. Taylor and Mr. Abbott:

The U.S. Army Corps of Engineers (Corps) has completed the review of your application for a Department of the Army permit. Your application was assigned file number SAJ-2016-00979 (NW-HMM). A review of the information and drawings provided shows the proposed work is to construct a 210-linear foot seawall with a 22-linear foot return wall (and 13.1 cubic yards of backfill) to extend no more than 3-feet waterward of the mean high water line (due to the irregularly eroded shoreline) and install 11.6 cubic yards of riprap in a 315 square feet area immediately waterward of the seawall. The project is located at 506 and 508 Harbor Boulevard, on Destin Harbor, Latitude 30.392159° North, Longitude 86.498818° West, in Destin, in Section 25, Township 02 South, Range 23 West, in Okaloosa County, Florida.

The aspect of your project involving replacement of the boat ramp, as depicted on the enclosed drawings, is authorized by Nationwide Permit (NWP) Number 13, Shoreline Stabilization. **This verification is valid until March 14, 2026**. In order for this NWP authorization to be valid, you must ensure that the work is performed in accordance with the Nationwide Permit General Conditions, the Jacksonville District Regional Conditions, and the General and Project-Specific Special Conditions listed below. Furthermore, if you commence or are under contract to commence this activity before the date that the relevant NWP is modified or revoked, you will have 12 months from the date of the modification or revocation of the NWP to complete the activity under the present terms and conditions of this NWP. Alternatively, you can access the U.S. Army Corps of Engineers' (Corps) Jacksonville District's Regulatory Source Book web page for links to view NWP information at: https://www.saj.usace.army.mil/Missions/Regulatory/Source-Book/. Please be aware this Internet address is case sensitive and should be entered as it appears above. Once there you will need to select “Source Book” and then select “Nationwide Permits.” These files contain the description of the NWP authorization, the NWP general conditions, and the regional conditions, which apply specifically to this NWP verification.

You must comply with all of the special and general conditions for the NWP, including any project-specific conditions included in this letter and all conditions incorporated by reference as described above.

General Conditions (33 CFR PART 320-330):

1. The time limit for completing the work authorized ends on **March 14, 2026**.

2. You must maintain the activity authorized by this permit in good condition and in conformance with the terms and conditions of this permit. You are not relieved of this requirement if you abandon the permitted activity, although you may make a good faith transfer to a third party in compliance with General Condition 4 below. Should you wish to cease to maintain the authorized activity or should you desire to abandon it without a good faith transfer, you must obtain a modification of this permit from this office, which may require restoration of the area.

3. If you discover any previously unknown historic or archeological remains while accomplishing the activity authorized by this permit, you must immediately notify this office of what you have found. We will initiate the Federal and state coordination required to determine if the remains warrant a recovery effort of if the site is eligible for listing in the National Register of Historic Places.

4. If you sell the property associated with this permit you must obtain the signature of the new owner on the transfer form attached to this letter and forward a copy to this office to validate the transfer of this authorization.

5. If a conditioned water quality certification has been issued for your project, you must comply with the conditions specified in the certification as special conditions to this permit. For your convenience, a copy of the certification is attached if it contains such conditions.

6. You must allow a representative from this office to inspect the authorized activity at any time deemed necessary to ensure that it is being or has been accomplished in accordance with the terms and conditions of your permit.

Project Specific Special Conditions:

The following project specific special conditions are included with this verification:

1. **Reporting Address:** The Permittee shall submit all reports, notifications, documentation and correspondence required by the general and special conditions of this permit to either (not both) of the following addresses:

   a. For electronic mail (preferred): SAJ-RD-Enforcement@usace.army.mil (not to exceed 15 MB).

   b. For standard mail: U.S. Army Corps of Engineers, Regulatory Division, Enforcement Section, P.O. Box 4970, Jacksonville, FL 32232-0019.

   The Permittee shall reference this permit number, SAJ-2016-00979 (NW - HMM), on all submittals.

2. **Commencement Notification:** Within 10 days from the date of initiating the work authorized by this permit the Permittee shall submit a completed "Commencement Notification" Form (Attached).

3. **Self-Certification:** Within 60 days of completion of the work authorized by this permit, the Permittee shall complete the attached "Self-Certification Statement of Compliance" form and submit it to the Corps. In the event that the completed work deviates in any manner from the authorized work, the Permittee shall describe the deviations between the work authorized by this permit and the work as constructed on the "Self-Certification Statement of Compliance" form. The description of any deviations on the "Self-Certification Statement of Compliance" form does not constitute approval of any deviations by the Corps.

4. **Assurance of Navigation and Maintenance:** The Permittee understands and agrees that, if future operations by the United States require the removal, relocation, or other alteration, of the structures or work herein authorized, or if in the opinion of the Secretary of the Army or his authorized representative, said structure or work shall cause unreasonable obstruction to the free navigation of the navigable waters, the Permittee will be required, upon due notice from the Corps of Engineers, to remove, relocate, or alter the structural work or obstructions caused thereby, without expense to the United States. No claim shall be made against the United States on account of any such removal or alteration.

5. **Turbidity Barriers:** Prior to the initiation of any of the work authorized by this permit, the Permittee shall install floating turbidity barriers with weighted skirts that extend within define distance desired or use 1 foot of the bottom around all work areas that are in, or adjacent to, surface waters. The turbidity barriers shall remain in place and be maintained daily until the authorized work has been completed and turbidity within the construction area has returned to ambient levels. Turbidity barriers shall be removed upon stabilization of the work area.

6. **Erosion Control:** Prior to the initiation of any work authorized by this permit, the Permittee shall install erosion control measures along the perimeter of all work areas to prevent the displacement of fill material outside the work area into waters of the United States. The erosion control measures shall remain in place and be maintained until all authorized work is completed and the work areas are stabilized.

7. **Agency Changes/Approvals:** Should any other agency require and/or approve changes to the work authorized or obligated by this permit, the Permittee is advised a modification to this permit instrument is required prior to initiation of those changes. It is the Permittee's responsibility to request a modification of this permit from the Pensacola Permits Section. The Corps reserves the right to fully evaluate, amend, and approve or deny the request for modification of this permit.

8. **Posting of Permit:** The Permittee shall have available and maintain for review a copy of this permit and approved plans at the construction site.

9. **Manatee Conditions:** The Permittee shall comply with the attached "Standard Manatee Conditions for In-Water Work – 2011".). The most recent version of the Manatee Conditions must be utilized.

10. **Eastern Indigo Snake Protection Measures and Inspection:** Permittee shall comply with U.S. Fish and Wildlife Service's "Standard Protection Measures for the Eastern Indigo Snake" dated March 23, 2021, as provided in Attachment X. of this permit. All gopher tortoise burrows, active or inactive, shall be evacuated prior to site manipulation in the vicinity of the burrow. If excavating potentially occupied burrows, active or inactive, individuals must first obtain state authorization via a Florida Fish and Wildlife Conservation Commission (FWC) Authorized Gopher Tortoise Agent permit. The excavation method selected shall minimize the potential for injury of an indigo snake. The Permittee shall follow the excavation guidance provided in the most current FWC Gopher Tortoise Permitting Guidelines found at http://myfwc.com/gophertortoise. If an indigo snake is encountered, the snake must be allowed to vacate the area prior to additional site manipulation in the vicinity. Holes, cavities, and snake refugia other than gopher tortoise burrows shall be inspected each morning before planned site manipulation of a particular area, and if occupied by an indigo snake, no work shall commence until the snake has vacated the vicinity of the proposed work.

11. **Jacksonville District Programmatic Biological Opinion (JAXBO):** Structures and activities authorized under this permit will be constructed and operated in accordance with all applicable PDCs contained in the JAXBO, based on the permitted activity. Failure to comply with applicable PDCs will constitute noncompliance with this permit. In addition, failure to comply with the applicable PDCs, where a take of listed species occurs, would constitute an unauthorized take. The NMFS is the appropriate authority to determine compliance with the Endangered Species Act. The most current version of JAXBO can be accessed at the Jacksonville District Regulatory Division website in the Endangered Species section of the Sourcebook located at: http://www.saj.usace.army.mil/Missions/Regulatory/SourceBook.aspx

    JAXBO may be subject to revision at any time. The most recent version of these JAXBO must be utilized during the design and construction of the permitted work.

12. **Cultural Resources/Historic Properties:**

    a. No structure or work shall adversely affect impact or disturb properties listed in the *National Register of Historic Places* (NRHP) or those eligible for inclusion in the NRHP.

    b. If during the ground disturbing activities and construction work within the permit area, there are archaeological/cultural materials encountered which were not the subject of a previous cultural resources assessment survey (and which shall include, but not be limited to: pottery, modified shell, flora, fauna, human remains, ceramics, stone tools or metal implements, dugout canoes, evidence of structures or any other physical remains that could be associated with Native American cultures or early colonial or American settlement), the Permittee shall immediately stop all work and ground-disturbing activities within a 100-meter diameter of the discovery and notify the Corps within the same business day (8 hours). The Corps shall then notify the Florida State Historic Preservation Officer (SHPO) and the

appropriate Tribal Historic Preservation Officer(s) (THPO(s)) to assess the significance of the discovery and devise appropriate actions.

c. Additional cultural resources assessments may be required of the permit area in the case of unanticipated discoveries as referenced in accordance with the above Special Condition and if deemed necessary by the SHPO, THPO(s), or Corps, in accordance with 36 CFR 800 or 33 CFR 325, Appendix C (5). Based, on the circumstances of the discovery, equity to all parties, and considerations of the public interest, the Corps may modify, suspend or revoke the permit in accordance with 33 CFR Part 325.7. Such activity shall not resume on non-federal lands without written authorization from the SHPO for finds under his or her jurisdiction, and from the Corps.

d. In the unlikely event that unmarked human remains are identified on non-federal lands, they will be treated in accordance with Section 872.05 Florida Statutes. All work and ground disturbing activities within a 100-meter diameter of the unmarked human remains shall immediately cease and the Permittee shall immediately notify the medical examiner, Corps, and State Archeologist within the same business day (8-hours). The Corps shall then notify the appropriate SHPO and THPO(s). Based, on the circumstances of the discovery, equity to all parties, and considerations of the public interest, the Corps may modify, suspend or revoke the permit in accordance with 33 CFR Part 325.7. Such activity shall not resume without written authorization from the State Archeologist and from the Corps.

This letter of authorization does not include conditions that would prevent the 'take' of a state-listed fish or wildlife species. These species are protected under sec. 379.411, Florida Statutes, and listed under Rule 68A-27, Florida Administrative Code. With regard to fish and wildlife species designated as species of special concern or threatened by the State of Florida, you are responsible for coordinating directly with the Florida Fish and Wildlife Conservation Commission (FWC). You can visit the FWC license and permitting webpage (http://www.myfwc.com/license/wildlife/) for more information, including a list of those fish and wildlife species designated as species of special concern or threatened. The Florida Natural Areas Inventory (http://www.fnai.org/) also maintains updated lists, by county, of documented occurrences of those species.

This letter of authorization does not give absolute Federal authority to perform the work as specified on your application. The proposed work may be subject to local building restrictions mandated by the National Flood Insurance Program. You should contact your local office that issues building permits to determine if your site is located in a flood-prone area, and if you must comply with the local building requirements mandated by the National Flood Insurance Program.

This letter of authorization does not preclude the necessity to obtain any other Federal, State, or local permits, which may be required.

Thank you for your cooperation with our permit program. The Corps' Jacksonville District Regulatory Division is committed to improving service to our customers. We strive to perform our duty in a friendly and timely manner while working to preserve our environment. We invite you to complete our automated Customer Service Survey at https://regulatory.ops.usace.army.mil/customer-service-survey/. Please be aware this

Internet address is case sensitive and you will need to enter it exactly as it appears above. Your input is appreciated – favorable or otherwise.

Should you have any questions related to this verification letter or have issues accessing the documents reference in this letter, please contact Holly Millsap at the letterhead address above, via telephone at 850-470-9823, or via e-mail at Holly.M.Millsap@usace.army.mil.

Sincerely,

Holly Millsap
Project Manager

STANDARD MANATEE CONDITIONS FOR IN-WATER WORK

2011

The Permittee shall comply with the following conditions intended to protect manatees from direct project effects:

a. All personnel associated with the project shall be instructed about the presence of manatees and manatee speed zones, and the need to avoid collisions with and injury to manatees. The permittee shall advise all construction personnel that there are civil and criminal penalties for harming, harassing, or killing manatees, which are protected under the Marine Mammal Protection Act, the Endangered Species Act, and the Florida Manatee Sanctuary Act.

b. All vessels associated with the construction project shall operate at "Idle Speed/No Wake" at all times while in the immediate area and while in water where the draft of the vessel provides less than a four-foot clearance from the bottom. All vessels will follow routes of deep water whenever possible.

c. [Omitted]

d. All on-site project personnel are responsible for observing water-related activities for the presence of manatee(s). All in-water operations, including vessels, must be shutdown if a manatee(s) comes within 50 feet of the operation. Activities will not resume until the manatee(s) has moved beyond the 50-foot radius of the project operation, or until 30 minutes elapses if the manatee(s) has not reappeared within 50 feet of the operation. Animals must not be herded away or harassed into leaving.

e. Any collision with or injury to a manatee shall be reported immediately to the Florida Fish and Wildlife Conservation Commission (FWC) Hotline at 1-888-404-3922. Collision and/or injury should also be reported to the U.S. Fish and Wildlife Service in Jacksonville (1-904-731-3336) for north Florida or Vero Beach (1-772-562-3909) for south Florida, and emailed to FWC at ImperiledSpecies@myFWC.com.

f. [Omitted]

[Conditions “c” and “f” have been omitted as they are not applicable in this location.]

STANDARD PROTECTION MEASURES FOR THE EASTERN INDIGO SNAKE
U.S. Fish and Wildlife Service
August 12, 2013

The eastern indigo snake protection/education plan (Plan) below has been developed by the U.S. Fish and Wildlife Service (USFWS) in Florida for use by applicants and their construction personnel. At least **30 days prior** to any clearing/land alteration activities, the applicant shall notify the appropriate USFWS Field Office via e-mail that the Plan will be implemented as described below (North Florida Field Office: jaxregs@fws.gov; South Florida Field Office: verobeach@fws.gov; Panama City Field Office: panamacity@fws.gov). As long as the signatory of the e-mail certifies compliance with the below Plan (including use of the attached poster and brochure), no further written confirmation or "approval" from the USFWS is needed and the applicant may move forward with the project.

If the applicant decides to use an eastern indigo snake protection/education plan other than the approved Plan below, written confirmation or "approval" from the USFWS that the plan is adequate must be obtained. At least 30 days prior to any clearing/land alteration activities, the applicant shall submit their unique plan for review and approval. The USFWS will respond via e-mail, typically within 30 days of receiving the plan, either concurring that the plan is adequate or requesting additional information. A concurrence e-mail from the appropriate USFWS Field Office will fulfill approval requirements.

The Plan materials should consist of: 1) a combination of posters and pamphlets (see **Poster Information** section below); and 2) verbal educational instructions to construction personnel by supervisory or management personnel before any clearing/land alteration activities are initiated (see **Pre-Construction Activities** and **During Construction Activities** sections below).

POSTER INFORMATION

Posters with the following information shall be placed at strategic locations on the construction site and along any proposed access roads (a final poster for Plan compliance, to be printed on 11" x 17" or larger paper and laminated, is attached):

DESCRIPTION: The eastern indigo snake is one of the largest non-venomous snakes in North America, with individuals often reaching up to 8 feet in length. They derive their name from the glossy, blue-black color of their scales above and uniformly slate blue below. Frequently, they have orange to coral reddish coloration in the throat area, yet some specimens have been reported to only have cream coloration on the throat. These snakes are not typically aggressive and will attempt to crawl away when disturbed. Though indigo snakes rarely bite, they should NOT be handled.

SIMILAR SNAKES: The black racer is the only other solid black snake resembling the eastern indigo snake. However, black racers have a white or cream chin, thinner bodies, and WILL BITE if handled.

LIFE HISTORY: The eastern indigo snake occurs in a wide variety of terrestrial habitat types throughout Florida. Although they have a preference for uplands, they also utilize some wetlands

and agricultural areas. Eastern indigo snakes will often seek shelter inside gopher tortoise burrows and other below- and above-ground refugia, such as other animal burrows, stumps, roots, and debris piles. Females may lay from 4 - 12 white eggs as early as April through June, with young hatching in late July through October.

PROTECTION UNDER FEDERAL AND STATE LAW: The eastern indigo snake is classified as a Threatened species by both the USFWS and the Florida Fish and Wildlife Conservation Commission. "Taking" of eastern indigo snakes is prohibited by the Endangered Species Act without a permit. "Take" is defined by the USFWS as an attempt to kill, harm, harass, pursue, hunt, shoot, wound, trap, capture, collect, or engage in any such conduct. Penalties include a maximum fine of $25,000 for civil violations and up to $50,000 and/or imprisonment for criminal offenses, if convicted.

Only individuals currently authorized through an issued Incidental Take Statement in association with a USFWS Biological Opinion, or by a Section 10(a)(1)(A) permit issued by the USFWS, to handle an eastern indigo snake are allowed to do so.

IF YOU SEE A <u>LIVE</u> EASTERN INDIGO SNAKE ON THE SITE:

- Cease clearing activities and allow the live eastern indigo snake sufficient time to move away from the site without interference;
- Personnel must NOT attempt to touch or handle snake due to protected status.
- Take photographs of the snake, if possible, for identification and documentation purposes.
- Immediately notify supervisor or the applicant's designated agent, **and** the appropriate USFWS office, with the location information and condition of the snake.
- If the snake is located in a vicinity where continuation of the clearing or construction activities will cause harm to the snake, the activities must halt until such time that a representative of the USFWS returns the call (within one day) with further guidance as to when activities may resume.

IF YOU SEE A <u>DEAD</u> EASTERN INDIGO SNAKE ON THE SITE:

- Cease clearing activities and immediately notify supervisor or the applicant's designated agent, **and** the appropriate USFWS office, with the location information and condition of the snake.
- Take photographs of the snake, if possible, for identification and documentation purposes.
- Thoroughly soak the dead snake in water and then freeze the specimen. The appropriate wildlife agency will retrieve the dead snake.

Telephone numbers of USFWS Florida Field Offices to be contacted if a live or dead eastern indigo snake is encountered:

North Florida Field Office – (904) 731-3336
Panama City Field Office – (850) 769-0552
South Florida Field Office – (772) 562-3909

PRE-CONSTRUCTION ACTIVITIES

1. The applicant or designated agent will post educational posters in the construction office and throughout the construction site, including any access roads. The posters must be clearly visible to all construction staff. A sample poster is attached.

2. Prior to the onset of construction activities, the applicant/designated agent will conduct a meeting with all construction staff (annually for multi-year projects) to discuss identification of the snake, its protected status, what to do if a snake is observed within the project area, and applicable penalties that may be imposed if state and/or federal regulations are violated. An educational brochure including color photographs of the snake will be given to each staff member in attendance and additional copies will be provided to the construction superintendent to make available in the onsite construction office (a final brochure for Plan compliance, to be printed double-sided on 8.5" x 11" paper and then properly folded, is attached). Photos of eastern indigo snakes may be accessed on USFWS and/or FWC websites.

3. Construction staff will be informed that in the event that an eastern indigo snake (live or dead) is observed on the project site during construction activities, all such activities are to cease until the established procedures are implemented according to the Plan, which includes notification of the appropriate USFWS Field Office. The contact information for the USFWS is provided on the referenced posters and brochures.

DURING CONSTRUCTION ACTIVITIES

1. During initial site clearing activities, an onsite observer may be utilized to determine whether habitat conditions suggest a reasonable probability of an eastern indigo snake sighting (example: discovery of snake sheds, tracks, lots of refugia and cavities present in the area of clearing activities, and presence of gopher tortoises and burrows).

2. If an eastern indigo snake is discovered during gopher tortoise relocation activities (i.e. burrow excavation), the USFWS shall be contacted within one business day to obtain further guidance which may result in further project consultation.

3. Periodically during construction activities, the applicant's designated agent should visit the project area to observe the condition of the posters and Plan materials, and replace them as needed. Construction personnel should be reminded of the instructions (above) as to what is expected if any eastern indigo snakes are seen.

POST CONSTRUCTION ACTIVITIES

Whether or not eastern indigo snakes are observed during construction activities, a monitoring report should be submitted to the appropriate USFWS Field Office within 60 days of project completion. The report can be sent electronically to the appropriate USFWS e-mail address listed on page one of this Plan.

ATTENTION:

THREATENED EASTERN INDIGO SNAKES MAY BE PRESENT ON THIS SITE!!!

IF YOU SEE A LIVE EASTERN INDIGO SNAKE ON THE SITE:

- Cease clearing activities and allow the eastern indigo snake sufficient time to move away from the site without interference.
- Personnel must NOT attempt to touch or handle snake due to protected status.
- Take photographs of the snake, if possible, for identification and documentation purposes.
- Immediately notify supervisor or the applicant's designated agent, **and** the appropriate U.S. Fish and Wildlife Service (USFWS) office, with the location information and condition of the snake.
- If the snake is located in a vicinity where continuation of the clearing or construction activities will cause harm to the snake, the activities must halt until such time that a representative of the USFWS returns the call (within one day) with further guidance as to when activities may resume.

IF YOU SEE A DEAD EASTERN INDIGO SNAKE ON THE SITE:

- Cease clearing activities and immediately notify supervisor or the applicant's designated agent, **and** the appropriate USFWS office, with the location information and condition of the snake.
- Take photographs of the snake, if possible, for identification and documentation purposes.
- Thoroughly soak the dead snake in water and then freeze the specimen. The appropriate wildlife agency will retrieve the dead snake.

USFWS Florida Field Offices to be contacted if a live or dead eastern indigo snake is encountered:

North Florida Field Office – (904) 731-3336
Panama City Field Office – (850) 769-0552
South Florida Field Office – (772) 562-3909

Killing, harming, or harassing indigo snakes is strictly prohibited and punishable under State and Federal Law.

DESCRIPTION: The eastern indigo snake is one of the largest non-venomous snakes in North America, with individuals often reaching up to 8 feet in length. They derive their name from the glossy, blue-black color of their scales above and uniformly slate blue below. Frequently, they have orange to coral reddish coloration in the throat area, yet some specimens have been reported to only have cream coloration on the throat. These snakes are not typically aggressive and will attempt to crawl away when disturbed. Though indigo snakes rarely bite, they should NOT be handled.

SIMILAR SNAKES: The black racer is the only other solid black snake resembling the eastern indigo snake. However, black racers have a white or cream chin, thinner bodies, and WILL BITE if handled.

LIFE HISTORY: The eastern indigo snake occurs in a wide variety of terrestrial habitat types throughout Florida. Although they have a preference for uplands, they also utilize some wetlands and agricultural areas. Eastern indigo snakes will often seek shelter inside gopher tortoise burrows and other below- and above-ground refugia, such as other animal burrows, stumps, roots, and debris piles. Females may lay from 4 - 12 white eggs as early as April through June, with young hatching in late July through October.

PROTECTION: The eastern indigo snake is classified as a Threatened species by both the USFWS and the Florida Fish and Wildlife Conservation Commission. "Taking" of eastern indigo snakes is prohibited by the Endangered Species Act without a permit. "Take" is defined by the USFWS as an attempt to kill, harm, harass, pursue, hunt, shoot, wound, trap, capture, collect, or engage in any such conduct. Penalties include a maximum fine of $25,000 for civil violations and up to $50,000 and/or imprisonment for criminal offenses, if convicted.

Only individuals currently authorized through an issued Incidental Take Statement in association with a USFWS Biological Opinion, or by a Section 10(a)(1)(A) permit issued by the USFWS, to handle an eastern indigo snake are allowed to do so.

IF YOU SEE A LIVE EASTERN INDIGO SNAKE ON THE SITE:

- Cease clearing activities and allow the eastern indigo snake sufficient time to move away from the site without interference.
- Personnel must NOT attempt to touch or handle snake due to protected status.
- Take photographs of the snake, if possible, for identification and documentation purposes.
- Immediately notify supervisor or the applicant's designated agent, **and** the appropriate U.S. Fish and Wildlife Service (USFWS) office, with the location information and condition of the snake.
- If the snake is located in a vicinity where continuation of the clearing or construction activities will cause harm to the snake, the activities must halt until such time that a representative of the USFWS returns the call (within one day) with further guidance as to when activities may resume.

IF YOU SEE A DEAD EASTERN INDIGO SNAKE ON THE SITE:

- Cease clearing activities and immediately notify supervisor or the applicant's designated agent, **and** the appropriate USFWS office, with the location information and condition of the snake.
- Take photographs of the snake, if possible, for identification and documentation purposes.
- Thoroughly soak the dead snake in water and then freeze the specimen. The appropriate wildlife agency will retrieve the dead snake.

USFWS Florida Field Offices to be contacted if a live or dead eastern indigo snake is encountered:

North Florida ES Office – (904) 731-3336
Panama City ES Office – (850) 769-0552
South Florida ES Office – (772) 562-3909

August 12, 2013

ATTENTION:

THREATENED EASTERN INDIGO SNAKES MAY BE PRESENT ON THIS SITE!!!

Please read the following information provided by the U.S. Fish and Wildlife Service to become familiar with standard protection measures for the eastern indigo snake.

STANDARD PROTECTION MEASURES FOR THE EASTERN INDIGO SNAKE
U.S. Fish and Wildlife Service
August 12, 2013

The eastern indigo snake protection/education plan (Plan) below has been developed by the U.S. Fish and Wildlife Service (USFWS) in Florida for use by applicants and their construction personnel. At least **30 days prior** to any clearing/land alteration activities, the applicant shall notify the appropriate USFWS Field Office via e-mail that the Plan will be implemented as described below (North Florida Field Office: jaxregs@fws.gov; South Florida Field Office: verobeach@fws.gov; Panama City Field Office: panamacity@fws.gov). As long as the signatory of the e-mail certifies compliance with the below Plan (including use of the attached poster and brochure), no further written confirmation or "approval" from the USFWS is needed and the applicant may move forward with the project.

If the applicant decides to use an eastern indigo snake protection/education plan other than the approved Plan below, written confirmation or "approval" from the USFWS that the plan is adequate must be obtained. At least 30 days prior to any clearing/land alteration activities, the applicant shall submit their unique plan for review and approval. The USFWS will respond via e-mail, typically within 30 days of receiving the plan, either concurring that the plan is adequate or requesting additional information. A concurrence e-mail from the appropriate USFWS Field Office will fulfill approval requirements.

The Plan materials should consist of: 1) a combination of posters and pamphlets (see **Poster Information** section below); and 2) verbal educational instructions to construction personnel by supervisory or management personnel before any clearing/land alteration activities are initiated (see **Pre-Construction Activities** and **During Construction Activities** sections below).

POSTER INFORMATION

Posters with the following information shall be placed at strategic locations on the construction site and along any proposed access roads (a final poster for Plan compliance, to be printed on 11" x 17" or larger paper and laminated, is attached):

DESCRIPTION: The eastern indigo snake is one of the largest non-venomous snakes in North America, with individuals often reaching up to 8 feet in length. They derive their name from the glossy, blue-black color of their scales above and uniformly slate blue below. Frequently, they have orange to coral reddish coloration in the throat area, yet some specimens have been reported to only have cream coloration on the throat. These snakes are not typically aggressive and will attempt to crawl away when disturbed. Though indigo snakes rarely bite, they should NOT be handled.

SIMILAR SNAKES: The black racer is the only other solid black snake resembling the eastern indigo snake. However, black racers have a white or cream chin, thinner bodies, and WILL BITE if handled.

LIFE HISTORY: The eastern indigo snake occurs in a wide variety of terrestrial habitat types throughout Florida. Although they have a preference for uplands, they also utilize some wetlands

and agricultural areas. Eastern indigo snakes will often seek shelter inside gopher tortoise burrows and other below- and above-ground refugia, such as other animal burrows, stumps, roots, and debris piles. Females may lay from 4 - 12 white eggs as early as April through June, with young hatching in late July through October.

PROTECTION UNDER FEDERAL AND STATE LAW: The eastern indigo snake is classified as a Threatened species by both the USFWS and the Florida Fish and Wildlife Conservation Commission. "Taking" of eastern indigo snakes is prohibited by the Endangered Species Act without a permit. "Take" is defined by the USFWS as an attempt to kill, harm, harass, pursue, hunt, shoot, wound, trap, capture, collect, or engage in any such conduct. Penalties include a maximum fine of $25,000 for civil violations and up to $50,000 and/or imprisonment for criminal offenses, if convicted.

Only individuals currently authorized through an issued Incidental Take Statement in association with a USFWS Biological Opinion, or by a Section 10(a)(1)(A) permit issued by the USFWS, to handle an eastern indigo snake are allowed to do so.

IF YOU SEE A <u>LIVE</u> EASTERN INDIGO SNAKE ON THE SITE:

- Cease clearing activities and allow the live eastern indigo snake sufficient time to move away from the site without interference;
- Personnel must NOT attempt to touch or handle snake due to protected status.
- Take photographs of the snake, if possible, for identification and documentation purposes.
- Immediately notify supervisor or the applicant's designated agent, **and** the appropriate USFWS office, with the location information and condition of the snake.
- If the snake is located in a vicinity where continuation of the clearing or construction activities will cause harm to the snake, the activities must halt until such time that a representative of the USFWS returns the call (within one day) with further guidance as to when activities may resume.

IF YOU SEE A <u>DEAD</u> EASTERN INDIGO SNAKE ON THE SITE:

- Cease clearing activities and immediately notify supervisor or the applicant's designated agent, **and** the appropriate USFWS office, with the location information and condition of the snake.
- Take photographs of the snake, if possible, for identification and documentation purposes.
- Thoroughly soak the dead snake in water and then freeze the specimen. The appropriate wildlife agency will retrieve the dead snake.

Telephone numbers of USFWS Florida Field Offices to be contacted if a live or dead eastern indigo snake is encountered:

North Florida Field Office – (904) 731-3336
Panama City Field Office – (850) 769-0552
South Florida Field Office – (772) 562-3909

PRE-CONSTRUCTION ACTIVITIES

1. The applicant or designated agent will post educational posters in the construction office and throughout the construction site, including any access roads. The posters must be clearly visible to all construction staff. A sample poster is attached.

2. Prior to the onset of construction activities, the applicant/designated agent will conduct a meeting with all construction staff (annually for multi-year projects) to discuss identification of the snake, its protected status, what to do if a snake is observed within the project area, and applicable penalties that may be imposed if state and/or federal regulations are violated. An educational brochure including color photographs of the snake will be given to each staff member in attendance and additional copies will be provided to the construction superintendent to make available in the onsite construction office (a final brochure for Plan compliance, to be printed double-sided on 8.5" x 11" paper and then properly folded, is attached). Photos of eastern indigo snakes may be accessed on USFWS and/or FWC websites.

3. Construction staff will be informed that in the event that an eastern indigo snake (live or dead) is observed on the project site during construction activities, all such activities are to cease until the established procedures are implemented according to the Plan, which includes notification of the appropriate USFWS Field Office. The contact information for the USFWS is provided on the referenced posters and brochures.

DURING CONSTRUCTION ACTIVITIES

1. During initial site clearing activities, an onsite observer may be utilized to determine whether habitat conditions suggest a reasonable probability of an eastern indigo snake sighting (example: discovery of snake sheds, tracks, lots of refugia and cavities present in the area of clearing activities, and presence of gopher tortoises and burrows).

2. If an eastern indigo snake is discovered during gopher tortoise relocation activities (i.e. burrow excavation), the USFWS shall be contacted within one business day to obtain further guidance which may result in further project consultation.

3. Periodically during construction activities, the applicant's designated agent should visit the project area to observe the condition of the posters and Plan materials, and replace them as needed. Construction personnel should be reminded of the instructions (above) as to what is expected if any eastern indigo snakes are seen.

POST CONSTRUCTION ACTIVITIES

Whether or not eastern indigo snakes are observed during construction activities, a monitoring report should be submitted to the appropriate USFWS Field Office within 60 days of project completion. The report can be sent electronically to the appropriate USFWS e-mail address listed on page one of this Plan.

June 3, 2025

SUBJECT: Notification of Harbor & Waterways Board Application (HWB- 001589-2025) – Commercial Marine Construction – 506 & 508 Harbor Blvd

Dear Property Owner:

This letter is to notify you of a Proposed Marine Construction Project at **506 & 508 Harbor Blvd.** The Marine Construction application requires Harbor & Waterways Board review and recommendation. **The application will be heard by the Harbor & Waterways Board at 5:30 p.m. at the Destin City Hall Annex, 4100 Indian Bayou Trail on June 26, 2025 (tentative).**

As an owner of property located near this project, ***Destin Land Development Code (LDC) Sections 2.17.00 & 11.05.01.S*** require a written notice providing you with the following information. This project proposes new marine construction in proximity to your property line; therefore, the City is requesting your input on the matter. If you would like to provide any comments you may respond by sending an email to the email address listed below, or by appearing before the Harbor & Waterways Board at the meeting.

This notice is for informational purposes only and no action is required of you. However, citizens are encouraged to provide a response to the email address provided below.

1. Name of Owner: Stephen J Abbott & Jonathan R. Taylor
2. Name of Agent: What's Up Docks LLC
3. Address of Project: 506 & 508 Harbor Blvd
4. Parcel ID Number: 00-2S-22-0630-0000-03A5; 00-2S-22-0615-0000-0000
5. Project Description: Construction of a new shared 210 linear foot seawall
6. Location of Application Package: To request that a digital copy of the application package be sent to you, please call the City Clerk at (850) 837-4242 or fill out a Public Records Request (PRR) online: http://www.cityofdestin.com/forms.aspx?fid=121

If you have any questions or concerns regarding this letter, please do not hesitate to contact me at (850) 842-4669 or via email at planning@cityofdestin.com.

Sincerely,

Ashley Dominguez
Planner

ITEM # 2025-763

CITY OF DESTIN – COMMUNITY DEVELOPMENT

AGENDA ITEM

MEETING DATE: July 7, 2025
BOARD/COMMITTEE: City Council
TYPE OF AGENDA ITEM: Action Item
OUTLINE NUMBER: 3.B.

TO: City Council

THRU: Larry Jones , City Manager
Kimberly Kopp, City Attorney

FROM: David Prichard, Community Development Director
Daniel Butler, Principal Planner

DATE: June 27, 2025

SUBJECT: 742 & 744 Harbor Blvd, Residential Marine Construction, HWB-001616-2025

I. BACKGROUND: What's Up Docks LLC, on behalf of both Jennifer Aden and James Morris, has applied for Harbor and Waterways Board review for the construction of a new shared 15-foot by 4-foot access pier leading to a 30-foot by 3-foot T-access walk, two 30-foot by 2-foot finger piers, and two 30-foot by 13-foot covered boat slips with lifts under a 33-foot by 30-foot roof.

The applicant is seeking approval from City Council for a Residential Marine Construction project proposing a new seawall with:

Total Square Feet:	1,050
Total Number of Piers or Docks:	1
Total Length:	48 LF
Total Slip Density:	2 (1 per property)
Located in the Destin Harbor:	Yes

II. DISCUSSION: The applicant requests City Council approval for a Residential Marine Construction project located at 742 & 744 Harbor Blvd within Destin Harbor.

The City Council is being asked to review the proposed Marine project per Land Development Code ***Section 11.05.01 - General regulations; prohibitions*** and ***Section 11.05.02 – Permitting procedures.*** Below are Staff's findings with respect to ***Section 11.05.01*** and ***Section 11.05.02;*** items not applicable to this project are marked "Not Applicable."

11.05.01. General regulations; prohibitions*.This article establishes and regulates procedures and standards by which the City controls and regulates development, construction and activities within and contiguous to the Harbor and waterways of Destin. The following regulations and prohibitions shall apply to the Harbor and waterways of Destin:*

A. No person shall construct or add to an existing dock, seawall, bulkhead, mooring or piling, modify an existing submerged land lease, or conditions thereto, or conduct dredge or fill operations in, or contiguous to, the Harbor or waterways of Destin without first obtaining the proper authorization from the appropriate federal, state and City agencies.

Staff response: *The applicant has submitted for authorization from all appropriate agencies.*

B. The addition or modification of a boat lift or pilings within an existing legal and conforming boat slip shall not require the review of the Harbor and Waterways Board or the City Council. Rather, a copy of the U.S. Army Corps of Engineers permit, DEP permit, and a homeowner's association approval (if applicable) shall accompany a completed application for a building permit, provided no additional slips are created.

Staff response: *Not applicable.*

C. No fish carcasses and debris shall be discharged into the Harbor or waterways of Destin.

Staff response: *This regulation applies to all users of the harbor and waterways of Destin and shall be adhered to.*

D. No person who maintains or operates a dock shall allow or permit the disposal of fish carcasses, litter, waste petroleum products or other pollutants into the Harbor or waterways of Destin. Trash disposal receptacles shall be anchored to each dock to ensure compliance with the provisions of this article.

Staff response: *This regulation applies to all users of the harbor and waterways of Destin and shall be adhered to.*

E. No fuel or oil shall be willfully or knowingly discharged in the Harbor or waterways of Destin. No dock which sells fuel or oil shall be constructed, operated or maintained in the Harbor or waterways of Destin unless an oil abatement plan, in accordance with Coast Guard guidelines, is available at each dock. The Destin Harbor and Waterways Board shall review and recommend approval or disapproval of each oil abatement plan to the City Council, which shall have approval authority. Each existing dock which sells fuel or oil shall develop and have approved an oil abatement plan acceptable to the City. All new docks which sell fuel or oil shall develop and have an approved oil abatement plan, which is acceptable to the City, prior to receiving a building permit from the City.

Staff response: *This regulation applies to all users of the harbor and waterways of Destin and shall be adhered to. Additionally, this is a proposed residential dock; therefore, no fuel/oil shall be sold here.*

F. No new or existing dock shall be constructed or modified such that the length of any pier as completed is greater than 20 percent of the width of the Harbor or waterway at the place where the pier is located, or out 200 feet, whichever is less, except in Choctawhatchee Bay.

Staff response: *Proposed construction will be 48 LF total. The Width of the Harbor at this location is approximately 300 LF. 20% of 300 LF is 60 LF. Therefore, the proposed dock is below the allowable 60 LF.*

G. No piling(s) shall be added to the waterward end of any pier which piling(s) would make the total length of the dock more than 200 feet, or 20 percent of the waterway, whichever is less, except in Choctawhatchee Bay.

Staff response: *Proposed construction will be 48 LF total. The Width of the Harbor at this location is approximately 300 LF. 20% of 300 LF is 60 LF. Therefore, the proposed dock is below the allowable 60 LF.*

H. No vessel shall be moored or docked on the waterward end of any pier of the maximum legal length, as determined pursuant to subsection F above, for more than 72 hours.

Staff response: *This regulation applies to all users of the harbor and waterways of Destin and shall be adhered to.*

I. No dock shall be constructed which permits the commercial docking of boats with on-board toilets unless such the dock is equipped with a sewage pump-out.

Staff response: *Not applicable.*

J. No dock shall be constructed which permits the docking of a live-aboard unless such vessel has an operable holding tank.

Staff response: *This regulation applies to all users of the harbor and waterways of Destin and shall be adhered to.*

K. No boat shall be moored in the Harbor or waterways of Destin such that it constitutes a hazard to navigation.

Staff response: *This regulation applies to all users of the harbor and waterways of Destin and shall be adhered to.*

L. No dock shall be constructed such that it constitutes a hazard to navigation.

Staff response: *This regulation applies to all users of the harbor and waterways of Destin and shall be adhered to.*

M. Excepting docks connected to uplands zoned SHMU, or those located on Choctawhatchee Bay, no dock shall be longer than the width, at the mean high-water line, of the lot to which the dock is attached.

Staff response: *Not applicable.*

1. For those docks connected to uplands zoned SHMU, or those located on Choctawhatchee Bay, a dock may be constructed to a length of 1.5 times the width of the property at the mean high-water line, provided the length of the dock does not exceed the maximum length established by paragraphs F and G above.

Staff response: *Not applicable.*

2. For the purpose of this subsection, lots may be combined with neighboring lots. However, no dock may exceed the limitations specified in subsection F above.

Staff response: *The proposed scope is a shared dock between two properties, which have a total waterfront footage of approximately 100 LF. The shared dock is proposed to be 48 LF, therefore compliant with this subsection.*

N. No dock shall be constructed or modified such that slip density exceeds one slip per eight linear feet of waterfront footage except that, on canals, no lot may have more than one slip per 45 linear feet of waterfront. However, all lots riparian to a canal shall be entitled to at least two slips on the canal.

Staff response:*. The total waterfront footage of both lots combined is approximately 100 LF. The proposed shared dock construction will only have 2 slips (1 slip per property), which will not exceed the one slip per eight lineal feet maximum requirement.*

O. No boat or vessel, entering into, exiting or operating within the Destin Harbor shall operate at such speed that would create a wake that endangers other boats or vessels, swimmers or other persons within the Destin Harbor, or would contribute to any adjacent land erosion.

Staff response: *This regulation applies to all users of the harbor and waterways of Destin and shall be adhered to.*

P. No heated or cooled water may be emitted into the Harbor, waterways, or the Harbor canals other than from a boat.

Staff response: *This regulation applies to all users of the harbor and waterways of Destin and shall be adhered to.*

Q. No pier shall extend more than six feet into a canal right-of-way.

Staff response: *Not applicable.*

R. No discharge of water shall contain phosphorous or any other substance likely to cause a violation of the water quality standards specified in Chapter 17-302, Florida Administrative Code.

Staff response: *This regulation applies to all users of the harbor and waterways of Destin and shall be adhered to.*

S. No dock or vessel shall be placed within the 25-foot setback of a property line without providing prior written notification to the adjoining landowners and requesting their response. Any objections received from the adjoining property owners will be considered by the Harbor and Waterways Board in their recommendations to the City Council.

Staff response: Although no construction is proposed within the 25-foot setback of the property line, *Staff sent the provided Adjacent Property Notification to the neighboring properties on June 3, 2025. As proposed, the riparian rights of others are not interfered with.*

T. No dock shall unreasonably interfere with the riparian rights of others.

Staff response: *Although no construction is proposed within the 25-foot setback of the property line, Staff sent the provided Adjacent Property Notification to the neighboring properties on June 3, 2025. As proposed, the riparian rights of others are not interfered with.*

U. No dock of 100 feet or longer shall be constructed unless a white navigation/security night-light is installed at the furthest point seaward on said dock and such light is to be illuminated continuously from dusk to dawn every night of the year. All existing docks 100 feet or longer shall install and operate a navigation/security light pursuant to this subsection. Each light shall be installed within 90 days after adoption of this Code.

Staff response: *Not applicable.*

V. No commercially operated boat docking facilities shall be permitted or operated unless equipped with firefighting facilities as specified by the City.

Staff response: *Not applicable.*

W. No construction shall be allowed which violates any provision of the Standard Building Code, as adopted by the City.

Staff response: *Applicant must obtain an approved Marine Construction Permit prior to any construction.*

X. No electrical or water service upon any dock shall be installed unless a permit is obtained from the Planning Department and Building Department for that service.

Staff response: *Applicant must obtain an approved Marine Construction Permit prior to any construction.*

Y. No person, while operating a boat within the or waterways of Destin shall allow or permit the disposal of fish carcasses, litter, waste, petroleum products or other pollutants into the Harbor or waterways of Destin from such boats.

Staff response: *This regulation applies to all users of the harbor and waterways of Destin and shall be adhered to.*

Z. No lot, or multi-contiguous lots, with less than 50 feet of waterfront footage shall be allowed individual docks, unless they are parallel to the shoreline. However, docks may be allowed under the provisions of subsection ***11.05.01.M.2***.

> ***Staff response:*** *The proposed scope is a shared dock between two properties, which have a total waterfront footage of approximately 100 LF. The shared dock is proposed to be 48 LF, therefore compliant with this subsection.*

Pursuant to ***Section 11.05.03, Land Development Code (LDC)***, all construction shall be inspected by the City Building Inspector for compliance with applicable building codes. The applicant shall be responsible for the condition and repair of permitted docks and failure to maintain said docks in a safe condition shall constitute grounds for revocation of the permit.

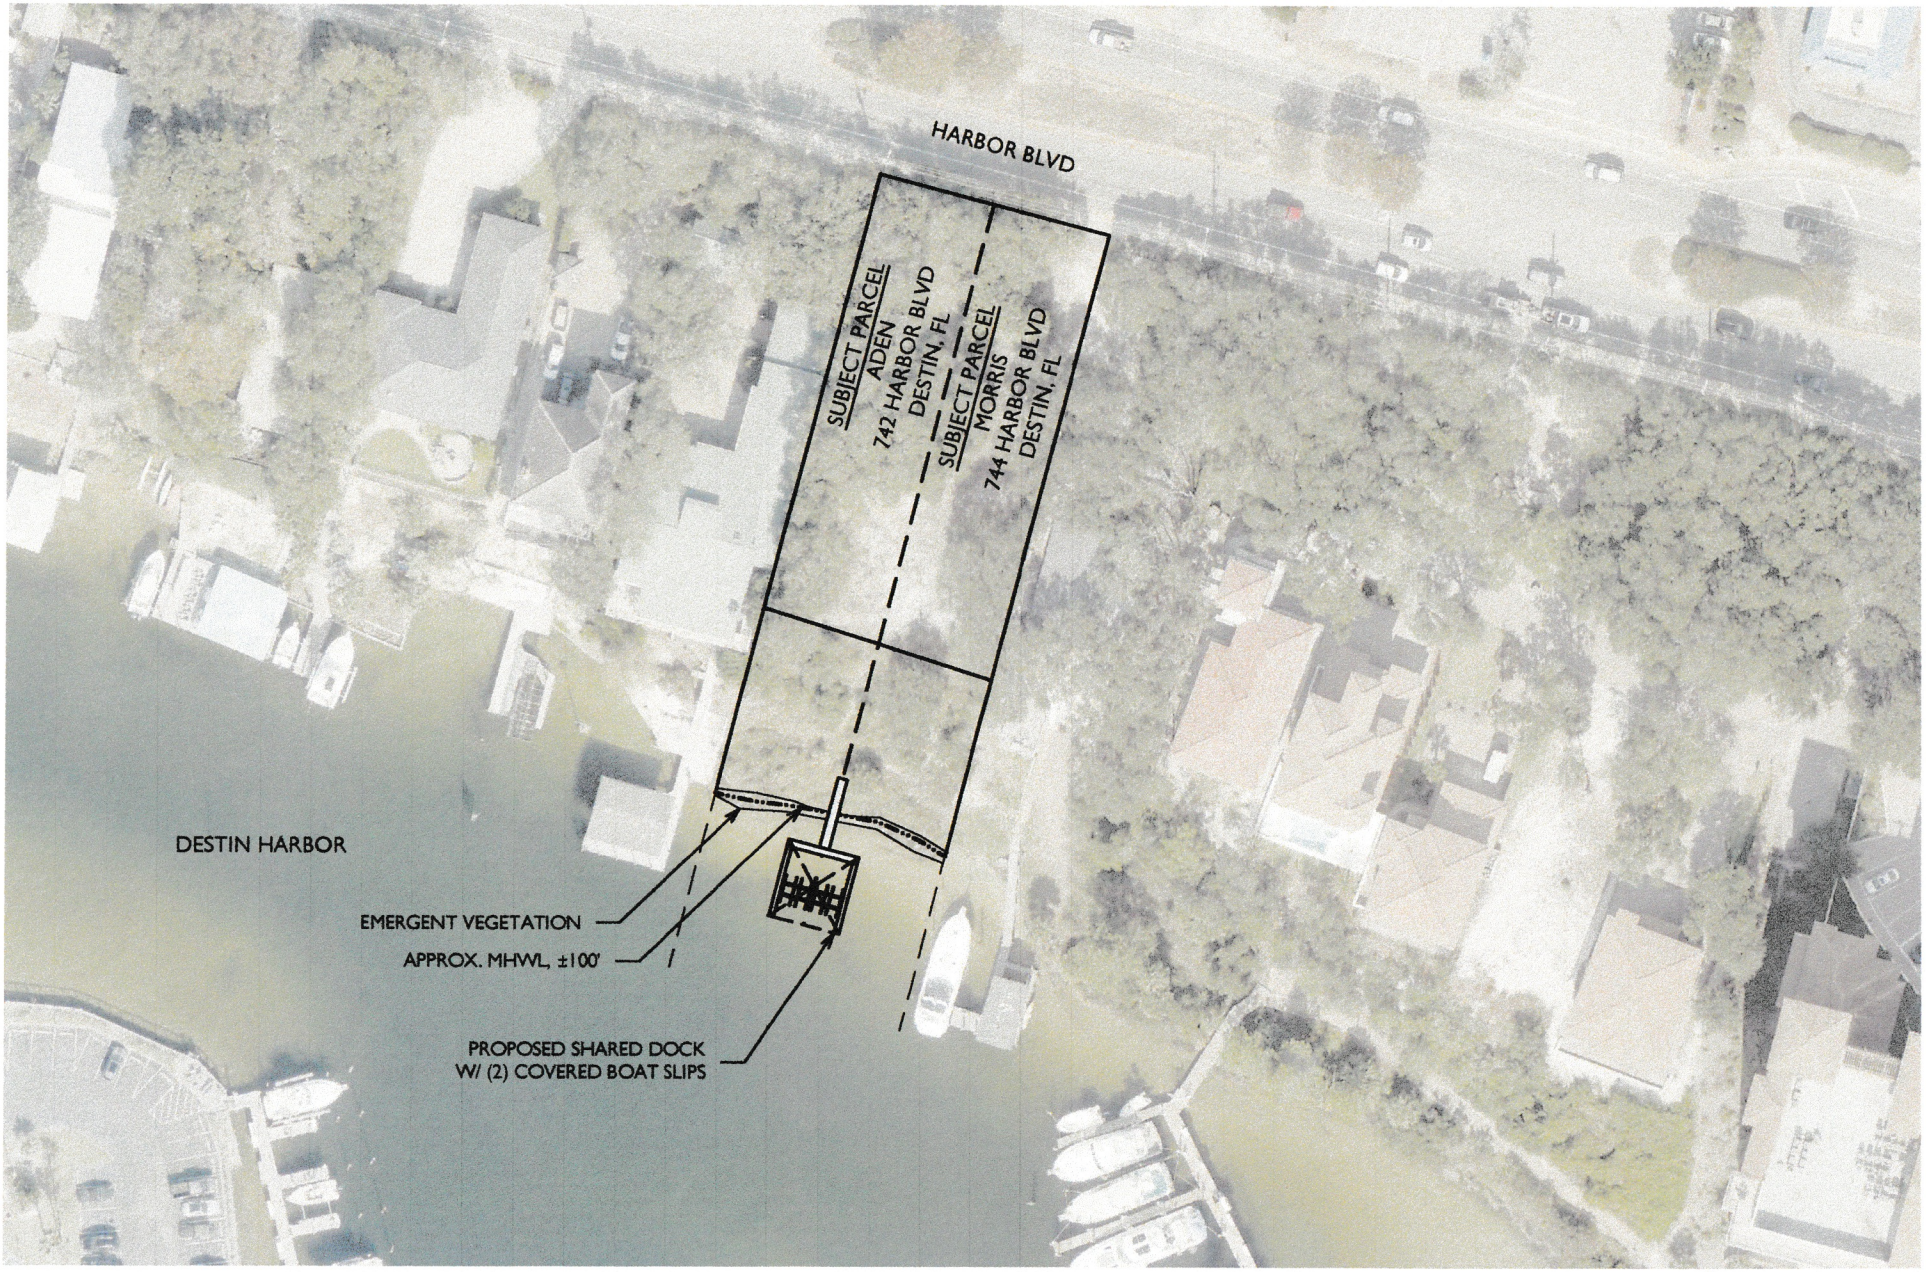
III. CONCLUSION: The applicant requests the City Council approval for a Residential Marine Construction Project located at 742 & 744 Harbor Blvd. Additionally, the applicant provided the authorization from the Florida Department of Environmental Protection (FDEP), Permit No.: 0447038-002-EG/46, as well as Army Corps of Engineers authorization (ACOE), Permit No.: SAJ-29025-00892 (GP-TCP).

City Staff reviewed the application and determined that the plans comply with ***LDC Section 11.05.00, Marina Siting***, and the Coastal Management Element of the City's Comprehensive Plan ***(Coastal Management Element Policy 6-1.1.6)***.

The Harbor & Waterways Board met at their regularly scheduled meeting on June 26, 2025 and voted unanimously to recommend approval.

IV. RECOMMENDED MOTION: I move that the City Council approve the Proposed Residential Marine Construction Project at 742 & 744 Harbor Blvd, for the construction of a new shared dock with the following conditions:



1. **All applicable Federal or State approvals shall be submitted with the Marine Construction Permit application; and**

2. **All regulations of the City's Marina Siting *LDC Section 11.05.00* shall be followed at all times.**

LEGAL DESCRIPTION:

(Per Official Records Book: 3239, at Page: 4611)
Lots 6 and 7, Block M, REVISED SECOND EAST PASS ADDITION TO DESTIN, FLORIDA, according to the plat thereof recorded in Plat Book 1, Page 19A, of the Public Records of Okaloosa County, Florida.
Contains 0.60 acres or 26,413.38 Sq. Ft. more or less.

MISCELLANEOUS (Misc.) NOTES:

- The Mean High Water Line (MHWL) as shown is 0.67 feet.
- Water depth at mooring sites shown.
- Boat House roof measures 34.29 feet x 30.00 feet = 1,105.17 square feet.
- Refer to map for decking/dock configuration and location. Decking over water = 256.47 square feet, decking over land = 139.01 square feet.
- Over water area of boat house roof and deck/dock, 1,105.17 square feet.

SURVEYOR'S NOTES:

1. CERTIFICATION STATEMENT: THE SURVEY DEPICTED HEREON WAS PREPARED IN ACCORDANCE WITH THE STANDARDS OF PRACTICE FOR PROFESSIONAL SURVEYORS AND MAPPERS AS DEFINED IN CHAPTER 5J-17.051 OF THE FLORIDA ADMINISTRATIVE CODE AS SET FORTH BY THE FLORIDA BOARD OF PROFESSIONAL SURVEYORS AND MAPPERS PURSUANT TO SECTION 472.008 AND SECTION 472.027 OF THE FLORIDA STATUTES.
2. THERE MAY BE EASEMENTS AND RESTRICTIONS OF RECORDS AND/OR PRIVATE AGREEMENTS NOT FURNISHED TO THIS SURVEYOR THAT MAY AFFECT PROPERTY RIGHTS AND/OR LAND USE RIGHTS OF THE LANDS SHOWN HEREON.
3. NO UNDERGROUND INSTALLATIONS, FOUNDATION FOOTINGS OR UTILITIES HAVE BEEN LOCATED EXCEPT AS NOTED.
4. BASED ON THE NATIONAL FLOOD INSURANCE PROGRAM "FIRM" MAP COMMUNITY – PANEL NUMBER 12091C0488J, DATED MARCH 9, 2021, THE ABOVE DESCRIBED PROPERTY IS LOCATED IN ZONE X, AND ZONE AE (EL 9).
5. BEARINGS SHOWN HEREON ARE BASED ON THE SOUTHERLY RIGHT-OF-WAY OF HARBOR BOULEVARD EAST (U.S. HIGHWAY 98), HAVING AN ASSUMED BEARING OF S 75°10'33" E.
6. EXPECTED USE OF THE SITE IS FOR RESIDENTIAL AND THE ACCURACIES FOR CLOSURE WERE EXCEEDED FOR A SUBURBAN SURVEY. THIS SURVEY TRUE AND CORRECT AS PER 5J-17.051 AND 5J-7.052, FLORIDA ADMINISTRATIVE CODE. NO ADDITIONS OR DELETIONS FROM THIS SURVEY WITHOUT CONSENT FROM SIGNING PARTY.
7. ELEVATIONS ARE RELATIVE TO NORTH AMERICAN VERTICAL DATUM OF 1988. CONTOUR INTERVALS ARE ONE FOOT WHEN SHOWN.
8. THE PURPOSE OF THIS SURVEY IS TO LOCATE THE BUILDING ENVELOPE AS STAKED OUT. THIS SURVEY IS NOT INTENDED TO REPRESENT A PROPOSED FOOTPRINT OR BUILDING LAYOUT.

NOTE 'A': PROPOSED BOAT HOUSE
Boat House, open design with roof covering overall.
Deck and roof supported by minimum 6"ø tip and minimum 8"ø tip wood timber pilings.
2 Slips with boat lift in each.
Refer to Misc. Notes for additional data.

File No. 0447038-002-EG/46, Okaloosa County

Dear Mr. Morris and Ms. Aden:

On April 7, 2025, we received your notice of intent to use a General Permit (GP), pursuant to Rule 62-330.427, Florida Administrative Code (F.A.C.) to construct a shared private single-family dock with two covered boatlifts within Destin Harbor, a Class II Florida waterbody, Prohibited Shellfish Harvesting Area. The project is located at 742 and 744 Harbor Blvd, Destin, Florida 32541, Section 30, Township 2 South, Range 22 West, Okaloosa County; 30° 23' 22.5496" North Latitude, 86° 29' 13.898" West Longitude.

Your intent to use a general permit has been reviewed by Department staff for three types of authorizations: (1) regulatory authorization, (2) proprietary authorization (related to state-owned submerged lands), and (3) federal authorization. The authority for review and the outcomes of the reviews are listed below. Please read each section carefully.

Your project did not qualify for the federal authorization, therefore, additional authorization must be obtained prior to commencement of the proposed activity. This letter does not relieve you from the responsibility of obtaining other federal, state, or local authorizations that may be required for the activity. Please refer to the specific section(s) dealing with that portion of the review below for advice on how to proceed.

If you change the project from what you submitted, the authorization(s) granted may no longer be valid at the time of commencement of the project. Please contact us prior to beginning your project if you wish to make any changes.

1. Regulatory Review – Approved

Based on the forms, drawings, and documents submitted with your notice, it appears that the project meets the requirements for the General Permit under Rule 62-330.427, F.A.C. Any activities performed under a general permit are subject to general conditions required in Rule 62-330.405, F.A.C. (attached), and the specific conditions of Rule 62-330.427, F.A.C. (attached). Any deviations from these conditions may subject the permittee to enforcement action and possible penalties.

Please be advised that the construction phase of the GP must be completed within five years from the date the notice to use the GP was received by the Department. If you wish to continue this GP beyond the expiration date, you must notify the Department at least 30 days before its expiration.

Authority for review- Part IV of Chapter 373, F.S., Title 62, F.A.C. and in accordance with the operating agreements executed between the Department and the water management districts, as referenced in Chapter 62-113, F.A.C.

2. Proprietary Review – Granted

The Department acts as staff to the Board of Trustees of the Internal Improvement Trust Fund (Board of Trustees) and issues certain authorizations for the use of sovereign submerged lands. The Department has the authority to review activities on sovereign submerged lands under Chapter 253 of the Florida Statutes (F.S.) and 258, F.S. if located within an aquatic preserve, and Chapters 18-20 and 18-21 of the Florida Administrative Code.

The activity appears to be located on sovereign submerged lands owned by the Board of Trustees. The activity is not exempt from the need to obtain the applicable proprietary authorization. As staff to the Board of Trustees, the Department has reviewed the activity described above, and has determined that the activity qualifies for a letter of consent under Section 253.77, Florida Statutes, to construct and use the activity on the specified sovereign submerged lands, as long as the work performed is located within the boundaries as described herein and is consistent with the terms and conditions herein.

During the term of this Letter of Consent you shall maintain satisfactory evidence of sufficient upland interest as required by paragraph 18-21.004(3)(b), Florida Administrative Code. If such interest is terminated or the Board of Trustees determines that such interest did not exist on the date of issuance of this Letter of Consent, this Letter of Consent may be terminated by the Board of Trustees at its sole option. If the Board of Trustees terminates this Letter of Consent, you agree not to assert a claim or defense against the Board of Trustees arising out of this Letter of Consent.

Please be advised that any use of sovereign submerged lands without specific prior authorization from the Board of Trustees will be considered a violation of Chapter 253, Florida Statutes and may subject the affected upland riparian property owners to legal action as well as potential fines for the prior unauthorized use of sovereign land.

Authority for review - Chapter 253 F.S., and Chapter 18-21, F.A.C., and Section 62-330.075, F.A.C. as required.

3. Federal Review- SPGP Not Approved
Your proposed activity as outlined in your application and attached drawings **does not qualify** for Federal authorization pursuant to the State Programmatic General Permit VI-R1. **SEPARATE permit(s)** or authorization **will be required** from the U.S. Army Corps of Engineers.

Authority for review - an agreement with the USACOE entitled "Coordination Agreement Between the U. S. Army Corps of Engineers (Jacksonville District) and the Florida Department of Environmental Protection (or Duly Authorized Designee), State Programmatic General Permit", Section 10 of the Rivers and Harbor Act of 1899, and Section 404 of the Clean Water Act.

3.2 Coastal Zone Management Consistent
Issuance of this authorization also constitutes a finding of consistency with Florida's Coastal Zone Management Program, as required by Section 307 of the Coastal Zone Management Act.

3.3 Water Quality Certification Granted With Conditions
This permit also constitutes a *granted with conditions* water quality certification under Section 401 of the Clean Water Act, 33 U.S.C. Section 1341. Pursuant to Rule 62-330.062, F.A.C. State Water Quality Certification is granted when an activity meets all the terms and conditions of a general permit under Rule 62-330.052, F.A.C., and the applicable Rules 62-330.401 through 62-330.635, F.A.C.

Additional Information
Please retain this general permit. The activities may be inspected by authorized state personnel in the future to ensure compliance with appropriate statutes and administrative codes. If the activities are not in compliance, you may be subject to penalties under Chapter 373, F.S., and Chapter 18-14, F.A.C.

NOTICE OF RIGHTS
This action is final and effective on the date filed with the Clerk of the Department unless a petition for an administrative hearing is timely filed under Sections 120.569 and 120.57, F.S., before the deadline for filing a petition. On the filing of a timely and sufficient petition, this action will not be final and effective until further order of the Department. Because the administrative hearing process is designed to formulate final agency action, the hearing process may result in a modification of the agency action or even denial of the application.

Petition for Administrative Hearing
A person whose substantial interests are affected by the Department's action may petition for an administrative proceeding (hearing) under Sections 120.569 and 120.57, F.S. Pursuant to Rules 28-106.201 and 28-106.301, F.A.C., a petition for an administrative hearing must contain the following information:

(a) The name and address of each agency affected and each agency's file or identification number, if known;
(b) The name, address, any e-mail address, any facsimile number, and telephone number of the petitioner, if the petitioner is not represented by an attorney or a qualified representative; the name, address, and telephone number of the petitioner's representative, if any, which shall be the address for service purposes during the course of the proceeding; and an explanation of how the petitioner's substantial interests will be affected by the agency determination;
(c) A statement of when and how the petitioner received notice of the agency decision;
(d) A statement of all disputed issues of material fact. If there are none, the petition must so indicate;
(e) A concise statement of the ultimate facts alleged, including the specific facts that the petitioner contends warrant reversal or modification of the agency's proposed action;
(f) A statement of the specific rules or statutes that the petitioner contends require reversal or modification of the agency's proposed action, including an explanation of how the alleged facts relate to the specific rules or statutes; and
(g) A statement of the relief sought by the petitioner, stating precisely the action that the petitioner wishes the agency to take with respect to the agency's proposed action.

The petition must be filed (received by the Clerk) in the Office of General Counsel of the Department at 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida 32399-3000, or via electronic correspondence at Agency_Clerk@dep.state.fl.us. Also, a copy of the petition shall be mailed to the applicant at the address indicated above at the time of filing.

Time Period for Filing a Petition

In accordance with Rule 62-110.106(3), F.A.C., petitions for an administrative hearing by the applicant and persons entitled to written notice under Section 120.60(3), F.S., must be filed within 21 days of receipt of this written notice. Petitions filed by any persons other than the applicant, and other than those entitled to written notice under Section 120.60(3), F.S., must be filed within 21 days of publication of the notice or within 21 days of receipt of the written notice, whichever occurs first. You cannot justifiably rely on the finality of this decision unless notice of this decision and the right of substantially affected persons to challenge this decision has been duly published or otherwise provided to all persons substantially affected by the decision. While you are not required to publish notice of this action, you may elect to do so pursuant Rule 62-110.106(10)(a).

The failure to file a petition within the appropriate time period shall constitute a waiver of that person's right to request an administrative determination (hearing) under Sections 120.569 and 120.57, F.S., or to intervene in this proceeding and participate as a party to it. Any subsequent intervention (in a proceeding initiated by another party) will be only at the discretion of the presiding officer upon the filing of a motion in compliance with Rule 28-106.205, F.A.C. If you do not publish notice of this action, this waiver will not apply to persons who have not received written notice of this action.

Extension of Time

Under Rule 62-110.106(4), F.A.C., a person whose substantial interests are affected by the Department's action may also request an extension of time to file a petition for an administrative hearing. The Department may, for good cause shown, grant the request for an extension of time. Requests for extension of time must be filed with the Office of General Counsel of the Department at 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida 32399-3000, or via electronic correspondence at Agency_Clerk@dep.state.fl.us, before the deadline for filing a petition for an administrative hearing. A timely request for extension of time shall toll the running of the time period for filing a petition until the request is acted upon.

Mediation
Mediation is not available in this proceeding.

FLAWAC Review
The applicant, or any party within the meaning of Section 373.114(1)(a) or 373.4275, F.S., may also seek appellate review of this order before the Land and Water Adjudicatory Commission under Section 373.114(1) or 373.4275, F.S. Requests for review before the Land and Water Adjudicatory Commission must be filed with the Secretary of the Commission and served on the Department within 20 days from the date when this order is filed with the Clerk of the Department.

Judicial Review
Once this decision becomes final, any party to this action has the right to seek judicial review pursuant to Section 120.68, F.S., by filing a Notice of Appeal pursuant to Florida Rules of Appellate Procedure 9.110 and 9.190 with the Clerk of the Department in the Office of General Counsel (Station #35, 3900 Commonwealth Boulevard, Tallahassee, Florida 32399-3000) and by filing a copy of the Notice of Appeal accompanied by the applicable filing fees with the appropriate district court of appeal. The notice must be filed within 30 days from the date this action is filed with the Clerk of the Department.

Clerk **Date**

62-330.427 General Permit for Docks, Piers and Associated Structures.

(1) A general permit is granted to any person to construct, extend, or remove a dock or pier and associated structures as described below:

(a) A private, single-family pier or dock with up to two boat lifts that, together with all existing structures on the shoreline of the property, does not exceed a total area of 2,000 square feet over surface waters. Such a structure:

1. Shall not accommodate the mooring of more than two vessels, either in the water or on a boat lift. Solely for purposes of this general permit, up to two personal watercraft as defined in section 327.02(33), F.S., may be moored in lieu of either or both allowable vessels of another type. These limits shall not apply to the mooring, storage or other use of the dock or pier by:

a. Non-motor-powered vessels less than 16 feet in length that are stored on or under the dock or pier, or within an authorized mooring area; or

b. Personal watercraft, dinghies or similar small vessels that are stowed out of the water, upon a larger parent vessel that is moored at the dock in compliance with this general permit.

2. Shall be located such that all areas used for vessel mooring and navigational access already provide a minimum depth of two feet below the mean low water level for tidal waters, or two feet below the expected average low water depth for non-tidal waters as determined based on best available information for the water body at the project location; and

3. May include a roof over the vessel mooring areas, boat lifts, and terminal platform, or any portions thereof, subject to the applicable provisions of chapters 253 and 258, F.S., and the rules adopted thereunder. Portions of such roofs that overhang beyond the edge of decked portions of the pier or dock shall be included in the calculation of the total square footage of over-water structure allowed under paragraph (1)(a), above.

(b) A public fishing pier that does not exceed a total area of 2,000 square feet provided the structure is designed and built to discourage boat mooring by elevating the fishing pier to a minimum height of five feet above mean high water or ordinary high water, surrounding the pier with handrails, and installing and maintaining signs that state “No Boat Mooring Allowed.”

(2) This general permit shall be subject to the following specific conditions:

(a) Construction or extension of the boat lift, boat mooring locations, or terminal platform, shall not occur over submerged grassbeds, coral communities or wetlands. However, the access walkway portion of the pier may traverse these resources provided it is elevated a minimum of five feet above mean high water or ordinary high water, contains handrails that are maintained in such a manner as to prevent use of the access walkways for boat mooring or access, and does not exceed a width of six feet, or a width of four feet in Aquatic Preserves;

(b) There shall be no structures enclosed by walls, screens, or doors on any side;

(c) The dock or pier will not facilitate vessel rentals, charters, or serve any other commercial purpose;

(d) There shall be no fish cleaning facilities, boat repair facilities or equipment, or fueling facilities on the structures authorized by this general permit. In addition, no overboard discharges of trash, human or animal waste, or fuel shall occur from any structures authorized by this general permit;

(e) This general permit shall not authorize the construction or extension of more than one dock or pier per parcel of land or individual lot. For the purposes of this general permit, multi-family living complexes shall be treated as one parcel of property regardless of the legal division of ownership or control of the associated property; and

(f) Notwithstanding any other provisions of this general permit, the design, construction and operation of the dock or pier and associated vessels shall not conflict with any manatee protection plan approved and adopted under section 379.2431(2)(t), F.S.

Rulemaking Authority 373.026(7), 373.043, 373.118(1), 373.406(5), 373.4131, 373.414(9), 373.418, 403.805(1) FS. Law Implemented 373.118(1), 373.406(5), 373.413, 373.4131, 373.414(9), 373.416, 373.418, 373.426, 403.814(1) FS. History–New 10-3-95, Formerly 62-341.427, Amended 10-1-13, 6-1-18.

62-330.405 General Conditions for All General Permits

The following general permit conditions are binding upon the permittee and are enforceable under chapter 373, F.S. These conditions do not apply to the general permit for stormwater management systems under section 403.814(12), F.S.

(1) The general permit is valid only for the specific activity indicated. Any deviation from the specified activity and the conditions for undertaking that activity shall constitute a violation of the permit and may subject the permittee to enforcement action and revocation of the permit under chapter 373, F.S.

(2) The general permit does not eliminate the necessity to obtain any required federal, state, local and special district authorizations prior to the start of any construction, alteration, operation, maintenance, removal or abandonment authorized by this permit; and it does not authorize any violation of any other applicable federal, state, local, or special district laws (including, but not limited to, those governing the "take" of listed species).

(3) The general permit does not convey to the permittee or create in the permittee any property right, or any interest in real property, nor does it authorize any entrance upon or activities on property which is not owned or controlled by the permittee, or convey any rights or privileges other than those specified in the general permit.

(4) The general permit does not relieve the permittee from liability and penalties when the permitted activity causes harm or injury to: human health or welfare; animal, plant or aquatic life; or property. It does not allow the permittee to cause pollution that violates state water quality standards.

(5) Section 253.77, F.S., provides that a person may not commence any excavation, construction, or other activity involving the use of state-owned or other lands of the state, the title to which is vested in the Board of Trustees of the Internal Improvement Trust Fund without obtaining the required consent, lease, easement, or other form of authorization authorizing the proposed use. Therefore, the permittee is responsible for obtaining any necessary authorizations from the Board of Trustees prior to commencing activity on state-owned lands.

(6) The authorization to conduct activities under a general permit may be modified, suspended or revoked in accordance with chapter 120, F.S., and section 373.429, F.S.

(7) The general permit is not transferable to a new third party. To be used by a different permittee, a new notice to use a general permit must be submitted in accordance with rule 62-330.402, F.A.C. Activities constructed in accordance with the terms and conditions of a general permit are automatically authorized to be operated and maintained by the permittee and subsequent owners in accordance with subsection 62-330.340(1), F.A.C. Any person holding the general permit, persons working under the general permit, and owners of land while work is conducted under the general permit shall remain liable for any corrective actions that may be required as a result of any permit violations prior to sale, conveyance, or other transfer of ownership or control of the permitted project, activity, or the real property at which the permitted project or activity is located.

(8) Upon reasonable notice to the permittee, Agency staff with proper identification shall have permission to enter, inspect, sample and test the permitted system to ensure conformity with the plans and specifications approved by the general permit.

(9) The permittee shall maintain any permitted project or activity in accordance with the plans submitted to the Agency and authorized in the general permit.

(10) A permittee's right to conduct a specific activity under the general permit is authorized for a duration of five years.

(11) Activities shall be conducted in a manner that does not cause or contribute to violations of state water quality standards. Performance-based erosion and sediment control best management practices shall be implemented and maintained immediately prior to, during, and after construction as needed to stabilize all disturbed areas, including other measures specified in the permit to prevent adverse impacts to the water resources and adjacent lands. Erosion and sediment control measures shall be installed and maintained in accordance with the *State of Florida Erosion and Sediment Control Designer and Reviewer Manual (Florida Department of Environmental Protection and Florida Department of Transportation, June 2007)*, available at https://www.flrules.org/Gateway/reference.asp?No=Ref-04227, and the *Florida Stormwater Erosion and Sedimentation Control Inspector's Manual (Florida Department of Environmental Protection, Nonpoint Source Management Section, Tallahassee, Florida, July 2008)*, available at http://publicfiles.dep.state.fl.us/DEAR/Stormwater_Training_Docs/erosion-inspectors-manual.pdf.

(12) Unless otherwise specified in the general permit, temporary vehicular access within wetlands during construction shall be performed using vehicles generating minimum ground pressure to minimize rutting and other environmental impacts. Within forested wetlands, the permittee shall choose alignments that minimize the destruction of mature wetland trees to the greatest extent practicable. When needed to prevent rutting or soil compaction, access vehicles shall be operated on wooden, composite, metal, or other non-earthen construction mats. In all cases, access in wetlands shall comply with the following:

(a) Access within forested wetlands shall not include the cutting or clearing of any native wetland tree having a diameter four inches or greater at breast height;

(b) The maximum width of the construction access area shall be limited to 15 feet;

(c) All mats shall be removed as soon as practicable after equipment has completed passage through, or work has been completed, at any location along the alignment of the project, but in no case longer than seven days after equipment has completed work or passage through that location; and

(d) Areas disturbed for access shall be restored to natural grades immediately after the maintenance or repair is completed.

(13) Barges or other work vessels used to conduct in-water activities shall be operated in a manner that prevents unauthorized dredging, water quality violations, and damage to submerged aquatic communities.

(14) The construction, alteration, or use of the authorized project shall not adversely impede navigation or create a navigational hazard in the water body.

(15) Except where specifically authorized in the general permit, activities must not:

(a) Impound or obstruct existing water flow, cause adverse impacts to existing surface water storage and conveyance capabilities, or otherwise cause adverse water quantity or flooding impacts to receiving water and adjacent lands; or

(b) Cause an adverse impact to the maintenance of surface or ground water levels or surface water flows established pursuant to section 373.042, F.S., or a Works of the District established pursuant to section 373.086, F.S.

(16) If prehistoric or historic artifacts, such as pottery or ceramics, projectile points, stone tools, dugout canoes, metal implements, historic building materials, or any other physical remains that

could be associated with Native American, early European, or American settlement are encountered at any time within the project site area, the permitted project shall cease all activities involving subsurface disturbance in the vicinity of the discovery. The permittee or other designee shall contact the Florida Department of State, Division of Historical Resources, Compliance Review Section (DHR), at (850)245-6333, as well as the appropriate permitting agency office. Project activities shall not resume without verbal or written authorization from the Division of Historical Resources. If unmarked human remains are encountered, all work shall stop immediately and the proper authorities notified in accordance with section 872.05, F.S.

(17) The activity must be capable, based on generally accepted engineering and scientific principles, of being performed and of functioning as proposed, and must comply with any applicable District special basin and geographic area criteria.

(18) The permittee shall comply with the following when performing work within waters accessible to federally- or state-listed aquatic species, such as manatees, marine turtles, smalltooth sawfish, and Gulf sturgeon:

(a) All vessels associated with the project shall operate at "Idle Speed/No Wake" at all times while in the work area and where the draft of the vessels provides less than a four-foot clearance from the bottom. All vessels will follow routes of deep water whenever possible.

(b) All deployed siltation or turbidity barriers shall be properly secured, monitored, and maintained to prevent entanglement or entrapment of listed species.

(c) All in-water activities, including vessel operation, must be shut down if a listed species comes within 50 feet of the work area. Activities shall not resume until the animal(s) has moved beyond a 50-foot radius of the in-water work, or until 30 minutes elapses since the last sighting within 50 feet. Animals must not be herded away or harassed into leaving. All onsite project personnel are responsible for observing water-related activities for the presence of listed species.

(d) Any listed species that is killed or injured by work associated with activities performed shall be reported immediately to the Florida Fish and Wildlife Conservation Commission (FWC) Hotline at 1(888)404-3922 and ImperiledSpecies@myFWC.com.

(e) Whenever there is a spill or frac-out of drilling fluid into waters accessible to the above species during a directional drilling operation, the FWC shall be notified at ImperiledSpecies@myfwc.com with details of the event within 24 hours following detection of the spill or frac-out.

(19) The permittee shall hold and save the Agency harmless from any and all damages, claims, or liabilities which may arise by reason of the construction, alteration, operation, maintenance, removal, abandonment or use of any activity authorized by the general permit.

(20) The permittee shall immediately notify the Agency in writing of any submitted information that is discovered to be inaccurate.

Rulemaking Authority 373.026(7), 373.043, 373.118(1), 373.406(5), 373.4131, 373.414(9), 373.4145, 373.418, 403.805(1) FS. Law Implemented 373.044, 373.118(1), 373.129, 373.136, 373.406(5), 373.413, 373.4131, 373.414(9), 373.4145, 373.416, 373.422, 373.423, 373.429, 403.814(1) FS. History–New 10-3-95, Amended 10-1-07, Formerly 62-341.215, Amended 10-1-13, 6-1-18.

Special Consent Conditions

1. The applicant agrees to indemnify, defend and hold harmless the Board of Trustees and the State of Florida from all claims, actions, lawsuits and demands in any form arising out of the authorization to use sovereignty submerged lands or the applicant's use and construction of structures on sovereignty submerged lands. This duty to indemnify and hold harmless will include any and all liabilities that are associated with the structure or activity including special assessments or taxes that are now or in the future assessed against the structure or activity during the period of the authorization.

2. Failure by the Board of Trustees to enforce any violation of a provision of the authorization or waiver by the Board of Trustees of any provision of the authorization will not invalidate the provision not enforced or waived, nor will the failure to enforce or a waiver prevent the Board of Trustees from enforcing the unenforced or waived provision in the event of a violation of that provision.

3. Applicant binds itself and its successors and assigns to abide by the provisions and conditions set forth in the authorization. If the applicant or its successors or assigns fails or refuses to comply with the provisions and conditions of the authorization, the authorization may be terminated by the Board of Trustees after written notice to the applicant or its successors or assigns. Upon receipt of such notice, the applicant or its successors or assigns will have thirty (30) days in which to correct the violations. Failure to correct the violations within this period will result in the automatic revocation of this authorization.

4. All costs incurred by the Board of Trustees in enforcing the terms and conditions of the authorization will be paid by the applicant. Any notice required by law will be made by certified mail at the address shown on page one of the authorization. The applicant will notify the Board of Trustees in writing of any change of address at least ten days before the change becomes effective.

5. This authorization does not allow any activity prohibited in a conservation easement or restrictive covenant that prohibits the activity.

General Conditions for Authorizations for Activities on State-Owned Submerged Lands:

All authorizations granted by rule or in writing under rule 18-21.005, F.A.C., except those for geophysical testing, shall be subject to the general conditions as set forth in paragraphs (a) through (j) below. The general conditions shall be part of all authorizations under this chapter, shall be binding upon the grantee, and shall be enforceable under chapter 253 or 258, part II, F.S.

(a) Authorizations are valid only for the specified activity or use. Any unauthorized deviation from the specified activity or use and the conditions for undertaking that activity or use shall constitute a violation. Violation of the authorization shall result in suspension or revocation of the grantee's use of the sovereignty submerged land unless cured to the satisfaction of the Board.

(b) Authorizations convey no title to sovereignty submerged land or water column, nor do they constitute recognition or acknowledgment of any other person's title to such land or water.

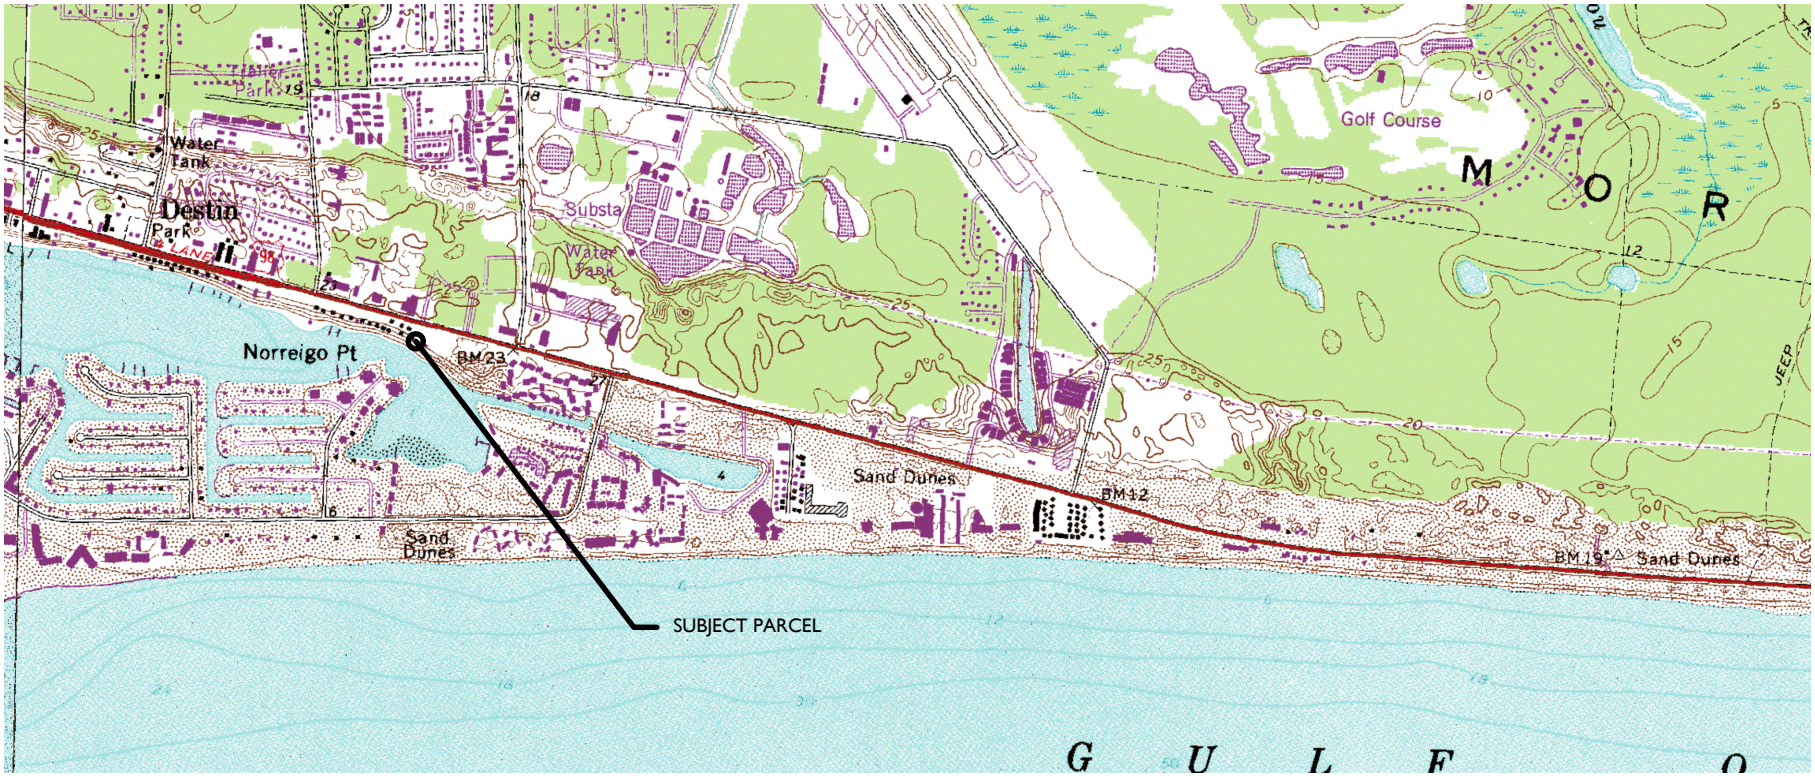
(c) Authorizations may be modified, suspended or revoked in accordance with their terms or the remedies provided in sections 253.04 and 258.46, F.S., or chapter 18-14, F.A.C.

(d) Structures or activities shall be constructed and used to avoid or minimize adverse impacts to sovereignty submerged lands and resources.

(e) Construction, use, or operation of the structure or activity shall not adversely affect any species which is endangered, threatened or of special concern, as listed in rules 68A-27.003, 68A-27.004 and 68A-27.005, F.A.C.

(f) Structures or activities shall not unreasonably interfere with riparian rights. When a court of competent jurisdiction determines that riparian rights have been unlawfully affected, the structure or activity shall be modified in accordance with the court's decision.

(g) Structures or activities shall not create a navigational hazard.



(h) Activities shall not interfere with the public easement for traditional uses of the sandy beaches provided in section 161.141, F.S.

(i) Structures shall be maintained in a functional condition and shall be repaired or removed if they become dilapidated to such an extent that they are no longer functional. This shall not be construed to prohibit the repair or replacement subject to the provisions of rule 18-21.005, F.A.C., within one year, of a structure damaged in a discrete event such as a storm, flood, accident, or fire.

(j) Structures or activities shall be constructed, operated, and maintained solely for water dependent purposes, or for non-water dependent activities authorized under paragraph 18-21.004(1)(g), F.A.C., or any other applicable law.

Rulemaking Authority 253.03(7), 253.73 FS. Law Implemented 253.001, 253.03, 253.141, 253.0347, 253.665, 253.71, 253.68, 253.72, 253.74, 253.75, 253.77 FS. Dear Ms. Aden and Mr. Morris:

This letter is in response to the application you submitted to the Jacksonville District, Pensacola Permits Section on March 25, 2025 for a Department of the Army general permit verification. This project has been assigned the file number SAJ-2025-00892 and is known as Aden/Morris Dock. This file number should be referenced in all correspondence with this office.

A review of the information provided indicates that the proposed work would include the construction of a private shared dock consisting of a 15-foot by 4-foot access pier leading to a 30-foot by 3-foot T-access walk, two 30-foot by 2-foot finger piers, and two 30-foot by 13-foot covered boat slips with lifts under a 33-foot by 30-foot roof. The project is located in Destin Harbor; at 742 and 744 Harbor Boulevard, within Section 00, Township 2S, Range 22W; at Latitude 30.389780 and Longitude -86.487130; in Destin, Okaloosa County, Florida.

We have determined that the proposed work is authorized by Regional General Permit SAJ-20 Docks and Associated Minor Structure in Florida pursuant to authorities under Section 10 of the Rivers and Harbors Act of 1899 (33 U.S.C. § 403). The proposed work must be accomplished in strict accordance with the enclosed general permit conditions, any regional conditions, the special conditions listed in this letter, the application materials, and the enclosed plans labelled “Aden, Jennifer & Morris, James SAJ-2025-00892.” If the extent of the project area and/or nature of the authorized impacts to waters are modified, a revised application must be submitted to this office for

written approval before work is initiated. Any deviation from the terms and conditions of the permit, or your submitted plans, may subject the permittee to enforcement action.

This verification is valid until March 28, 2028, unless the subject general permit(s) is suspended, revoked, or is modified prior to that date such that the activity no longer complies with the terms and conditions of the general permit.
Please access the Corps' Jacksonville District Regulatory Division Source Book web page to view the special and general conditions for Regional General Permit SAJ-20 Docks and Associated Minor Structure in Florida, which apply specifically to this authorization. The Internet URL address is: https://www.saj.usace.army.mil/Missions/Regulatory/Source-Book/. Please be aware this Internet address is case sensitive, and you will need to enter it exactly as it appears above. Once there, select “General Permits” to view a list of current permits.

Project Specific Special Conditions:

1. **Reporting Address:** The Permittee shall submit all reports, notifications, documentation, and correspondence required by the general and special conditions of this permit to either (not both) of the following addresses:

   a. For electronic mail (preferred): SAJ-RD-Enforcement@usace.army.mil (not to exceed 15 MB).

   b. For standard mail: U.S. Army Corps of Engineers, Regulatory Division, Enforcement Section, P.O. Box 4970, Jacksonville, FL 32232-0019.

   The Permittee shall reference this permit number, SAJ-2025-00892 (GP–TCP), on all submittals.

2. **Posting of Permit:** The Permittee shall have available and maintain for review a copy of this permit and approved plans at the construction site.

3. **Self-Certification:** Within 60 days of completion of the work authorized by this permit, the Permittee shall complete the ENG Form 6285, “Certification of Compliance with Department of Army Permit” (located at https://www.publications.usace.army.mil/Portals/76/Eng_Form_6285_2024%20Dec%20FINAL.pdf) and submit it to the Corps.

4. **Cultural Resources/Historic Properties:**

   a. No structure or work shall adversely affect, impact, or disturb properties listed in the *National Register of Historic Places* (NRHP), or those eligible for inclusion in the NRHP.

   b. If, during permitted activities, items that may have historic or archaeological origin are observed the Permittee shall immediately cease all activities adjacent

to the discovery that may result in the destruction of these resources and shall prevent his/her employees from further removing, or otherwise damaging, such resources. The applicant shall notify both the Florida Department of State, Division of Historical Resources, Compliance Review Section at (850)-245-6333 and the Corps, of the observations within the same business day (8 hours). Examples of submerged historical, archaeological or cultural resources include shipwrecks, shipwreck debris fields (such as steam engine parts, or wood planks and beams), anchors, ballast rock, concreted iron objects, concentrations of coal, prehistoric watercraft (such as log "dugouts"), and other evidence of human activity. The materials may be deeply buried in sediment, resting in shallow sediments or above them, or protruding into water. The Corps shall coordinate with the Florida State Historic Preservation Officer (SHPO) to assess the significance of the discovery and devise appropriate actions. Project activities shall not resume without verbal and/or written authorization from the Corps.

c. Additional cultural resources assessments may be required of the permit area in the case of unanticipated discoveries as referenced in accordance with the above Special Condition and, if deemed necessary by the SHPO or Corps, in accordance with 36 CFR 800 or 33 CFR 325, Appendix C (5). Based on the circumstances of the discovery, equity to all parties, and considerations of the public interest, the Corps may modify, suspend, or revoke the permit in accordance with 33 CFR Part 325.7. Such activity shall not resume on non-federal lands without written authorization from the SHPO for finds under his or her jurisdiction, and from the Corps.

d. In the unlikely event that unmarked human remains are identified on non-federal lands; they will be treated in accordance with Section 872.05 Florida Statutes. All work and ground disturbing activities within a 100-meter diameter of the unmarked human remains shall immediately cease, and the Permittee shall immediately notify the medical examiner, Corps, and State Archaeologist within the same business day (8-hours). The Corps shall then notify the appropriate SHPO. Based on the circumstances of the discovery, equity to all parties, and considerations of the public interest, the Corps may modify, suspend, or revoke the permit in accordance with 33 CFR Part 325.7. Such activity shall not resume without written authorization from the SHPO and from the Corps.

5. **Assurance of Navigation and Maintenance:** The Permittee understands and agrees that, if future operations by the United States require the removal, relocation, or other alteration, of the structures or work herein authorized, or if in the opinion of the Secretary of the Army or his authorized representative, said structure or work shall cause unreasonable obstruction to the free navigation of the navigable waters, the Permittee will be required, upon due notice from the U.S. Army Corps of Engineers, to remove, relocate, or alter the structural work or obstructions caused thereby, without expense to the United States. No claim shall be made against the United States on account of any such removal or alteration.

6. **Jacksonville District Programmatic Biological Opinion (JAXBO):** Structures and activities authorized under this permit will be constructed and operated in accordance with all applicable project design criteria's (PDCs) contained in the JAXBO, based on the permitted activity. Johnson's seagrass and its critical habitat were delisted from the Endangered Species Act on May 16, 2022. Therefore, JAXBO PDCs required to minimize adverse effects to Johnson's seagrass and its critical habitat are no longer applicable to any project. Failure to comply with applicable PDCs will constitute noncompliance with this permit. In addition, failure to comply with the applicable PDCs, where a take of listed species occurs, would constitute an unauthorized take. The NMFS is the appropriate authority to determine compliance with the Endangered Species Act. The most current version of JAXBO can be accessed at the Jacksonville District Regulatory Division website in the Endangered Species section of the Sourcebook located at: http://www.saj.usace.army.mil/Missions/Regulatory/SourceBook.aspx

   JAXBO may be subject to revision at any time. The most recent version of the JAXBO must be utilized during the design and construction of the permitted work.

7. **Manatee Conditions:** The Permittee shall comply with the "Standard Manatee Conditions for In-Water Work – 2011" (attached). The most recent version of the Manatee Conditions must be utilized.

8. **Dock Construction Guidelines:** The Permittee shall comply with the Marsh section of the *Construction Guidelines in Florida for Minor Piling-Supported Structures Constructed in or over Submerged Aquatic Vegetation (SAV), Marsh or Mangrove Habitat*, U.S. Army Corps of Engineers/National Marine Fisheries Service – November 2017 (attached).

This letter of authorization does not include conditions that would prevent the 'take' of a state-listed fish or wildlife species. These species are protected under sec. 379.411, Florida Statutes, and listed under Rule 68A-27, Florida Administrative Code. With regard to fish and wildlife species designated as species of special concern or threatened by the State of Florida, you are responsible for coordinating directly with the Florida Fish and Wildlife Conservation Commission (FWC). You can visit the FWC license and permitting webpage (http://www.myfwc.com/license/wildlife/) for more information, including a list of those fish and wildlife species designated as species of special concern or threatened. The Florida Natural Areas Inventory (http://www.fnai.org/) also maintains updated lists, by county, of documented occurrences of those species.

This letter of authorization does not give absolute Federal authority to perform the work as specified on your application. The proposed work may be subject to local building restrictions mandated by the National Flood Insurance Program. You should contact your local office that issues building permits to determine if your site is located in a flood-prone area, and if you must comply with the local building requirements mandated by the National Flood Insurance Program.

This general permit verification and any associated authorizations does not preclude the necessity to obtain any other Federal, State, or local permits, licenses, and/or certifications, which may be required.

If you have any questions related to this verification or have issues accessing documents referenced in this letter, please contact Taylor Parks of the Technical Regional Execution Center on behalf of the Pensacola Permits Section at (904) 676-0634 or by email at taylor.c.parks@usace.army.mil. Please take a moment to complete our customer satisfaction survey located at https://regulatory.ops.usace.army.mil/customer-service-survey/.

Sincerely,

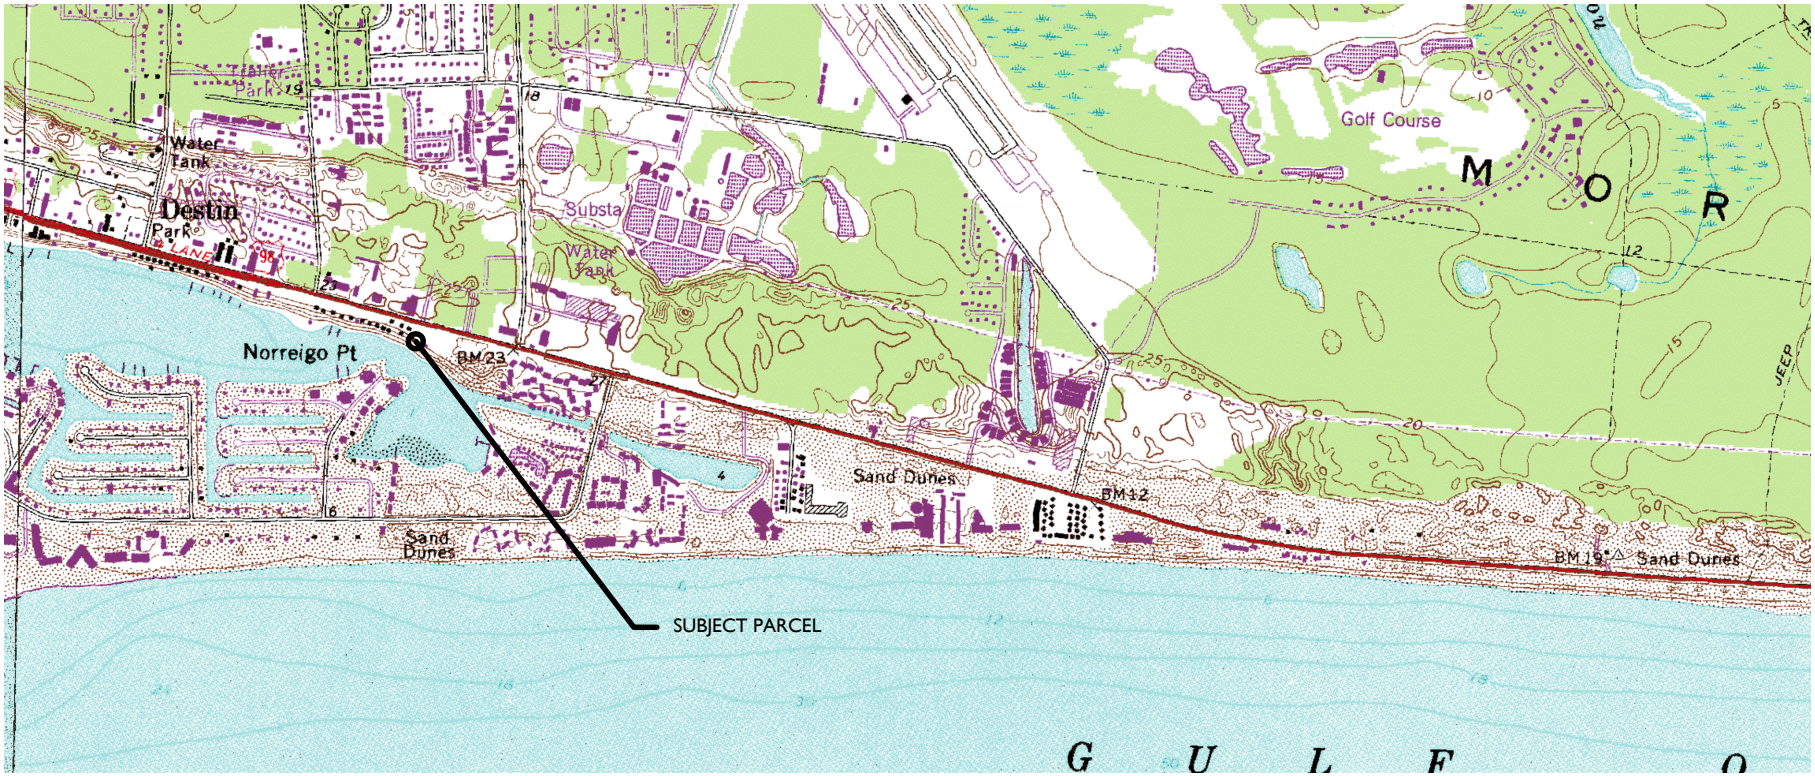
Taylor Parks
Biologist

Enclosures

Cc (w/enclosures):
Jason Taylor, Oakhurst Consulting (via jason@oakhurstconsult.com)

General Conditions (33 CFR PART 320-330):

1. The time limit for completing the work authorized ends on **March 28, 2028.**



2. You must maintain the activity authorized by this permit in good condition and in conformance with the terms and conditions of this permit. You are not relieved of this requirement if you abandon the permitted activity, although you may make a good faith transfer to a third party in compliance with General Condition 4 below. Should you wish to cease to maintain the authorized activity, or should you desire to abandon it without a good faith transfer, you must obtain a modification of this permit from this office, which may require restoration of the area.

3. If you discover any previously unknown historic or archeological remains while accomplishing the activity authorized by this permit, you must immediately notify this office of what you have found. We will initiate the Federal and state coordination required to determine if the remains warrant a recovery effort of if the site is eligible for listing in the National Register of Historic Places.

4. If you sell the property associated with this permit you must obtain the signature of the new owner on the transfer form attached to this letter and forward a copy to this office to validate the transfer of this authorization.

5. You must allow a representative from this office to inspect the authorized activity at any time deemed necessary to ensure that it is being or has been accomplished in accordance with the terms and conditions of your permit.

DEPARTMENT OF THE ARMY PERMIT TRANSFER REQUEST

DA PERMIT NUMBER: SAJ-2025-00892

When the structures or work authorized by this permit are still in existence at the time the property is transferred, the terms and conditions of this permit will continue to be binding on the new owner(s) of the property. Although the construction period for works authorized by Department of the Army permits is finite, the permit itself, with its limitations, does not expire.

To validate the transfer of this permit and the associated responsibilities associated with compliance with its terms and conditions, have the transferee sign and date below and mail to the U.S. Army Corps of Engineers, Enforcement Section, Post Office Box 4970, Jacksonville, FL 32232-0019 or submit via electronic mail to: SAJ-RD-Enforcement@usace.army.mil (not to exceed 15 MB).

STANDARD MANATEE CONDITIONS FOR IN-WATER WORK

2011

The permittee shall comply with the following conditions intended to protect manatees from direct project effects:

a. All personnel associated with the project shall be instructed about the presence of manatees and manatee speed zones, and the need to avoid collisions with and injury to manatees. The permittee shall advise all construction personnel that there are civil and criminal penalties for harming, harassing, or killing manatees which are protected under the Marine Mammal Protection Act, the Endangered Species Act, and the Florida Manatee Sanctuary Act.

b. All vessels associated with the construction project shall operate at "Idle Speed/No Wake" at all times while in the immediate area and while in water where the draft of the vessel provides less than a four-foot clearance from the bottom. All vessels will follow routes of deep water whenever possible.

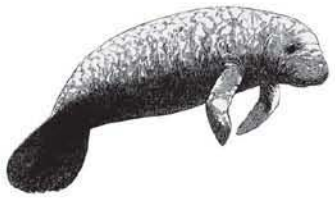
c. Siltation or turbidity barriers shall be made of material in which manatees cannot become entangled, shall be properly secured, and shall be regularly monitored to avoid manatee entanglement or entrapment. Barriers must not impede manatee movement.

d. All on-site project personnel are responsible for observing water-related activities for the presence of manatee(s). All in-water operations, including vessels, must be shutdown if a manatee(s) comes within 50 feet of the operation. Activities will not resume until the manatee(s) has moved beyond the 50-foot radius of the project operation, or until 30 minutes elapses if the manatee(s) has not reappeared within 50 feet of the operation. Animals must not be herded away or harassed into leaving.

e. Any collision with or injury to a manatee shall be reported immediately to the Florida Fish and Wildlife Conservation Commission (FWC) Hotline at 1-888-404-3922. Collision and/or injury should also be reported to the U.S. Fish and Wildlife Service in Jacksonville (1-904-731-3336) for north Florida or Vero Beach (1-772-562-3909) for south Florida, and to FWC at ImperiledSpecies@myFWC.com

f. Temporary signs concerning manatees shall be posted prior to and during all in-water project activities. All signs are to be removed by the permittee upon completion of the project. Temporary signs that have already been approved for this use by the FWC must be used. One sign which reads *Caution: Boaters* must be posted. A second sign measuring at least 8 ½" by 11" explaining the requirements for "Idle Speed/No Wake" and the shut down of in-water operations must be posted in a location prominently visible to all personnel engaged in water-related activities. These signs can be viewed at MyFWC.com/manatee. Questions concerning these signs can be sent to the email address listed above.

CAUTION: MANATEE HABITAT



All project vessels

IDLE SPEED / NO WAKE

When a manatee is within 50 feet of work
all in-water activities must

SHUT DOWN

Report any collision with or injury to a manatee:

US Army Corps of Engineers

Construction Guidelines in Florida for Minor Piling-Supported Structures Constructed in or over Submerged Aquatic Vegetation (SAV), Marsh or Mangrove Habitat
U.S. Army Corps of Engineers/National Marine Fisheries Service
November 2017

Submerged Aquatic Vegetation:

1. Avoidance. The piling-supported structure shall be aligned so as to minimize the size of the footprint over SAV beds.

2. The height of piling-supported structure shall be a minimum of 5 feet above MHW/OHW as measured from the top surface of the decking.

3. The width of the piling-supported structure is limited to a maximum of 4 feet. A turnaround area is allowed for piling-supported structures greater than 200 feet in length. The turnaround is limited to a section of the piling-supported structure no more than 10 feet in length and no more than 6 feet in width. The turnaround shall be located at the midpoint of the piling-supported structure.

4. Over-SAV bed portions of the piling-supported structure shall be oriented in a north-south orientation to the maximum extent that is practicable.

5. a. If possible, terminal platforms shall be placed in deep water, waterward of SAV beds or in an area devoid of SAV beds.

b. If a terminal platform is placed over SAV areas and constructed of grated decking, the total size of the platform shall be limited to 160 square feet. The grated deck material shall conform to the specifications stipulated below. The configuration of the platform shall be a maximum of 8 feet by 20 feet. A minimum of 5 feet by 20 feet shall conform to the 5-foot height requirement; a 3 feet by 20 feet section may be placed 3 feet above MHW to facilitate boat access. The long axis of the platform should be aligned in a north-south direction to the maximum extent that is practicable.

c. If the terminal platform is placed over SAV areas and constructed of planks, the total size of the platform shall be limited to 120 square feet. The configuration of the platform shall be a maximum of 6 feet by 20 feet of which a minimum 4-foot wide by 20-foot long section shall conform to the 5-foot height requirement. A section may be placed 3 feet above MHW to facilitate boat access. The 3 feet above MHW section shall be cantilevered. The long axis of the platform should be aligned in a north-south direction to the maximum extent that is practicable. If the 3feet above MHW section is constructed with grating material, it may be 3 feet wide.

6. One uncovered boat lift area is allowed. A narrow catwalk (2 feet wide if planks are used, 3 feet wide if grating is used) may be added to facilitate boat maintenance along the outboard side of the boat lift and a 4-foot wide walkway may be added along the stern end of the boat lift, provided all such walkways are elevated 5 feet above MHW. The catwalk shall be cantilevered from the outboard mooring pilings (spaced no closer than 10 feet apart).

7. Pilings shall be installed in a manner which will not result in the formation of sedimentary deposits("donuts" or "halos") around the newly installed pilings. Pile driving is the preferred method of installation, but jetting with a low pressure pump may be used.

8. The spacing of pilings through SAV beds shall be a minimum of 10 feet on center.

9. The gaps between deckboards shall be a minimum of ½ inch.

October 2002 - Grid Specifications and Suppliers Section modified to add an additional vendor of materials.
February 2003 – Manufacturer name changed from ChemGrate to FiberGrate
May 2003 - The terms dock and pier were removed and replaced by the term piling-supported structure, to clarify our intent.
March 2008 – Added requirement for 43% open space in grids; added additional manufacturer of grating.
November 2017 – Manufacturer of grated material updated to include Voyager Industries.

Marsh:

1. The piling-supported structure shall be aligned so as to have the smallest over-marsh footprint as practicable.

2. The over-marsh portion of the piling-supported shall be elevated to at least 4 feet above the marsh floor.

3. The width of the piling-supported is limited to a maximum of 4 feet. Any exceptions to the width must be accompanied by an equal increase in height requirement.

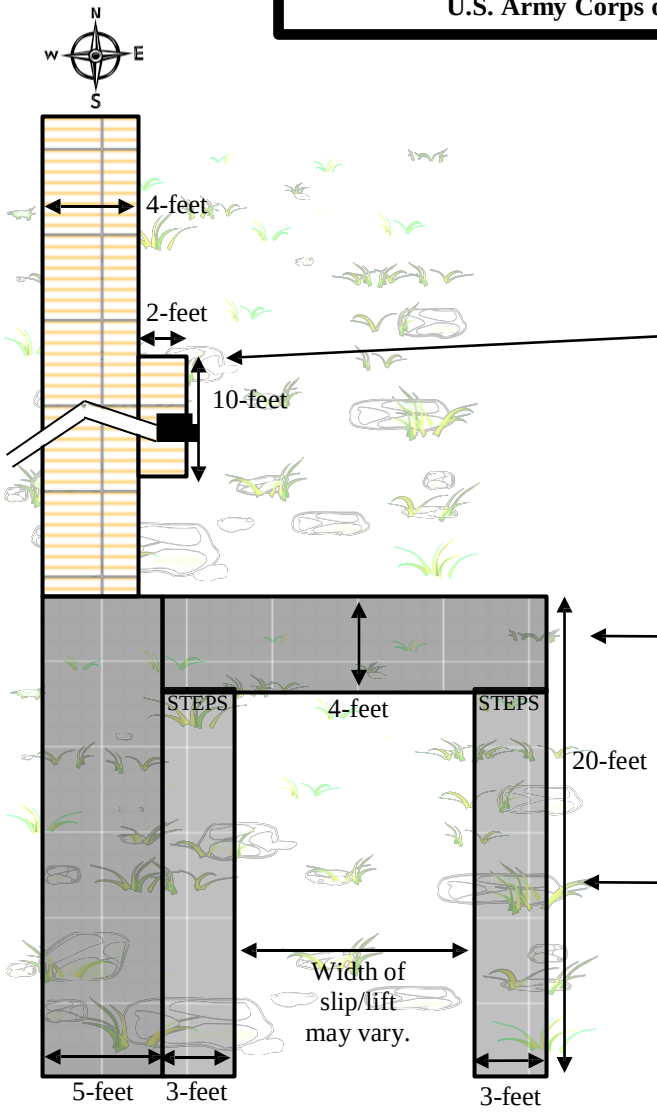
Mangroves.

1. The width of the piling-supported structure is limited to a maximum of 4 feet.

2. Mangrove clearing is restricted to the width of the piling-supported structure.

3. The location and alignment of the piling-supported structure should be through the narrowest area of the mangrove fringe.

Grid Specifications and Suppliers



The following information does not constitute a U.S. Army Corps of Engineers endorsement or advertisement for any particular provider and is provided only as an example for those interested in obtaining these materials for piling-supported structure construction. Light-transmitting materials are made of various materials shaped in the form of grids, grates, lattices, etc., to allow the passage of light through the open spaces. **All light-transmitting materials used in construction for minor piling-supported structures shall have a minimum of forty-three (43) percent open space.**

A type of fiberglass grate panel is manufactured by SeaSafe (Lafayette, LA; phone: 1-800-326-8842) and FiberGrate (1-800-527-4043). A type of plastic grating is manufactured by ThruFlow Interlocking Panels (1-888-478-3569). Plastic grate panels are also distributed by Southern Pine Lumber Company (Stuart, FL; 772-692-2300). Grated panels can be obtained from Titan Deck/Voyager Industries (Brandon, MN; 877-207-4136; www.titandeck.net). Panels are available in a variety of sizes and thicknesses. For safety, the grate should contain an anti-slip texture which is integrally molded into the top surface. The manufacturer or local distributor should be consulted to ensure that the load-bearing capacity of the selected product is sufficient to support the intended purpose. Contact the manufacturer(s) for product specifications and a list of regional distributors.

October 2002 - Grid Specifications and Suppliers Section modified to add an additional vendor of materials.
February 2003 – Manufacturer name changed from ChemGrate to FiberGrate
May 2003 - The terms dock and pier were removed and replaced by the term piling-supported structure, to clarify our intent.
March 2008 – Added requirement for 43% open space in grids; added additional manufacturer of grating.
November 2017 – Manufacturer of grated material updated to include Voyager Industries.

DOCK EXAMPLE — GRATED TERMINAL PLATFORM

Construction Guidelines in Florida for Minor Piling-Supported Structures Constructed in or over Submerged Aquatic Vegetation (SAV), Marsh or Mangrove Habitat
U.S. Army Corps of Engineers/National Marine Fisheries Service—August 2001

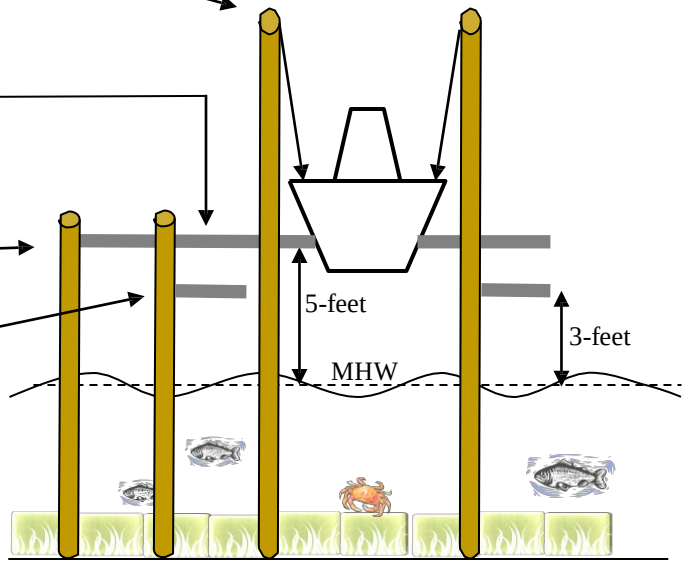
OVERHEAD PLAN VIEW

"GRATED DECKING"
Means manufactured with a minimum of 43% open space.

Spacing of pilings through SAV beds shall be a minimum of 10-feet on center.

MIDPOINT TURNAROUND
Only for docks over 200-feet long.

LIFT ONLY
No roof.
Vessel should be stored as high above MHW as possible .



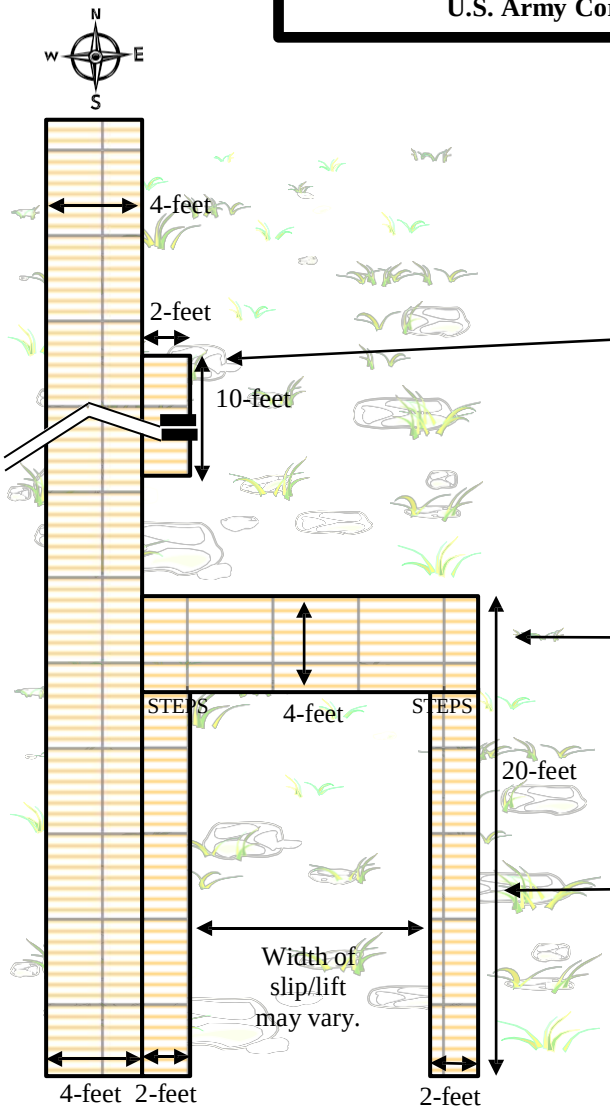
STERN WALKWAY
Allowed if lift constructed.
May be less than 4-feet wide if longer slip is needed.

MINIMUM HEIGHT
No less than 5-feet above MHW

ACCESS CATWALKS
3-feet wide if grated decking.
3-feet above MHW to facilitate boat access.
Cantilevered off main structures; no additional pilings.

NOTES:

- Not to scale.
- All widths are maximum dimension.
- All heights are minimum dimension.
- Piling supported structures over SAV should be oriented north-south to the extent practicable.
- MHW = mean high water



FRONT PLAN VIEW

June 3, 2025

SUBJECT: Notification of Harbor & Waterways Board Application (HWB- 001616-2025) – Residential Marine Construction – 742 & 744 Harbor Blvd

Dear Property Owner:

This letter is to notify you of a Proposed Marine Construction Project at **742 & 744 Harbor Blvd.** The Marine Construction application requires Harbor & Waterways Board review and recommendation. **The application will be heard by the Harbor & Waterways Board at 5:30 p.m. at the Destin City Hall Annex, 4100 Indian Bayou Trail on June 26, 2025 (tentative).**

As an owner of property located near this project, ***Destin Land Development Code (LDC) Sections 2.17.00 & 11.05.01.S*** require a written notice providing you with the following information. This project proposes new marine construction in proximity to your property line; therefore, the City is requesting your input on the matter. If you would like to provide any comments you may respond by sending an email to the email address listed below, or by appearing before the Harbor & Waterways Board at the meeting.

This notice is for informational purposes only and no action is required of you. However, citizens are encouraged to provide a response to the email address provided below.

1. Name of Owner: James W & Jan D Morris, Shane & Jennnifer Aden
2. Name of Agent: What's Up Docks LLC
3. Address of Project: 742 & 744 Harbor Blvd
4. Parcel ID Number: 00-2S-22-0701-000M-0060; 00-2S-22-0701-000M-0070
5. Project Description: Construction of a new shared access pier, access walk, two finger piers, and two covered boat slips with lifts.
6. Location of Application Package: To request that a digital copy of the application package be sent to you, please call the City Clerk at (850) 837-4242 or fill out a Public Records Request (PRR) online: http://www.cityofdestin.com/forms.aspx?fid=121

If you have any questions or concerns regarding this letter, please do not hesitate to contact me at (850) 842-4669 or via email at planning@cityofdestin.com.

Sincerely,

Ashley Dominguez
Planner

ITEM # 2025-147

CITY OF DESTIN

AGENDA ITEM

COUNCIL MEETING DATE: July 7, 2025
TYPE OF AGENDA ITEM: Action Item
AGENDA OUTLINE NUMBER: 3.C.

TO: City Council

THRU: Larry Jones , City Manager
Kimberly Kopp, City Attorney

FROM: Jeffrey Cozadd, Projects, Grants and Contracts Manager
Joe Bodi, Deputy Director, Public Works
Krystal Strickland, Finance Director

DATE: February 13, 2025

SUBJECT: Atkins Amendment 7 - Post Design Services

I. BACKGROUND: Atkins is the design engineer for the Crosstown Connector Project. As the project moves closer to construction there may be services that are needed that are outside the scope of work from the original design contract and following amendments.

II. DISCUSSION: There may be activities the city desires for Atkins to perform as the project moves through the construction phase. These activities can be described as Post Design Services.

Post Design Services would include the following activities:

- Shop drawings provided by the contractor will be reviewed for approval based on project

construction specifications and design standards

- RFI Support – Requests for Information by the contractor will be reviewed and responses

will be provided to ensure that the intent is met

- Field Visits & Meetings – AtkinsRéalis staff will attend field visits and client meetings, as

requested by the City, and prepare meeting minutes. Three (3) site visit/meetings are anticipated.

- Review as-built plans
- Coordination with stakeholders as requested by the City
- Misc. minor plan revisions upon request by the City.

The fee schedule rates are included in the amendment.

This amendment allows the city to request any of these services from Atkins. Atkins will only invoice the city for services requested and completed. This is not a lump sum proposal.

A. Link to Strategic Goals / Objectives: 4.18 Crosstown Connector

B. Effect on Budget (EOB): This amendment is for post design services and Atkins will only invoice the city for services requested and performed. This is not a lump sum proposal. The amendment has a not to exceed amount of $49,773.92.

AMENDMENT NO. 7 TO

AGREEMENT FOR PROFESSIONAL ENGINEERING SERVICES BETWEEN CITY OF DESTIN AND ATKINS NORTH AMERICA, INC

THIS AMENDMENT is made and entered into this _____ day of February, 2025, by and between the **CITY OF DESTIN** (hereinafter referred to as "CITY") and **ATKINS NORTH AMERICA, INC. (ATKINSREALIS USA INC), (**hereinafter referred to as "CONSULTANT"), to extend and amend the professional engineering services agreement dated October 19, 2020, for professional consulting engineering services; and

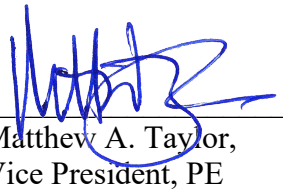
NOW, THEREFORE, the **CITY** and the **CONSULTANT** further amend the agreement as follows:

1) Post Design Services:

   The Consultant shall support the City of Destin with limited post design services and construction input during the bidding and construction phases of the project. Additional details are provided in the Scope of Services (Attachment A).

2) Compensation and Schedule:

   The City shall pay a fee not to exceed $49,773.92 for the additional services. Invoicing will be monthly on a time and materials basis. Labor categories and hours will be in accordance with the Summary of Labor Rates and Fee Schedule (Attachment B)



IN WITNESS WHEREOF, the City and Consultant, through their duly authorized representative, execute this Amendment.

CITY OF DESTIN, FLORIDA

AGREEMENT FOR PROFESSIONAL ENGINEERING SERVICES

This AGREEMENT FOR PROFESSIONAL ENGINEERING SERVICES (hereinafter referred to as the "Agreement") made and entered into this 19th day of October, 2020, between the CITY OF DESTIN, FLORIDA (hereinafter referred to as "CITY" or "OWNER") and ATKINS NORTH AMERICA, INC. (hereinafter referred to as "CONSULTANT").

WHEREAS, the CITY desires to engage the CONSULTANT to provide professional consulting engineering services; and

NOW, THEREFORE, for and in consideration of the premises, the mutual covenants hereinafter recited, and for other good, valuable and sufficient consideration, the receipt of which is hereby acknowledged, the CITY and CONSULTANT agree as set forth below.

TERMS AND CONDITIONS OF AGREEMENT BETWEEN CITY AND CONSULTANT

ARTICLE 1
CONSULTANT'S RESPONSIBILITIES

1.1 **CONSULTANT'S SERVICES**

1.1.1 The CONSULTANT'S Services consist of those services performed by the CONSULTANT, CONSULTANT'S employees and CONSULTANT'S consultants as enumerated in Article 2 of this Agreement and any other continuing or additional services as may be agreed upon pursuant to this Agreement.

1.1.2 The CONSULTANT shall maintain all professional and business certificates required by law and as necessary to perform the services. The CONSULTANT shall assure the CITY sufficient representation through assignment and performance by a team of qualified, professional employees and consultants.

1.1.3 The CONSULTANT'S Services shall be performed as expeditiously as is consistent with professional skill and care and the orderly progress of the services. Upon request of the CITY, the CONSULTANT shall submit schedules for the performance of the CONSULTANT'S Services. The schedules may be adjusted as various tasks proceed, and shall include allowances for periods of time required for the CITY'S review and for approval of submissions by authorities having jurisdiction.

ARTICLE 2
CONSULTANT'S SERVICES

2.1 Consultant's General Services Provided

In accordance with the REVISED PROPOSAL dated June 4, 2020 to the Request for Proposals (RFP) NO. 14-02-PS, Roadway and Civil Engineering Design Services for the Cross Town Connector – Beach Drive to Benning Drive, which is hereby incorporated into this Agreement and attached hereto as Exhibit "A", CONSULTANT shall provide services including but not limited to: studies, surveys; design; preparation of plans, specifications and contract documents; conducting public information meetings, preparation of cost estimates; obtaining necessary federal, state and local governmental agency permits (fees to be

provided by the City); construction inspections, construction management; contract administration; project completion certifications and as-built surveys as may be required; presentations to the City Council and the general public; right-of-way identification, appraisal and assistance in acquisition; assistance in identifying and acquiring grants and loans from federal agencies or other applicable sources of funding or as directed by the City Manager or his designee, and the entirety of the Scope of Work as outlined in Section 2.2 of this Agreement (hereinafter referred to as "Consultant's Services").

2.2 Scope of Work

The Scope of work is created based on the last Atkins Progress Report submitted October 1, 2018, which is attached hereto as Exhibit "B".
The project shall include the redesign from the current four -lane road design to a two-lane road design within a 71' wide right-of-way in accordance with the policies and procedures outlined in the City's Land Development Code and the current FDOT policies, standards and specifications, including the Manual of Uniform Minimum Standards for Design, Construction and Maintenance for Street and Highways, the Standard Specifications for Road and Bridge Construction and the book of FDOT Design Standards.
The Consultant shall develop the road alignment in compliance with the ***National Environmental Policy Act (NEPA).*** The standard used for document development and processing will be the ***Project Development and Environment (PD&E) Manual.***
The proposed alignment is approximately 0.3 mi. in length and development of the connector will require right-of-way acquisition.
Professional services shall have the following components:

- Redesign current plan to a two-lane road design within a 71' wide right-of-way
- Complete PD&E Study
- Environmental permitting
- NPDES & NWFWMD compliance
- Public Meeting support
- Finalize any outstanding Traffic Studies
- Plans for Sequence of Construction, Maintenance of Traffic and Transportation
- Preliminary Design Documents
- Final Design Documents and construction estimates
- Construction Documents
- Grant Assistance
- Right-of-Way & Easement Plats
- Assistance in right-of-way acquisition
- Bidding and Construction Services
- Complete Development Review processes
    a. The following applications will be needed as a part of this project:
        i. Major Development Order
        ii. Major Subdivision

2.3 Project Meetings and Documentation Deliverables

Project progress meetings will be required and shall be bi-weekly or monthly at the City's discretion. Project documentation shall be provided to the City outlined above shall be required.

ARTICLE 3
CONSULTANT'S COMPENSATION

3.1 CONSULTANT shall be compensated in accordance with the Scope and Fee Proposal attached hereto as Exhibit "C".

3.2 All payments upon Agreement are contingent upon the CONSULTANT'S Services being acceptable to the CITY, which shall be determined by the CITY in its sole discretion, but shall not be unreasonably withheld. For satisfactory completion and acceptance of the Work, the CITY agrees to pay the CONSULTANT in accordance with the CITY'S Purchasing Policies.

ARTICLE 4
CITY'S RESPONSIBILITIES

4.1 **CITY SERVICES**

4.1.1 The CITY shall designate a representative authorized to act on the CITY'S behalf as the CONSULTANT'S contact. The CITY or such authorized representative shall render decisions in a timely manner pertaining to documents submitted by the CONSULTANT in order to avoid unreasonable delay in the orderly and sequential progress of the CONSULTANT'S Services. All information and document submittals shall be made directly to this individual.

4.1.2 The CITY shall provide copies of ordinances, maps, studies and any other such documents as are on file with the City and of use to the CONSULTANT in performing the CONSULTANT'S Services.

4.1.3 The CITY shall give prompt written notice to the CONSULTANT if the CITY becomes aware of any fault or defect in the services performed or nonconformance of the CONSULTANT'S Services.

ARTICLE 5
OWNERSHIP AND USE OF DOCUMENTS

All reports, documents and materials prepared relating to services rendered hereunder shall be the property of the CITY provided payment of applicable fees for its production has been made to the CONSULTANT in accordance with the terms of this Agreement. The CITY shall retain and use the CONSULTANT'S documents for public record, information and reference and make use in connection with the CITY'S compliance with any federal, state, county or city laws, codes, requirements, permits or any other mandate whatsoever.

ARTICLE 6
TERMINATION, SUSPENSION OR ABANDONMENT

6.1 This Agreement may be terminated by the CITY upon not less than ten (10) days written notice should the CONSULTANT fail substantially to perform in accordance with the terms of this Agreement through no fault of the CITY.

6.2 This Agreement may be terminated by either party for any reason or no reason whatsoever upon not less than sixty (60) days written notice.

6.3 The CITY may suspend an open task order upon not less than ten (10) days written notice.

6.4 If the CITY fails to make payment, within the forty-five (45) days of invoice approval permitted under Florida Statutes, when due the CONSULTANT for services and expenses, the CONSULTANT may, upon seven days written notice to the CITY, suspend performance of services under this Agreement. Unless the CONSULTANT receives payment in full within fifteen (15) days of the date of the notice, the suspension shall take effect without further notice.

6.5 In the event of termination not the fault of the CONSULTANT, the CONSULTANT shall be compensated for services performed prior to termination, together with reimbursable expenses.

6.6 ***In the event that any termination for default shall be found to be improper or invalid by any court of competent jurisdiction, then such termination shall be deemed to have been a termination for convenience.***

ARTICLE 7
NOTICES

7.1 All Notices under this Agreement shall be in writing and shall be effective when mailed by certified mail, return receipt requested, or when delivered personally, as provided hereafter or to such other addresses as may be designated by notice:

ARTICLE 8
INSURANCE REQUIREMENTS

8.1 During the performance of services under this Agreement, CONSULTANT shall maintain Commercial General Liability, Business Automobile Liability (including hired and non-owned coverage) and Professional Liability. Such coverage shall adequately protect the interest of the CITY in regard to all exposures including design defects and subsequent costs and lost revenue to loss associated with this Agreement. In no circumstance shall the limit of liability be written with limits less than $2,000,000.00 per event/$4,000,000.00 annual aggregate. CONSULTANT shall also maintain Workers' Compensation Insurance at the statutory limits. Workers' Compensation Policy shall contain a waiver of subrogation in favor of the CITY. CONSULTANT shall furnish CITY certificates of insurance which shall include a provision that such insurance shall not be cancelled or coverage reduced without at least 30 days written notice to the CITY. All coverage shall be with carriers admitted to do business in the State of Florida. Carriers shall be A+ rated by A M Best Company and have a financial size of X or higher. The Commercial General Liability, and Business Automobile policies shall name City of Destin, Florida as an Additional Insured. City of Destin, Florida shall be listed as the Certificate Holder on all certificates. CITY reserves the right to modify its insurance requirements with sixty (60) days written notice to CONSULTANT.

8.2 CONSULTANT shall supply certificates of insurance specifically stating the RFP number and title for all coverages required herein prior to execution of this Agreement, such evidence of which shall be attached hereto as Exhibit "D" and made a part hereof.

8.3 The required insurance policies shall contain the following provisions:

8.3.1 There are not to be any special limitations on the protection being provided to the CITY, its officials, employees or volunteers.

8.3.2 The CONSULTANT shall provide timely reporting of incidents to its insurance carrier as required under the provisions of its insurance policies. A copy of any filed reports shall also be sent immediately to the CITY. The CONSULTANT shall exercise due diligence to ensure all reporting provisions are met to protect coverage afforded to the CITY, its officers, officials, employees or volunteers.

8.4 Verification of coverages and continuations of coverage, provision of certificates and endorsements and authorized signatures shall be made in accordance with the following:

8.4.1 Insurance coverage required in these specifications shall be in force throughout this Agreement. Should the CONSULTANT fail to provide acceptable evidence of current insurance within seven (7) days of receipt of written notice at any time during the Agreement, the CITY shall have the right to consider the Agreement breached and justifying termination thereof.

ARTICLE 9
SOVEREIGN IMMUNITY

9.1 The parties further agree that nothing contained herein is intended to nor shall be construed as a waiver of the City of Destin's (including its employee's, elected officials, and any other person who may be entitled to such rights and immunities)rights and immunities under the Florida Constitution, common law or Florida Statutes 768.28, as amended from time to time.

ARTICLE 10
INDEMNIFICATION

10.1 CONSULTANT shall indemnify and hold harmless the CITY, and its officers and employees, from liabilities, damages, losses, and costs, including, but not limited to, reasonable attorneys' fees, to the extent caused by the negligence, recklessness, or intentionally wrongful conduct of CONSULTANT and other persons employed or utilized by CONSULTANT in the performance of the contract.

ARTICLE 11
MISCELLANEOUS PROVISIONS

11.1 The CITY and CONSULTANT intend that this Agreement and the relationship of the parties shall be governed by the laws of the State of Florida.

11.2 All of the representation and obligations of the CITY and CONSULTANT are contained in this Agreement and no modification, waiver or amendment of this Agreement or any of its conditions or provisions shall be binding upon a party unless made in writing signed by that party or a duly authorized agent of that party who is empowered by a written authority signed by that party. The

waiver by any party of a breach of any provision of this Agreement shall not operate to be construed as a waiver of any subsequent breach of that provision by the same party, or of any other provision or condition of the Agreement.

11.3 Causes of action between the parties to this Agreement pertaining to acts or failures to act shall be deemed to have accrued and the applicable statutes of limitations shall commence to run not later than either the date of completion, or the date of issuance of the Final Certificate for Payment for acts or failures to act occurring after completion.

11.4 This Agreement represents the entire and integrated Agreement between the CITY and CONSULTANT and supersedes all prior negotiations, representations or agreements, either written or oral. This Agreement may be amended only by written instrument signed by both CITY and CONSULTANT.

11.5 Nothing contained in this Agreement shall create a contractual relationship with or a cause of action in favor of a third party against either the CITY or CONSULTANT.

11.6 CONSULTANT warrants that it has not employed or retained any company or person, other than a bonafide employee working solely for the CONSULTANT to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual or firm, other than a bona fide employee working solely for the CONSULTANT any fee, commission, percentage, gift or other consideration contingent upon or resulting from the award or making of this Agreement.

11.7 Where CONSULTANT is required to enter upon CITY property to deliver materials or perform work or services, as a result of this Agreement, CONSULTANT shall assume full duty, obligation and expense of obtaining all necessary licenses, permits, inspections and insurance, as required.

11.8 The headings of articles, paragraphs and subparagraphs are for convenient reference only and shall not be deemed to limit, construe affect, modify or alter the meaning of such articles, paragraphs or subparagraphs.

11.9 The CONSULTANT'S Services shall be performed as expeditiously as is consistent with professional skill and care and the orderly progress of the services.

11.10 The parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement.

11.11 If any article, paragraph, subparagraph, section, subsection, term or provision of this Agreement or the application thereof to any party or circumstance shall, to any extent, be invalid or unenforceable, the remainder of said article, paragraph, subparagraph, section, subsection, term or provision of this Agreement or the application of same to parties or circumstances other than those to which it was held invalid or unenforceable, shall not be affected thereby and each remaining article, paragraph, subparagraph, section, subsection, term or provision of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

11.12 Venue and Choice of Law.. The exclusive venue for settlement of any and all claims, controversies, disputes, arising out of or relating to any part of this Agreement, or any breach hereof, shall be exclusively in state courts of Okaloosa County, Florida and nowhere else. The parties intend that

this Agreement and the relationship of the parties shall be governed by the laws of the State of Florida.

11.13 **JURY TRIAL WAIVER. CONSULTANT AND CITY AGREE TO WAIVE THEIR RIGHTS TO A TRIAL BY JURY REGARDING ANY LAWSUIT INVOLVING THE INTERPRATION, CONSTRUCTION, ENFORCEMENT, OR GOVERNANCE OF THIS CONTRACT, AND FOR ANY LAWSUIT RELATED IN ANY WAY TO THIS CONTRACT OR FOR THE WORK PERFORMED PURSUANT TO THIS CONTRACT.**

11.14 In any dispute relating to this Agreement each party shall be responsible for its own respective attorney's fees and costs.

11.15 Notices. All notices under the Contract shall be in writing and shall be effective when mailed by certified mail, return receipt requested, or when delivered personally, as provided hereafter, or to such other addresses as may be designated by notice:

11.16 Public records. If the CONSULTANT has questions regarding the application of Chapter 119, Florida Statutes, the CONSULTANT's duty to provide public records relating to this Agreement, the Consultant must contact the Custodian of Public Records, City Clerk, Rey Bailey, at (850) 837-4242, City of Destin, City Clerk's Office, 4200 Indian Bayou Trail, Destin, FL 32541

Contractor must comply with Florida Public Records Laws, Chapter 119, Florida Statutes. Specifically, CONTRACTOR must:

11.16.1 Keep and maintain public records that ordinarily and necessarily would be required by the CITY in order to perform the service.

11.16.2 Provide the public with access to public records on the same terms and conditions that the CITY would provide the records and at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes or as otherwise provided by law.

11.16.3 Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law.

11.16.4 Meet all requirements for retaining public records and transfer, at no cost, to the CITY all public records in possession of the contractor upon termination of the contract and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the CITY in a format that is compatible with the information technology systems of the CITY.

11.17 This project and contract is subject to all applicable provisions for FDOT Local Agency Program Manual #525-010-300.

11.18 CONSULTANT shall take all necessary and reasonable steps to ensure that disadvantaged businesses have an opportunity to compete for and perform the contract work of the City in a non-discriminatory environment. Consultant shall not discriminate on the basis of race, color, national origin, and sex in the award and performance of its contracts. This policy covers in part the applicable federal regulations and the applicable statutory references contained therein for the Disadvantaged Business Enterprise Program Plan, Chapters **337** and **339**, Florida Statutes, and **Rule Chapter 14-78, Florida Administrative Code**.

11.19 This Agreement is binding on the parties, their successors and assigns.

11.20 PURSUANT TO FLORIDA STATUTES, SECTION 558.0035, AN INDIVIDUAL EMPLOYEE OR AGENT OF ATKINS MAY NOT BE HELD INDIVIDUALLY LIABLE FOR NEGLIGENCE

11.21 Notwithstanding anything to the contrary, on behalf of themselves, their governing officers and employees, the Parties waive all claims against each other for consequential losses or damages, and punitive damages, whether arising in contract, warranty, tort (including negligence), strict liability or otherwise, including but not limited to losses of use, excess construction costs, alternative construction means or methods, or losses of funding.

THIS AGREEMENT ENTERED INTO AS OF THE DAY AND YEAR FIRST WRITTEN ABOVE.

EXHIBIT A

Cross Town Connector Revised Scope of Work 6/4/20

2.2 Scope of Work

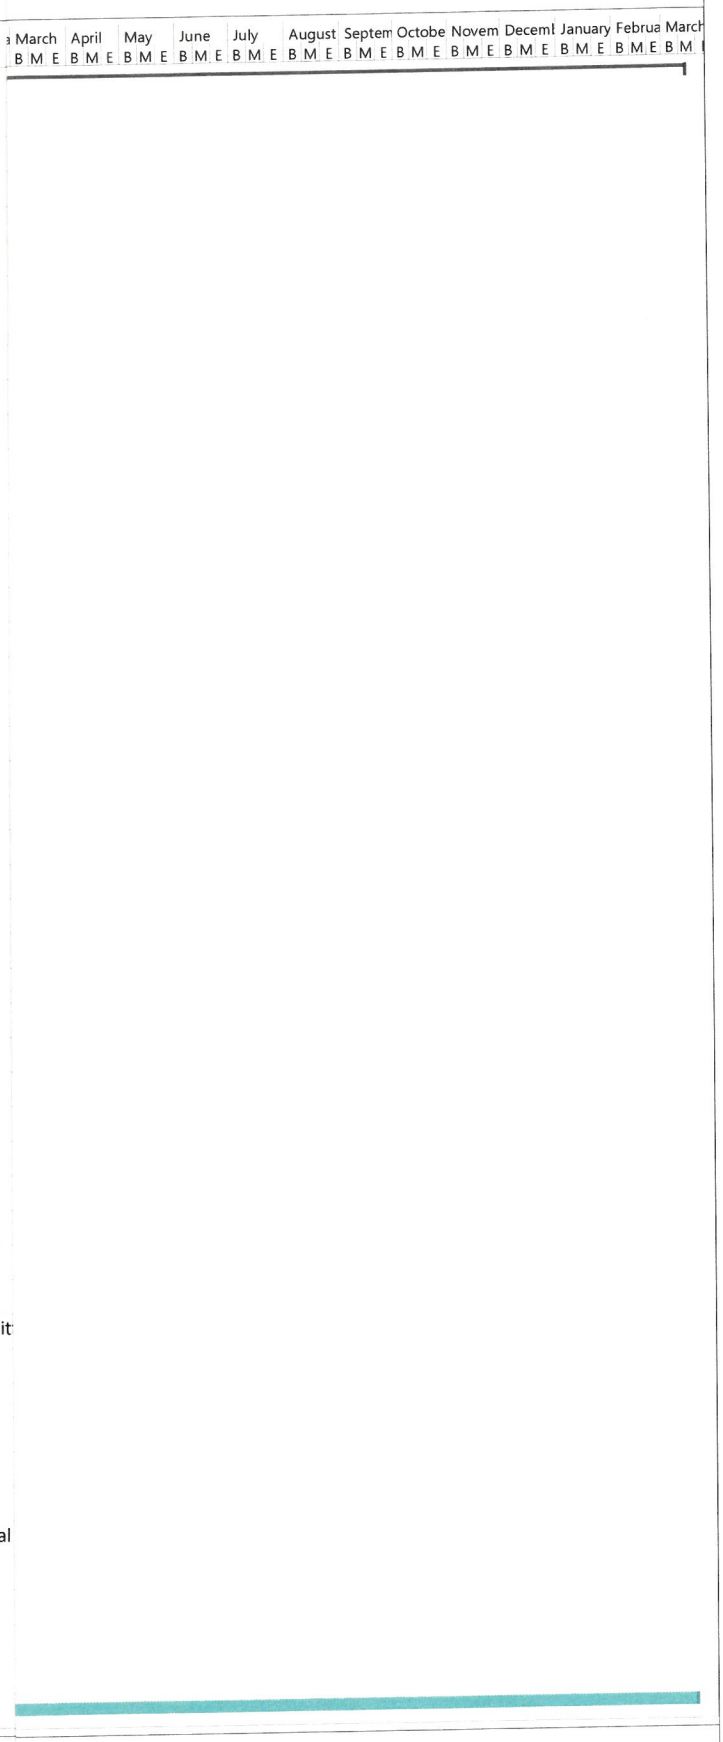
The Scope of work is created based on the last Atkins Progress Report submitted October 1, 2018 (attached).

The project shall include the redesign from the current four -lane road design to a two-lane road design within a 71' wide right-of-way in accordance with the policies and procedures outlined in the City's Land Development Code and the current FDOT policies, standards and specifications, including the Manual of Uniform Minimum Standards for Design, Construction and Maintenance for Street and Highways, the Standard Specifications for Road and Bridge Construction and the book of FDOT Design Standards.

The Consultant shall develop the road alignment in compliance with the ***National Environmental Policy Act (NEPA).*** The standard used for document development and processing will be the ***Project Development and Environment (PD&E) Manual.***

The proposed alignment is approximately 0.3 mi. in length and development of the connector will require right-of-way acquisition.

Professional Services shall have the following components:



- Redesign current plan to a two-lane road design within a 71' wide right-of-way
- Complete PD&E Study
- Environmental permitting
- NPDES & NWFWMD compliance
- Public Meeting support
- Finalize any outstanding Traffic Studies
- Plans for Sequence of Construction, Maintenance of Traffic and Transportation
- Preliminary Design Documents
- Final Design Documents and construction estimates
- Construction Documents
- Grant Assistance
- Right-of-Way & Easement Plats
- Assistance in right-of-way acquisition
- Bidding and Construction Services
- Complete Development Review processes
    a. The following applications will be needed as a part of this project:
        i. Major Development Order
        ii. Major Subdivision

<u>Project Meetings and Documentation Deliverables</u>

Project progress meetings will be required and shall be bi-weekly or monthly at the City's discretion. Project documentation shall be provided to the City outlined above shall be required.

EXHIBIT C

SCOPE OF SERVICES FOR CONSULTING ENGINEERING SERVICES
ROADWAY DESIGN SERVICES AND DESIGN CHANGE REEVALUATION

This Exhibit forms an integral part of the agreement between the City of Destin, Florida (hereinafter referred to as the CITY) and Atkins North America, Inc. (hereinafter referred to as the CONSULTANT) relative to the transportation facility described as follows:

Location:	***City of Destin, Okaloosa County, Florida***
Description:	***Destin Cross Town Connector, from Benning Drive to Beach Drive***

This Exhibit contains the requirements and provisions for conducting the work specified in this scope of services (Part I) and a description of the services to be provided for Roadway Design Services (Part II) and preparation of a Design Change Reevaluation (Part III).

PART I REQUIREMENTS AND PROVISION FOR WORK

1.0 GOVERNING REGULATIONS

The services performed by the CONSULTANT shall comply with all applicable CITY Manuals and Guidelines and FDOT's Manuals and Guidelines. These Manuals and Guidelines incorporate, by requirement or reference, all applicable State and Federal regulations. The current edition, including updates, of the following Manuals and Guidelines shall be used in the performance of this work. It is understood that AASHTO criteria shall apply as incipient policy.

- Florida Statutes
- Florida Administrative Codes
- Applicable Federal Regulations, U.S. Codes and Technical Advisories
- Project Development and Environment Manual
- ETDM Planning and Programming Manual
- Sociocultural Effects Evaluation Handbook
- Public Involvement Handbook
- Florida Development Manual
- Interchange Handbook
- Design Standards
- Highway Capacity Manual
- Manual on Uniform Traffic Studies (MUTS)
- Minimum Standards for Design, Construction, and Maintenance Streets and Highways (Florida Greenbook)
- Guide for the Development of Bicycle Facilities (AASHTO)
- Right-of-Way Mapping Handbook
- Right-of-Way Procedures Manual
- Location Survey Manual
- EFB User Handbook
- Drainage Manual
- FDOT's Stormwater Facilities Handbook
- Aerial Surveying Standards for Transportation
- Structures Manual
- CADD Manual
- CADD Production Criteria Handbook
- FDOT Quality/Level of Service Standards Handbook Software & Tables
- FDOT Standard K-Factor

- Project Traffic Forecasting Procedure
- FDOT Highway Landscape Guide
- Basis of Estimates Manual

2.0 PROJECT MANAGEMENT

2.1 Liaison Office

The CITY will designate a Project Manager who shall be the representative of the CITY for the Project. While it is expected the CONSULTANT shall seek and receive advice from various State, regional, and local agencies, the final direction on all matters of this Project remain with the Project Manager.

2.2 Key Personnel

The CONSULTANT'S work shall be performed and directed by the key personnel identified in the proposal by the CONSULTANT. Any changes in the indicated personnel shall be subject to review and approval by the CITY.

2.3 Meetings

The CONSULTANT shall attend a Notice to Proceed Meeting with CITY representatives, where relevant project information will be provided by the CITY, along with procedures for administering the contract. The CONSULTANT and staff shall also be available with no more than a five (5) workday notice to attend meetings or make presentations at the request of the CITY. Such meetings and presentations may be held at any hour between 8:00 A.M. and 12:00 midnight on any day of the week. The CONSULTANT may be called upon to provide maps, press releases, advertisements, audiovisual displays and similar material for such meetings.

2.4 Correspondence

Copies of all written correspondence between the CONSULTANT and any party pertaining specifically to this study shall be provided to the CITY for their records within one (1) week of the receipt of said correspondence.

2.5 Quality Control

The CONSULTANT shall be responsible for ensuring that all work products conform to CITY / FDOT standards and criteria. This shall be accomplished through an internal Quality Control (QC) process performed by the CONSULTANT. This QC process shall insure that quality is achieved through checking, reviewing, and surveillance of work activities by objective and qualified individuals who were not directly responsible for performing the initial work.

Prior to submittal of the first invoice, the CONSULTANT shall submit to the CITY'S Project Manager for approval the proposed method or process of providing Quality Control for all work products. The Quality Control Plan shall identify the products to be reviewed, the personnel who will perform the reviews, and the method of documentation.

2.6 Submittals

The CONSULTANT shall provide electronic and hard copies of the required documents as listed below. These are the anticipated printing requirements for the project. This tabulation will be used for estimating purposes, and the Project Manager will determine the number of copies required prior to each submittal.

Engineering Items:	Copies:
Design Roadway Plan Sets (30%, 60%, 90% & Final)	3
Typical Section	3
Design Variations and Exceptions Package (if applicable)	3

Environmental Items:	Copies:
Design Change Reevaluation	3
Revised Conceptual Stage Relocation Plan	3
Revised Endangered Species Biological Assessment	3
Revised Cultural Resource Assessment	3

Upon completion of the study, the CONSULTANT shall deliver to the CITY, in an organized manner, all project files, maps, sketches, worksheets, and other materials used or generated during the study process.

2.7 Coordination with Other CONSULTANTs and Entities

The CONSULTANT is to coordinate their work with any ongoing and/or planned projects that may affect this study.

The CONSULTANT is to coordinate with local governmental entities to ensure design and right of way requirements for the project are compatible with local public works improvements and right-of-way activities.

The CONSULTANT is to coordinate with any agencies and/or entities that require further coordination.

2.8 Optional Services

At the CITY's option, the CONSULTANT may be requested to provide additional services related to the scope of the project, which are not covered under this scope of services. The fee for these additional services shall be negotiated in accordance with the terms outlined in the CITY's contract with the CONSULTANT for a fair, competitive and reasonable cost, considering the scope and complexity of the task(s). A supplemental agreement for the additional services shall be executed in accordance with the CITY'S protocol.

3.0 ADMINISTRATIVE

3.1 Contract and Project Files

Project Management efforts for complete setup and maintenance, developing monthly progress reports, schedule updates, work effort to develop and execute SUB-CONSULTANT agreements etc. Progress reports shall be delivered to the CITY in a format as prescribed by the CITY and no less than 10 days prior to submission of the corresponding invoice. The Project Manager will make judgment on whether work of sufficient quality and quantity has been accomplished by comparing the reported percent complete against actual work accomplished.

Within ten (10) days after the Notice to Proceed, the CONSULTANT shall provide a schedule of calendar deadlines.

3.2 Project Management Meetings and Coordination

The CONSULTANT shall meet with the CITY as needed throughout the life of the project. It is anticipated twelve (12) meetings will be needed. These meetings will include progress and miscellaneous review and other coordination activities with the CITY.

4.0 METHOD OF COMPENSATION

Payment for the work accomplished will be in accordance with Exhibit B of this contract. The CITY's Project Manager and the CONSULTANT shall monitor the cumulative invoiced billings to ensure the reasonableness of the billings compared to the project schedule and the work accomplished and accepted by the CITY. The project will be lump sum.

PART II - ROADWAY DESIGN SERVICES

1.0 PURPOSE

The purpose of this portion of the Exhibit is to describe the scope of work and the responsibilities of the CONSULTANT and the CITY in connection with the design and preparation of a complete set of construction contract documents and incidental engineering services, as necessary, for improvements to the transportation facility described herein.

The general objective is for the CONSULTANT to prepare a set of contract documents including plans, specifications, supporting engineering analysis, calculations and other technical documents in accordance with CITY policy, procedures and requirements. These Contract documents will be used by the contractor to build the project and test the project components. These Contract documents will be used by the CITY or its Construction Engineering Inspection (CEI) representatives for inspection and final acceptance of the project. The revision of the existing design is to provide a two-lane roadway with a median within a 71-foot right-of-way to connect Azalea Drive (at Benning Drive) with Legion Drive (at Beach Drive) and develop new intersections at each project terminus.

The Scope of Services establishes which items are specifically prescribed to accomplish the work included in this contract, and also indicates which items of work will be the responsibility of the CONSULTANT and/or the CITY.

The CITY will provide contract administration, management services, and technical reviews of all work associated with the development and preparation of contract documents, including Construction documents. The CITY's technical reviews are for high-level conformance and are not meant to be comprehensive reviews. The CONSULTANT shall be fully responsible for all work performed and work products developed under this Scope of Services. The CITY may provide job-specific information and/or functions as outlined in this contract, if favorable.

2.0 ROADWAY DESIGN SCOPE OF SERVICES

2.1 Survey

Southeastern Surveying will update the original survey which will include the following:

1. Recover/re-establish horizontal control in State Plane Coordinates.
2. Recover/re-establish vertical control points including setting benchmarks.
3. Recover/re-establish alignment.
4. Provide digital terrain model.
5. Locate utilities as marked by utilities

2.2 Subsurface Utility Engineering (SUE)

Due to the significant number of underground utilities on and adjacent to the proposed intersections at Benning Drive and Beach Drive, Atkins SUB-CONSULTANT, Southeastern Surveying, will provide limited ASCE Quality Level "A" Locating using Non-Destructive Vacuum Excavations to verify the vertical and horizontal (VVH) location of subsurface utilities at selected potential conflict areas (approved by the City of Destin) within the limits of the projects. Three (3) days of SUE is estimated which will supplement the information already obtained.

2.3 Geotechnical

Tierra will review the revised plans and original geotechnical reports for the project to verify adequate data collection/coverage and that the recommendations rendered previously remain applicable. No additional field/lab test data is included in this proposal.

2.4 Traffic Analysis Update

CONSULTANT shall review and update the previous traffic analysis study. This effort includes generating an updated traffic growth rate from the regional model, comparison to FDOT traffic planning capacity thresholds, update turning movements for base and design year, determine if recommended intersection improvements work at acceptable LOS or need modification, and document the analysis and results.

If revised intersection controls are needed, HCS analysis will be conducted as part of a revised operational analysis. The operational analysis of revised intersection controls will be documented. The use of SIDRA for intersection analysis is not proposed and would be an extra cost, if required. No traffic counts will be taken because of variability in traffic due to Covid-19 virus.

2.5 Engineering Design/Analysis

The CONSULTANT shall use the approved concepts from the PD&E Study (Part III) as a basis for the design unless otherwise directed by the CITY. The proposed alignment is approximately 0.3 miles in length and will require right-of-way acquisition.

Roadway Design - The roadway design will include the horizontal and vertical roadway geometry, pavement design, establishing roadway right of way, and further development of the roadway typical sections as per the typical sections selected and approved in the Part III Design Change Reevaluation.

Design will include traffic control analysis necessary to construct the new roadway and intersection improvements at Benning Drive and a round-a-bout intersection improvement at Beach Drive.

CONSULTANT will prepare a detailed breakout of quantities for unit cost bidding and prepare cost estimates to accompany the 60% and 100% construction plans.

Roadway horizontal and vertical design calculations, design criteria, and traffic control analysis will be included in the Final Design Report.

Structural Design - Only structural light pole foundation analysis will be included for this project. If other structural design and analysis is required, those services will be negotiated with the City as an additional service.

Drainage Design - The CONSULTANT will design the proposed drainage system for the roadway improvements within the project limits. The drainage design will include a closed stormwater system, side drains, culverts, and stormwater ponds at locations developed and selected during the original design. It is anticipated that two stormwater ponds will be required. The stormwater ponds treat and attenuate the roadway runoff per City and NWFWMD design standards. Temporary drainage measures may be required during construction of the proposed round-a-bout to ensure positive stormwater runoff at the intersection locations. The detailed drainage analysis and calculations will be included in a Drainage Documentation Report.

Landscape Architecture Design - The CONSULTANT will provide appropriate landscape and hardscape design consistent with City of Destin landscape and hardscape design guidelines. The CONSULTANT will coordinate landscape and hardscape plans with existing and/or proposed underground utilities. Irrigation design requirements will be provided through a performance specification in the plans.

Lighting Design - Bagwell Engineering, Inc. will furnish the required electrical design (drawings and specifications) for the work to be performed for the new City of Destin Cross Town Connector, which shall include installation of new LED lighting along the connector to include lighting of the roadway and sidewalk areas. Lighting shall be designed in accordance with the City of Destin requirements and design guidelines. Photometric analysis shall be performed to ensure lighting is in accordance with recommended levels. Structural foundation analysis will be performed on light pole configurations in order to meet local codes. Electrical distribution will be designed to operate all the lighting along the new connector.

Signing and Pavement Marking Design - The CONSULTANT will prepare Signing and Pavement Markings analysis for the roadway. Special striping and signage needed for the round-a-about design at the Beach Drive intersection will also be evaluated. This task will include field reviews of existing signage, remove conflicting signs, and prepare signing and pavement marking plans as part of the construction documentation.

Utilities – The CONSULTANT will coordinate with all utility companies within the project limits to ensure that necessary arrangements for utility work on this project have been made and will not conflict with the physical construction schedule. The CONSULTANT should coordinate with CITY personnel to coordinate transmittals to Utility Companies and meet production schedules. The CONSULTANT shall ensure City standards, policies, procedures, practices, and design criteria are followed concerning utility coordination. For each design phase the CONSULTANT shall review existing utilities within the project limits and determine if there are any potential impacts with drainage and roadway improvements. The CONSULTANT shall coordinate and attend utility coordination meetings to explain the proposed design and resolve potential utility conflicts.

2.6 Construction Documents

For each design phase, the CONSULTANT will prepare three sets of 11" x 17" construction plans for the project. The plans shall include a key sheet, roadway typical sections, general notes, project layout, plan-profile, drainage structures, roadway cross sections, stormwater pond plan and cross sections, stormwater pond cross sections, signing and pavement markings, landscape and hardscape plans, lighting plans, and other miscellaneous sheets as required. The construction plans shall be submitted at 30%, 60%, 90% and Final plans. Utility plans sets will also be submitted to each impacted utility owner prior to each utility coordination meeting. A construction cost estimate will be prepared for each design phase submittal. A review meeting in conjunction with a regularly scheduled monthly meeting with the City of Destin will be held after each submittal to discuss the construction plans and cost estimate.

2.7 Signing and Pavement Marking Plans

For each design phase, the CONSULTANT will prepare Signing and Pavement Markings for the roadway. Special striping and signage needed for the round-a-bout design at the Beach Drive intersection will also be included. This task will include field reviews of existing signage, remove conflicting signs, and prepare signing and pavement marking plans as part of the construction documentation.

2.8 Permitting (Stormwater & Development Review Process)

The CONSULTANT shall complete the Development Review Process including completion of the Major Development Order and Major Subdivision.

The proposed roadway improvements will require stormwater permits. The stormwater ponds will be designed to treat and attenuate the stormwater runoff based on the City and Northwest Florida Water Management District (NWFWMD) regulations. The CONSULTANT shall attend pre-application meeting with the NWFWMD. An Environmental Resource Permit will be prepared and submitted to the NWFWMD. The CONSULTANT will respond to all stormwater permitting comments during the permitting process. The CITY will pay all permit fees.

2.9 Public Involvement

The CONSULTANT will update the original Community Awareness Plan at the start of the design phase of the project. Only one design phase public meeting is anticipated. The CITY will decide the appropriate design phase in which to conduct the Design public meeting. The meeting is anticipated to occur after the 90% construction plans have been produced and reviewed by the City.

The CONSULTANT shall provide all support necessary for the CITY to hold the Design public meeting/Re-evaluation at the same location. The CONSULTANT shall prepare all public notification materials (Legal and/or Display advertisements, letters to elected and appointed officials, interested parties, and the public); meeting materials (including agenda, sign-in sheets, comment sheets, project brochure, etc.); presentation graphics; and power point presentation, if required. The CITY will review and approve all notification and meeting materials. CONSULTANT shall be responsible for the distribution of public notification materials (including publication and mailing costs), meeting equipment set-up and tear-down, preparation of a meeting summary, and preparation of responses to comments.

2.10 Design Change Re-evaluation

A Design Change Re-evaluation will be prepared consistent with Part 1, Chapter 13 of the FDOT PD&E Manual to verify that the project design changes do not impact the validity of the Project Environmental Impact Report prepared for this project. The scope of services for the preparation of a Design Change Re-evaluation is provided below as Phase III Design Change Re-evaluation.

2.11 Bidding

The CONSULTANT will coordinate with CITY Purchasing and Engineering regarding provisions of the contract documents including a bid tabulation sheet for bid purchases to assure that the contract front-end documents are the latest and complete. CONSULTANT will attend the pre–bid meetings during this phase. Additionally, the CONSULTANT will respond to contractor-initiated requests for information during the bidding phase. These requests and responses will be coordinated through City Engineering and any necessary Addenda will be coordinated with Purchasing. CONSULTANT will attend the bid opening. This task also includes bid tabulations, bid reviews and recommendation of award, as required.

2.12 Grant Assistance

The CONSULTANT shall provide limited grant assistance to the CITY.

3.0 ADDITIONAL SERVICES

Services authorized by the City other than those specifically listed above shall be considered additional services and the CONSULTANT shall be compensated as described in the Fee Summary. Additional services may include, but are not limited to the following:

1. Making revisions to drawings, specifications, or other documents when such revisions are inconsistent with written approvals or instructions previously given and are due to circumstances beyond the control of the CONSULTANT.

2. Once the revised right-of-way requirements for the project are approved by the City, real estate acquisition services will be added through a supplemental agreement when the exact extent of the required services is known.

3. Full-time or part-time Construction Engineering and Inspection Services for the project while under construction. Once the construction plans, permits and right-of-way acquisition is complete, a supplemental agreement will be executed to handle full-time or part-time Construction Engineering and Inspection Services for the project if desired by the City.

4. Limited Construction Administration for the project while under construction. Once the construction plans, permits and right-of-way acquisition is complete, a supplemental agreement will be executed to handle limited construction administration for the project if desired by the City.

5. As-built record drawings and/or as-built surveys

6. Providing services of professional CONSULTANTs (real estate acquisition agents, environmental professionals for unknown contamination assessments, etc.) other than as is specifically provided for under this scope of services.

7. Preparing supporting data and other services in connection with agency approvals if extensive studies and/or analysis are required beyond that which is incidental to this scope of services.

8. Preparing to serve or serving as an expert witness in connection with any public hearing, arbitration, or legal proceeding.

9. Providing extensive assistance or preparation of additional documentation required for legal transactions, including sale of property or preparation of lease agreements.

4.0 CLIENT RESPONSIBILITIES

1. Designate in writing a person to act as the City representative with respect to the work to be performed under this agreement. Such person shall have complete authority to transmit instructions, receive information, interpret and define policies and make decisions.

2. The City shall pay all filing and permit fees.

PART III - DESIGN CHANGE REEVALUATION

1.0 PURPOSE

The purpose of this portion of the Exhibit is to describe the scope of work in connection with the evaluation of design changes to the proposed transportation facility and preparation of a Design Change Reevaluation to document that conclusions of the original Project Environmental Impact Report remain valid.

The proposed work shall follow the FDOT's most recent version of the publication titled *Project Development and Environment Manual* (PD&E). Throughout this Scope of Services portion of this CONSULTANT Contract, the publication will be referred to as the "PD&E Manual". All tasks associated with the preparation of a Design Change Reevaluation will be done in accordance with Part 1, Chapter 13 of FDOT's PD&E Manual, unless otherwise stated. Project documentation prepared in accordance with the PD&E Manual will be in compliance with all applicable State laws and regulations.

2.0 OBJECTIVE

The CONSULTANT is to evaluate the impacts of design changes for the proposed project on the environment, impacts to the project that may result from changes in applicable requirements, and changes to commitments or mitigation measures as a result of the change in typical section for the Destin Cross Town Connector from Benning Drive to Beach Drive, in Destin, Florida. Documentation of the impacts of the design changes and the project's continued compliance with the National Environmental Policy Act (NEPA) will be done in accordance with the Part I, Chapter 13 of the FDOT PD&E Manual (2020).

The revision of the existing design is to provide a two-lane roadway with a median within a 71-foot right-of-way to connect Azalea Drive (at Benning Drive) with Legion Drive (at Beach Drive) and develop new intersections at each project terminus (the scope of services for these design changes are addressed in Phase II of this document). The impacts of these design changes are expected to minimize the project impacts to the natural, physical, and social environments.

3.0 RE-EVALUATION SCOPE OF WORK

In addition to evaluating and documenting the design change impacts to the environment, the CONSULTANT shall determine if there have been any changes in requirements or regulations that affect the project and assess the effect changes in law or regulations would have on the project or the environment, including the need for agency coordination and mitigation, and shall document the effect of the changes in the Design Change Re-evaluation.

The Design Change Re-evaluation will be prepared in the format provided by FDOT for re-evaluations of FDOT sponsored projects and will include the following topics: general information related to the project; description of the project; identification of any changes in law or regulations pertinent to the project; description of engineering design changes; summary of public involvement; documentation of planning consistency; analysis of cultural resource, social, natural, or physical environment impacts; identification of any changes in commitments, including new commitments or completion of commitments; and status of permits. Documentation supporting the findings will be attached to the Re-evaluation Form or included in the project file.

3.1 Planning Consistency

The CONSULTANT shall verify and document the project's planning consistency in the Design Change Re-evaluation.

3.2 Public Involvement

The CONSULTANT shall summarize the public involvement activities that have occurred since approval of the Project Environmental Impact Report (PEIR) in the Design Change Re-evaluation.

3.3 Changes in Law or Regulations

The CONSULTANT shall review and evaluate the latest design criteria and standards and regulatory laws or regulations for changes related to the proposed project. Changes that affect the project design or the project's impact on the environment will be evaluated and, if required coordination with regulatory agencies will be conducted. The impacts of the project resulting from changes in law or regulations, including, if required, the results of agency coordination, will be documented in the Design Change Re-evaluation.

3.4 Design Changes

The CONSULTANT will describe the design changes that have occurred since the completion of the Project Environmental Impact Report and adoption of a preferred alternative. This will include any changes to the typical section and roadway geometric and horizontal alignment and drainage design. The basis for the design changes and the continued ability of the project to meet purpose and need will be described in the Design Change Re-evaluation.

Utilities
Any changes in utility impacts will be documented in the Design Change Re-evaluation.

Access Management
Any change in Access Management will be documented in the Design Change Re-evaluation

Drainage
Changes in stormwater treatment requirements and the size of the proposed detention and/or retention facilities for storm water treatment or attenuation will be addressed in the Design Change Re-evaluation.

Typical Section Package
The CONSULTANT will revise the Typical Section Package in accordance with the FDOT'S FDM Manual (excluding pavement design) and document the changes in the typical section in the Design Change Re-evaluation.

Design Exceptions and Variations
The CONSULTANT will identify exception and variations for approval in accordance with the FDOT'S Design Manual where applicable.

The CONSULTANT will prepare exception and variations package(s) for approval in accordance with the FDOT's Design Manual, where applicable.

3.5 Environmental Impacts

The CONSULTANT shall coordinate and perform the appropriate level of environmental analysis for this project as outlined in Part 1, Chapter 13 of the PD&E Manual and the following references.

Database information shall be compatible for use on base maps for reports, analysis of impacts, and for public presentations.

The level of effort for the following work activities shall be commensurate with the level of involvement with the environmental issues covered in this section.

Social Environment

The CONSULTANT shall evaluate and document any change in impacts to the following social features: land use, social environment, economic environment, mobility, aesthetics (Part 2, Chapter 5 of the PD&E Manual), prime and unique farmlands (Part 2, Chapter 6 of the PD&E Manual), and right-of-way acquisition and relocations in accordance with Part 2, Chapter 9 of the PD&E Manual. Changes in project impacts to these features shall be documented in the Design Change Re-evaluation.

Cultural Resources

The CONSULTANT shall evaluate and document any change in impacts to archaeological and/or historical resources, and/or to recreation and park resources.

Archaeological and Historic Resources

The CONSULTANT shall determine whether there have been any changes in cultural resources eligible for or included on the National Register of Historic Places (NRHP) and whether the proposed design changes would impact resources not originally assessed.

The archaeological Area of Potential Effect was previously surveyed in 2009 and 2015, therefore, no additional archaeological field survey is anticipated. It is expected that field survey will be required to identify the characteristics of three unrecorded potential historical resources, and the preparation and submittal of updates of Florida Master Site File (FMSF) forms for each potential historical resource to the State Historic Preservation Officer (SHPO) for a determination of eligibility to the included on the NRHP.

The project changes will be evaluated for potential impacts to eligible cultural resources. Preparation of an addendum to the original Cultural Resources Survey Assessment (CRAS) Report will discuss the background research, methodology employed, results and conclusions. The CRAS Addendum will be coordinated with the SHPO in accordance with Part 2, Chapter 8 of the PD&E Manual, and the FDOT'S Cultural Resource Management Handbook. In addition, any impacts to cultural resources from the project changes and the coordination with SHPO will be documented in the design change re-evaluation

All work shall be conducted by a professional qualified under the provisions of 36 CFR 61, and be done in compliance with the National Historic Preservation Act of 1966 (Public Law 89-665, as amended) and the implementing regulations (36 CFR 800) as well as with the provisions contained in Chapter 267, Florida Statutes.

Recreation and Parks

The CONSULTANT shall evaluate and document any change in impacts to parks and recreation resources or to lands purchased under Section 6(f) of the Land and Water Conservation Fund in the Design Change Re-evaluation.

Natural Resources

The CONSULTANT shall evaluate and document any change in impacts to the following natural environment features, as appropriate: wetlands (Part 2, Chapter 9 of the PD&E Manual); water quality (Part 2, Chapter 11 of the PD&E Manual); special designations (Part 2, Chapters 11, 12, and 15 of the PD&E Manual); wildlife and habitat (Part 2, Chapter 16 of the PD&E Manual); essential fish habitat (Part 2, Chapter 17 of the PD&E Manual); and floodplains (Part 2, Chapter 13 of the PD&E Manual).

Physical Environment
The CONSULTANT shall evaluate and document any change in impacts to the following physical environment features, as appropriate: traffic noise (Part 2, Chapter 18 of the PD&E Manual); air quality (Part 2, Chapter 19 of the PD&E Manual); contamination (Part 2, Chapter 20 of the PD&E Manual); and utilities (Part 2, Chapter 21 of the PD&E Manual).

Traffic Noise
The CONSULTANT shall provide a status update of traffic noise effects.

Contamination Screening Evaluation
The CONSULTANT shall perform the necessary analysis to update the status of contamination assessment sites rated "high" or "medium" and document any changes in involvement with potential contamination sites in the Design Change Re-evaluation.

Status of Commitments
The CONSULTANT shall document the status of commitments in the Design Change Re-evaluation.

Status of Permits
The CONSULTANT shall document the status of permit acquisition in the Design Change Re-evaluation.

4.0 ENVIRONMENTAL REPORT

The CONSULTANT shall prepare a Design Change Re-evaluation consistent with the procedures listed in the PD&E Manual, Part 1, Chapter 13. The task of documentation includes the preparation of draft reports prepared by the CONSULTANT for review and comment upon by the CITY prior to producing final documents.

4.1 Design Change Reevaluation

A Design Change Reevaluation will be prepared consistent with Part 1, Chapter 13 of the FDOT PD&E Manual. The purpose of preparing the Design Change Reevaluation is to preserve the City's ability to request state or federal funds in the future by documenting the CITY's compliance with NEPA and the PD&E Manual in the development of this project.

For State sponsored projects, **the Design Change Reevaluation is reviewed and approved by the FDOT Office of Environmental Management; however, since FDOT did not** sign **the previous Environmental Impact Report, it is anticipated that FDOT will not** sign **the Design Change Reevaluation.** The project schedule will allow for review and comment by FDOT, including any revisions required to address FDOT comments.

4.2 Quality Assurance / Quality Control

The CONSULTANT shall perform Quality Assurance/Quality Control reviews on all applicable Environmental tasks and deliverables.

Field Survey Estimate:
0 4-man crew days

Notes:

1. This worksheet provides the distribution of a firm's total staff hours for a project.
2. Percentages for staff hour distribution by classification are entered below in rows 62 to 94 of this sheet.
3. Total Staff Hours (column P) may not match staff hours from Summary worksheet (column C) due to rounding. Staff hours calculated for employee classifications are to be adjusted so totals in columns C and P match.
4. Formulas under "Total Staff Hours Range" (columns P &Q) may be adjusted to provide desired range.

RE: City of Destin RFP# 14-02 P.S.
Cross Town Connector- Beach Drive to Benning Drive Design

Basis of Estimate Survey:

- Horizontal Control
- Recover and establish horizontal control in State Plane Coordinates. Estimate ten (10) control points needed.

Vertical Project Network Control:

- Recover and establish vertical control on control points and set fourteen (14) additional benchmarks for this project.

Alignment and Existing Right-of-Way Lines:

- Recover and establish the existing alignment for the new alignment at primary positions along with beginning and end of project.

Aerial Targets:

- N/A

Reference Points:

- Recover or reference Alignment at seven (7) primary positions.

Digital Terrain Model DTM/3D:

- Provide full location and DTM update for the full project limits as surveyed in 2015 for the proposed roadway as depicted on aerial (approximately1,800 L.F.).
- Time included to provide survey services to add new improvements. Provide additional time for two (2) potential pond redesigns and linear connecting swale. Additional time to provide survey services to support new design efforts. All deliverables will be in hard copy and electronic MicroStation format.

Planimetric (2D):

- N/A

Roadway Cross-Sections/Profiles:

- N/A

Side Street Surveys:

- N/A

Underground Utilities:

- Locate utilities as marked by SSOCOF during survey phase and add new utilities as marked. Provide supplemental designation services for the purpose of setup and support of providing SUE test holes as instructed by client for the purpose of conflict resolution. Provide reports detailing horizontal and vertical information on all subject utilities. Provide project management throughout all aspects of SUE services.

Outfall Survey:

- N/A

Drainage Survey:

- Detail all newly created drainage structures since 2015 to include size, type, condition, and invert flow lines. This will include tie in for structures outside project limits.

Bridge Survey:

- N/A

Channel Survey:

- N/A

Pond Site Survey:

- Time included for full DTM and location of two (2) potential ponds.

Mitigation Survey:

- N/A

Jurisdiction Line Survey:

- Locate wetlands as flagged by Environmental Consultant if reflagged.

Geotechnical Support:

- N/A

Section/Grant Survey:

- N/A

Subdivision Location:

- N/A

Maintained R/W:

- N/A

Boundary Survey:

- Locate five (5) potential parcels effected depending on final alignment and redesign requirements.

Water Boundary Survey:

- N/A

R/W Monumentation:

- N/A

R/W Mapping:

- Provide mapping and documents to include new descriptions for acquisition.

Line Cutting:

- N/A

Work Zone Safety:

- As per MUTCD Standards

Miscellaneous Surveys:

- N/A

Supplemental Surveys:

- N/A

Document Research:

- N/A

Field Reviews:

- Provide field review for two (2) SSMC personnel.

Technical Meetings:

- Two (2) SSMC personnel.

Quality Assurance/Quality Control:

- Provide QA/QC for plans review.

Supervision:

- N/A

Coordination:

- N/A

PROJECT TIMELINE

We anticipate the completion of the above-described work within two (2) weeks after receipt of a written notice to proceed.

EXPENSES AND FEES

Our fee for the above-referenced work will be as follows:

Office Support Hours:	
• Senior Surveyor & Mapping 10 Hours @$143.00	$1,430.00
• Surveyor & Mapper 20 Hours @ $125.00	$2,500.00
• Utility Project Manager 6 Hours @ $139.00	$834.00
• CAD Technician 8 Hours @ $95.00	$760.00
Field Support Hours:	
• Survey Technician 25 Hours @ $94.00	$2,350.00
• 2 Man Field Crew Days (8 Hour Days) 10 Days @ $1,144.00	$11,440.00
• 2 Man Utility Crew Days (10 Hour Days) 3 Days @ $1,430.00	$4,290.00
Grand Total:	**$23,604.00**

The above described tasks of crew days include M.O.T. as required.

Credit Language

Payment is expected within thirty (30) days from the date of the invoice.
Please contact me with questions or if you should require additional information.

Sincerely,

Thomas K. Mead, PSM
President | Project Manager

If the above scope, period of service, and method of compensation meets with your approval, please have an authorized person execute below and send via email to contracts@southeasternsurveying.com as an official notice to proceed along with the notice of commencement. **Fees and times stated in this agreement are valid for six months from the date of the proposal.**

CLIENT AUTHORIZATION

I declare that I am authorized to sign the binding contractual document. I also declare that I have read, understand, and accept this proposal.

SHORT FORM PROPOSAL

July 7, 2020
Project No. 4511-14-030

Client: Mr. Greg Allen, PE
Atkins
2114 Airport Blvd., Suite 1450
Pensacola, FL 32504

Project: Destin Cross Town Connector
Destin, FL

Scope of Service: Review revised plans and Geotechnical reports rendered by Tierra for the project to verify adequate data collection/coverage and that the recommendations rendered previously remain applicable. No additional field/lab test data is included in this proposal.

Method of Contract: Lump Sum

Budget: $2,000

Tierra appreciates the opportunity to provide you with this proposal, and we look forward to working with you on this project. If you have any questions or comments, please feel free to call.

Sincerely,
TIERRA, INC.

Re: City of Destin Cross Town Connector Revised – Electrical Fee

Mr. Allen,

- We propose to furnish the required electrical design (drawings and specifications) for the work to be performed for to revise the new City of Destin Cross Town Connector. This fee is based on the scope of providing a new LED lighting along the connector to include lighting of the roadway and sidewalk areas. Lighting shall be designed in accordance with the City of Destin and FDOT requirements. Photometric analysis shall be performed to ensure lighting is in accordance with recommended levels. Structural foundation analysis will be performed on light pole configurations in order to meet local codes. Electrical distribution will be designed to operate all the lighting along the new connector.

- Construction administration includes reviewing shop drawings and responding to RFIs, but no construction meetings or inspections is included in the proposal. Any work not in the scope that should be requested by the user shall be negotiated in a separate fee.

- The engineers will attend up to two review meetings/workshops as required. All review meetings shall be via conference call. No construction site visits or inspections are included in the design.

- The design team will keep to the design schedule as (to be) determined by the contractor and Bagwell Engineering, Inc. The design team cannot be responsible for any government delays in review or scheduling. Also, the design team cannot be responsible for time loss of elements outside of its control ie: pandemic, act of God.

- Construction administration services include reviewing shop drawings and answering RFI's. Construction inspections are excluded from this proposal. All other administration shall be performed by others.

- Any design work, services, or materials not in the SOW that should be requested by the government or contractor shall be negotiated in a separate fee.

- All construction contract mod/change orders given to after award shall have design fees submitted with them.

- All required construction permits shall be the responsibility of the contractor.

- The following services are excluded from design services:
  1. Private Qualified Person (PQP)
  2. CxA Commissioning Agent
  3. Environmental Engineering
  4. Geotech
  5. GPR
  6. LEED
  7. Construction type services
  8. DQC During construction
  9. Coordination & Arc Flash Study

Electrical Design Fee: $15,500

Atkins Global will be the prime engineer on the project and shall provide all necessary information to BEI for us to provide a complete design. BEI will provide engineering support for the electrical portion of the project only. Please do not hesitate to contact me with any questions or concerns.

We appreciate it!

Doug Miller, PE
Senior Engineer

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

Named Insured: Atkins North America, Inc.

Address (including ZIP Code):

4030 West Boy Scot Blvd., Ste 700

Tampa, FL 33607

This endorsement modifies insurance provided under the:

Commercial General Liability Coverage Part

A. Section **II – Who Is An Insured** is amended to include as an additional insured any person or organization whom you are required to add as an additional insured on this policy under a written contract or written agreement. Such person or organization is an additional insured only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by:

1. Your acts or omissions; or
2. The acts or omissions of those acting on your behalf,

in the performance of your ongoing operations or "your work" as included in the "products-completed operations hazard", which is the subject of the written contract or written agreement.

However, the insurance afforded to such additional insured:

1. Only applies to the extent permitted by law; and
2. Will not be broader than that which you are required by the written contract or written agreement to provide for such additional insured.

B. With respect to the insurance afforded to these additional insureds, the following additional exclusion applies:

This insurance does not apply to:

"Bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering of, or failure to render, any professional architectural, engineering or surveying services including:

a. The preparing, approving or failing to prepare or approve maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; or

b. Supervisory, inspection, architectural or engineering activities.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage", or the offense which caused the "personal and advertising injury", involved the rendering of or the failure to render any professional architectural, engineering or surveying services.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

C. The following is added to Paragraph **2.** Duties In The Event Of Occurrence, Offense, Claim Or Suit of Section **IV – Commercial General Liability Conditions**:

The additional insured must see to it that:

1. We are notified as soon as practicable of an "occurrence" or offense that may result in a claim;
2. We receive written notice of a claim or "suit" as soon as practicable; and
3. A request for defense and indemnity of the claim or "suit" will promptly be brought against any policy issued by another insurer under which the additional insured may be an insured in any capacity. This provision does not apply to insurance on which the additional insured is a Named Insured if the written contract or written agreement requires that this coverage be primary and non-contributory.

D. For the purposes of the coverage provided by this endorsement:

1. The following is added to the Other Insurance Condition of Section **IV – Commercial General Liability Conditions**:

Primary and Noncontributory insurance

This insurance is primary to and will not seek contribution from any other insurance available to an additional insured provided that:

a. The additional insured is a Named Insured under such other insurance; and

b. You are required by written contract or written agreement that this insurance be primary and not seek contribution from any other insurance available to the additional insured.

2. The following paragraph is added to Paragraph **4.b.** of the Other Insurance Condition of Section **IV – Commercial General Liability Conditions**:

This insurance is excess over:

Any of the other insurance, whether primary, excess, contingent or on any other basis, available to an additional insured, in which the additional insured on our policy is also covered as an additional insured on another policy providing coverage for the same "occurrence", offense, claim or "suit". This provision does not apply to any policy in which the additional insured is a Named Insured on such other policy and where our policy is required by a written contract or written agreement to provide coverage to the additional insured on a primary and non-contributory basis.

E. This endorsement does not apply to an additional insured which has been added to this policy by an endorsement showing the additional insured in a Schedule of additional insureds, and which endorsement applies specifically to that identified additional insured.

F. With respect to the insurance afforded to the additional insureds under this endorsement, the following is added to Section **III – Limits Of Insurance**:

The most we will pay on behalf of the additional insured is the amount of insurance:

1. Required by the written contract or written agreement referenced in Paragraph **A.** of this endorsement; or
2. Available under the applicable Limits of Insurance shown in the Declarations,

whichever is less.

This endorsement shall not increase the applicable Limits of Insurance shown in the Declarations.

All other terms and conditions of this policy remain unchanged.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

This endorsement modifies insurance provided under the:

Business Auto Coverage Form
Motor Carrier Coverage Form

A. Amended Who Is An Insured

1. The following is added to the **Who Is An Insured** Provision in **Section II – Covered Autos Liability Coverage**:

   The following are also "insureds":

   a. Any "employee" of yours is an "insured" while using a covered "auto" you don't own, hire or borrow for acts performed within the scope of employment by you. Any "employee" of yours is also an "insured" while operating an "auto" hired or rented under a contract or agreement in an "employee's" name, with your permission, while performing duties related to the conduct of your business.

   b. Anyone volunteering services to you is an "insured" while using a covered "auto" you don't own, hire or borrow to transport your clients or other persons in activities necessary to your business.

   c. Anyone else who furnishes an "auto" referenced in Paragraphs **A.1.a.** and **A.1.b.** in this endorsement.

   d. Where and to the extent permitted by law, any person(s) or organization(s) where required by written contract or written agreement with you executed prior to any "accident", including those person(s) or organization(s) directing your work pursuant to such written contract or written agreement with you, provided the "accident" arises out of operations governed by such contract or agreement and only up to the limits required in the written contract or written agreement, or the Limits of Insurance shown in the Declarations, whichever is less.

2. The following is added to the **Other Insurance** Condition in the Business Auto Coverage Form and the **Other Insurance – Primary and Excess Insurance Provisions Condition** in the Motor Carrier Coverage Form:

   Coverage for any person(s) or organization(s), where required by written contract or written agreement with you executed prior to any "accident", will apply on a primary and non-contributory basis and any insurance maintained by the additional "insured" will apply on an excess basis. However, in no event will this coverage extend beyond the terms and conditions of the Coverage Form.

B. Amendment – Supplementary Payments

Paragraphs **a.(2)** and **a.(4)** of the **Coverage Extensions** Provision in **Section II – Covered Autos Liability Coverage** are replaced by the following:

(2) Up to $5,000 for the cost of bail bonds (including bonds for related traffic law violations) required because of an "accident" we cover. We do not have to furnish these bonds.

(4) All reasonable expenses incurred by the "insured" at our request, including actual loss of earnings up to $500 a day because of time off from work.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

C. Fellow Employee Coverage

The **Fellow Employee** Exclusion contained in **Section II – Covered Autos Liability Coverage** does not apply.

D. Driver Safety Program Liability and Physical Damage Coverage

1. The following is added to the **Racing** Exclusion in **Section II – Covered Autos Liability Coverage**:

   This exclusion does not apply to covered "autos" participating in a driver safety program event, such as, but not limited to, auto or truck rodeos and other auto or truck agility demonstrations.

2. The following is added to Paragraph **2.** in the **Exclusions** of **Section III – Physical Damage Coverage** of the Business Auto Coverage Form and Paragraph **2.b.** in the **Exclusions** of **Section IV – Physical Damage Coverage** of the Motor Carrier Coverage Form:

   This exclusion does not apply to covered "autos" participating in a driver safety program event, such as, but not limited to, auto or truck rodeos and other auto or truck agility demonstrations.

E. Lease or Loan Gap Coverage

The following is added to the **Coverage** Provision of the **Physical Damage Coverage** Section:

Lease Or Loan Gap Coverage

In the event of a total "loss" to a covered "auto", we will pay any unpaid amount due on the lease or loan for a covered "auto", less:

a. Any amount paid under the **Physical Damage Coverage** Section of the Coverage Form; and

b. Any:

   (1) Overdue lease or loan payments at the time of the "loss";

   (2) Financial penalties imposed under a lease for excessive use, abnormal wear and tear or high mileage;

   (3) Security deposits not returned by the lessor;

   (4) Costs for extended warranties, credit life insurance, health, accident or disability insurance purchased with the loan or lease; and

   (5) Carry-over balances from previous leases or loans.

F. Towing and Labor

Paragraph **A.2.** of the **Physical Damage Coverage** Section is replaced by the following:

We will pay up to $75 for towing and labor costs incurred each time a covered "auto" of the private passenger type is disabled. However, the labor must be performed at the place of disablement.

G. Extended Glass Coverage

The following is added to Paragraph **A.3.a.** of the **Physical Damage Coverage** Section:

If glass must be replaced, the deductible shown in the Declarations will apply. However, if glass can be repaired and is actually repaired rather than replaced, the deductible will be waived. You have the option of having the glass repaired rather than replaced.

H. Hired Auto Physical Damage – Increased Loss of Use Expenses

The **Coverage Extension** for **Loss Of Use Expenses** in the **Physical Damage Coverage** Section is replaced by the following:

Loss Of Use Expenses

For Hired Auto Physical Damage, we will pay expenses for which an "insured" becomes legally responsible to pay for loss of use of a vehicle rented or hired without a driver under a written rental contract or written rental agreement. We will pay for loss of use expenses if caused by:

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

(1) Other than collision only if the Declarations indicate that Comprehensive Coverage is provided for any covered "auto";

(2) Specified Causes Of Loss only if the Declarations indicate that Specified Causes Of Loss Coverage is provided for any covered "auto"; or

(3) Collision only if the Declarations indicate that Collision Coverage is provided for any covered "auto".

However, the most we will pay for any expenses for loss of use is $100 per day, to a maximum of $3000.

I. **Personal Effects Coverage**

The following is added to the **Coverage** Provision of the **Physical Damage Coverage** Section:

Personal Effects Coverage

a. We will pay up to $750 for "loss" to personal effects which are:

(1) Personal property owned by an "insured"; and

(2) In or on a covered "auto".

b. Subject to Paragraph **a.** above, the amount to be paid for "loss" to personal effects will be based on the lesser of:

(1) The reasonable cost to replace; or

(2) The actual cash value.

c. The coverage provided in Paragraphs **a.** and **b.** above, only applies in the event of a total theft of a covered "auto". No deductible applies to this coverage. However, we will not pay for "loss" to personal effects of any of the following:

(1) Accounts, bills, currency, deeds, evidence of debt, money, notes, securities, or commercial paper or other documents of value.

(2) Bullion, gold, silver, platinum, or other precious alloys or metals; furs or fur garments; jewelry, watches, precious or semi-precious stones.

(3) Paintings, statuary and other works of art.

(4) Contraband or property in the course of illegal transportation or trade.

(5) Tapes, records, discs or other similar devices used with audio, visual or data electronic equipment.

Any coverage provided by this Provision is excess over any other insurance coverage available for the same "loss".

J. **Tapes, Records and Discs Coverage**

1. The Exclusion in Paragraph **B.4.a.** of **Section III – Physical Damage Coverage** in the Business Auto Coverage Form and the Exclusion in Paragraph **B.2.c.** of **Section IV – Physical Damage Coverage** in the Motor Carrier Coverage Form does not apply.

2. The following is added to Paragraph **1.a. Comprehensive Coverage** under the **Coverage** Provision of the **Physical Damage Coverage** Section:

We will pay for "loss" to tapes, records, discs or other similar devices used with audio, visual or data electronic equipment. We will pay only if the tapes, records, discs or other similar audio, visual or data electronic devices:

(a) Are the property of an "insured"; and

(b) Are in a covered "auto" at the time of "loss".

The most we will pay for such "loss" to tapes, records, discs or other similar devices is $500. The **Physical Damage Coverage Deductible** Provision does not apply to such "loss".

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

K. Airbag Coverage

The Exclusion in Paragraph **B.3.a.** of **Section III – Physical Damage Coverage** in the Business Auto Coverage Form and the Exclusion in Paragraph **B.4.a.** of **Section IV – Physical Damage Coverage** in the Motor Carrier Coverage Form does not apply to the accidental discharge of an airbag.

L. Two or More Deductibles

The following is added to the **Deductible** Provision of the **Physical Damage Coverage** Section:

If an accident is covered both by this policy or Coverage Form and by another policy or Coverage Form issued to you by us, the following applies for each covered "auto" on a per vehicle basis:

1. If the deductible on this policy or Coverage Form is the smaller (or smallest) deductible, it will be waived; or
2. If the deductible on this policy or Coverage Form is not the smaller (or smallest) deductible, it will be reduced by the amount of the smaller (or smallest) deductible.

M. Physical Damage – Comprehensive Coverage – Deductible

The following is added to the **Deductible** Provision of the **Physical Damage Coverage** Section:

Regardless of the number of covered "autos" damaged or stolen, the maximum deductible that will be applied to Comprehensive Coverage for all "loss" from any one cause is $5,000 or the deductible shown in the Declarations, whichever is greater.

N. Temporary Substitute Autos – Physical Damage

1. The following is added to **Section I – Covered Autos**:

   Temporary Substitute Autos – Physical Damage

   If Physical Damage Coverage is provided by this Coverage Form on your owned covered "autos", the following types of vehicles are also covered "autos" for Physical Damage Coverage:

   Any "auto" you do not own when used with the permission of its owner as a temporary substitute for a covered "auto" you do own but is out of service because of its:

   1. Breakdown;
   2. Repair;
   3. Servicing;
   4. "Loss"; or
   5. Destruction.

2. The following is added to the Paragraph **A. Coverage** Provision of the **Physical Damage Coverage** Section:

   Temporary Substitute Autos – Physical Damage

   We will pay the owner for "loss" to the temporary substitute "auto" unless the "loss" results from fraudulent acts or omissions on your part. If we make any payment to the owner, we will obtain the owner's rights against any other party.

   The deductible for the temporary substitute "auto" will be the same as the deductible for the covered "auto" it replaces.

O. Amended Duties In The Event Of Accident, Claim, Suit Or Loss

Paragraph **a.** of the **Duties In The Event Of Accident, Claim, Suit Or Loss** Condition is replaced by the following:

a. In the event of "accident", claim, "suit" or "loss", you must give us or our authorized representative prompt notice of the "accident", claim, "suit" or "loss". However, these duties only apply when the "accident", claim, "suit" or "loss" is known to you (if you are an individual), a partner (if you are a partnership), a member (if you are a limited liability company) or an executive officer or insurance manager (if you are a corporation). The failure of any

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

agent, servant or employee of the "insured" to notify us of any "accident", claim, "suit" or "loss" shall not invalidate the insurance afforded by this policy.

Include, as soon as practicable:

(1) How, when and where the "accident" or "loss" occurred and if a claim is made or "suit" is brought, written notice of the claim or "suit" including, but not limited to, the date and details of such claim or "suit";

(2) The "insured's" name and address; and

(3) To the extent possible, the names and addresses of any injured persons and witnesses.

If you report an "accident", claim, "suit" or "loss" to another insurer when you should have reported to us, your failure to report to us will not be seen as a violation of these amended duties provided you give us notice as soon as practicable after the fact of the delay becomes known to you.

P. Waiver of Transfer Of Rights Of Recovery Against Others To Us

The following is added to the **Transfer Of Rights Of Recovery Against Others To Us** Condition:

This Condition does not apply to the extent required of you by a written contract, executed prior to any "accident" or "loss", provided that the "accident" or "loss" arises out of operations contemplated by such contract. This waiver only applies to the person or organization designated in the contract.

Q. Employee Hired Autos – Physical Damage

Paragraph **b.** of the **Other Insurance** Condition in the Business Auto Coverage Form and Paragraph **f.** of the **Other Insurance – Primary and Excess Insurance Provisions** Condition in the Motor Carrier Coverage Form are replaced by the following:

For Hired Auto Physical Damage Coverage, the following are deemed to be covered "autos" you own:

(1) Any covered "auto" you lease, hire, rent or borrow; and

(2) Any covered "auto" hired or rented under a written contract or written agreement entered into by an "employee" or elected or appointed official with your permission while being operated within the course and scope of that "employee's" employment by you or that elected or appointed official's duties as respect their obligations to you.

However, any "auto" that is leased, hired, rented or borrowed with a driver is not a covered "auto".

R. Unintentional Failure to Disclose Hazards

The following is added to the **Concealment, Misrepresentation Or Fraud** Condition:

However, we will not deny coverage under this Coverage Form if you unintentionally:

(1) Fail to disclose any hazards existing at the inception date of this Coverage Form; or

(2) Make an error, omission, improper description of "autos" or other misstatement of information.

You must notify us as soon as possible after the discovery of any hazards or any other information that was not provided to us prior to the acceptance of this policy.

S. Hired Auto – World Wide Coverage

Paragraph **7a.(5)** of the **Policy Period, Coverage Territory** Condition is replaced by the following:

(5) Anywhere in the world if a covered "auto" is leased, hired, rented or borrowed for a period of 60 days or less,

T. Bodily Injury Redefined

The definition of "bodily injury" in the **Definitions** Section is replaced by the following:

"Bodily injury" means bodily injury, sickness or disease, sustained by a person including death or mental anguish, resulting from any of these at any time. Mental anguish means any type of mental or emotional illness or disease.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

U. Expected Or Intended Injury

The **Expected Or Intended Injury** Exclusion in Paragraph **B. Exclusions** under **Section II – Covered Auto Liability Coverage** is replaced by the following:

Expected Or Intended Injury

"Bodily injury" or "property damage" expected or intended from the standpoint of the "insured". This exclusion does not apply to "bodily injury" or "property damage" resulting from the use of reasonable force to protect persons or property.

V. Physical Damage – Additional Temporary Transportation Expense Coverage

Paragraph **A.4.a.** of **Section III – Physical Damage Coverage** is replaced by the following:

4. Coverage Extensions

a. Transportation Expenses

We will pay up to $50 per day to a maximum of $1,000 for temporary transportation expense incurred by you because of the total theft of a covered "auto" of the private passenger type. We will pay only for those covered "autos" for which you carry either Comprehensive or Specified Causes of Loss Coverage. We will pay for temporary transportation expenses incurred during the period beginning 48 hours after the theft and ending, regardless of the policy's expiration, when the covered "auto" is returned to use or we pay for its "loss".

W. Replacement of a Private Passenger Auto with a Hybrid or Alternative Fuel Source Auto

The following is added to Paragraph **A. Coverage** of the **Physical Damage Coverage** Section:

In the event of a total "loss" to a covered "auto" of the private passenger type that is replaced with a hybrid "auto" or "auto" powered by an alternative fuel source of the private passenger type, we will pay an additional 10% of the cost of the replacement "auto", excluding tax, title, license, other fees and any aftermarket vehicle upgrades, up to a maximum of $2500. The covered "auto" must be replaced by a hybrid "auto" or an "auto" powered by an alternative fuel source within 60 calendar days of the payment of the "loss" and evidenced by a bill of sale or new vehicle lease agreement.

To qualify as a hybrid "auto", the "auto" must be powered by a conventional gasoline engine and another source of propulsion power. The other source of propulsion power must be electric, hydrogen, propane, solar or natural gas, either compressed or liquefied. To qualify as an "auto" powered by an alternative fuel source, the "auto" must be powered by a source of propulsion power other than a conventional gasoline engine. An "auto" solely propelled by biofuel, gasoline or diesel fuel or any blend thereof is not an "auto" powered by an alternative fuel source.

X. Return of Stolen Automobile

The following is added to the **Coverage Extension** Provision of the **Physical Damage Coverage** Section:

If a covered "auto" is stolen and recovered, we will pay the cost of transport to return the "auto" to you. We will pay only for those covered "autos" for which you carry either Comprehensive or Specified Causes of Loss Coverage.

All other terms, conditions, provisions and exclusions of this policy remain the same.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

ADDITIONAL INSURED – OWNERS, LESSEES OR CONTRACTORS – SCHEDULED PERSON OR ORGANIZATION

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Name Of Additional Insured Person(s) Or Organization(s)	Location(s) Of Covered Operations
Any person or organization, other than an architect, engineer or surveyor, to whom you are required to add as an additional insured under this policy under a written contract or written agreement executed prior to loss, except where such requirement is prohibited by law.	**Any Location or project, other than a wrap-up or other consolidated insurance program location or project for which insurance is otherwise separately provided to you by a wrap-up or other consolidated insurance program**
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

A. **Section II – Who Is An Insured** is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by:

1. Your acts or omissions; or
2. The acts or omissions of those acting on your behalf;

in the performance of your ongoing operations for the additional insured(s) at the location(s) designated above.

However:

1. The insurance afforded to such additional insured only applies to the extent permitted by law; and
2. If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

B. With respect to the insurance afforded to these additional insureds, the following additional exclusions apply:

This insurance does not apply to "bodily injury" or "property damage" occurring after:

1. All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or
2. That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

© Insurance Services Office, Inc., 2012

Wolters Kluwer Financial Services | Uniform Forms™

C. With respect to the insurance afforded to these additional insureds, the following is added to **Section III – Limits Of Insurance:**

If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance:

1. Required by the contract or agreement; or
2. Available under the applicable Limits of Insurance shown in the Declarations;

whichever is less.

This endorsement shall not increase the applicable Limits of Insurance shown in the Declarations.

© Insurance Services Office, Inc., 2012

WAIVER OF TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART
PRODUCTS/COMPLETED OPERATIONS LIABILITY COVERAGE PART

SCHEDULE

Name Of Person Or Organization:
Any Person or Organization that requires You to waive your Rights of Recovery, in a written contract or agreement with the Named Insured that is executed prior to the accident or loss.
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

The following is added to Paragraph **8. Transfer Of Rights Of Recovery Against Others To Us** of **Section IV – Conditions:**

We waive any right of recovery we may have against the person or organization shown in the Schedule above because of payments we make for injury or damage arising out of your ongoing operations or "your work" done under a contract with that person or organization and included in the "products-completed operations hazard". This waiver applies only to the person or organization shown in the Schedule above.

© Insurance Services Office, Inc., 2008

WAIVER OF OUR RIGHT TO RECOVER FROM OTHERS ENDORSEMENT

We have the right to recover our payments from anyone liable for an injury covered by this policy. We will not enforce our right against the person or organization named in the Schedule. (This agreement applies only to the extent that you perform work under a written contract that requires you to obtain this agreement from us.)

This agreement shall not operate directly or indirectly to benefit anyone not named in the Schedule.

Schedule

ALL PERSONS AND/OR ORGANIZATIONS THAT ARE REQUIRED BY WRITTEN CONTRACT OR AGREEMENT WITH THE INSURED, EXECUTED PRIOR TO THE ACCIDENT OR LOSS, THAT WAIVER OF SUBROGATION BE PROVIDED UNDER THIS POLICY FOR WORK PERFORMED BY YOU FOR THAT PERSON AND/OR ORGANIZATION OR SCHEDULED AND PREMIUM CHARGE.

This endorsement changes the policy to which it is attached and is effective on the date issued unless otherwise stated.

This endorsement modifies insurance provided under the:

Commercial Automobile Coverage Part

A. If we cancel or non-renew this Coverage Part by written notice to the first Named Insured, we will mail or deliver notification that such Coverage Part has been cancelled or non-renewed to each person or organization shown in a list provided to us by the first Named Insured if you are required by written contract or written agreement to provide such notification. However, such notification will not be mailed or delivered if a conditional notice of renewal has been sent to the first Named Insured. Such list:

1. Must be provided to us prior to cancellation or non-renewal;
2. Must contain the names and addresses of only the persons or organizations requiring notification that such Coverage Part has been cancelled or non-renewed; and
3. Must be in an electronic format that is acceptable to us.

B. Our notification as described in Paragraph **A.** of this endorsement will be based on the most recent list in our records as of the date the notice of cancellation or non-renewal is mailed or delivered to the first Named Insured. We will mail or deliver such notification to each person or organization shown in the list:

1. Within seven days of the effective date of the notice of cancellation, if we cancel for non-payment of premium; or
2. At least 30 days prior to the effective date of:
   a. Cancellation, if cancelled for any reason other than nonpayment of premium; or
   b. Non-renewal, but not including conditional notice of renewal.

C. Our mailing or delivery of notification described in Paragraphs **A.** and **B.** of this endorsement is intended as a courtesy only. Our failure to provide such mailing or delivery will not:

1. Extend the Coverage Part cancellation or non-renewal date;
2. Negate the cancellation or non-renewal; or
3. Provide any additional insurance that would not have been provided in the absence of this endorsement.

D. We are not responsible for the accuracy, integrity, timeliness and validity of information contained in the list provided to us as described in Paragraphs **A.** and **B.** of this endorsement.

All other terms and conditions of this policy remain unchanged.

NOTIFICATION TO OTHERS OF CANCELLATION ENDORSEMENT

This endorsement is used to add the following to Part Six of the policy.

PART SIX
CONDITIONS

A. If we cancel this policy by written notice to you for any reason other than nonpayment of premium, we will mail or deliver a copy of such written notice of cancellation to the name and address corresponding to each person or organization shown in the Schedule below. Notification to such person or organization will be provided at least 10 days prior to the effective date of the cancellation, as advised in our notice to you, or the longer number of days notice if indicated in the Schedule below.

B. If we cancel this policy by written notice to you for nonpayment of premium, we will mail or deliver a copy of such written notice of cancellation to the name and address corresponding to each person or organization shown in the Schedule below at least 10 days prior to the effective date of such cancellation.

C. If notice as described in Paragraphs **A.** or **B.** of this endorsement is mailed, proof of mailing will be sufficient proof of such notice.

SCHEDULE	
Name and Address of Other Person(s) / Organization(s):	**Number of Days Notice:**

AMENDMENT NO. 2

AGREEMENT FOR PROFESSIONAL ENGINEERING SERVICES BETWEEN CITY OF DESTIN AND ATKINS NORTH AMERICA, INC

THIS AMENDMENT is made and entered into this 17th day of August 2021, by and between the **CITY OF DESTIN** (hereinafter referred to as "CITY") and **ATKINS NORTH AMERICA, INC.** (hereinafter referred to as "CONSULTANT"), to extend and amend the professional engineering services agreement dated October 19, 2020 for professional consulting engineering services; and

NOW, THEREFORE, the **CITY** and the **CONSULTANT** further amend the agreement as follows:

1) **Addition of Services:**

   The Consultant shall re-design the existing pre-60% design plans for the Cross Town Connector project to reflect the improvements directed by City Council at the July 19th, 2021 meeting and as described in the attached Scope of Services.

2) **Compensation and Schedule:**

   The City shall pay $147,100.00 for the additional services as outlined in the Fee Schedule (Exhibit B). Payment for the additional design services will be based on the Fee Schedule.

IN WITNESS WHEREOF, the City and Consultant, through their duly authorized representative, execute this Amendment.

AMENDMENT NO. 3 TO

AGREEMENT FOR PROFESSIONAL ENGINEERING SERVICES BETWEEN CITY OF DESTIN AND ATKINS NORTH AMERICA, INC

THIS AMENDMENT is made and entered into this ____13___ day of May, 2022, by and between the **CITY OF DESTIN** (hereinafter referred to as "CITY") and **ATKINS NORTH AMERICA, INC.** (hereinafter referred to as "CONSULTANT"), to extend and amend the professional engineering services agreement dated October 19, 2020, for professional consulting engineering services; and

NOW, THEREFORE, the **CITY** and the **CONSULTANT** further amend the agreement as follows:

1) Addition of Services:

   The Consultant shall provide additional appraisal services for the Cross-Town Connector project. Services shall include additional appraisals for parcels 1 and 8. Additional details described in the Scope of Services (Attachment A).

   The Consultant shall provide architectural renderings as requested by City Council. Renderings shall focus on depicting available greenspace throughout the corridor and within the Pond 2 footprint. Additional details described in the Scope of Services (Attachment A)

2) Compensation and Schedule:

   The City shall pay $27,629.57 for the additional services as outlined in the Fee Schedule (Attachment B).

IN WITNESS WHEREOF, the City and Consultant, through their duly authorized representative, execute this Amendment.

SCOPE OF SERVICES

DEAL CONSULTING, P.A.

March 3, 2022

Mrs. Marsha Hayes, SR/WA
Hayes Consulting Services, LLC
Post Office Box 796
Chipley, Florida 32428

Re: Destin Bypass Road Phase I
Parcels 1 and 8 (Winton and Lowe) Whole Acquisitions
Appraisal Bid/Scope

Dear Mrs. Hayes:

I appreciate the opportunity to work with you on this matter. The following pages contain the provisions of this agreement. If you need anything else, please let me know.

925 Falling Waters Road Chipley, Florida 32428 Phone (850) 544-2524 sdeal@dealconsulting.net

INTENDED USERS
Marsha Hayes and City of Destin and Their Assigns (Referred to Herein as "The Client")

Note: No other users are intended by the appraiser. The appraiser shall consider the intended users when determining the level of detail to be provided in the appraisal report.

INTENDED USE
This appraisal is intended to assist the client in determining the market value of the property for a potential purchase and/or eminent domain action.

Note: No other use is intended by the appraiser. The intended use as stated shall be used by the appraiser in determining the appropriate scope of work for the assignment. The appraiser is not liable for any use, other than the intended use.

PROPERTY IDENTIFICATION
Parcel 1 – Winton Parcel - Okaloosa County PA 00-2S-22-5555-0000-0020 (Whole Take)
Parcel 8 – Lowe Parcel - Okaloosa County PA 00-2S-22-2335-0000-0130 (Whole Take)

PROPERTY TYPE
Parcel 1 – Vacant 1.1-Acre Property
Parcel 8 - Improved with a Triplex

INTEREST VALUED
The rights being appraised are those associated with a fee simple estate. Fee simple estate is defined in the Appraisal Institute's *The Appraisal of Real Estate, 12th Edition*, page 68 as:

> *Absolute ownership unencumbered by any other interest or estate, subject only to the limitations imposed by governmental powers of taxation, eminent domain, police power, and escheat.*

TYPE OF VALUE
The following definition of market value is taken from **Florida State Road Department v. Stack, 231 So.2d 859 Fla., 1st DCA 1969** as cited in the Florida Department of Transportation's Supplemental Standards of Appraisal.

> *"Value" as used in eminent domain statute, ordinarily means amount which would be paid for property on assessing date to willing seller not compelled to sell, by willing purchaser, not compelled to purchase, taking into consideration all uses to which property is adapted and might reasonably be applied.*

The market value opinion in this report is in terms of cash or terms equivalent to cash.
The intended user's attention should be directed to the fact that the market value estimated in this report is relevant as of the date of value. The market value estimated is also contingent on a reasonable exposure time in a competitive market. The reasonable exposure time will be estimated and defined in the following section of this report. It should be noted that any change in the date of value or exposure time identified in this report could significantly change the estimate of market value.

DATE OF VALUE
Current

ADDITIONAL PROPERTY TO BE VALUED
None

HYPOTHETICAL CONDITIONS, EXTRAORDINARY ASSUMPTIONS
Parcel 1 – N/A

Parcel 8 - It is my understanding that an interior inspection was not possible for the first appraiser. Therefore, I anticipate, for purposes of this bid/scope, to perform an exterior-only inspection of Parcel 8. The interior specifications will be based on the public record. Condition will be based on exterior condition and photos available on the local MLS, if any are available.

APPLICABLE REQUIREMENTS OTHER THAN THE UNIFORM STANDARDS OF PROFESSIONAL APPRAISAL PRACTICE (USPAP)

- The Code of Professional Ethics of the Appraisal Institute
- The Uniform Standards of Professional Appraisal Practice of the Appraisal Institute
- Chapter 475, Part II, Florida Statutes

ANTICIPATED SCOPE OF WORK

Site Visit:
Parcel 1 – Typical, Vacant Inspection

Parcel 8 - It is my understanding that an interior inspection was not possible for the first appraiser. Therefore, I anticipate, for purposes of this bid/scope, to perform an exterior-only inspection of Parcel 8.

Valuation Approaches:
Parcel 1 - The appraisal will employ the sales comparison approach as vacant.

Parcel 8 – I will employ the sales comparison approach and income approach as improved.

Note: Depending on further inspection and research, the conclusion as to the approaches to be used could change. I will use all approaches necessary to develop a credible opinion of value.

APPRAISAL REPORT

Report Option:
This is an assignment involving one appraisal report in accordance with the Uniform Standards of Professional Appraisal Practice (consistent with the former "summary appraisal report" in Standards Rule 2-2(b) of (USPAP). As such, the report presents sufficient information to enable the client and other intended users, as identified, to understand it properly. Supporting documentation is contained in my work file and will be made available at the client's request.

I will deliver one appraisal report per parcel.

PAYMENT TO APPRAISER

Parcel 1	$ 6,500
Parcel 8	$ 9,500
Total	$16,000

Invoice will be submitted to the client by Hayes Consulting at the time of their next billing date following receipt of appraisal. Payment is due to Deal Consulting, PA within 30 days of Hayes Consulting receiving payment from the client.

WHEN APPRAISER'S OBLIGATIONS ARE COMPLETE
The appraiser's obligations pursuant to this agreement are complete when the appraisal report in the form specified in this agreement is delivered to the client pursuant to this agreement. The appraiser agrees to be responsive to the client's/reviewer's legitimate inquiries regarding the contents of the report after delivery.

It is my understanding G. Daniel Green, MAI/SRA will review these reports. This bid is null and void if the reviewer is changed or another reviewer is added.

CONFIDENTIALITY
The appraiser shall not provide a copy of the written appraisal reports, nor disclose the results of the appraisals, to any party other than the client unless the client authorizes, except as stipulated in the Confidentiality Section of the Ethics Rule of the Uniform Standards of Professional Appraisal Practice (USPAP).

USE OF EMPLOYEES OR INDEPENDENT CONTRACTORS
The appraiser may use employees or independent contractors to complete the assignment at the appraiser's discretion, unless otherwise agreed by the parties. Notwithstanding, the appraiser shall sign the written appraisal report and take full responsibility for the services provided as a result of this agreement.

SERVICES NOT PROVIDED
The fees set forth in this agreement apply to the appraisal services rendered by the appraiser as set forth in this agreement. Unless otherwise specified herein, the appraiser's services for which the fees in this agreement apply shall not include meetings with persons other than the client nor the client's agents or professional advisors; the appraiser's deposition(s) nor testimony before judicial, arbitration or administrative tribunals; nor any preparation associated with such depositions or testimony. Any additional services performed by the appraiser not set forth in this agreement will be performed on terms and conditions set forth in an amendment to this agreement or in a separate agreement.

TESTIMONY AT COURT OR OTHER PROCEEDINGS
Unless otherwise stated in this agreement, the client agrees that the appraiser's assignment pursuant to this agreement shall not include the appraiser's participation in or preparation for, whether voluntarily or pursuant to subpoena, any oral or written discovery; sworn testimony in a judicial, arbitration or administrative proceeding; or attendance at any judicial, arbitration or administrative proceeding relating to this assignment.

CHANGES TO AGREEMENT
Any changes to the assignment as outlined in this agreement shall necessitate a new agreement. The identity of the client, intended users, or intended use; the date of value; type of value; or property appraised cannot be changed without a new agreement.

CANCELLATION
The client may not cancel this agreement at any time subsequent to the notice to proceed without full payment of fee.

GOVERNING LAW AND JURISDICTION
This agreement shall be governed by the law of the state in which the appraiser's office is located as specified in this agreement, exclusive of that state's choice of law rules. The parties agree that any legal proceeding brought by either party in order to interpret or enforce this agreement, or to enforce an arbitration award entered pursuant to this agreement, shall be brought in a state or federal court having jurisdiction over the location of the appraiser's office as specified in this agreement. The parties hereby waive any objections to the personal jurisdiction of said court.

APPRAISER INDEPENDENCE
The appraiser cannot agree to provide a value opinion that is contingent on a predetermined amount. The appraiser cannot guarantee the outcome of the assignment in advance. The appraiser cannot ensure that the opinion of value developed as a result of this assignment will serve to facilitate any specific objective of the client or others or advance any particular cause. The appraiser's opinion of value will be developed competently and with independence, impartiality, and objectivity.

NOTICES
Any notice or request required or permitted to be given to any party shall be given in writing and shall be delivered to the receiving party by: a) registered or certified mail, postage prepaid; (b)

overnight courier, such as Federal Express, United Parcel Service or equivalent; or (c) hand delivery. The address for delivery of any notice shall be the address for the party as specified in this agreement, or at such other address as party may designate by written notice to the other party in conformance with this paragraph. Unless otherwise specified herein, notice shall be effective on the date it is postmarked or given to a third party for delivery to the receiving party, whether or not the receiving party signs for or accepts delivery of such notice.

NO THIRD-PARTY BENEFICIARIES

Nothing in this agreement shall create a contractual relationship between the appraiser or the client and any third party, or any cause of action in favor of any third party. This agreement shall not be construed to render any person or entity a third-party beneficiary of this agreement, including, but not limited to, any third parties identified herein.

ASSIGNMENT

Neither party may assign this agreement to a third party without the express written consent of the other party, which the non-assigning party may withhold at its sole discretion. In the event this agreement is assigned by mutual consent of the parties, it shall become binding on the assigning party's permitted assigns.

SEVERABILITY

In the event any provision of this agreement shall be determined to be void or unenforceable by any court of competent jurisdiction, then such determination shall not affect any other provision of this agreement and all such other provisions shall remain in full force and effect.

CLIENT'S REPRESENTATIONS AND WARRANTIES

The client represents and warrants to the appraiser that (1) the client has all right, power and authority to enter into this agreement; (2) the client's duties and obligations under this agreement do not conflict with any other duties or obligations assumed by the client under any agreement between the client and any other party; and (3) the client has not engaged the appraiser, nor will the client use the appraiser's appraisal report, for any purposes that violate any federal, state or local law, regulation or ordinance or common law.

EXTENT OF AGREEMENT

This agreement represents the entire and integrated agreement between the client and the appraiser and supersedes all prior negotiations, representations or agreements, either written or oral. This agreement may be amended only by a written instrument signed by both the client and the appraiser.

ATKINS

Member of the SNC-Lavalin Group

PROJECT BACKGOUND

This is a supplemental agreement to create a rendered 3-D model and one (1) PowerPoint of the 60% design submitted dated 12/22/2021 of the Destin Connector from Beach Drive to Bennington Drive redesign and a pond alternative. This is for additional scope not covered in the original scope dated 10/19/2020. From the models, images will be taken and placed into a PowerPoint presentation to be shown to the City of Destin Council.:

SUBMITTALS

The project tasks include the following two (2) submittals:

1. 60% Submittal 3D Rendering PowerPoint

TASK 1: 60% Submittal 3-D Rendering PowerPoint

ATKINS shall prepare a (1) PowerPoint which will show images taken from the rendered 3-D model of the 60% design submitted to the City of Destin Council on 12/22/2021.

Tasks include:

1. 3-D Rendering: Prepare one (1) high quality 3-D rendering using the 60% design submittal.
2. PowerPoint Presentation: Prepare one (1) PowerPoint presentation. The presentation will include the following:
    a. Perspective and birds-eye view images of the rendered 3D model (4 total images)

Deliverables: PowerPoint (1 PowerPoint, 1 PDF)

Project Assumptions and Services Not Included

Services authorized by City of Destin other than those specifically listed in this Scope of Services shall be considered Additional Services, for which the City shall compensate the Consultant based on an additional fee that is mutually agreed upon. Additional Services will include, but not be limited to, the following:

- Revised plan sets or details of the alternative pond design
- Irrigation plans
- Public meetings
- In-person meetings
- Park planning, programming, and design
- Hardscape, pedestrian facilities, and ADA access requirements

ATTACHMENT B

FEE SCHEDULE

AMENDMENT NO. 4 TO

AGREEMENT FOR PROFESSIONAL ENGINEERING SERVICES BETWEEN CITY OF DESTIN AND ATKINS NORTH AMERICA, INC

THIS AMENDMENT is made and entered into this _20th_ day of July, 2022, by and between the **CITY OF DESTIN** (hereinafter referred to as "CITY") and **ATKINS NORTH AMERICA, INC.** (hereinafter referred to as "CONSULTANT"), to extend and amend the professional engineering services agreement dated October 19, 2020, for professional consulting engineering services; and

NOW, THEREFORE, the **CITY** and the **CONSULTANT** further amend the agreement as follows:

1) Addition of Services:

   The Consultant shall modify the drainage design to accommodate required treatment and attenuation volumes for Pond 2 underground. Updates to Landscaping and Roadway plans are required to reflect the changes to the drainage design. Additional detail described in the Scope of Services (Attachment A).

2) Compensation and Schedule:

   The City shall pay $45,491.58 for the additional services as outlined in the Fee Schedule (Attachment B).

IN WITNESS WHEREOF, the City and Consultant, through their duly authorized representative, execute this Amendment.

CITY OF DESTIN

Lance Johnson, City Manager
City Manager

Attest to Signature:

Rey Bailey, City Clerk

ATKINS NORTH AMERICA, INC

Matthew A. Taylor,
Vice President, PE

ATTACHMENT A

SCOPE OF SERVICES

Amendment #4 Scope

This is a supplemental agreement, as requested by City Council on July 11th, 2022, to modify the proposed drainage design to accommodate underground treatment and attenuation for Pond 2. An underground chamber system will be used to achieve required treatment and attenuation volumes for Pond 2. Subsequent updates to component plan sets are also included, such as roadway and landscaping plans, in order to reflect the revised drainage design. Additional information as to items included in this effort are shown in the Fee Schedule, Attachment B.

Task Includes:

Drainage design updates
Drainage calculations updates
Drainage design report updates
Additional NWFWMD Pre-app meeting
NWFWMD Permit application updates
Roadway plan updates
Landscape plan updates
Revised quantities and cost estimate

Submittals:

The design submittals following this supplemental will include a resubmittal of the 90% design plans, 100% plans, and final plans. Schedule for these submittals is as follows:

Amendment #4 NTP – Start
90% Resubmittal – 60 Days
100% Plans – 60 days
Final Plans – 30 days
Total – 150 days following NTP

Assumptions and Exclusions

Pond 1 design will remain unchanged, only Pond 2 will be modified to provide underground treatment and attenuation.

Assumes Pond 2 will remain in original location per the Pond Siting Report and will be designed for loads per current design (i.e., open space with some fill, shared use path, loading for maintenance vehicle(s)). However, the chamber system may be able to support future planned park features as designed per the manufacturer's specifications.

Assumes stormsewer design will remain mostly unchanged as currently designed, except for minimal changes to outfalls and any additional inlets or pipes needed for the change to underground retention.

Does not include updating design, calculations, report or permit application for any future additional impervious area associated with the planned use of the area as a park (i.e., parking lot, basketball/tennis court, etc).

Landscape plans will be updated to accommodate the revised drainage design. Additional services that are not included as part of this updated effort are: 3-D modeling, irrigation plans, public meetings, park planning, programming, and design, hardscaping, outdoor advertisement negotiations and permitting.

AMENDMENT NO. 5 TO

AGREEMENT FOR PROFESSIONAL ENGINEERING SERVICES BETWEEN CITY OF DESTIN AND ATKINS NORTH AMERICA, INC.

THIS AMENDMENT is made and entered into this the 29th day of APRIL, 2024, by and between the **CITY OF DESTIN** (hereinafter referred to as "CITY") and **ATKINS NORTH AMERICA, INC. (ATKINSREALIS USA INC),** (hereinafter referred to as "CONSULTANT"), to extend and amend the professional engineering services agreement dated October 19, 2020, for professional consulting engineering services; and

NOW, THEREFORE, the **CITY** and the **CONSULTANT** further amend the agreement as follows:

1. Addition of Services:

   The Consultant shall analyze and document changes that have occurred to the proposed project, the project study area, circumstances, regulations, and/or environmental impacts since the approval of the *Destin Cross Town Connector Environmental Impact Report* (EIR) Signed by the City in September 2020. The analysis of changes shall be in accordance with Part 1, Chapter 13 of the Florida Department of Transportation (FDOT) *Project Development and Environment (PD&E) Manual*. Additional detail is described in the Scope of Services (Attachment A).

2. Compensation and Schedule:

   The City shall pay a fixed fee of $110,370.50 for the additional services as outlined in the Fee Schedule (Attachment B). Invoicing will be monthly on a percent complete basis.

IN WITNESS WHEREOF, the City and Consultant, through their duly authorized representative, execute this Amendment.

CITY OF DESTIN

4/29/2024

Mr. Louis Zunguze
City Manager

Attest to Signature:

Rey Bailey, City Clerk

ATKINS NORTH AMERICA, INC.

(ATKINS REALIS USA INC.)

4/26/2024

Matthew A. Taylor, PE
Vice President

ATTACHMENT A

SCOPE OF SERVICES

Amendment #5 Scope

This is a supplemental agreement, as requested by City Council on April 15, 2024, to prepare a Design Change and Construction Advertisement Re-evaluation for the changes in impacts that have occurred since the *Destin Cross Town Connector Environmental Impact Report* was signed by the City in September 2020. This task requires identification and analysis of the changes in project design and the impacts on the social, cultural, natural and physical environment located in the project study area.

This task includes:

1. Description of major design changes and their anticipated affects including but not limited to:
    a. A new project description of the project being advanced to construction.
    b. Changes in applicable laws or regulations
    c. Evaluation of major design changes
    d. Public involvement activities conducted since completion of PD&E
    e. Project planning consistency
    f. Changes in right-of-way needs
    g. Assessment of any changes in impacts to the following environmental issues:
        i. Social Environment (social, economic, land use, mobility, aesthetics, relocations)
        ii. Cultural Resources (archeological and historic resources, recreation)
        iii. Natural Resources (wetlands, essential fish habitat, wildlife and habitat, floodplains, water resources)
        iv. Physical Resources (noise environment, air quality, construction impacts, contamination)
    h. Commitment Status
    i. Status of permits

Coordination will occur as needed with the City of Destin, the FDOT District 3, the State Historic Preservation Office, the Northwest Florida Water Management District, the US Fish and Wildlife Service, and the Florida Fish and Wildlife Conservation Commission.

Submittals:

FDOT Reevaluation Form, ***shown in Figure 13-1 of the PD&E Manual, Part 1, Chapter 13,*** with supporting Technical Memoranda Attachments

Cultural Resources Assessment Survey Update

Assumptions:

No additional public involvement is required for this re-evaluation, however, the City will provide summaries of City Council meetings involving the proposed project that occurred since the EIR was approved in September 2020.

Project documentation will be prepared in accordance with the FDOT Re-evaluation form found in the FDOT's PD&E Manual, Part 1, Chapter 13.

No further traffic analysis is required.

The City will review and approve the Design Change and Construction Advertisement Re-evaluation.

AMENDMENT NO. 6 TO

AGREEMENT FOR PROFESSIONAL ENGINEERING SERVICES BETWEEN CITY OF DESTIN AND ATKINS NORTH AMERICA, INC

THIS AMENDMENT is made and entered into this _____ day of February, 2025, by and between the **CITY OF DESTIN** (hereinafter referred to as "CITY") and **ATKINS NORTH AMERICA, INC. (ATKINSREALIS USA INC), (**hereinafter referred to as "CONSULTANT"), to extend and amend the professional engineering services agreement dated October 19, 2020, for professional consulting engineering services; and

NOW, THEREFORE, the **CITY** and the **CONSULTANT** further amend the agreement as follows:

1) Addition of Services:

   The Consultant shall provide an update to the 100% plans incorporating design changes to make the eastbound sidewalk along the Cross Town Connector SUN Trail compliant. Additional details described in the Scope of Services (Attachment A).

2) Compensation and Schedule:

   The City shall pay a fixed fee of $18,848.56 for the additional services as outlined in the Fee Schedule (Attachment B). Invoicing will be monthly on a percent complete basis.

IN WITNESS WHEREOF, the City and Consultant, through their duly authorized representative, execute this Amendment.

CITY OF DESTIN

SCOPE OF SERVICES

AtkinsRéalis

Scope of Services

Amendment 6 – SUN Trail

PROJECT BACKGROUND

This is a supplemental agreement to revise the 100% plans of the Destin Connector from Beach Drive to Benning Drive to include changes necessary for SUN Trail compliance.

SUBMITTALS

The tasks included with this amendment are the following:

1. Final Plans Update
2. Cost estimate

TASK 1: Final Plans

AtkinsRéalis will revise the 100% plans to make the sidewalk along the south side of the Destin Connector SUN Trail compliant. Design elements

1. Design Updates: Update design elements for SUN Trail compliance. The master design file will be updated to show a 12’ shared use path instead of the current 10’ shared use path, and design elements from the component sets will also be updated to accommodate the 12’ shared use path.
    a. Roadway Design File
    b. Typical Sections
    c. Signing and Marking Design File
    d. Landscaping
    e. Drainage
    f. Lighting
    g. Quantities

2. Plans Updates: Update the plans based on the design file changes for the 12’ shared use path.
    a. Roadway plan sheets
    b. Special Profiles
    c. Typical section sheets
    d. Cross sections
    e. Drainage cross-sections
    f. Signing and marking plans
    g. Landscaping Plans

h. Lighting
i. Summary of quantities

TASK 2: Cost Estimate

3. AtkinsRéalis will update the construction cost estimate based on the updated quantities and the current unit prices.

Project Assumptions and Services Not Included

- No additional survey will be required.
- No permit modification required for NWFWMD
- No modification to City's Major Subdivision/DO permits

TO: City Council

THRU: Rey Bailey, City Clerk

FROM: Kimberly Montgomery, Deputy City Clerk

DATE: 06/26/2025

SUBJECT: Destin Rodeo Run 5k Run/Walk - October 5, 2025

I. BACKGROUND: The Roadrunners Club of America & it's members (The Northwest Florida Track Club, Inc.) is requesting use of City ROW for their annual 5k run/walk on October 5, 2025.

II. DISCUSSION: The Northwest Florida Track Club, Inc. is requesting use of city streets (ROW) to hold their Annual Destin 5k Rodeo Run on Sunday, October 5, 2025. The Okaloosa County Sheriff's Office, Okaloosa County EMS, and the Destin Fire Control District have all been notified and have pledged their support for this request.

A. Link to Strategic Goals / Objectives:

- Enhance Quality of Life.
- Enhance the City's Recreational Services.

B. Effect on Budget (EOB): The City of Destin shall not incur any expense or revenue as a result of this request.

C. Level of Service (LOS): There is no staff requirement for this request.
D. Legislative Sponsor:
E. Business Impact Statement:

III. CONCLUSION: All related and required documentation has been submitted and approved for legal sufficiency by both the City Attorney and the Risk Manager. Staff recommends approval of this request.

IV. RECOMMENDED MOTION: I move to approve the request for use of City Streets for the Annual Destin Rodeo Run 5k Run/Walk on October 5, 2025.

ENDORSEMENT

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

This endorsement, effective 12:01 A.M.: 12/31/2024
Forms a part of Policy No.: AIL0003450335201

ADDITIONAL INSUREDS OWNERS AND/OR LESSORS OF PREMISES, SPONSORS OR CO-PROMOTERS

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE FORM

A. SECTION II - WHO IS AN INSURED is amended to include as an additional insured any person(s) or organization(s) of the types indicated by an "x" in any boxes shown below, but only with respect to liability for "bodily injury," "property damage" or "personal and advertising injury" caused, in whole or in part, by:

1. your acts or omissions or the acts or omissions of those acting on your behalf in the performance of your ongoing operations; or
2. you or those acting on your behalf in connection with the ownership, maintenance or use of that part of the premises leased, rented or loaned to you.

However:

1. The insurance afforded to such additional insured only applies to the extent permitted by law; and
2. If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

With respect to an additional insured owner and/or lessor of premises, this insurance does not apply to:

1. An "occurrence" or offense which takes place after you cease to be a tenant in possession of the subject premises.
2. "Bodily injury" or "property damage" arising out of:
   a. Structural alterations, new construction or demolition operations performed by or on behalf of the owner and/or lessor of premises;
   b. Any design defect or structural maintenance of the premises; or
   c. Any premises defect.

B. With respect to the insurance afforded to these additional insureds, the following is added to **SECTION III - LIMITS OF INSURANCE:**

If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance:

1. Required by the contract or agreement; or
2. Available under the applicable Limits of Insurance shown in the Declarations; whichever is less.

This endorsement shall not increase the applicable Limits of Insurance shown in the Declarations.

Schedule of Additional Insureds:

- [X] Owners and/or Lessors of the premises leased, rented or loaned to you
- [X] Sponsors
- [X] Co-Promoters
- [X] Any individual person(s) or organization(s) listed below:

  Coaches, Officials and Volunteers are additional insureds but only while acting within the scope of their duties for the insured (others by request and endorsement, subject to underwriting approval).

All other terms and conditions of the policy remain the same.

Subject: Upcoming Run in Destin

Mr. Maddox,
The Northwest Florida Track Club (NWFTC) is planning its annual Rodeo Run 5K to be held Sunday Oct 5, 2025 at 0800 hours.
The run will last approximately 1 hour.
As part of the permitting process, we need your approval.
The run will start and finish at Clement Taylor Park on Calhoun Ave, run along Calhoun and Cross streets.
The map is attached.
The roads will not be closed and all participants will be briefed to yield to emergency vehicles.
If we have an emergency, we will call 911.
Please reply to this email with your approval or call me if you have any questions.

Brian McMahon
Race Coordinator, NWFTC

Captain Fulghum,

Once again, we are starting to plan for our annual Rodeo Run 5K.
As you know, part of Destin's permitting process is to get approval from the Sheriff's Office.
I worked with you the last few years.
This year, the race date is Sunday, Oct 5, 2025, 8:00 start on Calhoun Ave and finishing at Clement Taylor Park.
We will use the same route as every other year; Calhoun to Cross to Calhoun to a turnaround, then back to the park.
Please reply to this email as your concurrence and I will include it with my permit application.
Thank you in advance,
Brian McMahon

Subject: FW: Upcoming running event in Destin

Brian,

Thank you for notifying the Destin Fire Control District of the Annual Rodeo Run 5K on Sunday Oct 5, 2025 at 0800am. The appropriate shift has been copied on this e-mail.
Please advise all participants to maintain an awareness for any responding emergency vehicle during all stages of the event and to immediately cede the right-of-way.
Have a great run and if you need any other assistance, please contact me.
This e-mail will serve as the Destin Fire Control District's acknowledgement of this event. Please forward it to the appropriate agencies.

Matt Taylor, Fire Marshal
Destin Fire Control District

Subject: Upcoming Run in Destin

Mr. Taylor,
The Northwest Florida Track Club (NWFTC) is planning its annual Rodeo Run 5K to be held Sunday Oct 5, 2025 at 0800 hours.
The race will last about 1 hour.
As part of the permitting process, we need your approval.
The run will start and finish at Clement Taylor Park on Calhoun Ave, run along Calhoun and Cross streets.
The map is attached.
The roads will not be closed and all participants will be briefed to yield to emergency vehicles.
If we have an emergency, we will call 911.
Please reply to this email with your approval or call me if you have any questions.

Brian McMahon
Race Coordinator, NWFTC

Hey Lisa,

Please acknowledge by replying to this email that you are ok with the Rodeo Run starting and stopping at the Leonard Destin Park instead of Clement Taylor if it is under construction on this date. I need to finalize the agenda item for the 7/7 Council Packet. See KK's email below.

ITEM # 2025-797

CITY OF DESTIN

AGENDA ITEM

COUNCIL MEETING DATE: July 7, 2025
TYPE OF AGENDA ITEM: Consent Agenda
AGENDA OUTLINE NUMBER: 3.F.

TO: City Council

THRU: Larry Jones , City Manager

FROM: Kimberly Montgomery, Deputy City Clerk

DATE: June 26, 2025

SUBJECT: Destin Fishing Museum Foundation, Inc. - 5k Mullet Run/Walk September 28, 2025

I. BACKGROUND: The Destin Fishing Museum Foundation, a.k.a. Destin History & Fishing Museum is requesting use of city streets to hold the Annual 5k Mullet Run/Walk on Sunday, September 28, 2025. The Okaloosa County Sheriff's Office, Okaloosa County EMS, and the Destin Fire Control District have all been notified and have pledged their support for this request.

II. DISCUSSION:

A. Link to Strategic Goals / Objectives:

- Enhance Quality of Life.
- Enhance the City's Recreational Services.

B. Effect on Budget (EOB): The City of Destin shall not incur any expense or revenue as a result of this request.

C. Level of Service (LOS): There is no staff requirement for this request.

D. Legislative Sponsor:

E. Business Impact Statement:

III. CONCLUSION: All related and required documentation has been submitted and approved for legal sufficiency by both the City Attorney and the Risk Manager. Staff recommends approval of this request.

IV. RECOMMENDED MOTION: I move to approve the Destin Fishing Museum Foundation, Inc. request for use of city streets to hold their Annual 5k Mullet Run/Walk on

ITEM # 2025-797

Sunday, September 28, 2025.

ADDITIONAL INSURED – MANAGERS OR LESSORS

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

City of Destin
4100 Indian Bayou Trail
Destin, FL 32541

Section II – Who Is an Insured is amended to include as an additional insured the person or entity shown in the Schedule, but only with respect to liability arising in that part of the

A. designated premises leased, licensed, or otherwise available to you and subject to the following additional exclusions:

1. This insurance does not apply to any loss, claim, "suit," cost, expense or liability for damages directly or indirectly based on, attributable to, arising out of, involving, resulting from, or in any way related to:

   a. Any "occurrence" which takes place prior to your occupancy or after you cease to be a tenant on those premises or.

   b. Structural conditions, alterations, construction, demolition, maintenance, or other operations performed by or on behalf of the person or entity shown in the Schedule.

2. Coverage (including defense) is provided only to the extent that liability is created for an additional insured by the negligent acts, errors, or omissions of the Named Insured. If liability for injury or damage is imposed or sought to be imposed on any additional Insured because of the acts, errors, or omissions of any additional insured or any person or entity under the direction or control.

of any additional insurance, this insurance does not apply.

Coverage for an additional insured under this endorsement shall be excess. Any other insurance the additional insured has shall be primarily with respect to this insurance.

Except as provided herein, all other terms, conditions, provisions, exclusions, and endorsements of this policy remain the same and applicable.

Hello Everyone!

We will be leaving the roads open and the runners will comply with the pedestrian traffic laws. For the intersections along the route we have enough volunteers to cover them all. We were thinking it may be beneficial to have a posse member at the Kelly/Benning intersection and the Stahlman/Azalea intersection. We believe that these are the busiest intersections along the route. We will have directional signs and volunteers along the route to keep the runners on track. Please let me know if you have any questions or concerns.

Thank you!
Vivienne

Hello!

My name is Vivienne Williams. I am the Executive Director at the Destin History and Fishing Museum. We are planning our third 5K, the Mullet Run, on September 28 at 4pm. Per the city regulations they require that we reach out to you. Please let us know that you have this event on your calendar. If there are any issues please let us know. The route map is attached to this email. The race starts and ends at the Destin Brewery.

Thank you,

Vivienne

Vivienne,

Thank you for notifying the Destin Fire Control District of the **Mullet Run 5k run on September 28 at 4pm.** *The appropriate shift has been copied on this e-mail.*

Please advise all participants to maintain an awareness for any responding emergency vehicle during all stages of the event and to immediately cede the right-of-way.

Have a great run and if you need any other assistance, please contact me.

This e-mail will serve as the Destin Fire Control District's acknowledgement of this event. Please forward it to the appropriate agencies.

Matt Taylor, Fire Marshal

Good Evening,

You will need to supply a traffic safety plan to OCSO (Capt. Fulghum copied here) along with estimated number of runners, hold-harmless agreement to the City, etc. Pending approval of those items, Public Safety will have no objection.

Stay safe,

MINUTES
EXECUTIVE SESSION
CITY COUNCIL
JUNE 16, 2025
5:30 PM
CITY HALL ANNEX COUNCIL CHAMBERS

The Council of the City of Destin met at an executive session with the following members and staff present:

Council Present

Mayor Bobby Wagner
Councilmember Terésa Hebert
Councilmember Sandy Trammell
Councilmember Kevin Schmidt
Councilmember Dewey Destin
Councilmember Jim Bagby
Councilmember Rodney Braden
Councilmember Torey Geile

Staff Present

City Manager Larry Jones
City Clerk Rey Bailey
City Attorney Kimberly Romano Kopp
William G. Warner, Esq.

Others Present

Liz Reyes, Court Reporter

CALL TO ORDER

1. EXECUTIVE ATTORNEY-CLIENT SESSION: Pursuant to Section 286.011(8), Florida Statutes, the City's Special Counsel will be seeking the advice of the City Council regarding settlement negotiations and/or strategy related to litigation expenditures concerning the pending litigation:

   Carissa Harbarger, Rainbow Frost Ice Cream, Inc.; Ronald Ellison; William Ellison v. City of Destin et al Case no.3:25-cv-00550

Mayor Wagner convened the meeting and announced that:

"This session of the Destin City Council is hereby convened as noticed by publication in a newspaper of general circulation, The Northwest Florida Daily News, on Wednesday, June 11, 2025.

The City Attorney states as follows:

"Pursuant to §286.011(8), Florida Statutes, at this time, I would like to request that we adjourn to executive session so that I, the attorney of record for the City of Destin in:

Carissa Harbarger, Rainbow Frost Ice Cream, Inc.; Ronald Ellison; William Ellison v. City of Destin et al Case no.3:25-cv-00550

may receive the Council's advice regarding the strategy to be used in this case and the type of expenses to be incurred."

The entire session would be recorded by a court reporter, the transcript would be filed with the City Clerk, and available to the public at the conclusion of the litigation discussed today. A copy of the published notice of this executive session is hereby identified as Exhibit A and will be attached to the transcript of this executive session.

In addition to the Mayor and City Council members in attendance tonight, the following persons will attend the session:

Attorneys for the City: ***William G. Warner, Esq.***
Warner Law Firm, P.A.
519 Grace Avenue
Panama City, Florida 32401

Kimberly Romano Kopp, Esq., LEED AP
Romano Kopp Law, PA.
P.O. Box 445
Destin, Florida 32541-0445

City Manager: ***Larry Jones***

The City Attorney (Cont.)

"At this time will the mayor and council members in attendance please identify yourselves for the record?"

The following members of the city council each announced their presence:

Mayor Bobby Wagner
Councilmember Kevin Schmidt
Councilmember Torey Geile
Councilmember Terésa Hebert
Councilmember Jim Bagby
Councilmember Dewey Destin
Councilmember Sandy Trammell
Councilmember Rodney Braden

The City Attorney (Cont.)

"I estimate that this executive session will take approximately 30 minutes. At the conclusion of the executive session, the Council will reconvene the public hearing, accept any motions if applicable, and the mayor will end the session."

Mayor Wagner states that:

"At this time, we will recess the public portion of tonight's meeting and convene the executive session.

Individuals whose names are not listed in the published notice left the room and the executive session convened.

Once the closed session ended and the City Clerk has returned, Mayor Wagner states:

"We will now reconvene the public portion of this meeting and I will accept any motions from the council."

Councilmember Bagby moved to direct the Warner Law Firm to continue pursuing litigation and to provide ongoing updates to the City Attorney and City Manager. Councilmember Trammell seconded the motion, and it passed unanimously, 7-0.

ADJOURNMENT:

Having no further business at this time, the mayor adjourned the meeting at 5:50 PM.

ADOPTED THIS 7TH DAY OF JULY 2025
By:

_____

Bobby Wagner, Mayor

ATTEST:

_____

Rey Bailey, City Clerk

REGULAR MEETING
DESTIN CITY COUNCIL
JUNE 2, 2025
CITY HALL ANNEX COUNCIL CHAMBERS
6:00 PM

The Council of the City of Destin met in regular session with the following members and staff present:

Destin City Council

Mayor Bobby Wagner
Councilmember Kevin Schmidt
Councilmember Terésa Hebert
Councilmember Sandy Trammell
Councilmember Dewey Destin
Councilmember Jim Bagby
Councilmember Rodney Braden

Destin City Staff

City Manager Larry Jones
Human Resources Director Jaime Haynes
Deputy Comm Dev Director Steve O'Connor
Public Information Director Tamara Young
Community Development Director David Pritchard
Projects/Grants/Contract Manager Jeffrey Cozadd
City Attorney Kimberly Kopp
City Clerk Rey Bailey
Finance Director Krystal Strickland
Public Works Director Michael Burgess
City Engineer Robert Tomasek
Parks & Recreation Director Lisa Firth
IT Director Andy Peters
Principal Planner David Butler

CALL TO ORDER, INVOCATION AND PLEDGE OF ALLEGIANCE

Mayor Bobby Wagner called the meeting to order at 6:00 PM. Pastor David J. Butler of Faith Assembly Christian Church gave the invocation, which was then followed by the recitation of the Pledge of Allegiance.

AGENDA APPROVAL

Motion by Councilmember Hebert, seconded by Councilmember Schmidt, to approve the agenda passed 6-0. Councilmember Geile was absent from the meeting.

1. PROCLAMATIONS / RECOGNITIONS / SPECIAL / PUBLIC PRESENTATIONS / ANNOUNCEMENTS

A. Rotary Club of Destin - Citizen Above Self Award 2025

Mayor Wagner read the Proclamation honoring Jessica Holzapple as the recipient of the Citizen Above Self Award 2025, and declaring June 2, 2025, as "Jessica Holzapple Day in the City of Destin.

2. PUBLIC COMMENTS

Mr. Riley Tanaka of 606 Harbor Lane described a recent safety incident involving jet skis on the sandbar in front of his residence. While snorkeling with his daughter, multiple jet skis approached at full speed within 10 feet of them, nearly causing a collision. Despite confronting the operators, who claimed to be in control, Mr. Tanaka emphasized the danger and discourtesy of such behavior. He requested city council guidance to address the broader safety implications of jet ski activity near residential areas. Though not on the agenda, he asked that the council treat it as a public safety concern.

Mr. Tadlock of 502 Norriego Point inquired whether boring operations for utility and fiber installations were being suspended. The City Manager responded that all major boring within the US-98 corridor south right-of-way was halted until after Labor Day, except for ongoing ADS undergrounding projects.

Regarding bonfires, Mr. Tadlock voiced strong opposition. He highlighted risks including environmental degradation, personal safety (referencing fire-related fatality statistics), and the disruption bonfires might bring to densely populated beach areas. He cited the West Destin Beaches and Norriego Point Park as inappropriate locations, urging the council to avoid jeopardizing neighborhood safety and tranquility.

Mr. Don Dulles of 442 Snapper Drive referenced a 2017 *Northwest Florida Daily News* article detailing a $3.6 million National Fish and Wildlife Foundation grant intended for stormwater improvements. He expressed frustration that despite multiple visits by city staff and ongoing drainage projects across Destin, his street (Mary Street) remained unaddressed. Mr. Dulles compared this neglect to extensive spending on other projects—including pickleball courts, bridge purchases, and walkway improvements—and called out inequities in how the city prioritizes public funds. He asked the city to expedite stormwater relief in his area, noting his ongoing burden of sandbagging and paying for flood insurance.

Ms. Kerrie Harbarger of 307 Mountain Drive raised renewed complaints about illegal ice cream carts operating on Destin's beaches. She reported that these vendors operate daily, unlicensed and untaxed, often misrepresenting themselves as lifeguard-affiliated to the public. She linked their presence to conflicts with sword fishermen, especially during Pompano season, where vendors are forced onto the sand due to lines cast in the water. She stressed the need to enforce regulations, stating that council directives had not resulted in meaningful action. She also emphasized that legitimate, local businesses were being undercut by transient operators and urged accountability.

Ms. Fay Colbertson of 6 Norriego Road opposed proposed bonfire allowances, citing Destin's limited beach area, environmental risks, and threats to local turtle nesting. She also voiced concern over the frequency of fireworks, particularly in the new Holiday Isle park due to respiratory effects and excessive smoke. She asked whether parks would have dusk-to-dawn closures and expressed her desire to preserve Destin's natural tranquility.

Mr. John McHale of 306 Harbor Blvd questioned the legitimacy and transparency of recent dock approvals near his business location. He observed inconsistencies between city maps and what was designated as "public," noting selective enforcement of slip access. Although supportive of business growth, Mr. McHale urged the city to consider infrastructure pressures such as parking and restroom facilities that affect residents and tourists alike. He warned against creating tension-filled environments, referencing negative tourism experiences in other destinations. He called for responsible harbor growth and revisiting prior project approvals.

The City Attorney commented that the dock-related concerns would be addressed during a quasi-judicial hearing scheduled for June 16th and directed the public and council to engage formally during that session.

Ms. Barbara Coleman, who resides at Destin Pointe, expressed opposition to the bonfire proposal, especially near the East Pass state lands where turtle nesting has occurred successfully in recent years. She associated bonfires with excessive noise, drinking, and party behavior incompatible with a residential setting. She urged the council to reject measures that would disturb peace, wildlife, and community well-being.

3. CONSENT AGENDA

A. Boathouse & Oyster Bar Forrest Day 5k
B. 4144 Belcourt Dr, Residential Marine Construction, HWB-001565-2025
C. 724 Harbor Blvd, Commercial Marine Construction, HWB-001582-2025

Councilmember Hebert moved for the approval of Consent Agenda items 3A through 3C, as printed above, seconded by Councilmember Trammell. Motion passed 6-0.

4. CITY MANAGER REPORTS

A. RFP 25-05-PW, Disaster Debris Management Services, authorization to execute Contracts

The City Manager opened the discussion by explaining that the city had issued a Request for Proposals and received several qualified submissions. These contracts are pre-positioned and would remain inactive unless a disaster occurs that requires emergency debris removal. The City Manager emphasized the importance of having two firms on standby—TFR Enterprises and Southern Disaster Recovery LLC—to ensure adequate capacity and flexibility in response to a disaster.

Councilmember Schmidt moved to approve award of three-year pre-positioned contracts for disaster debris management services to TFR Enterprises, Inc., and Southern Disaster Recovery, LLC, and to authorize the City Manager to execute all necessary agreements related to RFP 25-05-PW. Councilmember Hebert provided a second to the motion.

Councilmember Destin inquired about the historical service provided by Crowder Gulf, noting that the city had received reliable service from the company for over 20 years, possibly dating back to Hurricane Opal. He questioned whether either of the recommended firms had held

the contract previously and why Crowder Gulf, despite submitting a proposal, was not among the top-ranked firms.

In response, the Public Works Director clarified that TFR Enterprises had held the contract for the past five years, while Crowder Gulf had previously served but was not selected in the current round. The evaluation was based on criteria outlined in the RFP, which included price, staff experience, past performance, project approach, and financial capability. While all 12 proposals were well-qualified, pricing played a significant role due to FEMA's reimbursement structure, which covers 75% of disaster recovery costs, with the state and local government splitting the remaining 25%. The Director revealed that Southern Disaster Recovery's estimated cost for the modeled event was $79.3 million, compared to Crowder Gulf's $83.34 million – a difference of about $4 million. This price differential was a determining factor in the final selection, even though Crowder Gulf had a long-standing history with the city.

With no further comments from the council members, the mayor called for a vote on the motion on the floor, which passed 6-0.

B. Bonfires on the Beach Discussion

The City Manager began by reporting on research requested by the Council regarding how neighboring Walton County handles beach bonfires. Walton County allows bonfires on both public and private beaches with a $100 permit plus a $5 administrative fee. Permits are issued by the South Walton Fire District, and revenues are shared between the county and fire district. With approximately 9,500 bonfires annually, the program generates significant income, though the City Manager noted Destin would not reach such numbers. The Destin Fire Control District indicated a willingness to serve as the permitting authority if the council pursued this. However, he cautioned that any change would require amending the city's ordinances. He also emphasized the importance of using vendors to ensure compliance, suggesting that businesses dependent on maintaining permits are more likely to follow regulations.

Councilmember Hebert asked if bonfires would be permitted only on public beaches owned by the city or also on private property. She noted concerns about permanent residents in areas like Holiday Isle.

The City Manager clarified that under the proposed system, permits could be issued for both public and private beaches. He cautioned that city-owned beaches are narrow and may not be suitable for bonfires. Walton County, he noted, limits bonfire flame height to four feet, although enforcement can be tricky. He affirmed that coordination with the fire department for permitting and monitoring would be essential, although Walton County primarily relies on code enforcement due to limited fire personnel availability.

Braden expressed concern about environmental impacts, referencing frequent complaints about fireworks and air shows at the harbor. He claimed the air shows burn large amounts of oil, contributing more pollution than bonfires. He shared his personal experiences with bonfires in Walton County, highlighting that local code enforcement was actively checking permits, something he doubted Destin's staff could realistically replicate.

Councilmember Schmidt, who had also participated in bonfires in Walton County, stressed that the process there was well-regulated. He supported the idea of limiting bonfire frequency (e.g., one per night) and location within the city. He proposed restrictions on months of operation (excluding turtle nesting season) and emphasized the potential revenue if done responsibly.

Councilmember Destin asked how the city code defined "beach" to understand whether fires further inland would be allowed.

The City Attorney read the following definition of "beach", *"The zone of unconsolidated material that extends landward from the mean low water line to the place where there is a marked change in material or physiographic form or to the line of permanent vegetation, usually the effective limit of storm waves."* She noted that areas above this line would not fall under the beach definition, and fires there would be subject to different rules.

Councilmember Bagby, drawing from his time as tourism director in Walton County, doubted the 9,500-bonfire figure and said he had reached out to Walton officials for confirmation. He warned of enforcement issues, such as unauthorized vendors and unsafe practices like burying fires in the sand—hazardous particularly during turtle nesting season. He opposed unlimited permitting but was open to a tightly controlled pilot program.

Councilmember Schmidt moved for city staff and the attorney to draft an ordinance allowing beach bonfires under strict conditions:

- **Limited to the months October through March.**
- **Only through an approved vendor (initially one).**

Motion seconded by Councilmember Hebert.

He clarified this was to begin the ordinance process, not immediate implementation.

Councilmember Braden raised concerns about allowing private vendors to operate and profit on city-owned beaches, which currently lack designated vendors. The City Attorney clarified the ordinance could specify fire-only vending permissions and limit vendors to private property or permitted areas.

Instead of moving forward with an ordinance, Councilmember Destin proposed holding a public hearing at the first July meeting to gather more input. He noted that, so far, public commentary had been mostly opposed.

Councilmember Destin offered a substitute motion to schedule a public hearing on this matter for the first city council meeting in July, which is set for July 7th. The motion was seconded by Councilmember Braden and passed 6-0.

C. 4481 B Luke Avenue - Proposed Scaglione Agreement

This transcript outlines the discussion regarding a proposed temporary agreement for 4481B Luke Avenue, prompted by a miscommunication between city staff and the property owner, Ms. Barrie Scaglione. The City Attorney explained that due to conflicting guidance provided to the property owner – resulting in construction and expenditures based on incorrect

interpretations – the city was recommending a compromise: a temporary agreement permitting short-term rental use of an attached unit only while the owner resides on the property. The agreement would become null upon the property's sale or the owner's departure.

Councilmember Braden expressed strong opposition, recounting how contractors and builders have long been misinformed by staff only to be contradicted later by code enforcement. He emphasized that, as builders, they are routinely told it's their responsibility to verify ordinances themselves. He questioned why, in this case, the homeowner would be treated differently or receive compensation via a special agreement.

Councilwoman Hebert voiced similar concerns, advocating for clear, written communication from staff rather than informal verbal confirmations. She urged that staff require all clarifications to be sent and confirmed via email to avoid such confusion.

The City Attorney noted that while some email communication had occurred in this instance, the homeowner, Ms. Scaglione, and her spouse were present and could better elaborate. Ms. Scaglione addressed the council, describing the exhausting process and expressing frustration that she had received multiple assurances from city personnel that her plans were permissible—despite later being told otherwise. She underscored her good faith, the existence of supportive emails, and her willingness to comply fully, including living onsite and acting as a responsible neighborhood steward.

Councilmember Destin supported the agreement, highlighting it as a fair solution given the circumstances. He appreciated that the owners would be present on-site and noted that this arrangement would address typical issues associated with short-term rentals.

Councilmember Destin moved to approve the proposed agreement with the property owner, seconded by Councilmember Hebert.

Councilmember Schmidt sought timeline clarification, particularly around when the incorrect guidance was given. The Community Development Director explained that the initial permit was submitted in July 2023, revised in early August after staff identified that the requested design would constitute an impermissible Accessory Dwelling Unit (ADU). A revised plan showing internal connectivity between the structures was approved as an addition, with a condition clearly stating that short-term rental of the unit was not allowed. However, in October, a staff error led to an email mistakenly approving the use of a short-term rental, which was corrected within two weeks.

The discussion turned to the failure of the contractor to communicate permit restrictions to Ms. Scaglione. Staff emphasized that the contractor, not the homeowner, signed the permit application and should have conveyed the use limitations. Several council members expressed concern over the contractor’s performance and questioned whether the homeowner would pursue a complaint through the Florida DBPR.

Councilmember Bagby acknowledged the complexity and requested an amendment to the motion requiring that the agreement not take effect until the homeowner formally relinquishes her homestead exemption status. Ms. Scaglione agreed and pledged to begin that process immediately.

Councilmember Destin offered an amended motion to approve the proposed agreement with the property owner, contingent upon the withdrawal and official confirmation of the property's homestead exemption; and that the agreement shall not be executed until this condition is satisfied. Councilmember Hebert provided a second to the amended motion, which passed 4-2, with Council members Schmidt and Braden dissenting.

D. Engagement Letter with Warner Law Firm for Requested City Litigation re: Beach Vending

The city council considered an engagement letter with the Warner Law Firm to represent the city in litigation against beach vendors who are in violation of the city's code. The City Attorney explained that this item was a follow-up from a previous meeting, where the council directed staff to seek legal representation for enforcing regulations on unauthorized beach vending. The City Attorney stated that the Warner Law Firm was recommended because they are already handling an insurance defense case involving the city, which has given them familiarity with the relevant issues. The firm agreed to offer the same competitive rates they charge to the city's insurance provider, making this engagement cost-effective. She also clarified that engaging Warner would allow the city to file its own lawsuit through the Circuit Court of Okaloosa County, a process that could yield more enforceable outcomes than internal options like code citations or the special magistrate.

Councilmember Bagby raised two concerns. First, he insisted on including a $30,000 spending limit on the engagement, citing opposition to any blank check arrangement. He stated that he would not support the motion without a firm cap.

Councilmember Bagby asked what the Sheriff's Office was doing to help enforce the code on the beach, and whether changes to the ordinance – such as adding arrestable offense – could provide stronger enforcement tools.

In response, Captain Fulghum of the Sheriff's Office explained that deputies currently alert the city's code enforcement staff when they observe violations and may remain on-site for safety if requested. However, under their existing contract, the Sheriff's Office does not enforce the city's Land Development Code. Only provisions codified in the general code. Capt Fulghum noted that if the city wanted the Sheriff's Office to assume a greater enforcement role, particularly to act against unlicensed vendors, this would require an ordinance revision and funding for an additional beach patrol unit. He also clarified that while the Sheriff's Office does not want to regulate the conduct of permitted businesses, they would be willing to act against individuals operating without a permit. Regarding enforcement options, the City Attorney confirmed that the city could amend its code to make violations a misdemeanor offense, punishable by up to $500 in fines and 60 days in jail. Capt Fulghum acknowledged this and confirmed that such enforcement would be possible if the ordinance was updated accordingly.

Councilmember Braden asked how many citations had been issued to date, referring to a public comment suggesting there had been only a few warnings. In response, the Deputy Community Development Director reported that since the last city council meeting, eleven $500 citations had been issued – six to repeat offenders and another four to a different repeat offender. Three verbal or written warnings were also issued, and one additional citation was given to a vendor attempting to take advantage of the Memorial Day weekend.

Councilmember Schmidt expressed strong opposition to the engagement letter. He cited multiple reasons including opposition to open-ended spending, skepticism about bypassing existing processes, and concerns about prioritizing this issue over long-standing complaints from residents about trash, illegal parking, RVs in driveways, and sidewalk blockages. He questioned the urgency behind this issue, noting that complaints appeared to come primarily from a single business owner. He argued that the city had not yet fully exhausted existing enforcement tools, such as the Special Magistrate Hearing process, and urged the council to allow that process to play out before committing to litigation.

The City Attorney elaborated on the Special Magistrate Hearing process, stating that a hearing was scheduled for June 17. She explained that if vendors are found in violation, they will be given a compliance deadline. If they fail to comply, they would be subject to daily fines – initially ranging from $50 to $250, potentially increasing to $500 per day for repeat violations. She explained that the city can place a lien on any real or personal property owned in the county but noted that homesteaded properties are exempt. If the violators cease operations and leave, that would be considered compliance under the current code enforcement framework.

Councilmember Destin raised concerns about enforcement challenges when violations are committed by individuals who do not own lienable property. He emphasized that the Special Magistrate has no enforcement power beyond fines and liens, whereas the circuit court could order compliance under penalty of jail time, regardless of property ownership. He supported the engagement with Warner Law Firm on that basis.

Councilmember Destin moved to authorize the City Manager to engage the Warner Law Firm to represent the City of Destin against mobile vendors that fail to comply with city regulations and proceed with the necessary legal action. The city's Finance Director is to bring back to the council a recommendation on how to fund the litigation. As a temporary measure, the funding will come from general revenue until funds become available—such as the anticipated $20,000 to $30,000 from recent code enforcement actions. The legal expenses shall be capped at $30,000 for the initial year, in accordance with the estimate provided by the Warner Law Firm. Any expenditure beyond the $30,000 cap must receive prior approval from the City Council. Councilmember Hebert provided a second to the motion.

Councilmember Bagby stated that he would support the engagement letter because the magistrate process would take too long to produce meaningful results. He noted that even if violators are found guilty on June 17, they would likely receive 30 to 60 days to comply, meaning enforcement might not occur until the end of summer – by which point the peak season would have already passed. He added that he would propose additional actions following the vote to ensure the city continues to pursue multiple enforcement avenues.

The motion passed 5-1, with Councilmember Schmidt dissenting.

Councilmember Bagby made a motion to direct the city manager and the city attorney to sit down with the sheriff's office and bring back a plan to put this in an enforceable code, not the Land Development Code, to preclude this action, seconded by Councilmember Hebert. Motion passed 5-1, with Councilmember Schmidt dissenting.

D. Draft Minutes of Standing Committees and Boards - Informational Only

E. Announcements

1) Due to a recent waterline strike on Holiday Isle, the city met with Gigapower and imposed a $500,000 bond requirement, similar to what was implemented for Live Oak. All work by the company is suspended on Fridays and limited to the hours of 7:00 a.m. to 3:00 p.m., Monday through Thursday. Additionally, no work is allowed on Highway 98 right-of-way or south of it, except for the city's undergrounding contractor ADS and those directly supporting them. Only one permit will be issued at a time for Gigapower's work, and subsequent permits will not be issued until previous work is completed and any damage is repaired. The only exception is boring or digging on private property to install services for end users.

2) The city discussed beach vending enforcement with the Department of Environmental Protection (DEP), who stated they would not enforce vending restrictions unless a permanent or semi-permanent structure was present. DEP also indicated the city could define "beach" however it chooses in its ordinances, and they would not contest that definition.

3) An unexpected issue arose with the animal control services provided through the PAWS contract. At 4:00 p.m., the city was notified that the agreement would be terminated at 5:00 p.m. the same day. Fortunately, Walton County provided backup coverage over Memorial Day weekend, though no calls were reported. The city is now exploring alternative animal control options, both for control and possibly housing. Staff also hope to meet with PAWS representatives to determine if the relationship can be salvaged.

4) A pre-bid meeting for the Crosstown Connector project was recently held, with eight contractors in attendance, which bode well for receiving competitive pricing for the work.

5) The library received a $2,500 nationwide general literacy grant supporting programs across 48 states. Its summer reading program is underway and runs through August 2nd. The kickoff event was held this past Friday, attracting over 200 participants, and over 14,000 minutes of reading have already been logged.

6) On June 9th, the city will host a public workshop to present the SRS (Strategic Redevelopment Study) results for the Town Center and other city improvement areas. The event will begin at 5:00 p.m. at the annex with a visioning board open house, followed by a 5:30 p.m. council meeting to discuss the findings and receive community feedback. A budget workshop will follow the SRS session.

7) The city submitted formal concerns regarding the poor condition of navigational aids at East Pass, an issue long tied to restoration projects. City staff are working with Alex Fogg and Congressman Patronis' office to urge the U.S. Coast Guard to

prioritize this. A call was held with Colonel Fountain, the congressional liaison, who assured the city that action is being taken, and funding efforts are underway.

8) The Children's Park at Morgan Sports Center reopened on May 24th, and the official ribbon-cutting ceremony is scheduled for Monday, June 16th, at 10:00 a.m. Additionally, on Friday, June 20th, from 4:30 to 7:30 p.m., Parks and Recreation will host its first Friday night event at Destin Elementary School, featuring live music, food trucks, and other fun activities.

9) The city is also advancing plans to expand its utility box art wrap program. Two wraps have been identified for 2025: one on the green FPL box at Airport and Main near the white church, and the other on the gray city-owned box kitty-corner to it. Designs have been submitted to FPL, whose process is now more detailed. The corner with greenery will feature a more subtle design, while the box near the American Legion will have a bold American-themed look.

10) It was reported that a 7-year-old boy who went missing while paddleboarding in Bluewater Bay earlier in the day and prompted an Aqua Alert has been found safe.

5. PUBLIC HEARINGS

A. First reading of Ordinance 25-10-LC - High Density Residential Townhomes Setbacks

The City Attorney read proposed Ordinance 25-10-LC by title and then presented it to the city council on first reading.

> AN ORDINANCE OF THE CITY OF DESTIN, FLORIDA, REDUCING CERTAIN SETBACKS FOR TOWNHOMES WITHIN THE HIGH DENSITY RESIDENTIAL ("HDR") ZONING DISTRICT; AMENDING TABLE 7-3 "TABLE OF DIMENSIONAL REGULATIONS"; PROVIDING FOR AUTHORITY; PROVIDING FOR FINDINGS OF FACT; PROVIDING FOR INCORPORATION INTO THE LAND DEVELOPMENT CODE; PROVIDING FOR CONFLICTING PROVISIONS; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

The mayor opened a public hearing to receive comments for or against the proposed ordinance. Having none, the mayor closed the public hearing and turned the matter over to the city council for discussion and consideration.

Councilmember Bagby moved for the approval of Ordinance 25-10-LC, seconded by Councilmember Trammell.

Councilmember Destin expressed strong opposition to the proposed change, which would reduce the required rear setback for townhouses in the High-Density Residential (HDR) district from 10 feet to 5 feet. He argued that this reduction would effectively expand the allowable building footprint for townhouse projects. He took issue with the rationale behind the ordinance, noting that it seemed to legalize previous noncompliance with the code due to past permitting

inconsistencies. He stated that rather than changing the law to accommodate violations, the city should enforce the existing 10-foot setback requirement.

Councilmember Bagby suggested that a possible compromise could involve grandfathering in existing properties that had received improper permits in the past, thereby avoiding penalization of current homeowners. He raised concerns about the implications of increasing the impervious surface area associated with larger building footprints. He inquired whether the HDR district had any impervious surface or open space requirements.

In response, city staff confirmed that there is a 25% open space requirement in the HDR district, and that this would remain unchanged under the proposed ordinance. Councilmember Bagby emphasized that, although the open space requirement helps mitigate his concerns, the trend toward increasingly larger structures still posed a long-term concern.

The City Attorney explained that a 10-foot separation between buildings is required by fire code. This requirement can still be met if each adjoining property maintains a 5-foot setback, making the proposed reduction compliant with fire safety regulations.

The City Attorney elaborated on the rationale behind the ordinance. She acknowledged that inconsistent permitting practices over the past 15 years had resulted in several properties receiving approvals for deck structures that encroached into the required setback. These issues stemmed from decisions made by former staff who are no longer with the city. In proposing the ordinance, current staff sought to align code requirements with these historical precedents, especially given that there was no clear safety or practical benefit to maintaining the 10-foot setback instead of reducing it to 5 feet. She clarified that the proposed change would apply only to townhouses in HDR districts that do not front the Gulf, harbor, or bay. Since canal-front properties are considered waterfront under the code, they are already exempt from setback requirements.

Councilmember Braden questioned whether all properties benefiting from the ordinance had received proper permits. Staff responded that while some had permits, others had not. The council debated the distinction between formally grandfathering in properties that violated the previous code and retroactively legalizing violations through a code amendment. It was also clarified that the setback requirement applies to all structures, including decks.

Motion <u>failed</u> 3-4. Council members Bagby, Hebert, & Trammell voted "yes"; Council members Schmidt, Braden, & Destin voted "no"; Mayor Wagner cast the tiebreaking vote of "no."

B. Resolution 25-14 Harbor CRA Master Plan

The City Manager stated that at the last meeting, the council reprioritized the objectives outlined in this plan, and that the updated list is now reflected in the current document.

Councilmember Bagby made a motion to approve Resolution 25-14 and the Harbor CRA Master Plan, as presented, seconded by Councilmember Trammell. Motion passed 6-0.

C. Resolution 25-13 Town Center CRA Master Plan

The City Manager noted that the list of prioritized objectives for the Town Center CRA Master Plan had not been readdressed since its original publication and encouraged the council to revisit and codify those priorities during the session.

Councilmember Bagby moved for the approval of the Town Center CRA Master Plan with a proposed re-prioritized project list. His draft prioritization included:

1. **Cross Town Connector (moved from #6 to #1)**
2. **Linear Park (kept at #2)**
3. **Arts District Downtown (moved to #3)**
4. **Park System Enhancements (kept at #4)**
5. **Sidewalk and Bike Lane Improvements (moved to #5)**
6. **Intersection Improvements (moved to #6)**
7. **Street Network Completion (remained at #7)**

Councilmember Hebert provided a second to the motion.

Councilmember Destin expressed concern with elevating the crosstown connector to the top of the list. He noted that planned improvements involved enhancing existing street sections (notably Legion Drive) with sidewalks, bike lanes, buffers, and landscaping. The project had already incurred $13 million in costs for just 800 feet of new road, with the rest of the route already built. He also questioned the financial prudence of committing additional CRA funds to add features such as medians that might not even physically fit along the constrained corridor. He also highlighted concerns about unforeseen costs, noting the expense might climb by another $8–10 million if features like medians and landscaping were pursued.

Mayor Wagner offered a more visionary view, stating that while high costs are a valid concern, design improvements could help address speeding and elevate the road beyond a basic vehicle corridor. He expressed a desire for a tree canopy, safe sidewalks, and a place that would be “worth going to”, possibly comparable to a neighboring park. He also acknowledged that achieving that vision could require purchasing adjacent properties to expand the right-of-way, which poses challenges. However, he admitted the practicality of such enhancements might be limited.

Councilmember Bagby offered an amended motion to approve Resolution 25-13 and the Town Center CRA Master Plan and re-prioritize the project list in the following order:

1. **Linear Park**
2. **Arts District (Downtown)**
3. **Cross Town Connector**
4. **Park System Improvements**
5. **Sidewalk and Bike Lane Improvements**
6. **Intersection Improvements**
7. **Completion of the Street Network**

Councilmember Hebert provided a second to the amended motion, which passed 6-0.

D. Second Reading Ordinance 25-11-CC - Relating to noise regulations; amending Chapter 4 "Offenses and Miscellaneous Provisions"; Article II "Noise" of the City Code of Ordinances; amending definitions; amending provisions relating to the measurement or assessment of noise; and providing for permissible noise levels.

The City Attorney read proposed Ordinance 25-11-CC by title and then presented it to the city council on second reading.

> AN ORDINANCE OF THE CITY OF DESTIN, FLORIDA RELATING TO NOISE REGULATIONS; AMENDING CHAPTER 14 "OFFENSES AND MISCELLANEOUS PROVISIONS", ARTICLE II "NOISE" OF THE CITY CODE OF ORDINANCES; AMENDING DEFINITIONS; AMENDING PROVISIONS RELATING TO MEASUREMENT OR ASSESSMENT OF NOISE; PROVIDING FOR PERMISSIBLE NOISE LEVELS; PROVIDING FOR EXEMPTIONS; PROVIDING FOR FINDINGS OF FACT; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

The mayor opened a public hearing to receive comments for or against the proposed ordinance. Having none, the mayor closed the public hearing and turned the matter over to the city council for discussion and consideration.

Motion by Councilmember Hebert, seconded by Councilmember Destin, to adopt Ordinance 25-11-CC passed 6-0.

6. COMMENTS / PRESENTATIONS FROM MAYOR, COUNCIL, AND CITY ATTORNEY

A. Councilmember Braden
B. Councilmember Trammell
C. Councilmember Destin
D. Councilmember Bagby

Regarding short-term rental renewals, Councilmember Bagby requested that staff provide the number of registered individuals as of May 31st last year and as of May 31st this year for the next council meeting

E. Councilmember Hebert
F. Councilmember Geile
    1) Projects Status/Updates
G. Councilmember Schmidt
    1) Council's List of Priorities

Mayor Wagner:

- Traffic Relief: Emphasized solving traffic issues as the top concern of citizens.
- Support for a Feasibility Study: Advocated pursuing FDOT's four-lane alternatives for West Highway 98 (especially the Stahlman Avenue and West Corridor improvements).

- Update Strategic Priorities List: Requested removal of completed items (e.g., Destin City Center, bridge property acquisition, phase one of underground utilities), and clear updates from staff.

Councilmember Schmidt:

- Clement Taylor Park: Requested the start and completion of the park be added as a critical priority for the city council.

Councilmember Hebert:

- Clement Taylor Park: Strongly supported making it a priority after years of stalling.
- Stahlman Avenue/4-Laning: Supported improvements and traffic relief.

Councilmember Trammell:

- Greenspace Expansion: Echoed the community's desire for more green space.
- Parks Master Plan: Wants the city to prioritize and act on it once finalized, utilizing low-cost opportunities.

Councilmember Bagby:

- Public Waterfront Acquisition: Wants to retain this as a top ongoing priority, not tied to specific parcels.
- Clement Taylor Park: No objection to adding it.
- Underground Utilities: Wants to keep it as a long-term goal with appropriate updates.
- Stahlman/US 98 Underpass: In support, but cautious on specifics of four-lane proposals.
- Parking Improvements: Highlighted past commitments, especially in the Harbor District.
- Annexation: Implied support to keep this active if the Mayor is still pushing it.
- Pocket Parks: Wants small parks in every neighborhood.

Councilmember Destin:

- Clement Taylor Park: Fully supports adding it to the priority list.
- 4-Laning of Highway 98: Willing to explore but wants details and clarification—concerned about possible controversial elements like restricted turns.
- Stahlman Intersection: Supports improvements.

2) Interlocal Agreement - City of Destin and Okaloosa County School Board

Councilmember Schmidt moved to direct the City Manager, in coordination with the Parks and Recreation Director, to work with the Okaloosa County School Board to update the existing interlocal agreement between the City of Destin and the School District, specifically addressing the current and future use of the Destin Elementary School property. This includes clarifying allowable uses, updating facility maps to reflect expansions, and ensuring the agreement reflects present-day operations and expectations. Motion was seconded by Councilmember Hebert and passed 6-0.

H. Mayor Wagner

Mayor Wagner reported that state regulations now restrict the ability to establish no wake zones unless certain infrastructure exists—such as a boat ramp—creating a 500-foot enforceable radius. This change is due to issues in South Florida, leading the state (FWC) to limit municipality's authority over such zones. Currently, Joe's Bayou has two no wake signs at 500 feet from the public launch, but further no wake areas would require additional qualifying infrastructure. The mayor suggested that installing improved kayak launches (e.g., floating docks) could legally justify additional 500-foot no wake zones within the bayou. This approach could offer a cost-effective and creative way to enhance safety and expand wake coverage.

Councilmember Schmidt moved to:

1. **Direct staff to provide the cost of replacing the previously removed no wake sign in the back of Joe's Bayou.**
2. **Add a new no wake sign 500 feet from Joe's Bayou boat launch.**

Motion was seconded by Councilmember Destin and passed 6-0.

I. City Attorney

7. PUBLIC COMMENTS

Mr. Guy Tadlock, a resident of Destin, expressed disappointment over the lack of Memorial Day decorations in the city. He noted that aside from decorations by the Emerald Grande and a few private homes and businesses like Ace Hardware, the city did little to visually honor the holiday. He emphasized that this absence contributed to Memorial Day feeling like just another long weekend, rather than a solemn day of remembrance. He shared concern that the public's awareness of the holiday's purpose is diminishing, citing examples from media coverage. He urged the city to make a more visible and respectful effort in the future to commemorate those who sacrificed their lives for the nation's freedom.

ADJOURNMENT

Having no further business at this time, the meeting was adjourned at 9:07 PM.

_____

Bobby Wagner, Mayor

ATTEST:

_____

Rey Bailey, City Clerk

REGULAR MEETING
DESTIN CITY COUNCIL
MAY 19, 2025
CITY HALL ANNEX COUNCIL CHAMBERS
6:00 PM

The Council of the City of Destin met in regular session with the following members and staff present:

Destin City Council

Mayor Bobby Wagner
Councilmember Torey Geile
Councilmember Terésa Hebert
Councilmember Sandy Trammell
Councilmember Dewey Destin
Councilmember Jim Bagby
Councilmember Rodney Braden

Destin City Staff

City Manager Larry Jones
Finance Director Krystal Strickland
Records Specialist Sharon Gardner
Community Development Director David Pritchard
Projects/Grants/Contract Manager Jeffrey Cozadd
Deputy Comm Dev Director Steve O'Connor
City Attorney Kimberly Kopp
Deputy City Clerk Kim Montgomery
Public Works Director Michael Burgess
Public Information Director Tamara Young
Parks & Recreation Director Lisa Firth
IT Director Andy Peters
City Engineer Robert Tomasek

CALL TO ORDER, INVOCATION AND PLEDGE OF ALLEGIANCE

Mayor Bobby Wagner called the meeting to order at 6:00 PM. Pastor David J. Butler of Faith Assembly Christian Church gave the invocation, which was then followed by the recitation of the Pledge of Allegiance.

1. PROCLAMATIONS / RECOGNITIONS / SPECIAL / PUBLIC PRESENTATIONS / ANNOUNCEMENTS:

A. 2025 National Public Works Week – Proclamation

Mayor Wagner read the proclamation and then presented it to the Public Works Director Michael Burgess.

B. National Safe Boating Week – Proclamation

Mayor Wagner presented the proclamation before representatives of the Okaloosa County Sheriff's Department, the U.S. Coast Guard, the Florida Fish and Wildlife Conservation Commission, and the Destin Fire Control District

2. PUBLIC COMMENTS: None

3. CONSENT AGENDA

A. Request for use of City Streets for Corpus Christi Catholic Church Eucharist Procession.

Motion by Councilmember Bagby, seconded by Councilmember Hebert, to approve Consent Agenda item 3A, as printed above, passed 6-0. Councilmember Schmidt was absent from the meeting.

4. CITY MANAGER REPORTS

A. Final Vulnerability Assessment and Adaptation Plan.

The City Manager introduced Item 4A, a presentation on the final Vulnerability Assessment and Adaptation Plan prepared by Dewberry Engineers. Although originally listed as informational, the City Manager recommended the council formally approve and accept the plan to facilitate the city's pursuit of future funding opportunities.

Representatives from Dewberry Engineers presented the report. They explained that the project, completed in March and fully funded through the Resilient Florida grant program, evaluated flood vulnerability for the City of Destin. The assessment considered current and future conditions, analyzing various flood hazards such as tidal surge, rainfall, and compound events. Assets were ranked based on flood risk, and an adaptation plan was developed to prioritize mitigation projects. The plan integrates with the county's Local Mitigation Strategy (LMS) and positions the city to seek additional state and federal funding. Priority projects identified include the Four Prong Lake project and others, with considerations for shovel-readiness and public support. Funding opportunities include up to 100% match for planning grants and 50% match for design and construction for non-DEP communities, with $20 million available for planning and $200 million for design and construction.

Councilmember Bagby made a motion to approve and accept the plan as presented, seconded by Councilmember Hebert. Motion passed 6-0.

B. RFB 25-02-REC Annex Pickleball Contract with BGN Contractors.

The City Manager presented Item 4B regarding the pickleball contract with BGN Contractors, noting this firm had previously been awarded the contract. The presented contract reflects the terms and conditions established at that time. Approval would allow the city to issue a limited notice to proceed—restricted to preliminary permitting work—while awaiting final confirmation of $300,000 in funding from the county, expected at the county's first meeting in June.

The City Manager emphasized confidence in the funding outcome but advised caution to avoid advancing too far before the vote.

Councilmember Bagby made a motion to approve the contract, which was seconded by Councilmember Hebert.

Councilmember Braden inquired about project oversight, to which it was explained that oversight would be handled either by the City Manager or Grants/Project Manager Jeff Cozadd. Mr. Cozadd added that Matrix had been engaged to oversee day-to-day project operations.

Motion passed 6-0.

C. Update from FDOT Regarding Westbound Right-Turn Lane from Highway 98 to Airport Road – Lane Delineator Installation Status

The City Manager explained that the Florida Department of Transportation (FDOT) responded to the city's request to install delineator posts between the westbound right-turn lane and the bike lane at Highway 98 and Airport Road. FDOT declined the request, stating they do not recommend installing physical delineator posts in that area. The city will follow up with FDOT to request larger and clearer signage indicating that drivers are approaching a right-turn-only lane, with the goal of improving safety and reducing driver confusion.

Councilmember Destin then asked whether FDOT had been provided with data on the number of accidents at this location, noting they had observed several accidents. The City Manager responded that he believed that information had already been included in FDOT's review, but they would double-check and ensure FDOT had all relevant accident data.

Additionally, Councilmember Trammell suggested adding a large sign on Highway 98, similar to an interstate sign, placed before the curve and the intersection leading to City Hall. This sign would warn drivers that the right lane ends in half a mile, giving them advance notice. Councilmember Trammell noted they had previously requested this during the original construction of the four-lane roadway, but the request was not fulfilled at that time. They expressed hope that it would be approved now.

D. Animal Control Services 2025 Contract Update.

The City Manager reported on the ongoing negotiations with PAWS (Panhandle Animal Welfare Society) regarding animal control services. The previous contract with PAWS expired a few months ago. In negotiations, PAWS proposed a significant rate increase—from $5 per capita to $6.50 per capita—raising the city's annual cost from approximately $69,000 to over $90,000. The city countered with a proposal matching the unincorporated county rate of $5.75 per capita, but PAWS declined that offer. Seeking alternatives, he contacted the county and discussed the possibility of joining their upcoming renegotiation with PAWS for unincorporated Okaloosa County later this summer. Both the county and PAWS agreed to this approach, and PAWS agreed to continue service under a month-to-month agreement until the new terms are negotiated.

Councilmember Trammell made a motion that the city partner with the county and participate in their negotiation. The motion was seconded by Councilmember Hebert and passed 6-0.

A. Draft Minutes of Standing Committees and Boards - Informational Only

B. Announcements:

1. The mandatory pre-bid meeting for the Cross Town Connector project will take place this Wednesday, May 21st. The closing date for bid submissions is June 9, with an anticipated contractor recommendation to be presented at the second city council meeting in June.
2. Live Oak Fiber has posted a $500,000 bond to ensure the city and utility providers are protected in the event of any issues after their work is completed. Live Oak has been permitted to resume work, but on a very limited basis. They may only conduct work under one active permit at a time, focusing on a single location. Once work is completed, inspected, and verified at that location, the permit is closed out before a new permit is issued.
3. Crown Castle, a new fiber provider, has notified the city of their intention to begin work in Destin. The city will impose the same restrictions on Crown Castle as are now applied to Live Oak Fiber: no citywide permits will be issued, and they will be limited to one active permit and location at a time, with each job needing to be fully closed before issuing the next permit.

Councilmember Trammell raised concerns about utility flags that have been left in residential areas for months. She asked if residents could be fined for pulling up the flags after work appears completed and expressed concern about outdated flags causing confusion. She also questioned how this issue would be managed given the new permit restrictions.

In response, the City Manager stated that limiting the scope of work to one location at a time should reduce the need for widespread flagging, and he hoped this would minimize the issue of old flags remaining in place. He acknowledged no clear penalty is in place under the current code but welcomed follow-up for further clarification.

The City Attorney confirmed that there is no specific penalty in the city code for a resident pulling up utility flags.

The Public Works Director explained that when the city initiates a dig ticket, white flags are used to outline the work area. After a location request is submitted, utility companies have 72 hours to mark their facilities with flags within the designated area. A dig ticket remains valid for 30 days. If work is not completed within this time frame, a new locate ticket must be requested.

The mayor added that the city has received numerous emails from residents asking if they can remove flags once work is done on their street. He suggested that as part of the city's new one-location-at-a-time permit process, removing old flags should be added to the contractors' job checklists.

4. It has been brought to staff's attention that the Welcome to Destin sign at the west foot of the bridge requires maintenance. A new sign face will be installed within the next couple of weeks.
5. County mosquito control spraying for 2025 has commenced. Crystal Beach will be treated on Monday evenings, while West Destin will be treated on Tuesday evenings as part of the county's weekly spraying schedule. More details, including opt-out instructions, can be found on the city's Facebook page.
6. The Morgan Sports Center children's playground will reopen this Saturday. The newly updated playground features new ADA-accessible and inclusive play equipment as well as new shade structures. A ribbon-cutting event will be scheduled later, but the playground is being opened early to the public in time for Memorial Day weekend.
7. On Memorial Day, Monday, May 26, the American Legion will host a public celebration at 11:00 a.m. at the Destin Memorial Cemetery. Afterward, attendees are invited to the Legion for food and refreshments. City offices will be closed in observance of the holiday.
8. With the start of summer, the Destin Community Center is offering half-day camps and over 24 specialty camps, featuring a variety of engaging topics such as Shark Week, music, and mad science. Parents are encouraged to register their children for these fun and educational opportunities.
9. Following recent council requests, the city has investigated options for utility box wraps. Each wrap costs approximately $1,200 to $1,500. The city has identified a potential location for the next wrap — the green utility box near the church at Main and Airport. Florida Power & Light (FPL), which owns this box, will meet with the city to discuss their interest in continuing the wrapping program. Some local businesses have already expressed interest in supporting the project.
10. The City of Destin Leadership Academy officially launched on May 14, with 25 staff members participating in the seven-part series facilitated by Lisa Gunderson from Northwest Florida State College. Human Resources Director Jamie Haynes will contact council members to coordinate their availability to meet with Leadership Academy classes.
11. On June 9, the city will host a public workshop to discuss SRS results and improvements to the Town Center and other city spaces. The workshop will be held at the annex, with doors opening at 5:00 p.m. to allow attendees to review informational boards. The meeting itself will begin at 5:30 p.m., and the public is encouraged to attend.
12. The Destin History and Fishing Museum is currently undergoing renovations. During this time, the museum has offered the city a 13-foot marlin display piece to exhibit at the annex for the next couple of years. Public Works staff will assist with installing this display.

5. PUBLIC HEARINGS

A. First reading of Ordinance 25-05-CC - Relating to livery vessels; amending Article VIII "Registration of Livery Vessels"; amending provisions related to transferability of permits; providing for additional required training and safety measures.

The City Attorney read proposed Ordinance 25-05-CC by title and then presented it to the city council on first reading.

> AN ORDINANCE OF THE CITY OF DESTIN, FLORIDA RELATING TO LIVERY VESSELS; AMENDING ARTICLE VIII "REGISTRATION OF LIVERY VESSELS" OF THE CITY CODE OF ORDINANCES; AMENDING PROVISIONS RELATED TO TRANSFERABILITY OF PERMITS; PROVIDING FOR ADDITIONAL REQUIRED TRAINING AND SAFETY MEASURES; PROVIDING FOR FINDINGS OF FACT; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

The mayor opened a public hearing to receive comments for or against the proposed ordinance.

Having no further comments from the public, the mayor closed the public hearing and turned the matter over to the city council for discussion and consideration.

Mr. Chuck Hiers (316 Harbor Boulevard) addressed the council to express concern over his significant investment of approximately $125,000 to purchase 17 livery licenses from another business under the moratorium. He continues to pay the required $100 per vessel annually to maintain these licenses. He argued that under the proposed ordinance, his licenses could be revoked and redistributed after 180 days of non-use, which he believes is unfair. He emphasized that he purchased these licenses in good faith based on existing rules and city approvals, and that taking away his investment and reallocating it would be punitive and unjust.

The City Attorney clarified that the 180-day rule refers to licenses becoming inactive if not registered or operated within that period. She also explained the 490 total cap—this figure represents all currently legally permitted livery vessels, including boat clubs and 11 yachts expected to register under recent ordinance changes. She advised that the council should first decide the policy language and separately handle cases of adversely affected parties through individual agreements, as has been done previously.

Mr. John Stephens commented on the mechanics of medallion transfer, explaining that a registration should remain attached to an operating vessel, to prevent hoarding. The proposed change would allow transfers from one registered vessel to another, even across businesses, but not holding registrations without vessels.

Councilmember Destin suggested that Mr. Hiers licenses should be grandfathered because his purchase was made in good faith during a time when sales were allowed. He also stressed handling the adversely affected cases separately, consistent with past city practices.

Councilmember Bagby proposed reducing the 180-day rule to 60 days to prevent businesses from operating unlicensed during the busy season. He also suggested adding an ordinance provision to clarify what happens to revoked licenses—whether by lottery, list, or first-come-first-serve. He voiced concern about a loophole where businesses might profit excessively by selling licenses attached to old vessels, proposing a two-year minimum operation before resale.

Councilmember Braden asked about the history of the medallion system, originally created to simply track boats operating in the harbor—not intended to become a speculative market. The City Attorney explained that after the moratorium, licenses became valuable, as new operations were frozen, creating a resale market among existing businesses. Once the city learned of this, the council began discussing how to manage the situation.

Councilmember Trammell moved to approve the ordinance on first reading with the understanding that staff would handle individual cases of adverse impact. The motion included reducing the 180-day window to 60 days and establishing the two-year transferability limit. Councilmember Hebert seconded the motion.

Councilmember Geile questioned why licenses (medallions) should be attached to vessels rather than to the business or owner. He argued that no other city licenses (like short-term rentals or business licenses) operate this way, and the current setup risks creating an artificial market.

In the broader discussion, Councilmember Bagby reiterated the need for clarity on revoked license redistribution, stressing this should be part of the revised ordinance. Council members also discussed aligning this approach with other policies (like short-term rentals), enforcing compliance through fines for unlicensed operation, and preventing license hoarding.

Ultimately, it was agreed that the ordinance would be brought back for a new first reading with the discussed changes incorporated: 60-day renewal period, two-year restriction on transferability, and a clear process for handling revoked licenses. Adversely affected parties would be addressed through individual agreements, likely at the same future meeting.

Motion passed 5-1, with Councilmember Geile dissenting. Councilmember Schmidt was absent from the meeting.

B. First Reading Ordinance 25-11-CC - Relating to noise regulations; amending Chapter 14 "Offenses and Miscellaneous Provisions"; Article II "Noise" of the city Code of Ordinances; amending definitions; amending provisions relating to the measurement or assessment of noise; and providing for permissible noise levels.

The City Attorney read proposed Ordinance 25-11-CC by title and then presented it to the city council on first reading.

> AN ORDINANCE OF THE CITY OF DESTIN, FLORIDA RELATING TO NOISE REGULATIONS; AMENDING CHAPTER 14, “OFFENSES AND MISCELLANEOUS PROVISIONS”, ARTICLE II “NOISE” OF THE CITY CODE OF ORDINANCES; AMENDING DEFINITIONS; AMENDING PROVISIONS RELATING TO MEASUREMENT OR

ASSESSMENT OF NOISE; PROVIDING FOR PERMISSIBLE NOISE LEVELS; PROVIDING FOR EXEMPTIONS; PROVIDING FOR FINDINGS OF FACT; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

The mayor opened a public hearing to receive comments for or against the proposed ordinance. Having none, the mayor closed the public hearing and turned the matter over to the city council for discussion and consideration.

Councilmember Braden moved to approve Ordinance 25-11-CC on first reading. Councilmember Hebert provided a second to the motion which passed 6-0.

C. Second Reading of Ordinance 25-08-LC relating to the imposition of mobility fees; providing for adoption of a mobility fee study and table of mobility fees; providing for mobility fee discounts; and providing for city enforcement.

The City Attorney read proposed Ordinance-25-08-LC by title and then presented it to the city council on second reading.

AN ORDINANCE OF THE CITY OF DESTIN, FLORIDA, RELATING TO THE IMPOSITION OF MOBILITY FEES; PROVIDING FOR ADOPTION OF A MOBILITY FEE STUDY AND TABLE OF MOBILITY FEES; PROVIDNG FOR MOBILITY FEE DISCOUNTS; PROVIDING FOR CITY ENFORCEMENT; PROVIDING FOR AUTHORITY; PROVIDING FOR FINDINGS OF FACT; PROVIDING FOR INCORPORATION INTO THE LAND DEVELOPMENT CODE; PROVIDING FOR CONFLICTING PROVISIONS; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

The mayor opened a public hearing to receive comments for or against the proposed ordinance. Having none, the mayor closed the public hearing and turned the matter over to the city council for discussion and consideration.

Councilmember Braden moved to adopt Ordinance 25-08-LC on second reading with the discounts applied to Long-term Single Family Uses, and the full rate per the Mobility Fee Study to all other uses; seconded by Councilmember Hebert.

Councilmember Destin noted that he had recently attended a Planning and Zoning meeting in Walton County, where a large, dense development was under review. The Walton County Planning and Zoning Commission had expressed concerns about transportation concurrency and was prepared to deny the project. However, the developer's attorney argued that because Walton County had adopted mobility fees, state law prohibited denial of the project based on mobility issues, as the fees were intended to address those impacts.

Councilmember Destin expressed concern that a similar situation could occur in Destin. After reviewing the applicable legislation and legal analysis provided by the City Attorney, he believed there was a strong implication that the city could lose its ability to deny or modify future projects based on transportation concurrency once mobility fees were adopted. He stressed that transportation concurrency was one of the city's most effective tools for managing impacts from dense development, particularly at problem intersections such as Stahlman Avenue and many of which were not addressed in the current mobility fee study. He also pointed out a perceived inequity in the proposed fee structure, noting that large single-family homes (e.g.,

4,000 square feet) would be charged fees equivalent to those for high-density multifamily projects, even though their traffic impact would likely be less. He urged caution and requested that the council delay adoption of the ordinance until these issues can be clarified.

Councilmember Destin offered a substitute motion to table the ordinance for one month to allow for further clarification. The motion died for lack of a second.

The mayor called for a vote on the original motion, which passed 5-1, with Councilmember Destin dissenting. Councilmember Schmidt was absent from the meeting.

6. COMMENTS / PRESENTATIONS FROM MAYOR, COUNCIL, AND CITY ATTORNEY

Councilmember Braden expressed gratitude to the Public Works Director and his staff for maintaining the city medians along Highway 98. He emphasized the importance of keeping these areas visually appealing since they serve as the "front door" to the city and are highly visible to residents and visitors. He also noted how well-maintained they appeared and shared appreciation for proactive communication from the director regarding ongoing maintenance.

Councilmember Trammell thanked the organizers of the city's employee appreciation activities, stating that she valued the opportunity to celebrate city staff and noted the importance of such morale-boosting events. She also reported that the Parks Foundation had received a donation from Trees on the Coast and was in the process of finalizing its branding and website to facilitate future donations.

Councilmember Destin raised ongoing concerns about unregulated beach vending, noting persistent violations despite enforcement attempts. He asked how many citations had been issued recently. The Deputy Community Development Director responded that three $500 citations had been issued (May 9, May 14, and one in April), but none had been paid. Two were issued to the same individual and one to a different violator. One citation from March had been downgraded to a warning.

Councilmember Destin made a motion to authorize the City Attorney to file for an injunction in circuit court against the two most frequent violators. The motion was seconded by Councilmember Bagby.

There was discussion about estimated legal expenses, which could reach up to $30,000 depending on the case complexity.

The motion passed unanimously, 6-0.

Councilmember Bagby supported the motion for injunction and recommended that the city not overburden the City Attorney with litigation tasks. Instead, he suggested engaging Special Projects Attorney Kyle Bauman or another external attorney for such special legal projects. The City Attorney confirmed that Attorney Kyle Bauman had already provided a cost estimate.

Councilmember Destin brought up concerns about churches receiving code violations for temporary signage such as banners advertising events like Vacation Bible School. He argued that the original ordinance did not intend to penalize churches for these activities and recommended revising it to allow for temporary, informational signage without penalties.

Councilmember Hebert thanked the Code Compliance team for enforcing parking regulations, specifically citing enforcement at the McGuire's lot where many out-of-state vehicles were ticketed. He appreciated the revenue generated and emphasized its reinvestment in parking infrastructure. He also raised concern about a large piece of machinery left on the grass at Main Street Park, requesting its removal or relocation to paved parking spaces to protect the landscaping.

Councilmember Geile asked for a status update on the harbor dredging project. The City Manager responded that three quotes were being collected to prepare the RFP documents. A recommendation is expected by the next council meeting, with dredging planned after the 2025 turtle nesting and shorebird season.

Councilmember Geile also questioned how often Development Orders (DOs) on the harbor are reviewed. The Deputy Community Development Director explained that livery operators submit affidavits of no change annually, and spot checks are conducted to verify parking, bathroom access, and compliance with vessel registrations. The city is restarting these inspections to catch potential violations, including unregistered or "rogue" operations.

The mayor requested that the city send a formal letter to the U.S. Coast Guard, Congressman Patronis, and Okaloosa County requesting repairs and possible relocation of damaged or misaligned East Pass channel markers.

A motion by Councilmember Destin to proceed with the letter was seconded by Councilmember Bagby and was approved unanimously, 6-0.

The City Attorney announced a closed executive session scheduled for June 16, 2025, at 5:30 p.m. regarding the legal case *Carissa Harbarger, Rainbow Frost Ice Cream, Ronald Ellison, William Ellison vs. City of Destin* (Case No. 3:25CV00550). The meeting will involve all council members, the mayor, city manager, the city's defense counsel William Warner, and a court reporter.

The council members reached a mutual agreement to schedule the executive session.

7. PUBLIC COMMENTS

Mr. Will Ellison criticized the lack of enforcement against illegal beach vending. He reported repeatedly calling in violations with limited response. He challenged the city's claim that only three citations had been issued and raised concerns about vendors operating daily with little accountability. He also mentioned difficulties using the new online help desk to submit complaints and emphasized the importance of documentation for tracking enforcement.

Ms. Carrie Harbarger supported enforcement efforts and offered to help identify illegal vending operations. She emphasized that vendors were staging at multiple beach accesses daily,

using uniforms to blend in with legal operations. She also addressed the city's responsibility, based on prior agreements with the Florida Department of Environmental Protection (DEP), to enforce regulations on state-owned beachfront property. She voiced support for Deputy Community Development Director Steve O'Connor urging the council to provide him with the necessary tools to enforce effectively.

7. PUBLIC COMMENTS

ADJOURNMENT

Having no further business at this time, the meeting was adjourned at 7:54 PM.

ITEM # 2025-769

CITY OF DESTIN

AGENDA ITEM

COUNCIL MEETING DATE: July 7, 2025
TYPE OF AGENDA ITEM: Action Item
AGENDA OUTLINE NUMBER: 4.A.

TO: City Council

THRU: Larry Jones , City Manager
Kimberly Kopp, City Attorney

FROM: Jeffrey Cozadd, Projects, Grants and Contracts Manager
Krystal Strickland, Finance Director

DATE: 6/17/2025

SUBJECT: RFB 25-07-CM Crosstown Phase 1 Construction Contract

I. BACKGROUND: On June 16, 2025 Council selected H&T Contractors for the RFB 25-07-CM Crosstown Connector Phase 1 Construction. Staff were instructed to negotiate a contract with H&T.

II. DISCUSSION: The Construction Contract for RFB 25-07-CM has been reviewed and approved by the City Attorney and H&T Contractors.

The total contract is $2,382,818.50

Staff recommend approving the contract and issuing a notice to proceed.

A. Link to Strategic Goals / Objectives: 1.6 Two-lane Crosstown Connector

B. Effect on Budget (EOB): H&T's construction contract in the amount not to exceed $2,383,819 will be paid by the proceeds of the 2024 Construction loan.

CONTRACT #_____

AGREEMENT BETWEEN CITY OF DESTIN, FLORIDA AND H&T CONTRACTORS FOR CONSTRUCTION SERVICES

THIS CONTRACT, made this ____ day of _____ by and between the **City of Destin, Florida**, a municipal corporation existing under the laws of the State of Florida, hereinafter referred to as the "City", and **H&T Contractors**, with an address at 376 Ben King Rd, Freeport, FL 32439 hereinafter referred to as the "Contractor,"

IN CONSIDERATION of the mutual covenants contained herein, and for other good and valuable consideration, City and Contractor do agree as follows:

SECTION 1. SCOPE OF WORK –

The Contractor shall perform the Work as defined in Request for Bids No. 25-07-CM Crosstown Connector Construction - Phase 1 ("RFB 25-07-CM"), its Exhibits and amendments, if any, to the Invitation to Bid and any addenda thereto being attached hereto as **Attachment "A",** incorporated by reference herein and made a part hereof as fully as if herein set forth.

1.1 **Project**: CONTRACTOR shall perform work that consists of the project, as specified in RFB 25-07-CM. Generally, the work consists of the construction of four Crosstown Connector Construction - Phase 1 - installation of an underground stormwater retention system (ADS Chambers), stormwater pipe, drainage structures, and sod. Work includes all necessary materials, site work, and foundation preparation required for the placement of the stormwater system, pipes, and structures.

1.2 **Scope**: Specifically, the Scope of Services will include all items listed and priced in the base bid for RFB 25-07-CM, its Exhibits and addenda, and all terms and conditions listed therein (**Attachment "A"**). At its option, the City may choose to approve all or none of the alternatives described by the Contractor in its bid for RFB 25-07-CM.

1.3 **Terms & Conditions: THE COMPLETE TERMS AND CONDITIONS STATED, REGARDLESS OF WHICH DOCUMENT LISTED IN RFB 25-07-CM, ARE INCORPORATED BY REFERENCE INTO THIS DOCUMENT.**

1.4 **Pricing**: Unless otherwise specified herein, the Contractor is to furnish all tools, equipment, labor and consumables to complete the Work at the unit prices stated in **Attachment "C"**.

1.5 **Work Site Conditions**: The Contractor shall at all times, keep the work area free from accumulation of waste materials or rubbish caused by its operations, and promptly remove any such materials to an area or waste site as designated by the City. If the Contractor fails to clean up the work site after 24 hours' notice by the City, the City may complete the clean-up and charge the Contractor for the costs of such clean up.

SECTION 2. PLACE OF WORK

Contractor's work will be rendered within the City of Destin, Okaloosa County, Florida.

SECTION 3. SCHEDULE/TERM –

The Contract Work Schedule/Term is as stated below:

3.1 **Contractor shall order product and materials no later than 30 days of issuance of the date of City's Notice to Proceed,** and Contractor shall proceed with all work in accordance with this Contract, as per Contract Attachments A, B and C. Proof of supplier/manufacture's order acceptance shall be promptly forwarded to the City.

All Work shall be substantially completed within 180 days of the date of City's Notice to Proceed.

3.2 Contractor shall maintain contact with product supplier/manufacturer, obtaining updates on a regular basis, and shall immediately notify the City of manufacturer delays or transit delays.

3.3 **Though lead times may be long, Contractor confirms that product is on hand, and if not available at time of construction, will have alternate solutions to maintain the project deadlines.**

3.3.1 Contractor and City shall continue to make adjustments in work scheduling, and where unavoidable, request in writing for an extension of the Contract's performance time.

3.3.2 Any installation of replacements or additional work required by alternate solutions will be done at no cost to the City, and final completion will be as new product specified in the ITB.

3.4 **Product warranties begin at date of Substantial Completion, as defined by mutual agreement at the pre-construction meeting.**

SECTION 4. PROJECT COORDINATION & SCHEDULING

4.1 During the course of work, the Contractor shall be responsible for keeping the City informed of the proposed work schedule. This includes any scheduled work that could impede the public or traffic at the worksite. The Contractor shall prepare a Construction Schedule to serve as a guide in managing the construction progress.

4.2 The Contractor shall not put workers on the job or perform any work without prior knowledge that such work is to be done, the place of work, and the scheduled starting time. A minimum 48-hour notification to the City is required. The City reserves the right to deny the request without penalty.

SECTION 5. COMPENSATION PLAN –

The Contractor agrees to provide the services and equipment as negotiated on **Attachment C** to the City at the cost specified in said proposal and amendments, if any, the proposal and any amendments thereto being attached hereto as **Attachment B**, incorporated by reference herein and made a part hereof as fully

as if herein set forth.

The City shall pay the Contractor for the performance of this Contract in an amount not to exceed $2,382,818.50.

- $215,875.00 for grading
- $2,166,943.50 for site improvements

5.1 Any additional work performed under this Contract shall be through the Issuance of a Contract Amendment, and change order of the City Purchase order(s).

SECTION 6. PAYMENT

6.1 The City shall pay the Contractor the contract price(s) at the successful completion of the work**.**

6.2 The City will make progress payments on a monthly basis as the work proceeds, on estimates of work accomplished which meets the standards of quality established under the contract and as approved by the City Manager or his designee.

6.3 Partial payments under the Contract shall be made at the request with an Application and Certification for Payment (AIA Document G702) by the Contractor not more than once each month, based upon partial estimates agreed to by the Contractor and City and shall be furnished to and approved by the City prior to transmittal to the City payment.

6.4 All invoices received by the City are payable within thirty (30) days from receipt, (unless prompt payment discount is offered), provided they have first been approved by the City, and the City has accepted the invoiced work.

6.5 The City reserves the right, with justification, to partially pay any invoice submitted by the Contractor.

6.6 Availability of Funds. The City's performance and obligation to pay under this Agreement is contingent upon annual appropriation for its purpose by the City Council.

6.7 Retainage. City shall withhold from each payment of the contract price a sum ("retainage") equal to ten percent (10%) of the invoice. Purchases of materials are excluded from retainage calculations. Fifty percent (50%) of the accumulated retainage shall be released by City to Contractor upon the City's acceptance of one-half (50%) of the total Work to be performed pursuant to this Contract. After the City has accepted that 50% of the Work is completed, retainage shall be reduced to five percent (5%) of the invoice. Upon the City's acceptance of all remaining Work (including the final punchlist), the entirety of the remainder of the retainage shall be released by City to Contractor.

6.8 All invoices shall be directed to: accountspayable@cityofdestin.com

NOTE: ALL INVOICES MUST CLEARLY INDICATE THE CITY CONTRACT NUMBER AS STATED HEREIN.

SECTION 7. TERMS & CONDITIONS

7.1 Independent Contractor Status; Indemnity: At all times the Contractor is an independent contractor and agrees to indemnify and save harmless the City, its officers, agents, and employees, from and against any and all liability, claims, demands, damages, fines, fees, expenses, penalties, suits, proceedings, actions and

costs of action, including attorney's fees for trial and on appeal, of any kind and nature arising or growing out of or in any way connected with the performance of the Contract whether by act or omission of the Contractor, its agents, servants, employees or others, or because of or due to the mere existence of the Contract between the parties. Nothing contained herein is intended nor shall it be construed to waive the City's rights and immunities under the common law or Florida Statute768.28 as amended from time to time.

7.2 Subcontractors:

7.2.1 Unless otherwise stated in the Contract Documents or the bidding requirements, the Contractor, as soon as practicable after award of the Contract, shall furnish in writing to the City the names of persons or entities (including those who are to furnish materials or equipment fabricated to a special design) proposed for each principal portion of the Work. The City will promptly reply to the Contractor in writing stating whether or not the City, after due investigation, has reasonable objection to any such proposed person or entity. Failure of the City to reply promptly shall constitute notice of no reasonable objection.

7.2.1.1 Should no objection be made the City within five (5) business days, the person or entity selected by the Contractor shall be deemed acceptable. The Contractor shall be entitled to consideration of an EOT (Extension of Time) for the process or delay incurred due to replacing the person or entity that was objected to by the City.

7.2.2 The Contractor shall not contract with a proposed person or entity to whom the City has made reasonable and timely objection. If the City has reasonable objection to a person or entity proposed by the Contractor, the Contractor shall propose another to whom the City has no reasonable objection. If the proposed but rejected Subcontractor was reasonably capable of performing the Work, the Contract Sum and Contract Time shall be increased or decreased by the difference, if any, occasioned by such change and an appropriate Change Order shall be issued before commencement of the substitute Subcontractor's Work. However, no increase in the Contract Sum or Contract Time shall be allowed for such change unless the Contractor has acted promptly and responsively in submitting names as required.

7.2.3 The Contractor shall not change a Subcontractor, person or entity previously selected without prior approval from the City.

7.2.4 Contractor shall be fully liable and responsible to the City for all acts and omissions of his subcontractors, and of persons either directly or indirectly employed by them, to the same degree and extent as he is liable and responsible for the acts and omissions of his own employees and other persons directly employed by him.

7.3 Time is of the Essence

7.3.1 The parties agree that time is of the essence in the completion of the Work

called for in the delivery of services of the character and quality specified in the bid document and that Contractor will conduct all work diligently and as specified by the City.

7.3.2 The Contractor agrees that all Work shall be prosecuted regularly, diligently, and uninterrupted at such a rate of progress as will ensure full completion thereof within the time specified.

7.3.3 Upon receipt of a written request and justification for an extension from the Contractor, the City may extend the time for performance of the contract or delivery of goods here in specified at the City's sole discretion for good cause shown.

7.3.3.1 Depending on the specific facts, reasonable cause for a permissible EOT (Extension of Time) may include: Weather Delays, Material Lead Times affect by Force Majeure, Delays by Design Team responses, Delays by City responses, Schedule Impact associated with any approved Change Order, or other items that may be qualified as Excusable Delays. See Section 7.5 for details.

7.4 Liquidated Damages:

7.4.1 In the event these specified supplies, services, or equipment are not delivered by the date specified, there will be deducted from the total contract price, not as a penalty but as liquidated damages, the sum of $500 per day for each and every calendar day of delay beyond the time specified; except that if the delivery be delayed by any act, negligence, or default on the part of the City, public enemy, war, embargo, fire, or explosion not caused by the negligence or intentional act of the contractor or its supplier(s), or by riot, sabotage, or labor trouble that results from a cause or causes entirely beyond the control or fault of the contractor or its supplier(s), a reasonable extension of time as the City deems appropriate may be granted.

7.4.2 The above amounts per calendar day are fixed and agreed upon by and between the Contractor and City, because of impracticability and difficulty in ascertaining actual damages City would sustain, and said amounts are agreed to as adequate coverage of damages which City would sustain by reason of inconvenience, loss of use of monies, or other additional costs.

7.4.3 Upon receipt of a written request and justification for an extension from the Contractor, the City may extend the time for performance of the contract or delivery of goods herein specified at the City's sole discretion for good cause shown.

7.4.4 In the event that the City should choose to permit the Contractor to continue the work after expiration of the contract time, or as such contract time may be extended, such will not operate as a waiver by the City of its rights to recover liquidated damages. In the event that the City terminates the employment of the Contractor under the contract, the City shall retain the right to assess, collect, and recover liquidated damages from the Contractor and/or the Surety until the work under the contract

is satisfactorily completed. The amount of liquidated damages will be deducted from the remaining balance of funds due the Contractor under the contract. In the event that liquidated damages which accrue prior to completion of the work under the contract should exceed the remaining balance of funds due the Contractor under the contract, the Contractor shall forfeit any rights to claim additional payments under the contract and both the Contractor and his Surety shall be liable for accrued liquidated damages in excess of the contract balance.

7.4.5 **Delays**: **If the Contractor wishes to make a request to increase the Contract Performance Time, a written notice shall be given within seven (7) calendar days from the probable cause of delay on progress of the Work.**

7.4.6 If adverse weather conditions are the basis for a Claim for additional time, such Claim shall be documented by data substantiating that weather conditions were abnormal for the period of time, could not have been reasonably anticipated and had an adverse effect on the scheduled construction. This Request for Time shall be made within seven (7) calendar days of the adverse weather.

7.4.7 If the Contractor is delayed at any time in the commencement or progress of the Work by an act or neglect of the City, or of a separate Contractor employed by the City, or by changes ordered in the Work, or by labor disputes, fire, unusual delay in deliveries, unavoidable casualties or other causes beyond the Contractor's control, or by delay authorized by the City pending mediation and arbitration, or by other causes which the City Engineer determines may justify delay, then the Contract Time shall be extended by Change Order for such reasonable time as the City may determine.

7.5 Changes in Scope of Work: The City, without invalidating this Contract, may order changes in the Work within the general scope of this Contract consisting of additions, deletions, or other revisions, the Contract price and time being adjusted accordingly. All such changes in the Work shall be authorized by a written Addendum to this Contract, and shall be executed under the applicable conditions of the Contract.

7.5.1 "Additional work" shall be defined as work that results from a change or alteration in plans concerning the scope of work of this Contract, or added work necessary to meet the performance goals of the scope of work.

7.5.2 "Extra work" shall be defined as work not required under the scope of work of this Contract, is something done or furnished beyond the requirements of the Contract, and is entirely outside and independent of the scope of work and not contemplated by it.

7.5.3 "Change Order" shall be defined as a written instrument prepared by and signed by the City and Contractor, stating the specific agreement upon all of the following: the change in the scope of work, the amount of the adjustment, if any, to the Contract price,

and the adjustment, if any, to the Contract's completion time.

7.5.4 No claim for additional or extra work will be considered or paid by the City unless a request for a Change Order is first submitted in writing by the Contractor and authorized by the City as a Change Order.

7.6.5 The City Manager may request and approve change orders to the Contract consisting of additions, deletions, extra work, or other revisions so long as each change order does not exceed amounts specified in the City's Purchasing Manual and Policy.

7.6.6 A change order exceeding the City Manager's authority must be approved by the City Council
.

7.6.7 All change orders shall be considered a written addendum to the Contract.

7.6.8 Contractor is not authorized to approve any additional or extra work, grant authority for any work, issue a notice to proceed, recommend progress payments, or otherwise act as an agent of the City unless specifically authorized in writing by the appropriate City officials.

7.6.9 No claim for extra work will be considered valid by the City unless first submitted in writing.

7.6 Correction of Work - The Contractor shall promptly correct all Work rejected by the City as faulty, defective, or failing to conform to this Contract whether observed before or after substantial completion of the Work, and whether or not fabricated, installed or completed. The Contractor shall bear all costs of correcting such rejected Work.

7.6.1 Promptly shall be defined as reasonable with consideration to sequence of work. Contractor will track such requests by the City on a Corrective Actions Log or Punchlist to be corrected in sequence with the flow of work that is conducive to maintain the project schedule and predictive workflow.

7.7 Final Inspection

7.7.1 Upon notice from the Contractor that work is completed in accordance with the specifications, the City shall make a final inspection of the Work. The Contractor will be notified of all instances where his Work fails to comply with the specifications.

7.7.1.1 The City shall conduct final inspection within a reasonable amount of time relative to the schedule set forth by the Contractor. This shall include any inspection by Architect or Consultants for the City.

7.7.2 A delay in conducting the inspection within a reasonable amount of time after request is made by the Contractor shall constitute a delay by the City and qualify for consideration for an EOT (Extension of

Time) if submitted in writing by the Contractor. The Contractor shall immediately correct or complete all issues as well as defects that were identified by the City or a City representative.

7.7.2.1 The term immediately shall be defined as reasonably within the Project Schedule set forth by the Contractor and accepted by the City for the close out process and punchlist activities whether prior or post Certificate of Occupancy is applied for or achieved.

7.7.3 Upon completion of the repair work the Contractor shall notify the City when it is ready for inspection. The City shall make a final inspection of the work and notify the Contractor of any necessary repair work that is not completed. The Contractor shall immediately complete all incomplete work and arrange for re-inspection.

7.8 Acceptance - The City will be deemed to have accepted the Work after the City notifies the Contractor of its satisfaction that the Work is completed.

In the event the Work completed under this Contract does not conform to the specifications, the City reserves the right to cancel the Contract upon written notice to the Contractor.

7.9 Termination for Convenience

The City may terminate for its convenience at any time, in whole, or in part, any proposal award. In the event of termination for convenience, the City's sole obligations will be to reimburse Contractor for (1) those goods and/or services actually shipped /performed and accepted up to the date of termination, and (2) costs incurred by the Contractor for unfinished goods, which are specifically manufactured for the City and which are not standard products of the Contractor, as of the date of termination, and a reasonable profit thereon. In no event is the City responsible for loss of anticipated profit nor will reimbursement exceed the proposal value.

7.9.1 Contractor's associated costs of procuring those reimbursable goods and/or services are considered part of the amount incurred.

7.10 Termination For Default: The City may terminate all or any part of this contract, by giving Notice of Default to the Contractor, if the Contractor:

7.10.1 refuses or fails to deliver the goods or services within the time specified,

7.10.2 fails to comply with any of the provisions of this Bid or so fails to make progress as to endanger performance hereunder,

7.10.3 becomes insolvent or subject to proceedings under any law relating to bankruptcy, insolvency, or relief of debtors,

7.10.4 fails to supply enough skilled workers or properly operating equipment, to perform the work required under the contract in a timely and proper fashion and to assure prompt completion of the work,

7.10.5 fails to make prompt payment to subcontractors, or payments for or labor;

7.10.6 Persistently disregards law, ordinances or the instructions of the City, or otherwise violates any provision of the contract or contract documents;

7.10.7 Performs the work unsuitably or neglects or refuses to repair work that has been rejected by the City;

7.10.8 Fails to resume work which has been discontinued within a reasonable time after being furnished notification to do so; OR

7.10.9 Fails to secure, replace, and/or maintain the insurance required in this ITB.

In the event of termination for default, the City's liability will be limited to the payment for services delivered and accepted as of the date of termination.

7.12. Indemnification and Insurance

7.12.1 **Indemnification**

The Contractor hereby agrees, to the fullest extent permitted by law, to indemnify and hold harmless the City, its officers, agents, and employees, from and against any and all liability, claims, demands, damages, fines, fees, expenses, penalties, suits, proceedings, actions and cost of actions, including attorney's fees for trial and on appeal, of any kind and nature arising or growing out of or in any way connected with the performance of this Contract whether by act or omission of the Contractor, its agents, servants, employees or others, or because of or due to the mere existence of this Contract between the parties.

7.12.2 **Insurance**

Contractor shall provide evidence of insurance coverage which is equal or exceeds the minimum standards for this project, listed here, prior to commencing work. Such insurance shall remain in effect for the entire term of the Contract.

During the project, should Contractor fail to provide acceptable evidence of current insurance within seven (7) days before the expiration date of an insurance policy, the City shall have the right to terminate the Contract.

All insurance coverages shall be written by a company licensed to do business in the State of Florida and shall have an A.M. best rating of at least A-. Proof of Insurance must accompany the signed contract for the following amounts:

a. **Workers Compensation:**

Coverage A	In conformity with Florida Statues.
Coverage B	$500,000/$500,000/$500,000

b. **Commercial General Liability:**

Each occurrence for:

Bodily Injury/Property Damage	$1,000,000
Personal and Advertising Injury	$1,000,000
Products/Completed Operations	$1,000,000
General Aggregate for:	$2,000,000
Fire Legal Liability	$100,000
Medical Payments	$10,000
Contractual Liability where applicable	

c. Business Automobile Liability

Combined Single Limit	$1,000,000

This coverage shall include the following provisions:

- The City of Destin shall be an additional insured
- The policy shall not be cancelled unless the City is given at least thirty (30) days advanced notice

The Contractor is responsible for all damage or loss by fire, theft or otherwise, to materials, tools, equipment, and consumables, left on City property by the Contractor.

d. Umbrella Liability:

In lieu of providing insurance at the limits required for GL and Auto, Contractors may fulfill the requirements of this section by securing umbrella liability insurance coverage provided that the combined total of the primary and umbrella coverages satisfy the minimum required insurance limits set forth in Section 3.16 of the bid document.

e. Builders Risk Insurance

- Contractor shall purchase and keep in effect builders "all-risk" extended coverage (including flood and wind storm damage) on a non-reporting completed value with special cause of loss form in an amount based upon complete replacement value of improvements.
- The City of Destin shall be named as additional insured on the policy and the City explicitly reserves the right to review said policy upon request.
- The policy shall not be cancelled unless the City is given at least thirty (30) days advanced notice.

7.13 **Bond Requirements** - Performance Bond equal to one hundred percent (100%) of the Contract price will be required. Labor & Material Payment Bond equal to one hundred percent (100%) of the Contract price will be required. Warranty Bond equal to one hundred percent (100%) of the Contract price will be required. Labor & Material Payment Bonds, Performance Bond and Warranty Bond shall accompany the contract within 15 days, be signed, sealed and dated no earlier than the contract effective date and specifically refer to the contract, by date. Surety companies providing any bond must be listed in the latest Federal Register of the U.S. Department of Treasury, Circular 570 entitled "Surety Companies Acceptable on Federal Bonds" or otherwise acceptable to the City in the City's discretion.

7.14 **Safety Measures** - The Contractor shall take all necessary precautions for the safety of the City's and Contractor's workers on all Work sites and shall erect and properly maintain at all times all necessary safeguards for the protection of the Workers and public. The Contractor shall post signs warning against hazards in and around the Work site.

7.15 **OSHA –** Precautions shall be exercised at all times for the protection of persons and property. Contractor shall conform to all OSHA, State and County regulations while performing under the terms and conditions of this contract. Any fines levied by the above mentioned authorities because of inadequacies to comply with these requirements shall be borne solely by the Contractor responsible for the same.

7.16 **Protection of Resident Workers** - The City actively supports the Immigration & Nationality Act (INA) which includes provisions addressing employment eligibility, employment verification, and nondiscrimination.

7.17.1 Under the INA, employers may hire only persons who may legally work in the United States, (i.e., citizens and nationals of the U.S.) and aliens authorized to work in the U.S.

7.17.2 The employer must verify the identity and employment eligibility of anyone to be hired, which includes completing the Employment Eligibility Verification. The Contractor shall establish appropriate procedures and controls so no services or products under the contract documents will be performed or manufactured by any worker who is not legally eligible to perform such services or employment.

7.17.3 The City reserves the right to request documentation showing compliance with this requirement.

7.17 **Federal E-Verify Compliance** - In accordance with Executive Order Number 11-116 from the Office of the Governor of the State of Florida, Contractor hereby certifies that the U.S. Department of Homeland Security's E-Verify system will be used to verify the employment eligibility of all new employees hired by the respondent during the contract term, and shall expressly require any subcontractors performing work or providing services pursuant to the contact to likewise utilize the U.S. Department of Homeland Securities E-Verify system to verify the employment eligibility of all new employees hired by the subcontractor during the contract term; and shall provide documentation such verification to the CITY upon request.

7.18 **Right to Audit Records -** The City shall be entitled to audit the books and records of the Contractor or any sub-contractor to the extent that such books and records relate to the performance of this Contract or any sub-contract to this Contract. Such books and records shall be maintained by the Contractor for a period of three (3) years from the date of final payment under this Contract and by the sub-contractor for a period of three (3) years from the date of final payment under the sub-contract unless a shorter period is otherwise authorized in writing.

7.19 PUBLIC RECORDS

IF CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS

RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

CITY CLERK – CITY OF DESTIN
4200 INDIAN BAYOU TRAIL
DESTIN, FLORIDA 32541
850-837-4242
rbaily@cityofdestin.com

7.19.1 Contractor shall keep and maintain public records required by the City to perform the services contained in this Agreement. Upon request from the City's custodian of public records, Contractor shall provide the City with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the costs provided for in Chapter 119, Florida Statutes or as otherwise provided by law.

7.19.2 Contractor shall ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term, and following completion of the contract if the Contractor does not transfer the records to the City.

7.19.3 Upon completion of the contract, Contractor shall transfer, at no cost, to the City all public records in possession of the Contractor or keep and maintain public records required by the City to perform the service. If Contractor transfers all public records to the City upon completion of the contract, Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If Contractor keeps and maintains public records upon completion of the contract, Contractor shall meet all applicable requirements for retaining public records.

7.19.4 All public records stored electronically must be provided to the City, upon request from the City's custodian of public records, in a format that is compatible with the information technology systems of the City.

7.19.5 Failure of Contractor to comply with the City's request for records or any other provisions contained in this paragraph, shall be deemed a material breach of this contract and the parties agree that the City may seek immediate relief through a court of law as outlined in Section 119.11, Florida Statutes.

7.19.6 If Contractor fails to provide the public records to the City within a reasonable time Contractor may be subject to penalties under Section 119.10, Florida Statutes. If it is found that Contractor has unlawfully refused to comply with a public records request within a reasonable time, and if the Notice requirements of Section 119.0701(4), Florida Statutes have been met, the City will be entitled to recover all reasonable costs and attorneys' fees for such violation in accordance with Section 119.0701(4), Florida Statutes.

7.20 Familiarity With The Work: The Contractor by executing this Contract, acknowledges full understanding of the extent and character of the Work required and the conditions surrounding the performance thereof. The City will not be

responsible for any alleged misunderstanding of the Work to be furnished or completed, or any misunderstanding of conditions surrounding the performance thereof. It is understood that the execution of this Contract by the Contractor serves as the Contractor's stated commitment to fulfill all the conditions referred to in this Contract.

7.21 **Title and Risk of Loss -** The title and risk of loss to the Work shall pass from the Contractor to the City upon the City's final acceptance of the Work.

7.22 **Licenses -** The Contractor is responsible for obtaining any necessary state contractor's licenses, and the Contractor must be duly licensed in accordance with the State of Florida's statutory requirements to perform the work identified herein. Proof of licensure shall be submitted with this contract. Required licenses shall be maintained and valid throughout the term of this contract.

7.23 **Permits -** The Contractor is responsible for procuring all work permits, licenses, and certificates, or any such approvals of plans or specifications as may be required by federal, state and local laws, ordinances, rules, and regulations, for the proper execution and completion of the Work under this Contract.

7.24 **Federal Terms** – N/A.

SECTION 8. OTHER PROVISIONS

8.1 **Florida Law Applies & Venue:** The parties acknowledge and agree that this contract shall be governed by, and construed pursuant to the laws of the State of Florida and that the venue for any action related to this contract lies solely within the state courts of Okaloosa County, Florida.

8.2 **Sovereign Immunity:** Nothing contained herein is intended nor shall it be construed to waive the City's sovereign rights and immunities under the common law or Florida Statute 769.28 as amended from time to time.

8.3 **No Waiver:** No failure of either party to exercise any right or power given such party hereunder or to insist upon strict compliance by the other party with its obligations hereunder, and no custom or practice of the parties at variance with the terms hereof, shall constitute a waiver of a party's right to demand exact compliance with the terms hereof.

8.4 **Conflicts of Interest:** The Contractor acknowledges and warrants that no one was paid a fee, commission, gift, or other consideration contingent upon receipt of an award for the services and/or supplies specified in this Contract. The undersigned hereby certify that this Contract is made without prior understanding, Contract or connection with any corporation, firm or person who submitted bids for the Work covered by this Contract and is in all respects fair and without collusion or fraud.

As to Contractor, the undersigned hereby warrants and certifies that he/she is authorized to enter into this Contract and to execute same on behalf of the Contractor as the act of the said Contractor.

8.5 **Assignment** - The Contractor may not assign, transfer, or otherwise dispose any rights or obligations of the Contract without prior written consent of the City.

8.6 **Non-Exclusivity** - This Contract is considered a non-exclusive Contract between the parties.

8.7 **Modifications** - No waiver, alterations, consent or modification of any of the

provisions of this Contract shall be binding unless in writing and signed by the City Manager or his designee.

8.8 Conflicts, Severability

The provisions of this Contract are intended to be independent, and in the event any provision hereof shall be declared by a court of competent jurisdiction to be invalid, illegal or unenforceable for any reason whatsoever, such illegality, unenforceability, or invalidity shall not affect the remainder of the Contract. If there is a conflict in the terms or provisions of this Contract and any of the referenced documents, the following shall be the order of precedence from most controlling document to least controlling document: a) this Contract; b) the Request for Bids; and c) Contractor's Bid. If there is a conflict in the terms or provisions, all non-conflicting portions of the terms or provisions of the less controlling documents shall remain enforceable.

8.9 Entire Agreement: This Contract supersedes all other understandings and agreements between the parties and constitutes the sole and entire agreement between Contractor and City. Oral representations not set forth herein cannot be relied upon and are not binding on either Contractor or City. This Contract may not be modified except in writing signed by all parties hereto. Notwithstanding the following, any provision, right or obligation found in ITB 23-004 shall be binding on the parties to the extent that such provision, right or obligation is not specifically contradicted in this Contract.

CROSSTOWN CONNECTOR CONSTRUCTION PHASE 1

City of Destin, Florida
May 7, 2025

Larry Jones, City Manager
Phone (850) 837-4242
4200 Indian Bayou Trail
Destin, Florida 32541

CITY OF DESTIN, FLORIDA

The City of Destin, Florida, is currently receiving sealed competitive Bids for the installation of an underground stormwater retention system (ADS Chambers), stormwater pipe, drainage structures, and sod. Work includes all necessary materials, site work, and foundation preparation required for the placement of the stormwater system, pipes, and structures.

This RFB is considered to be Phase 1 of the Destin Crosstown Connector. The City intends to construct the Crosstown Connector project in 2 phases due to timing of availability of construction funding. When completed, the Crosstown Connector will be a new 0.42-mile two-lane east-to-west roadway corridor that will provide an alternative route to US 98 for local traffic. The new roadway corridor will connect Azalea Drive at the Benning Drive intersection to Legion Drive at the Beach Drive intersection. Phase 2 will construct the remainder of the project and will be advertised as a separate RFB.

To bid on this project you must be placed on the Plan Holders List. In order to be on the Plan Holder's list, you must first request and obtain the Bid documents (containing the full specifications and requirements) by emailing the City Clerk's Office at cityclerk@cityofdestin.com. Please include "RFB NO. 25-07-CM, CROSSTOWN CONNECTOR CONSTRUCTION PHASE 1" in the subject line of the email. The bid documents can also be obtained from the City Clerk's Office at the City of Destin, 4200 Indian Bayou Trail, Destin, Florida 32541.

Proposal submissions must be received by the City Clerk's Office at the City of Destin, 4200 Indian Bayou Trail, Destin, Florida 32541, in a sealed envelope clearly marked **"RFB NO. 25-07-CM, CROSSTOWN CONNECTOR CONSTRUCTION PHASE 1", along with the name, return address and telephone number of the submitter, no later than 1:00 p.m. CT, on June 9, 2025** at which time they will be opened. When deemed to be in the City's best interest:

1. The city reserves the right to reject any and all submittals or portions thereof up through and including formal execution of a contract to the successful bid,
2. to waive minor defects and informalities in the process.
3. to accept the Bid(s).
4. Take any other action.

Larry Jones
City Manager

REQUEST FOR PROPOSALS
RFB NO. 25-07-CM
CROSSTOWN CONNECTOR CONSTRUCTION PHASE 1

INTRODUCTION

The City of Destin is issuing a Request for Bids (RFB) to secure proposals from qualified contractors for underground stormwater retention system (ADS Chambers), stormwater pipe, and drainage structures. Work includes all necessary materials, site work, and foundation preparation required for the placement of the stormwater system, pipes, and structures.

This RFB is considered to be Phase 1 of the Destin Crosstown Connector. The City intends to construct the Crosstown Connector project in 2 phases due to timing of availability of construction funding. When completed, the Crosstown Connector will be a new 0.42-mile two-lane east-to-west roadway corridor that will provide an alternative route to US 98 for local traffic. The new roadway corridor will connect Azalea Drive at the Benning Drive intersection to Legion Drive at the Beach Drive intersection. Phase 2 will construct the remainder of the project and will be advertised as a separate RFB.

It is the bidder's responsibility to read and understand the requirements of this REQUEST FOR BIDS. Bidders are required to state exactly what they intend to furnish the City of Destin via this solicitation in order to be deemed responsive and must indicate any variances to the terms, conditions and specifications of this proposal, no matter how slight. If variations are not stated in the proposal, it shall be construed that the proposal fully complies with all conditions identified in this proposal.

Before submitting a proposal, each bidder will, at bidder's own expenses, make or obtain any additional examinations, investigations and studies, and obtain any additional information and data that may affect costs, permitting, progress, performance of furnishing of the project and that the bidder's deems necessary to determine its proposal.

Bidders will examine all documents included in this RFB carefully and shall make a written request to the City's authorized representative (cityclerk@cityofdestin.com) for information, interpretation or correction of any ambiguity, inconsistency, or error herein.

Any interpretation or correction will be issued by the City as an addendum to the RFB. Only a written interpretation or correction by addendum shall be binding. Bidders are cautioned against relying upon any interpretation or correction given by any other method.

The submission of a proposal shall not be deemed an agreement between the bidder and the City. The proposal is a contractual offer by the bidder to perform services in accordance with the proposal. The City shall not be obligated to respond to any proposal submitted nor be bound in any manner by the submission of a proposal.

1.0 INSTRUCTION TO RESPONDENTS

A. The City of Destin will accept RFB responses until June 9, 2025, no later than 1:00 p.m. (CT) at City Clerk's Office located at City Hall, 4200 Indian Bayou Trail Destin FL. 32541, to provide the City with Qualified Respondents for RFB NO. 25-07-CM, CROSSTOWN CONNECTOR CONSTRUCTION PHASE 1.

B. Any responses received after the above stated time and date will NOT be considered. It shall be the sole responsibility of the bidder to have their RFB submittal delivered to City Clerk's Office for receipt on or before the above stated time and date. RFB responses which arrive after the above stated deadline as a result of delay by the mail service shall not be considered, and arrangements shall be made for their return at the bidder's request and expense. The City reserves the right to consider submittals that have been determined by the City to be received late due solely to mishandling by the City after receipt of the RFB and prior to the award being made.

C. All responses will be publicly opened and recorded for acknowledgement of receipt in the City Hall Boardroom on **June 9, 2025, 1:00 p.m. (CT)**. All bidders or their representatives are invited to be present. The City Hall Boardroom is located at 4200 Indian Bayou Trail Destin, FL 32541.

D. Any addendum(s) issued to this RFB, will be provided to Plan Holders. It shall be the responsibility of each Plan Holder or respondent, prior to submitting the RFB response, to contact the City Clerk's Office, at (850) 837-4242 to determine if any addendum(s) were issued and to complete any addendum acknowledgements as part of their RFB response.

E. One (1) printed original and one (1) digital copy (.pdf format, matching the original printed copy) on a USB Thumb Drive of the RFB responses shall be submitted in a sealed package clearly marked on the outside " RFB NO. 25-07-CM, CROSSTOWN CONNECTOR CONSTRUCTION PHASE 1 " and addressed: City of Destin, City Clerk's Office, 4200 Indian Bayou Trail, Destin, FL 32541.

F. Complete and submit Bidder Qualification Statement Form herein as an attachment (*include attachment letter*).

G. Submissions shall be portrait orientation, "8 1/2 X 11" where practical and double-sided.

H. All expenses for making RFB submittals to the city are to be borne by the bidder.

I. Responses shall be evaluated based on all information submitted and a ranked list and recommended bidders will be submitted to the City Council for consideration. Bidders may be required to provide a brief presentation at a City Council meeting.

J. Each bidder, by submission of a proposal, acknowledges that in the event of any legal action challenging the award of the RFB; damages, if any, shall be limited to the actual cost of the preparation of the RFB.

K. Procurement Schedule

Tasks	Date
RFB issued	May 7, 2025
Mandatory Pre-Bid Meeting	May 21, at City Hall
Last day for questions to be submitted	May 23, 2025

Tentative Date- Execution of Contract	July 7, 2025
Tentative Date- Notice to Proceed	July 8, 2025

There will be a Mandatory Pre-Bid Meeting at City Hall, 4200 Indian Bayou Trail, Destin, FL 32541 May 21, 2025 at 10:00 am.

2.0 GENERAL CONDITIONS

2.1 Project Description

Details of the proposed work are provided in the engineering drawings and specifications, (see technical attachments including all addendums). All work shall be completed as shown in the construction documents. Each bidder shall thoroughly examine the work area and be familiar with the bid documents. The failure or neglect of a bidder to receive or examine any bid document or any part thereof shall in no way relieve it from any obligations with respect to its Bid or to any contract. No claim for additional compensation shall be allowed, which is based upon a lack of knowledge of any contract document.

The general description of work shall include, but may not be limited to:

- Installation of MC-3500 Stormtech Chambers according to plans and Construction Guide.
- Installation of manhole structures S-304, S-416, ADS-B, and ADS-F
- Installation of Nyloplast Drainage Basins ADS-A, ADS-C, ADS-D, and ADS-E
- Installation of Stormwater pipes between manholes S-304, S-416, and the ADS Chambers
- Installation of 8’ of stormwater pipe between S-503 (excluded) and the ADS Chambers (for future connection)
- Installation of sod

Project-Specific Conditions & Clarifications

- Prohibit unloading, loading, parking, or storing construction equipment or vehicles within the road ROW of any existing roadway. Adequate provisions for such activities shall be made on the project property.

- Contractor must comply with the standard protection measures for the Eastern Indigo Snake per USFWS. https://fdotwww.blob.core.windows.net/sitefinity/docs/default-source/environment/pubs/protected-species/standard-protection-measures-for-the-eastern-indigo-snake-2024.pdf?sfvrsn=93349df9_5
- Any sidewalk damaged during construction shall be replaced from joint to joint (4" thick minimum, 4000 psi with fiber, and a light broom finish). Where sidewalk cuts through a driveway, concrete shall be a minimum of 6" thick, per LDC Section 8.01.00.G.6.g.
- Ensure sidewalks meet ADA cross slope requirements of 2% total maximum.
- Any infrastructure damaged during construction, repair the right-of-way to original or better condition, per LDC Section 8.01.00.A.

The work items listed above are expected to include clearing and grubbing, grading to the proposed elevations with tie-in slopes shown, and sodding of the disturbed areas. Construction activities are not expected to directly impact traffic, however, maintenance of traffic and portable changeable message signs will be required for the ingress/egress of construction vehicles to the project site. Excess fill material excavated for underground stormwater retention system shall remain the property of the City and remain onsite within the limits of the right of way. Contractor is expected to follow the Stormwater Pollution Prevention Plan and provide erosion and sediment control measures as shown and as applicable to the phase 1 scope of work.

The Bidder is responsible for obtaining all necessary governmental agency permits. All permitting costs are to be included in the base offer including permit related signage.

2.2 Project Schedule

Contractor shall reach substantial completion for all work thirty (30) days prior to final completion. The time stated for completion shall include final cleanup of the premises. Extensions of contract time for delays caused by the effects of inclement weather are justified only when rain or other inclement weather conditions or related adverse soil conditions prevent the Contractor from productively performing controlling items of work resulting in:

The Contractor being unable to work at least 50% of the normal workday on predetermined controlling work items; or

The Contractor must make major repairs to work damaged by weather, providing the damage was not attributable to a failure to perform or neglect by the Contractor.

ESTIMATED PROJECT SCHEDULE	
Tasks	**Date**
Begin Construction	July 2025

Substantial completion date	30 Days Prior to Complete Construction
Complete Construction	December 31, 2025

3.0 CONTRACTOR REQUIREMENTS

City of Destin is seeking an independent Florida Licensed General Contractor (including all necessary independent subcontractors) with all applicable licenses for work on this project.

3.1 Independent Contractor

An Agreement resulting from this solicitation does not create an employee/employer relationship between the Parties. It is the intent of the Parties that the Bidder is an independent contractor under this Agreement and not the City's employee for any purposes, including but not limited to, the application of the Fair Labor Standards Act minimum wage and overtime payments, Federal Insurance Contribution Act, the Social Security Act, the Federal Unemployment Tax Act, the provisions of the Internal Revenue Code, the State Worker's Compensation Act, and the State Unemployment Insurance law. The Bidder shall retain sole and absolute discretion in the judgment of the manner and means of carrying out Bidder's activities and responsibilities hereunder provided, further that administrative procedures applicable to services rendered under any potential Agreement shall be those of Bidder, which policies of Bidder shall not conflict with City, State, or United States policies, rules or regulations relating to the use of Bidder's funds provided for herein. The Bidder agrees that it is a separate and independent enterprise from the City, that it had full opportunity to find other businesses, that it has made its own investment in its business, and that it will utilize a high level of skill necessary to perform the work. Any potential Agreement shall not be construed as creating any joint employment relationship between the Bidder and the City and the City will not be liable for any obligation incurred by Bidder, including but not limited to unpaid minimum wages and/or overtime premiums.

3.2 License Requirements

Provide all applicable contractor licenses: including license name, license numbers and contact information. Contractor must be Florida State Certified or Florida State Registered possessing an Okaloosa County Competency License https://myokaloosa.com/gm/licensing

Contractor must be registered with the City of Destin https://www.cityofdestin.com/DocumentCenter/View/15273/Contractor-Registration-Instructions

3.3 Insurance Requirements

Respondent, contractor and/or sub-contractors (used interchangeably) shall, at its expense, procure and maintain at a minimum for the duration of the project and through the period as stated in the Construction Contract, the types and amounts of insurance described below or as otherwise requirement by state and federal law:

a. Workers' Compensation and Employers Liability Insurance: Shall carry Workers' Compensation Insurance in accordance with the laws of the State of Florida and in the amounts sufficient to secure the benefits of the Florida Workmen's Compensation Law for all types of employees, including those of subcontractors. Any Florida State or County Licensed contractor who performs any type of marine construction work as defined in FAC 61G4015.033, must maintain applicable workers' and general liability insurance as required by state and federal law, including but not limited to the provisions of the Longshore and Harbor Workers' Compensation Act.

b. General Liability Insurance: General Liability Insurance with a minimum liability insurance requirement of $1,000,000 for combined single limit.

c. Respondent shall produce proof of insurance in the types and amounts required by the city, state, and federal regulations, including the foregoing and any additional coverages, including Automobile Liability and or Builder's Risk Insurance, as may be defined at the time of contract. The city shall be named as an additional insured party and all binders, policies or certificates of insurance shall include a provision that such insurance coverage shall not be cancelled or amended without at least thirty days' notice to the city. All coverage shall be with carriers doing business in the State of Florida. Carriers shall be A rated (or better) by AM Best Company. City reserves the right to modify its insurance requirements with 60 day notice.

3.4 Bonding Requirements

a. Bid Bond Security

All bidders shall furnish with their bids a bid bond. Said bid bond shall be issued by a surety duly authorized to conduct business in the State of Florida and shall be in the amount of five percent (5%) of the total amount of the bid. Bid security is submitted as a guarantee that the Bidder, if awarded the Contract, will promptly execute such Contract in accordance with the Bid and in the manner and form required as defined by the Contract Documents. The Bidder must be named as the principal of the bond. Surety companies executing bonds must appear on the Treasury Department's most current list (Circular 570 as amended) and be authorized to transact business in the State of Florida. See Article 5 of the General Conditions as amended by Supplementary Conditions.

b. Performance and Payment Bond

The bidder to whom the Contract is awarded shall furnish to the City, without extra compensation, and shall maintain in effect throughout the life of the Contract, and for the duration of the period described in the bond, acceptable Performance and Payment bonds in sums at least equal to 100% of the full amount of the Contract, conditioned to indemnify and save harmless the City from and against any loss, damage, or expense ensuing from failure on the part of the Contractor to faithfully and properly perform the Contract or to promptly pay all its subcontractors, suppliers, materialmen or laborers for work completed on the Project.

The required forms for the performance and payment bonds are included in these Instructions. If within ten (10) calendar days after the acceptance of the bid, the successful bidder shall refuse or neglect to execute the contract and to furnish the required performance and payment bonds properly signed by the bidder and the surety or sureties satisfactorily to the owner, the bidder shall be deemed to be in default and the owner will retain the Bid Bond Security as liquidated damages, but not as a penalty. The owner reserves the option to accept the bid of any of the other bidder within ten (10) calendar days from default, in which case such acceptance shall have the same effect on such bidder as though he were the original, successful bidder.

3.5 Permitting Requirements

Contractor is required to obtain all required permits prior to the start of construction.

a. City of Destin Building Permit: “Infrastructure/Utility/Stormwater”
b. Any and all other applicable and/or required federal, state, and local permits

3.6 Codes and Standards

All project work shall be done in accordance with all appliable Federal, State, and local codes and standards which include, Florida Building Codes, City Codes and Ordinances, Approved Development Order and Manufacturers Recommendations and Manufactures Signed Sealed Engineered installation instructions.

5.0 CONSTRUCTION CONSIDERATIONS

Project implementation for this scope of work under this RFB includes all labor, materials, equipment and services required for construction including any permitting, compliance with all federal, state and local codes and construction of the project. All construction shall be completed

as indicated in the construction documents. All work shall meet City standards and be performed to the satisfaction of the City Engineer, Building Official or his/her designee. All materials and equipment shall be subject to inspection by the City prior to incorporation into the final work.

5.1 Subcontractor(s)

Unless otherwise stated in the contract documents or the bidding requirements, the contractor, as soon as practicable after award of the contract, shall furnish in writing to the City the names of persons or entities, including those who are to furnish materials or equipment fabricated to a special design, proposed for each principal portion of the Work. The City will promptly inform the bidder in writing whether it has reasonable objection to any such proposed person or entity. The City may consider the use of any subcontractor when evaluating whether a bidder can perform the contract or provide the service promptly, or within the time specified, without delay or interference.

5.2 Notice to Proceed

The City shall issue a signed Purchase Order and official Notice to Proceed for the services referenced in this RFB and resulting contract. The Notice to Proceed shall be sent via email. Under no circumstances shall the City be liable for any services rendered unless the written Notice to Proceed has been sent and received by the Contractor(s). The Contractor(s) must acknowledge receipt of the written Notice to Proceed.

The services shall commence upon written Notice to Proceed from the City, and the project shall be completed in accordance with the project schedule.

5.3 Changes in Scope of Work

a. “Change Order” shall be defined as a written instrument prepared by and signed by the City Manager and Bidder, stating the specific agreement upon all of the following: the change in the scope of work, including additional or extra work, the amount of the adjustment, if any, to the contract price, and the adjustment, if any, to the contract completion time. The City Manager’s authority to authorize Change Orders is constrained by the City’s Purchasing Policy and Manual.
b. No claim for additional or extra work will be considered or paid by the City unless a request for a Change Order is first submitted in writing by the Bidder and authorized by the City as a Change Order.
c. All change orders shall be considered a written addendum to the Contract.

5.4 Site Preparation (as applicable)

a. Public Infrastructure and Accesses: Contractor will be responsible for any damages to publicly owned infrastructure to include sidewalks, curb and gutter, storm sewer inlets/grates, manholes, pipes, etc. Repair or replacement of these items will adhere to Florida Department of Transportation (FDOT), City of Destin, and Destin Water Users standards as applicable.

b. Hours of Operation: Contractor will limit times of activity to 6am to 6pm Monday through Sunday, in accordance with the City's Noise Ordinance. No construction activity shall take place on federally recognized Holidays. City of Destin reserves the right to direct the contractor as to specific days when work will be allowed.

c. Staging Area: Prepare a designated staging area for all construction materials and equipment associated with the construction work that is not accessible to the public, with a location agreed upon by the Parks and Recreation Director.

5.5 Schedule for Delivery of Materials

The successful respondent shall be responsible for receiving all materials delivered.

5.6 Waste Disposal

Contractor shall be responsible for disposal of all waste and debris.

5.7 Site Utilities

All site utilities (Electrical, Potable Water, Wastewater, and Storm Drainage/Stormwater) shall be maintained during the construction.

5.8 Material Data

a. United States-Produced Iron and Steel (s. 255.0993, Fla. Stat.) - Any iron or steel product permanently incorporated into the project must be produced in the United States

5.9 Construction Administration & Management

a. Identify a Construction/ Quality Assurance Supervisor. Providing their name(s), qualifications including a minimum of five (5) years of experience on similar scope and magnitude projects.

b. Construction/Quality Assurance Supervisor to provide construction coordination and is responsible for communicating with the City of Destin's Project Liaison, other contractors (as applicable); provides directives to sub-contractors and attends scheduled construction meetings on site, and review of all project billing.

- If named individual is replaced during construction period, replacement will require approval of same or greater credentials and experience level initially proposed prior to replacements' start of work.
- Named individual is to provide input to reports and meeting minutes with City of Destin, and other contractors.
- Responsible for quality control of project and addressing areas that may affect the quality of the project's final product and identify inspection procedures to ensure poor quality issues do not occur.
- Construction and Quality Assurance Supervisor shall be responsible for overall project construction quality control, inspection/field condition reports, weekly progress reports, project photographs, project schedule coordination, inspection scheduling, and schedule and attend biweekly construction progress meetings with City and other designees

5.10 Warranty Submittal Requirements

a. For all major pieces of equipment, submit a warranty from the equipment manufacturer. The manufacturer's warranty period shall be concurrent with the Contractor's for one (1) year, unless otherwise specified, commencing at the time of final acceptance by the Owner.

b. The City reserves the right to request warranties for equipment not classified as major. The Contractor shall still warrant equipment not considered to be "major" in the Contractor's one-year warranty period even though certificates of warranty may not be required.

c. In the event that the equipment manufacturer or supplier is unwilling to provide a one (1) year warranty commencing at the start of the Correction Period, the Contractor shall obtain from the manufacturer a two (2) year warranty commencing at the time of equipment delivery to the job site. This two (2) year warranty from the manufacturer shall not relieve the Contractor of the one (1) year warranty.

d. The City shall incur no labor or equipment cost during the guarantee period.

e. Guarantee shall cover all necessary labor, equipment and replacement parts resulting from faulty or inadequate equipment design, improper assembly or erection, defective workmanship and materials, leakage, breakage or other failure of all equipment and components furnished by the manufacturer.

6.0 EVALUATION OF RESPONSES

6.1 Selection Process

In general, the City will conduct the selection process in accordance with this Section and all applicable City purchasing policies and procedures.

6.2 Scoring

The criteria to determine the lowest, best responsive, and responsible bidder, is listed numerically below by their relative order of importance.

EVALUATION CRITERIA	**Max POINTS**
Price Proposal (1-5 points) x2	10
Qualifications/Experience (1-5 points)	5
Project Approach (1-5 points)	5
Past Performance (1-5 points)	5
TOTAL	**25**

Scoring Guidance
5 points: Meets the requirement 100%.
4 points: Some minor gaps but substantially meet the requirements.
3 points: More moderate gaps and does not meet the requirements.
2 points: Only partially meets the requirements.
1 point: Does not meet the requirements at all.

6.3 Criteria Descriptions

a. Price Proposal
- Costs will be evaluated based on the items outlined in the scope of work and price proposal submission requirements.
- Are costs reasonable compared to the work performed? Are assumptions used in developing costs reasonable?
- Did bidder provide all the requested cost information?
- How competitive is the price proposal compared to the others received?

b. Qualifications and Experience
- Does the contractor have the experience necessary to carry out the specific work for this project? Does the contractor have experience with similar projects?
- Does the background and qualifications of individual key team members provide proven technical, operational, and managerial experience needed to handle the proposed project? Are the company structure and the relation of the project team clearly shown?

- Do financial qualifications clearly demonstrate financial stability of the company?

c. Project Approach and Performance Differentiators
   - Does the submittal include detailed information that demonstrates the bidder's understanding of the scope of work and how they intend to meet the objectives of the project?
   - Does submittal demonstrate the firm's ability to manage existing budgets and implement cost controls throughout a project?
   - Has bidder demonstrated knowledge of local site conditions and applicable requirements? Does submittal contain approach to receiving permitting and maintaining the original construction scheduled as provided for in the scope of work?
   - Is project approach specific, describing the means and methods of accomplishing the work. Does it identify any key issues on the project and/or propose some potential solutions?
   - Is contractors schedule and availability practical and meet project requirements?

d. Past Performance
   - Do past performance evaluations and/or past performance information provided reflect a trend of satisfactory performance?
   - Basis of evaluation:
   - A pattern of successful completion of work
   - A pattern of work identical to, similar to, or related to the work the project requires.
   - Ability shown, through workmanship provided on other projects.
   - Did the bidder provide references, did they demonstrate the company's quality of work?

7.0 SUBMITTAL REQUIREMENTS

7.1 No Contact Clause

All prospective bidders are hereby instructed to not contact any member of the Destin City Council, City Manager, or City of Destin staff member other than the authorized city contact person identified below regarding this solicitation or the bidder's submittal package. In order to ensure a fair, competitive, and open process, once a project is advertised all communication between interested bidder and the City must be directed to:

City Clerk
City of Destin
4200 Indian Bayou Trail
Destin, Florida 32541
850-837-4242
cityclerk@cityofdestin.com
Office Hours: Monday- Friday, 8:00 A.M. TO 5:00 P.M. CT

Any such contact to anyone but the Clerk may be cause for rejection of your submittal.

7.2 Addenda

Submitter acknowledges that it is the submitter's responsibility to determine whether an Addendum has been issued; and if so, to obtain copies of such Addendum from the City Clerk of Destin and agrees to be bound by all addenda that have been issued for this REQUEST FOR BIDS. If addendum is issued, bidder shall sign and return each addendum with the submittal package. Failure to return signed any and all addenda may disqualify the submittal.

7.3 Inquiries

The City will not respond to oral inquiries. Proposers may submit only e-mailed inquiries regarding this RFB. The City will respond to written e-mailed inquiries received by May 16, 2025. Questions or requests for Bid documents, plans and specifications regarding this RFB may be directed to the City Clerk, 4200 Indian Bayou Trail 32541 (850) 837-4242 cityclerk@cityofdestin.com.

7.4 Submittal Preparation

Submittals should be prepared in the following order:

a. Coversheet: provide a submittal cover sheet that includes RFB NO. 25-07-CM, CROSSTOWN CONNECTOR CONSTRUCTION PHASE 1, bid opening date and bidder contact information.
b. Table of Contents: provide Table of Contents to aid the evaluation of the qualifications

c. Transmittal Letter: provide a signed letter of transmittal that demonstrates the bidder's:
   - commitment to perform the work,
   - understanding of the work to be done, including approach, notional schedule, assumptions, contingencies, and mitigating factors
   - delineating features that articulate why it is the best qualified firm to perform the work (e.g. bidder's qualifications, competence, and capacity for the construction proposed in this RFB),

d. Completed Forms [Reference RFB Attachments]
   - Attachment NO. 1 - Bidder Qualification Statement
   - Attachment NO. 2 - Public Entity Crime Form
   - Attachment NO. 3 - Drug Free Workplace Certification Form
   - Attachment NO. 4 - Bid Bond Form
   - Attachment NO. 5 - Anti-Human Trafficking Affidavit
   - Attachment NO. 6 - Anti-Collusion Statement

e. Proof of Insurance: provide proof of insurance meeting minimum insurance requirements as outlined in section 4.3 Insurance Requirements.
f. Addendums (if applicable)
g. Price Proposal Sheet
h. W-9
i. Copies of Proposal
j. Proof of licensing and certifications: provide proof of licensing and certifications meeting minimum requirements as outlined in section 4.2 License Requirements.
k. Florida Product Approval Certifications

Failure to provide any of the above listed mandatory information shall result in the elimination of the submittal package from consideration.

7.5 Price Proposal Sheet

The 'Total Base Bid' and 'Total Alternative Bid Items' amounts, as respectively submitted by the bidder in the Price Proposal Sheet, shall include the cost of all work and all costs incidentals thereto, to accomplish the scope identified in this RFB and supporting Exhibits.

7.6 Conflict of Interest Disclosure

Each proposal is subject to the provisions of Florida Statutes, Chapter 112, providing that all bidders must disclose with the RFB submittal the name of any officer, director, or agent who is also a public officer or an employee of the City of Destin. Further, all bidders must disclose the name of any City officer or employee who owns, directly or indirectly, an interest of five percent or more in the Bidding firm.

7.7 Drug Free Workplace Program

Complete the form provided.

7.8 Public Entity Crime Form

Each submittal shall contain a completed Public Entity Crime Form pursuant to Florida Statutes, Section 287.132-133, providing that no public entity shall accept any proposal from or award any contract to, or transact any business in excess of the threshold amount for Category Two ($25,000) for a period of thirty-six months from the date placed on the convicted vendor list.

7.9 Anti-Human Trafficking Affidavit

All nongovernmental entities that are or potentially will be contracting, renewing or extending contracts with the City of Destin must have an officer or representative fully execute this affidavit. Note, this is a mandatory requirement of s 787.06(13), Florida Statutes effective July 1, 2024.

7.10 Sealed Submittal Packages

All proposals to be considered must be in the possession of the Destin City Clerk no later than **June 9, 2025, 1:00 p.m. (CDT)**. Submittals may be mailed or delivered to the Office of the City Clerk at the address below and shall be submitted in a sealed envelope clearly marked **"RFB NO. 25-07-CM, CROSSTOWN CONNECTOR CONSTRUCTION PHASE 1"** and note the time and date of the opening. Regardless of method of delivery, each bidder shall be responsible for their Bid being delivered on time, as the City of Destin assumes no responsibility for same. Proposals offered or received after the time set for the Bid Opening will be rejected and returned unopened to the submitter.

Mailing and Hand Delivery Address:

City Clerk
City of Destin
4200 Indian Bayou Trail
Destin, Florida 32541
850-837-4242
cityclerk@cityofdestin.com
Office Hours: Monday- Friday, 8:00 A.M. TO 5:00 P.M. CT

7.11 Bid Withdrawals

Bidders may withdraw a bid after it has been submitted any time before the scheduled time for opening the bids. To withdraw a Bid, contact in writing via email at cityclerk@cityofdestin.com.

7.12 Bid Opening

Proposals will be opened publicly and read aloud on **June 9, 2025, 1:00 p.m. (CT)** in the City Hall Board Room, 4200 Indian Bayou Trail, Destin, Florida.

7.13 Reservation of Rights

The City reserves the right to reject any and all proposals or portions thereof, to waive minor defects and informalities in the process, to re-advertise, to accept the proposal or award multiple proposals or take any other actions deemed by the City to be in the City's best interest.

7.14 Public Records

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT (850) 837-4242, CITY CLERK, 4200 INDIAN BAYOU TRAIL, DESTIN, FL.

The successful bidder shall:

a. Keep and maintain public records required by the CITY to perform the service.
b. Upon request from the City's custodian of public records, provide the CITY with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this FS Chapter 119 or as otherwise provided by law.
c. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the CONTRACTOR does not transfer the records to the public agency.

   Upon completion of the contract, transfer, at no cost, to the CITY all public records in possession of the contractor or keep and maintain public records required by the CITY agency to perform the service. If the CONTRACTOR transfers all public records to the CITY upon completion of the contract, the CONTRACTOR shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the CONTRACTOR keeps and maintains public records upon completion of the contract, the GROUP shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the CITY, upon request from the City's custodian of public records, in a format that is compatible with the information technology systems of the CITY.

PUBLIC ENTITY CRIMES STATEMENT

SWORN STATEMENT UNDER SECTION 287.133 (3) (A)

FLORIDA STATUTES, ON PUBLIC ENTITY CRIMES

THIS FORM MUST BE SIGNED IN THE PRESENCE OF A NOTARY PUBLIC OR OTHER OFFICER AUTHORIZED TO ADMINISTER OATHS.

1. This sworn statement is submitted with Bid, Proposal or Contract _____
_____

2. This sworn statement is submitted by _____whose business address is _____
_____

and (if applicable) Federal Employer Identification Number (FEIN) is _____(If the entity has no FEIN, include the Social Security Number of the individual signing this sworn statement: _____

3. My name is _____and my relationship to the entity named above is_____

4. I understand that a "public entity crime" as defined in Paragraph 287.133(a)(g). Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or with the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or any agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

5. I understand that "convicted" or "conviction" as defined in paragraph 287.133(a)(b), Florida Statutes, means finding of guilt or a conviction of a public entity crime with or without an adjudication of guilt, in any federal or state trial court of records relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, non-jury trial, or entry of a plea of guilty or nolo contendere.

6. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), Florida Statutes, means:

1. A predecessor or successor of a person convicted of a public entity crime; or

2. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one of shares constituting a controlling income among persons when not for fair interest in another person, or a pooling of equipment or income among persons when not for fair market value under a length agreement, shall be a prima facie case that one person controls another person.

A person who was knowingly convicted of a public entity crime, in Florida during the preceding 36 months shall be considered an affiliate.

7. I understand that a "person" as defined in Paragraph 287.133(1)(e), Florida Statutes, means any natural person or entity organized under the laws of the state or of the United States with the legal power to enter into a binding contract for provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

8. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. (Please indicate which statement applies)

____Neither the entity submitting this sworn statement, nor any officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, nor affiliate of the entity have been charged with and convicted of a public entity crime subsequent to July 1, 1989.

____The entity submitting this sworn statement, or one or more of the officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. (please attach a copy of the final order)

____The person or affiliate was placed on the convicted vendor list. There has been a subsequent proceeding before a hearing officer of the State of Florida, Division of Administrative Hearings. The final order entered by the hearing officer determined that it was in public interest to remove the person or affiliate from the convicted vendor list. (please attach a copy of the final order)

_____The person or affiliate has not been placed on the convicted vendor list. (Please describe any action taken by, or pending with, the Department of General Services.)

_____ Date: _____

DRUG-FREE WORKPLACE CERTIFICATION

The below signed submitter certifies that it has implemented a drug-free workplace program. In order to have a drug-free workplace program, a business shall:

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.

2. Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling rehabilitation and employee assistance programs and the penalties that may be imposed upon employees for drug abuse violations.

3. Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in subsection 1.

4. In the statement specified in subsection 1., notify the employees that, as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo contendere to, any violation occurring in the workplace no later than five (5) working days after such conviction.

5. Impose a sanction on or require the satisfactory participation in drug abuse assistance or rehabilitation program if such is available in the employee's community, by any employee who is convicted.

6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

As the person authorized to sign this statement, I certify that this firm complies fully with the above drug-free workplace requirements.

RFP NO. 0125-07-CM
ATTACHMENT NO. 5
BID BOND

BID BOND SECTION

KNOW ALL MEN BY THESE PRESENTS, that we, the undersigned, as _B _____ Principal, and as Surety, are hereby held and firmly bound unto the **City of Destin, Florida** as Owner in the sum of, (five percent (5%) of the Contract Bid) _____ for the payment of which, well and truly to be made, we hereby jointly and severally bind ourselves, successors and assigns to pay Owner upon default of Bidder the sum set forth on the face of this Bond.

Signed, this ____day of_____, 20__

The condition of the obligation is such that whereas the Principal has submitted to **City of Destin, Florida** a certain Bid, attached hereto and hereby made a part hereof, to enter into a contract in writing, for the **RFB NO. 25-07-CM, CROSSTOWN CONNECTOR CONSTRUCTION PHASE 1.**

NOW THEREFORE,

1. Default of the Bidder shall occur upon the failure of the Bidder to deliver within the time required by the Bidding Documents, the executed Agreement required by the Bidding Documents, and any performance and payment bonds required by the Bidding and Contract Documents.

2. This obligation shall be null and void if:
    - Owner accepts Bidder's bid, and Bidder delivers within the time required by the Bidding Documents (or any extension thereof agreed to in writing by Owner) the executed Agreement required by the Bidding Documents and any performance and payment bonds required by the Bidding Documents and Contract Documents, or
    - All bids are rejected by Owner, or
    - Owner fails to issue a notice of award to Bidder within the time specified in the Bidding Documents (or any extension thereof agreed to in writing by Bidder and, if applicable, consented to by Surety when required by paragraph 5 hereof) if any time is specified.

3. Payment under this Bond will be due and payable upon default of Bidder and within thirty (30) calendar days after receipt of Bidder and Surety of written notice of default from Owner which notice will be given with reasonable promptness, identifying this Bond and the Project and including a statement of the amount due.

4. Surety waives notice of any and all defenses based on or arising out of any time extension to issue notice of award agreed to in writing by Owner and Bidder, provided that the time for issuing notice of award including extensions shall not in the aggregate exceed one hundred twenty (120) days from Bid Due without Surety's written consent.

5. No suit or action shall be commenced under this Bond prior to thirty (30) calendar days after the notice of default required in paragraph 3 above is received by Bidder and Surety, and in no case later than one year after Bid Due Date.

6. Any suit or action under this Bond shall be commenced only in a state court of competent

jurisdiction located in the state in which the Project is located.

7. Notice required hereunder shall be in writing and sent to Bidder and Surety at their respective addresses shown on the face of this Bond. Such notices may be sent by personal delivery, commercial courier or by United States Registered or Certified Mail, return receipt requested, postage pre-paid, and shall be deemed to be effective upon receipt by the part concerned.

8. Surety shall cause to be attached to this Bond a current and effective Power of Attorney evidencing the authority of the officer, agent or representative who executed this Bond on behalf of Surety to execute, seal and deliver such Bond and bind the Surety thereby.

9. This Bond is intended to conform to all applicable statutory requirements. Any applicable requirement of any applicable statute that has been omitted from this Bond shall be deemed to be included herein as if set forth at length. If any provision of the Bond conflicts with any applicable provision of any applicable statute, then the provision of said statute shall govern and the remainder of the Bond that is not in conflict therewith shall continue in full force and effect.

10. The term 'bid" as used herein includes a bid, offer or proposal as applicable.

IN WITNESS WHEREOF, the Principal and the Surety have hereunto set their hands and seals, and such of them as are corporations have caused their corporate seals to be hereto affixed and these presents to be signed by their proper officers, the day and year first set forth above.

RFP NO. 25-07-CM
ATTACHMENT NO. 6
ANTI-HUMAN TRAFFICKING AFFIDAVIT

DIRECTIONS: *All nongovernmental entities that are or potentially will be contracting, renewing or extending contracts with the City of Destin must have an officer or representative fully execute this affidavit. Note, this is a mandatory requirement of s 787.06(13), Florida Statutes effective July 1, 2024.*

I _____ (insert name) as _____ (insert title) on behalf of _____ (insert entity name) under penalty of perjury hereby attest as follows:

1. I am over 21 years of age and have personal knowledge of the matters set forth in this affidavit.
2. _____ (insert entity name) does not use coercion for labor or services as defined in s. 787.06(2)(a), Florida Statutes.
3. More particularly, _____ (insert entity name) does not participate in any of the following actions:
    a. Using or threatening to use physical force against any person;
    b. Restraining, isolating or confining or threatening to restrain, isolate or confine any person without lawful authority and against her or his will;
    c. Using lending or other credit methods to establish a debt by any person when labor or services are pledged as a security for the debt, if the value of the labor or services as reasonably assessed is not applied toward the liquidation of the debt or the length and nature of the labor or services are not respectively limited and defined;
    d. Destroying, concealing, removing, confiscating, withholding, or possessing any actual or purported passport, visa, or other immigration document, or any other actual or purported government identification document, of any person;
    e. Causing or threatening to cause financial harm to any person;
    f. Enticing or luring any person by fraud or deceit; or
    g. Providing a controlled substance as outlined in Schedule I or Schedule II of s. 893.03, Florida Statutes to any person for the purpose of exploitation of that person.

FURTHER AFFIANT SAYETH NAUGHT.

GENERAL NOTES

1. THE CONTRACTORS SHALL NOTIFY THE CITY ENGINEER OR DESIGNEE 48 HOURS PRIOR TO CONSTRUCTION.

2. EXISTING FACILITIES SHALL BE RESTORED TO A CONDITION EQUIVALENT TO THAT WHICH EXISTED PRIOR TO COMMENCING CONSTRUCTION, AT NO ADDITIONAL COST TO THE CITY.

3. THE CONTRACTOR SHALL TAKE STEPS NECESSARY TO PREVENT EROSION AND ANY OFFSITE SEDIMENT TRANSPORT RESULTING FROM INCREASED RUNOFF DURING CONSTRUCTION BY PROVIDING SILT FENCE AND/OR STAKED BALES AS REQUIRED BY THE FLORIDA STORMWATER, EROSION, AND SEDIMENT CONTROL INSPECTOR'S MANUAL, 2018 EDITION, OR AS INDICATED ON THE PLANS. ALL EROSION CONTROL MEASURES SHALL REMAIN IN PLACE UNTIL ASSOCIATED DISTURBED AREAS ARE STABILIZED AS TO REDUCE SEDIMENT RUNOFF, UNLESS OTHERWISE DIRECTED BY THE CITY ENGINEER OR DESIGNEE.

4. ANY NECESSARY PERMITS, OTHER THAN THE NORTHWEST FLORIDA WATER MANAGEMENT DISTRICT (NWFWMD) PERMIT, WILL BE THE RESPONSIBILITY OF THE CONTRACTOR. CITY OF DESTIN OR ITS DESIGNEE WILL ASSIST CONTRACTOR WITH REQUIRED PERMITS.

5. IT SHALL BE THE CONTRACTORS RESPONSIBILITY TO PRESERVE OR RELOCATE ALL BENCHMARKS (VERTICAL CONTROL) AS NEEDED DURING CONSTRUCTION. ALL PUBLIC OR PRIVATE CORNER MONUMENTATION SHALL BE PROTECTED. IF A PUBLIC OR PRIVATE CORNER MONUMENTATION IS IN DANGER OF BEING DESTROYED AND HAS NOT BEEN PROPERLY REFERENCED, THE CONTRACTOR SHALL NOTIFY THE ENGINEER OR DESIGNEE IMMEDIATELY.

6. IN THE EVENT THAT SURVEY MONUMENTATION OR REFERENCE POINTS ARE MISSING OR HAVE BEEN DESTROYED, PLEASE CONTACT:

   SOUTHEASTERN SURVEYING & MAPPING CORP.
   1130 HIGHWAY 90
   CHIPLEY, FLORIDA 32428
   PH (850) 638-0790

7. EXISTING DRAINAGE FEATURES WITHIN CONSTRUCTION LIMITS SHALL REMAIN AND BE PROTECTED UNLESS OTHERWISE NOTED.

8. THE CONTRACTOR SHALL MATCH EXISTING CONDITIONS AT THE BEGINNING AND END OF CONSTRUCTION AS DIRECTED BY THE CITY ENGINEER OR DESIGNEE.

9. EXISTING STREETS AND DRIVES SHALL BE MAINTAINED TO LOCAL TRAFFIC AND PROPERTY OWNERS.

10. ALL ROADWAY CONSTRUCTION SHALL COMPLY WITH THE FDOT STANDARD PLANS & SPECIFICATIONS, LATEST EDITION.

11. ALL MATERIALS, TESTING AND CONSTRUCTION METHODS SHALL CONFORM TO THE FDOT STANDARD PLANS & SPECIFICATIONS, LATEST EDITION. CONTRACTOR SHALL INCLUDE ANY NECESSARY COSTS IN HIS BID. PROVIDE TEST RESULTS TO THE CITY WEEKLY.

12. EXISTING STREET AND ROAD NAME SIGNS ON THE PROJECT SHALL BE KEPT VISIBLE AT ALL TIMES FOR THE FACILITATION OF ACCESS BY EMERGENCY VEHICLES. ALL OTHER EXISTING SIGNS THAT CONFLICT WITH CONSTRUCTION OPERATIONS SHALL BE TAKEN DOWN AND STOCKPILED WITHIN THE R/W LIMITS BY THE CONTRACTOR AS DIRECTED BY THE CITY ENGINEER OR DESIGNEE. ANY EXISTING SIGNS THAT ARE TO BE RELOCATED AND ARE DAMAGED BEYOND USE BY THE CONTRACTOR SHALL BE REPLACED BY THE CONTRACTOR AT HIS EXPENSE.

13. CONTRACTOR SHALL COMPLY WITH ALL NWFWMD AND FDEP REQUIREMENTS.

14. VEGETATION ON R/W AND EASEMENTS SHALL BE RESTORED TO ORIGINAL CONDITION UNLESS OTHERWISE NOTED ON THE PLAN SHEETS. COST OF SAID RESTORATION SHALL BE CONSIDERED INCIDENTAL TO OTHER PAY ITEMS.

15. MAINTENANCE OF TRAFFIC WILL BE PER FDOT STANDARD PLANS INDEX 102-600 SERIES WHEN NOT INCLUDED IN DETAILED TRAFFIC CONTROL PLAN INCLUDED IN CONSTRUCTION PLANS.

16. ALL EXISTING MAILBOXES INTERFERING WITH NEW CONSTRUCTION SHALL BE RELOCATED OR REPLACED BY THE CONTRACTOR IN ACCORDANCE WITH FDOT STANDARD PLANS INDEX 110-200 AND UNITED STATES POSTAL SERVICE REQUIREMENTS.

17. ALL SIDEWALKS, RAMPS, DRIVEWAYS, WILL BE BUILT USING LATEST EDITION OF THE FDOT STANDARD PLANS.

18. THE LOCATION SHOWN FOR EXISTING UNDERGROUND UTILITIES IS APPROXIMATE. THE CONTRACTOR SHALL DETERMINE THE EXACT LOCATION OF ALL EXISTING UTILITIES BEFORE COMMENCING WORK IN EACH AREA. THE CONTRACTOR AGREES TO BE COMPLETELY RESPONSIBLE FOR ALL DAMAGES WHICH MIGHT OCCUR BY HIS FAILURE TO EXACTLY LOCATE AND PRESERVE ALL UTILITIES.

19. THE LOCATION(S) OF THE UTILITIES SHOWN IN THE PLANS (INCLUDING THOSE DESIGNATED VV, VH, AND VVH) ARE BASED ON LIMITED INVESTIGATION TECHNIQUES AND SHOULD BE CONSIDERED APPROXIMATE ONLY. THE VERIFIED LOCATIONS/ELEVATIONS APPLY ONLY AT THE POINTS SHOWN. INTERPOLATIONS BETWEEN THESE POINTS HAVE NOT BEEN VERIFIED.

20. UTILITY OWNERS SHALL BE NOTIFIED AT LEAST TWO FULL BUSINESS DAYS PRIOR TO ANY CONSTRUCTION SO THAT THE UTILITY OWNER CAN SPOT VERIFY AND/OR EXPOSE THEIR UTILITIES.

    KNOWN UTILITIES OWNERS INCLUDE:

    SEWER/WATER - DESTIN WATER USERS, INC.
    MONICA WALLIS
    PH: (850) 337-3945

    ELECTRIC - FLORIDA POWER & LIGHT
    BERNARD JOHNSON
    PH: (850) 244-4721

    NATURAL GAS - OKALOOSA GAS DISTRICT
    LARS SULLIVAN
    PH: (850) 974-7015

    TELEPHONE - CENTURYLINK
    AMBER GILSON
    PH: (850) 815-3131

    OKALOOSA COUNTY TRAFFIC SIGNAL SYSTEM
    RANDY SHOWERS
    PH: (850) 609-6181

    TELEPHONE - AT&T FLORIDA
    TOM MANNING
    PH: (850) 623-3521

    CABLE - COX COMMUNICATIONS SOUTHEAST
    ROGER DIXON
    PH: (850) 314-8163

21. ALL STORMWATER PIPES TO BE HIGH PERFORMANCE POLYPROPYLENE, OR APPROVED EQUIVALENT MATERIAL, UNLESS OTHERWISE NOTED IN THE CONSTRUCTION PLANS.

22. BENCHMARK ELEVATIONS SHOWN ON THE PLANS ARE NORTH AMERICAN VERTICAL DATUM OF 1988 (NAVD 88).

EXHIBIT A - ROADWAY PLANS

THE FOLLOWING NARRATIVE OF THE STORMWATER POLLUTION PREVENTION PLAN CONTAINS REFERENCES TO THE STANDARD SPECIFICATIONS FOR ROAD AND BRIDGE CONSTRUCTION, THE STANDARD PLANS, AND OTHER SHEETS OF THESE CONSTRUCTION PLANS. THE FIRST SHEET OF THE CONSTRUCTION PLANS (CALLED THE KEY SHEET) CONTAINS AN INDEX TO THE OTHER SHEETS. THE COMPLETE STORMWATER POLLUTION PREVENTION PLAN INCLUDES SEVERAL ITEMS: THIS NARRATIVE DESCRIPTION, THE DOCUMENTS REFERENCED IN THIS NARRATIVE, THE CONTRACTOR'S APPROVED EROSION CONTROL PLAN REQUIRED BY SPECIFICATION SECTION 104, AND REPORTS OF INSPECTIONS MADE DURING CONSTRUCTION.

1.0 SITE DESCRIPTION:

1.A. NATURE OF CONSTRUCTION ACTIVITY:

THE DESTIN CROSS TOWN CONNECTOR PROJECT IS LOCATED IN THE CITY OF DESTIN IN OKALOOSA COUNTY, FLORIDA. THE PROJECT INCLUDES APPROXIMATELY 1500 LINEAR FEET OF ROADWAY THAT WILL CONNECT AZALEA DRIVE WITH LEGION DRIVE. THE PROPOSED IMPROVMENTS INCLUDE 11' TRAVEL LANES WITH A 1' SHOULDER AND A 10' SHARED USE PATH.

1.B. SEQUENCE OF MAJOR SOIL DISTURBING ACTIVITIES:

IN THE SEDIMENT AND EROSION CONTROL PLAN, PROVIDE A DETAILED SEQUENCE OF CONSTRUCTION FOR ALL CONSTRUCTION ACTIVITIES. FOLLOW THE SEQUENCE OF MAJOR ACTIVITIES DESCRIBED BELOW, UNLESS A SEQUENCE IS PROPOSED THAT IS EQUAL OR BETTER AT CONTROLLING EROSION AND TRAPPING SEDIMENT AND IS APPROVED BY THE ENGINEER.

FOR EACH CONSTRUCTION PHASE, INSTALL PERIMETER CONTROLS AFTER CLEARING AND GRUBBING NECESSARY FOR INSTALLATION OF CONTROLS BUT BEFORE BEGINNING OTHER WORK FOR THE CONSTRUCTION PHASE. REMOVE PERIMETER CONTROLS ONLY AFTER ALL UPSTREAM AREAS ARE STABILIZED.

1. CLEARING AND GRUBBING, EARTHWORK, EARTHWORK FOR POND CONSTRUCTION AND STORM DRAIN CONSTRUCTION FOR POND INFLOWS.

2. STORM DRAIN CONSTRUCTION. CONSTRUCT THE STORM DRAIN PIPE IN THE UPSTREAM DIRECTION.

3. EARTHWORK ASSOCIATED WITH THE CONSTRUCTION OF ROADWAY, GRAVITY WALL, CURB, SUBGRADE, BASE, PAVEMENT, AND SIDEWALK.

1.C. AREA ESTIMATES:

TOTAL SITE AREA: 10.03 ACRES.
TOTAL AREA TO BE DISTURBED: 10.03 ACRES

1.0. RUNOFF DATA:
RUNOFF COEFFICIENTS:
BEFORE: 0.45
DURING: VARIES FROM 0.45 TO 0.60
AFTER: 0.60

SOILS DATA: THE RESULTS OF THE SOIL BORINGS ALONG THE ROADWAY ARE SHOWN IN THE ROADWAY SOIL SURVEY SHEETS. THE RESULTS OF SOIL BORINGS DONE IN THE PONDS ARE SHOWN ON THE POND DETAIL SHEETS. THE NUMBERS FOR THESE ARE IDENTIFIED ON THE KEY SHEET OF THESE CONSTRUCTION PLANS. IN GENERAL, THE PROJECT AREA CONSISTS OF SANDY SOILS.

OUTFALL INFORMATION:
THERE ARE NO OUTFALLS.

I.E. SITE MAP:

THE CONSTRUCTION PLANS ARE BEING USED AS THE SITE MAPS. THE LOCATION OF THE REQUIRED INFORMATION IS DESCRIBED BELOW. THE SHEET NUMBERS FOR THE PLAN SHEETS REFERENCED ARE IDENTIFIED ON THE KEY SHEET OF THESE CONSTRUCTION PLANS.

* DRAINAGE PATTERNS: THE DRAINAGE BASIN DIVIDES AND FLOW DIRECTIONS ARE SHOWN ON THE DRAINAGE MAPS.

* APPROXIMATE SLOPES: THE SLOPES OF THE SITE CAN BE SEEN IN THE CROSS SECTION SHEETS AND THE PLAN-PROFILE SHEETS. THERE ARE POND CROSS SECTIONS LOCATED WITH THE POND DETAIL SHEETS.

* AREAS OF SOIL DISTURBANCE: THE AREAS TO BE DISTURBED ARE INDICATED ON THE PLAN-PROFILE SHEETS, THE CROSS SECTION SHEETS, AND THE POND DETAIL SHEETS. ANY AREAS WHERE PERMANENT FEATURES ARE SHOWN TO BE CONSTRUCTED ABOVE OR BELOW GROUND WILL BE DISTURBED.

* AREAS NOT TO BE DISTURBED: ESSENTIALLY THE WHOLE PROJECT WILL BE DISTURBED DURING CONSTRUCTION.

* LOCATIONS OF TEMPORARY CONTROLS: THESE ARE SHOWN ON THE EROSION CONTROL SHEETS. TABLES PROVIDING SUMMARIES OF TEMPORARY EROSION AND SEDIMENT CONTROL ITEMS ARE PROVIDED IN THE SUMMARY OF QUANTITIES SHEETS.

* LOCATIONS OF PERMANENT CONTROLS: THE STORMWATER PONDS, HPTRM AND OUTFALL RIPRAP ARE THE PRIMARY PERMANENT STORMWATER MANAGEMENT CONTROLS. THESE ARE SHOWN ON THE POND DETAIL SHEETS.

* AREAS TO BE STABILIZED: TEMPORARY STABILIZATION PRACTICES ARE SHOWN IN THE SAME LOCATION AS THE TEMPORARY CONTROLS MENTIONED ABOVE. PERMANENT STABILIZATION IS SHOWN ON THE TYPICAL SECTION SHEETS, THE PLAN-PROFILE SHEETS AND THE POND DETAIL SHEETS.

1.F. RECEIVING WATERS:

THERE ARE NO RECEIVING WATER BODIES OR WETLAND AREAS ON THE PROJECT SITE.

2.0 CONTROLS:

2.A. EROSION AND SEDIMENT CONTROLS:

IN THE SEDIMENT AND EROSION CONTROL PLAN, THE CONTRACTOR SHALL DESCRIBE THE PROPOSED STABILIZATION AND STRUCTURAL PRACTICES BASED ON THE CONTRACTOR'S PROPOSED TEMPORARY TRAFFIC CONTROL (TTC) PLAN. THE FOLLOWING RECOMMENDED GUIDELINES ARE BASED ON THE TEMPORARY TRAFFIC CONTROL PLAN OUTLINED IN THE CONSTRUCTION PLANS. WHERE FOLLOWING THE TEMPORARY TRAFFIC CONTROL PLAN OUTLINED IN THESE CONSTRUCTION PLANS, THE CONTRACTOR MAY CHOOSE TO ACCEPT THE FOLLOWING GUIDELINES OR MODIFY THEM IN THE SEDIMENT AND EROSION CONTROL PLAN, SUBJECT TO APPROVAL BY THE ENGINEER. AS WORK PROGRESSES, MODIFY THE PLAN TO ADAPT TO SEASONAL VARIATIONS, CHANGES IN CONSTRUCTION ACTIVITIES, AND THE NEED FOR BETTER PRACTICES.

FOR EACH CONSTRUCTION PHASE, INSTALL PERIMETER CONTROLS AFTER CLEARING AND GRUBBING NECESSARY FOR INSTALLATION OF CONTROLS BUT BEFORE BEGINNING OTHER WORK FOR THE CONSTRUCTION PHASE. REMOVE PERIMETER CONTROLS ONLY AFTER ALL UPSTREAM AREAS ARE STABILIZED.

A DESCRIPTION OF EACH PHASE OF THE TEMPORARY TRAFFIC CONTROL IS PROVIDED IN THE TTCP PLAN GENERAL NOTES SHEET.

2.A.1 STABILIZATION PRACTICES:

IN THE SEDIMENT AND EROSION CONTROL PLAN, THE CONTRACTOR SHALL DESCRIBE THE STABILIZATION PRACTICES PROPOSED TO CONTROL EROSION. THE CONTRACTOR SHALL INITIATE ALL STABILIZATION MEASURES AS SOON AS PRACTICAL, BUT IN NO CASE MORE THAN 7 DAYS, IN PORTIONS OF THE SITE WHERE CONSTRUCTION ACTIVITIES HAVE TEMPORARILY OR PERMANENTLY CEASED. THE STABILIZATION PRACTICES SHALL INCLUDE AT LEAST THE FOLLOWING, UNLESS OTHERWISE APPROVED BY THE ENGINEER.

TEMPORARY:

* ARTIFICIALCOVERINGS IN ACCORDANCE WITH SPECIFICATION SECTION 104.

* TURF AND SOD IN ACCORDANCE WITH SPECIFICATION SECTION 104.

PERMANENT:

* ASPHALT OR CONCRETE SURFACE.

* SOD IN ACCORDANCE WITH SPECIFICATION SECTION 570.

2.A.2 STRUCTURAL PRACTICES:

IN THE SEDIMENT AND EROSION CONTROL PLAN, THE CONTRACTOR SHALL DESCRIBE THE PROPOSED STRUCTURAL PRACTICES TO CONTROL OR TRAP SEDIMENT AND OTHERWISE PREVENT THE DISCHARGE OF POLLUTANTS FROM EXPOSED AREAS OF THE SITE. SEDIMENT CONTROLS SHALL BE IN PLACE BEFORE DISTURBING SOIL UPSTREAM OF THE CONTROL. THE STRUCTURAL PRACTICES SHALL INCLUDE AT LEAST THE FOLLOWING, UNLESS OTHERWISE APPROVED BY THE ENGINEER:

TEMPORARY:

* SEDIMENT BARRIERS IN ACCORDANCE WITH DESIGN SPECIFICATION SECTION 104, AND FDEP EROSION AND SEDIMENT CONTROL DESIGNER AND REVIEWER MANUAL.

* INLET PROTECTION IN ACCORDANCE WITH FDEP EROSION AND SEDIMENT CONTROL DESIGNER AND REVIEWER MANUAL, AND SPECIAL DETAILS SHOWN IN THE TTC PLAN.

* SEDIMENT CONTAINMENT SYSTEM: THE PERMANENT STORMWATER PONDS WILL BE TEMPORARILY MODIFIED ACCORDING TO THE DETAILS IN THE TTC PLAN.

PERMANENT:

* STORMWATER PONDS

* SOD

*RIPRAP

STORMWATER POLLUTION PREVENTION PLAN

SHEET NO. 93

EXHIBIT A - ROADWAY PLANS

2.B STORMWATER MANAGEMENT:

STORM DRAIN SYSTEMS WILL BE CONSTRUCTED TO CONVEY RUNOFF TO TWO (2) STORMWATER RETENTION PONDS. THE FACILITIES ARE PENDING PERMITS BY THE FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION (FDEP) AND THE NORTHWEST FLORIDA WATER MANAGEMENT DISTRICT (NWFWMD).

2.C OTHER CONTROLS:

2.C.1 WASTE DISPOSAL:

IN THE SEDIMENT AND EROSION CONTROL PLAN, DESCRIBE THE PROPOSED METHODS TO PREVENT THE DISCHARGE OF SOLID MATERIALS, INCLUDING BUILDING MATERIALS, TO WATERS OF THE UNITED STATES. THE PROPOSED METHODS SHALL INCLUDE AT LEAST THE FOLLOWING, UNLESS OTHERWISE APPROVED BY THE ENGINEER:

* PROVIDING LITTER CONTROL AND COLLECTION WITHIN THE PROJECT DURING CONSTRUCTION ACTIVITIES.

* DISPOSING OF ALL FERTILIZER OR OTHER CHEMICAL CONTAINERS ACCORDING TO EPA'S STANDARD PRACTICES AS DETAILED BY THE MANUFACTURER.

* DISPOSING OF SOLID MATERIALS INCLUDING BUILDING AND CONSTRUCT/ON MATERIALS OFF THE PROJECT SITE BUT NOT IN SURFACE WATERS, OR WETLANDS.

2.C.2 OFF-SITE VEHICLE TRACKING & DUST CONTROL:

IN THE SEDIMENT AND EROSION CONTROL PLAN, DESCRIBE THE PROPOSED METHODS FOR MINIMIZING OFFSITE VEHICLE TRACKING OF SEDIMENTS AND GENERATING DUST. INCLUDE IN THE PROPOSED METHODS AT LEAST THE FOLLOWING, UNLESS OTHERWISE APPROVED BY THE ENGINEER:

* COVERING LOADED HAUL TRUCKS WITH TARPAULINS.

* REMOVING EXCESS DIRT FROM ROADS DAILY.

* STABILIZING CONSTRUCTION ENTRANCES ACCORDING TO THE FDEP EROSION AND SEDIMENT CONTROL DESIGNER AND REVIEWER MANUAL.

* USING ROADWAY SWEEPERS DURING DUST GENERATING ACTIVITIES SUCH AS EXCAVATION AND MILLING OPERATIONS.

2.C.3 STATE AND LOCAL REGULATIONS FOR WASTE DISPOSAL, SANITARY SEWER, OR SEPTIC TANK REGULATIONS:

IN THE SPECIFICATION SECTION 104, EROSION CONTROL PLAN, DESCRIBE THE PROPOSED PROCEDURES TO COMPLY WITH APPLICABLE STATE AND LOCAL REGULATIONS FOR WASTE DISPOSAL, AND SANITARY SEWER OR SEPTIC SYSTEMS.

2.C.4 FERTILIZERS AND PESTICIDES:

IN THE SEDIMENT AND EROSION CONTROL PLAN, DESCRIBE THE PROCEDURES FOR APPLYING FERTILIZERS AND PESTICIDES. THE PROPOSED PROCEDURES SHALL COMPLY WITH APPLICABLE SUBSECTIONS OF SECTION 982 OF THE SPECIFICATIONS.

2.C.5 TOXIC SUBSTANCES:

IN THE SEDIMENT AND EROSION CONTROL PLAN, PROVIDE A LIST OF TOXIC SUBSTANCES THAT ARE LIKELY TO BE USED ON THE JOB AND PROVIDE A PLAN ADDRESSING THE GENERATION, APPLICATION, MIGRATION, STORAGE, AND DISPOSAL OF THESE SUBSTANCES.

2.D.4 APPROVED STATE AND LOCAL PLANS AND PERMITS:

* FDEP RULE CHAPTER 62-25 F.A.C.

3.0 MAINTENANCE:

IN THE SEDIMENT AND EROSION CONTROL PLAN, PROVIDE A PLAN FOR MAINTAINING ALL EROSION AND SEDIMENT CONTROLS THROUGHOUT CONSTRUCTION. THE MAINTENANCE PLAN SHALL AT A MINIMUM, COMPLY WITH THE FOLLOWING:

* SILT FENCE: MAINTAIN PER SPECIFICATION SECTION 104. ANTICIPATE REPLACING SILT FENCE ON 12 MONTH INTERVALS.

* SEDIMENT BARRIERS: REMOVE SEDIMENT AS PER MANUFACTURER'S RECOMMENDATIONS OR WHEN WATER PONDS IN UNACCEPTABLE AMOUNTS OR AREAS.

* PONDS ONE AND TWO: THE PONDS ARE TEMPORARY SEDIMENT BASINS UNTIL THE AREAS THAT DRAIN TO THEM ARE STABILIZED, SO UNTIL THEN, REMOVE SEDIMENT FROM THE POND WHEN IT BECOMES 1.5' DEEP AT ANY POINT.

4.0 INSPECTIONS:

QUALIFIED PERSONNEL SHALL INSPECT THE FOLLOWING ITEMS AT LEAST ONCE EVERY SEVEN CALENDAR DAYS AND WITHIN 24 HOURS OF THE END OF A STORM THAT IS 0.50 INCHES OR GREATER.

TO COMPLY, INSTALL AND MA/NTAIN RAIN GAUGES AND RECORD THE DAILY RAINFALL. WHERE SITES HAVE BEEN PERMANENTLY STABILIZED, CONDUCT INSPECTIONS AT LEAST ONCE EVERY MONTH. ALSO INSPECT THAT CONTROLS INSTALLED IN THE FIELD AGREE WITH THE LATEST STORMWATER POLLUTION PREVENTION PLAN.

* POINTS OF DISCHARGE TO WATERS OF THE UNITED STATES.

* POINTS OF DISCHARGE TO MUNICIPAL SEPARATE STORM DRAIN SYSTEMS.

* DISTURBED AREAS OF THE SITE THAT HAVE NOT BEEN FINALLY STABILIZED.

* AREAS USED FOR STORAGE OF MATERIALS THAT ARE EXPOSED TO PRECIPITATION.

* STRUCTURAL CONTROLS.

* STORMWATER MANAGEMENT SYSTEMS.

* LOCATIONS WHERE VEHICLES ENTER OR EXIT THE SITE.

INITIATE REPAIRS WITHIN 24 HOURS OF INSPECTIONS THAT INDICATE ITEMS ARE NOT IN GOOD WORKING ORDER.

IF INSPECTIONS INDICATE THAT THE INSTALLED STABILIZATION AND STRUCTURAL PRACTICES ARE NOT SUFFICIENT TO MINIMIZE EROSION, RETAIN SEDIMENT, AND PREVENT DISCHARGING POLLUTANTS, PROVIDE ADDITIONAL MEASURES, AS APPROVED BY THE ENGINEER.

5.0 NON-STORMWATER DISCHARGES:

IN THE SPECIFICATION SECTION 104 EROSION CONTROL PLAN, IDENTIFY ALL ANTICIPATED NON-STORMWATER DISCHARGES (EXCEPT FLOWS FROM FIRE FIGHTING ACTIVITIES). DESCRIBE THE PROPOSED MEASURES TO PREVENT POLLUTION OF THESE NON-STORMWATER DISCHARGES. IF THE CONTRACTOR ENCOUNTERS CONTAMINATED SOIL OR GROUNDWATER, CONTACT THE NWFWMD AT (800) 913-1518.

EROSION AND SEDIMENT CONTROL PLAN (2/2)

SHEET NO. 96

TEMPORARY TRAFFIC CONTROL GENERAL NOTES:

1. TRAFFIC CONTROLS SHALL BE IN ACCORDANCE WITH PROJECT PLANS, THE CURRENT EDITION OF THE FDOT STANDARD PLANS INDEX 102-100, 102-120 AND 102-600 SERIES, THE FDOT STANDARD SPECIFICATIONS FOR ROAD AND BRIDGE CONSTRUCTION, AND THE MANUAL FOR UNIFORM TRAFFIC CONTROL DEVICES (M.U.T.C.D.).

2. ANY ADDITIONAL INTERRUPTIONS TO NORMAL TRAFFIC PATTERNS, WHICH ARE NOT SHOWN IN THE TRAFFIC CONTROL PLAN, BUT ARE NECESSARY TO CONSTRUCT THE PROJECT SHALL BE SUBMITTED IN WRITING TO THE PROJECT ADMINISTRATOR AND APPROVAL SHALL BE OBTAINED PRIOR TO THE COMMENCEMENT OF WORK. SUBMITTAL MATERIAL SHALL INCLUDE SKETCHES, CALCULATIONS, AND OTHER DATA AND SHALL BE SIGNED AND SEALED BY A FL REGISTERED ENGINEER.

3. CONTRACTOR SHALL MAINTAIN AND KEEP SIDE ROAD NAME IDENTIFICATION VISIBLE DURING CONSTRUCTION IN ORDER TO FACILITATE EMERGENCY VEHICLE TRAFFIC.

4. ACCESS TO ALL SIDE ROADS AND DRIVEWAYS WILL BE MAINTAINED FOR THE DURATION OF CONSTRUCTION ACTIVITIES.

5. ALL DROP-OFF CONDITIONS WITHIN THE PROJECT LIMITS WILL BE MITIGATED IN ACCORDANCE WITH FDOT STANDARD PLANS INDEX 102-600.

6. BENNING DRIVE POSTED SPEED LIMIT: 30 MPH
   BEACH DRIVE POSTED SPEED LIMIT: 30 MPH
   ALL OTHER ROADS THE POSTED SPEED SHALL NOT BE LOWER THAN 20 MPH.

7. CONTRACTOR IS ADVISED TO STUDY THE PROPOSED DRAINAGE PLAN PRIOR TO CONSTRUCTION AND CONSTRUCT ALL DRAINAGE NECESSARY ON SIDE ROADS USING FDOT STANDARD PLANS INDEX 102-603 FOR LANE CLOSURES TO ENSURE POSITIVE DRAINAGE OF THE PROJECT. IF INLETS OR STRUCTURES PROTRUDE 6 INCHES OR MORE FROM THE GRADE WITHIN THE CLEAR ZONE THE CONTRACTOR SHOULD PLACE DRUMS OR BARRIER WALL AS REQUIRED.

8. PLACE PORTABLE CHANGABLE MESSAGE SIGNS ON BENNING DRIVE AND BEACH DRIVE 14 DAYS PRIOR TO CONSTRUCTION.

   PORTABLE CHANGEABLE MESSAGE SIGN #1:

   BENNING ROAD CONST. — STARTS MM/DD

   PORTABLE CHANGEABLE MESSAGE SIGN #2:

   BEACH ROAD CONST. — STARTS MM/DD

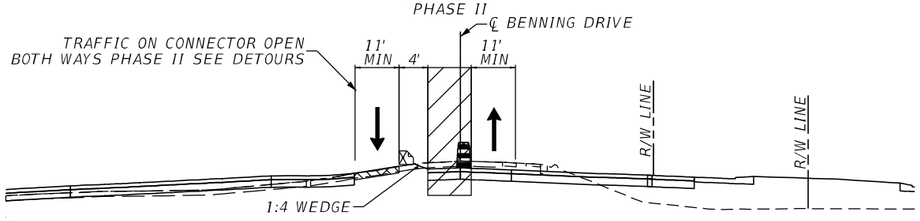
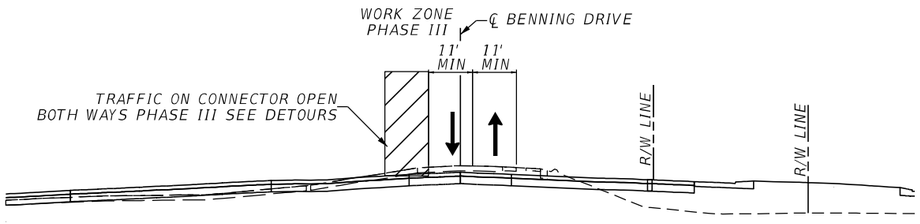
CONSTRUCTION PHASING NOTES:



BENNING DRIVE PHASE IA



BENNING DRIVE PHASE IB & IC

BENNING DRIVE PHASE II

BENNING DRIVE PHASE III

BENNING DRIVE PHASE IA

1. INSTALL ADVANCED WARNING SIGNS AT BEGIN AND END OF PROJECT AND SIDE ROADS ACCORDING TO FDOT STANDARD PLANS INDEX 102-600 AND 102-603.
2. INSTALL TRAFFIC CONTROL DEVICES IN ACCORDANCE WITH FDOT STANDARD PLANS INDEX 102-600 AND 102-603.
3. INSTALL EROSION CONTROL MEASURES. MAINTAIN TRAFFIC ACCORDING TO FDOT STANDARD PLANS INDEX 102-601 AND 102-602.
4. MAINTAIN TWO-LANE, TWO-WAY TRAFFIC ON THE EXISTING FACILITIES.
5. MAINTAIN ACCESS TO AZALEA DRIVE, LEGION DRIVE, SEA HILLS DRIVE AND MOUNTAIN DRIVE AS SHOWN ON THE PHASE IA TEMPORARY TRAFFIC CONTROL PLANS.
6. INSTALL TEMPORARY PAVEMENT AS SHOWN ON THE PHASE IA TEMPORARY TRAFFIC CONTROL PLANS USING FLAGGING OPERATION AS REQUIRED.
7. PLACE TEMPORARY PAVEMENT MARKINGS FOR NEXT PHASE.

BENNING DRIVE PHASE IB & IC

1. PLACE/MODIFY ADVANCE WARNING SIGNS, BARRICADES, WARNING DEVICES AND REMOVE CONFLICTING MARKINGS AND SIGNS IN ACCORDANCE WITH FDOT STANDARD PLANS INDEX 102-600 AND 102-603.
2. MAINTAIN TWO-LANE, TWO-WAY TRAFFIC ON THE EXISTING FACILITIES.
3. SHIFT TRAFFIC ACCORDING TO PHASE IB & IC PLANS. DETOUR AZALEA DRIVE TRAFFIC ACCORDING TO PHASE IB & IC DETOUR PLAN. MAINTAIN TWO-LANE, TWO-WAY TRAFFIC ON THE TEMPORARY FACILITIES.
4. MAINTAIN ACCESS TO MALTEZOS STREET, LEGION DRIVE AND SEAHILLS DRIVE AS SHOWN ON THE PHASE IB & IC TEMPORARY TRAFFIC CONTROL PLANS.
5. CONSTRUCT PROPOSED ROADWAY, CURB & GUTTER AND DRAINAGE STRUCTURES AS SHOWN ON THE PHASE IB & IC TEMPORARY TRAFFIC CONTROL PLANS. EXCLUDE FRICTION COURSE FROM THIS PHASE.
6. MAINTAIN PEDESTRIAN TRAFFIC USING FDOT STANDARD PLANS INDEX 102-660. ADJUST PEDESTRIAN PATH TO FINISH CONSTRUCTION.
7. PLACE TEMPORARY PAVEMENT MARKINGS FOR NEXT PHASE.

BENNING DRIVE PHASE II

1. PLACE/MODIFY ADVANCE WARNING SIGNS, BARRICADES, WARNING DEVICES AND REMOVE CONFLICTING MARKINGS AND SIGNS IN ACCORDANCE WITH FDOT STANDARD PLANS INDEX 102-600 AND 102-603.
2. SHIFT TRAFFIC ACCORDING TO PHASE II PLANS. DETOUR AZALEA DRIVE TRAFFIC ACCORDING TO PHASE II DETOUR PLAN. MAINTAIN TWO-LANE, TWO-WAY TRAFFIC ON THE EXISTING FACILITIES.
3. MAINTAIN ACCESS FROM AZALEA DRIVE AND SEA HILLS DRIVE AS SHOWN ON THE PHASE II TEMPORARY TRAFFIC CONTROL PLANS.
4. CONSTRUCT PROPOSED ROADWAY, CURB & GUTTER AND DRAINAGE STRUCTURES ALONG BENNING DRIVE AS SHOWN ON THE PHASE II PLANS. EXCLUDE FRICTION COURSE FROM THIS PHASE.
5. PLACE TEMPORARY PAVEMENT MARKINGS FOR NEXT PHASE.

BENNING DRIVE PHASE III

1. PLACE/MODIFY ADVANCE WARNING SIGNS, BARRICADES, WARNING DEVICES AND REMOVE CONFLICTING MARKINGS AND SIGNS IN ACCORDANCE WITH FDOT STANDARD PLANS INDEX 102-600 AND 102-603.
2. SHIFT TRAFFIC ACCORDING TO PHASE III PLANS. DETOUR AZALEA DRIVE TRAFFIC ACCORDING TO PHASE III DETOUR PLAN. MAINTAIN TWO-LANE, TWO-WAY TRAFFIC ON THE EXISTING FACILITIES.
3. MAINTAIN ACCESS TO AND FROM ANNA STREET, SANDALWOOD DRIVE AND SANDALWOOD COURT AS SHOWN ON THE PHASE III TRAFFIC CONTROL PLANS.
4. CONSTRUCT PROPOSED ROADWAY, CURB & GUTTER AND DRAINAGE STRUCTURES ALONG BENNING DRIVE AS SHOWN ON THE PHASE III PLANS. EXCLUDE FRICTION COURSE FROM THIS PHASE.
5. PLACE TEMPORARY PAVEMENT MARKINGS FOR NEXT PHASE.

BENNING DRIVE PHASE IV

1. MILL TRANSITIONS, PLACE FRICTION COURSE, FINAL PAVEMENT MARKINGS AND SIGNS USING FDOT STANDARD PLANS INDEX 102-603 (FLAGGING OPERATION).

THE OFFICIAL RECORD OF THIS SHEET IS THE ELECTRONIC FILE DIGITALLY SIGNED AND SEALED UNDER RULE 61G15-23.004, F.A.C.

1. PLACE/MODIFY ADVANCED WARNING SIGNS, BARRICADES, WARNING DEVICES AND REMOVE CONFLICTING MARKINGS AND SIGNS IN ACCORDANCE WITH FDOT STANDARD PLANS INDEX 102-600 AND 102-603.
2. SHIFT TRAFFIC ACCORDING TO PHASE II PLANS. DETOUR LEGION DRIVE TRAFFIC ACCORDING TO PHASE II DETOUR PLAN. MAINTAIN ONE-LANE, SOUTH BOUND TRAFFIC ON THE PROPOSED FACILITIES.
3. MAINTAIN ACCESS TO ANNA STREET, SANDALWOOD COURT AND BENT ARROW DRIVE AS SHOWN ON THE PHASE II TEMPORARY TRAFFIC CONTROL PLANS.
4. CONSTRUCT PROPOSED ROADWAY, CURB & GUTTER AND DRAINAGE STRUCTURES ALONG BEACH DRIVE AND LEGION DRIVE AS SHOWN ON THE PHASE II PLANS. EXCLUDE FRICTION COURSE FROM THIS PHASE.
5. MAINTAIN PEDESTRIAN TRAFFIC USING FDOT STANDARD PLANS INDEX 102-660.
6. PLACE TEMPORARY PAVEMENT MARKINGS FOR NEXT PHASE.

BEACH DRIVE PHASE III

1. PLACE/MODIFY ADVANCED WARNING SIGNS, BARRICADES, WARNING DEVICES AND REMOVE CONFLICTING MARKINGS AND SIGNS IN ACCORDANCE WITH FDOT STANDARD PLANS INDEX 102-600 AND 102-603.
2. SHIFT TRAFFIC ACCORDING TO PHASE III PLANS. MAINTAIN TWO-LANE, TWO-WAY TRAFFIC ON THE PROPOSED FACILITIES.
3. MAINTAIN ACCESS TO LEGION DRIVE, SANDALWOOD DRIVE AND BENT ARROW DRIVE AS SHOWN ON THE PHASE III TRAFFIC CONTROL PLANS.
4. CONSTRUCT PROPOSED ROADWAY AND CURB & GUTTER ALONG BEACH DRIVE AS SHOWN ON THE PHASE III PLANS. EXCLUDE FRICTION COURSE FROM THIS PHASE.
5. PLACE TEMPORARY PAVEMENT MARKINGS FOR NEXT PHASE.

BEACH DRIVE PHASE IV

1. PLACE FRICTION COURSE, FINAL PAVEMENT MARKINGS AND SIGNS USING FDOT STANDARD PLANS INDEX 102-603. USE FLAGGING OPERATION OR NIGHT TIME DETOURS AS NEEDED.

THE OFFICIAL RECORD OF THIS SHEET IS THE ELECTRONIC FILE DIGITALLY SIGNED AND SEALED UNDER RULE 61G15-23.004, F.A.C.

DESTIN CROSS TOWN CONNECTOR

DESTIN, FL

MC-3500 STORMTECH CHAMBER SPECIFICATIONS

1. CHAMBERS SHALL BE STORMTECH MC-3500.
2. CHAMBERS SHALL BE ARCH-SHAPED AND SHALL BE MANUFACTURED FROM VIRGIN, IMPACT-MODIFIED POLYPROPYLENE COPOLYMERS.
3. CHAMBERS SHALL MEET THE REQUIREMENTS OF ASTM F2418, "STANDARD SPECIFICATION FOR POLYPROPYLENE (PP) CORRUGATED WALL STORMWATER COLLECTION CHAMBERS" CHAMBER CLASSIFICATION 45x76 DESIGNATION SS.
4. CHAMBER ROWS SHALL PROVIDE CONTINUOUS, UNOBSTRUCTED INTERNAL SPACE WITH NO INTERNAL SUPPORTS THAT WOULD IMPEDE FLOW OR LIMIT ACCESS FOR INSPECTION.
5. THE STRUCTURAL DESIGN OF THE CHAMBERS, THE STRUCTURAL BACKFILL, AND THE INSTALLATION REQUIREMENTS SHALL ENSURE THAT THE LOAD FACTORS SPECIFIED IN THE AASHTO LRFD BRIDGE DESIGN SPECIFICATIONS, SECTION 12.12, ARE MET FOR: 1) LONG-DURATION DEAD LOADS AND 2) SHORT-DURATION LIVE LOADS, BASED ON THE AASHTO DESIGN TRUCK WITH CONSIDERATION FOR IMPACT AND MULTIPLE VEHICLE PRESENCES.
6. CHAMBERS SHALL BE DESIGNED, TESTED AND ALLOWABLE LOAD CONFIGURATIONS DETERMINED IN ACCORDANCE WITH ASTM F2787, "STANDARD PRACTICE FOR STRUCTURAL DESIGN OF THERMOPLASTIC CORRUGATED WALL STORMWATER COLLECTION CHAMBERS". LOAD CONFIGURATIONS SHALL INCLUDE: 1) INSTANTANEOUS (<1 MIN) AASHTO DESIGN TRUCK LIVE LOAD ON MINIMUM COVER 2) MAXIMUM PERMANENT (75-YR) COVER LOAD AND 3) ALLOWABLE COVER WITH PARKED (1-WEEK) AASHTO DESIGN TRUCK.
7. REQUIREMENTS FOR HANDLING AND INSTALLATION:
   - TO MAINTAIN THE WIDTH OF CHAMBERS DURING SHIPPING AND HANDLING, CHAMBERS SHALL HAVE INTEGRAL, INTERLOCKING STACKING LUGS.
   - TO ENSURE A SECURE JOINT DURING INSTALLATION AND BACKFILL, THE HEIGHT OF THE CHAMBER JOINT SHALL NOT BE LESS THAN 3".
   - TO ENSURE THE INTEGRITY OF THE ARCH SHAPE DURING INSTALLATION, a) THE ARCH STIFFNESS CONSTANT SHALL BE GREATER THAN OR EQUAL TO 450 LBS/FT/%. THE ASC IS DEFINED IN SECTION 6.2.8 OF ASTM F2418. AND b) TO RESIST CHAMBER DEFORMATION DURING INSTALLATION AT ELEVATED TEMPERATURES (ABOVE 73° F / 23° C), CHAMBERS SHALL BE PRODUCED FROM REFLECTIVE GOLD OR YELLOW COLORS.
8. ONLY CHAMBERS THAT ARE APPROVED BY THE SITE DESIGN ENGINEER WILL BE ALLOWED. UPON REQUEST BY THE SITE DESIGN ENGINEER OR OWNER, THE CHAMBER MANUFACTURER SHALL SUBMIT A STRUCTURAL EVALUATION FOR APPROVAL BEFORE DELIVERING CHAMBERS TO THE PROJECT SITE AS FOLLOWS:
   - THE STRUCTURAL EVALUATION SHALL BE SEALED BY A REGISTERED PROFESSIONAL ENGINEER.
   - THE STRUCTURAL EVALUATION SHALL DEMONSTRATE THAT THE SAFETY FACTORS ARE GREATER THAN OR EQUAL TO 1.95 FOR DEAD LOAD AND 1.75 FOR LIVE LOAD, THE MINIMUM REQUIRED BY ASTM F2787 AND BY SECTIONS 3 AND 12.12 OF THE AASHTO LRFD BRIDGE DESIGN SPECIFICATIONS FOR THERMOPLASTIC PIPE.
   - THE TEST DERIVED CREEP MODULUS AS SPECIFIED IN ASTM F2418 SHALL BE USED FOR PERMANENT DEAD LOAD DESIGN EXCEPT THAT IT SHALL BE THE 75-YEAR MODULUS USED FOR DESIGN.
9. CHAMBERS AND END CAPS SHALL BE PRODUCED AT AN ISO 9001 CERTIFIED MANUFACTURING FACILITY.

IMPORTANT - NOTES FOR THE BIDDING AND INSTALLATION OF MC-3500 CHAMBER SYSTEM

1. STORMTECH MC-3500 CHAMBERS SHALL NOT BE INSTALLED UNTIL THE MANUFACTURER'S REPRESENTATIVE HAS COMPLETED A PRE-CONSTRUCTION MEETING WITH THE INSTALLERS.
2. STORMTECH MC-3500 CHAMBERS SHALL BE INSTALLED IN ACCORDANCE WITH THE "STORMTECH MC-3500/MC-4500 CONSTRUCTION GUIDE".
3. CHAMBERS ARE NOT TO BE BACKFILLED WITH A DOZER OR AN EXCAVATOR SITUATED OVER THE CHAMBERS. STORMTECH RECOMMENDS 3 BACKFILL METHODS:
   - STONESHOOTER LOCATED OFF THE CHAMBER BED.
   - BACKFILL AS ROWS ARE BUILT USING AN EXCAVATOR ON THE FOUNDATION STONE OR SUBGRADE.
   - BACKFILL FROM OUTSIDE THE EXCAVATION USING A LONG BOOM HOE OR EXCAVATOR.
4. THE FOUNDATION STONE SHALL BE LEVELED AND COMPACTED PRIOR TO PLACING CHAMBERS.
5. JOINTS BETWEEN CHAMBERS SHALL BE PROPERLY SEATED PRIOR TO PLACING STONE.
6. MAINTAIN MINIMUM - 6" (150 mm) SPACING BETWEEN THE CHAMBER ROWS.
7. INLET AND OUTLET MANIFOLDS MUST BE INSERTED A MINIMUM OF 12" (300 mm) INTO CHAMBER END CAPS.
8. EMBEDMENT STONE SURROUNDING CHAMBERS MUST BE A CLEAN, CRUSHED, ANGULAR STONE MEETING THE AASHTO M43 DESIGNATION OF #3 OR #4.
9. STONE MUST BE PLACED ON THE TOP CENTER OF THE CHAMBER TO ANCHOR THE CHAMBERS IN PLACE AND PRESERVE ROW SPACING.
10. THE CONTRACTOR MUST REPORT ANY DISCREPANCIES WITH CHAMBER FOUNDATION MATERIALS BEARING CAPACITIES TO THE SITE DESIGN ENGINEER.
11. ADS RECOMMENDS THE USE OF "FLEXSTORM CATCH IT" INSERTS DURING CONSTRUCTION FOR ALL INLETS TO PROTECT THE SUBSURFACE STORMWATER MANAGEMENT SYSTEM FROM CONSTRUCTION SITE RUNOFF.

NOTES FOR CONSTRUCTION EQUIPMENT

1. STORMTECH MC-3500 CHAMBERS SHALL BE INSTALLED IN ACCORDANCE WITH THE "STORMTECH MC-3500/MC-4500 CONSTRUCTION GUIDE".
2. THE USE OF EQUIPMENT OVER MC-3500 CHAMBERS IS LIMITED:
   - NO EQUIPMENT IS ALLOWED ON BARE CHAMBERS.
   - NO RUBBER TIRED LOADER, DUMP TRUCK, OR EXCAVATORS ARE ALLOWED UNTIL PROPER FILL DEPTHS ARE REACHED IN ACCORDANCE WITH THE "STORMTECH MC-3500/MC-4500 CONSTRUCTION GUIDE".
   - WEIGHT LIMITS FOR CONSTRUCTION EQUIPMENT CAN BE FOUND IN THE "STORMTECH MC-3500/MC-4500 CONSTRUCTION GUIDE".
3. FULL 36" (900 mm) OF STABILIZED COVER MATERIALS OVER THE CHAMBERS IS REQUIRED FOR DUMP TRUCK TRAVEL OR DUMPING.

USE OF A DOZER TO PUSH EMBEDMENT STONE BETWEEN THE ROWS OF CHAMBERS MAY CAUSE DAMAGE TO CHAMBERS AND IS NOT AN ACCEPTABLE BACKFILL METHOD. ANY CHAMBERS DAMAGED BY USING THE "DUMP AND PUSH" METHOD ARE NOT COVERED UNDER THE STORMTECH STANDARD WARRANTY.

CONTACT STORMTECH AT 1-888-892-2694 WITH ANY QUESTIONS ON INSTALLATION REQUIREMENTS OR WEIGHT LIMITS FOR CONSTRUCTION EQUIPMENT.

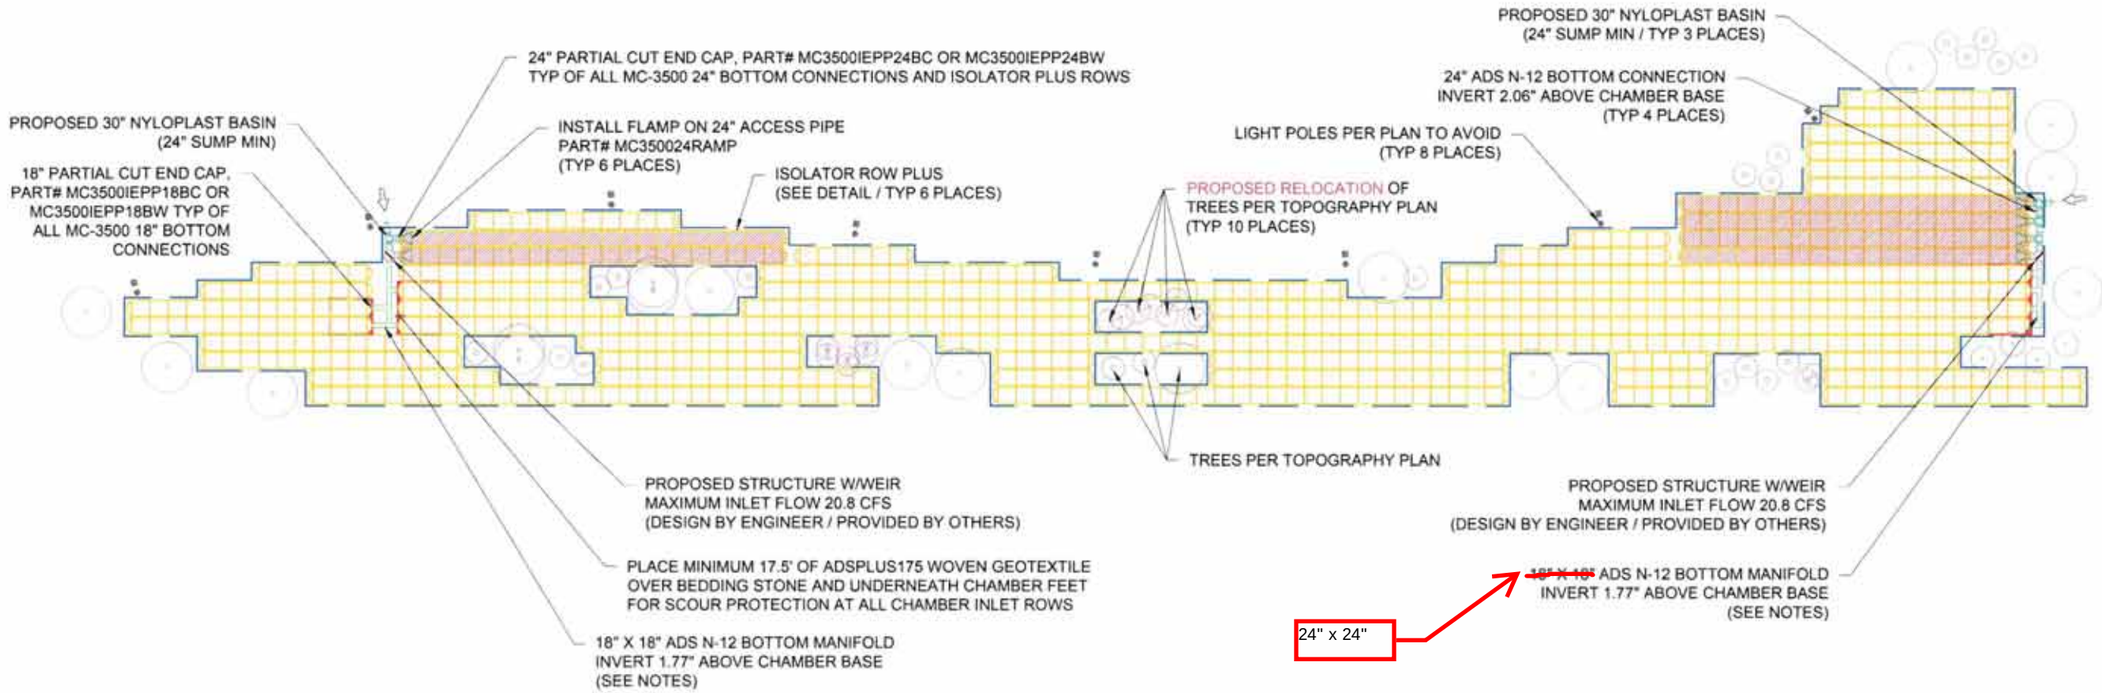
PROPOSED LAYOUT

827	STORMTECH MC-3500 CHAMBERS
100	STORMTECH MC-3500 END CAPS
12	STONE ABOVE (in)
9	STONE BELOW (in)
40	% STONE VOID
154,776	**INSTALLED SYSTEM VOLUME (CF) (PERIMETER STONE INCLUDED)**
13147	**ISOLATOR ROW WQ VOLUME (BARE CHAMBER ONLY)**
45146	SYSTEM AREA (ft²)
2143	SYSTEM PERIMETER (ft)



PROPOSED ELEVATIONS

23.50	MAXIMUM ALLOWABLE GRADE (TOP OF PAVEMENT/UNPAVED)
17.50	MINIMUM ALLOWABLE GRADE (UNPAVED WITH TRAFFIC)
17.00	MINIMUM ALLOWABLE GRADE (UNPAVED NO TRAFFIC)
17.00	MINIMUM ALLOWABLE GRADE (BASE OF FLEXIBLE PAVEMENT)
17.00	MINIMUM ALLOWABLE GRADE (TOP OF RIGID PAVEMENT)
16.50	TOP OF STONE
15.50	TOP OF MC-3500 CHAMBER
11.92	24" ISOLATOR ROW PLUS CONNECTION INVERT
11.90	18" BOTTOM MANIFOLD INVERT
11.75	BOTTOM OF MC-3500 CHAMBER
11.00	BOTTOM OF STONE

18" or 24"

NOTES

- MANIFOLD SIZE TO BE DETERMINED BY SITE DESIGN ENGINEER. SEE TECHNICAL NOTE 6.32 FOR MANIFOLD SIZING GUIDANCE.
- DUE TO THE ADAPTATION OF THIS CHAMBER SYSTEM TO SPECIFIC SITE AND DESIGN CONSTRAINTS, IT MAY BE NECESSARY TO CUT AND COUPLE ADDITIONAL PIPE TO STANDARD MANIFOLD COMPONENTS IN THE FIELD.
- THE SITE DESIGN ENGINEER MUST REVIEW ELEVATIONS AND IF NECESSARY ADJUST GRADING TO ENSURE THE CHAMBER COVER REQUIREMENTS ARE MET.
- THIS CHAMBER SYSTEM WAS DESIGNED WITHOUT SITE-SPECIFIC INFORMATION ON SOIL CONDITIONS OR BEARING CAPACITY. THE SITE DESIGN ENGINEER IS RESPONSIBLE FOR DETERMINING THE SUITABILITY OF THE SOIL AND PROVIDING THE BEARING CAPACITY OF THE INSITU SOILS. THE BASE STONE DEPTH MAY BE INCREASED OR DECREASED ONCE THIS INFORMATION IS PROVIDED.

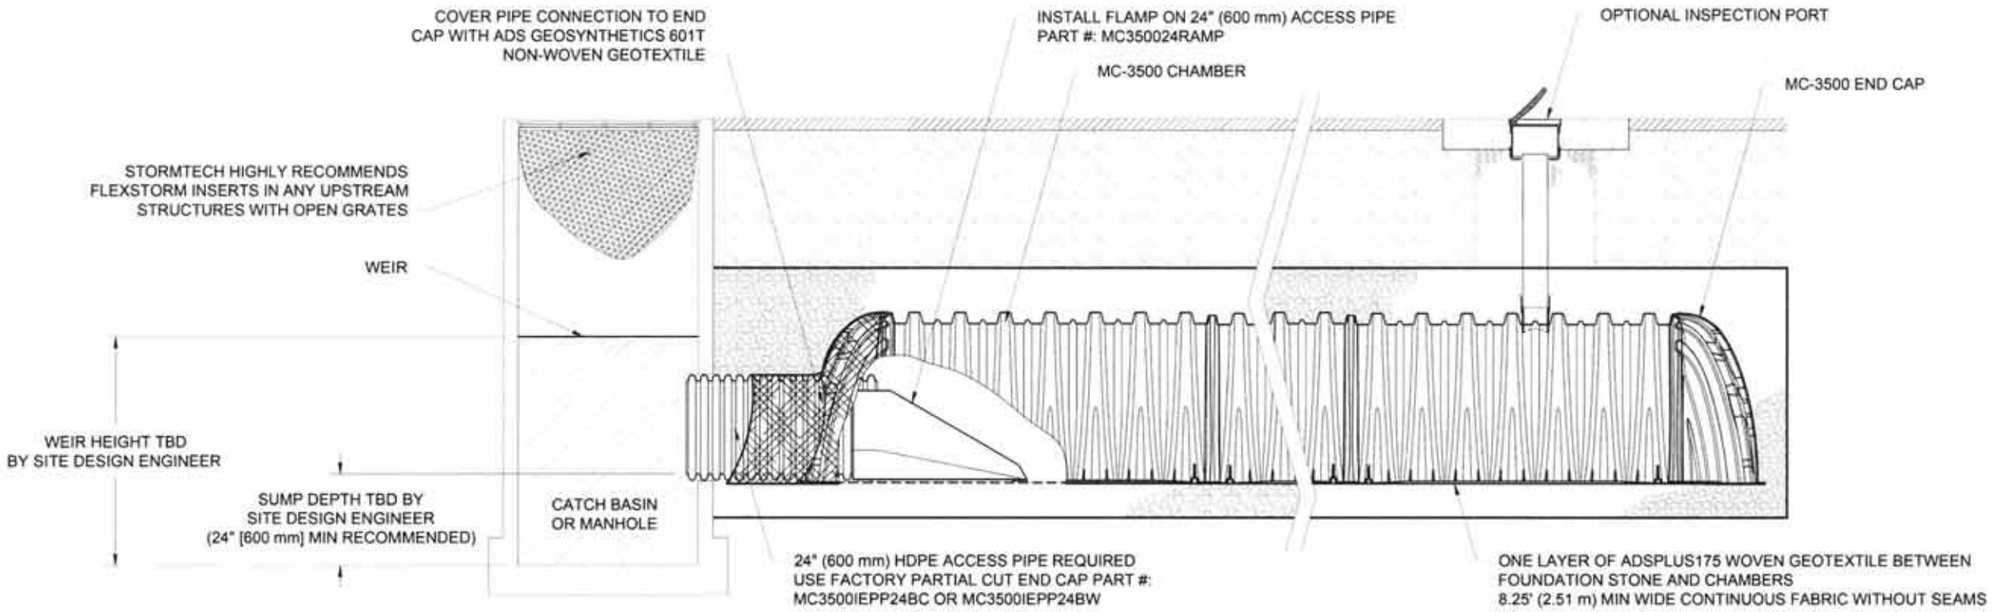
SHEET 3 OF 7

ACCEPTABLE FILL MATERIALS: STORMTECH MC-3500 CHAMBER SYSTEMS

MATERIAL LOCATION		DESCRIPTION	AASHTO MATERIAL CLASSIFICATIONS	COMPACTION / DENSITY REQUIREMENT
D	**FINAL FILL:** FILL MATERIAL FOR LAYER 'D' STARTS FROM THE TOP OF THE 'C' LAYER TO THE BOTTOM OF FLEXIBLE PAVEMENT OR UNPAVED FINISHED GRADE ABOVE. NOTE THAT PAVEMENT SUBBASE MAY BE PART OF THE 'D' LAYER	ANY SOIL/ROCK MATERIALS, NATIVE SOILS, OR PER ENGINEER'S PLANS. CHECK PLANS FOR PAVEMENT SUBGRADE REQUIREMENTS.	N/A	PREPARE PER SITE DESIGN ENGINEER'S PLANS. PAVED INSTALLATIONS MAY HAVE STRINGENT MATERIAL AND PREPARATION REQUIREMENTS.
C	**INITIAL FILL:** FILL MATERIAL FOR LAYER 'C' STARTS FROM THE TOP OF THE EMBEDMENT STONE ('B' LAYER) TO 24" (600 mm) ABOVE THE TOP OF THE CHAMBER. NOTE THAT PAVEMENT SUBBASE MAY BE A PART OF THE 'C' LAYER.	GRANULAR WELL-GRADED SOIL/AGGREGATE MIXTURES, <35% FINES OR PROCESSED AGGREGATE. MOST PAVEMENT SUBBASE MATERIALS CAN BE USED IN LIEU OF THIS LAYER.	AASHTO M145[1] A-1, A-2-4, A-3 OR AASHTO M43[1] 3, 357, 4, 467, 5, 56, 57, 6, 67, 68, 7, 78, 8, 89, 9, 10	BEGIN COMPACTIONS AFTER 24" (600 mm) OF MATERIAL OVER THE CHAMBERS IS REACHED. COMPACT ADDITIONAL LAYERS IN 12" (300 mm) MAX LIFTS TO A MIN. 95% PROCTOR DENSITY FOR WELL GRADED MATERIAL AND 95% RELATIVE DENSITY FOR PROCESSED AGGREGATE MATERIALS.
B	**EMBEDMENT STONE:** FILL SURROUNDING THE CHAMBERS FROM THE FOUNDATION STONE ('A' LAYER) TO THE 'C' LAYER ABOVE.	CLEAN, CRUSHED, ANGULAR STONE	AASHTO M43[1] 3, 4	NO COMPACTION REQUIRED.
A	**FOUNDATION STONE:** FILL BELOW CHAMBERS FROM THE SUBGRADE UP TO THE FOOT (BOTTOM) OF THE CHAMBER.	CLEAN, CRUSHED, ANGULAR STONE	AASHTO M43[1] 3, 4	PLATE COMPACT OR ROLL TO ACHIEVE A FLAT SURFACE.[2,3]

PLEASE NOTE:
1. THE LISTED AASHTO DESIGNATIONS ARE FOR GRADATIONS ONLY. THE STONE MUST ALSO BE CLEAN, CRUSHED, ANGULAR. FOR EXAMPLE, A SPECIFICATION FOR #4 STONE WOULD STATE: "CLEAN, CRUSHED, ANGULAR NO. 4 (AASHTO M43) STONE".
2. STORMTECH COMPACTION REQUIREMENTS ARE MET FOR 'A' LOCATION MATERIALS WHEN PLACED AND COMPACTED IN 9" (230 mm) (MAX) LIFTS USING TWO FULL COVERAGES WITH A VIBRATORY COMPACTOR.
3. WHERE INFILTRATION SURFACES MAY BE COMPROMISED BY COMPACTION, FOR STANDARD DESIGN LOAD CONDITIONS, A FLAT SURFACE MAY BE ACHIEVED BY RAKING OR DRAGGING WITHOUT COMPACTION EQUIPMENT. FOR SPECIAL LOAD DESIGNS, CONTACT STORMTECH FOR COMPACTION REQUIREMENTS.
4. ONCE LAYER 'C' IS PLACED, ANY SOIL/MATERIAL CAN BE PLACED IN LAYER 'D' UP TO THE FINISHED GRADE. MOST PAVEMENT SUBBASE SOILS CAN BE USED TO REPLACE THE MATERIAL REQUIREMENTS OF LAYER 'C' OR 'D' AT THE SITE DESIGN ENGINEER'S DISCRETION.

NOTES:



1. CHAMBERS SHALL MEET THE REQUIREMENTS OF ASTM F2418, "STANDARD SPECIFICATION FOR POLYPROPYLENE (PP) CORRUGATED WALL STORMWATER COLLECTION CHAMBERS" CHAMBER CLASSIFICATION 45x76 DESIGNATION SS.
2. MC-3500 CHAMBERS SHALL BE DESIGNED IN ACCORDANCE WITH ASTM F2787 "STANDARD PRACTICE FOR STRUCTURAL DESIGN OF THERMOPLASTIC CORRUGATED WALL STORMWATER COLLECTION CHAMBERS".
3. THE SITE DESIGN ENGINEER IS RESPONSIBLE FOR ASSESSING THE BEARING RESISTANCE (ALLOWABLE BEARING CAPACITY) OF THE SUBGRADE SOILS AND THE DEPTH OF FOUNDATION STONE WITH CONSIDERATION FOR THE RANGE OF EXPECTED SOIL MOISTURE CONDITIONS.
4. PERIMETER STONE MUST BE EXTENDED HORIZONTALLY TO THE EXCAVATION WALL FOR BOTH VERTICAL AND SLOPED EXCAVATION WALLS.
5. REQUIREMENTS FOR HANDLING AND INSTALLATION:
   - TO MAINTAIN THE WIDTH OF CHAMBERS DURING SHIPPING AND HANDLING, CHAMBERS SHALL HAVE INTEGRAL, INTERLOCKING STACKING LUGS.
   - TO ENSURE A SECURE JOINT DURING INSTALLATION AND BACKFILL, THE HEIGHT OF THE CHAMBER JOINT SHALL NOT BE LESS THAN 3".
   - TO ENSURE THE INTEGRITY OF THE ARCH SHAPE DURING INSTALLATION, a) THE ARCH STIFFNESS CONSTANT AS DEFINED IN SECTION 6.2.8 OF ASTM F2418 SHALL BE GREATER THAN OR EQUAL TO 500 LBS/FT/%. AND b) TO RESIST CHAMBER DEFORMATION DURING INSTALLATION AT ELEVATED TEMPERATURES (ABOVE 73° F / 23° C), CHAMBERS SHALL BE PRODUCED FROM REFLECTIVE GOLD OR YELLOW COLORS.

MC-3500 ISOLATOR ROW PLUS DETAIL
NTS

INSPECTION & MAINTENANCE

STEP 1) INSPECT ISOLATOR ROW PLUS FOR SEDIMENT
- A. INSPECTION PORTS (IF PRESENT)
  - A.1. REMOVE/OPEN LID ON NYLOPLAST INLINE DRAIN
  - A.2. REMOVE AND CLEAN FLEXSTORM FILTER IF INSTALLED
  - A.3. USING A FLASHLIGHT AND STADIA ROD, MEASURE DEPTH OF SEDIMENT AND RECORD ON MAINTENANCE LOG
  - A.4. LOWER A CAMERA INTO ISOLATOR ROW PLUS FOR VISUAL INSPECTION OF SEDIMENT LEVELS (OPTIONAL)
  - A.5. IF SEDIMENT IS AT, OR ABOVE, 3" (80 mm) PROCEED TO STEP 2. IF NOT, PROCEED TO STEP 3.
- B. ALL ISOLATOR PLUS ROWS
  - B.1. REMOVE COVER FROM STRUCTURE AT UPSTREAM END OF ISOLATOR ROW PLUS
  - B.2. USING A FLASHLIGHT, INSPECT DOWN THE ISOLATOR ROW PLUS THROUGH OUTLET PIPE
    - i) MIRRORS ON POLES OR CAMERAS MAY BE USED TO AVOID A CONFINED SPACE ENTRY
    - ii) FOLLOW OSHA REGULATIONS FOR CONFINED SPACE ENTRY IF ENTERING MANHOLE
  - B.3. IF SEDIMENT IS AT, OR ABOVE, 3" (80 mm) PROCEED TO STEP 2. IF NOT, PROCEED TO STEP 3.

STEP 2) CLEAN OUT ISOLATOR ROW PLUS USING THE JETVAC PROCESS
- A. A FIXED CULVERT CLEANING NOZZLE WITH REAR FACING SPREAD OF 45° (1.1 m) OR MORE IS PREFERRED
- B. APPLY MULTIPLE PASSES OF JETVAC UNTIL BACKFLUSH WATER IS CLEAN
- C. VACUUM STRUCTURE SUMP AS REQUIRED

STEP 3) REPLACE ALL COVERS, GRATES, FILTERS, AND LIDS; RECORD OBSERVATIONS AND ACTIONS.

STEP 4) INSPECT AND CLEAN BASINS AND MANHOLES UPSTREAM OF THE STORMTECH SYSTEM.

NOTES

1. INSPECT EVERY 6 MONTHS DURING THE FIRST YEAR OF OPERATION. ADJUST THE INSPECTION INTERVAL BASED ON PREVIOUS OBSERVATIONS OF SEDIMENT ACCUMULATION AND HIGH WATER ELEVATIONS.
2. CONDUCT JETTING AND VACTORING ANNUALLY OR WHEN INSPECTION SHOWS THAT MAINTENANCE IS NECESSARY.

TABULATION OF QUANTITIES

SHEET NO. S-2

GENERAL NOTES

1. THE PAVEMENT MARKINGS AT ALL EXISTING / PROPOSED INTERFACE LOCATIONS ARE TO MATCH IN TERMS OF ALIGNMENT.

2. ANY MARKINGS THAT NEED TO BE REMOVED MAY BE REMOVED BY ANY METHOD WHICH PRODUCES THE SAME RESULTS IN THE SAME MANNER AS HYDRO-BLASTING.

3. ALL REMOVED SIGNS BECOME THE PROPERTY OF THE CONTRACTOR TO BE DISPOSED OF PROPERLY UNLESS OTHERWISE NOTED ON THE PLANS.

4. VERIFY THE LENGTH OF SIGN COLUMN SUPPORTS IN THE FIELD PRIOR TO FABRICATION.

5. SIGN ASSEMBLY LOCATIONS SHOWN ON THE PLANS WHICH ARE IN CONFLICT WITH LIGHTING, UTILITIES, ETC. MAY BE ADJUSTED AS DIRECTED BY THE PROJECT ENGINEER.

6. CAUTION SHOULD BE EXERCISED IN THE INSTALLATION OF POST-MOUNTED ROADSIDE SIGNS IN ORDER TO PREVENT POSSIBLE DAMAGE TO BURIED UTILITIES. CONTRACTOR SHOULD CONSIDER HAND-DIGGING POST HOLES.

7. OUTSIDE CORNERS OF SIGN FACES TO BE CUT CONCENTRIC WITH BORDER. BORDER SHALL BE PARALLEL TO THE EDGE OF SIGN.

8. THE PROJECT ENGINEER MAY REQUIRE THE CONTRACTOR TO FIELD-ADJUST THE LOCATION OF ANY SIGN TO INSURE PROPER VISIBILITY. THE CLEARING AND TRIMMING OF ALL VEGETATION TO ALLOW CLEAR VISIBILITY OF SIGNS WILL BE THE RESPONSIBILITY OF THE CONTRACTOR. THIS CLEARING SHALL PERMIT UNOBSTRUCTED VIEWING OF THE SIGN FROM THE OUTSIDE LANE FOR A DISTANCE UP TO 1000 FEET IN ADVANCE OF THE SIGN. THE COST FOR CLEARING AND TRIMMING IS INCIDENTAL.

9. THE STREET NAME SIGNS SHALL BE KEPT VISIBLE AT ALL TIMES DURING CONSTRUCTION FOR EMERGENCY RESPONSE PERSONNEL.

10. REMOVE AND REPLACE ALL EXISTING SIGNS THAT CONFLICT WITH CONSTRUCTION OPERATIONS. IF SIGNS ARE DAMAGED BY THE CONTRACTOR, THE SIGNS SHALL BE REPLACED AT THE CONTRACTOR'S EXPENSE.

11. FINAL PAVEMENT MARKINGS SHALL BE THERMOPLASTIC.

12. FOR SIGN DETAILS, USE THE "MANUAL ON UNIFORM TRAFFIC CONTROL DEVICES" PUBLISHED BY THE U.S. DEPARTMENT OF TRANSPORTATION, FEDERAL HIGHWAY ADMINISTRATION, 2009.

13. ANY EXISTING SIGNS THAT ARE TO BE RELOCATED AND ARE DAMAGED BEYOND USE BY THE CONTRACTOR, AS DETERMINED BY THE PROJECT ENGINEER, SHALL BE REPLACED BY THE CONTRACTOR AT HIS EXPENSE.

SUMMARY OF LIGHTING

SHEET NO.
E-002

EXHIBIT D - LIGHTING PLANS

ELECTRICAL GENERAL NOTES

1. GENERAL CONTRACTOR SHALL FIELD-VERIFY ALL EXISTING CONDITIONS PRIOR TO BEGINNING ANY WORK, AND SHALL IMMEDIATELY NOTIFY THE ENGINEER OF ANY DISCREPANCIES. FAILURE TO DO SO INDICATES THAT THE CONTRACTOR ACCEPTS THE CONDITIONS AS THEY EXIST, AND SHALL PERFORM THE WORK REQUIRED AS SHOWN AND SPECIFIED.
2. FURNISH ALL EQUIPMENT AND LABOR, PERFORM ALL LABOR WITH SUPERVISION, BEAR ALL EXPENSES, AS NECESSARY FOR THE SATISFACTORY COMPLETION OF ALL WORK READY FOR OPERATION.
3. COMPLY WITH ALL LOCAL CODE, LAWS, AND ORDINANCES APPLICABLE TO ELECTRICAL WORK, THE STATE BUILDING CODE, THE NATIONAL ELECTRIC CODE, AND UFC PUBLICATIONS. OBTAIN ALL PERMITS REQUIRED BY LOCAL ORDINANCES.
4. THE GENERAL CONTRACTOR SHALL NOTIFY THE CONTRACT MANAGER IMMEDIATELY OF ANY CONFLICTS/DISCREPANCIES BETWEEN DISCIPLINES BEFORE ORDERING EQUIPMENT/MATERIALS.
5. ALL CONDUCTORS INDICATED ON PLAN SHALL BE COPPER UNLESS NOTED OTHERWISE.
6. ALL ELECTRICAL WORK AND MATERIALS USED IN THIS PROJECT SHALL BE NEW, UNDERWRITERS' LABORATORIES (UL) LISTED AND LABELED, AND SHALL BE FURNISHED AND INSTALLED BY THE CONTRACTOR UNLESS NOTED OTHERWISE.
7. THE CONDUIT SYSTEMS UTILIZED SHALL BE AS FOLLOWS:
   A) BELOW GRADE – PVC SCHEDULE 80
   B) TRANSITIONS FROM BELOW GRADE (WHICH SHALL INCLUDE A 'RSC' FACTORY 90 DEGREE ELBOW) TO ABOVE GRADE AND/OR THRU SLAB – RIGID GALVANIZED STEEL (RGS)
8. ALL NEW CONDUITS RUN UNDERGROUND SHALL HAVE A MINIMUM BURIAL DEPTH OF 36" UNLESS NOTED OTHERWISE
9. WHERE CONFLICTS OCCUR ON ELECTRICAL DRAWINGS BETWEEN DRAWINGS, SPECIFICATIONS AND CODES, THE MOST STRINGENT REQUIREMENT THAT APPLIES SHALL BE ADHERED TO.
10. COORDINATE ALL WORK WITH OTHER TRADES PRIOR TO INSTALLATION.
11. ALL FINISHES AND COLORS SHALL BE APPROVED BY CITY OF DESTIN PRIOR TO ORDERING MATERIALS.
12. ALL GROUNDING SHALL BE IN ACCORDANCE WITH NEC.
13. ALL WIRING FOR LIGHTING CIRCUITS SHALL BE A MINIMUM OF #10 AWG COPPER UNLESS NOTED OTHERWISE.
14. ALL PANELBOARDS SHALL BE IN STAINLESS STEEL ENCLOSURES.
15. MINIMUM CONDUIT SIZE FOR LIGHTING CIRCUITS SHALL BE 1".

CONDUIT SPECIFICATIONS

1. RIGID METAL CONDUIT SHALL COMPLY WITH UL 6.
2. PVC CONDUIT FOR FOR DIRECT BURIAL SHALL BE SCHEDULE 80 AND COMPLY WITH UL 651 AND NEMA TC 2.
3. RUN CONDUIT IN STRAIGHT LINES EXCEPT WHERE A CHANGE OF DIRECTION IS NECESSARY. PROVIDE NUMBERS AND SIZES OF DUCTS AS INDICATED.
4. PERFORM CHANGES IN DUCTBANK DIRECTION AS FOLLOWS:
   A. SHORT–RADIUS MANUFACTURED 90–DEGREE DUCT BENDS MAY BE USED ONLY FOR POLE OR EQUIPMENT RISERS, UNLESS SPECIFICALLY INDICATED AS ACCEPTABLE.
   B. THE MINIMUM MANUFACTURED BEND RADIUS MUST BE 18 INCHES
   C. AS AN EXCEPTION TO THE BEND RADIUS REQUIRED ABOVE, PROVIDE FIELD MANUFACTURED LONGSWEEP BENDS HAVING A MINIMUM RADIUS OF 25 FEET FOR A CHANGE OF DIRECTION OF MORE THAN 5 DEGREES, EITHER HORIZONTALLY OR VERTICALLY, USING A COMBINATION OF CURVED AND STRAIGHT SECTIONS. MAXIMUM MANUFACTURED CURVED SECTIONS: 30 DEGREES.
5. DUCTS MUST BE KEPT CLEAN OF CONCRETE, DIRT, OR FOREIGN SUBSTANCES DURING CONSTRUCTION. FIELD CUTS REQUIRING TAPERS MUST BE MADE WITH PROPER TOOLS AND MATCH FACTORY TAPERS. A COUPLING RECOMMENDED BY THE DUCT MANUFACTURER MUST BE USED WHENEVER AN EXISTING DUCT IS CONNECTED TO A DUCT OF DIFFERENT MATERIAL OR SHAPE. DUCTS MUST BE STORED TO AVOID WARPING AND DETERIORATION WITH ENDS SUFFICIENTLY PLUGGED TO PREVENT ENTRY OF ANY WATER OR SOLID SUBSTANCES. DUCTS MUST BE THOROUGHLY CLEANED BEFORE BEING LAID. PLASTIC DUCTS MUST BE STORED ON A FLAT SURFACE AND PROTECTED FROM THE DIRECT RAYS OF THE SUN.
6. DRAW A STIFF BRISTLE BRUSH THROUGH UNTIL CONDUIT IS CLEAR OF PARTICLES OF EARTH, SAND AND GRAVEL; THEN IMMEDIATELY INSTALL CONDUIT PLUGS.
5. DEPTHS TO TOP OF THE CONDUIT FOR BRANCH CIRCUITS MUST BE NOT LESS THAN 24 INCHES BELOW FINISHED GRADE. PROVIDE NOT LESS THAN 3 INCHES CLEARANCE FROM THE CONDUIT TO EACH SIDE OF THE TRENCH. GRADE BOTTOM OF TRENCH SMOOTH; WHERE ROCK, SOFT SPOTS, OR SHARP–EDGED MATERIALS ARE ENCOUNTERED, EXCAVATE THE BOTTOM FOR AN ADDITIONAL 3 INCHES, FILL AND TAMP LEVEL WITH ORIGINAL BOTTOM WITH SAND OR EARTH FREE FROM PARTICLES, THAT WOULD BE RETAINED ON A 1/4 INCH SIEVE. THE FIRST 6 INCH LAYER OF BACKFILL COVER MUST BE SAND COMPACTED AS PREVIOUSLY SPECIFIED. THE REST OF THE EXCAVATION MUST BE BACKFILLED AND COMPACTED IN< 3 TO 6 INCH LAYERS. PROVIDE RED 3 INCH WIDE DETECTABLE WARNING TAPE.

PANELBOARD SPECIFICATIONS

PANELBOARDS

PART 1 – GENERAL
1.1 SUMMARY
A. SECTION INCLUDES DISTRIBUTION PANELBOARDS AND LIGHTING AND APPLIANCE BRANCH–CIRCUIT PANELBOARDS.
1.2 QUALITY ASSURANCE
A. ELECTRICAL COMPONENTS, DEVICES, AND ACCESSORIES: LISTED AND LABELED AS DEFINED IN NFPA 70, BY A QUALIFIED TESTING AGENCY, AND MARKED FOR INTENDED LOCATION AND APPLICATION.
B. COMPLY WITH NEMA PB 1.
C. COMPLY WITH NFPA 70.
1.3 WARRANTY
A. SPECIAL WARRANTY: MANUFACTURER'S STANDARD FORM IN WHICH MANUFACTURER AGREES TO REPAIR OR REPLACE TRANSIENT VOLTAGE SUPPRESSION DEVICES THAT FAIL IN MATERIALS OR WORKMANSHIP WITHIN SPECIFIED WARRANTY PERIOD.
1. WARRANTY PERIOD: FIVE YEARS FROM DATE OF SUBSTANTIAL COMPLETION.
PART 2 – PRODUCTS
2.1 GENERAL REQUIREMENTS FOR PANELBOARDS
A. ENCLOSURES: SURFACE–MOUNTED CABINETS.
1. RATED FOR ENVIRONMENTAL CONDITIONS AT INSTALLED LOCATION.
a. OUTDOOR LOCATIONS: NEMA 250, TYPE 3R, STAINLESS STEEL.
2. FRONT: SECURED TO BOX WITH CONCEALED TRIM CLAMPS.
3. HINGED FRONT COVER: ENTIRE FRONT TRIM HINGED TO BOX AND WITH STANDARD DOOR WITHIN HINGED TRIM COVER.
4. DIRECTORY CARD: INSIDE PANELBOARD DOOR, MOUNTED IN TRANSPARENT CARD HOLDER.
B. INCOMING MAINS LOCATION: TOP AND BOTTOM.
C. PHASE, NEUTRAL, AND GROUND BUSES: HARD–DRAWN COPPER, 98 PERCENT CONDUCTIVITY.
D. CONDUCTOR CONNECTORS: SUITABLE FOR USE WITH CONDUCTOR MATERIAL AND SIZES.
1. MATERIAL: HARD–DRAWN COPPER, 98 PERCENT CONDUCTIVITY.
2. MAIN AND NEUTRAL LUGS: MECHANICAL TYPE.
3. GROUND LUGS AND BUS CONFIGURED TERMINATORS: MECHANICAL TYPE.
4. FEED–THROUGH LUGS: MECHANICAL TYPE, SUITABLE FOR USE WITH CONDUCTOR MATERIAL. LOCATE AT OPPOSITE END OF BUS FROM INCOMING LUGS OR MAIN DEVICE.
5. SUBFEED (DOUBLE) LUGS: MECHANICAL TYPE SUITABLE FOR USE WITH CONDUCTOR MATERIAL. LOCATE AT SAME END OF BUS AS INCOMING LUGS OR MAIN DEVICE.
E. SERVICE EQUIPMENT LABEL: NRTL LABELED FOR USE AS SERVICE EQUIPMENT FOR PANELBOARDS WITH ONE OR MORE MAIN SERVICE DISCONNECTING AND OVERCURRENT PROTECTIVE DEVICES.
F. FUTURE DEVICES: MOUNTING BRACKETS, BUS CONNECTIONS, FILLER PLATES, AND NECESSARY APPURTENANCES REQUIRED FOR FUTURE INSTALLATION OF DEVICES.
G. PANELBOARD SHORT–CIRCUIT CURRENT RATING: RATED FOR SERIES–CONNECTED SYSTEM WITH INTEGRAL OR REMOTE UPSTREAM OVERCURRENT PROTECTIVE DEVICES AND LABELED BY AN NRTL. INCLUDE SIZE AND TYPE OF ALLOWABLE UPSTREAM AND BRANCH DEVICES, AND LISTED AND LABELED FOR SERIES–CONNECTED SHORT–CIRCUIT RATING BY AN NRTL.
H. PANELBOARD SHORT–CIRCUIT CURRENT RATING: FULLY RATED TO INTERRUPT SYMMETRICAL SHORT–CIRCUIT CURRENT AVAILABLE AT TERMINALS.
2.2 PERFORMANCE REQUIREMENTS
A. SURGE SUPPRESSION: FACTORY INSTALLED AS AN INTEGRAL PART OF INDICATED PANELBOARDS, COMPLYING WITH UL 1449 SPD TYPE 1.
2.3 PANELBOARDS
A. PANELBOARDS, AS SPECIFIED IN THIS ARTICLE, FALL UNDER REQUIREMENTS OF "POWER PANELBOARDS" IN NFPA 70.
B. PANELBOARDS: NEMA PB 1, POWER AND FEEDER DISTRIBUTION TYPE.
C. DOORS: SECURED WITH VAULT–TYPE LATCH WITH TUMBLER LOCK; KEYED ALIKE.
D. MAINS: CIRCUIT BREAKER.
E. BRANCH OVERCURRENT PROTECTIVE DEVICES: FOR CIRCUIT–BREAKER FRAME SIZES 125 A AND SMALLER: BOLT–ON CIRCUIT BREAKERS.
PART 3 – EXECUTION
3.1 INSTALLATION
A. RECEIVE, INSPECT, HANDLE, STORE AND INSTALL PANELBOARDS AND ACCESSORIES ACCORDING TO NECA 407.Z E
B. MOUNT TOP OF TRIM 90 INCHES (2286 MM) ABOVE FINISHED FLOOR UNLESS OTHERWISE INDICATED.
C. MOUNT PANELBOARD CABINET PLUMB AND RIGID WITHOUT DISTORTION OF BOX. MOUNT RECESSED PANELBOARDS WITH FRONTS UNIFORMLY FLUSH WITH WALL FINISH AND MATING WITH BACK BOX.
D. INSTALL OVERCURRENT PROTECTIVE DEVICES AND CONTROLLERS NOT ALREADY FACTORY INSTALLED.
1. SET FIELD–ADJUSTABLE, CIRCUIT–BREAKER TRIP RANGES.
F. INSTALL FILLER PLATES IN UNUSED SPACES.
G. STUB FOUR 1–INCH (27–GRC) EMPTY CONDUITS FROM PANELBOARD INTO ACCESSIBLE CEILING SPACE OR SPACE DESIGNATED TO BE CEILING SPACE IN THE FUTURE. STUB FOUR 1–INCH (27–GRC) EMPTY CONDUITS INTO RAISED FLOOR SPACE OR BELOW SLAB NOT ON GRADE.
H. ARRANGE CONDUCTORS IN GUTTERS INTO GROUPS AND BUNDLE AND WRAP WITH WIRE TIES.
I. COMPLY WITH NECA 1.
3.2 IDENTIFICATION
A. IDENTIFY FIELD–INSTALLED CONDUCTORS, INTERCONNECTING WIRING, AND COMPONENTS; PROVIDE WARNING SIGNS COMPLYING WITH SECTION 260553 "IDENTIFICATION FOR ELECTRICAL SYSTEMS."
B. CREATE A DIRECTORY TO INDICATE INSTALLED CIRCUIT LOADS AND INCORPORATING OWNER'S FINAL ROOM DESIGNATIONS. OBTAIN APPROVAL BEFORE INSTALLING. USE A COMPUTER OR TYPEWRITER TO CREATE DIRECTORY; HANDWRITTEN DIRECTORIES ARE NOT ACCEPTABLE.
C. PANELBOARD NAMEPLATES: LABEL EACH PANELBOARD
3.3 FIELD QUALITY CONTROL
A. PERFORM TESTS AND INSPECTIONS.
B. ACCEPTANCE TESTING PREPARATION:
1. TEST INSULATION RESISTANCE FOR EACH PANELBOARD BUS, COMPONENT, CONNECTING SUPPLY, FEEDER, AND CONTROL CIRCUIT.
2. TEST CONTINUITY OF EACH CIRCUIT.

CONDUCTOR SPECIFICATIONS

1. PROVIDE WIRES AND CABLES IN ACCORDANCE APPLICABLE REQUIREMENTS OF NFPA 70 AND UL FOR TYPE OF INSULATION, JACKET, AND CONDUCTOR SPECIFIED OR INDICATED. DO NOT USE WIRES AND CABLES MANUFACTURED MORE THAN 12 MONTHS PRIOR TO DATE OF DELIVERY TO SITE.
2. PROVIDE THE FOLLOWING:
   a. CONDUCTOR SIZES AND CAPACITIES SHOWN ARE BASED ON COPPER, UNLESS INDICATED OTHERWISE.
   b. CONDUCTORS NO. 8 AWG AND LARGER DIAMETER: STRANDED.
   c. CONDUCTORS NO. 10 AWG AND SMALLER DIAMETER: SOLID.
3. ALL CONDUCTORS SHALL BE COPPER.
4. PROVIDE MINIMUM CONDUCTOR SIZE IN ACCORDANCE WITH THE FOLLOWING:
   a. BRANCH CIRCUITS: NO. 10 AWG.
5. PROVIDE COLOR CODING FOR BRANCH CIRCUIT CONDUCTORS.
   5.1 PROVIDE COLOR CODING OF GROUND AND NEUTRAL CONDUCTORS AS FOLLOWS:
   a. GROUNDING CONDUCTORS: GREEN.
   5.2 PROVIDE COLOR CODING OF UNGROUNDED CONDUCTORS IN DIFFERENT VOLTAGE SYSTEMS AS FOLLOWS:
   a. PHASE A – BLACK
   b. PHASE B – RED
6. UNLESS SPECIFIED OR INDICATED OTHERWISE OR REQUIRED BY NFPA 70, PROVIDE POWER AND LIGHTING WIRES RATED FOR 600–VOLTS, TYPE XHHW CONFORMING TO UL 44, EXCEPT THAT GROUNDING WIRE MAY BE TYPE TW CONFORMING TO UL 83; REMOTE–CONTROL AND SIGNAL CIRCUITS: TYPE TW OR TF, CONFORMING TO UL 83. WHERE LIGHTING FIXTURES REQUIRE 90–DEGREE CENTIGRADE (C) CONDUCTORS, PROVIDE ONLY CONDUCTORS WITH 90–DEGREE C INSULATION OR BETTER.
7. BONDING CONDUCTORS SHALL BE ASTM B1, SOLID BARE COPPER WIRE FOR SIZES NO. 8 AWG AND SMALLER DIAMETER; ASTM B8, CLASS B, STRANDED BARE COPPER WIRE FOR SIZES NO. 6 AWG AND LARGER DIAMETER.
8. PROVIDE INSULATED CONDUCTORS INSTALLED IN EMT, EXCEPT WHERE SPECIFICALLY INDICATED OR SPECIFIED OTHERWISE OR REQUIRED BY NFPA 70 TO BE INSTALLED OTHERWISE. GROUNDING CONDUCTOR: SEPARATE FROM ELECTRICAL SYSTEM NEUTRAL CONDUCTOR. PROVIDE INSULATED GREEN EQUIPMENT GROUNDING CONDUCTOR FOR CIRCUIT(S) INSTALLED IN CONDUIT AND RACEWAYS. MINIMUM CONDUIT SIZE: 1/2 INCH IN DIAMETER. FIRESTOP CONDUIT WHICH PENETRATES FIRE–RATED WALLS, FIRE–RATED PARTITIONS AS REQUIRED.
9. SPLICES OF LOW–VOLTAGE CONDUCTORS ARE NOT ALLOWED.

DIRECTIONAL BORING SPECIFICATIONS

1. UTILIZE HDPE CONDUIT FOR DIRECTIONAL BORING.
2. HDPE SHALL BE SMOOTHWALL, APPROVED/LISTED FOR DIRECTIONAL BORING, MINIMUM SCHEDULE 80, ASTM F2160, NEMA TC 7.
3. DEPTHS TO THE TOP OF THE CONDUIT MUST NOT BE LESS THAN 24 INCHES IN PAVEMENT– OR NON–PAVEMENT–COVERED AREAS.

EXHIBIT E - LANDSCAPE PLANS

LANDSCAPE NOTES

1. THE LANDSCAPE CONTRACTOR SHALL BE RESPONSIBLE FOR ATTENDING A PRE-BID MEETING DURING WHICH INSTALLATION SPECIFICATIONS, INSTALLATION REQUIREMENTS, SCHEDULES, AND MAINTENANCE REQUIREMENTS WILL BE DISCUSSED.

2. THE LANDSCAPE INSTALLATION MUST BE PROPERLY SEQUENCED WITH OTHER CONSTRUCTION SO THAT THE LANDSCAPE AND IRRIGATION IS NOT DAMAGED BY OTHER WORK/TRADES.

3. THE CONTRACTOR SHALL VERIFY THE EXISTENCE OF AND STAKE ALL UTILITIES PRIOR TO CONSTRUCTION. EXCAVATION OF PLANT PITS LOCATED WITHIN 5' OF UTILITIES SHALL BE PERFORMED BY HAND. ANY UTILITY/PLANT MATERIAL CONFLICTS SHALL BE BROUGHT TO THE ATTENTION OF THE OWNER'S REPRESENTATIVE PRIOR TO INSTALLATION FOR ANY FIELD ADJUSTMENTS.

4. THE CONTRACTOR SHALL SUPPLY ALL PLANT MATERIALS IN QUANTITIES SUFFICIENT TO COMPLETE THE PLANTINGS SHOWN ON ALL DRAWINGS. ALL PLANTS SHALL MEET SIZE, CONTAINER, AND SPACING SPECIFICATIONS AS SHOWN IN THE PLANT SCHEDULE. THE CONTRACTOR SHALL GUARANTEE PLANT HEALTH AND SURVIVABILITY FOR ONE YEAR FROM DATE OF PROJECT ACCEPTANCE BY THE OWNER'S REPRESENTATIVE. ANY MATERIAL NOT MEETING SPECIFICATIONS OR DISPLAYING POOR HEALTH SHALL BE REPLACED AT CONTRACTOR'S EXPENSE WITHIN 2 WEEKS OF NOTICE.

5. ALL PLANT MATERIAL SHALL BE FLORIDA NO. 1 OR BETTER (UNLESS OTHERWISE NOTED) AS SET FORTH IN "GRADES AND STANDARDS FOR NURSERY PLANTS", STATE OF FLORIDA, LATEST EDITION. NOTIFY THE OWNER'S REPRESENTATIVE A MINIMUM OF ONE WEEK PRIOR TO PLANT DELIVERY TO SCHEDULE ON-SITE INSPECTION UPON DELIVERY. INSTALLED PLANT MATERIAL NOT MEETING SPECIFICATIONS SHALL BE REMOVED AND REPLACED AT CONTRACTOR'S EXPENSE. ALL PLANTS MUST BE BROUGHT TO THE SITE FREE OF WEEDS. ADDITIONALLY, THE CONTRACTOR SHALL PROVIDE THE OWNER'S REPRESENTATIVE WITH REPRESENTATIVE PLANT PHOTOS TO APPROVE FOR ALL PLANT MATERIALS PRIOR TO ANY PLANT DELIVERY. MEASURING STICKS SHALL BE SHOWN IN PHOTOS, AS APPROPRIATE.

6. ALL PLANT MATERIALS INDICATED WITH A GALLON SIZE SHALL BE CONTAINER GROWN AND WITHIN A CONTAINER APPROPRIATE FOR THE PLANT SIZE. ROOT BOUND PLANTS SHALL NOT BE ACCEPTED. NO SUBSTITUTIONS SHALL BE PERMITTED WITHOUT PRIOR APPROVAL OF THE OWNER'S REPRESENTATIVE.

7. THE OWNER'S REPRESENTATIVE RESERVES THE RIGHT TO MAKE PLANTING BED FIELD CHANGES TO ACCOMMODATE SITE CONDITIONS AND TO ACHIEVE THE DESIGN INTENT. THE LANDSCAPE CONTRACTOR SHALL FLAG ALL TREE AND BEDLINE LOCATIONS FOR APPROVAL BY THE OWNER'S REPRESENTATIVE PRIOR TO ANY INSTALLATION.

8. DIG PLANTING PITS AT 1.5 TIMES THE DIAMETER OF THE POT. FILL PLANT PIT WITH APPROVED PLANTING MIX AND COMPACT SO THAT THE TOP OF ROOT BALL WILL SETTLE TO THE PROPER LEVEL RELATIVE TO FINISH GRADE. SET PLANT AND FILL REMAINDER OF HOLE WITH PLANTING MIX. FERTILIZE EACH PLANT WITH THE APPROVED TYPE AND RATE OF FERTILIZER. WATER IN THOROUGHLY. RESET ANY PLANTS THAT SETTLE TOO DEEP. REMOVE SPOIL SOIL AND RAKE THE BED TO ITS FINISH GRADE. COVER ALL BED AREAS WITH 3" MULCH DEPTH. REMOVE ALL DEBRIS FROM THE MULCH.WATER BED THOROUGHLY. IF/WHERE APPLICABLE, EACH NEWLY PLANTED TREE NOT WITHIN A SHRUB/GROUNDCOVER BED SHALL BE CENTERED WITHIN A LAYER OF MULCH 6' IN DIAMETER AND 3" DEPTH (SETTLED). ALL PINE STRAW SHALL FROM THE 'IMPROVED SLASH' PINE TREE WITH A MINIMUM NEEDLE LENGTH OF EIGHT INCHES.

9. THE LANDSCAPE CONTRACTOR SHALL CONDUCT REPRESENTATIVE SOIL ANALYSIS PRIOR TO THE INSTALLATION OF ANY PLANT MATERIAL. THE LANDSCAPE CONTRACTOR SHALL NOTIFY THE OWNER'S REPRESENTATIVE OF ANY IMPROPER SOIL CONDITION (NUTRITIONAL DEFICIENCIES, WETNESS, MUCK, DEBRIS, ETC.) AND SHALL RECOMMEND FOR APPROVAL, PRIOR TO INSTALLATION, ALL SOIL AMENDMENTS THAT MAY BE NECESSARY TO PROMOTE HEALTHY, VIGOROUS PLANT GROWTH.

10. THE LANDSCAPE CONTRACTOR SHALL COORDINATE WITH ALL OTHER TRADES (AND PLANS), AS NECESSARY, IN PREPARING PLANTING AREAS, INCLUDING FINAL GRADE ELEVATIONS.

11. ALL PLANT MATERIAL MUST BE PLANTED IMMEDIATELY UPON DELIVERY TO THE SITE AND WATERED IN (BY HAND IF THE IRRIGATION SYSTEM IS NOT FUNCTIONING PROPERLY). ANY PLANT MATERIAL NOT INSTALLED WITHIN 6 HOURS OF DELIVERY TO THE SITE MUST BE STORED IN AN APPROVED, PROTECTED HOLDING AREA AND SHALL BE WATERED AS NECESSARY TO MAINTAIN PLANT HEALTH AND QUALITY.

12. THE LANDSCAPE CONTRACTOR SHALL NOTIFY THE OWNER'S REPRESENTATIVE A MINIMUM OF 48 HOURS PRIOR TO COMPLETION TO SCHEDULE A FINAL WALK THROUGH. A FINAL WALK THROUGH SHALL NOT BE PERFORMED IF PREVIOUS PUNCH LISTS ARE NOT COMPLETED.

13. THE LANDSCAPE CONTRACTOR SHALL BE RESPONSIBLE FOR MAINTAINING ALL PLANTINGS UNTIL FINAL ACCEPTANCE BY THE OWNER'S REPRESENTATIVE. THIS MAINTENANCE INCLUDES KEEPING BEDS FREE OF DEBRIS, WEEDS, DISEASES, AND INFESTATIONS. THE LANDSCAPE CONTRACTOR SHALL ALSO BE RESPONSIBLE FOR PROVIDING SUFFICIENT WATER TO THE PLANTS DURING THIS TIME.

14. THE LANDSCAPE CONTRACTOR SHALL SUPPLY THE OWNER'S REPRESENTATIVE WITH AS-BUILT DRAWINGS IN ACAD FORMAT (2018 VERSION OR LATER) WITHIN 30 DAYS OF PROJECT ACCEPTANCE.

15. REFER TO CURRENT FDOT STANDARD SPECIFICATIONS AND DESIGN STANDARD PLANS, THE GENERAL NOTES, AND THE SPECIFICATIONS FOR ADDITIONAL REQUIREMENTS. WHERE CONFLICTS EXIST, THE MORE STRINGENT STANDARDS AND SPECIFICATIONS SHALL APPLY.

THE OFFICIAL RECORD OF THIS SHEET IS THE ELECTRONIC FILE DIGITALLY SIGNED AND SEALED UNDER RULE 61G15-11.011, F.A.C.

LANDSCAPE PLANS

SHEET NO. LD-10

IRRIGATION NOTES

1. PERMANENT IRRIGATION SHALL BE INSTALLED FOR ALL LANDSCAPE (INCLUDING TURF) SHOWN ON THE PLANS. AS LONG AS IRRIGATION COVERAGE IS COMPLETE, THE CONTRACTOR/IRRIGATION INSTALLER SHALL BE ALLOWED TO DETERMINE THE MOST EFFECTIVE METHOD OF PROVIDING IRRIGATION COVERAGE UTILIZING SPRAY HEADS, RISERS, AND BUBBLERS. THE CONTRACTOR SHALL CONFIRM AND PROVIDE THE WATER SOURCE FOR THE IRRIGATION WITH THE OWNER. A LOCKABLE CABINET CONTROLLER SHALL BE PROVIDED BY THE CONTRACTOR AND ITS LOCATION DETERMINED IN CONJUNCTION WITH THE OWNER'S REPRESENTATIVE PRIOR TO INSTALLATION.

2. THE IRRIGATION SYSTEM SHALL BE DESIGNED AND INSTALLED AS A DESIGN-BUILD PORTION OF THE WORK PERFORMED BY THE CONTRACTOR. THE SYSTEM MUST BE DESIGNED/ZONED SO THAT ALL IRRIGATION CAN OCCUR BETWEEN THE HOURS OF 1:00 A.M. AND 6:00 A.M.

3. THE CONTRACTOR SHALL FURNISH THE OWNER'S REPRESENTATIVE WITH SHOP DRAWINGS AND SCHEMATIC DESIGN PLANS INDICATING FULL COVERAGE OF IRRIGATED AREAS. THE SHOP DRAWINGS MUST INCLUDE PROPOSED SLEEVING LOCATIONS/SIZES. ALL TREES SHALL HAVE 2 BUBBLERS THAT ARE PLACED ON BUBBLER-ONLY ZONES THAT ARE SEPARATE FROM THE OTHER IRRIGATION ZONES. INSTALLATION SHALL NOT COMMENCE UNTIL THE SHOP DRAWINGS ARE APPROVED BY THE OWNER'S REPRESENTATIVE.

4. THE CONTRACTOR SHALL OBTAIN THE LOCATIONS OF POINT OF CONNECTION FOR WATER AND POWER SOURCE FROM CITY. CONTRACTOR SHALL COORDINATE WITH CITY FOR THE CONNECTION TO THE EXISTING WATER AND POWER SOURCE.

5. PERMANENT SLEEVES SHALL BE INSTALLED BY THE CONTRACTOR AS NECESSARY. THE CONTRACTOR IS RESPONSIBLE FOR INSTALLATION OF ALL BORINGS AND CASINGS, AS NEEDED. THE CONTRACTOR IS RESPONSIBLE, AT THEIR EXPENSE, TO REPAIR ANY AND ALL DAMAGE CAUSED TO ANY ROADWAY OR ANY/ALL OTHER AREAS, OR UTILITIES AS A RESULT OF THE BORINGS OR ANY OTHER IRRIGATION WORK.

6. THE INSTALLER SHALL BE EXPECTED TO MAKE IRRIGATION SYSTEM FIELD ADJUSTMENTS ON THE SITE AS NEEDED, IN ORDER TO MAINTAIN COMPLETE AND ACCURATE IRRIGATION COVERAGE, AND TO MAINTAIN THE INTENT OF THE DESIGN. THE FINAL LOCATIONS FOR ALL MAJOR EQUIPMENT (AS APPLICABLE), INCLUDING CONTROLLERS, VALVES, WELLS, SUPPLY CONNECTIONS, MAINLINES, BACKFLOW PREVENTERS, METERS, ETC. SHALL BE DETERMINED IN THE FIELD, STAKED OUT BY THE CONTRACTOR USING THEIR DRAWINGS AS A GUIDE, AND THEN APPROVED BY THE OWNER'S REPRESENTATIVE PRIOR TO INSTALLATION.

7. OVERSPRAY ONTO HARDSCAPE AMENITIES AND ANY PAVED SURFACE IS NOT ALLOWED TO OCCUR. THE IRRIGATION SYSTEM SHALL BE INSTALLED IN SUCH A FASHION AND BE OF A TYPE THAT CAN BE ADJUSTED TO THROW IRRIGATION WATER AWAY FROM THE AMENITIES AND ALL PAVED SURFACES.

8. ALL WORK SHALL BE DONE IN ACCORDANCE WITH PREVAILING CODES AND REGULATIONS. IT SHALL BE THE RESPONSIBILITY OF THE INSTALLER TO VERIFY AND CONFORM TO THE PARTICULAR CODES FOR THIS LOCATION. THE INSTALLER SHALL OBTAIN ALL NECESSARY PERMITS (INCLUDING THOSE FOR BORES, WELLS, AND ANY WATER LINE TAPS), UTILITY LOCATES, AND INSPECTIONS.

9. ALL WORK SHALL BE CLOSELY COORDINATED WITH THAT OF OTHER TRADES IN ORDER TO AVOID CONFLICTS. THE INSTALLATION SHALL BE COORDINATED WITH ALL NEW AND EXISTING IMPROVEMENTS, AND WITH THE ACTUAL INSTALLED BED LIMITS,AND PLANT LOCATIONS.

10. ALL MATERIAL AND LABOR NECESSARY TO PROVIDE A COMPLETE, FULLY OPERATIONAL, AND GUARANTEED SYSTEM SHALL BE CONSIDERED PART OF THE WORK, WHETHER OR NOT THEY ARE SPECIFICALLY INDICATED IN THE SUBMITTED DOCUMENTS. THIS SHALL INCLUDE CONFORMANCE WITH THE REQUIREMENTS AND RECOMMENDATIONS OF THE VARIOUS MANUFACTURERS OF THE EQUIPMENT, AND WITH APPLICABLE TRAINING AND CERTIFICATION OF INSTALLATION PERSONNEL.

11. METALLIC LOCATOR/WARNING TAPE SHALL BE BURIED ABOVE ALL WIRING AND PIPING.

12. VALVE BOXES SHALL BE TAMPER-RESISTANT TYPE.

13. ALL SPRINKLER HEADS SHALL BE OF THE PROPER SIZE AND TYPE FOR THE LOCATION AND PLANT MATERIAL. HEADS SHALL BE INSTALLED PLUMB, AND WITH THE PROPER HEIGHT WITH RESPECT TO GRADE AND/OR PLANT MATERIAL. ALL HEADS AND OTHER EQUIPMENT SHALL BE INSTALLED WITH ADEQUATE AND UNIFORM CLEARANCES FROM ALL PAVING, CURBS,SIDEWALKS, WALLS, AND OTHER OBSTACLES, SO THAT DAMAGE TO EQUIPMENT DOES NOT OCCUR DURING NORMAL LANDSCAPE MAINTENANCE OPERATIONS. ALL SPRINKLERS SHALL BE ADJUSTED TO OBTAIN OPTIMAL COVERAGE OF PLANT MATERIAL, WHILE ELIMINATING OVERSPRAY ONTO WALLS, PARK AMENITIES, PAVING OR OTHER IMPERVIOUS SURFACES.THE INSTALLER SHALL UTILIZE THE PROPER SPRAY NOZZLE PATTERN FOR THE LOCATION, AS WELL AS PRESSURE-COMPENSATING HEADS OR SCREENS, AND ADJUSTABLE-PATTERN NOZZLES WHERE A FIXED PATTERN IS NOT SUITABLE TO CONTROL COVERAGE OR OVERSPRAY. 4" POPUP SPRAY HEADS WILL NOT BE USED.

14. CONTROLLER(S) SHALL BE HOOKED UP BY A LICENSED ELECTRICIAN.

15. THE CONTROLLER(S) SHALL BE EQUIPPED WITH A PROPERLY LOCATED AND INSTALLED RAIN/WIND/FREEZE SHUTOFF SENSOR DEVICE THAT COMPLIES WITH FLORIDA LAW. THE SENSOR(S) SHALL BE LOCATED IN SUCH A MANNER SO THAT THEY ARE UNOBSTRUCTED, AND DIRECTLY EXPOSED TO NATURAL RAINFALL AND SUNLIGHT FROM ALL DIRECTIONS, BUT NOT TO RUNOFF WATER FROM DITCHES OR OTHER SURFACES. PRIOR TO INSTALLATION, LOCATION OF THE SENSOR(S) SHALL BE APPROVED BY THE OWNER'S REPRESENTATIVE.

16. THE MINIMUM SUPPLY REQUIREMENTS FOR THE SYSTEM SHALL BE DETERMINED BY THE CONTRACTOR AND STATED ON THE DESIGN-BUILD PLANS AND SHOP DRAWINGS.

17. THE INSTALLER SHALL BE EXPECTED TO BE FAMILIAR WITH ALL REQUIREMENTS FOR THE WORK, AND TO CONDUCT THE WORK IN A CLEAN, SAFE, AND WORKMANLIKE MANNER. THE OWNER RESERVES THE RIGHT TO ACT TO PROTECT HIS PROPERTY AND THE OTHER PERSONNEL AT WORK THERE, AND TO MAKE EMERGENCY REPAIRS OR TAKE CORRECTIVE ACTION IF THE INSTALLER DOES NOT FULFILL HIS OBLIGATIONS IN A TIMELY MANNER. THE OWNER FURTHER RESERVES THE RIGHT TO BACK-CHARGE THE INSTALLER TO COVER SUCH EXPENSES, TO THE EXTENT ALLOWED UNDER APPLICABLE LAW.

18. THE INSTALLER SHALL COORDINATE WITH THE OWNER'S REPRESENTATIVE FOR PROVISION OF ELECTRIC SERVICE REQUIREMENTS.

19. ANY EXISTING IRRIGATED AREAS THAT ARE ADJACENT TO THE NEW CONSTRUCTION MUST REMAIN UNDISTURBED AND FULLY FUNCTIONAL. ANY DISRUPTION BY THE CONTRACTOR TO THE EXISTING IRRIGATION COVERAGE MUST BE CORRECTED BY THE CONTRACTOR AT THEIR EXPENSE.

20. THE LANDSCAPE CONTRACTOR SHALL SUPPLY THE OWNER'S REPRESENTATIVE WITH DETAILED AND PROPERLY SCALED IRRIGATION AS-BUILT DRAWINGS IN ACAD FORMAT (2018 VERSION OR LATER) WITHIN 30 DAYS OF PROJECT ACCEPTANCE.THE AS-BUILTS MUST INCLUDE ALL SYSTEM COMPONENTS AND THEIR SIZES.

21. THE IRRIGATION SYSTEM WILL BE DESIGNED AND BUILT SO THAT THE MAINLINE HAS MINIMAL ROADWAY CROSSINGS.

THE OFFICIAL RECORD OF THIS SHEET IS THE ELECTRONIC FILE DIGITALLY SIGNED AND SEALED UNDER RULE 61G15-11.011, F.A.C.

NOTE 1: ALL ITEMS QUOTED MUST BE IN COMPLIANCE WITH THE SPECIFICATIONS. IF YOU ARE TAKING EXCEPTION, INDICATE THOSE EXCEPTIONS ON COMPANY LETTERHEAD AND ATTACH TO THIS INVITATION TO BID.

NOTE 2: CY = Cubic Yard; EA = Each; LF = Linear Feet; LS = Lump Sum; SY = Square Yard; ED = Each Day

RE-CHECK YOUR QUOTATIONS PRIOR TO SUBMISSION
BIDS MAY NOT BE CHANGED AFTER BEING OPENED.

ADDENDUM NO. 1

CITY OF DESTIN, FLORIDA
REQUEST FOR BIDS RFB NO. 25-07-CM
CROSSTOWN CONNECTOR CONSTRUCTION PHASE 1
PROJECT

MAY 27, 2025

To All Potential Proposers:

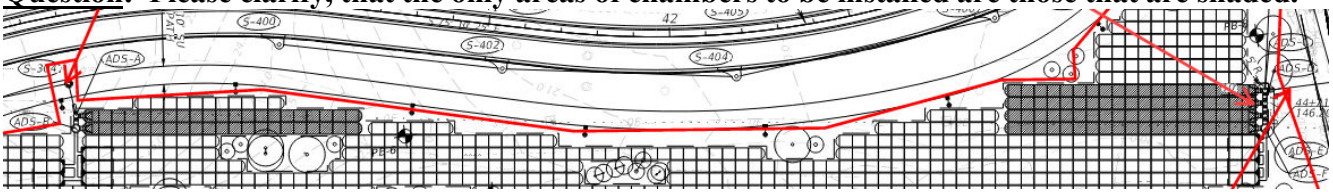
This addendum modifies the previously issued RFB and is hereby made a part of the proposal documents. Per the RFB, proposer shall acknowledge receipt of any and all addenda; and shall include this acknowledgement receipt in their submittal. Failure to do so may subject the proposer to disqualification.

The following items shall become a part of the proposal for the above referenced project.

The City received the following questions from a potential bidder with respect to the City's RFB NO. 25-07-CM. As per the City's standard practice, the City is furnishing the responses below to these questions.

Question: Is this [quantities shown in the price proposal sheet] all that is being done in PH 1?

Response: Yes.



Question: Will this project require Davis bacon, owner paid materials and what are the liquidated damages for this project?

Response: This project is not federally-funded therefore Davis Bacon does not apply. The project will not require owner-paid materials; contractor will furnish all materials. Liquidated Damages are set at $500 per day.

Question: What is the estimated construction budget?

Response: The estimated construction cost is $2,400,000.

Question: Please clarify, that the only areas of chambers to be installed are those that are shaded.

Response: No, all of the stormwater chambers will be constructed in phase 1. Revised ADS Chamber System plans are included with this Addendum.

Question: Please confirm that all excess material from the excavation of the pond and installation of the chambers, can be left onsite.

Response: Confirmed. As stated in Section 3.1, excess fill material excavated for underground stormwater retention system shall remain the property of the City and remain onsite within the limits of the right of way. No ponds are excavated in phase 1.

Question: Please confirm that the red lines on the pond cross sections are the proposed grades for this phase of work.

Response: Confirmed.

Question: Please confirm the only work associated with this phase of work is listed on page 52 of the plans.

Response: Section 3.1 of the RFB details the work included in phase 1. This work is primarily shown on pages 1-7 of the ADS Chamber System plans and page 52 of the Roadway plans. Other details of the work are included in the roadway plans, typically noted or boxed in red. Sodding the disturbed areas is included in phase 1 but not specifically shown on page 52.

Question: What is the anticipated schedule for advertising construction of phase 2.

Response: Phase 2 is dependent on the availability of FDOT funding and is anticipated to be advertised in Fall 2025.

Question: What is the estimated construction of phases 2?

Response: A separate cost estimate for phase 2 has not been completed. The Engineers estimate of construction costs of the total project (combined, no phasing of construction) was $11,802,514.27. This estimate was completed in October 2024.

DESTIN CROSS TOWN CONNECTOR

DESTIN, FL

SC-800 STORMTECH CHAMBER SPECIFICATIONS

1. CHAMBERS SHALL BE STORMTECH SC-800.
2. CHAMBERS SHALL BE ARCH-SHAPED AND SHALL BE MANUFACTURED FROM VIRGIN, IMPACT-MODIFIED POLYPROPYLENE COPOLYMERS.
3. CHAMBERS SHALL MEET THE REQUIREMENTS OF ASTM F2418, "STANDARD SPECIFICATION FOR POLYPROPYLENE (PP) CORRUGATED WALL STORMWATER COLLECTION CHAMBERS".
4. CHAMBER ROWS SHALL PROVIDE CONTINUOUS, UNOBSTRUCTED INTERNAL SPACE WITH NO INTERNAL SUPPORTS THAT WOULD IMPEDE FLOW OR LIMIT ACCESS FOR INSPECTION.
5. THE STRUCTURAL DESIGN OF THE CHAMBERS, THE STRUCTURAL BACKFILL, AND THE INSTALLATION REQUIREMENTS SHALL ENSURE THAT THE LOAD FACTORS SPECIFIED IN THE AASHTO LRFD BRIDGE DESIGN SPECIFICATIONS, SECTION 12.12, ARE MET FOR: 1) LONG-DURATION DEAD LOADS AND 2) SHORT-DURATION LIVE LOADS, BASED ON THE AASHTO DESIGN TRUCK WITH CONSIDERATION FOR IMPACT AND MULTIPLE VEHICLE PRESENCES.
6. CHAMBERS SHALL BE DESIGNED AND ALLOWABLE LOAD CONFIGURATIONS DETERMINED IN ACCORDANCE WITH ASTM F2787, "STANDARD PRACTICE FOR STRUCTURAL DESIGN OF THERMOPLASTIC CORRUGATED WALL STORMWATER COLLECTION CHAMBERS". LOAD CONFIGURATIONS SHALL INCLUDE: 1) INSTANTANEOUS (<1 MIN) AASHTO DESIGN TRUCK LIVE LOAD ON MINIMUM COVER 2) MAXIMUM PERMANENT (75-YR) COVER LOAD AND 3) ALLOWABLE COVER WITH PARKED (1-WEEK) AASHTO DESIGN TRUCK.
7. REQUIREMENTS FOR HANDLING AND INSTALLATION:
   - TO MAINTAIN THE WIDTH OF CHAMBERS DURING SHIPPING AND HANDLING, CHAMBERS SHALL HAVE INTEGRAL, INTERLOCKING STACKING LUGS.
   - TO ENSURE A SECURE JOINT DURING INSTALLATION AND BACKFILL, THE HEIGHT OF THE CHAMBER JOINT SHALL NOT BE LESS THAN 2".
   - TO ENSURE THE INTEGRITY OF THE ARCH SHAPE DURING INSTALLATION, a) THE ARCH STIFFNESS CONSTANT SHALL BE GREATER THAN OR EQUAL TO 750 LBS/FT/%. THE ASC IS DEFINED IN SECTION 6.2.8 OF ASTM F2418. AND b) TO RESIST CHAMBER DEFORMATION DURING INSTALLATION AT ELEVATED TEMPERATURES (ABOVE 73° F / 23° C), CHAMBERS SHALL BE PRODUCED FROM REFLECTIVE GOLD OR YELLOW COLORS.
8. ONLY CHAMBERS THAT ARE APPROVED BY THE SITE DESIGN ENGINEER WILL BE ALLOWED. UPON REQUEST BY THE SITE DESIGN ENGINEER OR OWNER, THE CHAMBER MANUFACTURER SHALL SUBMIT A STRUCTURAL EVALUATION FOR APPROVAL BEFORE DELIVERING CHAMBERS TO THE PROJECT SITE AS FOLLOWS:
   - THE STRUCTURAL EVALUATION SHALL BE SEALED BY A REGISTERED PROFESSIONAL ENGINEER.
   - THE STRUCTURAL EVALUATION SHALL DEMONSTRATE THAT THE SAFETY FACTORS ARE GREATER THAN OR EQUAL TO 1.95 FOR DEAD LOAD AND 1.75 FOR LIVE LOAD, THE MINIMUM REQUIRED BY ASTM F2787 AND BY SECTIONS 3 AND 12.12 OF THE AASHTO LRFD BRIDGE DESIGN SPECIFICATIONS FOR THERMOPLASTIC PIPE.
   - THE TEST DERIVED CREEP MODULUS AS SPECIFIED IN ASTM F2418 SHALL BE USED FOR PERMANENT DEAD LOAD DESIGN EXCEPT THAT IT SHALL BE THE 75-YEAR MODULUS USED FOR DESIGN.
9. CHAMBERS AND END CAPS SHALL BE PRODUCED AT AN ISO 9001 CERTIFIED MANUFACTURING FACILITY.
10. MANIFOLD SIZE TO BE DETERMINED BY SITE DESIGN ENGINEER. SEE TECHNICAL NOTE 6.32 FOR MANIFOLD SIZING GUIDANCE. DUE TO THE ADAPTATION OF THIS CHAMBER SYSTEM TO SPECIFIC SITE AND DESIGN CONSTRAINTS, IT MAY BE NECESSARY TO CUT AND COUPLE ADDITIONAL PIPE TO STANDARD MANIFOLD COMPONENTS IN THE FIELD.
11. ADS DOES NOT DESIGN OR PROVIDE MEMBRANE LINER SYSTEMS. TO MINIMIZE THE LEAKAGE POTENTIAL OF LINER SYSTEMS, THE MEMBRANE LINER SYSTEM SHOULD BE DESIGNED BY A KNOWLEDGEABLE GEOTEXTILE PROFESSIONAL AND INSTALLED BY A QUALIFIED CONTRACTOR.

IMPORTANT - NOTES FOR THE BIDDING AND INSTALLATION OF THE SC-800 SYSTEM

1. STORMTECH SC-800 CHAMBERS SHALL NOT BE INSTALLED UNTIL THE MANUFACTURER'S REPRESENTATIVE HAS COMPLETED A PRE-CONSTRUCTION MEETING WITH THE INSTALLERS.
2. STORMTECH SC-800 CHAMBERS SHALL BE INSTALLED IN ACCORDANCE WITH THE "STORMTECH SC-310/SC-740/SC-800/DC-780 CONSTRUCTION GUIDE".
3. CHAMBERS ARE NOT TO BE BACKFILLED WITH A DOZER OR AN EXCAVATOR SITUATED OVER THE CHAMBERS. STORMTECH RECOMMENDS 3 BACKFILL METHODS:
   - STONESHOOTER LOCATED OFF THE CHAMBER BED.
   - BACKFILL AS ROWS ARE BUILT USING AN EXCAVATOR ON THE FOUNDATION STONE OR SUBGRADE.
   - BACKFILL FROM OUTSIDE THE EXCAVATION USING A LONG BOOM HOE OR EXCAVATOR.
4. THE FOUNDATION STONE SHALL BE LEVELED AND COMPACTED PRIOR TO PLACING CHAMBERS.
5. JOINTS BETWEEN CHAMBERS SHALL BE PROPERLY SEATED PRIOR TO PLACING STONE.
6. MAINTAIN MINIMUM - 6" (150 mm) SPACING BETWEEN THE CHAMBER ROWS.
7. EMBEDMENT STONE SURROUNDING CHAMBERS MUST BE A CLEAN, CRUSHED, ANGULAR STONE OR RECYCLED CONCRETE; AASHTO M43 #3, 357, 4, 467, 5, 56, OR 57.
8. THE CONTRACTOR MUST REPORT ANY DISCREPANCIES WITH CHAMBER FOUNDATION MATERIALS BEARING CAPACITIES TO THE SITE DESIGN ENGINEER.
9. ADS RECOMMENDS THE USE OF "FLEXSTORM CATCH IT" INSERTS DURING CONSTRUCTION FOR ALL INLETS TO PROTECT THE SUBSURFACE STORMWATER MANAGEMENT SYSTEM FROM CONSTRUCTION SITE RUNOFF.

NOTES FOR CONSTRUCTION EQUIPMENT

1. STORMTECH SC-800 CHAMBERS SHALL BE INSTALLED IN ACCORDANCE WITH THE "STORMTECH SC-310/SC-740/SC-800/DC-780 CONSTRUCTION GUIDE".
2. THE USE OF CONSTRUCTION EQUIPMENT OVER SC-800 CHAMBERS IS LIMITED:
   - NO EQUIPMENT IS ALLOWED ON BARE CHAMBERS.
   - NO RUBBER TIRED LOADERS, DUMP TRUCKS, OR EXCAVATORS ARE ALLOWED UNTIL PROPER FILL DEPTHS ARE REACHED IN ACCORDANCE WITH THE "STORMTECH SC-310/SC-740/SC-800/DC-780 CONSTRUCTION GUIDE".
   - WEIGHT LIMITS FOR CONSTRUCTION EQUIPMENT CAN BE FOUND IN THE "STORMTECH SC-310/SC-740/SC-800/DC-780 CONSTRUCTION GUIDE".
3. FULL 36" (900 mm) OF STABILIZED COVER MATERIALS OVER THE CHAMBERS IS REQUIRED FOR DUMP TRUCK TRAVEL OR DUMPING.

USE OF A DOZER TO PUSH EMBEDMENT STONE BETWEEN THE ROWS OF CHAMBERS MAY CAUSE DAMAGE TO THE CHAMBERS AND IS NOT AN ACCEPTABLE BACKFILL METHOD. ANY CHAMBERS DAMAGED BY THE "DUMP AND PUSH" METHOD ARE NOT COVERED UNDER THE STORMTECH STANDARD WARRANTY.

CONTACT STORMTECH AT 1-800-821-6710 WITH ANY QUESTIONS ON INSTALLATION REQUIREMENTS OR WEIGHT LIMITS FOR CONSTRUCTION EQUIPMENT.

ACCEPTABLE FILL MATERIALS: STORMTECH MC-3500 CHAMBER SYSTEMS

MATERIAL LOCATION		DESCRIPTION	AASHTO MATERIAL CLASSIFICATIONS	COMPACTION / DENSITY REQUIREMENT
D	**FINAL FILL:** FILL MATERIAL FOR LAYER 'D' STARTS FROM THE TOP OF THE 'C' LAYER TO THE BOTTOM OF FLEXIBLE PAVEMENT OR UNPAVED FINISHED GRADE ABOVE. NOTE THAT PAVEMENT SUBBASE MAY BE PART OF THE 'D' LAYER	ANY SOIL/ROCK MATERIALS, NATIVE SOILS, OR PER ENGINEER'S PLANS. CHECK PLANS FOR PAVEMENT SUBGRADE REQUIREMENTS.	N/A	PREPARE PER SITE DESIGN ENGINEER'S PLANS. PAVED INSTALLATIONS MAY HAVE STRINGENT MATERIAL AND PREPARATION REQUIREMENTS.
C	**INITIAL FILL:** FILL MATERIAL FOR LAYER 'C' STARTS FROM THE TOP OF THE EMBEDMENT STONE ('B' LAYER) TO 18" (450 mm) ABOVE THE TOP OF THE CHAMBER. NOTE THAT PAVEMENT SUBBASE MAY BE A PART OF THE 'C' LAYER.	GRANULAR WELL-GRADED SOIL/AGGREGATE MIXTURES, <35% FINES OR PROCESSED AGGREGATE. MOST PAVEMENT SUBBASE MATERIALS CAN BE USED IN LIEU OF THIS LAYER.	AASHTO M145[1] A-1, A-2-4, A-3 OR AASHTO M43[1] 3, 357, 4, 467, 5, 56, 57, 6, 67, 68, 7, 78, 8, 89, 9, 10	BEGIN COMPACTIONS AFTER 18" (450 mm) OF MATERIAL OVER THE CHAMBERS IS REACHED. COMPACT ADDITIONAL LAYERS IN 12" (300 mm) MAX LIFTS TO A MIN. 95% PROCTOR DENSITY FOR WELL GRADED MATERIAL AND 95% RELATIVE DENSITY FOR PROCESSED AGGREGATE MATERIALS.
B	**EMBEDMENT STONE:** FILL SURROUNDING THE CHAMBERS FROM THE FOUNDATION STONE ('A' LAYER) TO THE 'C' LAYER ABOVE.	CLEAN, CRUSHED, ANGULAR STONE OR RECYCLED CONCRETE[5]	AASHTO M43[1] 3, 357, 4, 467, 5, 56, 57	NO COMPACTION REQUIRED
A	**FOUNDATION STONE:** FILL BELOW CHAMBERS FROM THE SUBGRADE UP TO THE FOOT (BOTTOM) OF THE CHAMBER.	CLEAN, CRUSHED, ANGULAR STONE OR RECYCLED CONCRETE[5]	AASHTO M43[1] 3, 357, 4, 467, 5, 56, 57	PLATE COMPACT OR ROLL TO ACHIEVE A FLAT SURFACE.[2,3]

PLEASE NOTE:
1. THE LISTED AASHTO DESIGNATIONS ARE FOR GRADATIONS ONLY. THE STONE MUST ALSO BE CLEAN, CRUSHED, ANGULAR. FOR EXAMPLE, A SPECIFICATION FOR #4 STONE WOULD STATE: "CLEAN, CRUSHED, ANGULAR NO. 4 (AASHTO M43) STONE".
2. STORMTECH COMPACTION REQUIREMENTS ARE MET FOR 'A' LOCATION MATERIALS WHEN PLACED AND COMPACTED IN 9" (230 mm) (MAX) LIFTS USING TWO FULL COVERAGES WITH A VIBRATORY COMPACTOR.
3. WHERE INFILTRATION SURFACES MAY BE COMPROMISED BY COMPACTION, FOR STANDARD DESIGN LOAD CONDITIONS, A FLAT SURFACE MAY BE ACHIEVED BY RAKING OR DRAGGING WITHOUT COMPACTION EQUIPMENT. FOR SPECIAL LOAD DESIGNS, CONTACT STORMTECH FOR COMPACTION REQUIREMENTS.
4. ONCE LAYER 'C' IS PLACED, ANY SOIL/MATERIAL CAN BE PLACED IN LAYER 'D' UP TO THE FINISHED GRADE. MOST PAVEMENT SUBBASE SOILS CAN BE USED TO REPLACE THE MATERIAL REQUIREMENTS OF LAYER 'C' OR 'D' AT THE SITE DESIGN ENGINEER'S DISCRETION.
5. WHERE RECYCLED CONCRETE AGGREGATE IS USED IN LAYERS 'A' OR 'B' THE MATERIAL SHOULD ALSO MEET THE ACCEPTABILITY CRITERIA OUTLINED IN TECHNICAL NOTE 6.20 "RECYCLED CONCRETE STRUCTURAL BACKFILL".

NOTES:

1. CHAMBERS SHALL MEET THE REQUIREMENTS OF ASTM F2418, "STANDARD SPECIFICATION FOR POLYPROPYLENE (PP) CORRUGATED WALL STORMWATER COLLECTION CHAMBERS" CHAMBER CLASSIFICATION 45x76 DESIGNATION SS.
2. MC-3500 CHAMBERS SHALL BE DESIGNED IN ACCORDANCE WITH ASTM F2787 "STANDARD PRACTICE FOR STRUCTURAL DESIGN OF THERMOPLASTIC CORRUGATED WALL STORMWATER COLLECTION CHAMBERS".
3. THE SITE DESIGN ENGINEER IS RESPONSIBLE FOR ASSESSING THE BEARING RESISTANCE (ALLOWABLE BEARING CAPACITY) OF THE SUBGRADE SOILS AND THE DEPTH OF FOUNDATION STONE WITH CONSIDERATION FOR THE RANGE OF EXPECTED SOIL MOISTURE CONDITIONS. REFERENCE STORMTECH DESIGN MANUAL FOR BEARING CAPACITY GUIDANCE.
4. PERIMETER STONE MUST BE EXTENDED HORIZONTALLY TO THE EXCAVATION WALL FOR BOTH VERTICAL AND SLOPED EXCAVATION WALLS.
5. REQUIREMENTS FOR HANDLING AND INSTALLATION:
   - TO MAINTAIN THE WIDTH OF CHAMBERS DURING SHIPPING AND HANDLING, CHAMBERS SHALL HAVE INTEGRAL, INTERLOCKING STACKING LUGS.
   - TO ENSURE A SECURE JOINT DURING INSTALLATION AND BACKFILL, THE HEIGHT OF THE CHAMBER JOINT SHALL NOT BE LESS THAN 3".
   - TO ENSURE THE INTEGRITY OF THE ARCH SHAPE DURING INSTALLATION, a) THE ARCH STIFFNESS CONSTANT AS DEFINED IN SECTION 6.2.8 OF ASTM F2418 SHALL BE GREATER THAN OR EQUAL TO 500 LBS/FT/%. AND b) TO RESIST CHAMBER DEFORMATION DURING INSTALLATION AT ELEVATED TEMPERATURES (ABOVE 73° F / 23° C), CHAMBERS SHALL BE PRODUCED FROM REFLECTIVE GOLD OR YELLOW COLORS.

MC-3500 ISOLATOR ROW PLUS DETAIL
NTS

INSPECTION & MAINTENANCE

STEP 1) INSPECT ISOLATOR ROW PLUS FOR SEDIMENT
- A. INSPECTION PORTS (IF PRESENT)
  - A.1. REMOVE/OPEN LID ON NYLOPLAST INLINE DRAIN
  - A.2. REMOVE AND CLEAN FLEXSTORM FILTER IF INSTALLED
  - A.3. USING A FLASHLIGHT AND STADIA ROD, MEASURE DEPTH OF SEDIMENT AND RECORD ON MAINTENANCE LOG
  - A.4. LOWER A CAMERA INTO ISOLATOR ROW PLUS FOR VISUAL INSPECTION OF SEDIMENT LEVELS (OPTIONAL)
  - A.5. IF SEDIMENT IS AT, OR ABOVE, 3" (80 mm) PROCEED TO STEP 2. IF NOT, PROCEED TO STEP 3.
- B. ALL ISOLATOR PLUS ROWS
  - B.1. REMOVE COVER FROM STRUCTURE AT UPSTREAM END OF ISOLATOR ROW PLUS
  - B.2. USING A FLASHLIGHT, INSPECT DOWN THE ISOLATOR ROW PLUS THROUGH OUTLET PIPE
    - i) MIRRORS ON POLES OR CAMERAS MAY BE USED TO AVOID A CONFINED SPACE ENTRY
    - ii) FOLLOW OSHA REGULATIONS FOR CONFINED SPACE ENTRY IF ENTERING MANHOLE
  - B.3. IF SEDIMENT IS AT, OR ABOVE, 3" (80 mm) PROCEED TO STEP 2. IF NOT, PROCEED TO STEP 3.

STEP 2) CLEAN OUT ISOLATOR ROW PLUS USING THE JETVAC PROCESS
- A. A FIXED CULVERT CLEANING NOZZLE WITH REAR FACING SPREAD OF 45" (1.1 m) OR MORE IS PREFERRED
- B. APPLY MULTIPLE PASSES OF JETVAC UNTIL BACKFLUSH WATER IS CLEAN
- C. VACUUM STRUCTURE SUMP AS REQUIRED

STEP 3) REPLACE ALL COVERS, GRATES, FILTERS, AND LIDS; RECORD OBSERVATIONS AND ACTIONS.

STEP 4) INSPECT AND CLEAN BASINS AND MANHOLES UPSTREAM OF THE STORMTECH SYSTEM.

NOTES

1. INSPECT EVERY 6 MONTHS DURING THE FIRST YEAR OF OPERATION. ADJUST THE INSPECTION INTERVAL BASED ON PREVIOUS OBSERVATIONS OF SEDIMENT ACCUMULATION AND HIGH WATER ELEVATIONS.

2. CONDUCT JETTING AND VACTORING ANNUALLY OR WHEN INSPECTION SHOWS THAT MAINTENANCE IS NECESSARY.

CITY OF DESTIN, FLORIDA

REQUEST FOR BIDS
RFB 25-07-CM

CROSSTOWN CONNECTOR CONSTRUCTION PHASE 1

City of Destin, Florida
May 7, 2025

Larry Jones, City Manager
Phone (850) 837-4242
4200 Indian Bayou Trail
Destin, Florida 32541

CITY OF DESTIN, FLORIDA

The City of Destin, Florida, is currently receiving sealed competitive Bids for the installation of an underground stormwater retention system (ADS Chambers), stormwater pipe, drainage structures, and sod. Work includes all necessary materials, site work, and foundation preparation required for the placement of the stormwater system, pipes, and structures.

This RFB is considered to be Phase 1 of the Destin Crosstown Connector. The City intends to construct the Crosstown Connector project in 2 phases due to timing of availability of construction funding. When completed, the Crosstown Connector will be a new 0.42-mile two-lane east-to-west roadway corridor that will provide an alternative route to US 98 for local traffic. The new roadway corridor will connect Azalea Drive at the Benning Drive intersection to Legion Drive at the Beach Drive intersection. Phase 2 will construct the remainder of the project and will be advertised as a separate RFB.

To bid on this project you must be placed on the Plan Holders List. In order to be on the Plan Holder's list, you must first request and obtain the Bid documents (containing the full specifications and requirements) by emailing the City Clerk's Office at cityclerk@cityofdestin.com. Please include "RFB NO. 25-07-CM, CROSSTOWN CONNECTOR CONSTRUCTION PHASE 1" in the subject line of the email. The bid documents can also be obtained from the City Clerk's Office at the City of Destin, 4200 Indian Bayou Trail, Destin, Florida 32541.

Proposal submissions must be received by the City Clerk's Office at the City of Destin, 4200 Indian Bayou Trail, Destin, Florida 32541, in a sealed envelope clearly marked **"RFB NO. 25-07-CM, CROSSTOWN CONNECTOR CONSTRUCTION PHASE 1", along with the name, return address and telephone number of the submitter, no later than 1:00 p.m. CT, on June 9, 2025** at which time they will be opened. When deemed to be in the City's best interest:

1. The city reserves the right to reject any and all submittals or portions thereof up through and including formal execution of a contract to the successful bid,
2. to waive minor defects and informalities in the process.
3. to accept the Bid(s).
4. Take any other action.

Larry Jones
City Manager

REQUEST FOR PROPOSALS
RFB NO. 25-07-CM
CROSSTOWN CONNECTOR CONSTRUCTION PHASE 1

INTRODUCTION

The City of Destin is issuing a Request for Bids (RFB) to secure proposals from qualified contractors for underground stormwater retention system (ADS Chambers), stormwater pipe, and drainage structures. Work includes all necessary materials, site work, and foundation preparation required for the placement of the stormwater system, pipes, and structures.

This RFB is considered to be Phase 1 of the Destin Crosstown Connector. The City intends to construct the Crosstown Connector project in 2 phases due to timing of availability of construction funding. When completed, the Crosstown Connector will be a new 0.42-mile two-lane east-to-west roadway corridor that will provide an alternative route to US 98 for local traffic. The new roadway corridor will connect Azalea Drive at the Benning Drive intersection to Legion Drive at the Beach Drive intersection. Phase 2 will construct the remainder of the project and will be advertised as a separate RFB.

It is the bidder's responsibility to read and understand the requirements of this REQUEST FOR BIDS. Bidders are required to state exactly what they intend to furnish the City of Destin via this solicitation in order to be deemed responsive and must indicate any variances to the terms, conditions and specifications of this proposal, no matter how slight. If variations are not stated in the proposal, it shall be construed that the proposal fully complies with all conditions identified in this proposal.

Before submitting a proposal, each bidder will, at bidder's own expenses, make or obtain any additional examinations, investigations and studies, and obtain any additional information and data that may affect costs, permitting, progress, performance of furnishing of the project and that the bidder's deems necessary to determine its proposal.

Bidders will examine all documents included in this RFB carefully and shall make a written request to the City's authorized representative (cityclerk@cityofdestin.com) for information, interpretation or correction of any ambiguity, inconsistency, or error herein.

Any interpretation or correction will be issued by the City as an addendum to the RFB. Only a written interpretation or correction by addendum shall be binding. Bidders are cautioned against relying upon any interpretation or correction given by any other method.

The submission of a proposal shall not be deemed an agreement between the bidder and the City. The proposal is a contractual offer by the bidder to perform services in accordance with the proposal. The City shall not be obligated to respond to any proposal submitted nor be bound in any manner by the submission of a proposal.

1.0 INSTRUCTION TO RESPONDENTS

A. The City of Destin will accept RFB responses until June 9, 2025, no later than 1:00 p.m. (CT) at City Clerk's Office located at City Hall, 4200 Indian Bayou Trail Destin FL. 32541, to provide the City with Qualified Respondents for RFB NO. 25-07-CM, CROSSTOWN CONNECTOR CONSTRUCTION PHASE 1.

B. Any responses received after the above stated time and date will NOT be considered. It shall be the sole responsibility of the bidder to have their RFB submittal delivered to City Clerk's Office for receipt on or before the above stated time and date. RFB responses which arrive after the above stated deadline as a result of delay by the mail service shall not be considered, and arrangements shall be made for their return at the bidder's request and expense. The City reserves the right to consider submittals that have been determined by the City to be received late due solely to mishandling by the City after receipt of the RFB and prior to the award being made.

C. All responses will be publicly opened and recorded for acknowledgement of receipt in the City Hall Boardroom on **June 9, 2025, 1:00 p.m. (CT)**. All bidders or their representatives are invited to be present. The City Hall Boardroom is located at 4200 Indian Bayou Trail Destin, FL 32541.

D. Any addendum(s) issued to this RFB, will be provided to Plan Holders. It shall be the responsibility of each Plan Holder or respondent, prior to submitting the RFB response, to contact the City Clerk's Office, at (850) 837-4242 to determine if any addendum(s) were issued and to complete any addendum acknowledgements as part of their RFB response.

E. One (1) printed original and one (1) digital copy (.pdf format, matching the original printed copy) on a USB Thumb Drive of the RFB responses shall be submitted in a sealed package clearly marked on the outside " RFB NO. 25-07-CM, CROSSTOWN CONNECTOR CONSTRUCTION PHASE 1 " and addressed: City of Destin, City Clerk's Office, 4200 Indian Bayou Trail, Destin, FL 32541.

F. Complete and submit Bidder Qualification Statement Form herein as an attachment (*include attachment letter*).

G. Submissions shall be portrait orientation, "8 1/2 X 11" where practical and double-sided.

H. All expenses for making RFB submittals to the city are to be borne by the bidder.

I. Responses shall be evaluated based on all information submitted and a ranked list and recommended bidders will be submitted to the City Council for consideration. Bidders may be required to provide a brief presentation at a City Council meeting.

J. Each bidder, by submission of a proposal, acknowledges that in the event of any legal action challenging the award of the RFB; damages, if any, shall be limited to the actual cost of the preparation of the RFB.

K. Procurement Schedule

Tasks	Date
RFB issued	May 7, 2025
Mandatory Pre-Bid Meeting	May 21, at City Hall
Last day for questions to be submitted	May 23, 2025
Due Date/Bid Opening	June 9, 2025 at 1:00 CT
Tentative Date - Evaluation of Proposals	June 10, 2025
Tentative Date – City Council Meeting	June 16, 2025
Tentative Date- Execution of Contract	July 7, 2025
Tentative Date- Notice to Proceed	July 8, 2025

There will be a Mandatory Pre-Bid Meeting at City Hall, 4200 Indian Bayou Trail, Destin, FL 32541 May 21, 2025 at 10:00 am.

2.0 GENERAL CONDITIONS

2.1 Project Description

Details of the proposed work are provided in the engineering drawings and specifications, (see technical attachments including all addendums). All work shall be completed as shown in the construction documents. Each bidder shall thoroughly examine the work area and be familiar with the bid documents. The failure or neglect of a bidder to receive or examine any bid document or any part thereof shall in no way relieve it from any obligations with respect to its Bid or to any contract. No claim for additional compensation shall be allowed, which is based upon a lack of knowledge of any contract document.

The general description of work shall include, but may not be limited to:

- Installation of MC-3500 Stormtech Chambers according to plans and Construction Guide.
- Installation of manhole structures S-304, S-416, ADS-B, and ADS-F
- Installation of Nyloplast Drainage Basins ADS-A, ADS-C, ADS-D, and ADS-E
- Installation of Stormwater pipes between manholes S-304, S-416, and the ADS Chambers
- Installation of 8' of stormwater pipe between S-503 (excluded) and the ADS Chambers (for future connection)
- Installation of sod

Project-Specific Conditions & Clarifications

- Prohibit unloading, loading, parking, or storing construction equipment or vehicles within the road ROW of any existing roadway. Adequate provisions for such activities shall be made on the project property.

- Contractor must comply with the standard protection measures for the Eastern Indigo Snake per USFWS. https://fdotwww.blob.core.windows.net/sitefinity/docs/default-source/environment/pubs/protected-species/standard-protection-measures-for-the-eastern-indigo-snake-2024.pdf?sfvrsn=93349df9_5
- Any sidewalk damaged during construction shall be replaced from joint to joint (4" thick minimum, 4000 psi with fiber, and a light broom finish). Where sidewalk cuts through a driveway, concrete shall be a minimum of 6" thick, per LDC Section 8.01.00.G.6.g.
- Ensure sidewalks meet ADA cross slope requirements of 2% total maximum.
- Any infrastructure damaged during construction, repair the right-of-way to original or better condition, per LDC Section 8.01.00.A.

The work items listed above are expected to include clearing and grubbing, grading to the proposed elevations with tie-in slopes shown, and sodding of the disturbed areas. Construction activities are not expected to directly impact traffic, however, maintenance of traffic and portable changeable message signs will be required for the ingress/egress of construction vehicles to the project site. Excess fill material excavated for underground stormwater retention system shall remain the property of the City and remain onsite within the limits of the right of way. Contractor is expected to follow the Stormwater Pollution Prevention Plan and provide erosion and sediment control measures as shown and as applicable to the phase 1 scope of work.

The Bidder is responsible for obtaining all necessary governmental agency permits. All permitting costs are to be included in the base offer including permit related signage.

2.2 Project Schedule

Contractor shall reach substantial completion for all work thirty (30) days prior to final completion. The time stated for completion shall include final cleanup of the premises. Extensions of contract time for delays caused by the effects of inclement weather are justified only when rain or other inclement weather conditions or related adverse soil conditions prevent the Contractor from productively performing controlling items of work resulting in:

The Contractor being unable to work at least 50% of the normal workday on predetermined controlling work items; or

The Contractor must make major repairs to work damaged by weather, providing the damage was not attributable to a failure to perform or neglect by the Contractor.

ESTIMATED PROJECT SCHEDULE	
Tasks	**Date**
Begin Construction	July 2025

Substantial completion date	30 Days Prior to Complete Construction
Complete Construction	December 31, 2025

3.0 CONTRACTOR REQUIREMENTS

City of Destin is seeking an independent Florida Licensed General Contractor (including all necessary independent subcontractors) with all applicable licenses for work on this project.

3.1 Independent Contractor

An Agreement resulting from this solicitation does not create an employee/employer relationship between the Parties. It is the intent of the Parties that the Bidder is an independent contractor under this Agreement and not the City's employee for any purposes, including but not limited to, the application of the Fair Labor Standards Act minimum wage and overtime payments, Federal Insurance Contribution Act, the Social Security Act, the Federal Unemployment Tax Act, the provisions of the Internal Revenue Code, the State Worker's Compensation Act, and the State Unemployment Insurance law. The Bidder shall retain sole and absolute discretion in the judgment of the manner and means of carrying out Bidder's activities and responsibilities hereunder provided, further that administrative procedures applicable to services rendered under any potential Agreement shall be those of Bidder, which policies of Bidder shall not conflict with City, State, or United States policies, rules or regulations relating to the use of Bidder's funds provided for herein. The Bidder agrees that it is a separate and independent enterprise from the City, that it had full opportunity to find other businesses, that it has made its own investment in its business, and that it will utilize a high level of skill necessary to perform the work. Any potential Agreement shall not be construed as creating any joint employment relationship between the Bidder and the City and the City will not be liable for any obligation incurred by Bidder, including but not limited to unpaid minimum wages and/or overtime premiums.

3.2 License Requirements

Provide all applicable contractor licenses: including license name, license numbers and contact information. Contractor must be Florida State Certified or Florida State Registered possessing an Okaloosa County Competency License https://myokaloosa.com/gm/licensing

Contractor must be registered with the City of Destin https://www.cityofdestin.com/DocumentCenter/View/15273/Contractor-Registration-Instructions

3.3 Insurance Requirements

Respondent, contractor and/or sub-contractors (used interchangeably) shall, at its expense, procure and maintain at a minimum for the duration of the project and through the period as stated in the Construction Contract, the types and amounts of insurance described below or as otherwise requirement by state and federal law:

a. Workers' Compensation and Employers Liability Insurance: Shall carry Workers' Compensation Insurance in accordance with the laws of the State of Florida and in the amounts sufficient to secure the benefits of the Florida Workmen's Compensation Law for all types of employees, including those of subcontractors. Any Florida State or County Licensed contractor who performs any type of marine construction work as defined in FAC 61G4015.033, must maintain applicable workers' and general liability insurance as required by state and federal law, including but not limited to the provisions of the Longshore and Harbor Workers' Compensation Act.

b. General Liability Insurance: General Liability Insurance with a minimum liability insurance requirement of $1,000,000 for combined single limit.

c. Respondent shall produce proof of insurance in the types and amounts required by the city, state, and federal regulations, including the foregoing and any additional coverages, including Automobile Liability and or Builder's Risk Insurance, as may be defined at the time of contract. The city shall be named as an additional insured party and all binders, policies or certificates of insurance shall include a provision that such insurance coverage shall not be cancelled or amended without at least thirty days' notice to the city. All coverage shall be with carriers doing business in the State of Florida. Carriers shall be A rated (or better) by AM Best Company. City reserves the right to modify its insurance requirements with 60 day notice.

3.4 Bonding Requirements

a. Bid Bond Security

All bidders shall furnish with their bids a bid bond. Said bid bond shall be issued by a surety duly authorized to conduct business in the State of Florida and shall be in the amount of five percent (5%) of the total amount of the bid. Bid security is submitted as a guarantee that the Bidder, if awarded the Contract, will promptly execute such Contract in accordance with the Bid and in the manner and form required as defined by the Contract Documents. The Bidder must be named as the principal of the bond. Surety companies executing bonds must appear on the Treasury Department's most current list (Circular 570 as amended) and be authorized to transact business in the State of Florida. See Article 5 of the General Conditions as amended by Supplementary Conditions.

b. Performance and Payment Bond

The bidder to whom the Contract is awarded shall furnish to the City, without extra compensation, and shall maintain in effect throughout the life of the Contract, and for the duration of the period described in the bond, acceptable Performance and Payment bonds in sums at least equal to 100% of the full amount of the Contract, conditioned to indemnify and save harmless the City from and against any loss, damage, or expense ensuing from failure on the part of the Contractor to faithfully and properly perform the Contract or to promptly pay all its subcontractors, suppliers, materialmen or laborers for work completed on the Project.

The required forms for the performance and payment bonds are included in these Instructions. If within ten (10) calendar days after the acceptance of the bid, the successful bidder shall refuse or neglect to execute the contract and to furnish the required performance and payment bonds properly signed by the bidder and the surety or sureties satisfactorily to the owner, the bidder shall be deemed to be in default and the owner will retain the Bid Bond Security as liquidated damages, but not as a penalty. The owner reserves the option to accept the bid of any of the other bidder within ten (10) calendar days from default, in which case such acceptance shall have the same effect on such bidder as though he were the original, successful bidder.

3.5 Permitting Requirements

Contractor is required to obtain all required permits prior to the start of construction.

a. City of Destin Building Permit: "Infrastructure/Utility/Stormwater"
b. Any and all other applicable and/or required federal, state, and local permits

3.6 Codes and Standards

All project work shall be done in accordance with all appliable Federal, State, and local codes and standards which include, Florida Building Codes, City Codes and Ordinances, Approved Development Order and Manufacturers Recommendations and Manufactures Signed Sealed Engineered installation instructions.

5.0 CONSTRUCTION CONSIDERATIONS

Project implementation for this scope of work under this RFB includes all labor, materials, equipment and services required for construction including any permitting, compliance with all federal, state and local codes and construction of the project. All construction shall be completed

as indicated in the construction documents. All work shall meet City standards and be performed to the satisfaction of the City Engineer, Building Official or his/her designee. All materials and equipment shall be subject to inspection by the City prior to incorporation into the final work.

5.1 Subcontractor(s)

Unless otherwise stated in the contract documents or the bidding requirements, the contractor, as soon as practicable after award of the contract, shall furnish in writing to the City the names of persons or entities, including those who are to furnish materials or equipment fabricated to a special design, proposed for each principal portion of the Work. The City will promptly inform the bidder in writing whether it has reasonable objection to any such proposed person or entity. The City may consider the use of any subcontractor when evaluating whether a bidder can perform the contract or provide the service promptly, or within the time specified, without delay or interference.

5.2 Notice to Proceed

The City shall issue a signed Purchase Order and official Notice to Proceed for the services referenced in this RFB and resulting contract. The Notice to Proceed shall be sent via email. Under no circumstances shall the City be liable for any services rendered unless the written Notice to Proceed has been sent and received by the Contractor(s). The Contractor(s) must acknowledge receipt of the written Notice to Proceed.

The services shall commence upon written Notice to Proceed from the City, and the project shall be completed in accordance with the project schedule.

5.3 Changes in Scope of Work

a. "Change Order" shall be defined as a written instrument prepared by and signed by the City Manager and Bidder, stating the specific agreement upon all of the following: the change in the scope of work, including additional or extra work, the amount of the adjustment, if any, to the contract price, and the adjustment, if any, to the contract completion time. The City Manager's authority to authorize Change Orders is constrained by the City's Purchasing Policy and Manual.
b. No claim for additional or extra work will be considered or paid by the City unless a request for a Change Order is first submitted in writing by the Bidder and authorized by the City as a Change Order.
c. All change orders shall be considered a written addendum to the Contract.

5.4 Site Preparation (as applicable)

a. Public Infrastructure and Accesses: Contractor will be responsible for any damages to publicly owned infrastructure to include sidewalks, curb and gutter, storm sewer inlets/grates, manholes, pipes, etc. Repair or replacement of these items will adhere to Florida Department of Transportation (FDOT), City of Destin, and Destin Water Users standards as applicable.

b. Hours of Operation: Contractor will limit times of activity to 6am to 6pm Monday through Sunday, in accordance with the City's Noise Ordinance. No construction activity shall take place on federally recognized Holidays. City of Destin reserves the right to direct the contractor as to specific days when work will be allowed.

c. Staging Area: Prepare a designated staging area for all construction materials and equipment associated with the construction work that is not accessible to the public, with a location agreed upon by the Parks and Recreation Director.

5.5 Schedule for Delivery of Materials

The successful respondent shall be responsible for receiving all materials delivered.

5.6 Waste Disposal

Contractor shall be responsible for disposal of all waste and debris.

5.7 Site Utilities

All site utilities (Electrical, Potable Water, Wastewater, and Storm Drainage/Stormwater) shall be maintained during the construction.

5.8 Material Data

a. United States-Produced Iron and Steel (s. 255.0993, Fla. Stat.) - Any iron or steel product permanently incorporated into the project must be produced in the United States

5.9 Construction Administration & Management

a. Identify a Construction/ Quality Assurance Supervisor. Providing their name(s), qualifications including a minimum of five (5) years of experience on similar scope and magnitude projects.

b. Construction/Quality Assurance Supervisor to provide construction coordination and is responsible for communicating with the City of Destin's Project Liaison, other contractors (as applicable); provides directives to sub-contractors and attends scheduled construction meetings on site, and review of all project billing.

- If named individual is replaced during construction period, replacement will require approval of same or greater credentials and experience level initially proposed prior to replacements' start of work.
- Named individual is to provide input to reports and meeting minutes with City of Destin, and other contractors.
- Responsible for quality control of project and addressing areas that may affect the quality of the project's final product and identify inspection procedures to ensure poor quality issues do not occur.
- Construction and Quality Assurance Supervisor shall be responsible for overall project construction quality control, inspection/field condition reports, weekly progress reports, project photographs, project schedule coordination, inspection scheduling, and schedule and attend biweekly construction progress meetings with City and other designees

5.10 Warranty Submittal Requirements

a. For all major pieces of equipment, submit a warranty from the equipment manufacturer. The manufacturer's warranty period shall be concurrent with the Contractor's for one (1) year, unless otherwise specified, commencing at the time of final acceptance by the Owner.

b. The City reserves the right to request warranties for equipment not classified as major. The Contractor shall still warrant equipment not considered to be "major" in the Contractor's one-year warranty period even though certificates of warranty may not be required.

c. In the event that the equipment manufacturer or supplier is unwilling to provide a one (1) year warranty commencing at the start of the Correction Period, the Contractor shall obtain from the manufacturer a two (2) year warranty commencing at the time of equipment delivery to the job site. This two (2) year warranty from the manufacturer shall not relieve the Contractor of the one (1) year warranty.

d. The City shall incur no labor or equipment cost during the guarantee period.

e. Guarantee shall cover all necessary labor, equipment and replacement parts resulting from faulty or inadequate equipment design, improper assembly or erection, defective workmanship and materials, leakage, breakage or other failure of all equipment and components furnished by the manufacturer.

6.0 EVALUATION OF RESPONSES

6.1 Selection Process

In general, the City will conduct the selection process in accordance with this Section and all applicable City purchasing policies and procedures.

6.2 Scoring

The criteria to determine the lowest, best responsive, and responsible bidder, is listed numerically below by their relative order of importance.

EVALUATION CRITERIA	Max POINTS
Price Proposal (1-5 points) x2	10
Qualifications/Experience (1-5 points)	5
Project Approach (1-5 points)	5
Past Performance (1-5 points)	5
TOTAL	**25**

Scoring Guidance
5 points: Meets the requirement 100%.
4 points: Some minor gaps but substantially meet the requirements.
3 points: More moderate gaps and does not meet the requirements.
2 points: Only partially meets the requirements.
1 point: Does not meet the requirements at all.

6.3 Criteria Descriptions

a. Price Proposal
- Costs will be evaluated based on the items outlined in the scope of work and price proposal submission requirements.
- Are costs reasonable compared to the work performed? Are assumptions used in developing costs reasonable?
- Did bidder provide all the requested cost information?
- How competitive is the price proposal compared to the others received?

b. Qualifications and Experience
- Does the contractor have the experience necessary to carry out the specific work for this project? Does the contractor have experience with similar projects?
- Does the background and qualifications of individual key team members provide proven technical, operational, and managerial experience needed to handle the proposed project? Are the company structure and the relation of the project team clearly shown?

- Do financial qualifications clearly demonstrate financial stability of the company?

c. Project Approach and Performance Differentiators
   - Does the submittal include detailed information that demonstrates the bidder's understanding of the scope of work and how they intend to meet the objectives of the project?
   - Does submittal demonstrate the firm's ability to manage existing budgets and implement cost controls throughout a project?
   - Has bidder demonstrated knowledge of local site conditions and applicable requirements? Does submittal contain approach to receiving permitting and maintaining the original construction scheduled as provided for in the scope of work?
   - Is project approach specific, describing the means and methods of accomplishing the work. Does it identify any key issues on the project and/or propose some potential solutions?
   - Is contractors schedule and availability practical and meet project requirements?

d. Past Performance
   - Do past performance evaluations and/or past performance information provided reflect a trend of satisfactory performance?
   - Basis of evaluation:
   - A pattern of successful completion of work
   - A pattern of work identical to, similar to, or related to the work the project requires.
   - Ability shown, through workmanship provided on other projects.
   - Did the bidder provide references, did they demonstrate the company's quality of work?

7.0 SUBMITTAL REQUIREMENTS

7.1 No Contact Clause

All prospective bidders are hereby instructed to not contact any member of the Destin City Council, City Manager, or City of Destin staff member other than the authorized city contact person identified below regarding this solicitation or the bidder's submittal package. In order to ensure a fair, competitive, and open process, once a project is advertised all communication between interested bidder and the City must be directed to:

City Clerk
City of Destin
4200 Indian Bayou Trail
Destin, Florida 32541
850-837-4242
cityclerk@cityofdestin.com
Office Hours: Monday- Friday, 8:00 A.M. TO 5:00 P.M. CT

Any such contact to anyone but the Clerk may be cause for rejection of your submittal.

7.2 Addenda

Submitter acknowledges that it is the submitter's responsibility to determine whether an Addendum has been issued; and if so, to obtain copies of such Addendum from the City Clerk of Destin and agrees to be bound by all addenda that have been issued for this REQUEST FOR BIDS. If addendum is issued, bidder shall sign and return each addendum with the submittal package. Failure to return signed any and all addenda may disqualify the submittal.

7.3 Inquiries

The City will not respond to oral inquiries. Proposers may submit only e-mailed inquiries regarding this RFB. The City will respond to written e-mailed inquiries received by May 16, 2025. Questions or requests for Bid documents, plans and specifications regarding this RFB may be directed to the City Clerk, 4200 Indian Bayou Trail 32541 (850) 837-4242 cityclerk@cityofdestin.com.

7.4 Submittal Preparation

Submittals should be prepared in the following order:

a. Coversheet: provide a submittal cover sheet that includes RFB NO. 25-07-CM, CROSSTOWN CONNECTOR CONSTRUCTION PHASE 1, bid opening date and bidder contact information.
b. Table of Contents: provide Table of Contents to aid the evaluation of the qualifications

c. Transmittal Letter: provide a signed letter of transmittal that demonstrates the bidder's:
   - commitment to perform the work,
   - understanding of the work to be done, including approach, notional schedule, assumptions, contingencies, and mitigating factors
   - delineating features that articulate why it is the best qualified firm to perform the work (e.g. bidder's qualifications, competence, and capacity for the construction proposed in this RFB),

d. Completed Forms [Reference RFB Attachments]
   - Attachment NO. 1 - Bidder Qualification Statement
   - Attachment NO. 2 - Public Entity Crime Form
   - Attachment NO. 3 - Drug Free Workplace Certification Form
   - Attachment NO. 4 - Bid Bond Form
   - Attachment NO. 5 - Anti-Human Trafficking Affidavit
   - Attachment NO. 6 - Anti-Collusion Statement

e. Proof of Insurance: provide proof of insurance meeting minimum insurance requirements as outlined in section 4.3 Insurance Requirements.
f. Addendums (if applicable)
g. Price Proposal Sheet
h. W-9
i. Copies of Proposal
j. Proof of licensing and certifications: provide proof of licensing and certifications meeting minimum requirements as outlined in section 4.2 License Requirements.
k. Florida Product Approval Certifications

Failure to provide any of the above listed mandatory information shall result in the elimination of the submittal package from consideration.

7.5 Price Proposal Sheet

The 'Total Base Bid' and 'Total Alternative Bid Items' amounts, as respectively submitted by the bidder in the Price Proposal Sheet, shall include the cost of all work and all costs incidentals thereto, to accomplish the scope identified in this RFB and supporting Exhibits.

7.6 Conflict of Interest Disclosure

Each proposal is subject to the provisions of Florida Statutes, Chapter 112, providing that all bidders must disclose with the RFB submittal the name of any officer, director, or agent who is also a public officer or an employee of the City of Destin. Further, all bidders must disclose the name of any City officer or employee who owns, directly or indirectly, an interest of five percent or more in the Bidding firm.

7.7 Drug Free Workplace Program

Complete the form provided.

7.8 Public Entity Crime Form

Each submittal shall contain a completed Public Entity Crime Form pursuant to Florida Statutes, Section 287.132-133, providing that no public entity shall accept any proposal from or award any contract to, or transact any business in excess of the threshold amount for Category Two ($25,000) for a period of thirty-six months from the date placed on the convicted vendor list.

7.9 Anti-Human Trafficking Affidavit

All nongovernmental entities that are or potentially will be contracting, renewing or extending contracts with the City of Destin must have an officer or representative fully execute this affidavit. Note, this is a mandatory requirement of s 787.06(13), Florida Statutes effective July 1, 2024.

7.10 Sealed Submittal Packages

All proposals to be considered must be in the possession of the Destin City Clerk no later than **June 9, 2025, 1:00 p.m. (CDT)**. Submittals may be mailed or delivered to the Office of the City Clerk at the address below and shall be submitted in a sealed envelope clearly marked **"RFB NO. 25-07-CM, CROSSTOWN CONNECTOR CONSTRUCTION PHASE 1"** and note the time and date of the opening. Regardless of method of delivery, each bidder shall be responsible for their Bid being delivered on time, as the City of Destin assumes no responsibility for same. Proposals offered or received after the time set for the Bid Opening will be rejected and returned unopened to the submitter.

Mailing and Hand Delivery Address:

City Clerk
City of Destin
4200 Indian Bayou Trail
Destin, Florida 32541
850-837-4242
cityclerk@cityofdestin.com
Office Hours: Monday- Friday, 8:00 A.M. TO 5:00 P.M. CT

7.11 Bid Withdrawals

Bidders may withdraw a bid after it has been submitted any time before the scheduled time for opening the bids. To withdraw a Bid, contact in writing via email at cityclerk@cityofdestin.com.

7.12 Bid Opening

Proposals will be opened publicly and read aloud on **June 9, 2025, 1:00 p.m. (CT)** in the City Hall Board Room, 4200 Indian Bayou Trail, Destin, Florida.

7.13 Reservation of Rights

The City reserves the right to reject any and all proposals or portions thereof, to waive minor defects and informalities in the process, to re-advertise, to accept the proposal or award multiple proposals or take any other actions deemed by the City to be in the City's best interest.

7.14 Public Records

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT (850) 837-4242, CITY CLERK, 4200 INDIAN BAYOU TRAIL, DESTIN, FL.

The successful bidder shall:

a. Keep and maintain public records required by the CITY to perform the service.
b. Upon request from the City's custodian of public records, provide the CITY with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this FS Chapter 119 or as otherwise provided by law.
c. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the CONTRACTOR does not transfer the records to the public agency.

   Upon completion of the contract, transfer, at no cost, to the CITY all public records in possession of the contractor or keep and maintain public records required by the CITY agency to perform the service. If the CONTRACTOR transfers all public records to the CITY upon completion of the contract, the CONTRACTOR shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the CONTRACTOR keeps and maintains public records upon completion of the contract, the GROUP shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the CITY, upon request from the City's custodian of public records, in a format that is compatible with the information technology systems of the CITY.

CROSSTOWN CONNECTOR CONSTRUCTION PHASE 1
PROJECT

MAY 27, 2025

To All Potential Proposers:

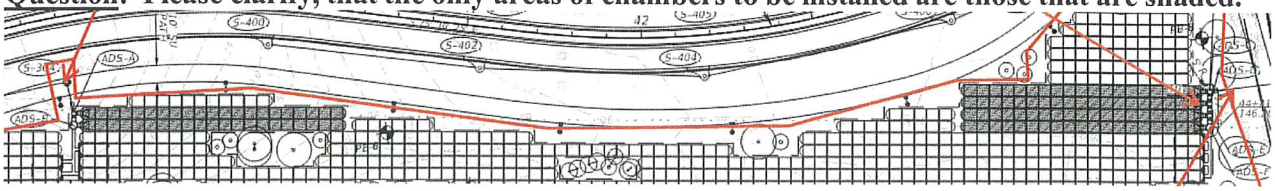
This addendum modifies the previously issued RFB and is hereby made a part of the proposal documents. Per the RFB, proposer shall acknowledge receipt of any and all addenda; and shall include this acknowledgement receipt in their submittal. Failure to do so may subject the proposer to disqualification.

The following items shall become a part of the proposal for the above referenced project.

The City received the following questions from a potential bidder with respect to the City's RFB NO. 25-07-CM. As per the City's standard practice, the City is furnishing the responses below to these questions.

Question: Is this [quantities shown in the price proposal sheet] all that is being done in PH 1?

Response: Yes.



Question: Will this project require Davis bacon, owner paid materials and what are the liquidated damages for this project?

Response: This project is not federally-funded therefore Davis Bacon does not apply. The project will not require owner-paid materials; contractor will furnish all materials. Liquidated Damages are set at $500 per day.

Question: What is the estimated construction budget?

Response: The estimated construction cost is $2,400,000.

Question: Please clarify, that the only areas of chambers to be installed are those that are shaded.

Response: No, all of the stormwater chambers will be constructed in phase 1. Revised ADS Chamber System plans are included with this Addendum.

Question: Please confirm that all excess material from the excavation of the pond and installation of the chambers, can be left onsite.

Response: Confirmed. As stated in Section 3.1, excess fill material excavated for underground stormwater retention system shall remain the property of the City and remain onsite within the limits of the right of way. No ponds are excavated in phase 1.

Question: Please confirm that the red lines on the pond cross sections are the proposed grades for this phase of work.

Response: Confirmed.

Question: Please confirm the only work associated with this phase of work is listed on page 52 of the plans.

Response: Section 3.1 of the RFB details the work included in phase 1. This work is primarily shown on pages 1-7 of the ADS Chamber System plans and page 52 of the Roadway plans. Other details of the work are included in the roadway plans, typically noted or boxed in red. Sodding the disturbed areas is included in phase 1 but not specifically shown on page 52.

Question: What is the anticipated schedule for advertising construction of phase 2.

Response: Phase 2 is dependent on the availability of FDOT funding and is anticipated to be advertised in Fall 2025.

Question: What is the estimated construction of phases 2?

Response: A separate cost estimate for phase 2 has not been completed. The Engineers estimate of construction costs of the total project (combined, no phasing of construction) was $11,802,514.27. This estimate was completed in October 2024.

DESTIN CROSS TOWN CONNECTOR

DESTIN, FL

SC-800 STORMTECH CHAMBER SPECIFICATIONS

1. CHAMBERS SHALL BE STORMTECH SC-800.
2. CHAMBERS SHALL BE ARCH-SHAPED AND SHALL BE MANUFACTURED FROM VIRGIN, IMPACT-MODIFIED POLYPROPYLENE COPOLYMERS.
3. CHAMBERS SHALL MEET THE REQUIREMENTS OF ASTM F2418, "STANDARD SPECIFICATION FOR POLYPROPYLENE (PP) CORRUGATED WALL STORMWATER COLLECTION CHAMBERS".
4. CHAMBER ROWS SHALL PROVIDE CONTINUOUS, UNOBSTRUCTED INTERNAL SPACE WITH NO INTERNAL SUPPORTS THAT WOULD IMPEDE FLOW OR LIMIT ACCESS FOR INSPECTION.
5. THE STRUCTURAL DESIGN OF THE CHAMBERS, THE STRUCTURAL BACKFILL, AND THE INSTALLATION REQUIREMENTS SHALL ENSURE THAT THE LOAD FACTORS SPECIFIED IN THE AASHTO LRFD BRIDGE DESIGN SPECIFICATIONS, SECTION 12.12, ARE MET FOR: 1) LONG-DURATION DEAD LOADS AND 2) SHORT-DURATION LIVE LOADS, BASED ON THE AASHTO DESIGN TRUCK WITH CONSIDERATION FOR IMPACT AND MULTIPLE VEHICLE PRESENCES.
6. CHAMBERS SHALL BE DESIGNED AND ALLOWABLE LOAD CONFIGURATIONS DETERMINED IN ACCORDANCE WITH ASTM F2787, "STANDARD PRACTICE FOR STRUCTURAL DESIGN OF THERMOPLASTIC CORRUGATED WALL STORMWATER COLLECTION CHAMBERS". LOAD CONFIGURATIONS SHALL INCLUDE: 1) INSTANTANEOUS (<1 MIN) AASHTO DESIGN TRUCK LIVE LOAD ON MINIMUM COVER 2) MAXIMUM PERMANENT (75-YR) COVER LOAD AND 3) ALLOWABLE COVER WITH PARKED (1-WEEK) AASHTO DESIGN TRUCK.
7. REQUIREMENTS FOR HANDLING AND INSTALLATION:
   - TO MAINTAIN THE WIDTH OF CHAMBERS DURING SHIPPING AND HANDLING, CHAMBERS SHALL HAVE INTEGRAL, INTERLOCKING STACKING LUGS.
   - TO ENSURE A SECURE JOINT DURING INSTALLATION AND BACKFILL, THE HEIGHT OF THE CHAMBER JOINT SHALL NOT BE LESS THAN 2".
   - TO ENSURE THE INTEGRITY OF THE ARCH SHAPE DURING INSTALLATION, a) THE ARCH STIFFNESS CONSTANT SHALL BE GREATER THAN OR EQUAL TO 750 LBS/FT/%. THE ASC IS DEFINED IN SECTION 6.2.8 OF ASTM F2418. AND b) TO RESIST CHAMBER DEFORMATION DURING INSTALLATION AT ELEVATED TEMPERATURES (ABOVE 73° F / 23° C), CHAMBERS SHALL BE PRODUCED FROM REFLECTIVE GOLD OR YELLOW COLORS.
8. ONLY CHAMBERS THAT ARE APPROVED BY THE SITE DESIGN ENGINEER WILL BE ALLOWED. UPON REQUEST BY THE SITE DESIGN ENGINEER OR OWNER, THE CHAMBER MANUFACTURER SHALL SUBMIT A STRUCTURAL EVALUATION FOR APPROVAL BEFORE DELIVERING CHAMBERS TO THE PROJECT SITE AS FOLLOWS:
   - THE STRUCTURAL EVALUATION SHALL BE SEALED BY A REGISTERED PROFESSIONAL ENGINEER.
   - THE STRUCTURAL EVALUATION SHALL DEMONSTRATE THAT THE SAFETY FACTORS ARE GREATER THAN OR EQUAL TO 1.95 FOR DEAD LOAD AND 1.75 FOR LIVE LOAD, THE MINIMUM REQUIRED BY ASTM F2787 AND BY SECTIONS 3 AND 12.12 OF THE AASHTO LRFD BRIDGE DESIGN SPECIFICATIONS FOR THERMOPLASTIC PIPE.
   - THE TEST DERIVED CREEP MODULUS AS SPECIFIED IN ASTM F2418 SHALL BE USED FOR PERMANENT DEAD LOAD DESIGN EXCEPT THAT IT SHALL BE THE 75-YEAR MODULUS USED FOR DESIGN.
9. CHAMBERS AND END CAPS SHALL BE PRODUCED AT AN ISO 9001 CERTIFIED MANUFACTURING FACILITY.
10. MANIFOLD SIZE TO BE DETERMINED BY SITE DESIGN ENGINEER. SEE TECHNICAL NOTE 6.32 FOR MANIFOLD SIZING GUIDANCE. DUE TO THE ADAPTATION OF THIS CHAMBER SYSTEM TO SPECIFIC SITE AND DESIGN CONSTRAINTS, IT MAY BE NECESSARY TO CUT AND COUPLE ADDITIONAL PIPE TO STANDARD MANIFOLD COMPONENTS IN THE FIELD.
11. ADS DOES NOT DESIGN OR PROVIDE MEMBRANE LINER SYSTEMS. TO MINIMIZE THE LEAKAGE POTENTIAL OF LINER SYSTEMS, THE MEMBRANE LINER SYSTEM SHOULD BE DESIGNED BY A KNOWLEDGEABLE GEOTEXTILE PROFESSIONAL AND INSTALLED BY A QUALIFIED CONTRACTOR.

IMPORTANT - NOTES FOR THE BIDDING AND INSTALLATION OF THE SC-800 SYSTEM

1. STORMTECH SC-800 CHAMBERS SHALL NOT BE INSTALLED UNTIL THE MANUFACTURER'S REPRESENTATIVE HAS COMPLETED A PRE-CONSTRUCTION MEETING WITH THE INSTALLERS.
2. STORMTECH SC-800 CHAMBERS SHALL BE INSTALLED IN ACCORDANCE WITH THE "STORMTECH SC-310/SC-740/SC-800/DC-780 CONSTRUCTION GUIDE".
3. CHAMBERS ARE NOT TO BE BACKFILLED WITH A DOZER OR AN EXCAVATOR SITUATED OVER THE CHAMBERS. STORMTECH RECOMMENDS 3 BACKFILL METHODS:
   - STONESHOOTER LOCATED OFF THE CHAMBER BED.
   - BACKFILL AS ROWS ARE BUILT USING AN EXCAVATOR ON THE FOUNDATION STONE OR SUBGRADE.
   - BACKFILL FROM OUTSIDE THE EXCAVATION USING A LONG BOOM HOE OR EXCAVATOR.
4. THE FOUNDATION STONE SHALL BE LEVELED AND COMPACTED PRIOR TO PLACING CHAMBERS.
5. JOINTS BETWEEN CHAMBERS SHALL BE PROPERLY SEATED PRIOR TO PLACING STONE.
6. MAINTAIN MINIMUM - 6" (150 mm) SPACING BETWEEN THE CHAMBER ROWS.
7. EMBEDMENT STONE SURROUNDING CHAMBERS MUST BE A CLEAN, CRUSHED, ANGULAR STONE OR RECYCLED CONCRETE; AASHTO M43 #3, 357, 4, 467, 5, 56, OR 57.
8. THE CONTRACTOR MUST REPORT ANY DISCREPANCIES WITH CHAMBER FOUNDATION MATERIALS BEARING CAPACITIES TO THE SITE DESIGN ENGINEER.
9. ADS RECOMMENDS THE USE OF "FLEXSTORM CATCH IT" INSERTS DURING CONSTRUCTION FOR ALL INLETS TO PROTECT THE SUBSURFACE STORMWATER MANAGEMENT SYSTEM FROM CONSTRUCTION SITE RUNOFF.

NOTES FOR CONSTRUCTION EQUIPMENT

1. STORMTECH SC-800 CHAMBERS SHALL BE INSTALLED IN ACCORDANCE WITH THE "STORMTECH SC-310/SC-740/SC-800/DC-780 CONSTRUCTION GUIDE".
2. THE USE OF CONSTRUCTION EQUIPMENT OVER SC-800 CHAMBERS IS LIMITED:
   - NO EQUIPMENT IS ALLOWED ON BARE CHAMBERS.
   - NO RUBBER TIRED LOADERS, DUMP TRUCKS, OR EXCAVATORS ARE ALLOWED UNTIL PROPER FILL DEPTHS ARE REACHED IN ACCORDANCE WITH THE "STORMTECH SC-310/SC-740/SC-800/DC-780 CONSTRUCTION GUIDE".
   - WEIGHT LIMITS FOR CONSTRUCTION EQUIPMENT CAN BE FOUND IN THE "STORMTECH SC-310/SC-740/SC-800/DC-780 CONSTRUCTION GUIDE".
3. FULL 36" (900 mm) OF STABILIZED COVER MATERIALS OVER THE CHAMBERS IS REQUIRED FOR DUMP TRUCK TRAVEL OR DUMPING.

USE OF A DOZER TO PUSH EMBEDMENT STONE BETWEEN THE ROWS OF CHAMBERS MAY CAUSE DAMAGE TO THE CHAMBERS AND IS NOT AN ACCEPTABLE BACKFILL METHOD. ANY CHAMBERS DAMAGED BY THE "DUMP AND PUSH" METHOD ARE NOT COVERED UNDER THE STORMTECH STANDARD WARRANTY.

CONTACT STORMTECH AT 1-800-821-6710 WITH ANY QUESTIONS ON INSTALLATION REQUIREMENTS OR WEIGHT LIMITS FOR CONSTRUCTION EQUIPMENT.

ACCEPTABLE FILL MATERIALS: STORMTECH MC-3500 CHAMBER SYSTEMS

MATERIAL LOCATION		DESCRIPTION	AASHTO MATERIAL CLASSIFICATIONS	COMPACTION / DENSITY REQUIREMENT
D	**FINAL FILL:** FILL MATERIAL FOR LAYER 'D' STARTS FROM THE TOP OF THE 'C' LAYER TO THE BOTTOM OF FLEXIBLE PAVEMENT OR UNPAVED FINISHED GRADE ABOVE. NOTE THAT PAVEMENT SUBBASE MAY BE PART OF THE 'D' LAYER	ANY SOIL/ROCK MATERIALS, NATIVE SOILS, OR PER ENGINEER'S PLANS. CHECK PLANS FOR PAVEMENT SUBGRADE REQUIREMENTS.	N/A	PREPARE PER SITE DESIGN ENGINEER'S PLANS. PAVED INSTALLATIONS MAY HAVE STRINGENT MATERIAL AND PREPARATION REQUIREMENTS.
C	**INITIAL FILL:** FILL MATERIAL FOR LAYER 'C' STARTS FROM THE TOP OF THE EMBEDMENT STONE ('B' LAYER) TO 18" (450 mm) ABOVE THE TOP OF THE CHAMBER. NOTE THAT PAVEMENT SUBBASE MAY BE A PART OF THE 'C' LAYER.	GRANULAR WELL-GRADED SOIL/AGGREGATE MIXTURES, <35% FINES OR PROCESSED AGGREGATE. MOST PAVEMENT SUBBASE MATERIALS CAN BE USED IN LIEU OF THIS LAYER.	AASHTO M145[1] A-1, A-2-4, A-3 OR AASHTO M43[1] 3, 357, 4, 467, 5, 56, 57, 6, 67, 68, 7, 78, 8, 89, 9, 10	BEGIN COMPACTIONS AFTER 18" (450 mm) OF MATERIAL OVER THE CHAMBERS IS REACHED. COMPACT ADDITIONAL LAYERS IN 12" (300 mm) MAX LIFTS TO A MIN. 95% PROCTOR DENSITY FOR WELL GRADED MATERIAL AND 95% RELATIVE DENSITY FOR PROCESSED AGGREGATE MATERIALS.
B	**EMBEDMENT STONE:** FILL SURROUNDING THE CHAMBERS FROM THE FOUNDATION STONE ('A' LAYER) TO THE 'C' LAYER ABOVE.	CLEAN, CRUSHED, ANGULAR STONE OR RECYCLED CONCRETE[5]	AASHTO M43[1] 3, 357, 4, 467, 5, 56, 57	NO COMPACTION REQUIRED
A	**FOUNDATION STONE:** FILL BELOW CHAMBERS FROM THE SUBGRADE UP TO THE FOOT (BOTTOM) OF THE CHAMBER.	CLEAN, CRUSHED, ANGULAR STONE OR RECYCLED CONCRETE[5]	AASHTO M43[1] 3, 357, 4, 467, 5, 56, 57	PLATE COMPACT OR ROLL TO ACHIEVE A FLAT SURFACE.[2,3]

PLEASE NOTE:
1. THE LISTED AASHTO DESIGNATIONS ARE FOR GRADATIONS ONLY. THE STONE MUST ALSO BE CLEAN, CRUSHED, ANGULAR. FOR EXAMPLE, A SPECIFICATION FOR #4 STONE WOULD STATE: "CLEAN, CRUSHED, ANGULAR NO. 4 (AASHTO M43) STONE".
2. STORMTECH COMPACTION REQUIREMENTS ARE MET FOR 'A' LOCATION MATERIALS WHEN PLACED AND COMPACTED IN 9" (230 mm) (MAX) LIFTS USING TWO FULL COVERAGES WITH A VIBRATORY COMPACTOR.
3. WHERE INFILTRATION SURFACES MAY BE COMPROMISED BY COMPACTION, FOR STANDARD DESIGN LOAD CONDITIONS, A FLAT SURFACE MAY BE ACHIEVED BY RAKING OR DRAGGING WITHOUT COMPACTION EQUIPMENT. FOR SPECIAL LOAD DESIGNS, CONTACT STORMTECH FOR COMPACTION REQUIREMENTS.
4. ONCE LAYER 'C' IS PLACED, ANY SOIL/MATERIAL CAN BE PLACED IN LAYER 'D' UP TO THE FINISHED GRADE. MOST PAVEMENT SUBBASE SOILS CAN BE USED TO REPLACE THE MATERIAL REQUIREMENTS OF LAYER 'C' OR 'D' AT THE SITE DESIGN ENGINEER'S DISCRETION.
5. WHERE RECYCLED CONCRETE AGGREGATE IS USED IN LAYERS 'A' OR 'B' THE MATERIAL SHOULD ALSO MEET THE ACCEPTABILITY CRITERIA OUTLINED IN TECHNICAL NOTE 6.20 "RECYCLED CONCRETE STRUCTURAL BACKFILL".

NOTES:

1. CHAMBERS SHALL MEET THE REQUIREMENTS OF ASTM F2418, "STANDARD SPECIFICATION FOR POLYPROPYLENE (PP) CORRUGATED WALL STORMWATER COLLECTION CHAMBERS" CHAMBER CLASSIFICATION 45x76 DESIGNATION SS.
2. MC-3500 CHAMBERS SHALL BE DESIGNED IN ACCORDANCE WITH ASTM F2787 "STANDARD PRACTICE FOR STRUCTURAL DESIGN OF THERMOPLASTIC CORRUGATED WALL STORMWATER COLLECTION CHAMBERS".
3. THE SITE DESIGN ENGINEER IS RESPONSIBLE FOR ASSESSING THE BEARING RESISTANCE (ALLOWABLE BEARING CAPACITY) OF THE SUBGRADE SOILS AND THE DEPTH OF FOUNDATION STONE WITH CONSIDERATION FOR THE RANGE OF EXPECTED SOIL MOISTURE CONDITIONS. REFERENCE STORMTECH DESIGN MANUAL FOR BEARING CAPACITY GUIDANCE.
4. PERIMETER STONE MUST BE EXTENDED HORIZONTALLY TO THE EXCAVATION WALL FOR BOTH VERTICAL AND SLOPED EXCAVATION WALLS.
5. REQUIREMENTS FOR HANDLING AND INSTALLATION:
   - TO MAINTAIN THE WIDTH OF CHAMBERS DURING SHIPPING AND HANDLING, CHAMBERS SHALL HAVE INTEGRAL, INTERLOCKING STACKING LUGS.
   - TO ENSURE A SECURE JOINT DURING INSTALLATION AND BACKFILL, THE HEIGHT OF THE CHAMBER JOINT SHALL NOT BE LESS THAN 3".
   - TO ENSURE THE INTEGRITY OF THE ARCH SHAPE DURING INSTALLATION, a) THE ARCH STIFFNESS CONSTANT AS DEFINED IN SECTION 6.2.8 OF ASTM F2418 SHALL BE GREATER THAN OR EQUAL TO 500 LBS/FT/%. AND b) TO RESIST CHAMBER DEFORMATION DURING INSTALLATION AT ELEVATED TEMPERATURES (ABOVE 73° F / 23° C), CHAMBERS SHALL BE PRODUCED FROM REFLECTIVE GOLD OR YELLOW COLORS.

MC-3500 ISOLATOR ROW PLUS DETAIL
NTS

INSPECTION & MAINTENANCE

STEP 1) INSPECT ISOLATOR ROW PLUS FOR SEDIMENT
- A. INSPECTION PORTS (IF PRESENT)
  - A.1. REMOVE/OPEN LID ON NYLOPLAST INLINE DRAIN
  - A.2. REMOVE AND CLEAN FLEXSTORM FILTER IF INSTALLED
  - A.3. USING A FLASHLIGHT AND STADIA ROD, MEASURE DEPTH OF SEDIMENT AND RECORD ON MAINTENANCE LOG
  - A.4. LOWER A CAMERA INTO ISOLATOR ROW PLUS FOR VISUAL INSPECTION OF SEDIMENT LEVELS (OPTIONAL)
  - A.5. IF SEDIMENT IS AT, OR ABOVE, 3" (80 mm) PROCEED TO STEP 2. IF NOT, PROCEED TO STEP 3.
- B. ALL ISOLATOR PLUS ROWS
  - B.1. REMOVE COVER FROM STRUCTURE AT UPSTREAM END OF ISOLATOR ROW PLUS
  - B.2. USING A FLASHLIGHT, INSPECT DOWN THE ISOLATOR ROW PLUS THROUGH OUTLET PIPE
    - i) MIRRORS ON POLES OR CAMERAS MAY BE USED TO AVOID A CONFINED SPACE ENTRY
    - ii) FOLLOW OSHA REGULATIONS FOR CONFINED SPACE ENTRY IF ENTERING MANHOLE
  - B.3. IF SEDIMENT IS AT, OR ABOVE, 3" (80 mm) PROCEED TO STEP 2. IF NOT, PROCEED TO STEP 3.

STEP 2) CLEAN OUT ISOLATOR ROW PLUS USING THE JETVAC PROCESS
- A. A FIXED CULVERT CLEANING NOZZLE WITH REAR FACING SPREAD OF 45° (1.1 m) OR MORE IS PREFERRED
- B. APPLY MULTIPLE PASSES OF JETVAC UNTIL BACKFLUSH WATER IS CLEAN
- C. VACUUM STRUCTURE SUMP AS REQUIRED

STEP 3) REPLACE ALL COVERS, GRATES, FILTERS, AND LIDS; RECORD OBSERVATIONS AND ACTIONS.

STEP 4) INSPECT AND CLEAN BASINS AND MANHOLES UPSTREAM OF THE STORMTECH SYSTEM.

NOTES

1. INSPECT EVERY 6 MONTHS DURING THE FIRST YEAR OF OPERATION. ADJUST THE INSPECTION INTERVAL BASED ON PREVIOUS OBSERVATIONS OF SEDIMENT ACCUMULATION AND HIGH WATER ELEVATIONS.
2. CONDUCT JETTING AND VACTORING ANNUALLY OR WHEN INSPECTION SHOWS THAT MAINTENANCE IS NECESSARY.

Subject: Statement of Commitment and Capability – Crosstown Connector Storm Drain Installation

To Whom It May Concern,

On behalf of H&T Contractors, LLC, I would like to express our full understanding of the scope and importance of the storm drain installation associated with the Crosstown Connector project. We recognize that this is a critical component of a larger infrastructure initiative aimed at improving traffic flow, enhancing public safety, and preparing the city for long-term growth and resilience.

With over 20 years of experience in utility infrastructure and drainage systems across the Gulf Coast region, H&T Contractors has developed a strong reputation for quality work, reliability, and adherence to project timelines. Our team is fully equipped with technical knowledge, experienced personnel, and specialized equipment required for complex underground drainage installations, including those with significant environmental and logistical considerations like this one.

We are committed to working closely with the City of Destin, its engineering partners, and local stakeholders to ensure this project is carried out with the highest standards of safety, professionalism, and efficiency. Our management team takes a proactive approach to communication, problem-solving, and job site coordination, which helps keep projects on time and within budget—even under challenging conditions.

H&T Contractors understands the responsibility that comes with a project of this magnitude and visibility. We are not only prepared, but we are also eager—to contribute our expertise to a project that will serve the residents and visitors of Destin for years to come. It is our goal to build lasting partnerships with the city and community, grounded in trust, performance, and accountability.

Thank you for the opportunity to be considered. We are ready to mobilize and begin work in alignment with the city's project timeline and specifications.

Sincerely,

Tim Tindle
Chief Operating Officer
H&T Contractors, LLC

PUBLIC ENTITY CRIMES STATEMENT

SWORN STATEMENT UNDER SECTION 287.133 (3) (A)

FLORIDA STATUTES, ON PUBLIC ENTITY CRIMES

THIS FORM MUST BE SIGNED IN THE PRESENCE OF A NOTARY PUBLIC OR OTHER OFFICER AUTHORIZED TO ADMINISTER OATHS.

1. This sworn statement is submitted with Bid, Proposal or Contract RFB NO. 25-07-CM - Crosstown Connector Construction Phase 1

2. This sworn statement is submitted by John B. Irvin, IV whose business address is 376 Ben King Road, Freeport, FL 32439

and (if applicable) Federal Employer Identification Number (FEIN) is 26-2414585 (If the entity has no FEIN, include the Social Security Number of the individual signing this sworn statement:

3. My name is John B. Irvin, IV and my relationship to the entity named above is CFO

4. I understand that a "public entity crime" as defined in Paragraph 287.133(a)(g). Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or with the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or any agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

5. I understand that "convicted" or "conviction" as defined in paragraph 287.133(a)(b), Florida Statutes, means finding of guilt or a conviction of a public entity crime with or without an adjudication of guilt, in any federal or state trial court of records relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, non-jury trial, or entry of a plea of guilty or nolo contendere.

6. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), Florida Statutes, means:

1. A predecessor or successor of a person convicted of a public entity crime; or

2. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one of shares constituting a controlling income among persons when not for fair interest in another person, or a pooling of equipment or income among persons when not for fair market value under a length agreement, shall be a prima facie case that one person controls another person.

A person who was knowingly convicted of a public entity crime, in Florida during the preceding 36 months shall be considered an affiliate.

7. I understand that a "person" as defined in Paragraph 287.133(1)(e), Florida Statutes, means any natural person or entity organized under the laws of the state or of the United States with the legal power to enter into a binding contract for provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

8. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. (Please indicate which statement applies)

Yes Neither the entity submitting this sworn statement, nor any officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, nor affiliate of the entity have been charged with and convicted of a public entity crime subsequent to July 1, 1989.

No The entity submitting this sworn statement, or one or more of the officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. (please attach a copy of the final order)

No The person or affiliate was placed on the convicted vendor list. There has been a subsequent proceeding before a hearing officer of the State of Florida, Division of Administrative Hearings. The final order entered by the hearing officer determined that it was in public interest to remove the person or affiliate from the convicted vendor list. (please attach a copy of the final order)

No The person or affiliate has not been placed on the convicted vendor list. (Please describe any action taken by, or pending with, the Department of General Services.)

DRUG-FREE WORKPLACE CERTIFICATION

The below signed submitter certifies that it has implemented a drug-free workplace program. In order to have a drug-free workplace program, a business shall:

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.

2. Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling rehabilitation and employee assistance programs and the penalties that may be imposed upon employees for drug abuse violations.

3. Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in subsection 1.

4. In the statement specified in subsection 1., notify the employees that, as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo contendere to, any violation occurring in the workplace no later than five (5) working days after such conviction.

5. Impose a sanction on or require the satisfactory participation in drug abuse assistance or rehabilitation program if such is available in the employee's community, by any employee who is convicted.

6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

As the person authorized to sign this statement, I certify that this firm complies fully with the above drug-free workplace requirements.

BID BOND

BID BOND SECTION

KNOW ALL MEN BY THESE PRESENTS, that we, the undersigned, as H&T Contractors, L.L.C. Principal, and* as Surety, are hereby held and firmly bound unto the **City of Destin, Florida** as Owner in the sum of, (five percent (5%) of the Contract Bid) $2,382,818.50 for the payment of which, well and truly to be made, we hereby jointly and severally bind ourselves, successors and assigns to pay Owner upon default of Bidder the sum set forth on the face of this Bond.

Signed, this 2nd day of June, 20 25

The condition of the obligation is such that whereas the Principal has submitted to **City of Destin, Florida** a certain Bid, attached hereto and hereby made a part hereof, to enter into a contract in writing, for the **RFB NO. 25-07-CM, CROSSTOWN CONNECTOR CONSTRUCTION PHASE 1.**

NOW THEREFORE,

1. Default of the Bidder shall occur upon the failure of the Bidder to deliver within the time required by the Bidding Documents, the executed Agreement required by the Bidding Documents, and any performance and payment bonds required by the Bidding and Contract Documents.

2. This obligation shall be null and void if:
   - Owner accepts Bidder's bid, and Bidder delivers within the time required by the Bidding Documents (or any extension thereof agreed to in writing by Owner) the executed Agreement required by the Bidding Documents and any performance and payment bonds required by the Bidding Documents and Contract Documents, or
   - All bids are rejected by Owner, or
   - Owner fails to issue a notice of award to Bidder within the time specified in the Bidding Documents (or any extension thereof agreed to in writing by Bidder and, if applicable, consented to by Surety when required by paragraph 5 hereof) if any time is specified.

3. Payment under this Bond will be due and payable upon default of Bidder and within thirty (30) calendar days after receipt of Bidder and Surety of written notice of default from Owner which notice will be given with reasonable promptness, identifying this Bond and the Project and including a statement of the amount due.

4. Surety waives notice of any and all defenses based on or arising out of any time extension to issue notice of award agreed to in writing by Owner and Bidder, provided that the time for issuing notice of award including extensions shall not in the aggregate exceed one hundred twenty (120) days from Bid Due without Surety's written consent.

5. No suit or action shall be commenced under this Bond prior to thirty (30) calendar days after the notice of default required in paragraph 3 above is received by Bidder and Surety, and in no case later than one year after Bid Due Date.

6. Any suit or action under this Bond shall be commenced only in a state court of competent

*Merchants National Bonding, Inc.

jurisdiction located in the state in which the Project is located.

7. Notice required hereunder shall be in writing and sent to Bidder and Surety at their respective addresses shown on the face of this Bond. Such notices may be sent by personal delivery, commercial courier or by United States Registered or Certified Mail, return receipt requested, postage pre-paid, and shall be deemed to be effective upon receipt by the part concerned.

8. Surety shall cause to be attached to this Bond a current and effective Power of Attorney evidencing the authority of the officer, agent or representative who executed this Bond on behalf of Surety to execute, seal and deliver such Bond and bind the Surety thereby.

9. This Bond is intended to conform to all applicable statutory requirements. Any applicable requirement of any applicable statute that has been omitted from this Bond shall be deemed to be included herein as if set forth at length. If any provision of the Bond conflicts with any applicable provision of any applicable statute, then the provision of said statute shall govern and the remainder of the Bond that is not in conflict therewith shall continue in full force and effect.

10. The term 'bid" as used herein includes a bid, offer or proposal as applicable.

IN WITNESS WHEREOF, the Principal and the Surety have hereunto set their hands and seals, and such of them as are corporations have caused their corporate seals to be hereto affixed and these presents to be signed by their proper officers, the day and year first set forth above.

MERCHANTS BONDING COMPANY™

POWER OF ATTORNEY

Know All Persons By These Presents, that MERCHANTS BONDING COMPANY (MUTUAL) and MERCHANTS NATIONAL BONDING, INC., both being corporations of the State of Iowa, d/b/a Merchants National Indemnity Company (in California only) (herein collectively called the "Companies") do hereby make, constitute and appoint, individually,

Alisa B Ferris; Anna Childress; Jeffrey M Wilson; Mark W Edwards II; R E Daniels; Richard H Mitchell; Robert R Freel; Robert Read Davis; Samuel F Audia III; Shelby E Daniels; William M Smith

their true and lawful Attorney(s)-in-Fact, to sign its name as surety(ies) and to execute, seal and acknowledge any and all bonds, undertakings, contracts and other written instruments in the nature thereof, on behalf of the Companies in their business of guaranteeing the fidelity of persons, guaranteeing the performance of contracts and executing or guaranteeing bonds and undertakings required or permitted in any actions or proceedings allowed by law.

This Power-of-Attorney is granted and is signed and sealed by facsimile under and by authority of the following By-Laws adopted by the Board of Directors of Merchants Bonding Company (Mutual) on April 23, 2011 and amended August 14, 2015 and adopted by the Board of Directors of MerchantsNational Bonding, Inc., on October 16, 2015.

"The President, Secretary, Treasurer, or any Assistant Treasurer or any Assistant Secretary or any Vice President shall have power and authority to appoint Attorneys-in-Fact, and to authorize them to execute on behalf of the Company, and attach the seal of the Company thereto, bonds and undertakings, recognizances, contracts of indemnity and other writings obligatory in the nature thereof."

"The signature of any authorized officer and the seal of the Company may be affixed by facsimile or electronic transmission to any Power of Attorney or Certification thereof authorizing the execution and delivery of any bond, undertaking, recognizance, or other suretyship obligations of the Company, and such signature and seal when so used shall have the same force and effect as though manually fixed."

In connection with obligations in favor of the Florida Department of Transportation only, it is agreed that the power and aut hority hereby given to the Attorney-in-Fact includes any and all consents for the release of retained percentages and/or final estimates on engineering and construction contracts required by the State of Florida Department of Transportation. It is fully understood that consenting to the State of Florida Department of Transportation making payment of the final estimate to the Contractor and/or its assignee, shall not relieve this surety company of any of its obligations under its bond.

In connection with obligations in favor of the Kentucky Department of Highways only, it is agreed that the power and authority hereby given to the Attorney-in-Fact cannot be modified or revoked unless prior written personal notice of such intent has been given to the Commissioner-Department of Highways of the Commonwealth of Kentucky at least thirty (30) days prior to the modification or revocation.

In Witness Whereof, the Companies have caused this instrument to be signed and sealed this 4th day of March , 2024 .

Form **W-9**
(Rev. November 2017)
Department of the Treasury
Internal Revenue Service

Request for Taxpayer Identification Number and Certification

▶ Go to *www.irs.gov/FormW9* for instructions and the latest information.

Give Form to the requester. Do not send to the IRS.

Print or type. See Specific Instructions on page 3.

1 Name (as shown on your income tax return). Name is required on this line; do not leave this line blank.

H&T Contractors, L.L.C.

2 Business name/disregarded entity name, if different from above

3 Check appropriate box for federal tax classification of the person whose name is entered on line 1. Check only **one** of the following seven boxes.

☐ Individual/sole proprietor or single-member LLC ☐ C Corporation ☑ S Corporation ☐ Partnership ☐ Trust/estate

☐ Limited liability company. Enter the tax classification (C=C corporation, S=S corporation, P=Partnership) ▶ S

Note: Check the appropriate box in the line above for the tax classification of the single-member owner. Do not check LLC if the LLC is classified as a single-member LLC that is disregarded from the owner unless the owner of the LLC is another LLC that is **not** disregarded from the owner for U.S. federal tax purposes. Otherwise, a single-member LLC that is disregarded from the owner should check the appropriate box for the tax classification of its owner.

☐ Other (see instructions) ▶

4 Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3):

Exempt payee code (if any) _____

Exemption from FATCA reporting code (if any) _____

(Applies to accounts maintained outside the U.S.)

5 Address (number, street, and apt. or suite no.) See instructions.

376 Ben King Road, P.O. Box 9

Requester's name and address (optional)

6 City, state, and ZIP code

Freeport, Florida 32439

7 List account number(s) here (optional)

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Social security number

			–			–				

or

Employer identification number

2	6	–	2	4	1	4	5	8	5

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

Sign Here Signature of U.S. person ▶ [signature] Date ▶ 6/09/2025

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to *www.irs.gov/FormW9*.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, *later.*

ITEM # 2025-780

CITY OF DESTIN

AGENDA ITEM

COUNCIL MEETING DATE: July 7, 2025
TYPE OF AGENDA ITEM: Consent Agenda
AGENDA OUTLINE NUMBER: 4.B.

TO: City Council

THRU: David Prichard, Community Development Director
Larry Jones , City Manager

FROM: Michael Burgess, Public Works Director

DATE: 06/23/2025

SUBJECT: Community Rating System Update - upgrading to a Class 5

I. BACKGROUND: The Community Rating System (CRS) is a voluntary incentive program administered by FEMA under the National Flood Insurance Program (NFIP). It encourages and rewards community floodplain management activities that exceed the minimum NFIP requirements. By participating in CRS (*Destin has participated in the CRS since 1994 and was first designated as a Class 6 in 2010*), communities can improve public safety, reduce flood damage, and receive discounted flood insurance premiums for residents.

Goals of the CRS
The CRS aims to:

- Reduce and avoid flood damage to insurable property.
- Strengthen and support the insurance aspects of the NFIP.
- Foster comprehensive floodplain management.

How It Works
Communities earn points for implementing a range of flood mitigation activities. Based on the total points earned, they are assigned a CRS class from 10 (lowest) to 1 (highest). Each class corresponds to a percentage discount on flood insurance premiums:

- Class 9 = 5% discount
- Class 8 = 10% discount
- Class 7 = 15% discount
- **Class 6 = 20% discount (Destin's current designation)**
- Class 5 = 25% discount

- ... Class 1 = 45% discount

Types of CRS Activities
CRS credits are grouped into four categories:

- Public Information (300 Series) – Outreach projects, flood map information, real estate disclosure.
- Mapping and Regulations (400 Series) – Higher regulatory standards, stormwater management.
- Flood Damage Reduction (500 Series) – Elevation projects, acquisition of flood-prone buildings.
- Warning and Response (600 Series) – Flood warning programs.

CRS and Flood Insurance
By improving a community's CRS class, residents and businesses benefit through lower premiums on their flood insurance policies, which can be a strong incentive for local governments to invest in proactive floodplain management.

NOTE: CRS discounts do not apply to policies on structures within the Coastal Barrier Resources Area.

II. DISCUSSION: The City of Destin currently holds a Class 6 rating under FEMA's Community Rating System (CRS), which provides residents up to a 20% discount on flood insurance premiums. Okaloosa County Emergency Management is leading a countywide effort to establish a **Program for Public Information (PPI)**, which would:

- Coordinate and expand public outreach and education on flood risks.
- Enhance CRS-eligible activities across all participating municipalities.
- Significantly improve documentation, stakeholder engagement, and inter-agency collaboration.

Destin has already contributed to this effort through staff participation and LMS coordination. Formal participation in the PPI and nomination of local representatives is a critical step toward a future Class 5 CRS designation, which would provide a 25% (additional 5%) discount on flood insurance premiums.

The PPI is designed as a multi-jurisdictional committee, in which each municipality appoints:

- One staff representative (Public Works/Emergency Management Director-Floodplain Manager)
- At least one local stakeholder (e.g., Insurance agent, Realtor) to be designated by City Council

Attachments include: The City's Latest Draft Verification Report and Letter (we should receive the final verification letter before November 2025, "CRS Guidance for preparing a PPI", and a

White Paper prepared by Ryan Prince, Okaloosa County Emergency Management Chief.

A. Link to Strategic Goals / Objectives: I. Financially Sound City providing Service Excellence
II.Enhanced Quality of Life and Safety for Families

B. Effect on Budget (EOB): Participation in the PPI will not require new funding for FY2025. The committee will meet virtually (via Zoom/Teams) to minimize travel and administrative costs.

Staff time for participation, coordination of local outreach activities, and tracking will be integrated into existing responsibilities within Public Works, Floodplain Management, and Planning functions.

A potential budget consideration in future years (FY2026 onward) may include:

- Modest outreach material printing and distribution costs.
- Enhanced web-based flood information tools.

C. Level of Service (LOS): Participation in the PPI will elevate the City's:

- Public education and engagement efforts on flood hazards
- Interdepartmental collaboration on stormwater and floodplain management
- Eligibility for additional CRS credits across multiple categories (e.g., outreach, mapping, insurance promotion)

This initiative aligns with goals in the City's Strategic Plan related to public safety, community resilience, and environmental stewardship.

D. Legislative Sponsor: N/A

E. Business Impact Statement: N/A

III. CONCLUSION: By formally joining the Okaloosa County PPI initiative, the City of Destin positions itself to achieve a CRS Class 5 rating in the next evaluation cycle. This would provide an estimated $250–$280 annual savings per NFIP policyholder and affirm the City's proactive commitment to flood risk management.

Participation requires no immediate financial outlay and supports regional collaboration, grant readiness, and public trust. The effort will be documented, evaluated annually, and reviewed during the City's next CRS audit.

IV. RECOMMENDED MOTION: Move to approve the City of Destin's participation in the Okaloosa County Program for Public Information (PPI) initiative, authorize the City Manager to designate a staff representative and stakeholder for the PPI committee, and direct staff to coordinate with Okaloosa County Emergency Management to support documentation and outreach activities necessary for Destin's CRS Class 5 advancement.

Receiving CRS Credit 23

About this guide:
This document was developed by the Insurance Services Office, Inc. (ISO), lead service provider to the Federal Emergency Management Agency for the National Flood Insurance Program's Community Rating System. Any questions should be directed to the ISO/CRS Specialist, the FEMA Regional Office, or to nfipcrs@iso.com.

Developing a Program for Public Information

Introduction

Well-informed people make better decisions and they take steps to protect themselves from flooding by retrofitting their homes, buying flood insurance, and planning the actions they will take during the next flood. They are also more likely to support local floodplain management efforts and measures to protect the natural functions of their community's floodplain.

The CRS provides credit for a full range of public information activities that inform people about flooding and ways to address potential flood damage to their property, including map information, outreach projects, real estate disclosure, libraries, websites, providing technical advice and assistance, and promoting flood insurance. Research shows that when public information efforts are planned and coordinated, people will take steps to protect themselves from flood damage. The CRS provides additional credit for public outreach efforts that are coordinated through an adopted program for public information.

This guide covers the seven steps to preparing a public information program and explains how projects implemented through the local program receive CRS credit under element PPI. It is important to understand that there are no CRS credit points for preparing a public information program. Rather, the PPI credit comes in the form of bonus points added to outreach projects and other CRS public information activities, such as the website, that are included in the public information program and implemented by the community and/or other organizations or agencies.

Some downloadable examples of public information program documents show how different communities developed and implemented their creditable programs.

Research Findings

In the 2013 *CRS Coordinator's Manual*, the CRS introduced a new approach to coordinate public information activities and develop new activities that reflect what recent research has found to lead to more effective programs. The program for public information is credited under Activity 330 (Outreach Projects). It is built on the following findings:

Findings from Research on Public Information

The objective is to change behavior.
Good programs work: behavior changes.
Good programs

- ✓ Are locally tailored,
- ✓ Are positive,
- ✓ Say what people should do,
- ✓ Repeat the message,
- ✓ Repeat the message from different sources, and
- ✓ Are evaluated and revised periodically.

- Successful public information efforts change behavior. It is not enough that people know they are in a floodprone area, they need to want to do something about it. Public information efforts need to explain what people should do about the hazard they face.
- Outreach projects and other public information efforts bring results. Research has found that floodplain residents in communities with outreach projects know more about their flood risk and are more likely to take protection measures and buy flood insurance.

- Messages need to be repeated many times before people absorb their meaning and take action.
- Messages are more likely to be accepted if they are received from multiple and different sources. Partnerships in message delivery are more effective than going it alone (and they can be less expensive for the local government).
- Different approaches bring different results among different audiences. Programs need to be monitored, evaluated, and adjusted to ensure that they will be effective.

The Program for Public Information

A program for public information is an ongoing local effort to identify, prepare, implement, and monitor a range of public information activities that meet specific local needs. The CRS credits the implementation of public outreach PROJECTS identified in a PPI. Through the PPI planning process, projects are monitored, evaluated, and revised to improve their effectiveness.

The PPI credit criteria are found under Activity 330 in the *Coordinator's Manual.* The latest guidance is included here, along with further explanations of the credit criteria in the *Coordinator's Manual*. When a PPI is submitted for review, the criteria in this guide will be used to determine if it qualifies for CRS credit.

It is expected that a community's public information program would focus primarily on outreach projects. However, a public information program can and should include other types of information delivery. If it does, extra credit can be obtained under the following activities:

- Activity 330 (Outreach Projects),
- Activity 340 (Hazard Disclosure),
- Activity 350 (Flood Protection Information),
- Activity 360 (Flood Protection Assistance),
- Activity 370 (Flood Insurance Promotion), and
- Activity 540 (Drainage System Maintenance), publicizing dumping regulations.

CRS credit for promoting flood insurance is provided under Activity 370 (Flood Insurance Promotion). Activity 370 credit is based on the same process as the PPI, so this guide discusses how to meet both activities' criteria at the same time. Items needed only for Activity 370 credit are noted with "Activity 370 only" in parentheses. As noted above, PPI credit is based on the implementation of outreach PROJECTS identified in the public information program. However, credit for a coverage improvement plan (element CP) under Activity 370 is provided for development of the plan. There is additional credit for implementing projects with messages that promote flood insurance pursuant to the coverage improvement plan (element CPI).

For CRS credit, the public information program must be developed according to a seven-step planning and public involvement process. This process is similar to the process credited under Activity 510 (Floodplain Management Planning) and communities are encouraged to combine the two and prepare the public information program for PPI credit as part of their floodplain management or hazard mitigation plan.

Step 1. Establish a Committee for Public Information

A public information program for CRS credit cannot be developed by one or two members of the community staff. Rather, it needs to be developed by a committee so that it can be a comprehensive initiative that assesses all the community's needs for flood-related information and coordinates all the resources that can deliver information. It should recommend a range of activities that convey information to residents, businesses, tourists, school children, and other audiences in and around the community. It should incorporate an objective review of what is being done and how public information activities could be improved.

The PPI committee is the focal point for discussions and decisions. That doesn't mean that committee members have to do all the work. The staff should draft the assessment, messages, projects, and reports for review at committee meetings.

Depending on the level of staff support and the complexity of the community's program, a creditable public information program could be developed with as few as two or three committee meetings. It must meet at least twice: once to review the assessment (step 2) and once to review the document describing the public information program before it is sent to the governing body (Step 6). More meetings have been shown to be productive, especially is there are a lot of audiences, messages, and projects to consider.

For PPI credit, the public information committee needs to have members from both inside and outside the local government. It could be an existing committee, such as a mitigation planning committee or advisory board, or a subcommittee of an existing group, as long as it meets the membership criteria.

Committee Membership

The number of participants and their identities are determined by the community, but the committee's membership must meet the following CRS criteria:

- There must be at least five people on the committee.
- There must be representation from the community's floodplain management office.
- There must be representation from the community's public information office, if there is one.
- At least half of the members must be from outside the local government ("stakeholders").
- There must be representation from the insurance industry, such as a local insurance agency (for Activity 370 credit only).

A handout on the membership criteria for a PPI committee, "CRS Credit for Planning Committees," gives more details about the makeup of a creditable committee.

In addition to the floodplain manager and public information office, community departments that could be represented include emergency management, planning, drainage, code enforcement, parks, and other offices that have programs that relate to flood protection and natural floodplain functions.

Stakeholders

Research has shown that the more often a message is received from different sources, the more likely it is that the desired action or behavior will take place. For this reason, the CRS encourages engagement of groups and people outside the local government in planning and conducting outreach projects.

Accordingly, at least one-half of the members of the public information program committee must be representatives from outside the local government, i.e., stakeholders. These could be members of the public, representatives of key community organizations, and/or agencies and organizations that will likely implement the recommended outreach projects. Stakeholder participants could be

- Floodplain resident(s), representatives of neighborhood or homeowner associations;
- Emergency/disaster responders, e.g., Red Cross, Salvation Army;
- Utility companies (they are concerned about service and safety during disasters and many have their own newsletters or outreach programs);
- Chamber of commerce or other business organization;
- Trade associations of builders and/or contractors;
- Developers/real estate organizations;
- Environmental organizations, "Friends of the River," etc.;
- Insurance agencies (required for Activity 370 credit); and
- Major employer(s).

Membership of the PPI Committees of Two Communities

Fort Collins, Colorado	**Louisville–Jefferson County Metropolitan Sewer District (MSD), Kentucky**
– Board of Realtors®; – Red Cross – Poudre School District – Resilience Action Partners – Colorado State University – Earth Force – Wildlands Restoration Volunteers – Anderson Consulting Engineers – City of Fort Collins Floodplain Administrator – City of Fort Collins Public Information Office – City of Fort Collins Natural Areas Program – City of Fort Collins Social Sustainability	– Fleitz Insurance – Greater Louisville, Inc. – Floyds Fork Environmental Association, President – Jefferson County Soil & Water Conservation District – The Rotunda Group – Louisville Metro Emergency Management, Resource/Mitigation Coordinator – Community Relations Manager, MSD – Engineer, MSD – Floodplain Manager and CRS Coordinator, MSD
12 members, first 8 are stakeholders	*9 members, first 5 are stakeholders*

NOTE: *In some cases, it is not obvious which committee members fulfill the requirements for a floodplain manager, insurance agency, etc., so it is helpful for the program document to identify them.*

NOTE: *In the examples above, the names of the individuals who serve on the committees have been omitted. However, in the membership list incorporated into the community's program document, the names of members should be listed along with the entity they represent.*

Staff from other government agencies outside the community, e.g., school district, levee or flood control district, regional planning agency, state coastal management office, or the National Weather Service, can also be counted as stakeholders. However, because the objective of the public information committee is to ensure that non-government people have a significant say in the development of the public information program, the total number of government employees, contractors, and consultants cannot exceed 20% of the committee's stakeholder members. This does not prevent government employees and consultants from being non-voting advisors to the PPI committee.

Bonus points are provided under Activity 330 for PPI outreach projects that are carried out in whole or in part by stakeholders, under element STK.

Unlike the credit for the committee under Activity 510 (Floodplain Management Planning), there is no proration of the PPI bonus credit if fewer than half the members are from outside the community's government. Both activities have a documentation requirement that the community provide minutes, sign-in sheets, or other confirmation of committee member participation.

Multi-jurisdictional Committees

There are occasions when CRS communities in a metropolitan area or members of a CRS Users Group would like to develop a joint or coordinated public information program. This approach has the advantage of sharing resources, avoiding duplication of effort, and capitalizing on regional media, such as a newspaper, television station, or a metropolitan organization like a county chapter of the American Red Cross or a council of governments.

This approach can also have a disadvantage if an individual community's needs are lost in the bigger operation. To avoid this, if a community wants CRS credit for a multi-jurisdictional public information program committee,

1. The community must send at least two representatives to the multi-jurisdictional committee,
2. At least half of the community's representatives must be stakeholders from outside the local government, and
3. At least half of the representatives must attend all the meetings of the committee. In effect, there must be a quorum from EACH community at EVERY meeting. Remote attendance, e.g., via a webinar that allows for everyone to talk, is acceptable.

The membership of one multi-jurisdictional public information program committee is shown on the next page.

Membership of the Jefferson Parish, Louisiana, Multi-jurisdictional Public Information Program Committee		
Community	**Community Government**	**Stakeholder**
Jefferson Parish	– Director of Floodplain Mgmt. & Hazard Mitigation – Floodplain Manager – Public Information Officer – Planning Department	– Wright Insurance – Metro Association of Realtors®; – Real estate – Resident of unincorporated area – Resident of unincorporated area – Resident of unincorporated area
City of Gretna	– Building Official – Floodplain Management	– Gulf Coast Bank – Jemison & Partners, Inc. – Entergy (power utility) – Daul Insurance Agency, Inc. – Real estate
City of Harahan	– Regulatory Office	– Harahan resident
City of Kenner	– Director of Inspections & Code Enforcement – Public Information Officer	– Orleans Shoring (building elevation contactor) – State Farm Insurance
City of Westwego	– City Clerk	– Orleans Shoring – Hispanic Chambers of Commerce
Town of Jean Lafitte	– Town Clerk	– Regions Bank – Business owner
Advisors		– University of New Orleans, Parish resident – NFIP State Coordinator's office – LSU Cooperative Extension

A meeting of the Jefferson Parish Public Information Program Committee

Step 2. Assess the Community's Public Information Needs

Before it can develop a local program for raising public awareness about flood-related issues, the committee needs to assess its flood problem areas, identify who needs to be informed, and determine what projects are already underway. These are three of the four substeps to Step 2. The fourth substep is an assessment of flood insurance coverage, which is needed for credit under Activity 370.

The needs assessment can be prepared by the staff, but the committee as a whole must review it.

Substep 2.1. Identify Priority Areas

Priority areas are areas of the community with concerns related to floods or floodplains. They can be neighborhoods, districts, or other parts of the community with similar flooding, building, and population characteristics. It may be useful to assign names or labels to the areas, and some of them may be grouped together if they overlap or have the same characteristics. Example priority areas include

- Floodprone neighborhoods;
- A waterfront business district;
- Beachfront hotels and rental units;
- A recently flooded area;
- Repetitive loss areas;
- An area subject to an unmapped special hazard, such as ice jams or shoreline erosion; or
- An area protected by a levee or subject to flooding by a dam failure.

Some communities may have only one priority or focus area, e.g., a small town or barrier island that is substantially floodprone.

Three products should result from the assessment:

- A map showing one or more areas subject to different flooding conditions,
- A description of each area, and
- The key public information concern(s) for each area.

Determining priority areas is part of the optional CRS Community Self Assessment described in Section 240 of the *Coordinator's Manual*. This online tool guides the user through a series of questions to identify the characteristics of the community and of the population as they relate to the community's flood hazard. The Community Self Assessment identifies "assessment areas." Not all the identified assessment areas may warrant being priority areas for a public information program. For example, some assessment areas may be vacant—there are no people to inform.

Once the priority areas are determined and described, the public information program document needs to list the key public information concern(s) for those areas. This can be done as part of substep 2.1 or as part of the list of priority audiences in substep 2.3.

Examples of Priority Areas and Public Information Concerns

- Area #1 has been repetitively flooded due to its flat terrain and lack of adequate drainage. Flooding is shallow and low-cost retrofitting measures can help mitigate the damage, but most homeowners are not aware of these measures.
- Area #2 is subject to deep and fast-moving flooding from the Roaring River. Residents need to know the flood warning signals and safe evacuation measures.
- Many of the buildings in Area #3 are elevated one full story over wet floodproofed garages. However, it has been many years since the area has been flooded and many of the first floors have been illegally converted to finished living areas. Owners and residents need to be apprised of the legal requirements, the impact of a flood on these finished areas, and how a flood insurance policy's premiums are based on the elevation of the lowest floor.
- Area #4 is protected by a levee and is not mapped as a Special Flood Hazard Area. As a result, most residents are not aware of the flood hazard, do not have flood insurance, and do not know where to go if the levee fails.
- Many of the homes in areas 2–4 are rentals, were purchased without mortgages, or have paid-off mortgages. As a result, owners and renters in these areas need to be advised about flood insurance.

Here are two examples from local public information program documents:

- "V Zone Properties— . . . Property owners in this zone are especially vulnerable to flood hazards because of the proximity to the ocean. The PPI Committee determined that the V zone properties should be a separate [priority] area so that they can be informed of important issues that pertain specifically to them such as coastal erosion, the vulnerability of a structure in this zone, flooding, dangers of standing water, evacuation plans, building permit requirements and protection of wildlife and habitat such as sea turtles and piping plovers…." *—Hilton Head Island, South Carolina*
- "Properties located just above the SFHA (X shaded zones). The committee chose to target these areas to increase awareness that flood insurance is available even if you're not within a Special Flood Hazard Area (SFHA). They wanted the property owners to be aware of their flood zone and need for flood insurance. Water quality was also a concern of the committee in this area." *—Surfside Beach, South Carolina*

Substep 2.2. Assess Flood Insurance Coverage (Activity 370 only)

This substep is needed if the community wants credit under Activity 370 (Flood Insurance Promotion). It involves reviewing the current flood insurance policies in the community and identifying areas or types of properties where coverage could be improved.

The process is explained in more detail in the separate, downloadable guide, *Preparing a Flood Insurance Assessment for Credit under the Community Rating System*. The guide has examples from communities that have prepared the assessments as part of their creditable public information programs.

Substep 2.3. Determine Priority Audiences

A priority audience is a group of people who need information on one or more flood-related topics. Priority audiences can be based on the priority areas, such as residents of floodprone neighborhoods, waterfront businesses, or beachfront hotel and condominium managers.

Priority audiences can also be selected based on other reasons. Some examples would be building contractors (who need to know about mitigation measures and permit requirements), insurance agents (who need to promote flood insurance), tourists (who need to know flood warning and evacuation procedures), non-English speakers (who need information in their own languages), drivers (who need to be reminded to "turn around, don't drown"), and elementary school students (who can use opportunities to learn about the natural functions of floodplains).

Audiences can be people from outside the community, provided they have a direct relationship to flooding or natural floodplain functions in the community and the message explains why the recipient is receiving the message. Examples include

- Contractors or insurance agents that serve the metropolitan area,
- People upstream of the community whose actions could increase runoff or pollution, or
- Home improvement stores that serve the community.

An example of how the public information program committee can summarize the priority audience information is shown below. Note that the first item in the list is a priority area—the entire barrier island, which is 100% floodprone.

Sample Table of Priority Audiences & Corresponding Information

Audience	Topics of Information
All residents & businesses	The flood hazard; flood insurance (especially contents coverage); warning, evacuation, and safety precautions; protecting natural floodplain functions
Owners of slab-on-grade buildings	The flood hazard; flood insurance; the relation between insurance rates and level of protection; building protection measures; financial assistance for mitigation; construction regulations
Owners of severe repetitive loss property	The flood hazard; flood insurance; the relation between insurance rates and level of protection; building protection measures; financial assistance for mitigation; construction regulations
Visitors & seasonal renters	The flood hazard; warning, evacuation, and safety precautions; protecting natural floodplain functions
Homeowner associations, condo managers, real estate agents, rental agents	Conveying messages to leaseholders and renters about the flood hazard; warning, evacuation, and safety precautions; building protection measures; protecting natural floodplain functions; construction regulations
Contractors	Construction regulations; building protection measures; financial assistance for mitigation

Substep 2.4. Inventory other Public Information Efforts

A good plan builds on what is already being done and avoids duplication of efforts. This includes current community-based public information efforts as well as initiatives by other organizations or agencies. Other organizations and agencies need to be contacted to find out what flood-related public information activities they are implementing or plan to implement. Examples of such departments, organizations, and agencies to contact include

- The community's public information officer;
- Community departments involved in flood protection, including public works, drainage, building, planning, and emergency management;
- The office responsible for the National Pollutant Discharge Elimination System (NPDES) permit;
- Regional planning agency or council of governments;
- Regional or metropolitan sewer, flood control, or water management district;
- State NFIP Coordinator;
- Local businesses, especially insurance agencies and banks;
- Utility companies;
- Board of Realtors®;
- Environmental and recreational organizations (e.g., Isaac Walton League, Audubon Society, hunting clubs);
- Homeowner and neighborhood associations; and
- Area newspapers, radio and television stations.

The committee needs a list of the organizations or agencies that are sending flood-related messages and the subjects covered. This job can be made easier if these kinds of organizations are invited to be on the public information program committee and if members share the workload.

The inventory for a multi-jurisdictional public information program will need to identify which existing public information efforts reach each participating community.

A table summarizing the inventory of a small community, Bald Head Island, North Carolina, is shown on the next page. A larger city likely would have several more organizations or agencies that conduct outreach efforts.

Bald Head Island's Table 10 – Existing Public Information Efforts			
Organization	**Project**	**Subject Matter**	**Frequency**
Bald Head Association	Bald Head Island Report	Various village council meetings and flood hazard/insurance information	Year-Round
Village of Bald Head Island	Village's Voice newsletter	Council meeting information and flood readiness	Year-Round
Bald Head Conservancy	Signage	Natural floodplain functions information posted across the island	Year-Round
Department of Public Safety	Emergency Management webpage	Emergency readiness and resources	Year-Round
Brunswick County Emergency Services	Local Hazards and Threats webpage	Know your flood hazard	Year-Round
North Carolina Department of Public Safety – Emergency Management Division	Risk Management webpage	Floodplain maps, management, inundation, alerts, and risk	Year-Round

—*Village of Bald Head Island, North Carolina, Program for Public Information,* 2020, page 16

Step 3. Formulate Messages

For each priority audience, the public information program committee should determine what public information message is needed, taking into consideration the hazards they face, the natural floodplain functions in their priority areas, and the characteristics of the audience. Messages are specific statements or directions that the community considers important for its audiences.

The messages must either

- Clearly state what the audience should do (e.g., "Turn around, don't drown" or "Get a floodplain permit from . . . ."); or
- Provide some basic information with a note on where to get more information (e.g., "You may live in a floodplain. Find out by calling 555-1234" or "Information on ways to protect your property from flooding can be found at www. . . .").

Messages and topics are discussed in more detail, with many examples, in *Outreach Projects for Credit under the Community Rating System*.

Six Priority Topics

Messages for CRS credit are based on one or more of six priority floodplain management topics.

1. Know your flood hazard.
2. Insure your property for your flood hazard.
3. Protect people from the hazard.
4. Protect your property from the hazard.
5. Build responsibly.
6. Protect natural floodplain functions.

Table 330-1 in the *Coordinator's Manual* shows the six priority CRS topics and some sample messages that could be based upon them. For credit under Activity 330, at least one message must be on the topic of flood insurance.

The messages in Table 330-1 are EXAMPLES. Several FEMA programs, such as FloodSmart and RiskMAP, can provide additional guidance and examples that have been research-tested on several of the topics.

Additional Priority Messages

The public information program committee may develop four additional messages for its audiences. For CRS credit, the additional messages must be related to flooding, drainage, stormwater, natural floodplain functions, or flood-related hazards. Safety messages for tornadoes (e.g., go to the basement) would not qualify, but messages that apply to both floods and other hazards (e.g., develop a family disaster plan) would qualify.

A community's desire to devote more attention to a particular topic is one reason for developing additional priority messages. For example, if the community's assessment indicates that there is habitat suitable for endangered species within a priority area, then the committee may elect to send additional, more detailed messages about that issue to that priority audience.

For each audience, the public information program document can identify up to four messages in addition to or instead of the messages under the six priority topics. The additional priority messages are usually shown as "PPI 7," "PPI 8," etc. Here are two examples.

- Fort Collins, Colorado's public information program had "Get a kit, make a plan, be informed" as its message under Topic 3, Protect people from the hazard. The PPI Committee also wanted to advise residents to sign up for special notices of impending floods, hazards, and storms. It kept the Topic 3 message and added a message (PPI 7), "We can't warn you, if we can't reach you. Sign up for LETA 911."
- One additional priority message (PPI 7) specified by Bald Head Island is "Identify and document your personal belongings," as a reminder to people to create an inventory of their possessions.

Outcomes

For each message, the committee needs to determine what outcome it would like to see. Examples of outcomes from Bald Head Island's public information program are shown below. Here is some guidance on outcomes.

- Outcomes are what you would like to see happen, such as a reduction in flood deaths or an increase in the number of people who know they live in a hazard area.
- Outcomes are not "outputs." "Distribute 10,000 flyers" is NOT an outcome. Neither is "Talk to 100 homeowners."
- Outcomes are changes in behavior. They determine whether people are doing the right thing and, therefore, whether you are making progress. They should be used by the com-

Excerpt from Bald Head Island's
Table 11 – Public Information Program Document

Topic	Message	Outcome(s)
A. Know your flood hazard	1. Your property is subject to flooding.	Increase number of FIRM inquiries
	2. Your property is in a repetitively flooded area.	Reduce future repetitive loss properties
B. Insure your property	1. You need to buy flood insurance. Your homeowner's policy does not cover flood damage.	Increase number of flood insurance policies
	2. Renters should protect contents with flood insurance.	Reduce damage to contents
	3. Lower cost Preferred Risk Policies (PRP) are available.	Increase number of PRP policies
C. Protect yourself and your family	1. Turn around don't drown.	Reduce damage to vehicles, emergency rescuers, and deaths
	2. Know the flood warning signals.	Reduce rescues and deaths
D. Protect your property from the hazard	1 Elevate HVAC exterior units.	Reduce number of flood damaged HVAC units
	2. Don't throw trash or debris in streams, channels or open bodies of water.	Reduce pollution and overbank flow
	3. Grant monies are available to help elevate your home.	Increase financial opportunities
E. Build responsibly	1. Get a permit before you start construction.	Reduce citations
	2. Know the substantial damage rules.	Reduce citations
	3. Keep areas open (setbacks) between homes and property lines	Maintain proper drainage
F. Protect natural floodplain functions	1. Don't dump in storm drains, streams, channels, or open bodies of water.	Improve water quality, reduce pollution, prevent storm drains from clogging
	2. Don't disturb natural floodplain areas.	Reduce grading, fill, and earth movement

mittee to determine which projects to continue and which ones to modify or stop because the messages are not producing the desired outcome.

- To the extent possible, outcomes need to be objective, observable, and measurable. There will be cases where this is not easy to do and the committee will have to rely on the feedback staff and committee members get from their customers, neighbors, and acquaintances, rather than hard numbers collected by an agency. An example would be a message that encourages people to turn off their gas and electricity when it floods. If there is no flood, the only measure of the desired outcome might be if the committee members hear more people talking about what they will do during the next flood.

NOTE: *For the element PPI document, credit is based on the projects implemented pursuant to the public information program. Therefore, the projects need to convey the messages that are listed in the program document. A project with messages that are not listed in the program document does not receive the PPI bonus credit. Remember, there must be at least one message on flood insurance.*

Step 4. Identify Outreach Projects to Convey the Messages

Once the needed messages and desired outcomes have been agreed upon, the public information program committee should consider which media would best convey the message(s) to the priority audience(s). For each message, the public information program document lists the projects, who will do them, and when. The projects are then implemented over the following year.

Projects and their credits, with examples, are discussed in more detail in *Outreach Projects for Credit under the Community Rating System*.

Projects are scored under Activity 330 as outreach projects (OP) and flood response projects (FRP). OP projects must be implemented at least once each year. FRP projects are prepared, but not distributed until a flood comes. OP and FRP projects are scored based on the number of topics and additional PPI messages they cover.

Here is some guidance on projects.

- The description of each project must include who will do it and when it will be done.
- Projects can include continuing or revising existing public information and outreach efforts that are already being conducted in the community, if the public information program committee deems them effective.
- OP outreach projects do not have to be implemented by the local government. Credit can be provided for projects implemented by another government agency or a private organization, provided the community can document that the project is implemented at least once each year.
- A multi-jurisdictional public information program must identify which communities benefit from each project. Each CRS community's score is calculated separately, depending on which messages and projects apply to it. For example, an inland community would not

benefit from projects oriented to beachfront audiences, nor would a community benefit from a project conducted at a shopping mall 50 miles away.

- For Activity 330 or Activity 370 credit, there must be at least one project with one or more messages on the topic of flood insurance.
- For Activity 370 only, there must be at least one project that demonstrates that the community's elected leadership encourages people to purchase or increase their flood insurance coverage. Examples of such a project include a public forum or event involving the community's governing body or a document sent to all residents and signed by the mayor. Statements at a regular meeting of the governing body are not sufficient.

Stakeholder Projects

Research has shown that the credibility and visibility of outreach messages are enhanced if they are sent by numerous different sources. Since most messages tend to come from the local government, extra credit is provided for messages that are clearly from stakeholders—someone or some group concerned with the community, but not a part of the local government. Stakeholders are described on pages 3–5.

Projects implemented or sponsored by a stakeholder organization can receive a 30% multiplier under element STK in Activity 330. The stakeholder organization does not have to be represented on the public information program committee, but for credit the public information program document must identify which projects have stakeholder involvement. STK points do not apply to FRP projects or to projects not included in the public information program document.

Examples of stakeholder projects that would receive the STK bonus credit include

- An insurance company that publishes a brochure on flood insurance, even if it is set out at City Hall;
- A local newspaper that publishes a flood or hurricane season supplement each year;
- FEMA, if, for example, a FEMA brochure is used as an informational project;
- Schools that implement outreach activities;
- A local newspaper that publishes articles and editorials, even if they are written by community staff. However, advertisements paid for by the community do not qualify for STK credit, unless other sponsors or supporters are named in the advertisement;
- A neighborhood or civic association that sponsors and hosts a presentation by a community employee;
- A utility company that includes pertinent articles in its monthly bills; or
- Presentations made by state or FEMA staff at meetings held every year.

It needs to be clear that the message is coming from someone other than the community or is sponsored by or supported by the stakeholder. For example, when stencils are displayed on city storm drains, they send a message that appears to come from the city, even if the stencils were applied by a volunteer group. If the volunteer organization's name were in the message, however, then it would qualify for STK credit.

Examples of Outreach Projects

Informational Projects (1 point per message): Brochures, flyers, and similar documents that are made available upon request or are placed on display for people to take. These passive approaches are not sent out or disseminated to identified audiences. Examples include, but are not limited to

- o Brochures or flyers made available in public places,
- o A booklet made available in public places,
- o A website that does not meet the WEB credit criteria under Activity 350 (Flood Protection Information).

General Outreach Projects (2 points per message): Materials that are disseminated to people who did not ask for them, presentations made to groups, and similar activities that reach out to people. Examples include, but are not limited to

- o Newspaper supplements and articles;
- o Newsletter articles;
- o Utility bill stuffers;
- o Radio and television ads or public service announcements;
- o Staffed booths or displays at public functions, shopping malls, etc.;
- o Flyers or booklets distributed throughout residential neighborhoods or given to visitors at a booth;
- o Billboards;
- o Letters, newsletters, or email messages sent to subscribers;
- o Presentations to homeowners, civic, and business associations;
- o Short statements posted outdoors, such as "Don't trash the river—that's where we get our drinking water" and high-water mark signs;
- o Local television shows;
- o Cable television news tickers or crawlers that display a message at the bottom of the screen;
- o Programs for school children; and
- o Training for citizens, such as for CERT teams or weather spotters.

Targeted Outreach Projects (6 points per message): Materials that are delivered to at least 90% of a priority audience. The project must clearly explain that the recipient's property is subject to flooding or otherwise explain why the recipient is getting the notice. These differ from general outreach projects in that everyone in an identified audience is expected to be reached and the message is tailored to that audience. Examples include, but are not limited to

- o A mailer or email sent to all properties in the floodplain or repetitive loss area(s).
- o A mailer or email sent to all members of a priority audience designated in a PPI (e.g., all downtown business owners or building contractors).
- o A presentation to all drivers' education classes where the designated priority audience is students learning to drive, as explained in a PPI.

To receive credit as a project targeted to a priority audience, the PPI must identify both the audience and the project.

NOTES:

- o *Providing information to inquirers from a flood map is credited under Activity 320.*
- o *Real estate disclosure projects are credited under Activity 340.*
- o *Use of a website or library is credited under Activity 350. However, if the community's website does not meet the credit criteria for Activity 350, it may receive credit as an informational project.*
- o *Providing one-on-one discussion and advice is credited under Activity 360.*
- o *Additional credit for projects that promote flood insurance are credited under Activity 370.*
- o *The last four activities get additional credit if they are part of the public information program.*

Step 5. Examine other Public Information Initiatives

A public information program should not address only outreach projects. It should look at all the activities a community should pursue to inform people and motivate them to protect life and property, buy insurance, and protect natural floodplain functions. The CRS credits other public information work besides that described under Activity 330. The public information program committee should coordinate the full range of public information programs and activities in the public information program document.

Note that if a public information program omits Step 5, or only discusses outreach projects, it will not affect approval of the program for bonus credit under Activity 330. It will only mean that there will be no bonus credits for the other activities listed in this section.

Related CRS Activities

The following activities should be considered when the public information program is prepared. Activities 340, 350, 360, and 540 provide additional credit if the element is described in the public information program document with specific recommendations on how it should be conducted.

- **Activity 320 (Map Information Service):** The public information program committee should consider what map information should be conveyed to inquirers. For example, if protecting wetlands is a concern of the committee, the public information program document public information program should note that the Activity 320 service should advise inquirers of the location of wetlands. Brochures or flyers that explain the hazard or the flood insurance purchase requirement can be credited as informational projects. If they are given to inquirers, they can be credited as general outreach projects.
- **Activity 340 (Hazard Disclosure):** If real estate disclosure practice(s) and/or informational brochures are described in the public information program document, along with recommendations on their composition or use, then extra PPI credit is provided.
- **Activity 350 (Flood Protection Information):** As with outreach projects, credit for the website (WEB1) is based on the number of topics covered. If there is a credited public information program, the community can receive additional credit for covering up to four additional messages, instead of just six.
- **Activity 360 (Flood Protection Assistance):** The credits for the first three elements, property protection advice (PPA), advice after a site visit (PPV), and financial assistance advice (FAA), can all be increased if the services, recommended protection measures, and how the services should be delivered are described in the public information program document.
- **Activity 370 (Flood Insurance Promotion):** It is recommended that the plan to improve insurance coverage be part of the PPI and be prepared by the same committee, provided that the committee meets the membership criteria for Activity 370 credit. To date, all submittals from communities for 370 coverage improvement plans (CP) have been part of a public information program document.

- **Section 504 (Repetitive Loss Area Outreach Project):** Every community with one or more repetitive loss properties must map its repetitive loss areas and send an annual notice to those areas. Such a mailing qualifies as a targeted outreach project. The public information program document could identify messages in addition to those required in Section 504.
- **Activity 510 (Floodplain Management Planning):** A PPI committee can qualify for the public planning committee. Floodplain management planning (element FMP) Steps 7 and 8 provide specific credit for reviewing public information activities and including such activities in the action plan. A floodplain management or hazard mitigation plan that covers all the criteria in this guide can qualify as the public information program document.
- **Activity 540 (Drainage System Maintenance)** provides credit for publicizing stream dumping regulations. The PPI bonus credit is provided if the public information program document specifies the message and recommends the best way to disseminate it.
- **Activity 610 (Flood Warning and Response)**, **Activity 620 (Levees),** and **Activity 630 (Dams)** all have an outreach project prerequisite. The PPI could include the needed messages and determine the best way to disseminate them. The publicity project(s) would be credited under Activity 330, as outreach projects (OP). Activity 610 also provides credit for emergency warning and flood response operations that should include the procedures needed for flood response preparations (FRP) credit.

Outreach and Publicity Prerequisites

Seven CRS activities have a prerequisite for an outreach project or publicity for a service. All seven list acceptable publicity methods and all seven note that a different method can be used, provided that the community's PPI-credited public information program document identifies the audience for the message and discusses the best way to reach that audience. The seven affected activities are

Activity 320 (Map Information Service),
Activity 360 (Flood Protection Assistance),
Activity 370 (Flood Insurance Promotion),
Activity 540 (Drainage System Maintenance),
Activity 610 (Flood Warning and Response),
Activity 620 (Levees), and
Activity 630 (Dams).

One community's review and rationale for alternative publicity for Activity 360 (Flood Protection Assistance) and Activity 610 (Flood Warning and Response) can be found in "An Example of a Review of Outreach Publicity as part of a Program for Public Information."

The table on the next page identifies which CRS activities and elements (1) have prerequisites that can be credited as OP outreach projects; (2) provide their own credit points and so cannot be duplicated as OP credits; and (3) can receive the bonus credit for being part of a public information program.

CRS Elements with a Public Information Component			
Activity	**Element**	**OP Credit?**	**PPI Bonus?**
320 (Map Information Service)	Publicizing the service	*	*
330 (Outreach Projects)	Outreach projects (OP)	Yes	Yes
	Flood response preparations (FRP)	No	Yes
	Program for public information (PPI)	–	–
	Stakeholder delivery (STK)	–	–
340 (Hazard Disclosure)	Disclosure of the flood hazard (DFH)	No	Yes
	Real estate agents' brochure (REB)	No	Yes
350 (Flood Protection Information)	Website (WEB1)	No	Yes
360 (Flood Protection Assistance)	Property protection assistance (PPA)	No	Yes
	PPA site visits (PPV)	No	Yes
	Financial assistance advice (FAA)	No	Yes
	Publicity for PPA, PPV, and/or FAA	*	*
370 (Flood Insurance Promotion)	Coverage plan implementation (CPI)	No	Yes
Section 504 (Repetitive Loss Area Outreach Project)	Repetitive loss area outreach project	*	*
540 (Drainage System Maintenance)	Stream dumping regulations (SDR)	No	Yes
610 (Flood Warning and Response)	Annual outreach project prerequisite	*	*
620 (Levees)	Annual outreach project prerequisite	*	*
630 (Dams)	Annual outreach project prerequisite	*	*

* *OP credit can be provided for the publicity or outreach project prerequisite for this element. The OP credit can also receive the PPI and STK bonus credit if the project is in the PPI.*

Step 6. Prepare and adopt the Public Information Program Document

The committee's work needs to be recorded in a formal written document and adopted by the community's governing body. The public information program document and its annual evaluation report can be stand-alone documents or they can be sections or chapters in a floodplain management or hazard mitigation plan and its annual report.

The public information program document need not be long and complicated, as long as each of the items listed below is summarized. The Bald Head Island document has fewer than 30 pages.

Document Outline

The document must show that the community has incorporated the procedures and considerations described above in preparing its public information program. The program document must include

Some examples of PPI-credited documents show how different communities developed and implemented their programs.

1. A list of the members of the public information program committee, their affiliations, and when the committee met.
2. A summary of the Step 2 assessment of the local flood hazard, the community's natural floodplain functions, and the other public information activities currently being implemented within the community. The other activities being implemented need to be more than what is being done by the community—the inventory needs to include activities currently being implemented by other organizations and agencies, too. For Activity 370 credit, the flood insurance coverage assessment needs to be included.
3. A list of the priority audiences, the messages selected for each audience, and the desired outcomes of those messages. At least one message needs to pertain to flood insurance.
4. A description of each project and activity intended to be carried out, who will do it, and when it will be done. If stakeholders are involved in project delivery, they need to be listed by project for STK credit.
5. If the community wants the PPI bonus credit for its flood response preparations credit, the FRP projects need to be listed, too.
6. If the PPI bonus credit is desired for other activities, they need to be included in the document. For example, if the committee identifies homeowners as a priority audience and retrofitting their homes as a message, the program document should describe how the library and website (Activity 350) will provide appropriate materials and information, what kind of advice the staff should provide (Activity 360), and how that advice should be publicized.
7. The process that will be followed to monitor and evaluate the effectiveness of the public information projects must be described (see Step 7, below).

Items 3 through 6 can be done in a table format, as in the example worksheet on pages 26–27. Note that both outreach projects (OP#1, OP#2, etc.) and other activities that warrant the extra PPI credit (Activity 350, Activity 360, etc.) are listed as projects. Such annotations are not needed for a PPI-credited document, but the community will need to show where items deserving CRS credit appear.

Keep in mind that the CRS credits the implementation of public outreach PROJECTS identified in a public information program document. Communities will receive the PPI bonus credit based on the impact of the projects on each community. Therefore, if the program document is prepared by a multi-jurisdictional committee, it needs to identify how each project affects each community. This can be a list of projects by community or another column in a matrix or worksheet like the one on pages 26–27.

If the community wants its public information program to also qualify as a coverage improvement plan (CP) for credit under Activity 370, a draft of the document needs to be sent to the FEMA Regional Office's Insurance Specialist (called the "Insurance Liaison" in the *Coordinator's Manual*). The purpose of this is to see if the Regional Office can provide assistance or useful information. Contact information for the Regional Insurance Specialists can be obtained from the ISO/CRS Specialist or the FEMA Regional CRS Coordinator.

Adoption

For PPI credit, the public information program document must achieve formal, official, status within the community. This is usually done by adoption or formal approval by the community's governing body. "Formal approval" means a vote by the body or office, including a vote on a consent agenda. There need not be a separate resolution. The vote is to adopt the public information program as an official plan of the community. It cannot be a vote to "accept" the public information program or state that the document "has been received." It should be clear that the governing body expects the public information program to be implemented.

An alternative adoption method is a formal vote by another body that has the authority and funding to implement the program, such as a flood control district. If this alternative is used, the community must provide documentation that the other body or office has the authority and funding. The public information program must still be presented to the community's governing board, but the board does not have to act on it. Stakeholder credit (STK) is not provided for the public information projects that are implemented by the adopting agency.

Step 7. Implement, Monitor, and Evaluate the Program

As with all planning efforts, completion of the document is just the beginning. The projects need to be implemented, monitored, evaluated, and adjusted as needed. Remember, it is the implementation of projects included in the public information program that receives CRS credit. The public information program document needs to describe how the monitoring, evaluation, and adjustment will be conducted.

Evaluation

The evaluation must be conducted by the public information program committee. The staff can collect data on project implementation and make recommendations, but for continued CRS credit, the committee must review progress and agree on any changes. The committee also needs to review and approve the annual evaluation report that is submitted to the governing body and included in the community's annual CRS recertification. This work will be more effective if the committee meets several times during the year and monitors the implementation of each outreach project.

Note that the community may use any 12-month period for its "public information year." If there is a defined hurricane or flood season, for example, the public information schedule may be tied to that. At the end of that year, the committee would conduct its annual evaluation of the PPI, produce the annual report of that evaluation, and then submit the report with its next annual CRS recertification package.

Evaluation Report

There is no required report format, but the annual report must include the following items:

1. The priority audiences, the messages, and the desired outcomes.
2. The projects in the public information program used to convey the messages.
3. Which projects were implemented.
4. Why some projects were not implemented (if any).
5. What progress was made toward the desired outcomes.
6. What should be changed (including what messages, outcomes, and projects should be revised or dropped, and what new ones should be initiated).

The annual report could use the worksheet like the one on pages 26–27, with added columns after each message, outcome, and project to note the status and recommendations for change.

Projects can be revised or dropped based on the evaluation report. The credit points are recalculated only if so many projects are dropped that the community may lose a class.

Updating the Public Information Program

The community must update its public information program document at least every five years. The update can be a new document or an addendum to the existing document that updates the needs assessment and all sections that should be changed based on evaluations of the projects.

The update will be reviewed for CRS credit according to the *Coordinator's Manual* currently in effect, not the version used when the community originally requested this credit. The update can qualify as the annual evaluation report for the year it was prepared. The updated document must be adopted following the same process as adoption of the original document.

If the public information program document includes a flood insurance assessment for element FIA credit and/or a coverage improvement plan for element CP credit under Activity 370 (Flood Insurance Promotion), the assessment part must be updated with current flood insurance data. Depending on the conclusions after reviewing the new data, the appropriate parts of the assessment and plan need to be updated as well. As with the original document, the draft of the update needs to be sent to the FEMA Regional Office's Insurance Specialist.

Documentation

In addition to the materials provided for OP and FRP credit, the following documents are needed at the verification visit:

(a) A copy of the public information program document.

(b) Minutes of the meetings, sign-in sheets, or other documentation of the committee members' participation.

(c) Documentation that the public information program public information program has been adopted by the community.

The following are needed at each subsequent verification visit and with the annual recertification:

(a) Documentation that the public information program document has been reviewed and updated annually. This is in the form of a report, table, or spreadsheet that summarizes each outreach project, what was done, and the outcomes.

(b) Minutes of the meetings, sign-in sheets, or other documentation of the committee members' participation in the annual review.

At subsequent verification visits when a public information program update is due,

(a) Documentation that the public information program document has been updated. This can be a new document or an addendum to the existing document that updates the needs assessment and all sections that should be changed based on evaluations of the projects. The update must be adopted by following the same process as approval of the original document.

(b) Minutes of the meetings, sign-in sheets, or other documentation of the committee members' participation in the update.

(c) Documentation that the public information program update has been adopted by the community.

All documentation needed for stakeholder delivery credit (STK) is supplied with the OP and PPI documentation. It should be made clear in the public information program document which projects are delivered by stakeholders and therefore warrant STK credit.

Receiving CRS Credit

It is important to understand that there are no CRS credit points for preparing a public information program. The PPI credit comes in the form of bonus points added to outreach projects and other CRS public information activities, such as the website, that are included in the public information program and implemented by the community and/or other organizations or agencies.

The bonus is a 40% increase in the credit under Activity 330 for outreach project (OP) and/or flood response preparations projects (FRP) that are listed in the public information program document. Other activities have different increases in credit. For example, website contents covered in the PPI-credited public information program will increase WEB1 credit from a maximum of 47 points to 75 points, if the website includes additional creditable topics.

If the PPI-credited public information program identifies stakeholders as implementing outreach projects, those projects receive a 30% STK bonus in addition to the 40% PPI bonus. STK credit is only provided for those projects and messages listed in the PPI-credited document as involving stakeholders. The stakeholder organization does not need to be on the public information program committee, but it does need to be listed in the description of the project in the PPI-credited document.

There is no PPI bonus for projects that are not included in the public information program document or for messages that are not the same message described in the document. Such projects and messages can still be credited under OP and FRP, but they would not get the PPI or STK bonus.

Credit for Activity 330 (Outreach Projects) is described in more detail in *Outreach Projects for Credit under the Community Rating System*. That guide shows part of a Microsoft Excel® worksheet used to calculate credit points. The complete worksheet is downloadable and has additional columns for calculating the PPI and STK bonus points. An excerpt from Fort Collins' worksheet is shown below.

330 Outreach Project (OP) Worksheet

	Outreach Projects	Points per Topic	Topics Covered										Times per Year	OP	Multipliers

Review of the Public Information Program

Before the PPI bonus credit is applied to outreach projects and other public information activities, the public information program document is reviewed by the CRS to ensure that the seven required steps have been carried out. The ISO/CRS Specialist will provide the findings of the review to the community. Some important points about this review:

- Because this guide further explains the credit criteria and includes the latest policies and guidance, the criteria in this guide will be used to determine if a submittal qualifies for PPI and STK credit.
- The reviewer only sees what is submitted. If something is not included in public information program document, the community should also submit explanatory materials. For example, if the committee member listed in the document does not identify who is the floodplain manager, it can be so noted in a separate cover memo.
- During development of a public information program, community officials should feel free to contact their ISO/CRS Specialist with questions and/or to confirm that they are on the right track.
- It is highly recommended that communities submit drafts or even partial drafts of their public information program documents for courtesy review before their document is finalized.

An Example of a PPI Worksheet

PPI Worksheet						
Priority Audience	**Message**	**Outcome**	**Project(s)**	**Assignment**	**Schedule**	**Stakeholder**
Priority Audience 1. Coastal floodplain residents	Topic 1 message: Find out about your flood hazard	Increase in the number of map information inquiries	320 map info service to include info on flood depths, wave heights, and past floods (320)	Floodplain manager	Start as soon as staff has the maps	
			OP 3. Presentations to five neighborhood associations	Floodplain manager	Set up the five presentations by January 31	Neighborhood associations
			OP 4. Cable TV to show the neighborhood association presentation	Floodplain manager and public information officer	Tape the first two presentations and use the best scenes	Neighborhood associations, cable TV company
			OP 5. Mailing sent each year to residents of the SFHA	Floodplain manager and public information officer	Disseminate in May, before hurricane season	
		Increase in number of webpage hits	New website page will show flood depths and LiMWA boundary (350)	Floodplain manager and webmaster	Have on line by May 1 start of hurricane season	
		Increase in the number of people getting tech assistance	Floodplain manager to explain depths, waves, and past floods when providing assistance (360)	Floodplain manager	Start as soon as staff has the maps	
	Topic 2 message: Call your insurance agent to see if you have flood insurance coverage	The total number of SFHA policies increases	OP 1. FEMA brochure on flood insurance	Floodplain manager	Printed and dis-played by Feb. 28	FEMA
			OP 2. Local insurance agents advise their clients	Insurance agency representative on the PPI committee	Explain at March 15 insurance assoc. meeting	Insurance agencies
			OP 3. Presentations to neighborhood associations	See OP 3 above	See OP 3 above	See OP 3 above
			OP 4. Presentation on cable TV	See OP 4 above	See OP 4 above	See OP 4 above
			Website to summarize cost of typical policy and have link to FloodSmart (350)	Floodplain manager and webmaster	Have on line by May 1 start of hurricane season

			Website page on drainage maintenance (350)	Floodplain manager and webmaster	Have on line by May 1	
			Floodplain manager to explain owner's responsibilities when providing advice (360)	Floodplain manager	Start immediately	
			OP 3, 4 and 5 to cover dumping regs (540)	See OP 3, 4, and 5	See OP 3, 4, and 5	See OP 3, 4, and 5

Developing Okaloosa County CRS Program for Public Information

Executive Summary:

Okaloosa County received a draft verification of the community rating system (CRS) of 2735 points that resulted in a rating of 5. This correlates to a discount on flood insurance premiums of 25% or an average of $200 per year savings for individuals requiring flood insurance. By developing a Program for Public Information within the structure of CRS the rating will reach a sustainable 4. That rating would equate to a 30% discount on premiums or up to an average of $280 in per year savings for individuals. This would equate to an estimated total of $4.2M back in the citizens' pocket.

Introduction:

The Community Rating System (CRS) is a voluntary incentive program that recognizes and encourages community floodplain management practices that exceed the minimum requirements of the National Flood Insurance Program (NFIP). Over 1,500 communities participate nationwide.

Okaloosa County through its growth management department and certified floodplain managers submits documentation annually in relation to the National Flood Insurance Program (NFIP) Community Rating System (CRS). This documentation is then compiled and awards points towards activities identified in the CRS program. Every three (3) years the rating is recalculated. The last calculation was conducted in 2024 receiving a rating of five (5), with the next major review set for 2027.

Justification:

After thoroughly reviewing the credit calculations it was identified that there were credits that were easily attainable and sustainable. One such way to have maximum impact across the spectrum of activities was identified as a Program for Public Information (PPI). The majority of the requirements were met and are already being accomplished but were simply not codified under a specific program. The PPI gives an average of 40% bonus to credits across activities and has the capability to stack with other bonuses such as the

30% stakeholder bonus (projects highlighted by community stakeholders). Through just this one line of effort the county can easily attain a 4 rating.

Additionally, the PPI would have impacts outside of just CRS ratings. Certain grants (IE EMPG, HMGP, BRC) require active engagement and education of the public with strong stakeholder engagement. Key portions of being a Storm Ready community are also included in the requirements of the PPI and would increase the number of Municipalities that are storm ready. Being a Storm Ready community adds an additional 25 credits towards their CRS rating. The PPI would directly meet EMPA and EMPG requirements of stakeholder engagement as well as possibly improve public engagement in the Local Mitigation Strategy (LMS) Committee.

The PPI would not only impact unincorporated Okaloosa but will also impact municipalities if they are active members in the PPI process. Strengthening municipal and county relationships already exist in LMS and improving the CRS ratings of all participating municipalities.

Activities Impacted by the PPI:

CRS Elements with a Public Information Component			
Activity	**Element**	**OP Credit?**	**PPI Bonus?**
320 (Map Information Service)	Publicizing the service	*	*
330 (Outreach Projects)	Outreach projects (OP)	Yes	Yes
	Flood response preparations (FRP)	No	Yes
	Program for public information (PPI)	–	–
	Stakeholder delivery (STK)	–	–
340 (Hazard Disclosure)	Disclosure of the flood hazard (DFH)	No	Yes
	Real estate agents' brochure (REB)	No	Yes
350 (Flood Protection Information)	Website (WEB1)	No	Yes
360 (Flood Protection Assistance)	Property protection assistance (PPA)	No	Yes
	PPA site visits (PPV)	No	Yes
	Financial assistance advice (FAA)	No	Yes
	Publicity for PPA, PPV, and/or FAA	*	*
370 (Flood Insurance Promotion)	Coverage plan implementation (CPI)	No	Yes
Section 504 (Repetitive Loss Area Outreach Project)	Repetitive loss area outreach project	*	*
540 (Drainage System Maintenance)	Stream dumping regulations (SDR)	No	Yes
610 (Flood Warning and Response)	Annual outreach project prerequisite	*	*
620 (Levees)	Annual outreach project prerequisite	*	*
630 (Dams)	Annual outreach project prerequisite	*	*

* *OP credit can be provided for the publicity or outreach project prerequisite for this element. The OP credit can also receive the PPI and STK bonus credit if the project is in the PPI.*

The way forward:

To receive credit for the PPI a seven (7) step planning and public involvement process.

1) Establish a committee for public information. For PPI credit the committee must meet at least twice a year and consist of members inside and outside local government.
   A proposed Committee would consist of:

Okaloosa County	-Emergency Management -Floodplain Manager -Growth Management -County PIO	**
City of Crestview	-Planning	
City of Destin	-Public Works Director	
City of Fort Walton Beach	-Planning	
City of Mary Esther	-Code Enforcement	
City of Niceville	-Deputy City Manager	
City of Valparaiso	-City Administrator	
Town of Shalimar	-City Manager	
Town of Cinco Bayou	-City Manager	
City of Laurel Hill	-City Clerk	

   ** Each community government entity would be required to propose 1 or more local stakeholders.

2) Assess the community's public information needs.
   a. Identify Priority Areas
   b. Assess Flood Insurance Coverage
   c. Determine Priority Audiences
   d. Inventory Other Public Information Efforts
3) Formulate Messages
4) Identify Outreach Projects to Convey Message
5) Examine other public information initiatives
6) Prepare and adopt the public information program
7) Implement, Monitor, and Evaluate.

Completing these steps in coordination with the existing LMS committee would have a significant impact on credits received during the CRS Calculation Review Process. 10 of the 11 impacted activities during the last calculation would have improvements in credits. This is reflected even more so that PPI credits and bonuses are available in 9 of the 13 scored activities of 2024. An addition of 2 more scored areas would be added that were not previously credited at all.

City of Destin, FL

Dear Michael Burgess:

Enclosed are the preliminary results regarding credits for your Community Rating System (CRS) **cycle verification**.

At the present time, I have verified **2097** credit points for the **City of Destin**. This results in a CRS Classification of **6**. Attached are a draft verification report and a draft credit calculations worksheet AW-720 which contains an overall point summary. The information provided is subject to acceptance by DHS/FEMA.

Thank you for your cooperation during my visit. If you have any questions or when I can be of future assistance, please do not hesitate to contact me.

Respectfully yours,

Sarah VanSchoick

COMMUNITY
RATING
SYSTEM

VERIFICATION REPORT

City of Destin, FL — **Verified Class 6**

NFIP Number: 125158 — Cycle

Date of Verification Visit: July 31, 2024

DRAFT

This Verification Report is provided to explain the recommendations of Insurance Services Office, Inc. (ISO) to DHS/FEMA concerning credits under the Community Rating System (CRS) for the above named community.

A total of 2097 credit points are verified which results in a recommendation that the community remain a CRS Class 6. The community has met all Class prerequisites. The following is a summary of our findings with the total CRS credit points for each activity listed in parenthesis:

Activity 310 – Construction Certificate Management: Credit is provided for having written construction certificate management procedures for all new and substantially improved/substantially damaged buildings. (38 points)

Activity 320 – Map Information Service: Credit is provided for furnishing inquirers with basic flood zone information from the community's latest Flood Insurance Rate Map (FIRM). Credit is also provided for the community offering additional FIRM information, flood depth data, historical flood information, and natural floodplain functions. The service is publicized annually and records are maintained. (90 points)

Activity 330 – Outreach Projects: Credit is provided for informational outreach projects, general outreach projects, and targeted outreach projects. These projects are disseminated annually. (71 points)

Activity 340 – Hazard Disclosure: Credit is provided for state regulations requiring disclosure of flood hazards. (10 points)

Activity 350 – Flood Protection Information: Documents relating to floodplain management are available in the reference section of the Okaloosa County Public Library Cooperative. Credit is also provided for floodplain information displayed on the community's website. (51 points)

Activity 360 – Flood Protection Assistance: Credit is provided for offering one-on-one advice regarding property protection and making site visits before providing advice. (55 points)

Activity 420 – Open Space Preservation: Credit is provided for preserving approximately 17 percent of the Special Flood Hazard Area (SFHA) as open space and preserving open space land in a natural state. (306 points)

Activity 430 – Higher Regulatory Standards: Credit is provided for enforcing freeboard for new construction and substantial improvement, foundation protection, cumulative substantial improvement, protection of critical facilities, and local drainage protection. Credit is also provided for the enforcement of building codes, a Building Code Effectiveness Grading Schedule (BCEGS®) Classification, and regulations administration. (452 points)

Activity 440 – Flood Data Maintenance: Credit is provided for maintaining and using additional map data in the day to day management of the floodplain. Credit is also provided for maintaining copies of all previous FIRMs and Flood Insurance Study reports. (149 points)

Activity 450 – Stormwater Management: The community enforces regulations for stormwater management, soil and erosion control, and water quality. (212 points)

Section 502 – Repetitive Loss Category: Based on the updates made to the NFIP Report of Repetitive Losses as of May 7, 2024, City of Destin, FL has 206 repetitive loss properties and is a Category C community for CRS purposes. The community is required to submit either a Repetitive Loss Area Analysis or Floodplain Management Plan. (No credit points are applicable to this section)

Activity 510 – Floodplain Management Planning: Credit is provided for the Okaloosa County Local Mitigation Strategy 2022, adopted on January 2, 2022. A progress report must be submitted on an annual basis. (165 points)

Activity 540 – Drainage System Maintenance: Credit is provided for the regular inspection and maintenance of the community's natural drainage system, identified problem sites, and records are maintained. Credit is provided for implementing an ongoing Capital Improvements Program. The community enforces a regulation prohibiting dumping in the drainage system and annually publicizes the regulation. (243 points)

Activity 610 – Flood Warning and Response: Credit is provided for a program that provides timely identification of impending flood threats, disseminates warnings to appropriate floodplain residents, and coordinates flood response activities. A description of the flood exercise or After Action Report from an actual flood event must be submitted on an annual basis. Warning information and safety measures must be publicized annually. (255 points)

DRAFT

Activity 710 – County Growth Adjustment: All credit in the 400 series is multiplied by the growth rate of the county to account for growth pressures. The growth rate for Okaloosa County, FL is 1.13.

Attached is the Community Calculations Worksheet that lists the verified credit points for the Community Rating System.

ITEM # 2025-770

CITY OF DESTIN

AGENDA ITEM

COUNCIL MEETING DATE: July 7, 2025
TYPE OF AGENDA ITEM: Action Item
AGENDA OUTLINE NUMBER: 4.C.

TO: City Council

THRU: Larry Jones , City Manager
Kimberly Kopp, City Attorney

FROM: Jeffrey Cozadd, Projects, Grants and Contracts Manager

DATE: 6/20/2025

SUBJECT: RFQ 25-06-CD Crosstown CEI Presentations

I. BACKGROUND: At the June 16, 2025 council meeting Councilmember Bagby moved to invite Anchor CEI, Halff Associates, and Volkert to attend a council meeting and make presentations to the council as part of the RFQ 25-06-CD selection process. Councilmember Hebert provided a second to the motion, which passed 7-0.

II. DISCUSSION: Presentations and RFQ proposals are attached.

The City Council is asked to rank the firms one through three in order of preference. After ranking by the City Council, the City Manager or designee will begin negotiations with the top-ranked firm on an agreement based on the attached draft contract found in Appendix "B" of the RFQ. This City shall evaluate the compensation to determine if it is fair, competitive, and reasonable. The City reserves the right to include additional provisions if the inclusion is in the best interest of the City, or otherwise modify the Contract in the best interest of the City, as determined solely by the City. If an agreement cannot be reached with the top ranked firm, then staff will begin negotiations with next highest ranked firm from the Bid Committee's list until successful negotiations occur, or the firms on the council approved list is exhausted. Assuming the successful negotiation of an agreement, the final contract will be reviewed by the City Attorney and submitted to the City Council for their consideration and approval. The City Council shall have sole approval authority.

A. Link to Strategic Goals / Objectives: 1.6 Two-Lane Crosstown Connector Project

B. Effect on Budget (EOB):

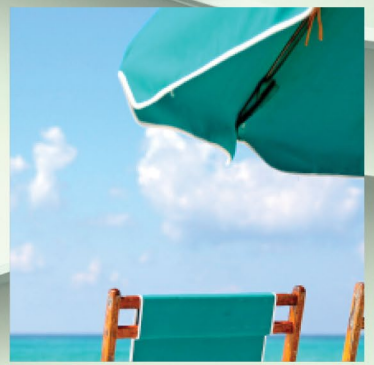
C. Level of Service (LOS): LOS will be increased.

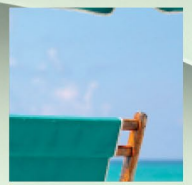
D. Legislative Sponsor:

E. Business Impact Statement:

III. CONCLUSION: Council is asked to rank the firms in order of preference from one to three. Staff would then attempt to negotiate with the top-ranked firm for the CEI Services, which would be subject to final approval by Council, in Council's sole discretion. If staff is able to reach an agreeable contract with the top-ranked firm, then staff would bring that contract back and task order to council for their approval. If not, then staff would move down the list of firms in order of ranking.

Each council member should rank the firms with their top choice as their first/most qualified, followed by second and third most qualified choices. Points will then be totaled from all council members and the firm with the LOWEST number will be the council's first choice. Each Council Member should provide a 1, 2 and 3 ranking.





IV. RECOMMENDED MOTION: I move to authorize staff to negotiate a contract, which will be subject to final approval by the City Council, starting with the top-ranked firm and if negotiations with that firm fail, moving down the list of the three firms in order of ranking, until a proposed contract is reached with a firm.

Anchor CEI
Engineering that works.

Who We Are!

Anchor CEI
Engineering that works.

Anchor is a woman-owned, full-service engineering firm that is registered as a(n):

- FDOT Disadvantaged Business Enterprise.
- Federally Designated Woman-Owned Small Business.
- State of Florida Woman-Owned Business

Anchor's owners are registered Professional Engineers in the State of Florida.

Anchor is FDOT Pre-Qualified to perform Minor Roadway Design (Group 3), Construction Engineering Inspection (Group 10), and Roadway Construction Engineering Inspection (Group 10.1).

Anchor's Team have obtained the following CTQP Certifications:

- FDOT Advanced Maintenance of Traffic Certification
- FDOT Earthwork Construction Inspections Levels I & II
- FDOT Asphalt Paving Technician Levels I & II
- FDOT Quality Manager
- FDEP Certified Stormwater Erosion & Sedimentation Control Inspector
- Nuclear Gauge Density Testing

Location, Location, Location!

Anchor CEI
Engineering that works.

Anchor's office is located in Panama City, Florida and is approximately 55 miles from the project site.

Anchor is currently inspecting other construction projects within the project area.

Anchor is contracted with neighboring communities of the City of DeFuniak Springs and the City of Freeport.

Anchor's Project Manager, Bryan Osborn, who will be the Inspection Supervisor, currently resides in Walton County, less than 20 minutes from the project site. Bryan will be available to meet with the City whenever needed.

Anchor's office and project manager proximity allows us to be highly responsive and readily available to address any pressing needs or emergencies that may arise.

Anchor take pride in being not only a reliable partner but also a neighbor who understands the local landscape and its unique demands.

Anchor will ensure that the City of Destin receives the highest level of service and support.

Florida Department of Transportation Experience!

Anchor CEI
Engineering that works.

Anchor is currently contracted on a team for District 3 Systems Planning Consultant.

Anchor is currently contracted on a team for District 3 General Engineering Contract.

Anchor has worked with the FDOT on many local LAP, SCOP, SCRAP, and BSCOP-funded projects.

Anchor understands the complexities of the each type of grant and what is required by the Department.

Anchor has a 15-year working relationship with District 3's Local Administrators and Project Managers.

Anchor understands the importance of meeting grant deadlines in order for the City to receive funding.

Anchor understands the importance of keeping accurate records throughout the construction phase to ensure local, state and federal compliance.

Anchor CEI
Engineering that works.

What is Our Approach?

Anchor's Construction Administration and Inspection Approach:

- Provide City of Destin with “peace of mind” knowing that Anchor is prepared and ready.
- Be the liaison between the City and FDOT, as needed.
- Ensure Contractor compliance with EEO and Davis Bacon Requirements.
- Coordinate between City, Contractor, Subcontractor(s), Utility Companies and FDOT.
- Ensure that the project has an accurate Project Layout.
- Ensure that Contractor provides Quality and Timely Testing.
- Provide quality CTQP-Certified On-Site Inspectors.
- Prepare Daily Inspection Logs using Raken Software®.
- Prepare Monthly/Quarterly State and Federal Reporting Documents.
- Oversee Contractor’s Material Testing.
- Review and Track Contractor’s Pay Applications.
- Prepare and Track Change Orders between Contractor and City. Obtain FDOT’s pre-authorization of Change Orders to ensure the Department’s funding availability.
- Prepare Close-Out Packages to both FDOT and City of Destin.

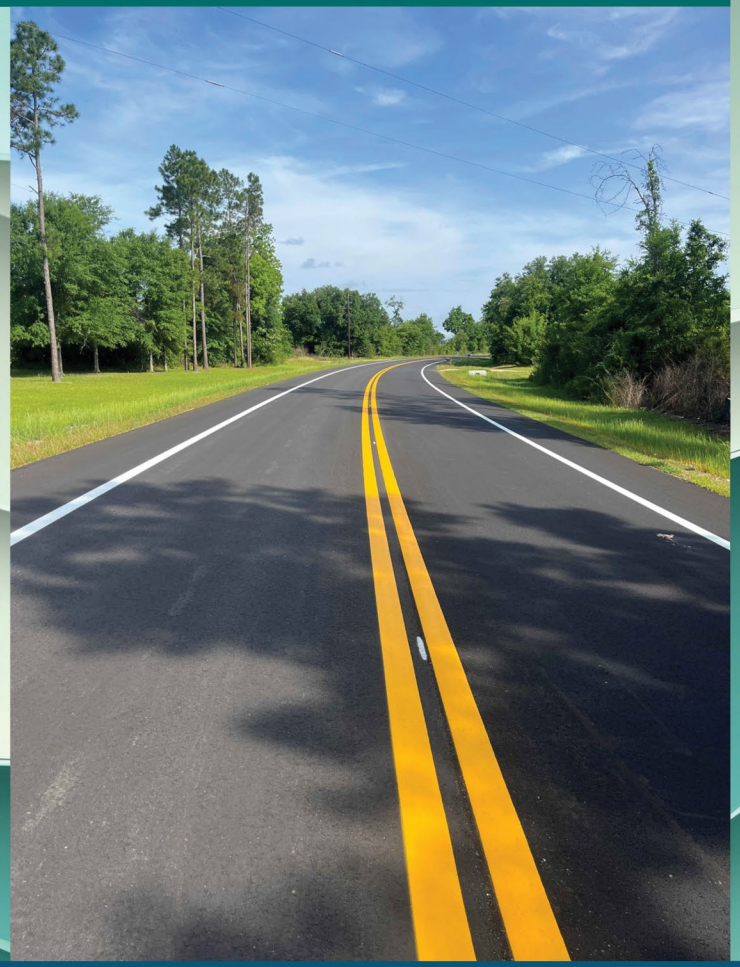
Project Examples!



Anchor CEI
Engineering that works.

County Road 69A Roadway Improvements Phases I, II and III
Calhoun County, Florida (LAP Project)

This project, funded by the ***FDOT LAP*** program, included approximately 3 miles of roadway widening and resurfacing along County Road 69A, from State Road 36 to County Road 194 (Macedonia Road), in Blountstown, Florida.

The project included paving, paved shoulders, driveway improvements, drainage improvements including culvert extensions and concrete headwall, minor earthwork, signing and striping.

Anchor performed construction administration and inspection and resident compliance specialist services.

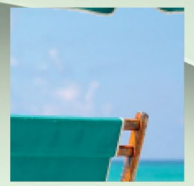
450 Magnolia Avenue
Panama City, Florida
Tele: 850.215.1285 | Fax: 850.215.1285 | www.anchorcei.com

Anchor CEI
Engineering that works.

Project Examples!

East Ivan Road Resurfacing and Reconstruction
Wakulla County (SCRAP Project)

These two projects, funded by the ***FDOT SCRAP*** program, included approximately 2.25 miles in length of roadway resurfacing along East Ivan Road in Wakulla County, Florida. Additional construction included drainage improvements, the replacement of signage/ striping, roundabout construction, as well as improvements to the intersection of Crawfordville Hwy and Wakulla Arran Road.



Anchor performed construction administration and inspection services.

UTILITY COORDINATION

US 98 at Stahlman Avenue

FAQS

What is the most concerning part of the project?

- Utility coordination/relocation
- Public relations: detours, school buses, mail delivery, garbage pickup
- Safety: attractive nuisance, pedestrians, school children (walkers, bicyclists, bus stops)
- Landscaping and irrigation
- Maintenance and ownership of Phase One during Phase Two construction
- Level of survey and control

Where are the cost savings?

- Specification quality bonuses and adjusted thickness bonus
- Changes to materials for landscaping

How do you plan to approach this project?

- Local committed staff, pro-active communications and pre-emptive actions
- Unyielding focus on safety and quality

Example of identifying and solving a problem:

- PJ Adams utility coordination
- Attaching conduit to a bridge can be time consuming and costly – cost savings to use the existing bridge barrier conduit – identified and resolved pre-construction **= $330K savings**

Are you available to start immediately?

- Yes. H&T expected to start in July

What type of reports and documentation will you provide?

- Halff has developed a proprietary application for daily diaries and photo database

Do you have any innovative techniques or technology for this job?

- Multivista web cam
- Time stamped GPS for digital documentation

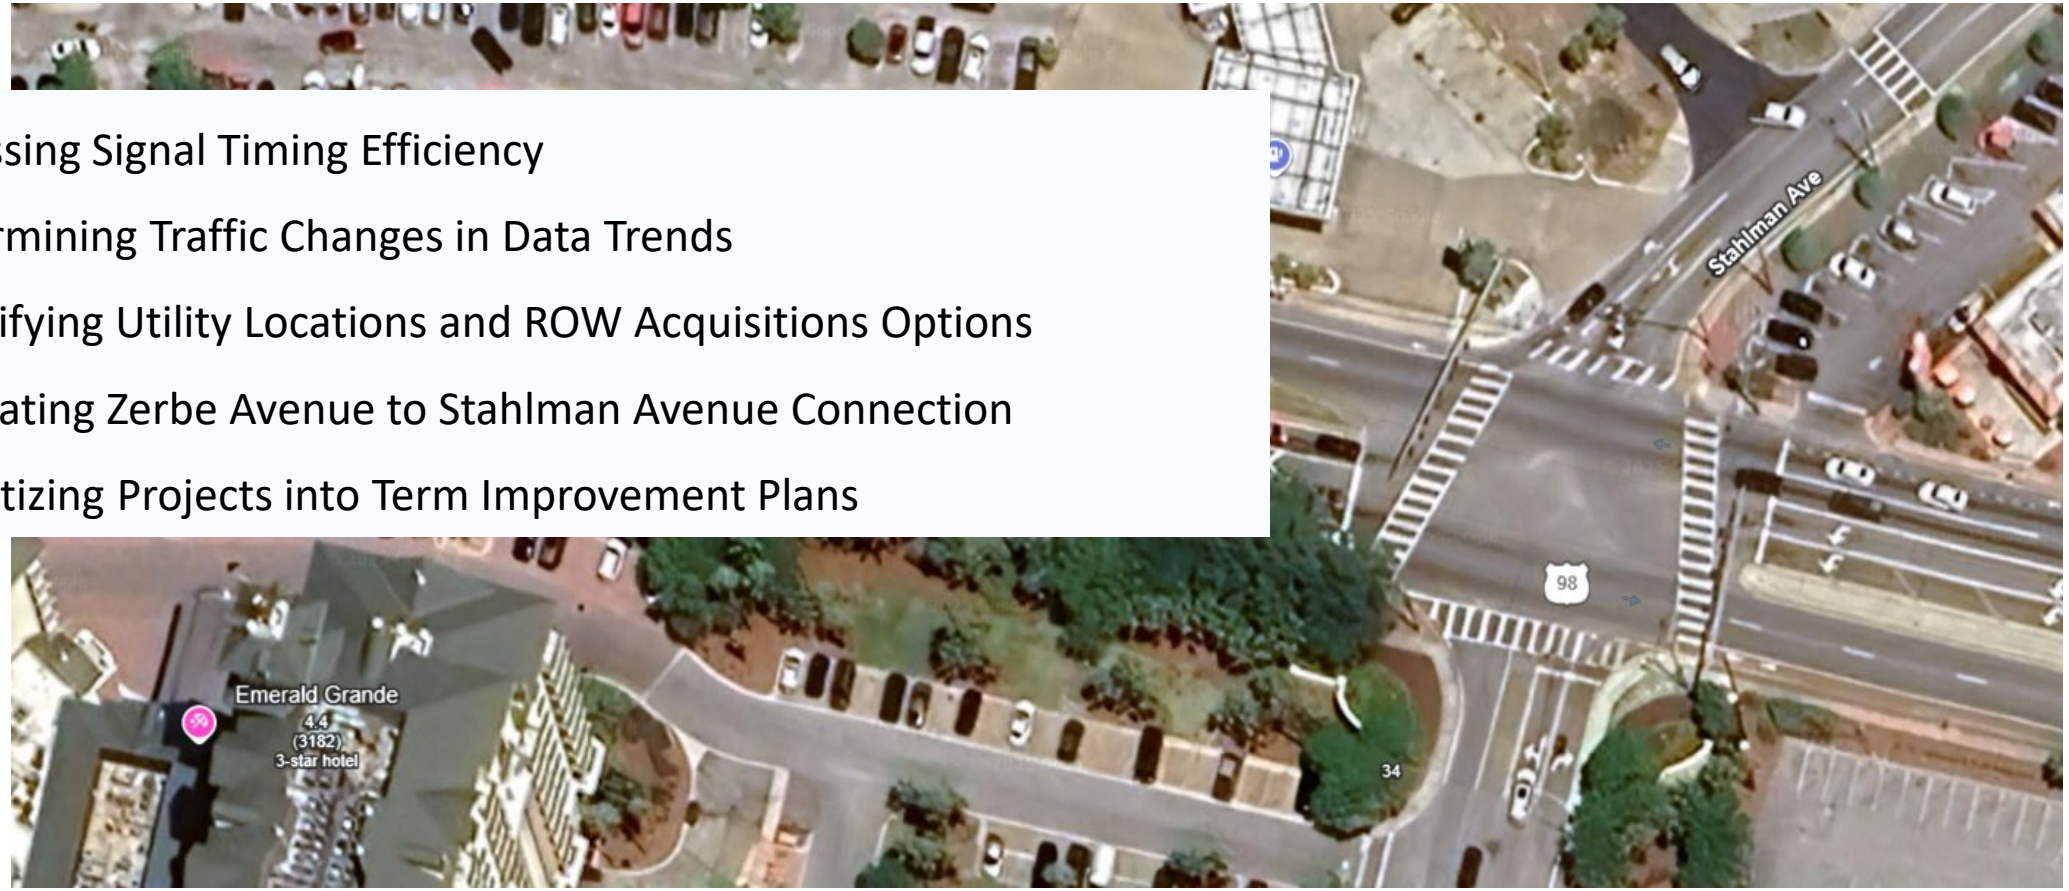
CONSTRUCTION ENGINEERING AND INSPECTION SERVICES FOR THE CROSSTOWN CONNECTOR PROJECT

RFQ No. 25-06-CD

JULY 7, 2025

VOLKERT

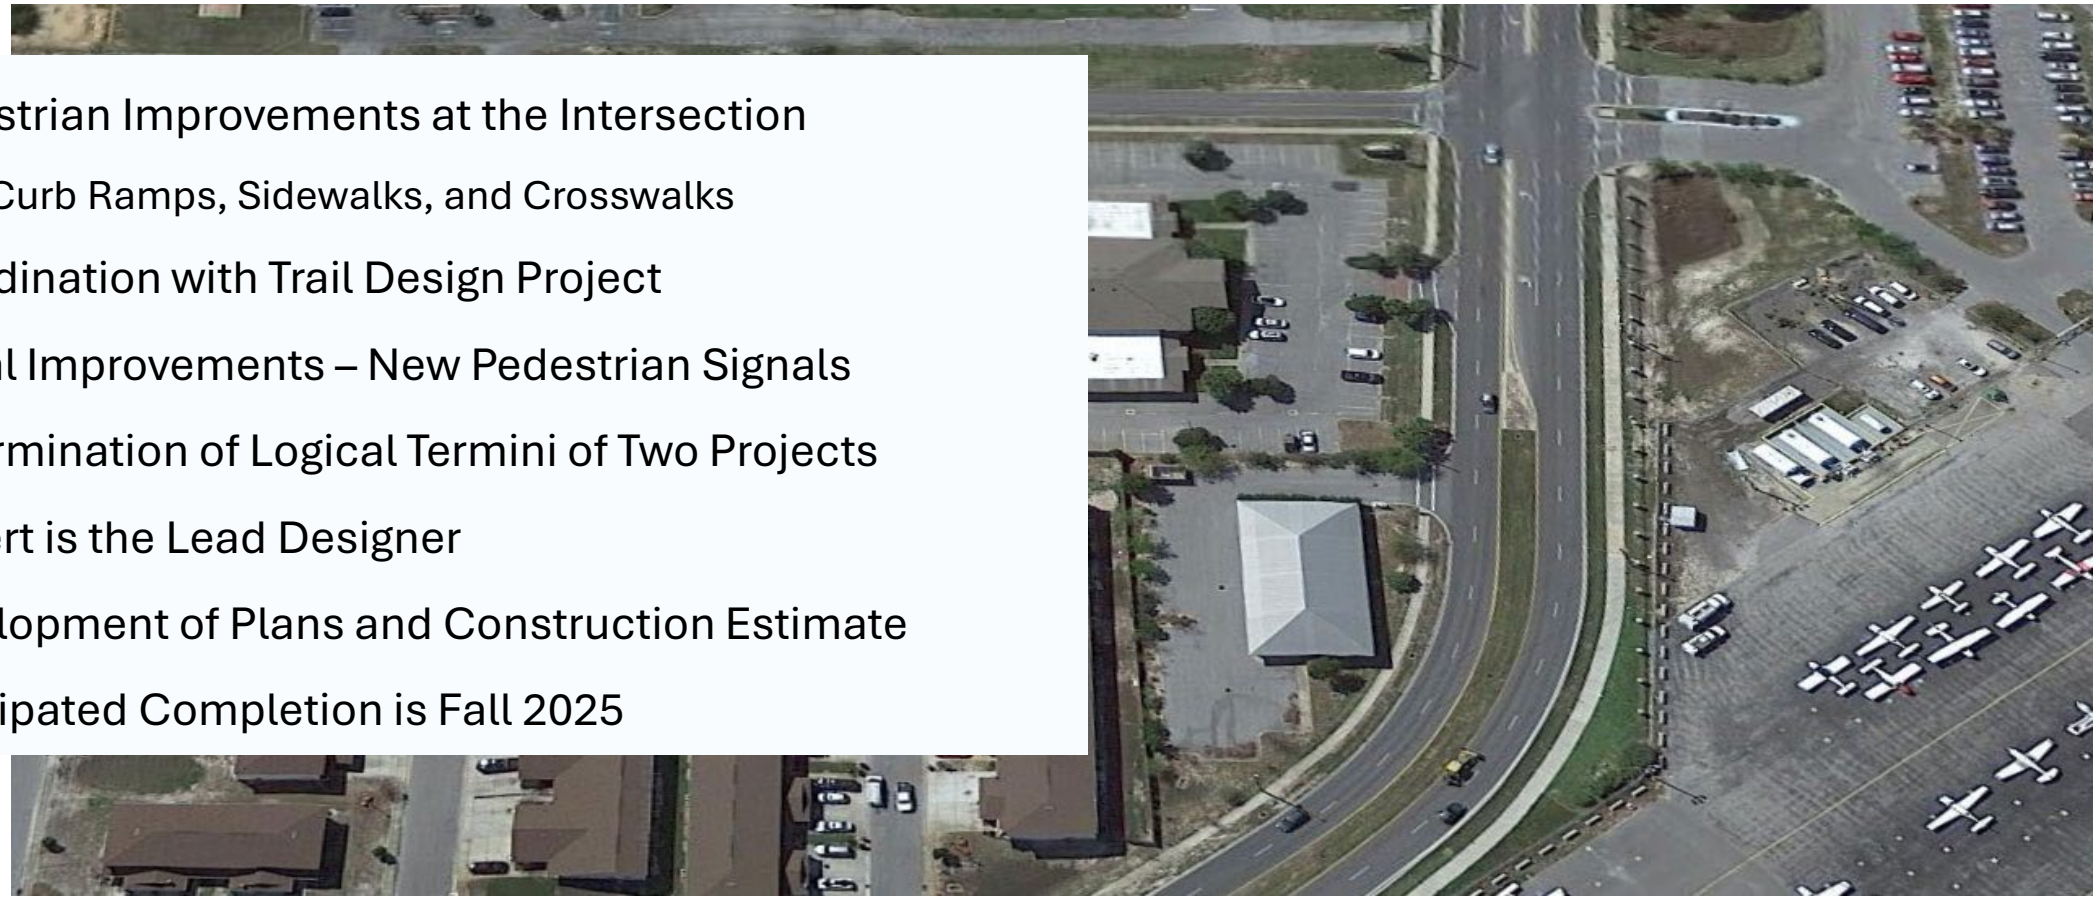


EXTENDING OUR WORKING RELATIONSHIP

The Volkert Team currently holds and has maintained a **General Engineering Services Contract with the City of Destin since 2020**, demonstrating our consistent commitment to the City's infrastructure goals.

Past Design Project

US 98 at Stahlman Avenue Intersection Traffic Assessment, City of Destin



- Assessing Signal Timing Efficiency
- Determining Traffic Changes in Data Trends
- Identifying Utility Locations and ROW Acquisitions Options
- Evaluating Zerbe Avenue to Stahlman Avenue Connection
- Prioritizing Projects into Term Improvement Plans

Recent Design Project

Airport Road and Common Drive Pedestrian Improvements, City of Destin

- Pedestrian Improvements at the Intersection
  - Curb Ramps, Sidewalks, and Crosswalks
- Coordination with Trail Design Project
- Signal Improvements – New Pedestrian Signals
- Determination of Logical Termini of Two Projects
- Volkert is the Lead Designer
- Development of Plans and Construction Estimate
- Anticipated Completion is Fall 2025

INTRODUCTION OF YOUR LOCAL TEAM

PROJECT NOTES

- **Phased Construction – 435 days total**
  - **Phase 1: ADS Stormwater System Installation / H&T Contractors**
  - **Construction timeframe: Begins July 2025 – Ends December 2025**
  - **Phase 2: Roadway Construction / Contractor To Be Determined**
- **Team and Client Communication and Coordination**
- **Project Understanding and Approach (Pre, During, and Post Construction)**
- **Documentation and Compliance**
- **Managing Project Budget and Schedule Oversight**
- **Quality Assurance/Quality Control**

WHY VOLKERT?

- The Volkert Team meets the requirements needed to be considered for this project
- Experienced working on urban CEI projects
- Team members and support staff are available to begin working on this project immediately upon notice to proceed (NTP)
- Keys to Volkert's Success - Core Values: Service, Quality, Ethics, and Safety

We are excited to continue building our valued relationship with you!

City Clerk's Office
4200 Indian Bayou Trail
Destin, Florida 32541

Re: Letter of Response to the Request for Qualifications
RFQ No. 25-06-CD: Construction Engineering and Inspection Services for the Crosstown Connector Project

Dear City Clerk's Office:

Anchor Consulting Engineering and Inspection, Inc. (Anchor) is pleased to submit one original and one digital copy of our ***Letter of Response to the Request for Qualifications*** to City of Destin for the ***Construction Engineering and Inspection Services for the Crosstown Connector Project***.

Anchor is a woman-owned, full-service engineering firm located in Panama City and a satellite office in Apalachicola serving Northwest Florida. Anchor was founded in 2015 by Ms. Elizabeth Syfrett Moore, PE, who serves as President, and Ms. Brittany Trumbull, PE, who holds the position of Vice-President. Both founders play pivotal roles in the day-to-day operations of the firm, senior project management, senior design and engineering services, and quality management review of all documents prior to submittal. Our founders bring decades of combined experience in the civil engineering industry, which has been instrumental in shaping Anchor into a reputable and reliable partner for numerous projects across Northwest Florida.

Ms. Moore and Ms. Trumbull have at their sole discretion, the ability to make all decisions pertaining to this Request for Qualifications or any other questions that may arise during the procurement process, and have authority to bind the principal proponent.

Anchor is committed to being City of Destin's construction inspection team and we appreciate your consideration of Anchor for this important contract. Should you have any questions, please feel free to contact me at the contact information provided above.

Respectfully,
Anchor Consulting Engineering and Inspection, Inc.

Elizabeth S. Moore, P.E.
President

Brittany Trumbull, P.E.
Vice President

RESPONDENT'S QUALIFICATION STATEMENT

The undersigned certifies under oath the truth and correctness of all statements and of all answers to questions made hereinafter:

BE CONSIDERED COMPLETE AND ACCEPTABLE

3. If Respondent is an individual or a partnership, answer the following:

   a. Date of organization: N/A

   b. Name, address and ownership units of all partners:

   c. State whether general or limited partnership: _____

4. If Respondent is other than an individual, corporation or partnership, describe the organization and give the name and address of principals:
   N/A

5. If Respondent is operating under a fictitious name, submit evidence of compliance with the Florida Fictitious Name Statute.

6. How many years has your organization been in business under its present business name?
   10 years

   Under what other former names has your organization operated?
   N/A

7. Indicate registration, license numbers or certificate numbers for the businesses or professions, which are the subject of this Bid. Please attach certificate of competency and/or state registration.
   State of Florida Business License P15000073098
   Office Professional Engineer's License No. 31422
   Office Licenses & Staff Licenses and CTQP Certifications are in Tab 6.K

8. Have you ever failed to complete any work awarded to you? If so, state when, where and why:
   No.

THIS PAGE MUST BE SUBMITTED FOR RESPONSE TO
BE CONSIDERED COMPLETE AND ACCEPTABLE

9. List the pertinent experience of the key individuals of your organization (continue on insert sheet, if necessary)

ELIZABETH MOORE, P.E. - SENIOR CEI PROJECT MANAGER/PROJECT ENGINEER; BRITTANY TRUMBULL, P.E. - SENIOR CEI PROJECT MANAGER/PROJECT ENGINEER; BRYAN OSBORN, P.E. - SENIOR CEI PROJECT MANAGER AND PROJECT ENGINEER; MANDY O'REGAN - CONSTRUCTION ADMIN; JEREMY LEB - CEI SENIOR INSPECTOR

10. State the name of the individual who will have personal supervision of the work:

Bryan Osborn, P.E. will be the Construction Supervisor

11. State the name and address of attorney, if any, for the business of the Respondent:

Clayton Syfrett, SDF Law, Inc., 311 Magnolia Avenue, Panama City, Florida 32401

12. State the names and addresses of all businesses and/or individuals who own an interest of more than five percent (5%) of the Respondent's business and indicate the percentage owned of each such business and/or individual:

Elizabeth S. Moore, P.E., President owns %51 of company

Brittany Trumbull, P.E., Vice President owns 49% of company

13. State the names, addresses, and the type of business of all firms that are partially or wholly owned by Respondent:

N/A

14. Annual Average Revenue of the Respondent for the last three years as follows:

		Revenue Index Number
a.	Government Related Work	4
b.	Non-Governmental Related Work	4
	Total Work (a +b):	8

Revenue Index Number

1.	Less than $100,000
2.	$100,000 to less than $250,000
3.	$250,000 to less than $500,000
4.	$500,000 to less than $1 million
5.	$1 million to less than $2 million
6.	$2 million to less than $5 million
7.	$5 million to less than $10 million
8.	$10 million to less than $25 million
9.	$25 million to less than $50 million
10.	$50 million or greater

THIS PAGE MUST BE SUBMITTED FOR RESPONSE TO
BE CONSIDERED COMPLETE AND ACCEPTABLE

21. List and describe all criminal proceedings or hearings concerning business related offenses to which the Respondent, its principals or officers or predecessors' organization(s) were defendants.
None.

22. Has the Respondent, its principals, officers or predecessors' organization(s) been CONVICTED of a Public Entity Crime, debarred or suspended from bidding by any government during the last five (5) years? If so, provide details.
No.

The Respondent acknowledges and understands that the information contained in response to this Qualification Statement shall be relied upon by owner in awarding the contract and such information is warranted by Respondent to be true. The discovery of any omission or misstatement that materially affects the Respondent's Proposals to perform under the contract shall cause the owner to reject the Response, and if after the award, to cancel and terminate the award and/or contract.

ITEM NO. 16 FROM RESPONDENT'S QUALIFICATION STATEMENT

Cost and Schedule Management in Construction Projects

Anchor implements a strategic approach to manage budget costs and adhere to scheduled milestones in construction projects. Its well-defined policies and practical methods ensure that resources are optimized, risks are mitigated, and objectives are achieved within the approved frameworks. Below is a detailed exploration of Anchor's policies and methods for effective project completion. Three of the best ways to ensure that a project is on time and will finish under or on budget are the inclusion of meetings throughout the construction phase, construction inspection, and detailed analysis of change orders.

Pre-Construction, Prevaing, and Progress Meetings

In construction projects, meetings play a vital role in ensuring smooth execution and effective collaboration among stakeholders. Three key types of meetings often take place throughout the life cycle of a project: preconstruction, prepaving, and progress meetings. Each type serves a distinct purpose, addressing specific phases and requirements, while collectively contributing to the success of the project. By holding these meetings, it is easier to see if the project is running into issues or an issue that need to be addressed before the issue causes the project to be delayed.

Pre-Construction Meetings

Pre-construction meetings are held before the actual construction work begins. Their primary function is to align all stakeholders, clarify project goals, and address any potential challenges. These meetings serve as a foundation for project execution, ensuring that everyone involved has a clear understanding of their roles and responsibilities.

Key Topics Covered include:

- Project Scope and Specifications: Detailed review of plans, designs, and specifications to confirm accuracy and feasibility.
- Roles and Responsibilities: Identification of key personnel, contractors, and subcontractors, along with their specific duties.
- Budget: Reviewing the awarded contract amount, remittance of pay applications and waivers that are required, retainage held and the liquidated damages for not meeting the substantial and final completion dates. The Change Order process will be reviewed during the pre-construction meeting. Anchor will ensure that the Contractor understands that no work should be completed without a change order being fully executed and returned.
- Timeline and Milestones: Establishing a schedule with clear deadlines and benchmarks including substantial and final completion dates.
- Shop Drawing Submittals: Reviewing what shop drawings will be needed and process for submitting shop drawings. Upon submittal of the shop drawing, Anchor will provide comments and/or approval within 1 week.
- Schedule: Anchor will request that the Contractor submit a detailed Gantt schedule outlining all work to be completed and dates that each milestone will be accomplished.
- Safety Protocols: Discussions on safety measures, site hazards, and emergency procedures.

- Permits and Compliance: Verification of necessary permits and adherence to local regulations.
- Communication Plan: Setting up protocols for effective communication among stakeholders.

The City of Destin personnel, Anchor's Construction Administration and Inspection Team, Atkins North America, Inc. (Engineer of Record), the awarded Contractor and its subcontractors, the Florida Department of Transportation, utility companies that may be affected, and applicable permitting agencies will be invited to attend this meeting to ensure that all parties have a chance to provide input prior to construction commencement. This is one of the best ways to ensure that the project begins with a clear understanding of what will be involved and handle any initial conflicts.

Pre-Paving Meetings

Pre-paving meetings are specifically tailored for paving projects. They focus on the preparation, materials, and techniques required for successful paving operations. These meetings are crucial for ensuring the durability and quality of paved surfaces.

Key Topics Covered include:

- Material Specifications: Confirmation of the type and quality of paving materials to be used.
- Equipment and Machinery: Discussion of the equipment requirements and readiness for paving operations.
- Weather Conditions: Review of weather forecasts to plan optimal paving schedules.
- Time Off: Review of any holidays or other events that might affect the paving operations.
- Asphalt Mix: A review of the Asphalt Mix, which must be submitted prior to the meeting.
- Site Preparation: Ensuring the base layer and grading are ready for paving.
- Quality Control: Establishing testing protocols for material and surface quality.

The City of Destin personnel, Anchor's Construction Administration and Inspection Team, Atkins North America, Inc. (Engineer of Record), the awarded Contractor and its subcontractors, and the Florida Department of Transportation will be invited to attend this meeting to ensure that all parties have a chance to provide input prior to paving commencement. This is one of the best ways to ensure that paving begins with a clear understanding of what will be involved and handle any initial conflicts.

Progress Meetings

Progress meetings are held periodically throughout the construction timeline to review the status of ongoing work, address challenges, and ensure the project stays on track. Depending on the length of the project, these meetings could be held bi-weekly or monthly. These meetings provide an opportunity to reassess goals and adapt strategies as needed.

Key Topics Covered include:

- Status Updates: Reporting on completed tasks, pending work, and current challenges.
- Budget and Costs: Monitoring expenses and ensuring budget adherence.

- Timeline Adjustments: Revising schedules to accommodate shifts in priorities or delays.
- Quality Assurance: Verifying the quality of work and compliance with standards.
- Stakeholder Feedback: Incorporating input from team members and clients.
- Action Items: Assigning tasks and responsibilities for the next phase.

The City of Destin personnel, Anchor's Construction Administration and Inspection Team, Atkins North America, Inc. (Engineer of Record), the awarded Contractor and its subcontractors, and the Florida Department of Transportation will be invited to attend these meetings to ensure that all parties have a chance to provide input. This is the best way to ensure that the project is running on time and within budget.

Construction On-Site Inspection

Construction projects are intricate undertakings requiring coordination among various teams, adherence to stringent regulations, and the seamless execution of tasks. A critical aspect of ensuring success in these projects lies in thorough on-site inspections. These inspections serve as the backbone of quality assurance, compliance, and progress assessment. In particular, on-site inspections play a vital role in maintaining construction schedules, safeguarding timelines, and preventing costly delays.

Monitoring Progress

Our on-site construction inspectors allow Anchor's Senior Project Managers, the City of Destin, and the Florida Department of Transportation to monitor the progress of construction activities in real-time. Anchor's on-site construction inspectors assess whether work is being carried out according to the project plan and timeline, enabling adjustments before small delays cascade into larger disruptions.

Ensuring Compliance with Standards

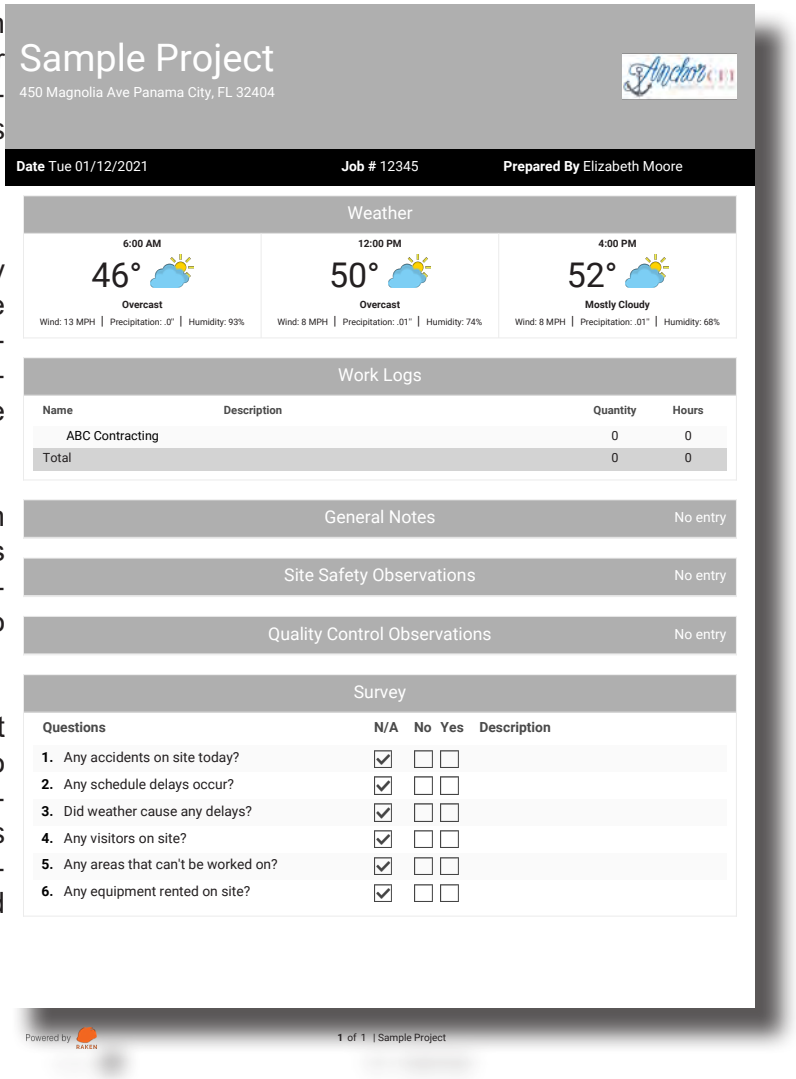
Construction is governed by a plethora of regulations and standards, including safety codes, environmental guidelines, and contractual obligations. Anchor's on-site construction inspectors ensure that all activities align with these requirements, reducing risks of penalties, rework, or shutdowns that could jeopardize the schedule.

Quality Assurance

Anchor's on-site construction inspectors evaluate the materials, techniques, and workmanship to ensure the final product meets the specified standards. Poor quality often leads to repairs or replacements, adding time and cost to the project. Our regular inspections help identify and resolve such issues early, preserving the timeline.

Safety Oversight

Safety inspections are integral to maintaining a smooth construction schedule. By identifying and mitigating hazards, inspectors prevent accidents that could halt work and lead to delays. A safe worksite also boosts morale and productivity, directly correlating with timely project completion.



CTQP Qualified

Anchor will provide an on-site Construction Engineering Inspector who is qualified in the applicable FDOT Certification Workshops related to the project for the duration of the project.

Anchor has extensive experience overseeing construction projects for cities and counties throughout northwest Florida. Due to our experience not only in inspection of construction projects, but in design of these types of projects, our construction inspection team is able to identify problems during construction that may go undetected by other inspection teams. A copy of the Raken Inspection Report that Anchor's uses during site inspections is found below.

Field Discrepancies

If any discrepancies are found, Anchor's Construction Inspector will notify Anchor's Senior Project Manager and the Contractor immediately. Anchor's Senior Project Manager will follow up with the appropriate parties at the City and FDOT (if needed).

Pay Applications and Cost Control

Anchor will review all pay applications submitted by the Contractor to ensure accurate quantities have been included, and pay applications reflect the previous month's totals. The pay applications will be reviewed against the Contractor's Bid Form to ensure costs or materials are at Bid Price.

Anchor's construction inspector will provide inspection reports which include recorded quantity observations and measurements for payment purposes. This information will be reviewed against the pay application to ensure accuracy.

Anchor will verify asphalt truck ticket quantities against the quantity provided by the Contractor. Anchor also understands that the Contractor may submit a pay application for stockpiled materials as long as it conforms to the amount and type of said material in the specification and stocked materials have been field verified by the Construction Inspector.

Supplemental Agreements/ Change Orders

Change orders are an integral part of construction projects and often arise due to unforeseen circumstances, alterations in client requirements, or errors in design and planning. While these changes are sometimes unavoidable, managing them effectively is crucial to ensuring that the construction budget remains intact.

Below are strategies Anchor utilizes to handle change orders efficiently without jeopardizing financial resources.

- Anchor will thoroughly review the Supplemental Agreement and Change Orders to ensure the Contractor is adhering to the Bid Unit Price.

- Anchor will conduct a detailed cost assessment to understand the financial impact the change order may have on the project budget. If the costs are excessive, Anchor will explore alternative solutions that align with the budget. This will be shared with the City and Engineer of Record to ensure conformance with quality standards.

- Anchor will communicate with the Contractor and vendors to identify cost-saving measures.

- Anchor will prioritize essential changes. Anchor will evaluate each request thoroughly and prioritize those that are essential to the project's success. Anchor will discourage unnecessary alterations that add little value but inflate costs.

- If after the assessments and negotiations, a change order is required, Anchor will request a formalized quote from the Contractor and will prepare the Supplemental Agreement/Change Order for the City's review.

Anchor constantly monitors the project's progress and associated costs to ensure that change orders are implemented as planned. Comparing actual expenditures to the budget can help identify discrepancies early and enable corrective action.

Anchor's approach will also include preventative measures to control changes and preventative actions in anticipation of possible problems, including:

- Monitoring the ongoing project activities against planning and project performance indicators.

- Influencing the factors that could circumvent integrated change control so that only approved changes are implemented.

ITEM NO. 17 FROM RESPONDENT'S QUALIFICATION STATEMENT

Quality Assurance/Quality Control Management Methods

Quality Assurance (QA) and Quality Control (QC) are two integral components of construction management that ensure the delivery of high-quality projects. While QA focuses on the processes and systems that prevent defects, QC emphasizes the inspection and testing of materials, workmanship, and overall project outcomes to identify and correct defects. Together, these methodologies provide a framework for maintaining standards, reducing risks, and ensuring client satisfaction.

Key Methods of Quality Assurance

Anchor has ensured that proper quality assurance protocols are in place that can prevent costly errors and delays. Some of the protocols Anchor uses in order to ensure quality assurance on its projects is detailed below.

- Anchor's Quality Management Plan: Anchor has a detailed Quality Management Plan which outlines the strategies, responsibilities, and procedures required to meet quality objectives.

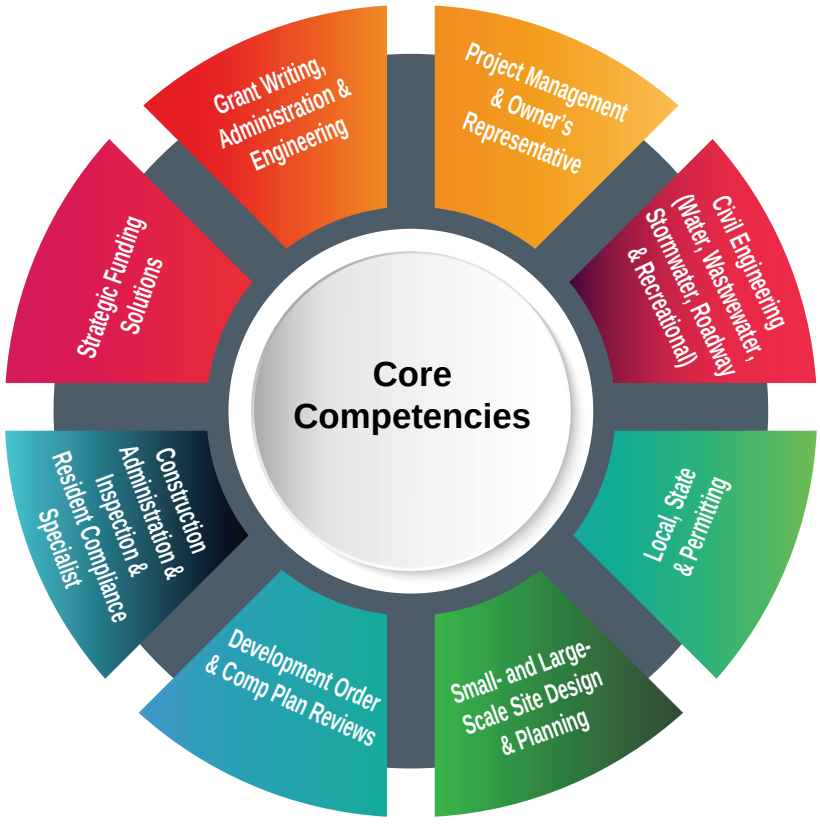
- Anchor's Standard Operating Procedures (SOPs): Our SOPs provide step-by-step instructions for routine tasks, ensuring consistency and reducing opportunities for errors.

- Anchor's Training and Certification Program: Anchor ensures that our inspectors are properly trained and has the appropriate CTQP certification to ensure that inspectors understand quality expectations, safety protocols, and technical requirements.

Key Methods of Quality Control

Anchor has ensured that proper quality control protocols are in place to detect and correct defects before project completion, reduce the amount of rework (thus saving time and cost), and improve overall project reliability and durability. Some of the protocols Anchor uses in order to ensure quality assurance on its projects is detailed below.

- Inspection and Testing: Anchor's regular inspections and material tests ensure compliance with standards and specifications. Common tests include concrete compressive strength, soil compaction, and asphalt core sample tests. Anchor ensures that the inspector is on site for any relevant testing.
- Checklists and Reporting: Anchor's use of the Raken Inspection Software guide inspections systematically, while reports document findings for accountability and future reference.
- Sampling Techniques: Anchor ensures that all sampling is completed as detailed in the specificaitons. Sampling provides significant insights into the quality of materials and processes.



FIRM'S QUALIFICATIONS

Our team specializes in construction administration and inspection, funding, grant writing and grant administration for civil engineering projects, grant engineering, design, permitting, bidding, and planning for water, wastewater, drainage/stormwater, recreational, and roadway projects. As a growing firm, with an assertive and tenacious attitude towards our work, we set for ourselves a higher-caliber goal, to be better each day, with each client, on each project. To provide ***Engineering that Works****!*

Our Core Competencies are detailed to the right.

Anchor's persevering attitude and character is championed by our collective years of staff knowledge and experience in engineering and construction-related services, our integrity in design and construction practices, our client-driven dependability, and our ability to exceed each client's expectations by meeting the specific needs of each client we serve in a timely manner and within or under budget.

The Anchor team has managed, designed, and inspected a multitude of state and federal funded projects. We hope the City allows us the opportunity to provide these services to the City and its residents on this important roadway project.

FDOT Pre-Qualification Work Types

In addition, Anchor is pre-qualified with FDOT for Work Types 3.1 - Minor Highway Design and 10.1 - Roadway Construction Engineering Inspection. Anchor's Team have a multitude of FDOT Certifications (refer to the FDOT Certifications following resumes of applicable inspection staff in ***Tab 3 - Proposals of Project Team***). Anchor's Team have a multitude of FDOT Certifications that can be found in ***Tab 6K***.

Florida Department of Transportation

RON DESANTIS
GOVERNOR

605 Suwannee Street
Tallahassee, FL 32399-0450

JARED W. PERDUE, P.E.
SECRETARY

November 15, 2024

Elizabeth Moore, President
ANCHOR CONSULTING ENGINEERING AND INSPECTION, INC.
450 Magnolia Avenue
Panama City, Florida 32401

Dear Ms. Moore:

The Florida Department of Transportation has reviewed your application for prequalification package and determined that the data submitted is adequate to technically prequalify your firm for the following professional services types of work per Rule 14-75, F.A.C.:

3.1 Minor Highway Design

10.1 Roadway Construction Engineering Inspection

Your firm is now technically prequalified with the Department for Professional Services in the above referenced work types. Your firm may pursue projects in the referenced work types with fees estimated at less than $500,000.00.* This status shall be valid until November 15, 2025, for contracting purposes.
*Limit for FDOT projects only

On the basis of self-certification materials submitted, the rates listed below represent the costs the Department has accepted.

Approved Rates

Home Overhead	Field Overhead	Premium Overtime	Home Direct Expense	Field Direct Expense
170.11%	127.65%	Reimbursed	0.00%	0.00%*

Per Title 23, U.S. Code 112, there are restrictions on sharing indirect cost rates. Refer to Code for additional information.

Should you have any questions, please feel free to contact me by email at carliayn.kell@dot.state.fl.us or by phone at 850-414-4597.

Sincerely,

Carliayn Kell
Professional Services Qualification Administrator

MBE/WBE/DBE/VBE Status

Anchor is registered as a Disadvantaged Business Enterprise and Small Business Enterprise with the Florida Department of Transportation (FDOT) as well as with the State of Florida Department of Management Services. Anchor is a certified DBE/WBE consultant.

Services to be Provided

Anchor has worked on a multitude of Florida Department of Transportation Grant Funded projects including LAP, SCRAP, SCOP, BSCOP, etc.

Anchor will project construction administration, construction inspection, and if required due to this project abiding by LAP requirements, Anchor will provide the resident compliance specialist for this project.

No subcontractors are anticipated for this project.

FIRM'S ORGANIZATION STRUCTURE

Anchor has the following organization structure in place to assist the City with its construction administration and inspection needs for this FDOT project, as shown below. Anchor is committed to excellence and as such our firm has worked with many local governments on a multitude of construction inspection projects to ensure those project meet all applicable federal, state and local design requirements.

Elizabeth Moore, P.E.

Anchor President
Client Service Manager
Senior Project Manager
Senior Engineer

Bryan Osborn, P.E.

Senior Project Manager
Senior Engineer
Day-to-Day Inspection Supervisor

Mandy O'Regan

Construction Administration/ Resident Compliance Specialist

Jeremy Leb

CEI Senior Site Inspector

Elizabeth Moore, P.E.
President, Client Service Manager
CEI Senior Project Manager
CEI Senior Project Engineer

29 Years

Upon graduation from the University of Florida with a degree in Civil Engineering, Ms. Moore began her career as the City Engineer for the City of Callaway (1995-1997). From 1997 to 1998, Ms. Moore returned to the University of Florida to obtain her Construction Management Master's Degree. From 1998 through 2004, Ms. Moore worked for Baskerville-Donovan, Inc., a Northwest Florida engineering firm where she managed multiple civil engineering projects. In 2001, Ms. Moore obtained her Florida Professional Engineering License (PE No. 57607). From 2004 to 2015, Ms. Moore worked as a Project Manager for Preble-Rish, Inc. (PRI) in Panama City and was promoted to the Regional Manager for the Bay County Area.

In 2015, Ms. Moore and Ms. Trumbull founded Anchor CEI, Inc. Ms. Moore's experience includes minor roadway design, utility design, regulatory permitting, traffic analysis, stormwater system design/master planning, water and wastewater design, master planning, grant writing construction administration, and engineering services during construction/inspection services. Ms. Moore has over 29 years of Civil Engineering and Construction Management experience.

Education
Bachelor of Science in Civil Engineering
1995 - University of Florida

Master of Engineering in Construction Management
1998 - University of Florida

Registrations
Professional Engineer – State of Florida PE License No. 57607

Affiliations
- PC Downtown Improvement Board Member

Anchor CEI

23 Years

Mandy O'Regan
Construction Administration/ Resident Compliance Specialist

Ms. O'Regan began her career as an administrative assistant at CDMSmith (2000 through 2011), where she assisted Client Service Managers, Project Managers, Project Engineers, Geologists and Marketing in the Tallahassee and Panama City office and beyond. From 2012 to 2015, Ms. O'Regan joined Preble-Rish, Inc. (formerly) out of Panama City where she worked with Brittany Trumbull and Elizabeth Moore. In 2017, Ms. O'Regan relocated to Fort Collins, Colorado where she worked for TST, Inc., while attending college at Front Range Community College, and assisted the CAD designers s well as worked as a TST-contracted planning technician for a local town where she worked alongside the Community Development and Planning Department on all land use submittals. In 2021, Ms. O'Regan returned to Panama City, Florida and began working with Anchor. Ms. O'Regan assists with Construction Administration on CEI projects, Permitting, and Planning Reviews. Ms. O'Regan has over 23 years of construction and engineering administrative experience as well as 6 years of planning related experience.

Education

CAD Certification – Front Range Community College 2021

AA – Front Range Community College (June 2022)

Discipline Experience

- Grant Administration
- Permitting
- Bidding
- Construction Administration

Construction Administration Project Experience

- County Road 69A Phase III Shoulders, Calhoun County
- Martin Luther King, Jr. Memorial Road Resurfacing (SCRAP), Wakulla County

AVAILABILITY AND WORKLOAD

It is understood that local governments, including the City of Destin, have particular fiscal constraints. Anchor, Inc. is dedicated to ensuring that the needs and interests of City of Destin are met by adhering to these constraints. Detailed scheduling is a critical element required for both the City and Anchor to deliver a successful project. Anchor is experienced in setting schedules for ourselves during the design phase of the project. Additionally, Anchor is experienced in providing schedule oversight during the design phase of a project. Anchor is ready to commit our time to City of Destin for this important project. Anchor can and will be easily ready for the City at the time of design commencement. We are committed 100% to the City and will provide all necessary manpower to ensure that the project is successful.

Workload and Availability

Anchor's office is located in Panama City, Florida and is approximately 55 miles from the project site.

However, Bryan Osborn, who will the City's contact for this project as well as the Inspection Supervisor, resides in Walton County, less than 20 minutes from the project site. Mr. Bryan Osborn, will be available to meet with the City whenever needed.

Our office and project manager proximity allows us to be highly responsive and readily available to address any pressing needs or emergencies that may arise. This advantage, coupled with our unwavering dedication to excellence, ensures that the City of Destin will receive the highest level of service and support. We take pride in being not only a reliable partner but also a neighbor who understands the local landscape and its unique demands. We understand the importance of improving the City’s infrastructure and protecting its natural scenery and resources.

PROJECT APPROACH

Project Understanding

Anchor has worked on previous LAP, SCOP, and SCRAP projects which were funded by the Florida Department of Transportation (FDOT) and Federal Highway Administration. We understand the importance of these projects and that deadlines need to be met.

Anchor's understands that City of Destin is seeking Construction Administration and Inspection services for the construction of a approximately 0.4 miles, 2-lane roadway that will connect Azalea Drive to Legion Drive which will include a roundabout at the intersection the new connector road, Legion Drive and Beach Drive 250, and the new connector roadway will cross over Benning Drive and Beach Drive 250. In addition, construction activities will include underground stormwater retention chambers, stormwater structures and pipes, stormwater swales and ponds, sidewalks, signing and pavement markings, street lighting, and landscaping. Phase One of this project will commence first and will include the underground stormwater retention system and connections. Phase Two will include the remainder of the project and will likely be let in the Fall of 2025. It is Anchor's understanding that this contract includes the construction administration and inspection services for both phases with two separate task orders issued for the phases.

Anchor has reviewed the scope of services provided in the RFQ submittal and acknowledges that Anchor can and will provide all services to the City for this project as outlined.

As shown in ***Tab 2 of RFQ Submitta***l, Anchor has obtained our FDOT Prequalification Letter which states we are prequalified to perform Construction Engineering Inspection (Group 10) and Roadway Construction Engineering Inspection (Group 10.1). From that project understanding, Anchor knows that experience based knowledge is one of the most important skill sets needed for this project.

Our experience on similar projects provides the basis for providing practical solutions to any construction management issue that may arise. It is our unparalleled and local experience, in not only inspection of similar projects, but also in contract administration, design, and materials sampling for a roadway improvement projects that allow us to complete projects on time and within budget. This experience based knowledge, along with our exceptional communication skills, will allow our firm to determine the quality of work and progress, identify discrepancies, and communicate directive actions efficiently to ensure timely completion.

EEO Capabilities

Anchor Consulting Engineers and Inspection, Inc. (Anchor) has worked for many local governments where projects were funded by the Florida Department of Transportation and the Federal Highway Administration. Anchor is versed with the required federal and state requirements for the Equal Employment Opportunity (EEO) reporting that is completed during the duration of the project to ensure that construction projects are fair and unbiased to the employees that are employed during those construction activities. All Prime Contractors and their subcontractors on all construction projects are subject to the EEO/Affirmative Action (AA) requirements specific to the project. If requested by the City, Anchor’s Resident Compliance Specialist ensures EEO/AA compliance with Contractors by completing the following during the duration of construction activities:

Technical Assistance

Anchor's Resident Compliance Specialist will provide technical assistance to the City, if required, as follows:

1. Ensure contractors are entering Disadvantaged Business Entity (DBE) commitments and payments through Equal Opportunity Compliance (EOC) system.
2. Review and check the Contractor's payrolls for conformance to state wages as defined in the contract.
3. Notify Contractor when payrolls are late and request immediate submission.
4. Submit/reject DBE commitments and payments through EOC.
5. Monitor the progress of the contract and DBE participation.
6. Maintain the official compliance records for the project.
7. Conduct employee interviews as required for the program.
8. Determine if DBEs are performing Commercially Useful Functions (CUFs). Submit CUF reports.
9. Notify Contractor of any discrepancies or violations and assist in the resolution of these events.
10. Maintain all documents, conduct interviews, and monitor the contractor's compliance.
11. Notify the DCCO of specific concerns or issues through Non-Compliance Notifications.

Project Coordination

Anchor's Inspection Team puts high emphasis on providing a construction product that will meet the standards of the City of Destin, FDOT, the Federal Highway Administration, AASHTO and the citizens of City of Destin. During construction, Anchor will require the following high level list of services from the Construction Team:

- Utility coordination and verification
- Accurate project lay out
- Quality and timely testing

Construction and On-Site Inspection

Anchor will provide an on-site Construction Engineering Inspector who is qualified in the applicable FDOT Certification Workshops related to the project for the duration of the project. The on-site Construction Inspector will review construction activities—including all roadway, structures, and specialty items—for conformance with the Specifications and Contract Drawings. Daily erosion control items and their effectiveness in the field will be inspected with conformance of the Specifications and Contract Drawings. In addition, traffic control compliance and health and safety concerns will be addressed. Anchor has extensive experience overseeing construction projects for cities and counties throughout northwest Florida.

State and Federal Reporting

Anchor will ensure that all state and federal reporting required for this project is prepared and submitted in a timely manner. Anchor has vast experience with FDOT/FHWA reporting requirements. This will include all DBE and LAPIT reporting.

Material Testing and Acceptance

Anchor's Construction Inspector will oversee the material samples collected by the Contractor as detailed in the Specifications, Plans, and/or Contract Documents for testing. These samples will be tested for their strength and durability per FDOT standards. In addition, Anchor's Construction Inspector will collect core temperatures of trucks to ensure the temperature is within tolerance. Those not within temperature tolerance will be rejected. This is especially important during the colder and hotter months of the year.

Anchor will confirm if the work items are completed according to the specifications and plans, either by the testing results received from the sample or certification verification, certified mill analysis, DOT label, DOT stamp, etc.

Progress Payments

Anchor will review all pay applications submitted by the Contractor to ensure accurate quantities have been included, and pay applications reflect the previous month's totals. The pay applications will be reviewed against the Contractor's Bid Form to ensure costs or materials are accurate.

The Construction Inspector will provide inspection reports which include recorded quantity observations and measurements for payment purposes. This information will be reviewed against the pay application to ensure accuracy. Anchor will verify asphalt truck ticket quantities against the quantity provided by the Contractor.

Grant Close-Out Activities

Anchor has worked on many FDOT grant funded projects and understands the importance of grant close-out and what is needed in order to successfully close out an FDOT grant project to ensure the City has abided by all grant regulations and receives all grant-related payments.

FDOT Procedure No. 375-030-006

Anchor certifies that it is in compliance with FDOT Procedure No. 375-030-006 (Restriction on Consultants Eligibility to Compete for Department Contracts) and that no principle is presently suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation on this transaction by any government department or agency.

County Road 69A Roadway Improvements Phases I, II and III (LAP Project) Calhoun County, Florida

Team Members:

Elizabeth Moore, P.E., Senior Project Manager
Brittany Trumbull, P.E., Senior Project Manager
Christine Jackson - Previous EEO Specialist
Jacob Brock - Current EEO Specialist
Mandy O'Regan - Construction Administration
Jeremy Leb - CEI Inspector

Client Contact:

Hunter Flowers
Calhoun County
850.674.3966

Type:

CA/CEI of all Phases

Construction Cost:

Approximately a combined $2.6 Million for all phases

Project Description:

This project, funded by the ***FDOT LAP*** program, included approximately 3 miles of roadway widening and resurfacing along County Road 69A, from State Road 36 to County Road 194 (Macedonia Road), in Blountstown, Florida. The project included paving, paved shoulders, driveway improvements, drainage improvements including culvert extensions and concrete headwall, minor earthwork, signing and striping.

East Ivan Road Resurfacing and Reconstruction (SCRAP), Wakulla County (Completed 2021) (FPID #440659-1-54-01)

Team Members:

Elizabeth Moore, P.E., Senior Project Manager
Brittany Trumbull, P.E., Senior Project Manager
Daryl Ball, CEI Inspector
Mandy O'Regan, Construction Administration

Client Contact:

Mike King
Director of Roads and Bridges
Wakulla County
850.926.7616 | mking@mywakulla.com

Construction Cost:

Approximately $850,000

Duration:

150 days

Project Description:

These two projects, funded by the ***FDOT SCRAP*** program, included approximately 2.25 miles in length of roadway resurfacing along East Ivan Road in Wakulla County, Florida. Additional construction included drainage improvements, the replacement of signage/striping, roundabout construction, as well as improvements to the intersection of Crawfordville Hwy and Wakulla Arran Road.

CEI Roadway and Other CEI Projects

Anchor has performed or is currently performing CEI services for the following projects for local governments within the Florida Panhandle:

- Bay County - WTP Train 1 Rehabilitation CEI Services
- Bay County - WTP Train 2 Rehabilitation CEI Services
- Heidt - Latitude at Margaritaville, Phase I to IV
- Heidt - West Bay Parkway Segments 1 to 5
- Jefferson County - Freeman Road Resurfacing
- Jefferson County - Beth Page Road
- Jefferson County - St. Augustine Road
- City of Quincy - Stewart Street Phase 1 SCOP Project
- City of Quincy - Stewart Street Phase 2 SCOP Project
- City of Panama City/Eastern Shipbuilding Group - Aluminum Fabrication Building
- City of Panama City Beach - PCB Parkway Reuse Transmission Extension
- City of Parker - Various Water, Sewer, Roadway, and Stormwater Projects
- City of St. Marks - Fire Escape Road SCOP
- St. Joe Company - SR. 79 Turn Lane CEI Services
- Wakulla County - CR 365 (Shadeville Road)
- Wakulla County - MLK Resurfacing
- Wakulla County - Ivan Church Road
- Wakulla County - Harvey Mill Road
- Wakulla County - Old Woodville Road - Phase II
- Wakulla County - Aaron Strickland Road
- Wakulla County - Smith Creek Road
- Wakulla County - East Ivan Road
- Wakulla County - CR 372 - Surf Road
- Wakulla County - Old Woodville Road - Phase 1
- Wakulla County - MLK Jr. Memorial Road
- Wakulla County - Aaran Road
- Wakulla County - Smith Creek Road over Mill Creek Bridge

A D D E N D A

CITY OF DESTIN
FLORIDA

RFQ TITLE: **RFQ No. 25-06-CD, CONSTRUCTION ENGINEERING AND INSPECTION SERVICES FOR THE CROSSTOWN CONNECTOR PROJECT**

RESPONDENT: Anchor Consulting Engineering and Inspection, Inc.

DATE SUBMITTED: June 9, 2025

We propose and agree, if this submittal is accepted, to contract with the City of Destin, in the Contract Form, to furnish all material, equipment, machinery, tools, apparatus, means of transportation, construction, coordination, labor and services necessary to complete/provide the work specified by the Contract documents.

Having studied the documents prepared by:

CITY OF DESTIN

We propose to perform the work of this Project according to the Contract documents and the following addenda which we have received:

ADDENDUM NO.	DATE	ADDENDUM No.	DATE
1	05/27/2025		

☐ **NO ADDENDUM WAS RECEIVED IN CONNECTION WITH THIS BID**

ADDENDUM NO. 1

CITY OF DESTIN, FLORIDA
REQUEST FOR BIDS RFQ NO. 25-06-CD
CONSTRUCTION ENGINEERING AND INSPECTION SERVICES FOR THE CROSSTOWN CONNECTOR PROJECT

MAY 27, 2025

To All Potential Proposers:

This addendum modifies the previously issued RFQ and is hereby made a part of the proposal documents. Per the RFQ, proposer shall acknowledge receipt of any and all addenda; and shall include this acknowledgement receipt in their submittal. Failure to do so may subject the proposer to disqualification.

The following items shall become a part of the proposal for the above-referenced project.

The City received the following questions from a potential bidder with respect to the City's RFQ NO. 25-06-CD. As per the City's standard practice, the City is furnishing the responses below to these questions.

Question: We have reviewed the Plan Set provided with RFQ No. 25-06-CD for the Crosstown Connector project. However, we would like to request a copy of any general provisions, special provisions, and applicable technical special provisions associated with this project.

Response: Everything that will be published has already been published for the project. There is no other information to provide.

Question: Please clarify that we are to include one (1) printed copy and one (1) .pdf copy saved on a USB drive.

Response: This is correct.

Question: Does the one printed copy need original "ink" signatures, or will digital signatures be accepted?

Response: Digital signatures are acceptable.

Question: Included in Appendix "A," the Respondent Acknowledgement form (page 24) has a field for the "Vendor Mailing Date." The date to be entered is the date we plan to send the sealed package of qualifications; for example, June 6, 2025.

Response: This is fine.

The bid opening date for 25-06-CD remains June 9, 2025 at 2:00 P.M. (CST)

END OF ADDENDUM NO. 1

A copy of Addendum No. 1 signed and acknowledged shall precede the mandatory information required in the subject RFQ.

Receipt of Addendum No. 1 is hereby acknowledged:

PUBLIC ENTITY CRIMES STATEMENT

CITY OF DESTIN, FLORIDA

REQUEST FOR QUALIFICATIONS (RFQ) NO. 25-06-CD
"CONSTRUCTION ENGINEERING AND INSPECTION SERVICES FOR THE CROSSTOWN CONNECTOR PROJECT
FOR THE CITY OF DESTIN"

SWORN STATEMENT UNDER SECTION 287.133 (3) (A)
FLORIDA STATUTES, ON PUBLIC ENTITY CRIMES

THIS FORM MUST BE SIGNED IN THE PRESENCE OF A NOTARY PUBLIC OR OTHER OFFICER AUTHORIZED TO ADMINISTER OATHS.

1. This sworn statement is submitted with Bid, Proposal or Contract Construction Engineering and Inspection Services for the Crosstown Connector Project

2. This sworn statement is submitted by
Anchor Consulting Engineering and Inspection, Inc.

whose business address is 450 Magnolia Avenue, Panama City, Florida 32401
and (if applicable) Federal Employer Identification Number (FEIN) is
35-2540829 (If the entity has no FEIN, include the Social Security Number of the individual signing this sworn statement:

3. My name is Elizabeth S. Moore, P.E. and my relationship to the entity named above is President

4. I understand that a "public entity crime" as defined in Paragraph 287.133(1)(g). Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or with the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or any agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

5. I understand that "convicted" or "conviction" as defined in paragraph 287.133(1)(b), Florida Statutes, means finding of guilt or a conviction of a public entity crime with or without an adjudication of guilt, in any federal or state trial court of records relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, non-jury trial, or entry of a plea of guilty or nolo contendere.

6. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), Florida Statutes, means:

1. A predecessor or successor of a person convicted of a public entity crime; or

2. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in

THIS PAGE MUST BE SUBMITTED FOR RESPONSE TO
BE CONSIDERED COMPLETE AND ACCEPTABLE

the management of an affiliate. The ownership by one of shares constituting a controlling income among persons when not for fair interest in another person, or a pooling of equipment or income among persons when not for fair market value under a length agreement, shall be a prima facie case that one person controls another person. A person who was knowingly convicted of a public entity crime, in Florida during the preceding 36 months shall be considered an affiliate.

7. I understand that a "person" as defined in Paragraph 287.133(1)(e), Florida Statutes, means any natural person or entity organized under the laws of the state or of the United States with the legal power to enter into a binding contract for provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active n management of an entity.

8. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. (Please indicate which statement applies)

__x__ Neither the entity submitting this sworn statement, nor any officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, nor affiliate of the entity have been charged with and convicted of a public entity crime subsequent to July 1, 1989.

____ The entity submitting this sworn statement, or one or more of the officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. (please attach a copy of the final order)

____ The person or affiliate was placed on the convicted vendor list. There has been a subsequent proceeding before a hearing officer of the State of Florida, Division of Administrative Hearings. The final order entered by the hearing officer determined that it was in public interest to remove the person or affiliate from the convicted vendor list. (please attach a copy of the final order)

_____ The person or affiliate has not been placed on the convicted vendor list. (Please describe any action taken by, or pending with, the Department of General Services.)

DRUG-FREE WORKPLACE

CITY OF DESTIN, FLORIDA

REQUEST FOR QUALIFICATIONS (RFQ) NO. 25-06-CD
"CONSTRUCTION ENGINEERING AND INSPECTION SERVICES FOR THE CROSSTOWN CONNECTOR PROJECT
FOR THE CITY OF DESTIN"

DRUG-FREE WORKPLACE CERTIFICATION

The below signed Bidder certifies that it has implemented a drug-free workplace program. In order to have a drug-free workplace program, a business shall:

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.

2. Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling rehabilitation and employee assistance programs and the penalties that may be imposed upon employees for drug abuse violations.

3. Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in subsection 1.

4. In the statement specified in subsection 1., notify the employees that, as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo contendere to, any violation occurring in the workplace no later than five (5) working days after such conviction.

5. Impose a sanction on, or require the satisfactory participation in drug abuse assistance or rehabilitation program if such is available in the employee's community, by any employee who is convicted.

6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

As the person authorized to sign this statement, I certify that this firm complies fully with the above drug-free workplace requirements.

RE: RFQ No. 25-06-CD Construction Engineering and Inspection Services for the Crosstown Connector Project

Dear Members of the Evaluation Committee:

Halff is pleased to submit our team's qualifications in response to the City of Destin's solicitation for CEI services. We understand the City is seeking a team with a strong local presence, proven experience, and the ability to work independently while maintaining a deep understanding of the project scope. The proposed Halff team meets – and exceeds – these expectations. With over 30 years of experience providing construction engineering and inspection (CEI) services throughout the Florida Panhandle, our team has successfully delivered projects for clients such as Okaloosa County, Walton County, Escambia County, Bay County, the City of Panama City Beach, and the Florida Department of Transportation (FDOT).

This City of Destin project has been in the planning and design stages for many years. With increasing traffic along US 98, the six-lane widening, and continued regional growth, the community stands ready for this work to proceed. The ***Halff team brings comprehensive expertise in every aspect of the Crosstown Connector's construction***, including ADS Chamber underground storage, storm drain trunk lines, stormwater ponds, urban roadway sections, pedestrian paths and sidewalks, roundabout construction, utility coordination, lighting, landscaping, and all related incidental construction. Halff prides itself on improving lives and communities. Projects that allow all transportation users to safely commute are at the forefront of achieving this goal. Our team pledges to provide unmatched service to promote safe and accessible transportation corridors.

Within the enclosed submittal, Halff highlights our firm qualifications, along with our recent and similar experience. We also outline the qualifications of our talented staff, detail our in-house capabilities, and introduce our teaming partners – each of whom share our strong commitment to delivering quality service. Halff implements sensible and practical approaches to our projects and provides innovative ideas while applying cost savings at every step of the process. We encourage you to contact our client references, who can attest to the success of our collaborative and results-driven approach. We appreciate the opportunity to submit our qualifications and look forward to serving the City of Destin as a trusted and dependable partner in addressing the transportation needs of its residents, businesses, and industries with the highest standards of safety and efficiency.

KNOWLEDGE
Our team's deep corridor knowledge is driven by our local presence, dedicated staff, and thorough project research.

EXPERIENCE
Our team brings extensive expertise in managing and inspecting comparable construction projects.

COMMITMENT
We commit to being responsive and receptive to the City's needs, and we will make certain your goals of time, budget, quality, and community commitment are met.

Sincerely,

Bryant King, PE
Principal/Vice President
Authorized to Bind Halff

Eric Rosenstein, PE

Alternate Names

FIRM QUALIFICATIONS

Halff is a full-service infrastructure consulting firm designed, engineered, planned, constructed – and purposed – for people. Since 1950, Halff has been creating smart solutions that improve lives and communities by turning ideas into reality. The firm provides services throughout the United States from 32 offices in Florida, Texas, Arkansas, Oklahoma, Louisiana, and Arizona. Halff is ranked #91 in Engineering News-Record magazine's list of the top 500 design firms in the United States.

For over 30 years, Halff has provided construction engineering and inspection (CEI) services to clients across northern Florida. Our experienced CEI teams have successfully supported a wide range of projects for various municipalities as well as the Florida Department of Transportation (FDOT). Halff's continued work with repeat clients stems not only from the expertise and consistency of our CEI professionals, but also from our strong commitment to understanding and supporting our clients' goals, regardless of the project's size or complexity.

Office Location

Halff will manage the Crosstown Connector project from our ***local field office*** at 225 Main Street, Suite 7D, Destin, FL.

Statement for Providing Requested Services

Halff has the technical expertise, relevant experience, and capacity to provide CEI services to the City of Destin for the Crosstown Connector project. Our team offers a thorough understanding of the potential challenges of this project and a demonstrated record of exceeding expectations on projects of similar size and scope.

Subconsultants

In addition to Halff's talented staff, we have included the following experienced subconsultants whom we have worked with and share our strong commitment to quality, relationships, and serving the community.

Poole Engineering & Surveying, Inc.

Poole will support the Halff team with survey services.

Universal Engineering Sciences, Inc. (UES)

UES is a certified FDOT materials testing laboratory and will provide material verification testing services.

Utility Consultants of Florida (UCoF)

UCoF will support the Halff team with senior field inspection and utility coordination services.

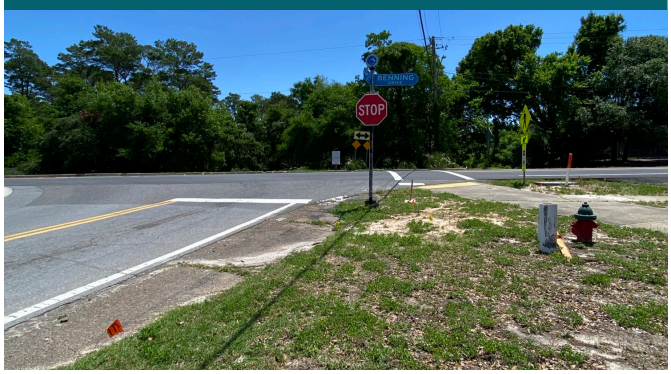
CEI Services to be Provided by Halff

Our team is thoroughly familiar with the inspection, testing, and documentation requirements for the anticipated work elements associated with the Crosstown Connector project. This includes maintenance of traffic (MOT), environmental compliance, excavation, embankment, stormwater installation, paving (base, structural course, and friction course), concrete placement, signing and pavement markings, lighting, landscaping, and irrigation. Coupled with the resources of our subconsultants, we will perform the following services:

PRE-CONSTRUCTION ACTIVITIES

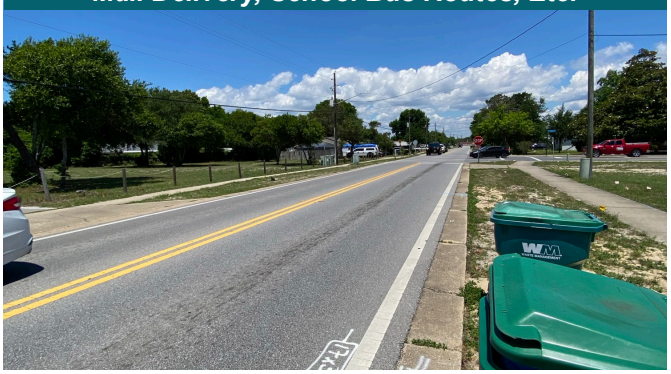
- Establish project-level lines of authority and communication.
- Perform constructability and submittal reviews.
- Schedule and conduct pre-construction and pre-operation meetings.
- Conduct utility pre-construction coordination meetings and establish relocation efforts and timeframes.
- Obtain pre-project construction photographs and video documentation.
- Meet with City staff and design team to discuss constructability comments.
- Establish document management system (DWR App) and prepare all forms.
- Assist the City Public Information Officer, Dr. Young, with any pre-construction public information meetings and stakeholder outreach.
- Review the contractor's Quality Control (QC) Plan.
- Review the contractor's Critical Path Method (CPM) schedule.

© Halff - 2025



CONSTRUCTION ACTIVITIES

- Conduct ADS pre-operation meeting with the contractor and ADS representative to review contract requirements, TSP, installation guidelines, and expectations.
- Monitor and enforce safe traffic control and construction equipment egress and ingress.
- Conduct weekly progress meetings.
- Review and determine acceptability of contractor's CPM schedule updates.
- Enforce environmental protection and permit compliance.
- Review and submit monthly pay requests.
- Coordinate and monitor utility adjustment activities.
- Receive and review contractor's updated CPM schedule.
- Track the testing and acceptance of all materials for pay to certify that all materials meet the contract requirements.
- Provide verification testing.
- Prepare and maintain complete and accurate records of project activities, including monthly progress reports, daily work reports (DWRs), daily log of deficiencies and corrections, Request for Information (RFI) log, shop drawing/ submittal log, change order tracking log, and a sampling/testing log.
- Obtain/capture project photographs daily and video documentation monthly or as required.
- Provide claims avoidance and dispute resolution.
- Monitor and document contractor EEO and Davis Bacon Act compliance.
- Investigate, identify, and facilitate solutions for any errors and omissions.
- Maintain a high standard of Quality Assurance (QA).
- Assist the City with public outreach efforts.
- Develop presentations and represent the City at City Council Meetings as requested.



POST-CONSTRUCTION ACTIVITIES

- Perform substantial completion inspections and provide summary report.
- Facilitate final acceptance.
- Submit final punch list.
- Perform final inspection.
- Submit final pay application.
- Prepare final change orders.
- Perform post-construction inspection and obtain final photos/video.
- Facilitate any permit closeout documentation.
- Certify and submit as-built drawings.
- Perform project closeout meeting.
- Document lessons learned and incorporate lessons into future projects.
- Submit final materials certification letter.
- Closeout all EEO and Davis Bacon Act documentation.
- Submit all final records to the City of Destin.

Intersection of Azalea Drive & Benning Drive

Coordination Will Be Required For Trash Services, Mail Delivery, School Bus Routes, Etc.

PROJECT TEAM EXPERIENCE

Jericho Road Phase 1

Okaloosa County | Crestview, FL

Halff is providing CEI services for approximately 2,700 LF of new roadway from SR 10 (US 90) into the Shoal River Ranch Critical Infrastructure site. Major work includes utility relocations, the construction of a new right-turn lane from eastbound US 90, earthwork, clearing and grubbing, temporary and permanent erosion control, construction of stormwater management facilities and drainage, subgrade, base, asphalt Superpave, pavement markings, grassing, and signage. This project also adds widening and signalization to the existing Florida Gulf & Atlantic Railroad (FGA) crossing.

Holiday Shores Phase 1A

Walton County | Miramar Beach, FL

Halff is providing CEI services for the pedestrian and drainage improvements along Forest Shore Drive. The project involves the construction of an 8-foot-wide concrete sidewalk starting at US 98 and ending at Shore Drive. As part of the improvements, Forest Shore Drive will undergo milling, resurfacing, and restriping. Additional project elements include minor earthwork, swale construction, storm drain installation, sodding, and the construction of a 12-foot by 24-foot nutrient-separating baffle box with a connected storm drain at the existing drainage outfall near Shore Drive.

City of Destin Utility Underground Conversion Project

City of Destin | Destin, FL

UCoF is currently managing the Florida Power & Light (FPL) underground conversion project for the City of Destin. Project elements include design coordination, construction management, planning and scheduling, easement acquisition, and construction oversight. UCoF's established relationships with local utility owners will bring added value to the Halff team, helping to streamline communication and coordination from day one of the Crosstown Connector project.

SR 30 (US 98) from Walton County Line to Tang-O-Mar Drive

FDOT District Three | Miramar Beach, FL

Halff provided CEI services for the full reconstruction and widening of SR 30 (US 98) from a four-lane rural to a six-lane urban typical section from the Walton County line to Tang-O-Mar Drive. The project included milling and resurfacing, four new detention ponds with two new gravity walls, conversion of drainage from open ditch to closed system, six new mast arm signalized intersections, extensive utility coordination, and extensive MOT phasing. The project was located in a densely populated business corridor with heavy seasonal traffic.

© Halff - 2025

SR 30 (US 98) at CR 30A East Inlet Beach Pedestrian Underpass

Walton County | Inlet Beach, FL

Halff provided CEI services for a pedestrian underpass connecting existing multi-use pathways with new sidewalks and paths to improve connectivity across Walton County and into Bay County. The project included a three-sided box culvert at the SR 30 (US 98) and CR 30A intersection, along with a new eastbound-to-southbound right-turn lane. Disturbed travel lanes, auxiliary lanes, median crossovers, paved shoulders, sidewalks, and multi-use paths were restored to their original configurations.

Gayle's Trails Multi-Use Path Extension

City of Panama City Beach | City of Panama City Beach, FL

Halff provided CEI services for the construction of a new 12-foot asphalt multi-use trail that included a 12-foot-wide, 1.5-inch-thick SP 12.5 asphalt paved over 12 inches of Type B Stabilization and 6 inches of lime rock base. Drainage included a 30-inch and 36-inch round and elliptical concrete double and quadruple barrel pipes with headwalls and mitered end section installed at live stream crossings and wetland balance points. Ditch bottom inlets with 18-inch reinforced concrete pipe were installed for conveyance to existing drainage basins. Additional work elements included the construction of concrete gravity and retaining walls, Type B fencing, signing and pavement markings, and grassing.

CEI Group 22-D

FDOT District Three | Okaloosa County, FL

Halff provided CEI services for this contract comprised of two projects: SR 20 from Edge Avenue to west of Rocky Bayou Bridge and SR 85 from SR 20/John Sims Parkway to north of CR 190/College Boulevard. The SR 20 project included milling and resurfacing, adding sidewalk, ADA enhancements to improve pedestrian mobility, adding landscaping medians, and extending turn lanes in both directions. SR 85 included milling and resurfacing and constructing new sidewalks on the east side of the roadway. Additional project elements included adjusting utility manholes and valve boxes, pedestrian signal improvements, drainage improvements, and signing and pavement marking placement.

3. Proposals of Project Team

ORGANIZATIONAL CHART

Halff has assembled a highly qualified local team with extensive experience to address the anticipated challenges of the Crosstown Connector project. Our team brings exceptional contract administration skills and has consistently delivered successful outcomes on similar projects. Every member of our proposed team is fully dedicated and committed to meeting and exceeding the City of Destin's goals and expectations for this project. The **Key Project Members** for this project include **Eric Rosenstein, PE** (Client Service Manager), **Doug Pritchard** (Project Manager), **Dalton Taylor** (Primary Project Professional: Senior Inspector), and **Stephanie Lindsay** (Primary Project Professional: Utility Coordinator).

KEY PROJECT MEMBER RESUMES

Eric Rosenstein, PE

Eric has spent his entire career providing construction management, CEI, transportation engineering, and emergency contract response services on projects for public agencies throughout Florida. Eric began his career in 1984 with the FDOT District Six and then worked as a Project Engineer for FDOT District Two, Gainesville Construction. Since leaving FDOT, Eric has served as Senior Project Engineer, Project Administrator, and QC Manager on various CEI transportation projects in Florida.

Representative Project Experience

SR 5 (US 1)/Matanzas Woods Parkway Intersection Roundabout, Flagler County, FL | FDOT District Five. Senior Project Engineer for this $2.6M roundabout project, which involved advanced utility relocations, complex vehicle and pedestrian traffic control, earthwork, asphalt base and paving, drainage, curb and gutter, street lighting, and incidental construction.

Jericho Road Phase I, Crestview, FL | Okaloosa County. Senior Project Engineer for the Jericho Road improvements that unlock 1,600 acres, including 588 acres of county-owned industrial land. The project includes earthwork, clearing and grubbing, erosion control, stormwater facilities, relocating and installing fiber optic cable (by others), paving 2,700 LF of roadway, pavement markings and signage, utility relocations, and widening with signal upgrades at the existing Florida Gulf and Atlantic (FGA) railroad crossing.

CEI Group 25-F, Leon County, FL | FDOT District Three. Senior Project Engineer for contract involving four projects along SR 20 (Pensacola Street) and SR 366 (Stadium Drive). The work primarily involves milling and resurfacing, mid-block pedestrian crossings, Americans with Disabilities Act (ADA) upgrades, sidewalk reconstruction, curb improvements, driveway replacements, turnout widening, drainage improvements, bridge joint repairs, new signing and pavement markings, signalization upgrades, extensive utility coordination, and performance turf sod installation.

SR 30 (US 98) from CR 457 (Mack Bayou Road) to East of CR 30A West, Walton County, FL | FDOT District Three. Senior Project Engineer for this widening and resurfacing project that included lane widening in the median, major drainage, utility relocations, signalization improvements, sidewalk improvements, construction of a paved shared-use path, intelligent transportation systems (ITS) construction, and intersection lighting.

CEI Group 23-J, Holmes County, FL | FDOT District Three. Senior Project Engineer for the resurfacing of nearly 16 miles of SR 2 from Choctawhatchee River Bridge to CR 177 and SR 2 from Ten Mile Creek to Jackson County Line.

Miccosukee Road Local Agency Program (LAP) Bridge Replacement, Leon County, FL | FDOT District Three. Senior Project Engineer for this LAP project that will remove the existing structurally deficient bridge over unnamed branch and replace it with a five-barrel concrete box culvert. Project includes permanent sheet pile wall and cap, reconstruction of the bridge culvert approaches, guardrail, miscellaneous drainage, and other incidental construction.

© Halff - 2025

Doug Pritchard

Doug is well-versed in roadway and bridge construction and has been involved in numerous construction engineering and inspection (CEI) projects for the Florida Department of Transportation (FDOT) and municipalities across northern Florida. His experience includes bridge construction, earthwork, drainage, asphalt and concrete paving, lighting, signalization, intelligent transportation system (ITS), fiber optic networks, freeway management systems (FMSs), traffic management center (TMC) construction, materials sampling and certification, mechanically stabilized earth (MSE) walls, sounds walls, and maintenance of traffic (MOT) operations in rural, urban, and interstate settings.

Representative Project Experience

Jericho Road Phase I, Crestview, FL | Okaloosa County. Project Administrator for the Jericho Road improvements that unlock 1,600 acres, including 588 acres of county-owned industrial land. The project includes earthwork, clearing and grubbing, erosion control, stormwater facilities, relocating and installing fiber optic cable (by others), paving 2,700 LF of roadway, pavement markings and signage, utility relocations, and widening with signal upgrades at the existing Florida Gulf and Atlantic (FGA) railroad crossing.

CEI Group 23-J, Holmes County, FL | FDOT District Three. Project Administrator for two projects under one contract for the resurfacing of nearly 16 miles of SR 2 from Choctawhatchee River Bridge to CR 177 and SR 2 from Ten Mile Creek to Jackson County Line in Holmes County. Other scope items included overbuild for cross slope correction within both segments, box culvert replacement, drainage, concrete ditch lining, sensor replacements for the telemetered traffic monitoring site (TTMS), and signing and pavement markings.

Holiday Shores Phase IA, Walton County, FL | Walton County. Project Administrator for the pedestrian and drainage improvements along Forest Shore Drive. The project involves the construction of an 8-foot-wide concrete sidewalk starting at US 98 and ending at Shore Drive. As part of the improvements, Forest Shore Drive will undergo milling, resurfacing, and restriping. Additional project elements include minor earthwork, swale construction, storm drain installation, sodding, and construction of a 12-foot by 24-foot nutrient-separating baffle box with a connected storm drain at the existing drainage outfall near Shore Drive.

SR 30 (US 98) at CR 30A East Inlet Beach Pedestrian Underpass, Walton County, FL | FDOT District Three. Project Administrator for a pedestrian underpass connecting existing multi-use pathways with new sidewalks and paths to improve connectivity across Walton County and into Bay County. The project included a three-sided box culvert and a new right-turn lane. Disturbed travel lanes, auxiliary lanes, median crossovers, paved shoulders, sidewalks, and multi-use paths were restored to their original configurations.

SR 30 (US 98) from Emerald Bay Drive to Tang-O Mar, Miramar Beach, FL | FDOT District Three. Project Administrator on this full reconstruction/widening of US 98 from a four-lane rural to six-lane urban typical section. The project included extensive MOT phasing, four new detention ponds, drainage, and six new mast arm signalized intersections.

Dalton Taylor

Dalton has solid experience in Construction Engineering and Inspection (CEI) and performing Quality Control (QC) for Florida roadway projects. His background includes construction contracting, earth sciences, and materials testing in both lab and field environments. He is skilled in pile driving, drilled shaft foundations, MSE and gravity walls, and the testing of roadway embankment, subgrade, base, and asphalt surfaces. Familiar with Florida Department of Transportation (FDOT) standards, Dalton also brings valuable experience from bridge and commercial building construction, making him a well-rounded and reliable CEI inspector.

Representative Project Experience

CEI Group 24-A Western Lake Bridge Replacement, Santa Rosa, FL | FDOT District Three. Senior Inspector for the replacement of the existing low-level bridge at CR 30A over Western Lake. Scope of work includes removal and reconstruction of piles, seawall, and slope protection, along with reconstruction of roadway approaches featuring asphalt pavement, shoulder gutters, and guardrails. The new CR 30A bridge spans approximately 1,426 feet and includes a realignment of approximately 20 feet to the south.

CEI Group 23-J, Holmes County, FL | FDOT District Three. Senior Inspector for the resurfacing of nearly 16 miles of SR 2 from Choctawhatchee River Bridge to CR 177 and SR 2 from Ten Mile Creek to Jackson County Line in Holmes County. Other scope items included overbuild for cross slope correction within both segments; Little Creek box culvert rail replacement; cross drains and headwall/endwall replacements, including triple 48-inch reinforced concrete pipe (RCP) extensions; concrete ditch lining; inlet and mitered end section (MES) replacements; guardrail replacement; and signing and pavement markings.

SR 30 (US 98) from Walton County Line to Tang-O Mar, Walton County, FL | FDOT District Three. Inspector for the full reconstruction and widening of US 98 from a four-lane rural to six-lane urban typical section. This $44 million project included extensive maintenance of traffic phasing, four new detention ponds, conversion of drainage from open ditch to closed system, and six new mast arm signalized intersections. The project also involved utility coordination and is located in a densely populated business corridor in Miramar Beach, known as a popular tourist destination with heavy seasonal traffic.

Deer Lake Bridge Replacement on CR 30A, Walton County, FL | Walton County. Inspector for the replacement of the structurally deficient and failed culverts vulnerable to catastrophic weather events and replacement with a single span Conecuh Bridge structure. The bridge approach reconstruction areas included using asphalt pavement, shoulder gutter, and guardrail.

Emergency Sign Repair and Replacement | Escambia, Okaloosa, and Santa Rosa Counties, FL | FDOT District Three. Inspector for sign repairs and replacements in District Three due to damage from Hurricane Sally. The scope of work included removing damaged signs, installing new signs/posts/hardware, and coordinating with “Sunshine 811”.

Stephanie Lindsay

Stephanie is a Project Manager with a strong background in managing a wide range of municipal infrastructure projects, including utility underground conversions, stormwater and wastewater systems, natural gas, and other environmental initiatives. She has prior experience with stormwater compliance, code enforcement, and hazardous materials management.

Representative Project Experience

Utility Underground Conversion Project, Destin, FL | City of Destin. Project Manager for the City's Florida Power & Light (FPL) underground conversion project. Her responsibilities include design coordination, construction management, planning/scheduling, easements, and construction oversight.

Utility Underground Conversion Project, Gulf Breeze, FL | City of Gulf Breeze. Project Manager for the City's FPL underground conversion project. Her responsibilities include design oversight, construction management and oversight, utility coordination, and easement coordination.

Utility Underground Conversion Project, Pinellas County, FL | Pinellas County. As part of the underground conversion project for Belleair Beach, Indian Rocks Beach, and Madeira Beach, Stephanie is providing project management and easement coordination. Her responsibilities included easement coordination, design oversight, construction management, and construction oversight.

Bear Drive Improvements, Gulf Breeze, FL | City of Gulf Breeze. Project Manager for the Bear Drive stormwater drainage and pavement improvements. Her responsibilities included construction oversight, construction management, public outreach and involvement, and coordination with key stakeholders.

RESTORE Soundside Septic to Sewer Conversion Project, Gulf Breeze, FL | City of Gulf Breeze. As Project Manager, Stephanie provided oversight to successfully complete the design process of this conversion project. Her responsibilities included RESTORE Council reports, design oversight, payment approval, public outreach and involvement, and coordination with key stakeholders.

CNG Vehicle Fueling Station Build, Gulf Breeze, FL | City of Gulf Breeze. As Project Manager, Stephanie oversaw the successful completion of the compressed natural gas (CNG) fueling station build. Her responsibilities included construction management, construction oversight, and coordination with multiple regulatory agencies and key stakeholders.

© Halff - 2025

AVAILABILITY, LOCATION & WORKLOAD

Halff has the capacity to provide CEI services that will support the City of Destin in completing the Crosstown Connector project. Our proposed team is available to begin work on this project following the Notice to Proceed (NTP) and will remain committed to the project for the duration. Halff will manage this project out of our Destin field office. While we feel the proposed team will be adequate to cover the work, we have additional resources that can be provided as required based on the contractor's operations. The table below shows the availability, location, and workload of our Key Project Members.

Key Project Member	Role	Availability	Current Project, Location | Client	Est. Completion
Eric Rosenstein, PE	Client Service Manager	25%	Jericho Road Phase 1, Crestview, FL | Okaloosa County	06/2026
			Miccosukee Road, Tallahassee, FL | Leon County	07/2026
			Group 25-F: SR 366 & SR 263, Pensacola, FL | FDOT D3	07/2026
			Western Lake Bridge Replacement, Walton County, FL | FDOT D3	02/2026
Doug Pritchard	Project Manager	75%	Group 25-C: SR 10 (US 90) ITS, Leon County, FL | FDOT D3	08/2025
			Group 25-A: SR 30 DMS, Okaloosa County, FL | FDOT D3	06/2025
			Jericho Road Phase 1, Crestview, FL | Okaloosa County	06/2025
			SR 30 (US 98), Mexico Beach, FL | FDOT D3	04/2026
Stephanie Lindsay	Utility Coordinator	20%	UG Utility Conversion, Destin, FL | City of Destin	06/2026
			UG Utility Conversion, Gulf Breeze, FL | City of Gulf Breeze	07/2025
Dalton Taylor	Senior Inspector	100%	Western Lake Bridge Replacement, Walton County, FL | FDOT D3	12/2025

Projected Workload for Project Managers

Our PMs typically handle two to five projects at any given time, providing a balance between active workload and availability. This manageable portfolio allows them to provide focused attention to each project while maintaining flexibility to adapt to client needs and unforeseen challenges. With several current projects nearing completion, our team is well-positioned to dedicate the necessary time and resources to this project. The table below estimates the manpower needed for both Phase One and Two.

Subconsultants Exceeding 5% of the Work

Utility Consultants of Florida (UCoF), a local firm specializing in utility coordination and underground conversion projects, will undertake more than 5% of the work. Senior Inspector **Jonah Vizaro** will perform inspection support during Phase One, while **Stephanie Lindsay**, who is ***currently managing the City of Destin's FPL Underground Conversion Project***, will offer utility coordination services for both construction phases. Stephanie's established relationships with local utility owners will add value to the Halff team by streamlining communication and coordination.

halff

4. Project Approach

The City of Destin requires a highly qualified and experienced CEI firm for the Crosstown Connector project and we are excited about the opportunity to partner with you on this important initiative. Our proposal highlights a team with comprehensive expertise across all phases of CEI services, from Phase One through final close-out. We bring a deep understanding of the unique needs and challenges specific to this region, shaped by our longstanding working relationship with Okaloosa County and local utility providers. These established relationships and valuable local insights will be critical to the success of this project. We understand the importance of seamless coordination, proactive communication, and timely execution – and we are ready to deliver. Beyond our technical qualifications, what truly sets us apart is the dedication of our team. You'll find that our staff brings not just knowledge, but genuine passion to every aspect of project delivery. Our commitment is to not only meet your objectives, but to exceed your expectations every step of the way.

PROJECT UNDERSTANDING

The project will be constructed in two phases. Phase One involves the construction of an underground Advanced Drainage System (ADS) stormwater chamber retention system and drainage connections to be let as an independent construction contract. Phase Two will construct an approximately 2,211 LF long two-lane curb and gutter roadway; a roundabout at the intersection of Azalea Drive, Beach Road, and Legion Drive; connections to Sandlewood Court, Anna Street, and Benning Drive; drainage; stormwater ponds; a 10-foot shared-use path, lighting along the entire corridor; signing and pavement markings; and a comprehensive landscaping plan. The Phase One bid advertisement (RFB) is simultaneously advertised along with this request for CEI qualifications (RFQ). It will be imperative that the CEI be under contract quickly and ready to proceed with the services so that construction can commence as expected in June of this year. The Halff team understands and is dedicated to supporting Destin with CEI services for both phases. The entire construction duration is estimated at 435 days, with Phase One work to be completed by the end of 2025 and the commencement of Phase Two to begin by the end of this year.

There are three major drainage areas that will impact the contractor's sequence of operations. These operations will need to be coordinated within the designed traffic control plan (TCP). The first basin includes Azalea Drive from Station 26+36 (begin project) to approximate Station 32+25; Benning Drive from the begin project to end Stations 153+94 to 157+00; and Sandlewood Court. These areas drain to stormwater Pond 1. The work effort to construct the pond may be sequenced along with the implementation of TCP for Phases I (IA, IB, IC) for the aforementioned roadways. The second basin also drains into Pond 1 and includes Azalea Drive (Station 32+25 to 35+75) and the entire Anna Street. The third basin drains into the previously constructed Phase One ADS chambers and includes the entirety of Beach Drive and Legion Drive, as well as the remainder of Azalea Drive/Crosstown Connector to Station 48+47.

Phase One work will be performed between Benning Drive and Beach Drive, and aside from construction equipment, materials, and manpower moving into this site, there will be minimal impacts to the traveling public. Halff has concerns regarding the final dressing and sodding of the completed ADS footprint, as well as the requisite inspections and maintenance of the system during Phase Two construction and before the final acceptance of the entire Crosstown Connector project. These concerns are described below in more detail.

Phase Two construction is broken into three major TCP phases with the majority of the work included in Phases IA, IB, and IC. This work includes the construction of the drainage trunk lines and stormwater Pond 1 and Ponds A and B within the entire Azalea/Crosstown Connector corridor, the widening of Azalea Drive to Benning Drive, the phased widening of Benning Drive, the construction of the new Sandlewood Court and Anna Street connections to the Crosstown Connector, the construction of roadway lighting, new shared-use path, roadway construction through the structural course, signing, pavement markings, and final dressing and grassing. This phase also includes the partial construction of the roundabout at Legion Drive and Beach Drive, as well as the phased widening along Beach Drive and Legion Drive. Phase II involves the remainder of construction for the widening along existing Azalea Drive, Benning Drive, Beach Drive, and Legion Drive, the completion of drainage, and the second phase of roundabout construction. Phase III completes all remaining work, including the roundabout, final dressing and grassing, signing, and the paving of friction course along the entire project. Landscaping work is expected to begin during Phase I and will continue until the end of the project.

The contractor will implement a series of signed detours that will allow the contractor to begin Phases 1A through 1C construction as well as Phase II and III. These detour routes provide through traffic with alternate routes away from the construction while allowing local traffic to egress and ingress into their properties within the work zones. As work progresses and permits, Halff will work with the contractor to safely open these sections of roadway to traffic and allow the contractor to move into subsequent phases of work. Halff expects the contractor to work simultaneously within the three drainage areas to allow concurrent work and overlapping phased construction. Given the contractor resources, overlapping phased construction can reduce the overall contract time and the duration to substantial completion.

PROJECT APPROACH

The Halff team's approach focuses on open communication with all stakeholders, proactively identifying conflicts and issues early, and presenting solutions that confirm the contractor continues to work on critical path items and avoids project delays. In everything Halff does, safety for the public, the contractor, the CEI, and City staff is paramount. One of our top priorities will be to engage directly with the City of Destin's representatives to listen closely, understand what matters most to you, and align our approach with your goals and vision. We recognize the hard work and commitment the City has already invested in bringing this project to life, and we are eager to help carry that momentum forward.

Notably, Eric has worked with **Matt Taylor, PE**, Engineer of Record (EOR), on multiple projects over the past few years. This established collaboration provides a strong foundation for making sure the design intent is clearly understood and fully carried out in the field. Our goal is to work as an extension of your team, with open communication, mutual respect, and shared accountability at every step.

Pre-Construction Phase

In addition to what was identified in the scope of services and within this proposal, Halff's pre-construction services include:

- Inviting and conducting a comprehensive utility coordination meeting that identifies each utility owner and reviews their work plans as outlined in the plans and other contract documents. Though it is recognized that nearly all of the utility impacts will be realized in construction Phase Two, early involvement between the utility owners, CEI, EOR, and the City of Destin has as its goal to produce utility work schedule commitments and identify potential conflicts with the proposed work along with solutions.
- Meeting with the City's Public Information Officer Dr. Tamara Young and the City's Project Manager (PM) to implement a public information plan and determine how PM Doug and his team can best support Dr. Young in conducting public outreach prior to the start of work. Based on our experience with large-scale projects and those in residential areas, clear and direct communication about project impacts will be essential. This project is adjacent to multiple residential neighborhoods, and our experience has taught us that quick and accurate information to the public reduces confusion, keeps the public informed with schedule and milestone events, and promotes positive support for the City. Doug will also provide weekly project summaries and schedule updates to Dr. Young to support her social media efforts, and to the PM to assist with keeping the City updated with project progress.
- Conducting pre-operation meetings with the contractor to review their traffic control and erosion control plans, as well as conducting the required ADS pre-construction meeting with the contractor's ADS representative in attendance. Use of Best Management Practices (BMPs) for erosion control will be critical. All of Halff's proposed staff are certified in the Florida Stormwater Erosion and Sediment Control program. Close cooperation with the contractor to install – and, most importantly, maintain – devices is critical to the project's success. The location of egress and ingress for construction vehicles and the installation of soil tracking devices will be discussed and located. Recognizing that severe rain events can and do happen, our staff understands the positive effects of self-reporting when appropriate and moving rapidly to restore erosive impacts. Halff also recognizes this project will be an "attractive nuisance" to children and others who may have used this ADS chambers pond location as a passive park in the past. Holding a discussion with the contractor about securing the site and work areas to protect the community, along with coordinating with the PM and Police Chief to enhance awareness and increase patrols, will be essential to overall project safety.
- Reviewing the contractor's hours of operation to verify with contract requirements and city ordinances related to noise and permitted construction times. A discussion to adjust working hours to better accommodate local residents may be necessary to maintain the excellent working relationships Halff always strives to maintain between the contractor and stakeholders.

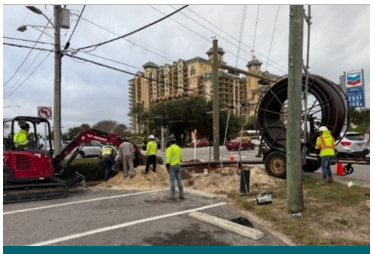
Construction Phase

During the construction phase, Halff's approach utilizes innovative techniques and systems that include our proprietary ***Field Report Application***, designed to streamline the process of creating, managing, and submitting field reports. This digital platform allows users to capture data from the field in real time, verifying accuracy, enhancing efficiency, and allowing for immediate data analysis. Creating a report is simple and includes required fields to confirm comprehensive data is collected. Users can add photos directly to daily reports, providing helpful visual context of work observations. The app allows tracking of submitted reports through the QA/QC process before generating a final report PDF that can be downloaded for off-line use. The app is cloud-based, providing the City's PM and staff with real-time access.

The **Solocator** app is installed on each of our staff's cellular phones. As shown in the image to the left, this app automatically embeds the date, time, GPS location, compass direction, and altitude within the photo's metadata. Information is then directly exported to Google Earth as a .KMZ file.

Halff's **UAS Services (drones)** are used to document project progress and key milestones. Our licensed, in-house drone operator is local and can respond quickly to site needs. The digital aerial photos and videos captured will be valuable resources for Dr. Young in sharing updates with the City, stakeholders, and local media.

Halff's Jericho Road Phase 1 Project
Okaloosa County



Before Construction

After Construction

Utilities

US 98 at Stahlman Avenue UCoF's Destin UG Project

Utilities can play an incredibly impactful role in projects scheduling and production. Our experience in urban transportation projects requires serious attention to utilities, even when they are identified on the plans to remain. To avoid delays to critical work activities, Doug and Utility Coordinator, **Stephanie Lindsay (UCoF)**, will focus on understanding how existing utility impacts influence the construction sequencing. Our approach emphasizes early alignment – bringing the contractor and utilities together from the start to establish scope, sequencing, and expectations. Stephanie is very familiar with the local utility owners that will be involved in this project, which will streamline communication and coordination from day one. Since utilities can play such an impactful role of the success of a roadway project, her role will provide tangible value, avoiding missteps that can lead to delays, rework, and cost increases. ***Our team's effective planning, clear communication, and proactive engagement sets us apart.*** As part of our early efforts, we have already initiated discussions with utility agencies to understand their current stance and any expected constraints.

Constructability Review

As part of our plans review and site visits, we have identified the following potential constructability issues:

Phase One Constructability Issues

- Egress and ingress to the site of the ADS chamber by construction vehicles, particularly dump trucks hauling in materials (drainage stone, ADS arch chambers) and on site storage of excavated materials.
- Unless the pay item for the LS ADS Chambers includes the excavated material to construct the chambers, the Price Proposal Sheet for Phase One should include item 120-1 Regular Excavation (60K CY +/-). EOR should verify the plan quantity on the summary of earthwork table.
- Plan Sheet 96 (Sediment and Erosion Control Plan) calls out for Pay Item 104-10-3 Sediment Barrier around the perimeter of the ADS work zone. This item is not included in the Price Proposal Sheet.
- MOT Pay Items 102-60, 102-74-1, and 102-115 should be included in the Price Proposal Sheet to allow the contractor to install advanced warning signs, any necessary barricades, and Type III barricades with "Road Closed" signs attached.

© Halff - 2025

- The limits of clearing and grubbing (and by extension, the ADS Chamber work zone) should be defined to allow a quantity for the contractor to bid. A general note can be added that permits the contractor to extend outside the limits as part of their means and methods at no additional cost to the City.
- The EOR should consider increasing the plan quantity for Pay Item 430-174-118 to allow for stubbing out of S-304 towards S-302.
- The Price Proposal Sheet includes Pay Item 570-1-2 Performance Turf, Sod. Plan notes should define it as bermuda grass as stated in the Landscape Plans. Also, clarity is needed to define the responsible party for maintaining the condition of the sodded area if Phase One is accepted and a different contractor builds Phase Two.
- Receiving from the contractor their haul route and generating pre-construction video and digital photos of existing conditions of the roadways.
- Receiving and reviewing the ADS materials early (e.g. submittal of shop drawings). The City will ultimately be responsible for maintenance and inspection of this system. Warranty and maintenance during construction of Phase Two will need to be discussed with the City as the Phase Two contractor may not be the Phase One contractor.

Phase Two Constructability Issues

- Plans call for 6-inch concrete for the 10-foot-wide shared-use path. Based on historical average prices, it may be less expensive to construct the path with 12-inch Type B stabilization, OBG 04, and 1 ½-inch SP TL-B. This option may also reduce long-term maintenance costs.
- Plan Sheet 36 incorrectly labels Structure S-121 (Plan Sheet 19).
- Summary of Quantities Sheet (Earthwork) appears to be in error for regular excavation Ponds. Pond 1 excavation is 6,000 CY +/-. The EOR should review.
- Utility relocation plans indicate nearly all existing utilities to remain in place.
- A review of the drainage structure plans shows:
  - S-104 adjacent to existing Okaloosa Gas and buried fiber optic cable (BFOC).
  - S-121 Manhole 18-inch pipe to S-120 placed directly below existing sanitary sewer. This structure is critical to connect the drainage from Azalea Drive and Benning Drive to stormwater Pond 1.
  - S-114 is adjacent to buried electric, water main, and buried TV cable.
  - S-507 to S-508 is shown to be in conflict with water main.
  - 18-inch pipe from S-507 is shown to be in conflict with water main.
  - Structure EX-4 is shown to be in conflict with sanitary sewer.
  - 18-inch pipe from S-117 to S-116 is shown to be conflict with sanitary sewer.
  - Structure S-118 is shown to be in conflict with buried TV cable.
  - 18-inch pipe from S-120 to S-121 is shown to be in conflict with BFOC.
  - 18-inch pipe from S-204 to S-200 is shown to be in conflict with two sanitary sewer lines.
  - S-204 is shown to be in conflict with buried TV cable.
  - 18-inch pipe from structure S-414 to S-415 is shown to be in conflict with water main.
- During the Pre-Bid Meeting, the EOR stated the Phase One excavated materials will remain on site. Phase One and Two are excess projects and the Phase Two contractor will be responsible for hauling off this material. If the City chooses to keep excess excavated material, an off-site storage area and advisory plan note may be needed.
- The Plans and any TSP for the ADS chambers should clearly state that all excavated material is included in the LS cost.

Landscaping & Irrigation

- The CEI, contractor, EOR, and City PM should begin collaborating immediately to avoid delays and reduce RFIs and potential change orders. Identification of key details (minimum system pressure, water tie-in locations, controller placement, permits, and service agreements for electric connection to FPL) should be defined early. The City is encouraged to provide contacts for water and electric services to support coordination with the irrigation designer. If the City has preferred materials or system components (e.g., sprinkler heads, controllers), the EOR should include those preferences in the plan notes prior to bid.
- Properly locating and sizing irrigation sleeves will be critical so the contractor can install them in alignment with their schedule. This work is typically accomplished after storm drainage installation and concurrently with other underground facilities, such as the lighting conduit installation and prior to construction of the base, curbs, and pavements. The team will prioritize avoiding directional boring of these sleeves to prevent rework.

© Halff - 2025

- The plans do not include any planting details, such as staking and bracing details.
- Little Gem Magnolias have been found to be stubborn growers with low survivability rates. The EOR may wish to consider an alternative species.
- Plan Sheet LD-7 shows Saw Palmettos planted in the maintenance berm. Consider moving all materials off of the maintenance berm.
- The EOR should consider planting the Redbuds in areas that are not exposed to full sun.
- The planting within the ADS Chamber site shown on Plan Sheets LD-08 and LD-09 may need modifications to help prevent future maintenance issues, such as species swap, over-excavation in tree planting areas, installation of root barriers, etc.

Local Agency Program (LAP) Compliance Requirements

The Halff team offers decades of experience working on federally funded projects and meeting both FDOT and FHWA requirements. Our team is experienced and proficient at fulfilling all Resident Compliance Specialist (RCS) duties, including monitoring the contractor for compliance with Equal Employment Opportunity (EEO) and Affirmative Action (AA), Disadvantaged Business Enterprise (DBE), On-The-Job Training (OJT), and Federal Wage Rate Provisions (Davis Bacon Act) requirements. We routinely confirm that the requirements of the LAP Agreement are followed and monitor contract compliance with the LAP Agreement guidelines. A LAP EEO script is maintained with all updates to the compliance program and discussed in detail at the Pre-Construction Conference. **Robbin Moody** is an FDOT qualified RCS and is currently working with Doug on the Jericho Road project and with Eric on our ongoing Leon County Local Agency Program (LAP) project, providing EEO and Davis Bacon Act Compliance services. Robbin will perform the Construction Contract Compliance Administration (CCCA) field office reviews using the CCCA Review checklist, issue non-compliance notices, maintain payroll and labor interview files, maintain any OJT Training Program files, monitor the EEO Tracking spreadsheet, interview training candidates, provide timely submission of the Monthly Time Reports, and verify the Monthly Time Reports against payrolls while reporting inconsistencies, and converting documents into hard file as submittals to the City with final documents. Our contract compliance services will begin prior to the Pre-Construction Conference and continue through the successful completion of the project. Robbin is also experienced in using the Grant Application Process (GAP) system, performing this function on our ongoing LAP project for Leon County.

Delivering On Time & On Budget

As the City's CEI consultant, Halff understands the importance of working closely with both the City and the contractor to complete this project on time and within the established budget. To support this goal, the Halff team will proactively identify potential issues early and offer creative, innovative solutions to eliminate obstacles that could impact the contractor's schedule/operations. We accomplish this by:

- Performing thorough and persistent constructability reviews, before construction and during construction.
- Providing utility coordination expertise to identify and resolve conflicts that benefit the project and reduce or eliminate delays to the contractor's critical path.
- Maintaining open, fair, and clear communication between the CEI, contractor, and City of Destin PM.
- Working closely with the City's Public Information Officer, Dr. Tamara Young, to provide timely and accurate information to keep the City and public informed of major work activities, lane closures, and milestone events.
- Utilizing Eric and Doug's expertise in reviewing and updating CPM schedules with Primavera P-6 software. Our team will work closely with the contractor during schedule updates to identify and seize opportunities that can help accelerate progress toward substantial completion.
- Identifying milestone events from the contractor's submitted baseline schedule and work tirelessly to give the contractor every opportunity to meet or get ahead of each milestone event.

Staffing Plan & Experience

The predominant goal for the Halff team will be to deliver the Crosstown Connector project on time and within budget. Each task will be negotiated based on an agreed fee schedule and negotiated services required for each task. The manpower estimate for each task will then be negotiated along with expenses (limiting amount not to exceed contract) or the City and Halff may agree to a lump sum fee for each task. Client Service Manager **Eric Rosenstein, PE,** will be the designated point of contact for all contractual issues.

Leading the team will be **Doug Prichard**, a local resident and our proposed PM. Doug's experience includes over 34 years providing CEI services primarily in the Florida Panhandle. Between 2020 to 2022, Doug served as the Walton County Project Administrator/ADA Coordinator, providing him with a

unique understanding and perspective of the needs of our local agencies. Doug will be transitioning from leading the Halff team on the Jericho Road Phase 1 construction for Okaloosa County, scheduled for completion in June 2025.

Eric and Doug have visited the project site and reviewed the plans and documents. In addition, they attended the Construction Pre-Bid Meeting on May 21st and have established working relationships with each of the contractors who attended.

The proposed Halff team brings recent experience working with **Michelle Gartman** and **Roy Petrey, PE**, of Okaloosa County on the soon to be completed Jericho Road Phase 1 project, enabling a smooth transition to this project. The City will benefit from Halff's local, hands-on team – including management, inspection staff, and our materials verification testing subconsultant, **UES –** who have successfully collaborated on past projects. Our team is further strengthened by subconsultant **UCoF,** who is currently supporting the City on a utility underground conversion project. UCoF will provide experienced utility and drainage Senior Inspector, **Jonah Vizaro**, for Phase One and **Stephanie Lindsay** for utility coordination for both Phase One and Phase Two. **Poole Engineering & Surveying** will supplement our staff by conducting pre-construction and-post construction surveys Senior Inspector **Dalton Taylor** brings the field expertise and practical knowledge needed to make informed on-site decisions while keeping management fully informed. In addition, ***all of our field staff have FDOT CTQP qualifications*** relative to the work they will be inspecting. If funding includes federal dollars, Halff is pre-qualified with FDOT in the following CEI work groups: 10.1 Roadway Construction Engineering Inspection, 10.3 Construction Materials Inspection, and 10.4 Minor Bridge and Miscellaneous Structures.

An example of a proactive, solution-oriented approach led by Doug is the upcoming PJ Adams Turn Lane Project at SR 85, where Halff is providing CEI services for Okaloosa County. During our on-site review of the project and plans, Doug identified potential utility conflicts that could impact the schedule. Working with the EOR, the Halff team reached out to the utility providers on the project. Doug successfully organized on-site utility meetings, resulting in a more detailed utility relocation schedule – developed even though construction has not started. The schedule below illustrates Doug's efforts to secure early relocation commitments, helping to prevent delays during construction.

Status	Utility		Planned work summary	Predecessor	Duration	Const Start
Complete	Okaloosa County W&S		8' inside ROW & FPL; Complete pre-construction. Relocation complete.	Stake ROW	5 days	
Underway	City of Crestview Water & Sewer		5' inside ROW & FPL; Complete pre-construction	Stake ROW	10 days	
Pending	Florida Power & Light (FPL)	Jeremy Coon	0' to 2' inside ROW	C&G	45 days	
Pending	Uniti (Southern Light)	Kyle Hill	Top line on Power Poles starting at NW corner of PJ & SR85 intersection and continuing south in west SR 85 RW; To relocate existing OH on new FPL poles.	FPL relocation	5 days	
Pending URGENT	Cox	Dave Allyn	Verify sufficent slack - URGENT	FPL pole relocation; Uniti relocation	10 days w/ slack; 60 days w/o	
Underway	Lumen (Century Link)	Robert Marks/ WC Keys	New Bore for relocate; FDOT permit approved; County permit approved - work underway	None - can be done pre-construction	10 days	
No impact	ATT Florida	Tom Manning	Locate and protect; Lines on south side of PJ	N/A	N/A	
No impact	ATT Transmission	Micheal Gamboa	East side at Drilled Shaft Foundation; Locate and Protect - vertical markers in place to protect edge of existing line	N/A	N/A	
No impact	Okaloosa Gas	Shawn Croft	Locate and protect; Representative to be on-site	N/A	N/A

Projects | Dates of Services:
CEI Group 24-A | November 2023 – Present
CEI Group 23-J | June 2023 – November 2024

Key Project Members:
Eric Rosenstein, Doug Pritchard, Scott Chastain, Robbin Moody, Dalton Taylor, Christian Ashton

CEI Group 24-A: Halff is providing CEI services for three separate projects under one contract: the bridge replacement of CR 30A over Western Lake, the bridge rehabilitation of SR 293 over Choctawhatchee Bay, and the installation of the SR 30 Emerald Bay Parkway arterial dynamic message signs (DMSs). The new CR 30A bridge is approximately 1,426 feet in length and involves shifting the alignment approximately 20 feet to the south. The SR 293 bridge rehabilitation encompasses repairs to the deck, superstructure, and substructure elements to increase it's National Bridge Inventory Condition and Sufficiency Ratings for safety and longevity of the bridge. The SR 30 project consists of installing two DMSs and pan/tilt/zoom (PTZ) cameras.

CEI Group 23-J: Halff provided CEI services for two projects under one contract for the resurfacing of nearly 16 miles of SR 2 from Choctawhatchee River Bridge to CR 177 and SR 2 from Ten Mile Creek to Jackson County Line in Holmes County. Other scope items included overbuild for cross slope correction within both segments; Little Creek box culvert rail replacement; cross drains and headwall/endwall replacements, including triple 48-inch reinforced concrete pipe (RCP) extensions; concrete ditch lining; inlet and mitered end section (MES) replacements; guardrail replacement; loop and sensor replacements for the telemetered traffic monitoring site (TTMS); and signing and pavement markings.

Project | Date of Service:
Jericho Road Phase 1 | December 2024 – May 2025

Key Project Members:
Eric Rosenstein, Doug Pritchard, Scott Chastain, Robbin Moody, Christian Ashton, Subconsultant: Universal Engineering Sciences (UES)

Halff provided CEI services for the Jericho Road improvements to "unlock" approximately 1,600 acres, including 588 acres of prime county-owned industrial property. The project included earthwork, clearing and grubbing, temporary and permanent erosion control, construction of stormwater management facilities, relocating and installing fiber optic cable (by others), paving approximately 2,700 LF of roadway entrance, pavement markings and signage of roadway, and utility relocations. This project also included widening and adding signalization to the existing Florida Gulf and Atlantic (FGA) railroad crossing.

"CONSTRUCTION ENGINEERING AND INSPECTION SERVICES FOR THE CROSSTOWN CONNECTOR PROJECT
FOR THE CITY OF DESTIN"

DRUG-FREE WORKPLACE CERTIFICATION

The below signed Bidder certifies that it has implemented a drug-free workplace program. In order to have a drug-free workplace program, a business shall:

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.

2. Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling rehabilitation and employee assistance programs and the penalties that may be imposed upon employees for drug abuse violations.

3. Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in subsection 1.

4. In the statement specified in subsection 1., notify the employees that, as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo contendere to, any violation occurring in the workplace no later than five (5) working days after such conviction.

5. Impose a sanction on, or require the satisfactory participation in drug abuse assistance or rehabilitation program if such is available in the employee's community, by any employee who is convicted.

6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

As the person authorized to sign this statement, I certify that this firm complies fully with the above drug-free workplace requirements.

REQUEST FOR QUALIFICATIONS (RFQ) NO. 25-06-CD
"CONSTRUCTION ENGINEERING AND INSPECTION SERVICES FOR THE CROSSTOWN CONNECTOR PROJECT
FOR THE CITY OF DESTIN"

SWORN STATEMENT UNDER SECTION 287.133 (3) (A)
FLORIDA STATUTES, ON PUBLIC ENTITY CRIMES

THIS FORM MUST BE SIGNED IN THE PRESENCE OF A NOTARY PUBLIC OR OTHER OFFICER AUTHORIZED TO ADMINISTER OATHS.

1. This sworn statement is submitted with Bid, Proposal or Contract RFQ No. 25-06-CD Construction Engineering and Inspection Services for the Crosstown Connector Project

2. This sworn statement is submitted by
Halff Associates, Inc.
whose business address is 924 North Ferdon Blvd., Crestview FL 32536
and (if applicable) Federal Employer Identification Number (FEIN) is
75-1308699 (If the entity has no FEIN, include the Social Security Number of the individual signing this sworn statement:

3. My name is Bryant King, PE and my relationship to the entity named above is Vice President

4. I understand that a "public entity crime" as defined in Paragraph 287.133(1)(g). Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or with the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or any agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

5. I understand that "convicted" or "conviction" as defined in paragraph 287.133(1)(b), Florida Statutes, means finding of guilt or a conviction of a public entity crime with or without an adjudication of guilt, in any federal or state trial court of records relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, non-jury trial, or entry of a plea of guilty or nolo contendere.

6. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), Florida Statutes, means:

1. A predecessor or successor of a person convicted of a public entity crime; or

2. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in

THIS PAGE MUST BE SUBMITTED FOR RESPONSE TO
BE CONSIDERED COMPLETE AND ACCEPTABLE

the management of an affiliate. The ownership by one of shares constituting a controlling income among persons when not for fair interest in another person, or a pooling of equipment or income among persons when not for fair market value under a length agreement, shall be a prima facie case that one person controls another person. A person who was knowingly convicted of a public entity crime, in Florida during the preceding 36 months shall be considered an affiliate.

7. I understand that a "person" as defined in Paragraph 287.133(1)(e), Florida Statutes, means any natural person or entity organized under the laws of the state or of the United States with the legal power to enter into a binding contract for provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active n management of an entity.

8. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. (Please indicate which statement applies)

__X__Neither the entity submitting this sworn statement, nor any officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, nor affiliate of the entity have been charged with and convicted of a public entity crime subsequent to July 1, 1989.

____The entity submitting this sworn statement, or one or more of the officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. (please attach a copy of the final order)

____The person or affiliate was placed on the convicted vendor list. There has been a subsequent proceeding before a hearing officer of the State of Florida, Division of Administrative Hearings. The final order entered by the hearing officer determined that it was in public interest to remove the person or affiliate from the convicted vendor list. (please attach a copy of the final order)

_____The person or affiliate has not been placed on the convicted vendor list. (Please describe any action taken by, or pending with, the Department of General Services.)

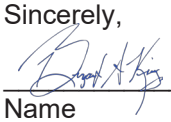
REQUEST FOR QUALIFICATION (RFQ) NO. 25-06-CD
"CONSTRUCTION ENGINEERING AND INSPECTION SERVICES FOR THE CROSSTOWN CONNECTOR PROJECT
FOR THE CITY OF DESTIN"

CERTIFICATION OF INDEPENDENCE AND NO CONFLICT OF INTEREST

By submitting a proposal in response to the REQUEST FOR QUALIFICATIONS for RFQ No. 25-06-CD. – CONSTRUCTION ENGINEERING AND INSPECTION SERVICES FOR THE CROSSTOWN CONNECTOR PROJECT FOR THE CITY OF DESTIN, the undersigned certifies the following:

1. The proposal has been developed independently, without consultation, communication or agreement with any employee or consultant to the City who has worked on the development of this RFQ, or with any person serving as a member of the evaluation committee.



2. The proposal has been developed independently, without consultation, communication or agreement with any other firm or parties for the purpose of restricting competition.

3. Unless otherwise required by law, the information found in the proposal has not been knowingly disclosed and will not be knowingly disclosed prior to the award of the contract, directly or indirectly, to any other firm.

4. No attempt has been made or will be made by (Name of Firm) to induce any other firm to submit or not to submit a proposal for the purpose of restricting competition.

5. No relationship exists or will exist during the contract period between (Name of Firm) and the City that interferes with fair competition or is a conflict of interest.

Sincerely,

Vice President

ANTI-HUMAN TRAFFICKING AFFIDAVIT

DIRECTIONS: *All nongovernmental entities that are or potentially will be contracting, renewing or extending contracts with the City of Destin must have an officer or representative fully execute this affidavit. Note, this is a mandatory requirement of s 787.06(13), Florida Statutes effective July 1, 2024.*

I Bryant King, PE (insert name) as Vice President (insert title) on behalf of Halff Associates, Inc. (insert entity name) under penalty of perjury hereby attest as follows:

1. I am over 21 years of age and have personal knowledge of the matters set forth in this affidavit.
2. Halff Associates, Inc. (insert entity name) does not use coercion for labor or services as defined in s. 787.06(2)(a), Florida Statutes.
3. More particularly, Halff Associates, Inc. (insert entity name) does not participate in any of the following actions:
    a. Using or threatening to use physical force against any person;
    b. Restraining, isolating or confining or threatening to restrain, isolate or confine any person without lawful authority and against her or his will;
    c. Using lending or other credit methods to establish a debt by any person when labor or services are pledged as a security for the debt, if the value of the labor or services as reasonably assessed is not applied toward the liquidation of the debt or the length and nature of the labor or services are not respectively limited and defined;
    d. Destroying, concealing, removing, confiscating, withholding, or possessing any actual or purported passport, visa, or other immigration document, or any other actual or purported government identification document, of any person;
    e. Causing or threatening to cause financial harm to any person;
    f. Enticing or luring any person by fraud or deceit; or
    g. Providing a controlled substance as outlined in Schedule I or Schedule II of s. 893.03, Florida Statutes to any person for the purpose of exploitation of that person.

FURTHER AFFIANT SAYETH NAUGHT.

City of Destin, Florida
Construction Engineering Inspection (CEI) Services
RFQ 25-06-CD
Respondent's Qualification Statement

Litigation Disclosure
Halff Associates, Inc.

CONFIDENTIAL & EXEMPT

23 May 2025

Questions:

Question 8. Have you ever failed to complete any work awarded to you? If so, state when, where and why.

Question 20. List all claims, arbitrations, administrative hearings and lawsuits brought by or against the Respondent or its predecessor organization(s) during the last five (5) years. The list shall include all case names, case arbitration or hearing identification numbers, the name of the project which the dispute arose, and a description of the subject matter of the dispute.

Question 21. List and describe all criminal proceedings or hearings concerning business related offenses to which the Respondent, its principals or officers or predecessors' organization(s) were defendants.

Response:

CONFIDENTIAL – For Internal CITY OF DESTIN, FLORIDA Use Only – Not For Disclosure Any And All Exceptions, Protections Under Applicable Open Records Laws and The Freedom Of Information Act Are Claimed by Halff.

Question 8

As to whether Halff has ever failed to complete a contract or work awarded, Halff employs more than 1,450 people in 32 office locations (Texas, Florida, Oklahoma, Arkansas, and Louisiana) and is engaged in over 3,500 active projects at any given time. On rare occasions, projects are canceled for a variety of reasons, including lack of funding, client decisions that lead to ceasing pursuit of a project and/or change the direction of a project, among others. Halff certifies that it has never failed to complete a contract, project, or awarded work with the City of Destin.

Question 20

Due to Halff's size, the number and complexity of the projects that Halff is involved with, and the heightened litigious nature of our society, Halff occasionally becomes involved in legal proceedings.

Halff was, or is currently a party, in the following project-related civil cases with other clients within the past five (5) years:

1. *Y.C. Partners Ltd d/b/a Yantis Company v. The City of New Braunfels v. Halff Associates, Inc.*, C2014-0522A, District Court of Comal County, Texas, 22nd Judicial District – PENDING – Yantis (the City's contractor) sued the City for failure to pay monies allegedly owed after the Contractor failed to follow proper protocols and not following the approved design. The City cross-claimed against Halff after the Contractor/ Plaintiff alleged that its failures related to design defects. Monetary claim amount to be determined.
2. *Pharr-San Juan-Alamo ISD v. D. Wilson Construction Co. et al*, 2021 003006, DC 430th Judicial District, Hidalgo County, Texas – PENDING – PSJA ISD alleges design issues related to the HVAC system installed in an elementary school. Monetary claim amount to be determined.
3. *Village Real Estate LLC v. Ziegler-Cooper, Inc. Savills Inc. F/K/A/ Savills Studley, Inc., Seawood Builders, LLC, Halff Associates, Inc., and Permit-Expediters Inc.,* 2023 22283, 55th Judicial District, Harris County, Texas – PENDING – Village Real Estate sued the architect, engineer and other advisors and consultants related to the construction of a detention pond within an easement held by a third party. Monetary claim amount to be determined.
4. *City of Willow Park v. Halff Associates, Inc.,* CV23-2017, 415th District Court, Parker County, Texas – PENDING – Halff provided an opinion of construction cost related to a water transmission pipeline through the City of Hudson Oaks and the City of Willow Park, which turned out lower than actual bids received. Monetary claim amount to be determined.
5. *City of Hutto v. Brooklands Partners, Ltd.*, 23-1222-C395, 395th Judicial District Court, Williamson County, Texas – PENDING – The City of Hutto sued Brooklands alleging defective construction. Brooklands then sued Halff and others as a third-party defendants. Monetary claim amount to be determined.
6. *Jose Luis Almaguer v. Halff Associates, Inc.*, DC-24-07702, 14th Judicial District, Dallas County, Texas – RESOLVED, suit settled in April 2025. Monetary claim value/settlement is confidential.
7. *Sonner Road 80, LLC v. Jonathan Heusel; Path Engineering Design & Urbanism PLLC; Halff Associates, Inc.; and Gardner Architects LLC*, CJ-2020-5015, Oklahoma District Court, Oklahoma County – RESOLVED, suit settled in May 2024. Monetary claim value/settlement is confidential.
8. *Prairie Link Constructors JV, Fluor Enterprises, Inc. and Balfour Beatty Infrastructure, Inc. v. AECOM v. Halff*, DC-22-13917, 160th Judicial District, Dallas County, Texas – RESOLVED, Halff's motion to dismiss was granted in January 2024. Monetary claim value is confidential.
9. *Fidencio Hernandez, et at v. City of McAllen, Spawglass Contractors, Inc., Halff Associates, Inc., Palms Crossing Town Center, LLC and Gignac & Associates LLP*, Cw0024-17-A, 92nd District Court, Hidalgo County, Texas – RESOLVED, suit was settled in June 2021. Monetary claim value/settlement is confidential.
10. *Performance Services, Inc. v. Halff Associates, Inc., The Mystinfield Group LLC, Wiss Janney, Elstner Associates, Inc.*, 20-0475-C368, 368th Judicial District, Williamson County, Texas – RESOLVED, suit was settled in December 2021. Monetary claim value/settlement is confidential.
11. *Lou Tilchin, Jaffe Tilchin Wealth Management, Inc. v. ABI Companies, Inc., ABI Construction Services, LLC, GGI LLC, Genesis C E & I Services, LLC, Genesis Halff, Inc. and Genesis Halff CEI, Inc.,* 20CA003205 DIV. E, Circuit Court of the 13th Judicial Circuit Hillsborough, County, Florida – RESOLVED, Genesis Halff, Inc. and Genesis Halff CEI, Inc. were dismissed from the suit in December 2021. Monetary claim value is confidential.
12. *Fidencio Hernandez and Maria Garcia, Individually and as Representatives of the Estate of AHH (Decedent) and Rose Amber Cordova v. Raymond Gignac, AIA, Individually and, DBA Gignac/TVS,*

Gignac & Associates, L.L.P., Thompson Ventulett Stainbeck & Associates, Inc., Architects, Halff Associates, Inc. and SWA Group d/b/a SWA Group Inc., C-0024-17-A, 92nd Judicial District, Hidalgo County, Texas – RESOLVED, suit was settled in June 2021. Monetary claim value/settlement is confidential.

Halff can and does affirm that there are no prior or ongoing legal matters that would adversely affect Halff's ability to fully perform its obligations on this or any other project. Halff can confirm it has no ongoing or pending litigation against the City of Destin.

Question 21

Halff, its principals, officers, or predecessors' organizations are not a defendant, and have not been a defendant, in any criminal proceedings.

As to All Questions

Halff's legal counsel will consider requests for specific information regarding the status of the protected matters described above. Halff's Corporate Counsel, Nina Scherach, can be reached at nscherach@halff.com.

MANAGING PROJECT ON-TIME & ON-BUDGET

To complete a project on time and within budget, the CEI must have a complete understanding of the project, the contract, and the client. Our recent past performance on our projects for FDOT and other local municipalities are indicative of Halff's ability to exceed our client's goals.

Budget

The Halff team begins each project by identifying and reviewing constructability issues in the plans and specifications so issues can proactively be addressed with minimal impacts to schedule and budget. Our review focuses on issues occurring early in construction and those that impact cost, schedule, quality, or safety. Following the constructability review, **Client Service Manager Eric Rosenstein, PE** and **Project Manager Doug Pritchard** will meet with the City to gain consensus on documented issues and recommendations from Halff. We are stewards of taxpayer dollars and have the distinct responsibility of delivering quality tasks at a maximum agreed upon price within the confines of an agreed upon schedule.

To make certain we stay within budget, Halff utilizes VantagePoint, an automated accounting system that allows customization of time-keeping procedures, invoice generation, and project staff hour/budget tracking. We can produce custom weekly and monthly status reports to monitor fund availability and usage rate. These tracking tools are reviewed on a weekly basis to make certain we remain on budget for each assignment. We monitor budget performance and make the necessary adjustments to verify all funds are used to maximum efficiency.

Schedule

We have an important responsibility in the process to adopt an approved schedule, review the monthly updates for adherence to the planned activity start and finish dates, identify indicators of progress falling behind schedule, and recommend actions for schedule recovery as needed in collaboration with the contractor. We will verify that the project schedule includes activities pertaining to construction, shop drawings, material procurement, utility work schedules, and construction phasing.

Eric and Doug have demonstrated expertise in reviewing and monitoring the contractor's baseline and monthly updated schedules, with projects ranging from milling and resurfacing to complex widening projects with more than 1,200 activities. Monthly updates will be reviewed to verify reasonable pursuit of critical path activities and confirm start and completion dates of all work activities are accurate. The contractor's two-week look-ahead schedule will be collected in a timely manner and compared against the monthly schedule updates. Upcoming work activities will prompt document and field layout preparations. Field operations will be monitored to facilitate the timely completion of key milestones. In addition, the team will look for changes in activities affecting the vested members of the project along the corridor (traffic shifts, detours, driveway construction, utility installation, etc.), to make certain appropriate notice and coordination takes place well in advance of the work.

PROVIDING QUALITY WHILE STAYING ON-SCHEDULE

Halff builds teams specifically for the project's needs. Our proposed team members have a breadth of experience working on similar projects, which allows for a better understanding of the construction requirements and the ability to anticipate issues before they arise. Prior to the start of the project, our team will meet with City staff to establish expectations for safety, project records, sampling and testing, communication, and evaluations. Establishing the expectations before construction is essential for moving forward in the right direction for success. At Halff, project closeout begins on day one by properly preparing, naming, filing, and tracking documents from the beginning with closeout in mind. This effort makes certain that records are properly filed and closeout is completed efficiently.

QUALITY ASSURANCE/QUALITY CONTROL METHODS

Halff is committed to delivering quality on every project. We adhere to the latest Construction Project Administration Manual (CPAM), FDOT Standard Plans and Specifications for Road and Bridge Construction, and all applicable Interim Revisions. Halff utilizes a Quality Assurance Review Checklist that covers key contract items. In addition, an initial QA review on the asphalt inspection staff is conducted after the contractor has completed ten full working days of mainline asphalt paving operations or 25% of the asphalt pay item amount (whichever is less) to validate that all sampling, testing, inspection, and documentation are occurring as required by the Halff team. These reviews, led by experienced Halff staff, confirm compliance with contract specifications and procedures, and focus on both current and upcoming construction activities to maintain proactive oversight.

Quarterly reviews of field measurements, daily work reports (DWRs), site-source documentation, materials testing, and contract administration/processes will be performed by our QA team, led by ***QA/QC Manager Jo Ann Moore***. Final estimate reviews will be performed at 30 percent, 60 percent, and 90 percent intervals. Within five days of completing each review, a summary of the QA review will be provided to the City of Destin PM with recommendations for improvements to be implemented on the project immediately. Any improvements identified will be discussed with our team and added to our lessons learned toolbox.

A QA Plan will be customized for the Crosstown Connector project and include processes, as well as checklists that focus on inspection and documentation requirements for major work items. The plan will be distributed to and ***followed by all team members, including subconsultant staff***. As shown in the diagram below, not only is every team member responsible for reviewing their own work, but our system includes a series of checks and balances so that contract documentation is thoroughly reviewed throughout the project and adheres to the highest quality standards.

We improve lives and communities
by turning ideas into reality.

RE: RFQ No. 25-06-CD, Construction Engineering and Inspection Services for the Crosstown Connector Project

Dear Mr. Jones and Evaluation Committee,

Volkert, Inc. (Volkert) is pleased to submit our statement of qualifications in response to the City's Request for Qualifications (RFQ) for Construction Engineering and Inspection (CEI) Services for the Crosstown Connector Project.

The Volkert Team brings years of extensive CEI experience of construction projects, including two-lane roadways, with roundabouts for the Florida Department of Transportation (FDOT) and local agencies throughout Florida. This experience elevates our ability to provide the City with exceptional services for the Crosstown Connector project that includes various connections to existing roadways, underground stormwater retention chambers, stormwater structures and pipes, stormwater swales and ponds, sidewalks, signing and pavement markings, street lighting, and landscaping.

The Volkert Team has successfully completed numerous federal and state highway projects, general improvement initiatives, and emergency repair efforts throughout Florida. We are fully qualified to provide the City of Destin with the required CEI services for this contract. Our team assigns talented, appropriately skilled staff to each scope of service task. When necessary, Volkert can draw upon a wide range of expertise from our extensive internal resources and local area professionals.

Jonathan Parramore, PE, will serve as the Project Manager (PM) and primary point-of-contact for this project. The proposed responsible office will be our Gulf Breeze office located nearby at 215 Fairpoint Drive, Gulf Breeze, FL 32561, with support from our local Chipley, FL office. Mr. Parramore can be reached through his email at jonathan.parramore@volkert.com and via cell at 850.451.1270. Mike Warnke, PE, ENV SP, will serve as the Client Service Manager on this project and offers 29 years of professional engineering experience in the Florida Panhandle. Teresa Driskell, PE, is the Quality Assurance/Quality Control (QA/QC) Manager and Director of the Volkert Florida CEI division.

Our depth of resources enables us to complete projects in a timely manner while delivering high-quality CEI services for complex infrastructure initiatives. Volkert has recently provided professional CEI services on contracts similar to the Crosstown Connector project for both Escambia and Santa Rosa Counties.

The Volkert Team is fully committed to supporting the City in the successful execution of this important project. We bring effective, creative, and innovative solutions, along with comprehensive utilization of proposed personnel to meet the RFQ deliverables. Volkert has the certified and experienced team necessary to meet the City of Destin's expectations and requirements, including the project schedule and budget for the Crosstown Connector project.

We look forward to working with the City of Destin staff and continuing Volkert's longstanding tradition of successfully completing CEI projects throughout the state of Florida in service to the City and its residents under this contract.

We acknowledge the contents of Addendum No. 1 published on May 27, 2025.

Respectfully submitted,
Volkert, Inc.

David McFarlin, PE, PLS, PTOE, Senior Vice President | Authorized Representative
T: 770.362.7374 | E: david.mcfarlin@volkert.com

B | Description of Firm and Statement to Perform Consulting Services

The Volkert Team offers 80 years of extensive experience serving CEI contracts within the Florida Panhandle. With such experience, Volkert is known for solving challenging construction issues, as well as saving clients time and money. Volkert has managed FDOT Local Agency Program (LAP) projects and similar Crosstown Connector roadway construction CEI contracts for other local governments and recognizes that assisting quickly and acting as an extension of City staff is important. Volkert has the experience that allows us to anticipate cost and schedule challenges, gives us awareness of the various ways that a contractor or other stakeholders might react to an unforeseen situation, and allows us to respond in the best way. Having been in similar situations in the past, we recognize that there are always multiple paths to reach a solution. The Volkert Team will navigate a path to reach a solution that maximizes the available benefits and minimizes issues through coordination and collaboration. This will require a full range of skills and capabilities, including the ability to quickly and accurately assess emerging situations and to provide strategic advice and technical assistance that meets the City's schedule. Our approach incorporates best practices and lessons learned from our experience on numerous similar projects for municipal, state, federal, and private sector clients.

We have worked with FDOT and various municipalities on a wide array of CEI projects. The Volkert Team's experience with transportation projects allows us to understand the state requirements and the need for transparency and accountability. We understand that FDOT will review all funded transportation projects, concentrating on contract documentation, authorization documentation, agency documentation, and project billing documentation.

The Volkert Team shares the City's goal of delivering projects for the benefit of its citizens while assuring quality and controlling costs. Volkert understands and outlines the key elements to successful implementation of this project.

Safety First. The safety of all individuals entering the construction area is the team's top priority. The CEI personnel proposed for this contract have the training in work zone traffic and construction safety necessary to take a proactive role in avoiding risks to the public and personnel involved in the project.

Quality Construction. This is defined by exceptional services, high durability, and minimal maintenance costs. Volkert's Project Manager, Client Service Manager, Key Project Members, and support personnel are highly knowledgeable of applicable quality standards and construction methods. Our track record reflects consistent enforcement of specifications and achievement of exceptional quality of construction, while successfully managing maintenance costs in all projects under our supervision.

Innovative Solutions. The public demands efficient solutions with minimal inconvenience. Construction cannot occur at the cost of undue inconvenience to the public. Balancing the economy and quality of construction, the safety of operation, and the need to minimize disruptions to traffic and businesses is a typical challenge for the CEI team. Our personnel have the training, experience, and a solid track record of providing effective solutions for the traveling public. The Volkert Team will achieve this balance for the City of Destin community.

Volkert has successfully completed various types of construction inspection services and design projects, including those involving roadways and bridges, stormwater management, environmental engineering, and site development. We take pride in our commitment to serve our clients and their communities through the successful completion of projects.

During all phases of work, proper maintenance of traffice (MOT) must be provided to ensure adequate ingress and egress for property owners within the project limits as well as safe passage of motorists and pedestrians through the project limits. Volkert will discuss proposed work with the contractor during regularly scheduled bi-weekly meetings, and we will work with the contractor to help prevent potential problems before they occur. In addition, Volkert field inspectors will contact property owners in the immediate area of scheduled work to inform them of operations and address any concerns of property owners.

Volkert will provide all necessary CEI services required for this contract, which will include monitoring and documenting compliance with construction documents, preparing and documenting monthly and final estimates, and coordinating construction activities with the City and other local entities. The project will be carefully planned, organized, scheduled, and selectively staffed for optimum efficiency and quality assurance. Volkert will provide the City with inspectors, construction engineers, and program managers experienced with roadway and stormwater projects. These individuals are state-certified in areas such as work zone safety, concrete testing, asphalt inspection, traffic, and erosion control.

Successful construction management requires a keen attention to detail so that entitlement disputes are analyzed, excessive costs are value engineered, submittals are reviewed for compliance with specifications, and construction schedules are realistically prepared. Volkert will determine the acceptability of all materials and completed work items based on documented test results, verification of certifications, certified mill analysis, and independent verification testing.

Volkert's staff understands that timely issue processing by the CEI team is crucial to the success of any construction project. Submittals must be reviewed and processed according to the schedule. Through regular site visits and meetings with contractor personnel, Volkert manages our CEI projects in a professional manner that promotes a team relationship with both the contractor and our clients, thus facilitating timely completion of projects while maintaining the City's budget.

Also, as part of the CEI and project management duties for this project, Volkert will monitor the contractor's work and provide a report to the City to ensure compliance with the LAP agreements and provisions for the contract. The Resident Compliance Specialist (RCS) will keep all related documents and correspondence accurate and up-to-date; attend all compliance reviews and furnish the complete project files for review; and assist the assigned federal/state contract compliance manager, as requested. The consultant will perform field interviews with laborers and provide a workspace and supplies for project compliance files. The RCS will attend the pre-construction conference to go over the project requirements. To provide the RCS oversight, Volkert has partnered with MTN Resources, LLC (MTN), a an FDOT-certified DBE/USDOT-certified SB, to provide compliance services.

The team specializes in the monitoring of federal compliance requirements on federally-funded transportation construction projects and performs work in FDOT Districts 1, 2, 3, 4, 5, and 7. Their highly experienced staff is prepared to monitor all federal and state compliance requirements, including equal employment opportunity (EEO), DBE, wages and payrolls, and on-the-job training (OJT) in accordance with the FDOT Construction Contract Compliance Workbook and other prevailing federal rules and regulations.

MTN's project experience ranges from small LAP projects to large, complex projects (i.e. FDOT District 5's $2.6 billion P3/Design-Build I-4 Ultimate project, SunRail, and Wekiva Parkway projects). MTN also has experience with multiple funding sources, including American Recovery and Reinvestment Act (ARRA), Transportation Investment Generating Economic Recovery (TIGER), LAP, FDOT, Federal Highway Administration (FHWA), Department of Environmental Protection (DEP), Federal Railroad Administration (FRA), and Federal Transit Administration (FTA). MTN is well-known in Florida for their involvement with LAP, including conducting training classes to the local agencies on behalf of FDOT, performing compliance project reviews on behalf of FDOT, and serving as the field RCS. To date, MTN staff members have monitored compliance on more than 350 LAP projects in Florida.

C | Office Location

The Volkert Team will utilize personnel in our Florida Panhandle offices located in Gulf Breeze, Panama City Beach, and Chipley, Florida. Volkert will lead this project from our fully staffed office in Gulf Breeze, Florida, which includes engineering, environmental, and CEI personnel. This office is an hour from the City of Destin, with the lead inspector living approximately 15 minutes away from the project location. Mr. Warnke and Mr. Parramore are committed to this project, the City of Destin, and will make the necessary personnel available, during the life of this project.

A | Organizational Chart

The Volkert Team assigned to this project and shown in the below organizational chart will provide the City of Destin with an experienced CEI team that can handle every task required under the scope of services. This team have been involved in other CEI roadway, stormwater drainage, and multimodal projects around this area, as well as have a vested interest in improving the infrastructure for the community. The key project team member resumes are included on the following pages that highlight their roles, qualifications, certifications, and experience similar to this project. The firm maintains a permanent staff of 1,700 employees, including construction managers, construction inspection personnel, civil and structural engineers, environmental scientists, planners, right-of-way specialists, drafters, and surveyors. Some of the services Volkert provides include construction and maintenance; transportation enhancement and streetscape design; road and bridge design; traffic engineering; bridge and tunnel inspection; environmental services; hydrology; and water/wastewater. Volkert is nationally recognized as a top design firm and can provide the City of Destin with an unmatched pool of experts for the completion of infrastructure-related projects. If needed, additional personnel will be assigned as-needed and upon approval by the City. ***Volkert recognizes that the City will not allow substitution of key project members during the contract period without the written agreement from the City.***

Mike Warnke, PE, ENV SP

Client Service Manager

B | Resumes

SUMMARY OF QUALIFICATIONS

Mike Warnke has 29 years of professional engineering experience in the Florida Panhandle and has served as a Principal-in-Charge and Project Manager for projects throughout the southeast for FDOT and various municipalities. He assists with engineering studies and the development of design and construction plans and is responsible for scheduling, budgeting, design oversight, coordination, business development, and client relations. Mr. Warnke is certified as an Envision Sustainability Professional, as well as in Contractor Quality Management by the USACE.

PROJECT EXPERIENCE

Continuing Services Contract | Santa Rosa County, FL | Santa Rosa County Board of County Commissioners. This continuing services contract has been held by Volkert since 2020. Mr. Warnke is responsible for the management of task orders, including, but not limited to, the following projects: Pine Blossom Road Drainage Analysis and Design; CR 399 Culvert Assessment; Temporary County Surveyor Consulting Services; Eastbay School Sidewalk Design; Randy Brown Road Design and CEI; Rosemary Sound Bridge CEI; Walling Road SCOP Resurfacing; Navarre Beach Bridge Fender System Design; Temp County Inspection Services; Old Bagdad Sidewalk; FDOT local agency program CEI; Navarre Beach Pier Inspection; and Navarre Beach Bridge Fender Repair.

Continuous Engineering and Professional Services Contract | Escambia County, FL | Escambia County Board of County Commissioners. This on-call contract has been held by Volkert since 2014. Mr. Warnke is responsible for the management of task work orders, including, but not limited to, the following projects: engineering design, including River Road Culvert Design, Innerarity Point Park FEMA Repair Project, Pier/Boardwalk Rehabilitation, and Pine Forest Drop Structure Downstream Stabilization; structural design, including Northpoint Bridge PEA and Northpoint Road Culvert FEMA Repairs; CEI services, including Woodrun Bridge CEI, Smith's Fishcamp Bridge CEI, James Road/Coffee Creek Bridge Replacement CEI, and Warrington Pond CEI; inspections, including 2016 – 2022 Short Span Bridge Inspections; and drainage design, including Chimney Pines Drainage Rehabilitation.

Pea Ridge Road Connector | Santa Rosa County, FL | Santa Rosa County Board of County Commissioners. Mr. Warnke served as Project Manager. This project included the development of planning and design for a new alignment connector roadway, which consisted of a four-lane divided rural section along the designated right-of-way with a design speed of 35 mph. The roadway included a roundabout, turn lanes to accommodate schools and future development needs, and signalized intersections, where necessary. Mr. Warnke oversaw planning, surveying, geotechnical services, traffic engineering, utility design/coordination, environmental permitting, drainage analysis/improvements, signal design, complete design plans, property acquisition assistance, a value engineering study, construction estimates, bidding assistance, construction administration, and CEI for the project.

Jonathan Parramore, PE

Project Manager

SUMMARY OF QUALIFICATIONS

Jonathan Parramore brings more than 30 years of diversified experience to the Volkert Team while serving as Senior Project Engineer. Mr. Parramore has been involved in construction contracts since 1995, and he brings a different perspective to Volkert's construction team by combining his contractor and CEI experiences into the Senior Project Engineer role. His extensive knowledge of construction practices allows him to interact on a level with the contractor that provides valuable teaming effectiveness while enabling him to understand and solve project issues. Mr. Parramore's background includes operations and business development, construction management, and CEI services. He also has a broad knowledge base of construction experience, including resurfacing and widening projects, bridge construction and rehab, and design-build projects throughout Florida.

PROJECT EXPERIENCE

SR 292 | Escambia County, FL | FDOT District 3. Mr. Parramore serves as Senior Project Engineer. This $6.1 million, nine-mile-long milling and resurfacing project is located from CR 292A to Manchester Street in Escambia County. The project also includes asphalt overbuild, guardrail, turnout construction, sodding, drainage upgrades, concrete improvements, and signage and pavement markings. *Anticipated End Date: April 2026.*

SR 10 (US 90) at SR 69 (Porter Avenue) | Jackson County, FL | FDOT District 3. Mr. Parramore serves as Senior Project Engineer. This $2 million, 0.5-mile-long signalization project is located at the SR 10 and SR 69 intersection in Town of Grand Ridge in Jackson County. The project also includes turn lane and traffic separator construction, drainage upgrades, sodding, and signage and pavement markings. *Anticipated End Date: September 2025.*

CEI Services for Chemstrand Road Drainage and Sidewalk Improvements| Escambia County, FL | Escambia County Board of County Commissioners. Mr. Parramore serves as Senior Project Engineer. This project will expand and improve the existing stormwater system along Chemstrand Road and adjacent side streets between Nine Mile Road and Johnson Avenue. The improved system will convey stormwater runoff to the Johnson Avenue stormwater system and the existing Kaylyn Road County Pond, which is scheduled to be deepened during this project. In addition, the sidewalk will be constructed along each side of Chemstrand Road to enhance pedestrian movement and access. Various roadways will be resurfaced along with striping and signage installation. The project also provides upgrades to Emerald Coast Utilities Authority's water system. *Anticipated End Date: July 2025.*

SR 71 | Jackson County, FL | FDOT District 3. Mr. Parramore served as Senior Project Engineer. This $4 million, five-mile-long milling and resurfacing project is located from north of CR 165 to 5th Avenue in the Town of Malone in Jackson County. The project also includes sidewalk and handicap ramp upgrades, sodding, and signage and pavement markings. *Completed.*

Clinton "Clint" Johnson

Project Administrator

SUMMARY OF QUALIFICATIONS

Clint Johnson has 32 years of construction experience, which includes him serving as CEI Project Administrator on multiple projects applying his working knowledge from the field as a Plant Superintendent, Laboratory Foreman, Quality Control Technician, and Roadway Foreman. Mr. Johnson is currently serving as the Contract Support Specialist (CSS) for SR 10 (US 90) over the Simpson Bridge and the Group 22-H resurfacing projects on SR 292, Sorrento Road. As CSS, Mr. Johnson is responsible for planning work details and making technical decisions related to the office aspects of the project. His experience includes writing supplemental agreements and work orders for contract changes and making payments to the contractor for additional work. His responsibilities include certifying material in MAC and entering project information in Prc and PSSP. ***Mr. Johnson lives approximately 15 minutes away from the project location.***

PROJECT EXPERIENCE

CEI Services for the Widening of SR 95 (US 29) from SR 8 (I-10) to SR 90A (Nine Mile Road) | Escambia County, FL | FDOT District 3. Mr. Johnson serves as CSS. The improvements under this contract consist of widening SR 95 from a four-lane divided roadway to a six-lane divided roadway between I-10 and Nine Mile Road. The project includes replacing the SR 95 overpass at Nine Mile Road, extensive drainage work, pond construction, several MOT phases with traffic switches, reconstruction of side road intersections, widening for the left-turn lane installation at the intersection, safety improvements, signing and pavement markings, and an upgrade of the urban interchange at Nine Mile Road. Mr. Johnson maintains detailed records of the contractor's daily operations and events that affect the work, such as handling work zone traffic control, sampling and testing component materials, and conducting field tests. Mr. Johnson is overseeing field operations and tracking quantities for earthwork, asphalt, drainage, and concrete for payment and testing requirements, as well as processing monthly invoices from the design-build firm. He enters and reviews MAC entries and SiteManager for proper project documentation.

CEI Services for the Improvements to SR 85 (John Sims Parkway) from Government Avenue to Bayshore Drive in Niceville | Okaloosa County, FL | FDOT District 3. Mr. Johnson served as Senior Inspector. The 1.1-mile-long project consisted of widening an existing four-lane highway to a six-lane highway. The project included construction of three storm-water ponds and storm-sewer system, concrete traffic separators, signalization, and lighting improvements. Mr. Johnsonmaintained detailed records of the contractor's daily operations, such as work zone traffic control, sampling and testing of component materials, conduct of field tests, and all events that impacted the work.

CEI Services for the Milling and Resurfacing SR 71 from SR 10 (US 90) to North of CR 165 Basswood Road | Jackson County, FL | FDOT District 3. Mr. Johnson serves as CSS. This $12.5 million District contract on SR 71 from SR 10 to CR 165 consists of milling and resurfacing, minor widening for turn lanes, drainage improvements, sidewalk replacement, curb ramp replacement, signal loop replacement, lighting installation, and pavement markings.

David A. Albers

Senior Inspector

SUMMARY OF QUALIFICATIONS

David Albers is a Senior Inspector for CEI projects with 16 years of experience. He brings extensive experience delivering precise, reliable surveying services to a broad range of clients, including municipal governments, federal agencies, and private sector partners. Mr. Albers provides onsite support inspecting project and construction requirements for roadway improvement projects, stormwater upgrades, and utility mapping for FDOT District 3 and several Florida Panhandle cities, such as Destin, Fort Walton Beach, and Pensacola, as well as Escambia, Jackson, Washington, and Bay Counties.

PROJECT EXPERIENCE

CEI Services for the Milling and Resurfacing SR 71 from SR 10 (US 90) to North of CR 165 Basswood Road | Jackson County, FL | FDOT District 3. Mr. Albers serves as Senior Inspector. This $12.5 million District contract on SR 71 from SR 10 (US 90) to CR 165 (Basswood Road) consists of milling and resurfacing, minor widening for turn lanes, drainage improvements, sidewalk replacement, curb ramp replacement, signal loop replacement, lighting installation, and pavement markings.

CEI Continuing Services Hybrid (C9T49) | Multiple Areas | FDOT District 3. Mr. Albers served as Senior Inspector and oversaw MOT, erosion control, earthwork operations, and concrete construction associated with this sidewalk construction project.

SR 30 (US 98) Pipe Inspection and Repair | Pensocola, FL | FDOT District 3. Mr. Albers served as Senior Inspector in a subconsultant role. He oversaw the inspection and repair of a major drain pipeline on SR 34 for Airport Road to Gulf Shores Drive.

SR 77 Maintenance Engineering and Inspection | Washington County, FL | FDOT District 3. As the Senior Inspector, Mr. Albers was responsible for all functions of multiple maintenance contracts, including tracking contract money and supervising work document applications. Mr. Albers worked with multiple contractors performing multiple maintenance-related applications.

SR 77 | Design-Build Multi-Lane Resurfacing and Widening | Washington County, FL | FDOT District 3. Mr. Albers served as Senior Inspector and was responsible for the engineering technicians to ensure that the project was built to plans, specifications, and other contract documents. This project consisted of adding additional lanes to 14.4 miles of roadway.

SR 77 | Two-Lane Diversion Fast Response | Washington County, FL | FDOT District 3. Mr. Albers served as Senior Inspector and oversaw all functions of the project, which included subgrade, base, and asphalt operations for lane diversion for the fast response contract on SR 77.

Phase 4 Roadway Rehabilitation | Bay County, FL | FEMA. As the Senior Inspector, Mr. Albers oversaw MOT, erosion control, earthwork operations, and concrete construction associated with the roadway rehabilitation. His project responsibility required timely response and accurate reporting of construction and inspection services.

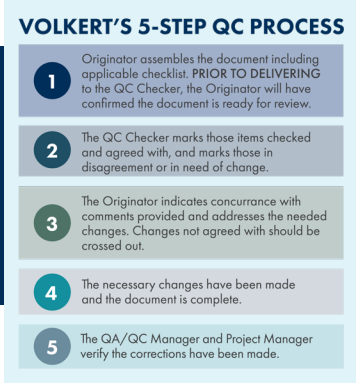
TERESA DRISKELL, PE | Quality Assurance/Quality Control (QA/QC) Manager

EDUCATION: BS, Civil Engineering, Auburn University



LICENSES/CERTIFICATIONS: Professional Engineer, FL No. 55164; CTQP Final Estimates 1 & 2; Pile Driving; QC Manager; Advanced MOT; Critical Structures Self Study; NPDES/FSESCI Erosion Control; Nuclear Radiation/HAZMAT

BIO & YEARS OF EXPERIENCE: Teresa Driskell has more than 30 years of experience on numerous high-profile and complex construction projects throughout the state, serving as Engineer, Resident Engineer, Assistant District Construction Engineer, Interim District Construction Engineer, QA/QC Manager, and Volkert's Southeast Region CEI Manager. Ms. Driskell is a knowledgeable and practical construction manager with experience in construction, engineering, contract administration, and QA/QC. She applies decades of lessons learned in the field to proactively address potential issues when reviewing work, and her efforts routinely improve the end product on projects for clients in a wide range of disciplines.

KEY TASKS ON THIS PROJECT: Ms. Driskell will provide detailed reviews of work products and incorporate lessons learned and extensive knowledge in state and federal funding programs into project planning phases.

VOLKERT FIVE-STEP PROCESS TO QUALITY CONTROL

Read more about Volkert's Five-Step Quality Control process in section titled, 4. Project Approach, demonstrated skill set, and innovative ideas that will be used to address the Scope of Work.

C | Subconsultant Firm and Key Personnel

MTN Resources, LLC (DBE/SB) will provide resident compliance administrative support services and CEI support. MTN's experience includes projects, such as I-4 Ultimate P3/Design-Build (on which MTN has worked with Volkert), FDOT LAP D3 City of Tallahassee; FDOT D3 City of Panama City Beach; and FDOT District 7 Districtwide Construction Compliance Services – Task Work Orders as well as the completion of 850 other projects.

BRIANNE GRAHAM | RESIDENT COMPLIANCE SPECIALIST

EDUCATION: BS, Finance, Purdue University Global,

BIO & YEARS OF EXPERIENCE: Brianne Graham joined MTN Resources the year of 2023, and she has worked on a variety of task work orders throughout the state of Florida.

KEY TASKS ON THIS PROJECT: As Resident Compliance Specialist, Ms. Graham will monitor all construction contract compliance requirements, including EEO, Wages, DBE, and OJT. She will attend pre-construction meetings, coordinate with the contractor on submittals, reviews and analyzes data, track all compliance criteria for accuracy and timeliness of submittals, conducts board inspections, conduct labor interviews, track and report DBE participations, monitors trainees, coordinates with the CEI team, and review daily field reports to ensure accuracy and completeness of compliance documentation.

D | Availability Location and Workload of the Proposed Team

Following review of the project plans, scope of services, and FDOT agreement, Volkert will provide the CEI services according to the two task work orders and project budget. The tables below highlight a list of our location availability, current projects in the Florida Panhandle ,and the remaining labor commitments.

1. CURRENT PROJECT WORK LISTING AND REMAINING LABOR COMMITMENTS

TEAM MEMBER	ROLE	LOCATION	% Currently Committed	% of Availability
Mike Warnke, PE, ENV SP	Client Service Manager	Gulf Breeze, FL	70%	30%
Jonathan Parramore, PE	Project Manager	Chipley, FL	30%	70%
Clinton Johnson	CEI Project Administrator	Gulf Breeze, FL	20%	80%
David Albers	CEI Senior Inspector	Chipley, FL	20%	80%

Based on the proposed team's workload and the remaining labor commitments listed in the table below, Volkert commits the percentage availability from its local staff and location.

PROJECT NAME	Remaining Labor Commitments
Escambia County, South Chemstrand Road CEI (ongoing)	2 months
FDOT SR 10 at Ashland Avenue Escambia County	2 months
FDOT SR 10 Simpson River Bridge Replacement	1 month

2. THE TYPICAL NUMBER OF PROJECTS HANDLED BY THE KEY PROJECT MANAGERS AT A GIVEN TIME

The Volkert Team key project managers can manage multiple client contracts (average of five projects) within their region or FDOT District at any given time and within reason to maintain quality deliverables. These contracts and responsibilities are supported by comprehensive regional teams, best practice processes and procedures, and national multi-disciplinary departments. With continuing services contracts or task work orders, the number of projects and commitment times fluctuate throughout the duration of the contract, with each task a priority.

3. PROJECTED WORKLOAD OF PROJECT MANAGEMENT ACTIVITIES AS DEFINED IN THE SCOPE OF SERVICES

TASK	Scope of Services per Task	% Workload per Task
1	Construction Observation	60
2	Measurement and Payment Administration	10
3	Meeting Administration	5
4	Contract Interpretations and Modification Administration	5
5	Project Closeout/Post-Construction	10
6	Compliance with FDOT Specifications and LAP Documentation	10

4. IDENTIFICATION OF SUBCONSULTANT FIRMS PROVIDING SIGNIFICANT SERVICES THAT MAY BE ASSIGNED MORE THAN FIVE (5%) OF THE WORK

Volkert has partnered with MTN to provide RCS tasks. MTN is well-known in Florida for their involvement with LAP, including conducting training classes to the local agencies and performing compliance project reviews on behalf of FDOT. The team specializes in the monitoring of federal compliance requirements on federally-funded transportation construction projects.

4. PROJECT APPROACH, DEMONSTRATED SKILL SET, AND INNOVATIVE IDEAS

Project Approach, Demonstrated Skill Set, and Innovative Ideas that will be Used to Address the Scope of Work

The Crosstown Connector Project is approximately 0.4 miles of construction on a two-lane roadway and includes a roundabout, various connections to existing roadway, underground stormwater retention chambers, stormwater structures and pipes, stormwater swales and ponds, sidewalks, signing and pavement markings, street lighting, and landscaping.

Volkert understands that this project will be phased. Phase One will include the underground stormwater retention system and connections. Phase Two will include the remainder of the project. Crosstown Connector Construction Phase One was let May 7, 2025, and Phase Two is scheduled to be let in the Fall of 2025. This procurement will include the CEI services for both phases. Two separate task orders will be issued for the phases.

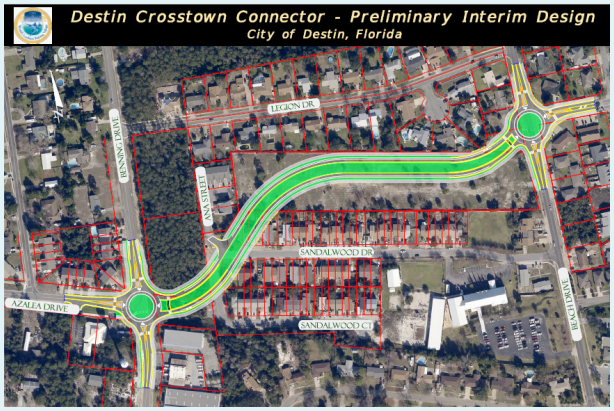


Image used courtesy of the City of Destin. © City of Destin official City of Destin website (www.cityofdestin.com). 2025

Construction scheduling is a key element in planning project work within the established contract duration. The Volkert Team understands how to review and monitor a contractor's schedule and provide guidance to help ensure milestones are met. Mr. Parramore recognizes that when unforeseen circumstances cause construction delays, the contractor may need to adjust the schedule and, in some cases, accelerate operations to keep the project on track and minimize impacts to the traveling public.

Mr. Parramore will immediately begin collaborating with the City's PM, Larry Jones, to identify primary activities for focused tracking, establish necessary constraint dates, determine minimum requirements for document preparation, and set required deliverable deadlines. Weekly progress reports and insights gathered from team discussions will also be reviewed. He will track progress against the project calendar to ensure supplemental resources can be deployed if additional efforts are required.

The Volkert Team will provide regular updates to Mr. Jones, including any schedule-related issues and the remediation efforts underway. After reviewing the anticipated project timeline and milestones, the Volkert Team is committed to assigning the necessary and qualified staff to this project. Our team is dedicated to delivering a successful outcome and ensuring the schedule remains on track, avoiding unnecessary delays and mitigating unforeseen issues.

SCHEDULE AND BUDGET MANAGEMENT

Volkert's team understands the risk represented by additional costs and delays, and we will employ key strategies to maintain schedules and control project costs. Our early coordination, constructability, and value engineering reviews; effective communication; and implementation of best practices when changes are necessary will provide the City with unmatched value throughout this project. During construction, our team will work with the contractor PMs, field supervisors, and quality control personnel while maintaining purposeful communication focused on meeting the schedule and budget, as well as overseeing quality construction. The Volkert Team will also oversee the compliance of all construction requirements, implementing appropriate inspection verification and documentation. We have found that our communication-based project management approach minimizes misunderstandings that can lead to unnecessary delays, construction cost overruns, and claims. This approach has proven highly effective on all construction projects for both local and state governments.

The scope of Wwork for this project is to provide CEI services for the east-west corridor intended to provide an alternate corridor that would help alleviate traffic on Highway 98. The Destin City Council approved a Shared-Use Non-Motorized Trail Program (SUN Trail) grant agreement for the Crosstown Connector and has $200,000 to strictly implement a 10-12 foot multimodal path, which is required to be a part of FDOT's Trail Program SUN Trail.

The responsibilities of the consultant on this project include:

- Conducting project administration and
- Providing Construction Inspection

Volkert will provide all necessary CEI services for this contract, which include monitoring and documenting compliance with construction documents; preparing and documenting monthly and final estimates; and coordinating construction activities with the City, stakeholders, and other local entities. The project will be carefully planned, organized, scheduled, and selectively staffed for optimum efficiency and quality assurance. Volkert extends our Client Service Manager, Project Manager, Project Administrator, and Roadway Construction Inspectors that are state-certified in areas such as work zone safety, concrete testing, asphalt inspection, erosion control, compliance, and quality control.

Successful construction management requires keen attention to detail, so entitlement disputes are analyzed, excessive costs are minimized, challenges are value engineered, submittals are reviewed for compliance with specifications, and construction schedules are realistically prepared and followed. Volkert will determine the acceptability of all materials and completed work items based on documented test results, verification of certifications, certified mill analysis, and independent verification testing.

- Attend Progress Meetings
- Prepare/Review/Process Supplemental Agreements/Construction Changes
- Review/Approve Shop Drawings
- Provide Quality Assurance Testing for Acceptance
- Provide Inspection of the Work
- Prepare Daily Diary Reports
- Review/Approve Progress Payments
- Distribute Correspondence
- Provide Final Project Records/As-Built Plans
- Provide Citizen Interface/Liaison Services for the County

Volkert anticipates that the contractor's first priority following installation of appropriate MOT and erosion control devices will be to start the site work and foundation preparation required for the placement of the stormwater system, pipes, and structures, such as underground stormwater retention system (ADS Chambers), stormwater pipe, and drainage structures.

During all phases of work, proper MOT will be provided to ensure both adequate ingress and egress of property owners within the project limits and safe passage of motorists and pedestrians through the project limits. Volkert will discuss the proposed work with the contractor during regularly scheduled bi-weekly meetings and will work with the contractor to help prevent problems before they occur. In addition, the Volkert Team will contact property owners in the immediate area to inform them of operations affecting their homes and address any concerns the property owners may have.

Volkert's staff understands that timely issue processing by the CEI team is crucial to the success of any construction project. Submittals must be reviewed and processed with haste to facilitate delivery and installation in accordance with the accepted schedule. Through regular site visits and meetings with contractor personnel, Volkert will manage this project in a professional manner that promotes a team relationship with both the contractor and the City, thus facilitating timely completion of projects while maintaining the project budget and funding packages.

The Volkert Team offers a wealth of experience performing CEI services on similar types of contracts, as indicated in the following section titled, "4. References - Past Performance." Our team has worked on many projects for FDOT and local government agencies as the prime consultant, holding multiple Districts CEI contracts. Volkert has assembled a team of well-established and experienced professionals who understand the City's need for effective contract management and can act as an extension of their staff. Our CEI team members take pride in doing what it takes to execute the City of Destin's interests. This includes quickly identifying and providing workable solutions to issues that inevitably arise during construction projects. Our experience, strong working relationships, and familiarity with this area allow us to offer a valuable combination of insight, understanding of issues, and dedication to successful outcomes.

Volkert will provide all necessary CEI services for this contract, including ensuring compliance with construction documents, preparing and documenting monthly and final estimates, and coordinating construction activities with the City and other local entities. The project will be carefully planned, organized, scheduled, and selectively staffed for optimum efficiency and quality assurance. Volkert proposes experienced inspectors, construction engineers, and program managers with the proper skillsets that are tailored to a project's unique requirements. These individuals have the appropriate state and national certifications in areas such as work zone safety, concrete testing, asphalt inspection, and traffic control. We also have specialists in ITS, signalization, survey, landscape, structural inspection, and scheduling.

At Volkert, we realize that providing services in a timely manner is crucial to the success of any construction project. Construction documents will be reviewed and processed according to the schedule. Through regular site visits and meetings with contractor personnel, Volkert will manage the project in a professional manner, which will promote a team-like relationship with both the contractor and the City, facilitating timely completion of our projects while maintaining the budget.

The Volkert Team is committed to providing CEI services to the City that meet the community's needs, fulfill requirements, and consistently go beyond expectations. Our team will pursue this goal by utilizing sound quality control procedures, which are essential to delivering expectations and meeting key performance measures established for our team.

RESIDENT COMPLIANCE SPECIALIST AND LAP DOCUMENTATION REQUIREMENTS

Beginning with our first CEI project for FDOT in 1992, the majority of CEI projects that Volkert has managed for FDOT have been federally funded. Volkert and our subconsultant, MTN, understand all federal- and state-funded projects involve compliance issues that must be addressed. Our experienced team completes regular training sessions to stay abreast of the continually changing project compliance requirements. Our team's familiarity with such projects adequately prepares us to cover EEO/Affirmative Action (AA), OJT, and Federal Wage Rate compliance.

As previously mentioned, Volkert has partnered with MTN to provide RCS tasks. The team specializes in the monitoring of federal compliance requirements on federally-funded transportation construction projects and performs work in FDOT Districts 1, 2, 3, 4, 5, and 7. Their highly experienced staff is prepared to monitor all federal and state compliance requirements, including EEO, DBE, wages and payrolls, and OJT in accordance with the FDOT Construction Contract Compliance Workbook and other prevailing federal rules and regulations.

MTN has experience with multiple funding sources, including American Recovery and Reinvestment Act (ARRA), Transportation Investment Generating Economic Recovery (TIGER), LAP, FDOT, Federal Highway Administration (FHWA), Department of Environmental Protection (DEP), Federal Railroad Administration (FRA), and Federal Transit Administration (FTA).

MTN is known in Florida for their involvement with LAP, including conducting training classes to the local agencies on behalf of FDOT, performing compliance project reviews on behalf of FDOT, and serving as the field RCS. To date, MTN staff members have monitored compliance on more than 350 LAP projects in Florida.

With the involvement of federal funding, construction contract compliance requirements become a critical path element for all projects. Successful compliance oversight is integrated throughout all phases of the project and requires diligent daily monitoring of records, frequent communication, and accurate tracking controls. With MTN's experience and their approach to proper reporting, their coordination with FDOT's liaison will maximize reimbursement for FDOT from the federal government.

Pre-construction Meeting. MTN will discuss the federal requirements and project expectations in detail, ensuring that all project partners are knowledgeable of the requirements.

Project Monitoring. As construction begins, MTN will create and maintain detailed tracking spreadsheets to monitor project activities and compliance submittals of the prime contractor and all subcontractors.

Subcontractors. As per FDOT requirements, MTN will review at least 20% of all active subcontracts, including all tiers, to ensure FHWA 1273 and prevailing wage decisions are included in the contractual document.

Daily Field Reports. MTN will review daily field reports prepared by the field inspectors to ensure completeness and accuracy between compliance and field documentation.

Jobsite Bulletin Board. MTN will monitor the jobsite bulletin board for proper posting of compliance information throughout the life of the project.

Certified Weekly Payrolls. Payrolls will be tracked for receipt by established due dates and reviewed for compliance with prevailing wage decisions and U.S. Department of Labor guidelines. Non-compliance notices will be promptly issued to ensure corrective action is taken within prescribed timelines.

Labor/Compliance Interviews. Interviews will be conducted, as required, with a wide range of project employees of the prime contractor and subcontractors to affirm and cross check the information being reported by the contractors. This will include the following objectives.

- Ensure that all active subcontractors have properly been reported as active on the project
- Verify completeness and accuracy of the number of workers, pay rates, and wage classifications as reported in the certified weekly payrolls relative to the work activity observed by the interviewer
- Understand the laborer's knowledge of their employer's EEO plan and EEO officer, as well as their civil rights (The results of these random interview checks will be compared to other project data to evaluate compliance. The compliance staff will take actions, as necessary, to resolve discrepancies identified during interviews, which may include issuance of payroll violations, notices of non-compliance, and requests of additional supporting compliance documentation.)

DBEs. MTN will identify and monitor DBEs in accordance with 49 CFR Part 26 to document that commercially useful functions (CUF) are performed. The contractor's reporting of the DBE commitments and payments to the DBE subcontractors will be tracked in FDOT's EOC system to ensure proper DBE reporting and adherence to prompt ayment requirements. MTN is a certified DBE firm and understands the requirements of the program.

EEO. MTN will monitor EEO provisions to ensure the contractor has an EEO/AA policy and plan adopted, have identified their EEO officer, and have written documentation of their commitment to uphold provisions for non-discrimination and employee rights and an on-going recruitment program.

Pay Applications. Upon submittal of pay applications by the contractor, Volkert will coordinate with the MTN staff to acknowledge and resolve any outstanding compliance issues before recommendation of payment is made. If required, further non-compliance notices will be issued and payment will not be recommended until compliance is achieved.

Reporting. MTN will provide weekly compliance status updates to all partners and will indicate positive or negative status of compliance items for the participating contractor. This communication is in addition to official non-compliance notices that may require issuance. All non-compliance notices will be tracked for resolution or escalation.

Audits. MTN will perform compliance monitoring to ensure that project documentation is ready for an audit at a moment's notice. Our team welcomes these reviews, as they reaffirm the successful oversight that we achieve on behalf of our clients. MTN often serves in an audit role by developing audit programs and conducting audits. Maintaining thorough compliance documentation by an auditor will contribute to a more successful project. As a result, MTN understands the requirements and intent of the auditors. Records remain subject to audit beyond project completion, and MTN is prepared to support our clients for any subsequent audits, reviews, or questions.

Project Closeout. Closeout processes ensure that project records are accurate, complete, and delivered to the client for record retention and any subsequent reviews.

Documentation Control. All project files will be maintained electronically and provided to the City of Destin and FDOT, as required.

Communication. Excellent communication is the key to all successful projects and especially crucial to the success of compliance monitoring. Compliance staff members will attend all project meetings deemed necessary, to ensure compliance elements are properly communicated and to provide compliance status updates. This ensures that the compliance element is constantly recognized and considered throughout the progress of the project. Training will be offered to subcontractors to ensure their continued understanding of compliance requirements. MTN's role as the compliance monitor is characterized by a helpful and supportive approach. After all, we are all partners with the common goal of achieving a successful, compliant project. MTN understands the federal compliance requirements and will protect the federal funding source.

QUALITY ASSURANCE/QUALITY CONTROL PROGRAM

Volkert will utilize a formalized QA/QC program, beginning at project initiation and continuing until project completion. All team members will be held responsible for the quality of their own work.

Along with an unwavering commitment to the safety of both our staff and the traveling public, quality construction, documents, and customer service are Volkert's top priorities. Our five-step QC process covers all project disciplines and will be followed by every company employee on every project, ensuring compliance with program requirements and professional/industry standards and conformance with all applicable code requirements. Subconsultant QC plans will be integrated into the overall project QC plan, and alternatively, the approved Volkert plan will be followed. QA and QC are two separate but related groups of work, enabling the construction to produce a quality product. QA is the process by which Volkert builds in sufficient procedures, controls, and processes to ensure each task, inspection, report, and contractor is correct. This process will begin on the first day of consultant services and continue for the life of the contract. In contrast, the complementary QC process focuses on completed work at specific stages of the project.

To ensure appropriate QA/QC of our work, we will follow a QA/QC plan specifically tailored for each task under this contract. In addition to our formal QA/QC process, Volkert will provide constructability reviews at the preliminary plan phase and biddability reviews at the final plan phase utilizing senior CEI staff.

The overall quality process will be managed and controlled throughout the life of the project by the Volkert QA/QC Manager, Teresa Driskell, PE. Our proven QA/QC procedure follows a standard five-step review process.

VOLKERT'S 5-STEP QC PROCESS

1. Originator assembles the document, including applicable checklist. PRIOR TO DELIVERING to the QC Checker, the Originator will have confirmed the document is ready for review.
2. The QC Checker marks those items checked and agreed with, and marks those in disagreement or in need of change.
3. The Originator indicates concurrance with comments provided and addresses the needed changes. Changes not agreed with are crossed out.
4. The necessary changes have been made and the document is complete.
5. The QA/QC Manager and Project Supervisor verify the corrections have been made.

5. REFERENCES - PAST PERFORMANCE

Governmental Agency References for Similar Professional Services Contracts

Volkert's recent Northwest Florida experience includes construction engineering and inspection, roadway and bridge design, emergency repairs, damage assessments/inspections, stormwater/drainage improvements, planning, traffic engineering, bridge inspection, stream restoration, and coastal engineering services for a range of clients, including City of Destin, Escambia County, Santa Rosa County, Okaloosa County, Bay County, City of Pensacola, City of Milton, City of Panama City, and the Florida Department of Transportation (FDOT), specifically within District 3.

The two government agencies referenced and relevant projects mentioned below are examples of similar clients and projects involving CEI and continuing services contracts.

1. Name of Agency: **Escambia County, FL**

2. Address: 3363 West Park Place, Pensacola, FL 32505

3. Contact Name: Denise Brewer | Construction Manager
Telephone Number: 850.418.8246 | Email Address: debrewer@myescambia.com

Through a continuing services contract, Volkert has completed the following tasks orders to date, providing immediate availability, as needed, to ensure each task was completed on-time and within budget.

Engineering Design Projects

- South Chemstrand Road Drainage and Sidewalk Improvements
- River Road Culvert Design
- Innerarity Point Park FEMA Repair Project
- Pier/Boardwalk Rehabilitation Project
- Pine Forest Drop Structure Downstream Stabilization

Structural Design

- Woodrun Road over Thompson Bayou
- Northpoint Bridge PEA
- Northpoint Road Culvert FEMA Repairs

CEI Projects

- Smith's Fishcamp Bridge CEI
- James Rd/Coffee Creek Bridge Replacement CEI
- Warrington Pond CEI

Inspections

- 2016 – 2022 Short Span Bridge Inspections

Drainage Design

- Chimney Pines Drainage Rehabilitation

Smith's Fishcamp Bridge CEI

1. Name of Agency: **Santa Rosa County, FL**

2. Address: 6051 Old Bagdad Highway, Suite 202, Milton, Florida 32583

3. Contact Name: Rebecca Jones, PE | Engineering Director
Telephone Number: 850.981.7100 | Email Address:rebeccaj@santarosa.fl.gov

Through the continuing services contract, Volkert has completed several tasks to date, providing immediate availability, as needed, to ensure each task was completed on-time and within budget. The task work orders for this contract include those listed below.

Drainage Projects

- Pine Blossom Road Drainage Analysis and Design
- CR 399 Culvert Assessment

Surveying Services

- Temporary County Surveyor Consulting Services

Engineering Design Projects

- Pea Ridge Road Connector
- Eastbay School Sidewalk Design
- Randy Brown Road Extension
- Walling Road SCOP Resurfacing

Structural Design

- Navarre Beach Bridge Fender System Design

CEI Services

- Randy Brown Road Extension CEI
- Temporary County Inspection Services
- Old Bagdad Sidewalk LAP CEI

Inspection Services

- Navarre Beach Pier Inspection
- Navarre Beach Bridge Fender Repair

Pea Ridge Road Connector

A D D E N D A

CITY OF DESTIN
FLORIDA

RFQ TITLE: **RFQ No. 25-06-CD, CONSTRUCTION ENGINEERING AND INSPECTION SERVICES FOR THE CROSSTOWN CONNECTOR PROJECT**

RESPONDENT: Volkert, Inc.

DATE SUBMITTED: June 9, 2025

We propose and agree, if this submittal is accepted, to contract with the City of Destin, in the Contract Form, to furnish all material, equipment, machinery, tools, apparatus, means of transportation, construction, coordination, labor and services necessary to complete/provide the work specified by the Contract documents.

Having studied the documents prepared by:

CITY OF DESTIN

We propose to perform the work of this Project according to the Contract documents and the following addenda which we have received:

ADDENDUM NO.	DATE	ADDENDUM No.	DATE
1	May 27, 2025		

☐ **NO ADDENDUM WAS RECEIVED IN CONNECTION WITH THIS BID**

THIS PAGE MUST BE SUBMITTED FOR RESPONSE TO BE CONSIDERED COMPLETE AND ACCEPTABLE

Addendum No. 1 Acknowledgment

A copy of Addendum No. 1 signed and acknowledged shall precede the mandatory information required in the subject RFQ.

ADDENDUM NO. 1

CITY OF DESTIN, FLORIDA
REQUEST FOR BIDS RFQ NO. 25-06-CD
CONSTRUCTION ENGINEERING AND INSPECTION SERVICES FOR THE CROSSTOWN CONNECTOR PROJECT

MAY 27, 2025

To All Potential Proposers:

This addendum modifies the previously issued RFQ and is hereby made a part of the proposal documents. Per the RFQ, proposer shall acknowledge receipt of any and all addenda; and shall include this acknowledgement receipt in their submittal. Failure to do so may subject the proposer to disqualification.

The following items shall become a part of the proposal for the above-referenced project.

The City received the following questions from a potential bidder with respect to the City's RFQ NO. 25-06-CD. As per the City's standard practice, the City is furnishing the responses below to these questions.

Question: We have reviewed the Plan Set provided with RFQ No. 25-06-CD for the Crosstown Connector project. However, we would like to request a copy of any general provisions, special provisions, and applicable technical special provisions associated with this project.

Response: Everything that will be published has already been published for the project. There is no other information to provide.

Question: Please clarify that we are to include one (1) printed copy and one (1) .pdf copy saved on a USB drive.

Response: This is correct.

Question: Does the one printed copy need original "ink" signatures, or will digital signatures be accepted?

Response: Digital signatures are acceptable.

Question: Included in Appendix "A," the Respondent Acknowledgement form (page 24) has a field for the "Vendor Mailing Date." The date to be entered is the date we plan to send the sealed package of qualifications; for example, June 6, 2025.

Response: This is fine.

The bid opening date for 25-06-CD remains June 9, 2025 at 2:00 P.M. (CST)

C | CONFIRMATION OF DRUG FREE WORKPLACE

CITY OF DESTIN, FLORIDA

REQUEST FOR QUALIFICATIONS (RFQ) NO. 25-06-CD
"CONSTRUCTION ENGINEERING AND INSPECTION SERVICES FOR THE CROSSTOWN CONNECTOR PROJECT
FOR THE CITY OF DESTIN"

DRUG-FREE WORKPLACE CERTIFICATION

The below signed Bidder certifies that it has implemented a drug-free workplace program. In order to have a drug-free workplace program, a business shall:

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.

2. Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling rehabilitation and employee assistance programs and the penalties that may be imposed upon employees for drug abuse violations.

3. Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in subsection 1.

4. In the statement specified in subsection 1., notify the employees that, as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo contendere to, any violation occurring in the workplace no later than five (5) working days after such conviction.

5. Impose a sanction on, or require the satisfactory participation in drug abuse assistance or rehabilitation program if such is available in the employee's community, by any employee who is convicted.

6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

As the person authorized to sign this statement, I certify that this firm complies fully with the above drug-free workplace requirements.

COMPANY: Volkert, Inc.

ANTI-HUMAN TRAFFICKING AFFIDAVIT

ANTI-HUMAN TRAFFICKING AFFIDAVIT

DIRECTIONS: *All nongovernmental entities that are or potentially will be contracting, renewing or extending contracts with the City of Destin must have an officer or representative fully execute this affidavit. Note, this is a mandatory requirement of s 787.06(13), Florida Statutes effective July 1, 2024.*

I David McFarlin, PE, PLS, PTOE (insert name) as Senior Vice President/Principal-in-Charge (insert title) on behalf of Volkert, Inc. (insert entity name) under penalty of perjury hereby attest as follows:

1. I am over 21 years of age and have personal knowledge of the matters set forth in this affidavit.
2. Volkert, Inc. (insert entity name) does not use coercion for labor or services as defined in s. 787.06(2)(a), Florida Statutes.
3. More particularly, Volkert, Inc. (insert entity name) does not participate in any of the following actions:
    a. Using or threatening to use physical force against any person;
    b. Restraining, isolating or confining or threatening to restrain, isolate or confine any person without lawful authority and against her or his will;
    c. Using lending or other credit methods to establish a debt by any person when labor or services are pledged as a security for the debt, if the value of the labor or services as reasonably assessed is not applied toward the liquidation of the debt or the length and nature of the labor or services are not respectively limited and defined;
    d. Destroying, concealing, removing, confiscating, withholding, or possessing any actual or purported passport, visa, or other immigration document, or any other actual or purported government identification document, of any person;
    e. Causing or threatening to cause financial harm to any person;
    f. Enticing or luring any person by fraud or deceit; or
    g. Providing a controlled substance as outlined in Schedule I or Schedule II of s. 893.03, Florida Statutes to any person for the purpose of exploitation of that person.

FURTHER AFFIANT SAYETH NAUGHT.

Litigation History

Volkert does not have any pending lawsuits that will affect the performance of the services to be rendered under this contract. As is the normal course of business for any successful professional services firm, Volkert manages some unavoidable claims and lawsuits which are common to large public infrastructure endeavors. Volkert carries professional liability insurance, commercial general liability insurance, automobile liability insurance, and worker compensation insurance to protect it against losses and damages.

A list of litigation in which Volkert has been involved in the past five (5) years and their respective statuses/resolutions follows.

G | PUBLIC ENTITY CRIMES STATEMENT

CITY OF DESTIN, FLORIDA

REQUEST FOR QUALIFICATIONS (RFQ) NO. 25-06-CD
"CONSTRUCTION ENGINEERING AND INSPECTION SERVICES FOR THE CROSSTOWN CONNECTOR PROJECT
FOR THE CITY OF DESTIN"

SWORN STATEMENT UNDER SECTION 287.133 (3) (A)
FLORIDA STATUTES, ON PUBLIC ENTITY CRIMES

THIS FORM MUST BE SIGNED IN THE PRESENCE OF A NOTARY PUBLIC OR OTHER OFFICER AUTHORIZED TO ADMINISTER OATHS.

1. This sworn statement is submitted with Bid, Proposal or Contract City of Destin, Florida
RFQ No. 25-06-CD, "CONSTRUCTION ENGINEERING AND INSPECTION SERVICES FOR THE CROSSTOWN CONNECTOR PROJECT

2. This sworn statement is submitted by Volkert, Inc.
whose business address is 215 Fairpoint Drive, Suite B, Gulf Breeze, FL 32561
and (if applicable) Federal Employer Identification Number (FEIN) is 63-0247014
(If the entity has no FEIN, include the Social Security Number of the individual signing this sworn statement:

3. My name is David McFarlin, PE, PLS, PTOE and my relationship to the entity named above is Senior Vice President

4. I understand that a "public entity crime" as defined in Paragraph 287.133(1)(g). Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or with the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or any agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

5. I understand that "convicted" or "conviction" as defined in paragraph 287.133(1)(b), Florida Statutes, means finding of guilt or a conviction of a public entity crime with or without an adjudication of guilt, in any federal or state trial court of records relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, non-jury trial, or entry of a plea of guilty or nolo contendere.

6. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), Florida Statutes, means:

1. A predecessor or successor of a person convicted of a public entity crime; or

2. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in

THIS PAGE MUST BE SUBMITTED FOR RESPONSE TO
BE CONSIDERED COMPLETE AND ACCEPTABLE

the management of an affiliate. The ownership by one of shares constituting a controlling income among persons when not for fair interest in another person, or a pooling of equipment or income among persons when not for fair market value under a length agreement, shall be a prima facie case that one person controls another person. A person who was knowingly convicted of a public entity crime, in Florida during the preceding 36 months shall be considered an affiliate.

7. I understand that a "person" as defined in Paragraph 287.133(1)(e), Florida Statutes, means any natural person or entity organized under the laws of the state or of the United States with the legal power to enter into a binding contract for provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active n management of an entity.

8. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. (Please indicate which statement applies)

__X__Neither the entity submitting this sworn statement, nor any officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, nor affiliate of the entity have been charged with and convicted of a public entity crime subsequent to July 1, 1989.

____The entity submitting this sworn statement, or one or more of the officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. (please attach a copy of the final order)

____The person or affiliate was placed on the convicted vendor list. There has been a subsequent proceeding before a hearing officer of the State of Florida, Division of Administrative Hearings. The final order entered by the hearing officer determined that it was in public interest to remove the person or affiliate from the convicted vendor list. (please attach a copy of the final order)

_____The person or affiliate has not been placed on the convicted vendor list. (Please describe any action taken by, or pending with, the Department of General Services.)

The above list of firms is considered by City Staff to be adequately qualified. Please rank the firms in order of which firm you deem to be the most qualified to work on this project.

(1=first choice) (2=second choice) (3=third choice)

When you are finished scoring you will have ranked the firms in order from 1 to 3.

The lowest average-scoring firm will be identified as the council-selected firm for this project.

ITEM # 2025-796

CITY OF DESTIN

AGENDA ITEM

COUNCIL MEETING DATE: July 7, 2025
TYPE OF AGENDA ITEM: Action Item
AGENDA OUTLINE NUMBER: 4.D.

TO: City Council

THRU: Larry Jones , City Manager
Kimberly Kopp, City Attorney

FROM: Jeffrey Cozadd, Projects, Grants and Contracts Manager

DATE: 6/25/2025

SUBJECT: Undergrounding Update with Parking Lot Light Discussion

I. BACKGROUND:

II. DISCUSSION: Utility Consultants of Florida will be providing an update and further information regarding their attached presentation for the Utility Underground Conversion Project Phase 1. Specifically, the Consultant will provide information on privately owned parking lot lights within the project area that are not currently scheduled to be connected under the scope of the current City's Project.

For Phase 1 (Marler Bridge to Airport Road), there are 59 affected properties that will need to replace the existing lighting and poles in order to connect to the new underground feed. FPL's streetlighting tariff requires an upfront payment for the conduit installed via directional drilling. The Consultant has inventoried all existing lights that will be disconnected and has calculated that there is approximately 14,000 linear feet of conduit needed to replace each affected light.

The total installation cost for this conduit is estimated at $147,000, to be paid by the City, and would require a change order to be approved by Council. In addition to the additional cost to be paid by the City, each customer will have an adjusted monthly charge for the new pole, fixture and other materials to connect. This adjustment would vary by customer, and customers would need to coordinate with FPL's Streetlighting Division to select the pole and lighting.

A. Link to Strategic Goals / Objectives: 1.3 Undergrounding Utilities
B. Effect on Budget (EOB):
C. Level of Service (LOS):
D. Legislative Sponsor:

E. Business Impact Statement:

III. CONCLUSION: Council is being asked to determine if the Consultant's proposal is acceptable, and if so, to approve a change order in the amount of $147,000, along with any required budget amendment which would be brought back to Council at a future meeting.

Additionally, Staff recommends that Council further direct Staff and the City Attorney to prepare an Ordinance requiring uniform light poles consistent with the attached presentation from the Consultant, if Council approves of the proposal,

IV. RECOMMENDED MOTION: 1. I move to direct the City Manager to approve a change order consistent with the Consultant's presentation, and bring back any necessary budget amendment to the City Council.
2. I move to direct the City Manager and City Attorney to prepare an Ordinance for future Council consideration to require uniform light poles consistent with the Consultant's presentation.

SUBJECT: Public Beach Vending RFP Discussion

I. BACKGROUND: The Council requested the City Manager to direct staff to provide some public beach vending options that could be included in a Request for Proposal (RFP).

II. DISCUSSION: As requested by the Council, staff compiled a list of items to be considered in a Request for Proposal (RFP), which includes the following two categories:

1. City Standards and Limitations
2. Requested Responses from the Applicant

The following documents are attached to this item:

- The proposed list of items for discussion and consideration
- Walton County's Beach Vendor RFP
- Walton County's Ordinance 2024-21 regarding Beach Vendors (reference pages 20-28)

A. Link to Strategic Goals / Objectives: III. Economic development and revitalization
B. Effect on Budget (EOB):
C. Level of Service (LOS):
D. Legislative Sponsor:
E. Business Impact Statement:

III. CONCLUSION:

IV. RECOMMENDED MOTION:

Attachments:

1. RFP Requirements Vending on Destin Public Beach_v2
2. Ordinance 2024-21 Beach Vendor
3. Pgs. 20-21 Ordinance 2024-21 Beach Vendor
4. Beach Vendor - RFP

Discussion of Public Beach Vending RFP

If the City Council is considering allowing limited vending on public beaches, here are some considerations to be included in a request for proposal:

City Standards and Limitations

- Separate awards for individual public beaches or collectively?
- Period of performance
- Days/hours of operations
- Insurance requirements
- Types of vending allowed
- Non-interference with the public's use and enjoyment of the public beach
- Litter control/removal
- Leave no trace ordinance and regulations to be strictly followed
- No generators
- No amplified sounds

Requested Responses from Applicant

- Bid for exclusive right
- Revenue sharing
- Method and location of vending
- Communication plan
- Operations plan
- Safety plan
- Required equipment
- On-site storage
- Attendant standards (dress, demeanor)
- Customer satisfaction/complaint resolution procedures

July 2, 2025

ORDINANCE 2024-21

AN ORDINANCE AMENDING PORTIONS OF WALTON CODE OF ORDINANCES CHAPTER 22, THE "WALTON COUNTY WATERWAYS AND BEACH ACTIVITIES ORDINANCE"; PROVIDING FOR AMENDMENTS TO SECTION 22-02. - DEFINITIONS; PROVIDING FOR AMENDMENTS TO SECTION 22-1. - USE OF PUBLIC BOAT RAMPS; PROVIDING FOR AMENDMENTS TO SECTION 22-31. - HORSES, DOGS, ANIMALS ON BEACHES; PROVIDING FOR AMENDMENTS TO SECTION 22-54. - REGULATION OF USE AND CONDUCT ON THE BEACH AND WATER BODIES; PROVIDING FOR AMENDMENTS TO SECTION 22-55. - PROHIBITION OF OBSTRUCTIONS AND RESTRICTIONS OF SIGNS ON THE BEACH; PROVIDING FOR AMENDMENTS TO SECTION 22-57. - PERMITTED VEHICLES ON THE BEACH; PROVIDING FOR AMENDMENTS TO SECTION 22-58. - AIRCRAFT; PROVIDING FOR AMENDMENTS TO SECTION 22-59. - TEMPORARY USE FOR SPECIAL EVENTS; PROVIDING FOR AMENDMENTS TO SECTION 22-60. - BEACH VENDORS; PROVIDING FOR AMENDMENTS TO SECTION 22-61. - PUBLIC BEACH PARKING; PROVIDING FOR SEVERABILITY; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the Walton County Board of County Commissioners finds it necessary for the health, safety, and welfare of the citizens of and visitors to Walton County to amend the Walton County Waterways and Beach Activities Ordinance;

NOW, THEREFORE, be it ordained by the Walton County Board of County Commissioners that portions of Chapter 22, the "Walton County Waterways and Beach Activities Ordinance," is hereby amended as follows:

Sec. 22-01. - Title and citation.

This Chapter shall be known and cited as the "Walton County Waterways and Beach Activities Ordinance."

Sec. 22-02. - Definitions.

The following words, terms, and phrases, when used in this Chapter, shall have the following meanings, except where the context clearly indicates a different meaning. Words not defined shall be given their common and ordinary meaning.

Aircraft means any motor vehicle or contrivance now known or hereinafter invented, which is used or designed for navigation of or flight in the air, except a parachute or other contrivance

designed for such navigation but used primarily as safety equipment. The term "aircraft" shall include ultra-light aircraft and seaplanes not operated by authorized personnel.

All-terrain vehicle means any motorized off-highway vehicle sixty-four (64) inches or less in width, having a dry weight of 2,000 pounds or less, designed to travel on three (3) or more nonhighway tires and not registered or licensed for highway use.

Animal means any animate being other than a human which is endowed with power of voluntary motion.

Bather means any person who is in the same water as a vessel, whether said person is swimming, wading, or engaged in any other activity in the water.

Bay means Choctawhatchee Bay.

Beach means the soft sandy portion of land lying seaward of the seawall or the line of permanent dune vegetation.

Beach equipment means items generally used for swimming, sunbathing or beach recreation, including, but not limited to, beach chairs, umbrellas, tents, hammocks, and volleyball nets.

Bloodbaiting means the use of blood or bloody fish parts to attract sharks.

Board means the Walton County Board of County Commissioners.

Boat. See "*vessel.*"

Camping means the erection of shelter or similar structures for the purpose of sleeping; or lying upon the beach on a bedroll, blanket, or other protective garb for the purpose of sleeping.

Chumming means the throwing of bait or fish parts into the water to attract fish.

Commercial activity means an activity intended for exchange in the market for goods and/or services to earn an economic profit.

Controlling interest in the property or that they are otherwise entitled means that the person applying for the permit owns more than fifty (50) percent ownership interest in the property or has a resolution, signed by the other owners of the property, which grants the person applying for the permit the authority to apply for the permit.

Designated limited access areas means the following described locations:

(1) Grayton Beach. An area extending the distance of beach described in the lease between Walton County and State of Florida Internal Improvement Trust Fund/Bureau of State Lands, Number 3884, dated October 1986.

(2) Inlet Beach. An area extending from the west boundary line of Lakeshore Drive eastward for a distance of sixty-six (66) feet to be used for launching of a vessel only and not to park or drive on the beach.

(3) Walton Park. An area extending from the west boundary line of Walton Park westward for a distance of one thousand six hundred (1,600) feet (temporarily closed).

(4) Seagrove Beach. An area extending from the east boundary line of One Seagrove Place eastward for a distance of one thousand six hundred (1,600) feet (temporarily closed).

Direct control shall mean immediate and continuous physical control of an animal at all times such as by means of a fence, leash, cord, or chain of sufficient strength to restrain the same, or in a vehicle. Animals under direct control shall at all times have access to shelter, water, and food. This does not preclude walking dogs on a leash.

Fireworks means and includes any combustible or explosive composition or substance or combination of substances or any article prepared for the purpose of producing a visible or audible effect by combustion, explosion, deflagration, or detonation. The term includes blank cartridges and toy cannons in which explosives are used, the type of balloons which require fire underneath to propel them, firecrackers, torpedoes, skyrockets, or any tablets or other device containing any explosive substance.

Fireworks Display means large professional fireworks designed primarily to produce visible or audible effects by combustion, deflagration, or detonation. This term includes, but is not limited to, salutes containing more than 2 grains (130 mg) of explosive materials, aerial shells containing more than 40 grams of pyrotechnic compositions, and other display pieces which exceed the limits of explosive materials for classification as "consumer fireworks."

Gulf means the Gulf of Mexico.

"*Idle Speed No Wake Zone*" and "*Idle Speed*" may be used interchangeably and mean that a vessel must proceed at a speed no greater than that which will maintain steerageway and headway. At no time is any vessel required to proceed so slowly that the operator is unable to maintain control over the vessel or any other vessel or object that it has under tow.

Jet ski. See "*personal watercraft.*"

Motor vehicle means any vehicle which is self-propelled, including golf carts and any rented concession vehicle, but not including bicycles. Operate or operation means to navigate or otherwise use any aircraft or vessel in or on the water.

Obstruction is an object that impedes, hinders, or prevents pedestrian and/or vehicular passage. Obstructions include, but are not limited to, ropes, chains, and fences. This definition shall not include a sign.

Permit means beach vendor's permit, vehicle permit, dog permit, special event permit, commercial bay permit, county charter fishing permit, or scuba charter permit issued by the County, and/or bonfire or fireworks permit issued by the South Walton Fire District.

Personal watercraft means a small A-1 or A-2 vessel which uses an outboard motor, or inboard motor powering a water jet pump, as its primary source of motive power and which is designed to be operated by a person sitting, standing, or kneeling on, or being towed behind the vessel, rather than in the conventional manner of sitting or standing inside the vessel; or a craft less than thirteen (13) feet in length designed to be operated by a person or persons sitting, standing, or kneeling on the craft rather than within the confines of a hull.

Rafts, floats, and flotation devices mean any device, whether of canvas, vinyl, rubber, Styrofoam, or other substance, intended or capable of assisting in the flotation of a person in or on the water in the Gulf of Mexico, and all other waters of the State of Florida.

Sailcraft means a wind-propelled vessel used or capable of being used as a means of transportation on or in the water, including sailboats, sailboards, and wind surfboards.

Sand fence means a tool used in dune restoration projects for rebuilding sand dunes, which is usually two (2) to four (4) feet high with a maximum of ten (10) foot long spurs spaced at a minimum of seven (7) feet on an alignment diagonal to the Gulf.

Seaplane means any aircraft as defined herein that is capable of landing and/or lifting off from a water surface.

Sea turtle nesting season means May 1 to October 31 of any given year. Solicit or canvass means any act, delivery, or exchange not initiated by the prospective customer or which directs attention to any business, mercantile or commercial establishments, or any other commercial activity, for the purpose of directly or indirectly promoting commercial interests through sales, rentals, or any exchange of value.

Security means any individual who, for consideration, advertises as providing or performing bodyguard services or otherwise guards persons or property. All security officers shall be in compliance with all applicable provisions of F.S.S. 493 "Private Investigative, Private Security, and Repossession Services."

Sheriff's Office means the Walton County Sheriff's Office.

Sign means any writing, symbol, pictorial presentation, number, illustration, decoration, flag, banner, pennant, cone, or other device, which is supported by one or more columns, upright poles, or braces extended from the ground, or that is erected on the ground, and which is used to announce, direct attention to, identify, advertise, or otherwise make anything known.

Solicit or canvass means any act, delivery, or exchange not initiated by the prospective customer or which directs attention to any business, mercantile, or commercial establishments, or any other commercial activity, for the purpose of directly or indirectly promoting commercial interests through sales, rentals, or any exchange of value.

SWFD means the South Walton Fire District.

Special event means:

(1) Any use, activity, or event conducted or promoted on the beach that would constitute a violation of any provision of this Chapter or any rule or regulation issued under the authority of this Chapter;

(2) Any activity or event that is organized and promoted to attract, and is likely to attract, a crowd of more than thirty (30) persons to a certain place on the beach at a certain time under circumstances that are likely to create a need for additional police, lifesaving, or other services; or

(3) Any activity or event on the beach that is promoted or sponsored by commercial interests, results in private commercial gain or benefit or advertises or promotes private commercial interests.

(4) Special events do not include private parties on private property, with no commercial gain or benefit, hosted and attended by the owner of the property.

Surfboard means a fiberglass, epoxy, closed-cell neoprene, or Styrofoam instrument with one (1) or more fiberglass fins or skegs attached or inserted into the belly or bottom of the surfboard. This definition shall include windsurf_boards and sailboards. This definition shall not include rubber rafts, floats, belly boards, or boogie boards, but does include stand-up paddle boards.

Surfing means the riding or paddling of a surfboard within the waters of the Gulf of Mexico abutting or adjacent to the beach.

Tent means a portable shelter of skins, canvas, plastic, nylon, or the like, supported by one (1) or more poles or a frame and secured in the ground. The term tent includes, but is not limited to, camping tents, beach tents, and sun shelters, excluding umbrellas.

Temporary beach canvas covering means an approved container made of canvas or similar approved by the County used to store beach items. See further requirements in sections 22-54(g)(2) and (g)(4) through (g)(6) and 22-60(d)(6) through (d)(8).

Temporary beach storage box means an approved container made of wood used to store beach items. See further requirements in section 22-60(d)(6) through d(8).

Temporary Beach Storage Rack means an approved rack used to hold beach water items such as kayaks and paddleboards. See further description and requirements in sections 22-54(g)(2) and (g)(4) through (g)(7) and 22-60(b)(1) and (d)(6) through (d)(9).

Ultralight aircraft or *ultralight* means any heavier-than-air, motorized aircraft which meets the criteria for maximum weight, fuel capacity, and airspeed established for such aircraft by the Federal Aviation Administration under Part 103 of the Federal Aviation Regulations.

Umbrella means a device consisting of a circular canopy on a folding frame supported by a central rod, used as protection against rain or sun.

Vehicle means any properly licensed, tagged, permitted device, in, upon, or by which any person or property is or may be transported or drawn upon a highway.

Vending means offering for sale or rent or as part of any contract agreement, or the solicitation thereof, any merchandise, services (excluding private security services), goods, materials, or property of any kind of character on the beach or to be consumed or placed on the beach, in the bay or in the gulf or their adjoining waters.

Vendor means any person, entity, or any person or entity associated with such a person or entity, that engages in vending within the meaning of this chapter.

Vessel as defined in F.S. § 327.02(47), means a motor propelled or artificially propelled vessel and every other description of boat, watercraft, barge, and airboat other than a seaplane on the water, used or capable of being used as a means of transportation on or in the water, including jet skis.

Water-based activities means those vendor operations in which the customer will participate in an activity on or in the water. This includes, but is not limited to, ocean kayak rentals, water trampolines, climbing walls, inflatable boat rides, personal watercraft rentals, and parasail operations.

Water's edge means that portion of the shore at any given time of the day where the tide flows and reflows along a water body.

Wind-surf board means a surfboard equipped with a sail and designed to be propelled by the wind. The term "wind surfboard" shall be synonymous with the term "sailboard."

Sec. 22-1—22-2.- Reserved

Sec. 22-3. No wake zones.

(a) The board reserves the right to declare restricted waterways within its boundaries.

(b) The areas of enforcement shall be all waters, creeks and canals located within the boundaries described in this section for the purpose necessary to protect the safety of the public as such restrictions are necessary based on boating accidents, visibility, hazardous currents or water levels, vessel traffic congestion, or other navigational hazards in compliance with F.S. § 327.46.

(c) Implementation of the boating restricted areas is contingent upon receiving all applicable state and/or federal authorizations to insure compliance with Chapter 68D-23, Florida Administrative Code and to assist in navigation consistent with the United States Aids to Navigation System.

(d) No person except a law enforcement officer, authorized emergency personnel, or other person actually engaged in a rescue attempt, shall operate any vessel or sailcraft in excess of idle speed, defined herein, in the following list of restricted waterways:

(1) Within 500 feet perpendicular from the water's edge where bathers are present, except to go to and from the shore by the most direct means possible in a safe and reasonable manner.

(2) Areas that have been clearly marked by buoys or some other distinguishing device for bathing, swimming, or which has been otherwise restricted by the county.

(3) Within 500 feet offshore from all sandy beaches or shorefront bathing areas on the gulf.

(4) In the areas designated by "No Wake Zone" signs in the following waterways:

a. Mack Bayou.

b. Buck Bayou.

c. Black Creek at McDaniels Fish Camp.

d. Black Creek at Black Creek Lodge.

e. Black Creek at bridge on County Road 3280.

f. Lake Powell within Walton County.

g. Basin Bayou.

h. Sister River at Steel Field.

i. Bunker Creek.

j. Hewett Bayou.

k. Hogtown Bayou.

l. Alaqua Creek.

m. Tucker Bayou.

n. Mallet Bayou.

o. Churchill Bayou.

p. Musset Bayou.

(5) Within 350 feet of any shore or dock along the entire shoreline of Choctawhatchee Bay, Hogtown Bayou, Alaqua Bayou, LaGrange Bayou, Basin Bayou, and Mallet Bayou, except that this provision shall not apply to the water encompassed by the shipping channel in LaGrange Bayou and the water within the designated limits of the Intracoastal Waterway.

Sec. 22-4—22-11. Reserved

Sec. 22-12. Vessel speed not to exceed reasonable speed under existing conditions.

Nothing contained in this chapter shall be construed to authorize or approve the speed of any vessel or sailcraft in excess of that which is reasonable and proper under the existing conditions or circumstances including, but not limited to, the presence of water skiers, bathers, fishermen, natural hazards or other water traffic.

However, the provisions of this chapter shall not be construed to restrict law enforcement or rescue vessels, or vessels when conducting official duties or operating under emergency conditions or to prohibit racing or exhibition of vessels or sailcraft during a publicly announced, properly authorized, supervised and adequately patrolled regatta, speed trial or exhibition.

Sec. 22-13—22-30. – Reserved.

Sec. 22-31. - Animals on beaches.

(a)All animals shall be prohibited from public beaches of the County except:

(1) Dogs assisting those who are sight and hearing impaired or service animals; or

(2) Dogs owned by Walton County real property owners or permanent residents who have obtained a permit and who maintain direct control of the dog on a leash. Proof of real property ownership or County residency is required (such as deed, driver's license, tax

receipt, lease agreement, or voter's registration showing address). For property titled in the name of a business, a person must show proof that they own a controlling interest in the property to be considered eligible for a permit (copy of state or other document showing percentage of ownership or list of officers). The permit will allow leashed dogs on the beach between the hours of 3:30 p.m. and 8:30 a.m. of the following day. Any Walton County real property owner or permanent resident desiring a permit shall be required to pay a reasonable fee, which shall be set by resolution of the Board and amended as necessary. Permits are non-transferable.

(b) Owners of dogs shall be responsible for pick-up of their dogs' waste.

(c) Permits may be issued by the Board's designee upon receipt of a completed application. All permits issued shall be for a period of one (1) year and will expire on August 1 of each year with a grace period until August 15 of each year. Proof of rabies vaccination in compliance with Florida Statute 828.30(1) must be presented prior to obtaining a permit.

(d) Owners of dogs shall ensure their dogs wear their permit dog tag on their collar, or the owner shall keep their dogs' permit dog tag on their person while on any public beach in Walton County.

(e) Owners of animals with premises next to the beach are required to ensure that animals do not run at large on the wet sand of the beach and must comply with Sec. 5-29, Walton County Code of Ordinances.

(f) Conviction for violation of Sec. 22-31 pursuant to 22-62 shall result in revocation of any permit.

Sec. 22-32—22-52. – Reserved.

Sec. 22-53. Application.

This chapter shall govern conduct on the beach and water bodies south of Highway 20.

Sec. 22-54. - Regulation of use and conduct on the beach and water bodies.

(a) *Overnight camping*. It shall be unlawful to camp overnight on the beach.

(b) *Fires and Fireworks*.

(1) Fires.

a. It shall be unlawful for any person to ignite or maintain, or participate in the maintenance of, a bonfire, campfire, or other activity that results in an open flame on the beach of the Gulf of Mexico, without a permit as provided herein.

b. No fires will be allowed within 200 feet of a marked turtle nest.

c. No fire shall be within 50 feet of the vegetation line or within 100 feet of any habitable structure.

d. No permitted fire shall be within 30 feet of another permitted fire on any beach owned, leased, dedicated to, or maintained by the County.

e. It shall be unlawful and a violation of the ordinance for a person to fail to clean up after the fire has been extinguished. From the first day of March to the last day of October, bonfire pits and any evidence of shall not be placed on the beach prior to 5:00 p.m. and any evidence of or remnants from fires must be removed by 12:00 midnight. From the first day of November to the last day of February, bonfire pits and any evidence of shall not be placed on the beach prior to 4:00 p.m. and any evidence of or remnants from fires must be removed 11:00pm. Evidence of or remnants from fires shall not be buried or deposited in the County beach garbage collection stations, beach dune systems, parking areas, or any other areas owned, leased, dedicated to, or maintained by the County.

f. All fires must be in containers approved by the SWFD and only combustible, non-toxic material, free of nails, glass, and other potentially dangerous items may be used in any fire. All fire pits shall be equipped with a steel bottom which must sit a minimum of 4 inches off the sandy portion of the beach. Fire rings or pits with no bottoms are strictly prohibited.

g. It shall be unlawful and a violation of the ordinance for a person to use a charcoal grill on the beach. Propane gas grills utilizing no more than 1 lb. cylinder may be permitted for use pursuant to this Section if less than two hundred and twenty-five (225) square inches in cooking surface.

h. All persons desiring to obtain a permit for a fire on public or private land within the area described herein above shall apply for a fire permit from the coordinator of the SWFD. All applications for fire permits shall set forth in detail the following:

1. Full name, address, and driver's license number including state of the applicant;
2. The date and time the fire is to be set;
3. The kind or type of fire to be set;
4. The materials to be burned;
5. The specific location of the fire;
6. Written consent of private property owners;
7. The safeguards to be taken to protect the public and other property from injury; and
8. Such other information as may be prescribed by the SWFD.

i. The fee for the issuance of the fire permit shall be set by resolution of the Board and amended as necessary.

j. Permits shall not be issued when the SWFD has good reason to believe that the proposed fire will endanger the public health, safety, welfare, or other people or property, or when the Florida Fire Service issues a no burn order.

k. Issuance of a permit by the SWFD shall not excuse or relieve the applicant from any liability or responsibility for damages which may result from carelessness or neglect in setting, starting, looking after, or guarding a fire.

l. Owners of property adjacent to the Gulf shall register their property with SWFD in order to obtain beach bonfire permits. All Gulf adjacent property owner permits are non-transferable and are specific to the owner, date, and location. Once the property has been registered and approved, the following steps are required each time a beach front property owner submits for a beach bonfire permit:

1. Complete the application found on the SWFD bonfire website, and
2. Utilize the authorization number that was issued by SWFD.

(2) Fireworks.

a. Fireworks displays south of the Bay shall require a permit from the SWFD and may only be issued to a person or company maintaining a valid, current Bureau of Alcohol, Tobacco, and Firearms Explosive (BATFE) license. At a minimum, this shall be a low explosive license.

b. No person shall bring onto, or possess, or set off, or otherwise cause to explode or discharge or burn, on any beach or beach dune system, any firecrackers, torpedoes, rockets, toy firearms, cannons, or other fireworks or explosives of or containing flammable material or any substance, compound, mixture, or article which in conjunction with any other substance or compound, may explode, discharge, or burn.

c. Parents and/or guardians shall also be held responsible and liable for the violations of minors they are supervising in regard to the prohibitions in the foregoing paragraph as provided by this chapter.

d. Personal or individual use of fireworks is prohibited on any beach or beach access owned, leased, dedicated to, or maintained by the County. This does not preclude any private property owner from exercising their right to fireworks as long as they follow Florida State Statute.

(c) *Fishing.* It shall be unlawful for any person:

(1) To fish in the Gulf after having been warned by any law enforcement officer that the health and safety of bathers is being endangered; or

(2) While on the beach or within 2,500 feet from shore to intentionally fish for sharks or to fish by those methods commonly known as "chumming" or "bloodbaiting."

Nothing in this Section shall be construed to create a duty on the part of any County employee to prevent fishing or to warn of the presence of sharks in the Gulf.

(d) *Glass.* It shall be unlawful for any person while on the beach to possess or utilize any glass or ceramic item, bottle, or container.

(e) *Soliciting and canvassing.* It shall be unlawful for any person to solicit or canvass on the beach, except those operating with a beach vendor permit, and only within the conditions of their permit. No soliciting or canvassing shall be permitted at the public beach parking areas.

(f) *Littering*. It shall be unlawful for any person to discard or otherwise dispose of or abandon any trash, garbage, bottles, containers, cans, dead fish or parts thereof, charcoal briquettes or ashes, cigarette butts, or any other litter or foreign materials not naturally found on the beach, except in designated containers for that purpose. It is further unlawful to dispose of any household garbage on the beach.

(g) *Personal property on the beach between one hour after sunset and one hour after sunrise.*

(1) It shall be unlawful for any person to leave an item of personal property on the beach between one (1) hour after sunset and one (1) hour after sunrise unless a permit has been granted by the County. It shall be unlawful for any person to leave an item of personal property between one hour after sunset and one hour after sunrise on the dunes or at the toe of the dune at any beach or parking area owned, leased, dedicated to, or maintained by the County.

(2) County Permit:

a. Any person that desires to leave an item of personal property on the beach between one (1) hour after sunset and one (1) hour after sunrise must apply for a permit from the County and must obtain all necessary permits from state and federal agencies. No county permit shall be issued for any of the following items:

1. Items that will obstruct, hinder or otherwise impede emergency and maintenance vehicles from traversing the beach;
2. Items that may be easily removed from the beach, even though removal may be inconvenient for the owner or person in possession and control of the item;
3. Obstructions and signs;
4. Items prohibited by federal or state law or items prohibited by the Walton County Code of Ordinances; and
5. Items that may adversely impact federally protected species.

b. There shall be no fee for obtaining the County permit mandated by Section 22-54(g)(2)a. Such permits shall include the following:

1. Name and contact information of the owner or person in possession and control of the item;
2. Description of the item;
3. Location of the item;
4. Duration of time the item will remain in such location; and
5. Acknowledgement that owner or person in possession and control of the item will be liable for any impacts to federally protected species.

c. **State of emergency. All items, whether permitted or not, shall be removed from the beach within twenty-four (24) hours of declaration of a state of emergency for the County due to hurricane, severe weather systems, or other emergencies that impact the beach. A public notice will be posted on the County website regarding allowing vendors on the beach to retrieve their equipment and the**

conditions for retrieval. Violations of those conditions can result in civil citations and/or loss of vendor permit.

d. Take provision. The County will not be liable for any impacts to federally protected species resulting from any permitting or leaving of items on the beach at the toe of the dune. Such liability will rest with the individual applicant.

(3) Abandonment. Any item of personal property which remains on the beach between one (1) hour after sunset and one (1) hour after sunrise, unless a permit has been obtained from the county by the owner or person in possession and control of the item, shall be deemed abandoned and shall become the property of the county which may dispose of the item in accordance with Florida Statutes.

(4) Up to one (1) temporary beach canvas covering that has received all necessary federal, state, and local permits shall be allowed on the beach by private property owner but must be placed as far landward as possible but seaward of the vegetation lines. Temporary beach canvas coverings must be removed entirely from the beach in the event of a declared state of emergency and can be no larger than four feet by four feet by eight feet (any exceptions must be contained in the beach item application and approved by code compliance). Temporary beach canvas coverings must be white in color and have the full beach permit number displayed so it is easily visible.

(5) Up to one (1) approved temporary beach storage rack that has received all necessary federal, state, and local permits shall be allowed on the beach by private property owner but must be placed as far landward as possible but seaward of the vegetation lines. Beach storage racks must be removed entirely from the beach in the event of a declared state of emergency, must have three (3) feet vertical clearance from beach, and can be no wider than needed to hold (2) two paddleboards or kayaks. The beach item permit number must be displayed on all separate pieces of the temporary beach storage rack and visible.

(6) Enforcement. It shall be the duty and responsibility of the Sheriff's Office and/or the County Code Compliance Department to enforce all provisions of this Section.

(h) *Swimming and surfing.*

(1) Authority to close or restrict use of beach and water bodies.

(2) The Board, the Director of Emergency Operations, SWFD, or the Sheriff's Office shall have the authority to declare that an emergency exists and temporarily close or restrict the use of the beach and any water adjacent to the beach for use by the public when conditions endangering the safety of the public are present.

(3) It shall be unlawful for any person, having been given actual or constructive notice such as by the posting of signs or the making of public announcements, to violate any order closing the beach or water adjacent to the beach. Those persons surfing as defined herein with a surfboard are exempt from this Section unless a mandatory evacuation order for the adjacent beach property has been issued.

(i) *Sound amplification.* No audio device, such as loudspeakers, television, radio, compact disc, tape, record player, or musical instrument, except equipment used by law enforcement, rescue, or beach safety personnel, shall be used on the beach and water bodies in any manner, that

can be heard by a person using normal hearing faculties, at a distance of 75 feet or more from the source of the sound.

(j) *Removal of beach sand.* No beach sand may be removed from the beach.

(k) *Digging holes on the beach.* Holes dug on the beach are required to be attended, shall be filled prior to leaving the beach, and cannot be larger than 3 feet x 3 feet and no deeper than 2 feet.

(l) *Removal of water.* No water may be pumped from the Gulf except for permitted construction under guidelines established by the County. Additionally, pumping or conveying through channels or piping of water into the Gulf is prohibited without proper permits.

(m) *Use of rafts, floats, and other flotation devices.* No person shall use any raft, float, body board, or other flotation device of any description, except for a vessel, sailcraft, stand-up paddle board, or surfboard, more than 500 feet from the water's edge.

(n) *Breach of the peace; disorderly conduct.* No person shall commit such acts as are of a nature to corrupt the public morals, or outrage the sense of public decency, or affect the peace and quiet of persons who may witness them, or engage in brawling or fighting, or engage in such conduct as to constitute a breach of the peace or disorderly conduct.

(o) *Generators on the beach.* It shall be unlawful to use a generator on the beach unless it conforms to the following specifications:

(1) Noise output must be less than or equal to sixty (60) decibels;

(2) Power output must be less than or equal to one hundred twenty (120) volts, two thousand (2,000) watts (sixteen (16) amps);

(3) Engine displacement must be less than or equal to one hundred (100) cubic centimeters;

(4) Physical size must be less than or equal to twenty-four inches by twelve inches by eighteen inches (24"x12"x18");

(5) Generators must have an integrated fuel tank;

(6) Generators must be contained in a sound reducing box of appropriate size while in use;

(7) Fuel shall not be stored on the beach or boardwalks;

(8) A fire extinguisher, ten (10) pounds, Class ABC, shall be required for use of generators on the beach.

(p) *Steel blade shovel or other metal tools on beach.* It shall be unlawful for any person, other than an employee of the County, the Sheriff's Office, SWFD, or a specific place vendor or his or her agent, to use or possess a steel blade shovel or other metal tools made for digging/excavating sand on any beach owned, leased, dedicated to, or maintained by Walton County.

(q) *Tents.* It shall be unlawful for any person to use, erect, or possess a tent with a total footprint larger than ten feet by ten feet (10' x 10'), on any beach owned, leased, dedicated to, or maintained by County. Tent use as provided in this section shall be limited to the upland one-half (1/2) of the beach, except Grayton Beach, and have a (4) four-foot walkway between tents for the purpose of ingress and egress to the water. In no event shall this provision prohibit private property owner, or his or her guest or agent, from using, erecting, or possessing a tent of any size on his or her real property between one hour after sunrise and one hour after sunset.

(r) *Umbrellas.* It shall be unlawful for any person to use, erect, or possess an umbrella with a total footprint larger than eight feet x eight feet (8'x 8') on any beach owned, leased, dedicated to, or maintained by the County.

(s) *Beach equipment.* Beach equipment must be set up and maintained on dry sand to ensure beach patrons the ability to traverse the beach unobstructed on all beaches within Walton County. Beach equipment shall not be placed within fifteen (15) feet of the seawall, toe of the dune, or line of permanent dune vegetation (whichever is closer seaward) on any beach owned, leased, dedicated to, or maintained by the County.

Sec. 22-55. –Prohibition of obstructions and restrictions of signs on the beach.

(a) It shall be unlawful for any person to place, construct, or maintain an obstruction on the beach.

Exemptions. Sand fences which have received all necessary permits from state and federal agencies are exempt from the prohibition contained in this Section. Ropes, chains, and fences placed, constructed, or maintained by federal, state, or local governments, or their agents, for the protection of federally protected species are exempt from the prohibition contained in this Section. Signs approved by the County are exempt from the prohibitions contained in this section.

(b) It shall be unlawful for any person to place, construct, or maintain a sign on the beach unless it conforms to the following criteria:

(1) Signs shall not be allowed on the beach between one (1) hour after sunset and one (1) hour after sunrise;
(2) Signs shall not be permanently affixed or attached to the ground;
(3) Signs and any associated supporting structure, column, upright pole, or brace shall be limited in size to twenty-four (24) inches by thirty-six (36) inches;
(4) Signs shall be placed at least two hundred fifty (250) feet apart, or at each corner of the property's boundaries if a property line is less than two hundred fifty (250) feet;
(5) Signs shall not be placed seaward of the mean high-water line or erosion control line;
(6) Signs and any associated supporting structure, column, upright pole, or brace, shall be white and shall be wood or PVC;
(7) The text or content of the signs shall be professionally printed, and the color of the text or content of the signs shall be selected from the list provided by the County.

Sec. 22-56. Personal watercraft.

No person shall operate a personal watercraft in excess of idle speed:

(1) Closer than 500 feet perpendicular from the water's edge except to go to and from the shore, except personal watercraft operated:

a. In the channel of the intracoastal waterway east of the Choctawhatchee Bay; and

b. On rivers.

(2) In an unsafe, reckless, or careless manner endangering the life, limb, or property of any person.

(3) Personal watercraft are prohibited from launching from county or state owned properties or parks located on the Gulf of Mexico.

(4) Personal watercraft are prohibited in coastal dune lakes, including that portion of Lake Powell located within Walton County.

(5) No commercial personal watercraft operations will be permitted from Topsail Hill to the Bay County Line.

Sec. 22-57. - Permitted vehicles on the beach.

(a) It shall be unlawful for any person to drive, or cause to be driven, an unauthorized vehicle on the beach of the county unless permitted as provided herein. This section does not apply to the use of heavy equipment and other types of vehicles on the beach for local and/or state permitted coastal construction projects that will not result in the unauthorized take of federally listed species, as determined by the USFWS.

(b) Before any vehicle shall be allowed in the designated limited access areas on the public beaches of the county, a permit must be obtained for the vehicle in the form of a decal, and permanently affixed on the lower left (driver's side) front windshield of the vehicle. Permits issued pursuant to Sec. 22-57(c), 22-57(d), and 22-57(i) shall not be used for vending.

(c) Those who have a valid beach access permit as of the effective date of Ordinance No. 2011-57, and those who held a valid beach access permit with an expiration date of June 1, 2009, and who obtained a valid permit by August 31, 2015, may renew such permits beginning on May 15 of each year. Failure to renew said permit will result in loss of grandfathered status and such applicants shall apply for future permits under subsections (d), (e), and (f). Grandfathered permits are in the name of the individual permit holder and may not be transferred.

(d) An additional 150 permits may be issued each year, which are only valid for one year and are nonrenewable. Vehicles and trailers issued a beach access permit under this paragraph must be registered in the State of Florida. County residents that meet the requirements of subsection (e)(1) may submit applications between April 1 and May 10 of each year. A lottery selection will be conducted by the County on May 15 and all applicants will be notified of the results. Those selected in the lottery will have 30 calendar days to purchase permits from the county beginning June 1. Those who fail to purchase their permit within the 30 days will forfeit their chance to obtain the beach driving permit for that calendar year.

(e) The permits shall be issued by the board's designee each year based on the requirements of this Code, including, but not limited to, the criteria set forth below.

(1) *County residents*. County registered voters or real property owners, who are residents of the county, and immediate family members residing with them in the county may obtain a permit for the use of a properly registered and authorized vehicle along the designated limited access areas on the beaches of the county, if the following criteria are met, in addition to any other requirements contained in this Code:

a. Each parcel of property shall only be entitled to one vehicle permit each year.

b. The ad valorem taxes for the real property shall not be delinquent.

c. The vehicle being registered must be titled in the name of the permit holder.

d. Proof of real property ownership (such as a deed or tax receipt) or a voter's registration card and proof of residency (such as voter's registration card, homestead exemption card, or driver's license) must be presented to the board's designee at the time of application to document the requirements of this section. For property titled in the name of a business or owned by multiple owners, the person applying for the permit shall show proof that they own a controlling interest in the property or that they are otherwise entitled to obtain a permit for the property. "Controlling interest in the property or that they are otherwise entitled" means that the person applying for the permits owns more than 50 percent ownership interest in the property or has a resolution signed by the other owners of the property grants the person applying for the permit the authority to apply for the permit.

(2) *County nonresident real property owners*. County real property owners may obtain a permit for the use of a properly registered and authorized vehicle along the designated limited access areas on the beaches of the county, if the following criteria are met, in addition to any other requirements contained in this Code:

a. The person applying for the permit must have had a permit as of the effective date of Ordinance No. 2011-57, or the person applying for the permit must have had a permit with an expiration date of June 1, 2009, and who obtained a valid permit by August 31, 2015, and had obtained a permit pursuant to subsection (c) and for the year preceding the date of application. Each parcel of property shall only be entitled to one vehicle permit each year.

b. The ad valorem taxes for the real property shall not be delinquent.

c. The vehicle being registered must be titled in the name of the permit holder.

d. Proof of real property ownership (such as a deed or tax receipt) must be presented to the board's designee at the time of application to document the requirements of this section. For property titled in the name of a business or owned by multiple owners, the person applying for the permit shall show proof that they own a controlling interest in the property or that they are otherwise entitled to obtain a permit for the property. "Controlling interest in the property or that they are otherwise entitled" means that the person applying for the permits owns more than 50 percent ownership interest in the property or has a resolution signed by the other owners of the property grants the person applying for the permit the authority to apply for the permit.

(3) County charter fishing operations; 15 permits total. Under this subsection, there shall be a limit of 15 permits total to be issued which shall be issued first to the applicants renewing

their permits from the previous year. If permit holders do not renew their permit by June 15 of each year, an additional number of permits (that would bring the total to 15) may be issued. County residents that meet the requirement of this paragraph may submit applications between May 1 and June 15 of each year. A lottery selection will be conducted by the County on June 20 and all applicants will be notified of the results. Those selected by lottery will have 30 calendar days to purchase permits from the county beginning July 1. Those who fail to purchase their permit within the 30 days will forfeit their chance to obtain the charter fishing beach driving permit. To qualify under this paragraph, county residents that are also licensed charter boat captains and operate charter fishing businesses in the county ("charter operator") may obtain a permit for the use of a properly registered and authorized vehicle along the designated limited access areas of the beaches of the county, if the following criteria are met, in addition to any other requirements contained in this Code:

a. The vehicle and boat trailer being registered shall be owned by the permit holder and charter operator and used for the charter operation.

b. Proof of residency (such as voter's registration card, homestead exemption card, or driver's license) must be presented to the board's designee at the time of application.

c. Proof of a current Coast Guard captain's license.

d. Proof of a current Florida charter fishing license.

e. Proof of liability insurance of not less than $500,000.00 for general public liability per occurrence.

(4) County Scuba Charter operations; 3 permits total. Under this subsection ~~(d)(4)~~, there shall be a limit of 3 permits total to be issued. Permits will be issued by lottery to eligible applicants. Applicants may submit applications between May 1 and June 15 of each year. A lottery selection will be conducted by the County on June 20 and all applicants will be notified of the results. Those selected by lottery will have 30 calendar days to purchase permit from the County beginning July 1. Those who fail to purchase their permit within the 30 days will forfeit their chance to obtain the scuba charter beach driving permit. Current permit holders will be given priority to renew permits each year and shall renew their permit between April 1 and April 30. If any permit holder does not renew their permit by April 30, an additional number of permits (that would bring the total to 3) may be issued using the lottery system set forth in this paragraph. To qualify under this paragraph, the following requirements apply:

a. Applicant must be a Walton County resident OR a Scuba charter operator must be a business owner in Walton County. Proof of residency must be presented to the board's designee at the time of application.

b. The vehicle and boat trailer being registered shall be owned by the permit holder and scuba charter operator and used for the scuba charter operation.

c. Applicant must provide proof of general liability insurance not less than $1,000,000.00 per occurrence. Walton County shall be named as certificate holder and additional insured prior to ~~being~~ receiving permit.

d. Proof of required licensure, certifications, and insurance must be presented to the Board's designee at the time of application.

e. Applicant must hold a current OUPV Captain License and must be a certified dive guide or dive master (or equal) accredited by a scuba industry agency.

f. Must be certified by the American Red Cross in CPR / AED and as a first responder.

g. Additional requirements regarding beach/gulf operations, life safety vessel requirements, and dive operations are listed on the permit application. Failure to comply with any permit requirements may result in permit revocation.

(f) At all times while a properly permitted boat trailer is on the designated limited access area, the properly permitted boat trailer shall remain connected to the properly permitted vehicle.

(g) The board's designee will issue the permits annually upon receipt of a completed application. If the board's designee is a constitutional officer, they shall retain a processing fee as set by the board by resolution. On or about April 1 of each year the board's designee shall submit to the board of county commissioners a written report of the number of permits that have been issued during the current year.

(h) Only four-wheel drive vehicles that have a current motor vehicle registration to be driven on the highways shall be permitted.

(i) The fees for the designated limited access area permit described above shall be set by resolution of the board. One decal (vehicle permit) shall be issued for each vehicle authorized to use the limited access area. Replacement permits, for newly purchased vehicles or lost permits, will be issued to the original permittee for the processing fee only. A detailed explanation, accompanied by proof, such as a law enforcement report or signed affidavit, is required for lost or stolen permit decals. Residents with permanent mobility disabilities, upon proof of such disability (disability parking permit/placard, disability license plate, or Veteran's Administration 100% disability letter), may be issued an annual permit for the processing fee only.

(j) In addition to the designated limited access area permit described in subsection (e), individuals launching boats shall be required to have a corresponding trailer decal for each trailer, for an additional fee as set by the board. The decal shall be placed on the tongue of the trailer.

(k) The speed limit of authorized vehicles along the designated limited access on the public beaches of the county shall be five miles per hour.

(l) Any reckless driving along the designated limited access of the public beaches shall constitute a violation of this article.

(m) Conviction for violation of this article shall result in fines imposed and could result in revocation of the vehicle permit.

(n) All permits issued shall be for a period of one year and will expire June 1 of each year.

(o) Permitted vehicles are not allowed on the beach other than in the designated limited access areas.

(p) All access areas will be appropriately marked and designated as such.

(q) During turtle nesting season driving is prohibited from 10:00 p.m. until 8:00 a.m. or after the morning nesting survey has been completed (if completed earlier than 8:00 a.m.), with the exception of vehicles launching or recovering boats. When driving between sunset and 10:00 p.m., headlights must be on dim and used only when in motion. Headlights must have red filters over the headlights. Light wavelength with red filters should be > 560 nm. All vehicles launching boats must be parked in designated parking areas so as to not obstruct other beach users.

(r) All-terrain vehicles are not permitted on the public beach. All-terrain vehicles used by sheriff department officers, South Walton Fire District, and county employees for official business may be driven on the beach. Beach vendor permits issued by the county for water-based activities or exclusive vending areas in excess of 1,000 linear beach front, may include all-terrain vehicles that are restricted to activities associated with the permitted vending activity only. Private security all-terrain vehicles may obtain a permit for a single vehicle to patrol properties they maintain which are in excess of 1,000 linear beach front, for a reduced fee as set by resolution of the board, which will allow them to access the beach within the limits specified in the permit. All ATVs used for official non-emergency, permitted vendor, or private security must have red filters over the headlights. Light wavelength with red filters should be > 560 nm. See section 22-60(d)(10) for restrictions on vendors driving on the beach.

(s) Conviction for a violation of Sec. 22-57 pursuant to 22-62 will also result in a revocation of the vehicle permit for the year. Upon conviction, permit holders with grandfathered permits issued pursuant to 22-57(c) will not only have their permits revoked for the year, but will also lose their grandfathered status and will have to apply for future permits under subsections (d), (e), and (f). Revocation of grandfathered permits for violations of this chapter are permanent and may not be reinstated.

Sec. 22-58. - Aircraft.

No person operating, directing, or responsible for any airplane, seaplane, helicopter, glider, balloon, dirigible, parachute, ultralight, or other aerial apparatus shall take off from or land on the beaches, unless authorized or permitted by the County.

Sec. 22-59. - Temporary use for special events.

(a) *Policy and objective.* This article is intended to ensure broad beach usage by allowing temporary uses of the beach for purposes which otherwise would be prohibited. These special uses would be allowed by a permit that waives certain restrictions under specific conditions which still protect the public health, safety, and welfare. The permitting process is intended to provide a convenient procedure to be followed by beach users.

(b) *Permit required.* No person shall organize, promote, or conduct a special event, except as provided in a special event permit issued pursuant to this section. It shall be unlawful for a vendor to organize, promote, or conduct a special event on behalf of a client without being listed on the permit application.

(c) *Permits for special events.*

(1) A permit for special event, according to its terms, may constitute a temporary waiver of one or more provisions of this chapter.

(2) Permits are required for special events with thirty (30) or more people expected or an event that requires vendor equipment to be set up, excluding bonfires. Permits are required for all weddings that are to be held on a public beach access, so as to not have more than one wedding taking place at the same time and place.

(3) The county shall create an application for the permit that details the items allowed and prohibited for use on the beach during special events. The permit shall require the applicant to provide, at a minimum, the following information:

a. Date and time of the special event;

b. Location of the special event;

c. Description of the special event;

d. Anticipated crowd size;

e. Sponsor of the special event;

f. Written consent from the property owner;

g. Any other information required by the county;

h. The location of the walk-over or access to the beach that will be used for the event and permission from the owner if necessary;

j. Detailed equipment list and layout to include quantity of tables, chairs, lights, and other fixtures or equipment; and

i. Parking plan.

(4) Special events over one hundred (100) people will require the special event sponsor to provide security and adequate parking.

(5) Special event permit holders are required to clean the beach immediately after the event has been completed. No special event items or remnants shall be deposited in the County beach garbage collections stations, beach dune systems, parking areas, or any other areas owned, leased, dedicated to, or maintained by the County.

(6) No special event shall be located within one hundred (100) feet of an active turtle nest.

(7) Fee. The fee for special event permits shall be set by resolution of the board and changed as necessary. Each special event shall require a separate permit.

Sec. 22-60. - Beach vendors.

(a) *Policy.* The county finds that the use and enjoyment of the beach by the public is enhanced by the provision of certain goods and services so long as individual peace and quiet is not unreasonably disturbed; that a comprehensive and effective program of beach management for the enjoyment of the beach by the public requires flexibility in the number, location, and type of beach vendors; and that as the trustee of the public interest in the beach, the county has the power to regulate the provision of goods and services by private vendors making use of the public interest on the beach. No beach vendor activities that require permanent installation of electricity or running water will be permitted as a vending operation by the county unless properly permitted with DEP and the building department.

(b) *Permit required.*

(1) A vendor permit shall be required for vending any kind or character on the beach. A specific place permit shall grant to the vendor the right to engage in vending on the specifically identified place on the beach from a fixed beach location. A vendor with multiple locations will need a permit for each specific location. Such permit shall provide the exclusive authority to engage in vending within a defined area or zone of operation on the specific beach. A vendor that is providing goods or services for use on the beach that does not have a defined area of the beach may only deliver the goods or services to the beach but may not engage in vending from the beach. Delivery vendors must remove their goods from the beach each day.

(2) A permit will be issued upon completion of required application and submission of required documents and payments. Applications shall be made to the county.

(3) The Board may enter into an agreement with a vendor to provide managed vending services at all public beaches that are owned, leased, dedicated to, or maintained by the County where vending is allowed, except for the Miramar Beach Regional Beach Access. In the event the Board enters into an agreement, the terms of the agreement shall govern vending at all public beaches that are owned, leased, dedicated to, or maintained by the County where vending is permitted. No vending shall be permitted at any beach access not included in the managed vendor program.

(4) Vendor permits are subject to suspension and/or revocation for failure to abide by applicable regulations. Suspension/revocation procedures shall be as set forth by resolution of the Board of County Commissioners and may be amended from time to time.

(c) *Fee.* The fee for beach vendor permits shall be set by resolution of the board and changed as necessary. Each type of activity shall require a separate permit.

(d) *Operations and maintenance generally.*

(1) Each vendor shall continuously have on file with the county a statement fully disclosing those natural persons owning, leasing, or having an ownership or leasehold interest in the vending operation, and those natural persons who shall be principally responsible for its operation or who in any manner assist with the operation of the vending operation.

(2) The vendor must have and maintain a telephone or marine radio at its land-based, watersports, and parasail operations centers.

(3) All equipment shall be maintained so as to promote an attractive appearance and to ensure safety of operation and quality of services. Beach chairs and umbrellas must be placed on the dry beach:

a. Walton County Public Beaches

1. at beaches owned, leased, dedicated to, or maintained by the County, items must be set up and maintained on the dry sand;

2. at a minimum of fifteen (15) feet from the seawall, toe of the dune, or line of permanent dune vegetation (whichever is closer seaward);

3. must allow for a ten (10) foot clear corridor from the lifeguard towers to the water and from lifeguard towers to the seawall, toe of the dune, or line of permanent dune vegetation (whichever is closer seaward); and

4. must allow for private set up space; and one continuous eight (8) foot access aisle through the middle of vendor zone for access to the water.

b. Walton County Private Beach Parcels with Vending

1. at any beach parcel along Walton County beaches where a vending permit has been issued, items must be set up and maintained on dry sand to ensure beach patrons the ability to traverse the beach unobstructed;

2. at a minimum of fifteen (15) feet from the seawall, toe of the dune, or line of permanent dune vegetation (whichever is closer seaward); and

3. must allow for a ten (10) foot clear corridor from the lifeguard towers to the water and from lifeguard towers to the seawall, toe of the dune, or line of permanent dune vegetation (whichever is closer seaward).

(4) All activities related to the business operation of each vendor must be confined within its assigned and designated area. During the sea turtle nesting season, vendors shall be allowed access to the beach between 7:30 a.m., or after the morning sea turtle nesting survey has been completed, or whichever is earlier, and one hour after sunset.

(5) Each vendor shall have a trash receptacle on the site, and shall, at the end of each business day, be required to ensure that all trash resulting from operations within a distance of 100 feet measured in any direction is removed from the beach.

(6) Temporary beach canvas coverings that have received all necessary federal, state, and local permits shall be allowed on the beach by permitted site specific vendors but must be placed as far landward as possible but seaward of the vegetation lines. Only vendors that have direct drive-on access may use temporary beach storage boxes in lieu of canvas coverings. Temporary beach storage boxes or canvas coverings must be removed entirely from the beach, beach dune systems, boardwalks, or parking areas in the event of a declared state of emergency and can be no larger than four feet by four feet by eight feet. Temporary beach storage boxes shall be constructed of wood and painted white (any exception must be approved by code compliance), alternatively, canvas coverings may be utilized subject to the same color and dimensional requirements.

Multiple temporary beach storage boxes or canvas coverings at a site-specific_vending location shall be placed at least twenty feet apart and positioned so they are perpendicular to the water's edge (any exception must be approved by code compliance). Each vendor shall ensure that all equipment is removed from the beach, dune system, boardwalks, or parking areas or stored in a temporary beach storage box or canvas coverings within one (1) hour after sunset. Failure to do so may result in fines or the revocation of the permit. For vendors that vend on beach of 1,000 linear feet or greater, owned by the same owner or controlled by the same owner/association, are allowed up to one temporary beach hut per each 500 linear feet (i.e. 1,200 feet = maximum of two beach huts). The gross square footage of the footprint of huts, including decks, must be no more than 144 square feet. Huts must be removed from the beach for declared state of emergency and cannot have permanent utilities (i.e. must be hose/cord connected).

(7) Temporary beach storage rack(s) that has received all necessary federal, state, and local permits shall be allowed on the beach by permitted vendors but must be placed as far landward as possible but seaward of the vegetation lines. All temporary beach storage rack(s) must be indicated on the vendor site plan and approved by code compliance. Temporary beach storage racks must be removed entirely from the beach in the event of a declared state of emergency, must have three (3) feet vertical clearance from the beach, and can be no wider than needed to hold (2) two paddleboards or kayaks. The beach permit number must be displayed on all separate pieces of the temporary beach storage rack and easily visible.

(8) Beach vendors shall be required to remove any expired vendor permit numbers and display the entire current beach vendor permit number (example 22-0000) on each outside panel of any temporary beach canvas covering or storage box. Beach vendors shall be required to remove any expired vendor permit numbers and display the entire current beach vendor permit number (example 22-0000) on each separate piece of any temporary beach storage rack. The permit number shall be at least four inches tall, but no more than six inches tall, and must be black or selected from the list provided by the County.

(9) No vending on private property shall occur without written and notarized annual authorization from the property owner on a form prescribed by the Code Compliance Department. No vending shall occur on beaches seaward of the erosion control line established pursuant to Chapter 161, Florida Statutes, without written annual authorization from the county and any private property owner whose southern property line is contiguous to the proposed vending location.

(10) Vendor driving on the beach. Vendor permits that specifically permit driving on the beach by off road, light weight vehicles must adhere to the following: During the sea turtle nesting season (May 1 through October 31, or the last marked nest has hatched, whichever is later), provide vehicles involved in vending operations or special events permitted by the county shall be allowed access to the beach between 7:30 a.m. or after the morning sea turtle nesting survey has been completed, and sunset, and can only be used for activities associated with the permitted vending activity as specified on their permit. Outside of the sea turtle nesting season, vehicular beach access shall be restricted to the period between sunrise and sunset and can only be for activities associated with the permitted vending activity as specified on their permit. Vehicles shall not encroach on

marked sear turtle nests or posted shorebird nesting sites, and under no circumstances shall vending equipment and/or supplies be placed within a nest barrier. Vendors shall not be allowed to drive through state parks. See section 22-57(r) for restrictions on vendor driving.

(11) Beach vendors' operations are limited to no more than 50 percent of the public beach frontage at any public beach access. The frontage shall be designated by the Walton County Code Compliance each year. It shall be unlawful and a violation of this ordinance for any person to move or manipulate the device used to designate the vendors' operation limits.

(12) No beach vendor activities that require permanent installation of electricity or running water will be permitted as a vending operation by the county unless properly permitted with DEP and the building department.

(13) At beaches owned, leased, dedicated to, or maintained by the County, it shall be unlawful to vend food or beverage on the beach or in the parking lot.

(14) Vending of tents greater than ten feet by ten feet (10'x10') shall be prohibited at beaches owned, leased, dedicated to, or maintained by the County. Vending of tents, as provided in this section, shall be limited to the upland one half (1/2) of the beach.

(e) *Operations and maintenance for water-based activity operations.* In addition to the requirements in subsection (d), vendors of water-based activity operations shall be subject to the following:

(1) The vendor must have an operations center located at a land-based location with direct access to the beach in the immediate area where the vending services are being provided for public use.

(2) The vendor must provide "access corridors" for jet propelled boats or vessels entering into the Gulf of Mexico. Such "access corridors" shall be designated by the board of county commissioners or its designated representatives and shall be posted as such. The "access corridors" shall not exceed 50 feet in width leading to the shore for pick-up or drop-off, and shall be marked by at least two orange or red buoys not less than 60 inches in circumference and anchored 150 feet from the shoreline, two orange or red buoys not less than 60 inches in circumference and anchored 300 feet from the shoreline, and two orange or red buoys not less than 60 inches in circumference and anchored 750 feet from the shoreline, and two orange or red cones or signs not less than 28 inches high erected at the waterline.

(3) The vendor must have a motorized chase boat or personalized watercraft in good running condition in the water. The chase boat must meet all U.S. Coast Guard safety requirements. It must remain at the vendor's base of operation during all hours of vendor's operations to be available to respond to emergencies. The chase boat shall be equipped with operational marine radio or cellular phone.

(4) All vendors involving water sports and their designated employees shall be required to obtain and maintain a current certification in BLS/CPR for rescue professionals and water safety certification recognized by the American Red Cross or industry equivalent. Proof of certification must be provided with the license application and upon request.

(5) There shall be no storage of hazardous materials (such as fuel) on the beach.

(f) *Operations and maintenance for parasail operations.* In addition to the requirements in subsections (d) and (e), vendors of parasail operations shall be subject to the following.

(1) Each towboat rented, leased, or hired within the county to pull a parasail, kite or the like, shall be registered with the county. The applicant for registration shall provide:

a. The name, residence, and mailing address of the owner;

b. The name, location, and mailing address of the parasail amusement offering the device;

c. A description of the tow boat and device to be pulled, including a copy of the certificate of title where applicable;

d. Evidence of Florida registration;

e. A certificate of the insurance required by subsection (h) issued in favor of the county and stating that the county shall receive 30 days written notice in advance of cancellation;

f. Current United States Coast Guard Certification that the parasail operator is a registered boat captain;

g. A letter of approval or a contract from the abutting property owner or condominium allowing the operator to establish a pull-in site behind an individual's or condominium association's property or condominium;

h. Each such towboat shall be the subject of a single application and each application shall be accompanied by a registration fee defined in section 22-61(c).

(2) The county shall assign a permit decal, including a number or letter and a colored field, for each towboat and personal watercraft that is rented.

(3) Each registration shall expire on February 1.

(4) It shall be unlawful for any person to conduct or assist in conducting, in whole or in part within the county, a parasail, kite, or similar ride on or above the waters of the Gulf of Mexico or Choctawhatchee Bay in exchange for a fee or value, or solicit the same within the county, unless:

a. The tow boat and parasail, kite or the like used in such ride are insured and registered, and each person and business offering or assisting such ride is insured, as required under this division.

b. There is a minimum of 2,000 feet between the land-based operations of vendors.

c. Permanent restroom facilities are provided.

d. The tow boat maintains an idle speed when within 750 feet (250 yards) of the shore.

e. The tow boat nor a parasailer does not come within 750 feet (250 yards) of the shoreline during actual operation (an exception exists when the tow boat is taking customers to and from the operational area to the shoreline).

f. There is provided for each rental location a water channel or access corridor perpendicular to the shoreline, not less than ten feet in width nor wider than 50 feet leading to the shore for pick-up or drop-off, and marked by at least two orange or red buoys not less than 60 inches in circumference and anchored 150 feet from the shoreline, two orange or red buoys not less than 60 inches in circumference and anchored 300 feet from the shoreline, and two orange or red buoys not less than 60 inches in circumference and anchored 750 feet from the shoreline, and two orange or red cones or signs not less than 28 inches high erected at the waterline.

g. There is a minimum of 2,000 feet between airborne parasailers.

h. A ground crew is provided that has both a cellular phone for emergencies and a shore-to-towboat radio. A chase boat and/or jet ski shall also be at the operational site to assist the towboat in the event of an emergency.

i. A current registration decal issued under this section is permanently affixed to the towboat.

j. Parasail operation shall only be allowed from the western edge of Topsail Hill State Preserve to the Okaloosa-Walton County line.

k. Vessel launch system. Every towboat used for parasail operations shall have a vessel launch system with an operable winch attached.

l. Landing and take-off zones.

1. A landing and take-off zone measuring 30 feet wide, and 50 feet long is established offshore. This area shall be clearly marked on the shore indicating the landing and take-off zone in the Gulf of Mexico.

2. Except in cases of emergency, the landing or take-off of such ride is made from and to such zone established (beach launches and recoveries of airborne parasailers are strictly prohibited).

3. No person shall knowingly swim within any channel properly marked pursuant to subsection (2)f.

4. No person shall knowingly remain within any properly sized and clearly marked landing and take-off zone established pursuant to this subsection.

5. Parasail towboats shall be prohibited from operation in any coastal dune lake of South Walton County.

m. In the event there is an accident involving a parasail amusement, the permitted vendor shall immediately notify the county in accordance with 46 CFR 4.05-1, Notice of Marine Casualty.

(g) *Operations and maintenance of personal watercraft.* In addition to the requirements in subsections (d) and (e), vendors of personal watercraft rentals shall be subject to the following.

(1) Each personal watercraft rented, leased, or hired shall be registered with the county. The application for registration shall include:

a. The name, residence, and mailing address of the owner;

b. The name, location, and mailing address of the personal watercraft vendor offering the device;

c. Evidence of Florida registration;

d. A certificate of the insurance required by subsection (h) issued in favor of the county and stating that the county shall receive 30 days written notice in advance of cancellation;

e. A letter of approval or a contract from the abutting property owner or condominium allowing the operator to establish a pull-in site behind an individual's or condominium association's property or condominium; and

f. Each personal watercraft shall be the subject of a single application and each application shall be accompanied by a registration fee defined in section 22-60(c).

(2) The county shall assign a permit decal, including a number or letter and a colored field for each personal watercraft that is rented.

(3) Each registration shall expire on February 1.

(4) Personal watercraft vendors shall be subject to the restriction in section 22-56.

(h) *Insurance.*

(1) It shall be unlawful for any vendor to operate unless the vendor shall have first procured and filed with the county a liability insurance policy, or a duly executed certificate of insurance, the terms, and conditions of which shall provide for the protection of all persons suffering injury, loss, or damage to the person, or to property, by reason of the operation of any beach concession.

(2) The insurance policy or certificate of insurance shall provide comprehensive general liability coverage in the amount of $500,000.00 and shall be executed by an insurance company authorized to do business in the State of Florida. Additionally, each person and business renting such devices, or offering or assisting such rides, within the county shall be insured against general public liability in an amount not less than $500,000.00 combined single limit per occurrence, and against property damage in an amount not less than $50,000.00 per occurrence.

a. The insurance policy or certificate of insurance shall contain a provision whereby every company executing the same shall obligate itself to notify the county in writing at least 30 days before any alteration, modification, or cancellation of such policy. Walton County Board of County Commissioners shall be listed as certificate holder and additionally insured on the insurance policy.

b. No authorization shall be issued to operate any concession unless and until such liability insurance policy or certificate of insurance is filed with the county, and failure of the vendor to procure a liability insurance policy as described in this section and keep such policy on file with the county at all times shall be grounds for suspension of the authorization until such time as insurance is obtained.

(i) *Acknowledgment.* All vendors shall sign an acknowledgment that he or she has read this section and understands its terms. In addition to those penalties in section 22-62, the vendor permit may be suspended and/or revoked for violation of this Ordinance.

(j) Flag system. Beach vendors will be required to provide and display a sign or placard on the beach at each permitted site specific vending location, describing the established County colored flag system. During double red flag conditions, the vendor shall have a sign or placard placed at every site-specific location and at least every 250 feet where the permitted location is greater than 250 feet, indicating double red flag conditions, water closed, and any violations may result in a $500.00 fine. The vendor must also warn guest verbally of the conditions.

Sec. 22-61. - Public beach parking.

No overnight parking or blocking of parking spaces or blocking of emergency vehicle access points is permitted in the county maintained beach access parking lots.

Sec. 22-62. - Penalty; fees and fines.

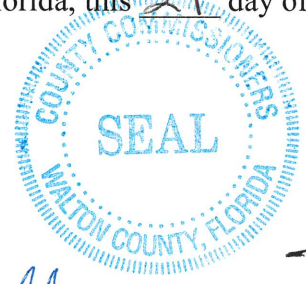
(a) A violation of any provision of this chapter shall constitute a civil infraction punishable by a fine not to exceed $500.00. Each occurrence of a violation, or, in the case of continuing violations, each day a violation occurs or continues, constitutes a separate offense. The Board of County Commissioners is authorized to set the amount of any fee or fine that is designated in this chapter by a resolution of the Board and may amend such resolution as the Board determines is necessary. In addition to issuance of fines, the County shall use any other lawful methods of enforcement and remedy to gain compliance with the provisions of this chapter.

(b) Deputies of the sheriff's office and code compliance officers shall be responsible for the issuance of citations for any violation of the provisions of this chapter. Any fees and/or fines collected pursuant to this chapter are to be remitted through the Clerk of Court and placed in the general fund of the Board of County Commissioners. A person cited for a violation may elect to either:

(1) Pay the scheduled fine plus administrative costs to the Clerk of Court within 30 calendar days of the date of the citation, or

(2) Waive the scheduled fine and request a hearing before the County's Code Compliance Special Magistrate by notifying the Clerk of the Court in writing, by phone, or in person within 30 calendar days of the date of the citation. The violator must appear in person at the hearing. At such hearing the Code Compliance Special Magistrate shall, upon finding that the violator committed the infraction charged, impose a fine plus administrative costs.

(c) Specifically, as it relates to beach vendor permits, violations of any provision of this chapter may additionally be enforced through vendor permit suspension and revocation as set forth by the Board of County Commissioners, and as may be amended from time to time. Accordingly, the Board of County Commissioners is authorized to, by resolution or ordinance, adopt a violation schedule setting forth a system under which a vendor is subject to suspension or revocation of any or all permits issued, and may base that system upon the number of violations



of provisions of this chapter, a point-based calculation whereby points are assessed per violation and suspension or revocation is based on cumulative points received within defined time periods, or any other suspension and revocation methodology determined by the Board of County Commissioner and duly adopted. Upon adoption of such system(s), County Code Enforcement officials are hereby empowered to issue such suspensions or revocations in accordance therewith. An appeal of any such suspension or revocation shall be to the magistrate assigned to hear code matters. A vendor must submit in writing to code compliance their request for appeal and reason within 48 hrs. of being notified that their permit will be suspended.

(d) In addition to any suspension or revocation system adopted and implemented above, the failure to pay or timely challenge any citation shall result in the immediate and automatic revocation of all permits issued to the offending vendor, and reinstatement of said permits and issuance of any new permits to said vendor shall not occur until said vendor has paid all fines due related to said citation(s), together with a non-payment penalty equal to the amount of the original citation multiplied by the total number of days the citation(s) have remain unpaid, and the amount of any permit application costs which must be remitted for reinstatement. Payment of the issued citations shall be made to the Clerk of Court and a receipt showing payment in full produced to the County, and all other payments for penalties and application costs shall be made directly to the County. If additional citations have been issued or are outstanding, the vendor subject to revocation under this subsection must either pay those citations in full at the time of applying for reinstatement or show proof where the vendor has filed a timely notice to contest those citations.

Severability. If any provision or portion of this Ordinance is declared by any court of competent jurisdiction to be void, unconstitutional, or unenforceable, then all remaining provisions and portions of this Ordinance shall remain in full force and effect.

Effective Date. This Ordinance shall be effective immediately upon adoption by the Board of County Commissioners.

Passed and duly adopted in regular session by the Board of County Commissioners of Walton County, Florida, this 21 day of June, 2024.

Attest:

BOARD OF COUNTY COMMISSIONERS
OF WALTON COUNTY, FLORIDA

for: Sylvia Powell
Alex Alford, Clerk of Circuit Court
and County Comptroller

for Donna Johns
Anthony "Tony" Anderson, Chair

(b) *Permit required.* No person shall organize, promote, or conduct a special event, except as provided in a special event permit issued pursuant to this section. It shall be unlawful for a vendor to organize, promote, or conduct a special event on behalf of a client without being listed on the permit application.

(c) *Permits for special events.*

(1) A permit for special event, according to its terms, may constitute a temporary waiver of one or more provisions of this chapter.

(2) Permits are required for special events with thirty (30) or more people expected or an event that requires vendor equipment to be set up, excluding bonfires. Permits are required for all weddings that are to be held on a public beach access, so as to not have more than one wedding taking place at the same time and place.

(3) The county shall create an application for the permit that details the items allowed and prohibited for use on the beach during special events. The permit shall require the applicant to provide, at a minimum, the following information:

a. Date and time of the special event;

b. Location of the special event;

c. Description of the special event;

d. Anticipated crowd size;

e. Sponsor of the special event;

f. Written consent from the property owner;

g. Any other information required by the county;

h. The location of the walk-over or access to the beach that will be used for the event and permission from the owner if necessary;

j. Detailed equipment list and layout to include quantity of tables, chairs, lights, and other fixtures or equipment; and

i. Parking plan.

(4) Special events over one hundred (100) people will require the special event sponsor to provide security and adequate parking.

(5) Special event permit holders are required to clean the beach immediately after the event has been completed. No special event items or remnants shall be deposited in the County beach garbage collections stations, beach dune systems, parking areas, or any other areas owned, leased, dedicated to, or maintained by the County.

(6) No special event shall be located within one hundred (100) feet of an active turtle nest.

(7) Fee. The fee for special event permits shall be set by resolution of the board and changed as necessary. Each special event shall require a separate permit.

Sec. 22-60. - Beach vendors.

(a) *Policy.* The county finds that the use and enjoyment of the beach by the public is enhanced by the provision of certain goods and services so long as individual peace and quiet is not unreasonably disturbed; that a comprehensive and effective program of beach management for the enjoyment of the beach by the public requires flexibility in the number, location, and type of beach vendors; and that as the trustee of the public interest in the beach, the county has the power to regulate the provision of goods and services by private vendors making use of the public interest on the beach. No beach vendor activities that require permanent installation of electricity or running water will be permitted as a vending operation by the county unless properly permitted with DEP and the building department.

(b) *Permit required.*

(1) A vendor permit shall be required for vending any kind or character on the beach. A specific place permit shall grant to the vendor the right to engage in vending on the specifically identified place on the beach from a fixed beach location. A vendor with multiple locations will need a permit for each specific location. Such permit shall provide the exclusive authority to engage in vending within a defined area or zone of operation on the specific beach. A vendor that is providing goods or services for use on the beach that does not have a defined area of the beach may only deliver the goods or services to the beach but may not engage in vending from the beach. Delivery vendors must remove their goods from the beach each day.

(2) A permit will be issued upon completion of required application and submission of required documents and payments. Applications shall be made to the county.

(3) The Board may enter into an agreement with a vendor to provide managed vending services at all public beaches that are owned, leased, dedicated to, or maintained by the County where vending is allowed, except for the Miramar Beach Regional Beach Access. In the event the Board enters into an agreement, the terms of the agreement shall govern vending at all public beaches that are owned, leased, dedicated to, or maintained by the County where vending is permitted. No vending shall be permitted at any beach access not included in the managed vendor program.

(4) Vendor permits are subject to suspension and/or revocation for failure to abide by applicable regulations. Suspension/revocation procedures shall be as set forth by resolution of the Board of County Commissioners and may be amended from time to time.

(c) *Fee.* The fee for beach vendor permits shall be set by resolution of the board and changed as necessary. Each type of activity shall require a separate permit.

(d) *Operations and maintenance generally.*

(1) Each vendor shall continuously have on file with the county a statement fully disclosing those natural persons owning, leasing, or having an ownership or leasehold interest in the vending operation, and those natural persons who shall be principally responsible for its operation or who in any manner assist with the operation of the vending operation.

(2) The vendor must have and maintain a telephone or marine radio at its land-based, watersports, and parasail operations centers.

(3) All equipment shall be maintained so as to promote an attractive appearance and to ensure safety of operation and quality of services. Beach chairs and umbrellas must be placed on the dry beach:

a. Walton County Public Beaches

1. at beaches owned, leased, dedicated to, or maintained by the County, items must be set up and maintained on the dry sand;

2. at a minimum of fifteen (15) feet from the seawall, toe of the dune, or line of permanent dune vegetation (whichever is closer seaward);

3. must allow for a ten (10) foot clear corridor from the lifeguard towers to the water and from lifeguard towers to the seawall, toe of the dune, or line of permanent dune vegetation (whichever is closer seaward); and

4. must allow for private set up space; and one continuous eight (8) foot access aisle through the middle of vendor zone for access to the water.

b. Walton County Private Beach Parcels with Vending

1. at any beach parcel along Walton County beaches where a vending permit has been issued, items must be set up and maintained on dry sand to ensure beach patrons the ability to traverse the beach unobstructed;

2. at a minimum of fifteen (15) feet from the seawall, toe of the dune, or line of permanent dune vegetation (whichever is closer seaward); and

3. must allow for a ten (10) foot clear corridor from the lifeguard towers to the water and from lifeguard towers to the seawall, toe of the dune, or line of permanent dune vegetation (whichever is closer seaward).

(4) All activities related to the business operation of each vendor must be confined within its assigned and designated area. During the sea turtle nesting season, vendors shall be allowed access to the beach between 7:30 a.m., or after the morning sea turtle nesting survey has been completed, or whichever is earlier, and one hour after sunset.

(5) Each vendor shall have a trash receptacle on the site, and shall, at the end of each business day, be required to ensure that all trash resulting from operations within a distance of 100 feet measured in any direction is removed from the beach.

(6) Temporary beach canvas coverings that have received all necessary federal, state, and local permits shall be allowed on the beach by permitted site specific vendors but must be placed as far landward as possible but seaward of the vegetation lines. Only vendors that have direct drive-on access may use temporary beach storage boxes in lieu of canvas coverings. Temporary beach storage boxes or canvas coverings must be removed entirely from the beach, beach dune systems, boardwalks, or parking areas in the event of a declared state of emergency and can be no larger than four feet by four feet by eight feet. Temporary beach storage boxes shall be constructed of wood and painted white (any exception must be approved by code compliance), alternatively, canvas coverings may be utilized subject to the same color and dimensional requirements.

Multiple temporary beach storage boxes or canvas coverings at a site-specific_vending location shall be placed at least twenty feet apart and positioned so they are perpendicular to the water's edge (any exception must be approved by code compliance). Each vendor shall ensure that all equipment is removed from the beach, dune system, boardwalks, or parking areas or stored in a temporary beach storage box or canvas coverings within one (1) hour after sunset. Failure to do so may result in fines or the revocation of the permit. For vendors that vend on beach of 1,000 linear feet or greater, owned by the same owner or controlled by the same owner/association, are allowed up to one temporary beach hut per each 500 linear feet (i.e. 1,200 feet = maximum of two beach huts). The gross square footage of the footprint of huts, including decks, must be no more than 144 square feet. Huts must be removed from the beach for declared state of emergency and cannot have permanent utilities (i.e. must be hose/cord connected).

(7) Temporary beach storage rack(s) that has received all necessary federal, state, and local permits shall be allowed on the beach by permitted vendors but must be placed as far landward as possible but seaward of the vegetation lines. All temporary beach storage rack(s) must be indicated on the vendor site plan and approved by code compliance. Temporary beach storage racks must be removed entirely from the beach in the event of a declared state of emergency, must have three (3) feet vertical clearance from the beach, and can be no wider than needed to hold (2) two paddleboards or kayaks. The beach permit number must be displayed on all separate pieces of the temporary beach storage rack and easily visible.

(8) Beach vendors shall be required to remove any expired vendor permit numbers and display the entire current beach vendor permit number (example 22-0000) on each outside panel of any temporary beach canvas covering or storage box. Beach vendors shall be required to remove any expired vendor permit numbers and display the entire current beach vendor permit number (example 22-0000) on each separate piece of any temporary beach storage rack. The permit number shall be at least four inches tall, but no more than six inches tall, and must be black or selected from the list provided by the County.

(9) No vending on private property shall occur without written and notarized annual authorization from the property owner on a form prescribed by the Code Compliance Department. No vending shall occur on beaches seaward of the erosion control line established pursuant to Chapter 161, Florida Statutes, without written annual authorization from the county and any private property owner whose southern property line is contiguous to the proposed vending location.

(10) Vendor driving on the beach. Vendor permits that specifically permit driving on the beach by off road, light weight vehicles must adhere to the following: During the sea turtle nesting season (May 1 through October 31, or the last marked nest has hatched, whichever is later), provide vehicles involved in vending operations or special events permitted by the county shall be allowed access to the beach between 7:30 a.m. or after the morning sea turtle nesting survey has been completed, and sunset, and can only be used for activities associated with the permitted vending activity as specified on their permit. Outside of the sea turtle nesting season, vehicular beach access shall be restricted to the period between sunrise and sunset and can only be for activities associated with the permitted vending activity as specified on their permit. Vehicles shall not encroach on

marked sear turtle nests or posted shorebird nesting sites, and under no circumstances shall vending equipment and/or supplies be placed within a nest barrier. Vendors shall not be allowed to drive through state parks. See section 22-57(r) for restrictions on vendor driving.

(11) Beach vendors' operations are limited to no more than 50 percent of the public beach frontage at any public beach access. The frontage shall be designated by the Walton County Code Compliance each year. It shall be unlawful and a violation of this ordinance for any person to move or manipulate the device used to designate the vendors' operation limits.

(12) No beach vendor activities that require permanent installation of electricity or running water will be permitted as a vending operation by the county unless properly permitted with DEP and the building department.

(13) At beaches owned, leased, dedicated to, or maintained by the County, it shall be unlawful to vend food or beverage on the beach or in the parking lot.

(14) Vending of tents greater than ten feet by ten feet (10'x10') shall be prohibited at beaches owned, leased, dedicated to, or maintained by the County. Vending of tents, as provided in this section, shall be limited to the upland one half (1/2) of the beach.

(e) *Operations and maintenance for water-based activity operations.* In addition to the requirements in subsection (d), vendors of water-based activity operations shall be subject to the following:

(1) The vendor must have an operations center located at a land-based location with direct access to the beach in the immediate area where the vending services are being provided for public use.

(2) The vendor must provide "access corridors" for jet propelled boats or vessels entering into the Gulf of Mexico. Such "access corridors" shall be designated by the board of county commissioners or its designated representatives and shall be posted as such. The "access corridors" shall not exceed 50 feet in width leading to the shore for pick-up or drop-off, and shall be marked by at least two orange or red buoys not less than 60 inches in circumference and anchored 150 feet from the shoreline, two orange or red buoys not less than 60 inches in circumference and anchored 300 feet from the shoreline, and two orange or red buoys not less than 60 inches in circumference and anchored 750 feet from the shoreline, and two orange or red cones or signs not less than 28 inches high erected at the waterline.

(3) The vendor must have a motorized chase boat or personalized watercraft in good running condition in the water. The chase boat must meet all U.S. Coast Guard safety requirements. It must remain at the vendor's base of operation during all hours of vendor's operations to be available to respond to emergencies. The chase boat shall be equipped with operational marine radio or cellular phone.

(4) All vendors involving water sports and their designated employees shall be required to obtain and maintain a current certification in BLS/CPR for rescue professionals and water safety certification recognized by the American Red Cross or industry equivalent. Proof of certification must be provided with the license application and upon request.

(5) There shall be no storage of hazardous materials (such as fuel) on the beach.

(f) *Operations and maintenance for parasail operations.* In addition to the requirements in subsections (d) and (e), vendors of parasail operations shall be subject to the following.

(1) Each towboat rented, leased, or hired within the county to pull a parasail, kite or the like, shall be registered with the county. The applicant for registration shall provide:

a. The name, residence, and mailing address of the owner;

b. The name, location, and mailing address of the parasail amusement offering the device;

c. A description of the tow boat and device to be pulled, including a copy of the certificate of title where applicable;

d. Evidence of Florida registration;

e. A certificate of the insurance required by subsection (h) issued in favor of the county and stating that the county shall receive 30 days written notice in advance of cancellation;

f. Current United States Coast Guard Certification that the parasail operator is a registered boat captain;

g. A letter of approval or a contract from the abutting property owner or condominium allowing the operator to establish a pull-in site behind an individual's or condominium association's property or condominium;

h. Each such towboat shall be the subject of a single application and each application shall be accompanied by a registration fee defined in section 22-61(c).

(2) The county shall assign a permit decal, including a number or letter and a colored field, for each towboat and personal watercraft that is rented.

(3) Each registration shall expire on February 1.

(4) It shall be unlawful for any person to conduct or assist in conducting, in whole or in part within the county, a parasail, kite, or similar ride on or above the waters of the Gulf of Mexico or Choctawhatchee Bay in exchange for a fee or value, or solicit the same within the county, unless:

a. The tow boat and parasail, kite or the like used in such ride are insured and registered, and each person and business offering or assisting such ride is insured, as required under this division.

b. There is a minimum of 2,000 feet between the land-based operations of vendors.

c. Permanent restroom facilities are provided.

d. The tow boat maintains an idle speed when within 750 feet (250 yards) of the shore.

e. The tow boat nor a parasailer does not come within 750 feet (250 yards) of the shoreline during actual operation (an exception exists when the tow boat is taking customers to and from the operational area to the shoreline).

f. There is provided for each rental location a water channel or access corridor perpendicular to the shoreline, not less than ten feet in width nor wider than 50 feet leading to the shore for pick-up or drop-off, and marked by at least two orange or red buoys not less than 60 inches in circumference and anchored 150 feet from the shoreline, two orange or red buoys not less than 60 inches in circumference and anchored 300 feet from the shoreline, and two orange or red buoys not less than 60 inches in circumference and anchored 750 feet from the shoreline, and two orange or red cones or signs not less than 28 inches high erected at the waterline.

g. There is a minimum of 2,000 feet between airborne parasailers.

h. A ground crew is provided that has both a cellular phone for emergencies and a shore-to-towboat radio. A chase boat and/or jet ski shall also be at the operational site to assist the towboat in the event of an emergency.

i. A current registration decal issued under this section is permanently affixed to the towboat.

j. Parasail operation shall only be allowed from the western edge of Topsail Hill State Preserve to the Okaloosa-Walton County line.

k. Vessel launch system. Every towboat used for parasail operations shall have a vessel launch system with an operable winch attached.

l. Landing and take-off zones.

1. A landing and take-off zone measuring 30 feet wide, and 50 feet long is established offshore. This area shall be clearly marked on the shore indicating the landing and take-off zone in the Gulf of Mexico.

2. Except in cases of emergency, the landing or take-off of such ride is made from and to such zone established (beach launches and recoveries of airborne parasailers are strictly prohibited).

3. No person shall knowingly swim within any channel properly marked pursuant to subsection (2)f.

4. No person shall knowingly remain within any properly sized and clearly marked landing and take-off zone established pursuant to this subsection.

5. Parasail towboats shall be prohibited from operation in any coastal dune lake of South Walton County.

m. In the event there is an accident involving a parasail amusement, the permitted vendor shall immediately notify the county in accordance with 46 CFR 4.05-1, Notice of Marine Casualty.

(g) *Operations and maintenance of personal watercraft.* In addition to the requirements in subsections (d) and (e), vendors of personal watercraft rentals shall be subject to the following.

(1) Each personal watercraft rented, leased, or hired shall be registered with the county. The application for registration shall include:

a. The name, residence, and mailing address of the owner;

b. The name, location, and mailing address of the personal watercraft vendor offering the device;

c. Evidence of Florida registration;

d. A certificate of the insurance required by subsection (h) issued in favor of the county and stating that the county shall receive 30 days written notice in advance of cancellation;

e. A letter of approval or a contract from the abutting property owner or condominium allowing the operator to establish a pull-in site behind an individual's or condominium association's property or condominium; and

f. Each personal watercraft shall be the subject of a single application and each application shall be accompanied by a registration fee defined in section 22-60(c).

(2) The county shall assign a permit decal, including a number or letter and a colored field for each personal watercraft that is rented.

(3) Each registration shall expire on February 1.

(4) Personal watercraft vendors shall be subject to the restriction in section 22-56.

(h) *Insurance.*

(1) It shall be unlawful for any vendor to operate unless the vendor shall have first procured and filed with the county a liability insurance policy, or a duly executed certificate of insurance, the terms, and conditions of which shall provide for the protection of all persons suffering injury, loss, or damage to the person, or to property, by reason of the operation of any beach concession.

(2) The insurance policy or certificate of insurance shall provide comprehensive general liability coverage in the amount of $500,000.00 and shall be executed by an insurance company authorized to do business in the State of Florida. Additionally, each person and business renting such devices, or offering or assisting such rides, within the county shall be insured against general public liability in an amount not less than $500,000.00 combined single limit per occurrence, and against property damage in an amount not less than $50,000.00 per occurrence.

a. The insurance policy or certificate of insurance shall contain a provision whereby every company executing the same shall obligate itself to notify the county in writing at least 30 days before any alteration, modification, or cancellation of such policy. Walton County Board of County Commissioners shall be listed as certificate holder and additionally insured on the insurance policy.

b. No authorization shall be issued to operate any concession unless and until such liability insurance policy or certificate of insurance is filed with the county, and failure of the vendor to procure a liability insurance policy as described in this section and keep such policy on file with the county at all times shall be grounds for suspension of the authorization until such time as insurance is obtained.

(i) *Acknowledgment.* All vendors shall sign an acknowledgment that he or she has read this section and understands its terms. In addition to those penalties in section 22-62, the vendor permit may be suspended and/or revoked for violation of this Ordinance.

(j) Flag system. Beach vendors will be required to provide and display a sign or placard on the beach at each permitted site specific vending location, describing the established County colored flag system. During double red flag conditions, the vendor shall have a sign or placard placed at every site-specific location and at least every 250 feet where the permitted location is greater than 250 feet, indicating double red flag conditions, water closed, and any violations may result in a $500.00 fine. The vendor must also warn guest verbally of the conditions.

Sec. 22-61. - Public beach parking.

No overnight parking or blocking of parking spaces or blocking of emergency vehicle access points is permitted in the county maintained beach access parking lots.

Sec. 22-62. - Penalty; fees and fines.

(a) A violation of any provision of this chapter shall constitute a civil infraction punishable by a fine not to exceed $500.00. Each occurrence of a violation, or, in the case of continuing violations, each day a violation occurs or continues, constitutes a separate offense. The Board of County Commissioners is authorized to set the amount of any fee or fine that is designated in this chapter by a resolution of the Board and may amend such resolution as the Board determines is necessary. In addition to issuance of fines, the County shall use any other lawful methods of enforcement and remedy to gain compliance with the provisions of this chapter.

(b) Deputies of the sheriff's office and code compliance officers shall be responsible for the issuance of citations for any violation of the provisions of this chapter. Any fees and/or fines collected pursuant to this chapter are to be remitted through the Clerk of Court and placed in the general fund of the Board of County Commissioners. A person cited for a violation may elect to either:

(1) Pay the scheduled fine plus administrative costs to the Clerk of Court within 30 calendar days of the date of the citation, or

(2) Waive the scheduled fine and request a hearing before the County's Code Compliance Special Magistrate by notifying the Clerk of the Court in writing, by phone, or in person within 30 calendar days of the date of the citation. The violator must appear in person at the hearing. At such hearing the Code Compliance Special Magistrate shall, upon finding that the violator committed the infraction charged, impose a fine plus administrative costs.

(c) Specifically, as it relates to beach vendor permits, violations of any provision of this chapter may additionally be enforced through vendor permit suspension and revocation as set forth by the Board of County Commissioners, and as may be amended from time to time. Accordingly, the Board of County Commissioners is authorized to, by resolution or ordinance, adopt a violation schedule setting forth a system under which a vendor is subject to suspension or revocation of any or all permits issued, and may base that system upon the number of violations

BOARD OF COUNTY COMMISSIONERS, WALTON COUNTY, FLORIDA
REQUEST FOR PROPOSAL

For

MANAGED BEACH VENDOR PROGRAM

RFP NO: RFP 25-01

Introduction

PURPOSE:

The County has issued this Request for Proposals (RFP) with the sole purpose and intent of obtaining proposals from interested and qualified proposers offering to provide a MANAGED BEACH VENDOR PROGRAM, in accordance with the specifications stated herein.

Scope of Work

Summary

Walton County is seeking a concessionaire to provide beach equipment rentals at designated regional and neighborhood beach accesses. The selected proposer (Concessionaire) will provide all labor, materials, equipment, and supervision required for daily operations.

The program will run from March 1 through October 31 each year, with vending hours from 8:00 AM to 5:00 PM, seven days a week. Services include renting chairs, umbrellas, and other approved equipment, maintaining clean work areas, and ensuring professional service with uniformed attendants.

Key responsibilities include

Setup and breakdown of equipment based on customer needs.

Maintaining clear access paths to the water and properly storing equipment at the end of each shift.

Communication and reporting with the County, including monthly rental reports and prompt notice of any operational issues.

Emergency preparedness, ensuring removal of equipment during severe weather and in the event of a State of Emergency.

The vendor must comply with Walton County Code regulations and obtain all necessary permits and licenses. Additionally, managers and attendants will be required to maintain constant communication with County Code Compliance and provide prompt service across all assigned beach access locations.

This program ensures high-quality public service while preserving the beach environment and enhancing visitor experience.

Scope of Work General

1. General Overview

The concessionaire shall provide all labor, materials, equipment, and supervision necessary to provide beach equipment rentals at select Walton County Beach Accesses.

2. Service Locations

The following Regional and Neighborhood Beach Access locations, with equipment limits delineated in Exhibit A, are included:

- Scenic Gulf Drive Regional Beach Access
- Dune Allen Regional Beach Access
- Fort Panic Regional Beach Access/West Allen Loop Neighborhood Beach Access
- Ed Walline Regional Beach Access
- Shell Seeker's Cove and Spooky Lane Neighborhood Beach Access
- Gulfview Heights Regional Beach Access
- Blue Mountain Beach Regional Beach Access
- Grayton Dunes Neighborhood Beach Access
- Dogwood / Thyme Neighborhood Beach Access
- Hickory / Live Oak / Nightcap / 395 Neighborhood Beach Access
- Holly / Camellia / Azalea / Gardenia Neighborhood Beach Access
- Headland / Greenwood / Andalusia / Dothan Neighborhood Beach Access
- Santa Clara Regional Beach Access
- Seagrove Regional Beach Access (coming 2025)
- One Seagrove Neighborhood Beach Access
- Walton Dunes Neighborhood Beach Access
- Wall Street Neighborhood Beach Access
- Inlet Beach Regional Beach Access
- S Walton Lakeshore Dr. Neighborhood Beach Access
- Future additional accesses as acquired

---

3. Dates of Operation

- **Season**: March 1 – October 31 (annually)

---

4. Days/Hours of Operation

- **Days**: 7 days per week

- **Vending Hours**: 8:00 AM – 5:00 PM
- **Attendant Hours**: 7:45 AM – 5:15 PM (or until equipment is removed and stored)

---

5. Attendant Standards
   - **Uniforms**:
     - Professional uniforms with the concessionaire's name and/or logo.
     - Uniform design and color must be approved by the Director or Deputy Director of Code Compliance.
   - **Behavior**:
     - Attendants must maintain a polite, professional, and courteous demeanor.

---

6. Management Requirements
   - Maintain appropriate number of managers to ensure service quality and compliance with Walton County Ordinance No. 2024-21 (Beach Activities Ordinance), which is attached hereto as Exhibit B and as may be amended from time to time.
   - Notify Code Compliance by 8:00 AM daily about any attendant absences and/or tardiness, with a plan for operational continuity.

---

7. Attendants on Duty
   - Ensure a sufficient number of attendants are available to meet service expectations at each access awarded.
   - Attendants must be present on the beach during vending hours at each access awarded.

---

8. Communication Devices
   - Managers and attendants must carry cell phones with internet access and be reachable via phone, text, or email. Contact information must be shared with Code Compliance and updated as needed.

---

9. Work Area and Storage
   - **Work Area**: Includes umbrella and chair.
   - **Storage**: Must comply with Section 22-60(d)(6) of the Beach Activities Ordinance, as amended.

---

10. Allowable Equipment Rentals
    - Chairs
    - Footstools
    - Umbrellas

- Any other approved items in the contract resulting from this RFP

---

11. Equipment Rental Rates
    - Provide a schedule of rental rates to the County.
    - Any proposed rate increases must be submitted to the County Administrator or designee for approval.

---

12. Equipment Standards & Setup
    - **Condition**: Equipment must be in good working order with no rips, tears, holes, or discoloration.
        - Chairs must display the concessionaire's name and or logo.
        - Equipment colors must be uniform per access location.
    - **Setup Rules**:
        - Set up only when a customer arrives; break down when vacated for more than 30 minutes.
        - Display the above setup/breakdown rules at each access and inform customers upon rental.
        - Perform clean-up throughout the day, with attendants keeping and removing trash containers by shift end.
        - Strictly adhere to the maximum number of chairs and umbrellas allowed at each access per day.
    - **Access Requirements**: Maintain clear aisles to the water and avoid clustering setups.
    - **Emergency Removal**:
        - In the event of a state of emergency, remove all beach equipment and storage boxes/canvas coverings from beaches, dunes, boardwalks, and parking areas within 24 hours.

---

13. Vendor Access to the Beach
    - Vendors must use boardwalks/dune walkovers for access.
    - Beach driving is prohibited unless permitted by Code Compliance in accordance with Section 22-57 of the Beach Activities Ordinance.

---

14. Advertising
    - Signs must comply with Section 22-55 of the Beach Activities Ordinance.

---

15. Reports and Records

- Maintain financial records which shall be provided to Code Compliance upon request.
    - Records must include:
        A. Revenue/expense reports
        B. Florida State Sales Tax Returns
        C. Federal Payroll Tax Returns
        D. Recorded ledgers
        E. Personnel records
- Submit detailed monthly rental sales reports by the 10th of the following month.

---

16. Violation of Agreement
- **Penalties** for violations of the agreement or County codes:
    A. **First Infraction** – Written warning
    B. **Second Infraction** – $250 fine
    C. **Third Infraction** – $500 fine
    D. **Fourth Infraction** – $750 fine
    E. **Fifth and Subsequent Infractions** – $1,000 fine
- Fines are due and payable within 30 days of notification.
- Appeals must be submitted in writing within 72 hours of violation notification, including a $250 administrative fee and a reason for appeal.

Additional Proposal Requirements

Service Plan for All Beach Accesses
Proposers must submit a detailed plan outlining how they will efficiently and reliably service all designated beach access locations. This plan should include staffing strategies, logistics for transporting equipment between sites, and methods for maintaining uninterrupted access at each location.

Alternate Bid for Individual Zones
To provide flexibility, the County invites proposers to submit alternate bid proposals for individual zones as outlined in Attachments A and C. This approach allows the County to evaluate the feasibility of awarding contracts for specific zones rather than the entire county. Each alternate bid must clearly detail:
- Staffing levels and operational plans specific to the individual zones.
- Zone-specific pricing and the availability of necessary equipment.

- Any unique logistical considerations or challenges related to servicing smaller areas.

Subcontracting

Please note that subcontracting any portion of the services by the chosen vendor(s) is not authorized unless expressly pre-approved by the Board of County Commissioners (BCC). Unauthorized subcontracting is considered an Agreement violation and shall result in the imposition of penalties as described in Subsection 2.2.16 above. Concessionaires should plan to perform all services with their own resources unless otherwise agreed upon in advance.

Area Modification Rights

The County reserves the right to modify or remove sections of the contracted area under the Managed Beach Vendor Program at any time, if deemed in the best interest of the County or the location.

Submittal Requirements

General Requirements

The purpose of the proposal is to demonstrate the qualifications, competence, capacity, and methodology of the Proposer seeking to provide the services in conformity with the requirements of this RFP. The proposal should demonstrate the combined qualifications of the Proposer and of the particular staff to be assigned to this engagement.

While the proposal shall address all the points outlined in the RFP, it should also specify an approach that will meet the RFP requirements. The proposal should be prepared simply and economically, providing a straightforward, concise description of the Proposer's capabilities to satisfy the RFP requirements.

Format Requirements

The County requires a uniform format to ensure that all proposals are fairly evaluated. Proposals shall be organized as outlined below and shall include the information specified.

Proposers shall include the following information in their submittals responsive to this RFP. The following format and sequence should be followed in order to provide consistency in responses and to ensure each proposal receives full consideration.

Tab 1: INTRODUCTION LETTER

Provide an introduction letter introducing Proposer, including corporate name (if applicable), address, telephone number, name and email of principal officer, number of years in business, and size of staff. Briefly state that Proposer fully understands the scope of services, possesses the capacity and ability to perform said services, and will make a positive commitment to perform the services as described herein. The introduction letter shall be signed by an individual authorized to bind Proposer.

Tab 2: QUALIFICATIONS OF PROPOSER/RELEVANT EXPERIENCE

1. Relevant Experience in Beach Equipment Rental Operations

- **Operations Across Multiple Locations**
    - Experience managing services at multiple regional and neighborhood access points, similar to the listed Walton County beach access locations.
- **Seasonal Service Expertise**

- Proposers should demonstrate experience with seasonal operations, such as managing services from **March to October**, ensuring consistent quality and availability.

- **Daily Operations Management**
  - Examples of experience providing **7-day-per-week** operations with clearly defined service and attendant schedules.

---

2. Personnel Management Experience and Compliance

- **Attendant Management and Training**
  - Highlight prior experience with hiring, training, and managing staff in accordance with county-approved uniform and behavioral standards set forth in Subsection 2.2.5 above.

- **Communication with Local Authorities**
  - Proposers should have experience **coordinating with municipalities or compliance departments**, ensuring smooth communication about operations, emergencies, and personnel issues.

---

3. Equipment Setup and Quality Standards

- **High-Quality Equipment Management**
  - Prior experience maintaining **uniform, durable equipment**, and adhering to local codes for condition, branding, and safety.
  - Ability to ensure equipment removal in **emergency situations** or state of emergency declarations.

---

4. Adherence to Local Regulations and Reporting Requirements

- **Permitting and Licensing**
  - Demonstrated knowledge in obtaining **local vendor permits** for beach operations, along with any relevant approvals required to operate.

- **Compliance with County Codes**
  - Experience managing beach operations in compliance with local codes, such as **Walton County Code Section 22-55 (signage regulations)**.

- **Record Keeping and Reporting**
  - Ability to maintain and provide **detailed financial and operational reports** (e.g., sales reports, tax returns, and ledgers) to government authorities upon request.

---

5. Proven Ability to Handle Customer Service and Emergencies

- **Customer Service Skills**
    - Examples of **professional customer interaction** and responsiveness in outdoor service environments.
    - Experience with **on-demand equipment setup and removal**, ensuring customer satisfaction and compliance with beach-use rules.
- **Emergency Readiness**
    - Proposers should demonstrate a plan or previous experience in **removing equipment quickly** in the event of emergency situations.

Tab 3: REFERENCES
Provide at least 3 references from entities for which you provided similar services within the past 5 years similar in scope and nature to those required by this RFP. These references must include, at a minimum: name of company or entity, contact person, address, email, and telephone number. References shall include the general description of the services and contract dates. Letters of commendation or recommendation may be included in this section.
Tab 4: REQUIRED SUBMITTAL FORMS: Proposers shall submit the required forms listed on the Vendor Questionnaire. Copies of support documentation such as licenses, resumes, or certifications may be provided here.

Evaluation Criteria
Proposals will be evaluated by an evaluation committee using criteria listed. The following chart includes the principal selection criteria, which will be considered during the evaluation process. The committee may short list no less than three Proposers, assuming that three proposals have been received, that it deems to best satisfy the selection criteria. The committee may then conduct interviews and/or require oral presentations from the short-listed Proposers. The committee and/or the Walton County Board of County Commissioners may then conduct interviews and/or require oral presentations from the short-listed Proposers.

No.	Evaluation Criteria	Scoring Method	Weight (Points)
1.	**Project Organization** This criterion assesses how the proposer plans to organize and manage the project. The bidder must provide an organizational chart showing roles and responsibilities, ensuring adequate staffing to deliver the required services without subcontracting. The total number of personnel committed to the project must be clearly defined, demonstrating how they will meet the demands of the contract.	Points Based	10 *(10% of Total)*

2.	**Operational Plan** A. Proposers are evaluated on their ability to effectively manage and operate the concession services. The **operational plan** should detail: • A **marketing plan** for promoting beach equipment rentals • A **management plan and staffing schedule** ensuring proper coverage during all hours of operation, including during breaks, absences, and tardiness • **Maintenance and waste collection strategies** to maintain clean and orderly beach accesses • An **inclement weather and evacuation plan** for State of Emergency situations • **Timeline** indicating how quickly operations will commence after award • **Experience**—the number of years the firm has provided similar services • **Visuals**—photographs of the proposed beach equipment	Points Based	25 *(25% of Total)*
3.	**References** This criterion evaluates the proposer's past performance. Proposers must provide a minimum of three references from clients for whom they have delivered similar services. Each reference should include a contact name and telephone number to allow verification of the firm's performance and service quality.	Points Based	8 *(8% of Total)*
4.	**Financial Information** The financial stability of the proposing firm is crucial for long-term operations. Proposers must submit their most recent year-end financial statement. Additional financial documentation can be included to demonstrate the firm's stability and ability to meet the contract's financial obligations.	Points Based	10 *(10% of Total)*

5.	**Fee Proposal** Proposers are required to submit the total annual concession fee to be paid to the County annually. All questions regarding this RFP should be directed to the County's e-Procurement Portal Question & Answer feature. Questions shall be submitted no later than 12:00 pm Thursday, November 28, 2024 . Questions submitted after that date and time will not be answered. **DIRECTING QUESTIONS TO ANY OTHER STAFF, AGENT, REPRESENTATIVE, OR EMPLOYEE OF THE COUNTY IS PROHIBITED AND WILL RESULT IN SUBMITTAL BEING DISQUALIFIED**. The Purchasing Director and County staff will review and answer questions. If applicable, answers citing the question(s) asked but not identifying the questioner will be published on the Walton County, Florida e-Procurement Portal. Failure to submit requests in writing by the specified time shall not be grounds for a protest. Note: Written requirements in the RFP or its amendments are binding, but any oral communications between you and us are not.

CALENDAR OF EVENTS

Listed below are the important actions and dates/times by which the actions must be taken or completed. If the County finds it necessary to change any of these dates/times, it will be accomplished by addendum. All listed times are local time in DeFuniak Springs, Florida.

Interviews (If Required):	December 17, 2024, 1:00pm
BCC Award:	January 14, 2025

Submission of Proposal

Each proposal shall be prepared simply and economically, providing a straightforward, concise delineation of Proposer's capabilities to satisfy the requirements of this RFP. Fancy bindings, colored displays, and promotional material are not desired. Emphasis in each proposal must be on completeness and clarity of content.

RFP Opening

Proposals will be accepted until Thursday, December 5, 2024, no later than 3:00 pm, and will be opened immediately thereafter.

Proposals are due at the time and date specified. Proposals received late will not be considered and will be marked as LATE.

Proposal Evaluation

The County will assemble an evaluation committee to evaluate the proposals. The evaluation committee will evaluate and rank the most advantageous proposals and make a recommendation to the BCC. The evaluation of the proposals will be performed based on the criteria included in this RFP. Each proposal will be evaluated individually and in the context of all other proposals. Proposals must be fully responsive to the requirements described in this RFP and to any subsequent requests for clarification or additional information made by the County through written addenda to this RFP. The County reserves the right to award the contract to the proposer submitting the best overall responsive proposal which offers the most advantageous opportunity to the County and is consistent with the evaluation criteria.

As part of the evaluation process, the County may conduct an investigation of references. Submission of a proposal in response to this RFP constitutes acknowledgment of the investigation process and consent to the County's investigation. The County is the sole judge in determining the Proposer's qualifications.

Insurance Requirements

The Proposer shall purchase and maintain through the contract period workers compensation, comprehensive general liability (occurrence form), comprehensive automobile liability, professional liability, including errors and omissions coverage if applicable, builder's risk, and other insurance as is appropriate for the project being performed hereunder by the Proposer, its employees, subcontractors, or agents. The amounts and types of workers compensation,

comprehensive general liability (occurrence form), and comprehensive automobile liability insurance shall conform to the following minimum requirements:

Worker's Compensation

Coverage must apply for all employees and statutory limits in compliance with the applicable state and federal laws, unless Proposer provides a current Florida Workers Compensation exemption certificate. In addition, the policy must include the following:

- Employer's Liability with a minimum limit per accident in accordance with statutory requirements.
- Notice of Cancellation and/or Restriction. The policy must be endorsed to provide the County with thirty (30) days' written notice of cancellation and/or restriction.

Comprehensive General Liability

Coverage must include:

- $1,000,000 combined limit per occurrence for bodily injury, personal injury, and property damage.
- Contractual coverage applicable to this specific contract, including any hold harmless and/or indemnification agreement.
- Additional Insured. The County is to be specifically included as an additional insured.
- Notice of Cancellation and/or Restriction. The policy must be endorsed to provide the County with thirty (30) days' written notice of cancellation and/or restriction.

Comprehensive Automobile Liability

Coverage must be afforded on a form no more restricted than the latest edition of the Comprehensive Automobile Liability Policy filed by the Insurance Services Office and must include:

- $300,000 combined single limit per accident for bodily injury and property damage.
- Owned Vehicles.
- Hired and Non-Owned Vehicles.
- Employee Non-Ownership.
- Additional Insured. County is to be specifically included as an additional insured.
- Notice of Cancellation and/or Restriction. The policy must be endorsed to provide the County with thirty (30) days' written notice of cancellation and/or restriction.

Professional Liability Coverage must include:

- Minimum limits of $1,000,000 per occurrence and in the aggregate for claims of malpractice, negligence, and errors and omissions.

- Notice of Cancellation and/or Restriction. The policy must be endorsed to provide the County with thirty (30) days' prior notice of cancellation and/or restriction of coverage by changed exclusion.

Certificates of Insurance evidencing the insurance coverage specified in this Article shall be submitted to the County with the executed contract. The Certificates of Insurance shall be filed with the County before this contract is deemed approved by the County. The required Certificates of Insurance not only shall name types of policies provided, but also shall refer specifically to this contract and shall list the certificate holder as "Walton County Board of County Commissioners." All the policies of insurance so required of Proposer shall be endorsed to include as additional insured the County, its officers, employees, and agents, except for Worker's Compensation. If the initial insurance policy expires prior to contract expiration or termination, renewal Certificates of Insurance shall be furnished thirty (30) days prior to the date of the policy expiration.

The purchase of any of the above-referenced insurance policies shall not release Proposer or any Surety created by this contract from any obligation, warranty, or guarantee provided in this contract.

The Insurance Company(ies) shall be authorized to conduct business in the State of Florida and must possess a current A.M. Best's Financial Strength Rating of A- Class VII or better. Any risk of loss of completed work on the project, or work in progress on the project shall be borne by the Proposer through the date of contract expiration or termination.

Cost for Preparing Proposals

The County is not liable for any costs incurred by the Proposer in responding to this RFP, including those for oral presentations.

Disposal of Proposals

All proposals become the property of the County and will be a matter of record. The County shall have the right to use all ideas, or adaptations of those ideas, contained in any proposal received in response to this RFP. Selection or rejection of this proposal will not affect this right.

Rules for Withdrawal

Proposals may be modified or withdrawn prior to the submission deadline. Modifications and withdrawals shall be made via the County's e-Procurement Portal. To modify a proposal, log in to your vendor account at https://procurement.opengov.com/login, and go to your submitted proposal. Click on "Unsubmit Proposal", make the required changes, and submit the proposal again. To withdraw a proposal, log in to your vendor account at https://procurement.opengov.com/login, and go to your submitted proposal. Click on "Unsubmit Proposal".

Any submitted proposal shall remain valid for 60 days after the submission date, but the County at its sole discretion may release any proposal.

Rejection of Proposal

The County reserves the right to accept or reject any proposal as may be deemed necessary by the County to be in its best interest. The County further reserves the right to waive any and all formalities, and reserves the right to reject all nonconforming, unresponsive proposals. The County reserves the right to reject the proposal of any Proposer if the County believes that it would not be in the best interest of the County to make an award to the Proposer, because the

proposal is not responsive or responsible, or the Proposer is unqualified or of doubtful financial ability, or fails to meet any other pertinent standard or criteria established by the County.

Verbal Instructions

No negotiations, decisions, or actions shall be initiated or executed by the Proposer as a result of any discussion with any County employee. Only those communications from Proposers, which are signed and in writing, will be recognized by the County as duly authorized expressions on behalf of the Proposer. Any and all communication with County Commissioners or County staff other than the Office of Central Purchasing is prohibited during the time of the RFP advertising. Proposers directing questions or communications to anyone other than staff at the Office of Central Purchasing shall be disqualified.

Sales and Use Tax

The Proposer agrees that all applicable federal, state, and local sales and use taxes that are incurred by the Proposer are included in the stated proposal price for the project. The County is tax exempt from federal excise and state sales tax.

Public Entity Crimes

The Proposer must sign and complete a Public Entity Crime Sworn Statement as defined under Section 287.133(3)(a), F.S. A person or affiliate who has been placed on the convicted vendor list following a conviction of a public entity crime may not submit a proposal on a contract to provide any goods or services to a public entity, may not submit a proposal on a contract with a public entity for the construction or repair of a public building or public work, may not submit proposals on leases of real property to a public entity, may not be awarded or perform work as a consultant, supplier, or subcontractor, under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, for Category Two for a period of 36 months from the date of being placed on the convicted vendor list.

Drug Free Workplace

The Proposer must complete the County's Drug Free Workplace Certification form, attached and made a part of the RFP. According to Walton County policy, preference shall be given to businesses with drug-free workplace programs. Whenever two or more proposals, which are equal with respect to price, quality, and service, are received by the state or by any political subdivision for the procurement of commodities or contractual services, a proposal received from a business that certified that it has implemented a drug-free work place program shall be given preference in the award process. Established procedures for processing tie proposals will be followed if none of the tied Proposers have a drug-free workplace program.

Addendums

The County may issue addendums to modify the RFP as deemed appropriate. Addendums and clarification to this RFP will be posted online on the County's e-Procurement portal. The Addendum Acknowledgement shall be submitted via the County's e-Procurement portal with each Proposer's submittal responsive to this RFP.

Notices

Any notices to be given under a contract shall be given by United States Mail, addressed to the Proposer at its address stated therein, and to the County at its address stated therein. Additional notice may also be given by email in which case it shall be deemed that notice was provided on the date said email was received. The party providing notice by email shall confirm that the email was received by the other party.

Protest

Any person or entity whose proposal is rejected, in whole or in part, or who submits a proposal but is not awarded the contract, may protest such decision. Written notice of intent to file a protest must be submitted to the Purchasing Director or Chief Financial Officer within twenty – four (24) hours after the Board's declaration of its intention with regard to an award. Written protest must be submitted to the Purchasing Director or Chief Financial Officer within ten calendar days after filing written notice of intent. Each written protest must be accompanied by a protest bond in the form of a certified check, cashier's check, or money order made payable to the Walton County Board of County Commissioners, in an amount equal to 1% of the protestor's proposal received by the County, but in no case less than $500.00. The condition of the protest bond shall be that, should the protest be determined to be without merit and non-valid, the bond shall be forfeited to the County in its entirety.

Blackout Period

The period between the beginning of the advertisement for the Request for Proposals, Request for Qualifications, Invitation to Bid, or any other competitive solicitation and the contract award, or any resulting bid protest is resolved, or the solicitation is otherwise canceled is referred to as the Blackout Period. During the Blackout Period, any communication regarding the aforementioned solicitations is prohibited between the Proposer (or its agents or representatives) or other entity with the potential for a financial interest in the award (or their respective agents or representatives) regarding such competitive solicitation, and any County Commissioner or County employee, selection committee member or other persons authorized to act on behalf of the County including the County's architect, engineer or their subconsultants, or anyone designated to provide a recommendation to award a particular contract, other than Purchasing Division staff. Each competitive solicitation shall provide notice of the Blackout Period.

Exceptions to the Blackout Period

The Blackout Period shall not apply to:

A. Communications at any public proceeding or meeting, including pre-proposal conferences, selection committee presentations, or pre-award meetings.

B. Communications during contract negotiations between designated County employees and the intended contract awardee.

C. Communication with the Proposer initiated by a Purchasing Division employee following the opening of the solicitation submittals to clarify the Proposer's bid, proposal or intended scope of services.

D. Communication following the filing of a protest between the protesting party and the Purchasing Division, County Administrator's Office, and County Attorney's Office, during the dispute resolution process.

E. Purchases exempt from competitive selection, sole source procurements, single source procurements, and emergency procurements, as defined in Walton County Purchasing Policy and Procedure manual.

F. Communications with existing Concessionaires in the performance of existing contracts.

Indemnifications

The Concessionaire shall indemnify and save harmless the County, its officers, agents and employees, from all claims, suits or actions at law or equity, damages, losses, and expenses, whether direct or indirect, or consequential, including but not limited to, charges of engineers, attorneys, and other professionals and costs of both defense and appeal, in a court of law or other tribunal, for any reason whatsoever, including but not limited to bodily injury, sickness, disease or death of any person, including employees of the Concessionaire or any subcontractor, or injury to or destruction of property, including loss of use, which claims are arising out of, related to, connected with, or caused by (a) the Concessionaire or any subcontractor or supplier of the Concessionaire's negligent performance or non-performance of the project; (b) noncompliance with federal, state, and local laws and regulations by Concessionaire, or any subcontractor of Concessionaire; or (c) the failure of Concessionaire or any subcontractor of Concessionaire to obtain or renew the insurance coverage's required by the Contract Documents. The provisions of this indemnification agreement shall include all claims made, whether or not caused in part, by any act or omission of the County, its respective officers, agents, or employees, provided the Concessionaire shall not be required to indemnify the County for the County's own negligence.

Public Access

A request to inspect or copy public records relating to this Contract must be made directly to the County. If the County does not possess the requested records, it shall immediately notify the Concessionaire of the request, and the Concessionaire must provide the records to the County or allow the records to be inspected or copied within a reasonable time (§119.0701(3)). If the Concessionaire fails to provide the public records within a reasonable time, the Concessionaire may be subject to penalties under §119.10, F.S.

The Concessionaire shall comply with the requirements of Florida's Public Records law in accordance with Section 119.0701, Florida Statutes, the Concessionaire shall (1) Keep and maintain public records required by the public agency to perform the service; (2) Upon request from the public agency's custodian of public records, provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided under Florida's Public Records law or as otherwise provided by law; (3) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of this contract if the Concessionaire does not transfer the records to the public agency; and (4) Upon completion of the contract, transfer, at no cost, to the public agency all public records in possession of the Concessionaire or keep and maintain public records required by the public agency to perform the service. If the Concessionaire transfers all public records to the public agency upon completion of the contract, the Concessionaire shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Concessionaire keeps and maintains public records upon completion of this contract, the Concessionaire shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the public agency, upon request from public agency's custodian of public records, in a format that is compatible with the information technology system of the public agency.

IF THE CONCESSIONAIRE HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE

CONCESSIONAIRE'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONCESSIONAIRE SHALL CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Genara Roop, Records Management Liaison Officer
161 E. Sloss Avenue
DeFuniak Springs, Florida 32433
850-892-8110
publicrecords@co.walton.fl.us

Representation

The Proposer represents to the County that:

A. The Proposer is properly certified and licensed, is solvent financially, and is experienced in and competent to complete this RFP's Scope of Work.

B. The Proposer is familiar with all federal, state, local, or other regulatory laws, ordinances, and regulations, which in any manner whatsoever, may affect the performance of the project or service requested.

Unauthorized Aliens

The County prohibits contracting with Concessionaires that knowingly utilize services of unauthorized aliens in the performance of contracts for goods or services with the County. Proposers shall complete and submit the attached Unauthorized Aliens Form with their proposals.

Identical Tie Proposals

In the event of a tie between identical proposals responsive to this RFP, the County shall make the final determination of the award.

E-Verify

The Concessionaire shall utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of (a) all persons employed by the Concessionaire during the term of any contract resulting from award of this RFP to perform employment duties within Florida; and (b) all persons (including subcontractors) assigned by the Concessionaire to perform work pursuant to the contract.

Lobbying Prohibition

No funds received pursuant to this contract may be expended for lobbying the Florida Legislature, judicial branch, or any state agency, in accordance with Section 216.347 Florida Statutes.

Prohibition Against Considering Social, Political, or Ideological Interests in Government Contracting

Pursuant to §287.05701, Florida Statutes, the County may not request documentation of or consider a Concessionaire's social, political, or ideological interests when determining if the Concessionaire is a responsible Concessionaire. Further, the County may not give preference to a Concessionaire based on the Concessionaire's social, political, or ideological interests.

Contents of RFP

This section contains instruction regarding the format of the proposals that are to be submitted.

Contact for Contract Administration

Proposers shall return the Contact for Contract Administration Form. This shall be the Proposer's representative for the day-to-day activities of this contract. The signer shall have the authority to bind the Proposer to the submitted proposal.

Forms

It is MANDATORY that Proposers shall submit the required forms listed on the Vendor Questionnaire.

Term of Contract

The term of this contract will be for two (2) years, commencing on March 1, 2025. The County reserves the right, at its sole discretion, to renew the contract for up to two (2) additional one-year terms.

Please note that if the multiple zone option is selected, the County may award contracts to different vendors for each zone.

Additionally, the County retains the right to terminate this contract at any time, with or without cause, and with or without prior notice, if it is determined to be in the County's best interest.

Award of Contract

The County will award this RFP to the MOST responsible, responsive Proposer(s) with the best cumulative score that meets the County's needs. The County reserves the right to award all designated regional and neighborhood beach accesses to one Proposer or award individual zones to different Proposers on a zone-by-zone basis. In the event the Proposer(s) with the best cumulative score is found to be non-responsive, the County may proceed to the responsible, responsive Proposer with the next best cumulative score and continue the award process.

ITEM # 2025-806

CITY OF DESTIN

AGENDA ITEM

COUNCIL MEETING DATE: July 7, 2025
TYPE OF AGENDA ITEM: City Manager Report
AGENDA OUTLINE NUMBER: 4.F.

TO: City Council

THRU: Kimberly Kopp, City Attorney
Larry Jones , City Manager

FROM: Tamara Leigh Young, Public Information Director

DATE: July 2, 2025

SUBJECT: Transient Boat Slips Signage Discussion

I. BACKGROUND: To ensure consistency for residents and tourists, staff is proposing the design and approval of signage for public/transient boat slip docking.

II. DISCUSSION: Staff drafted the attached proposed signage for the Council's consideration. It is further recommended that the Land Development Code be amended to include the requirements for uniform transient slip signage.

A. Link to Strategic Goals / Objectives: II. Enhanced Quality of Life and Safety for families

B. Effect on Budget (EOB):

C. Level of Service (LOS):

D. Legislative Sponsor:

E. Business Impact Statement:

III. CONCLUSION:

IV. RECOMMENDED MOTION: I move to direct the City Manager and City Attorney to bring back a proposed amendment to the Land Development Code for uniform signage for public transient slips.

1. Public Transient Slip sign

NOTICE

PUBLIC TRANSIENT SLIP

NO OVERNIGHT DOCKING

ITEM # 2025-808

CITY OF DESTIN

AGENDA ITEM

COUNCIL MEETING DATE: July 7, 2025
TYPE OF AGENDA ITEM: City Manager Report
AGENDA OUTLINE NUMBER: 4.G.

TO: City Council

THRU: Larry Jones , City Manager

FROM: Rey Bailey, City Clerk

DATE: July 1, 2025

SUBJECT: Appointment of Council Representatives to Various Local and Regional Committees and Boards

I. BACKGROUND: The City of Destin is represented on several local and regional committees by members of the city council. Following last year's election, the newly seated council appointed representatives to serve on the following committees:

- Economic Development Council Policy Board
  - Primary: Councilmember Schmidt
  - Alternate: Councilmember Hebert
- Northwest Florida League of Cities (NWFLC)
  - Primary: Councilmember Hebert
  - Alternate: Councilmember Trammell
- Okaloosa-Walton TPO
  - Primary: Mayor Wagner
  - Alternate: Councilmember Hebert
- Okaloosa County League of Cities (OCLOC)
  - Primary: Mayor Wagner
  - Alternate: Councilmember Hebert
- Okaloosa County Public Library Cooperative
  - Primary: Councilmember Braden
  - Alternate: Councilmember Trammell
- Okaloosa County Tourist Development Council (TDC)
  - Primary: Councilmember Schmidt
  - Alternate: Councilmember Hebert

- Okaloosa County Public Transit Cooperative Board
  - Primary - Mayor Wagner

- Walton/Okaloosa/Santa Rosa Regional Utility Authority (RUA)
    - Primary: Councilmember Destin

- Emerald Coast Regional Council (ECRC)
    - Primary: Councilmember Bagby

II. DISCUSSION: City Council participation in area-wide committees is essential for ensuring Destin's interests are heard and considered in regional decisions. If a primary representative is unable to attend due to scheduling conflicts, emergencies, or illness, the city's voice may go unheard on important matters. Appointing an alternate ensures uninterrupted representation and engagement in all committee discussions and votes. The City Council is encouraged to designate alternates to each of the following committees.

Okaloosa County Public Transit Cooperative was formed under a memorandum of agreement between Okaloosa County and the municipalities of Crestview, Destin, Fort Walton Beach, Mary Esther, Niceville, Cinco Bayou, Laurel Hill, Valparaiso, and Shalimar. It is the express purpose of the agreement to provide for the coordination of fixed route transit service throughout the legal service area of the Cooperative and to formulate and implement consistent plans, programs, policies, and procedures in the operation, maintenance, and development of transit service throughout the legal service areas of the participating entities. Public meetings of the Okaloosa Transit Cooperative (Co-op) are usually held at 9:30 a.m. on the fourth Thursday of every other month in the Okaloosa County Commission Chambers located at 1250 N. Eglin Parkway, Shalimar, Fla.

Walton/Okaloosa/Santa Rosa Regional Utility Authority (RUA) was formed under an interlocal agreement between three counties and their member cities to examine water supply planning for the area. Created in 1999, the RUA addresses water supply needs and protects water resources on a regional level through long-term planning, financial assistance for alternate water supply development, and collaboration with other entities. The RUA focuses on ensuring a safe and reliable supply of water resources for the region. Their mission centers on providing adequate and affordable water, managing wastewater, and safeguarding the environmental future of the region. Meetings are typically called as needed without a regular schedule.

Emerald Coast Regional Council (ECRC). The mission of ECRC is to preserve and enhance the quality of life in Northwest Florida by providing professional technical assistance, planning, coordinating, and advisory services to local governments, state and federal agencies, and the public. It supports Northwest Florida by planning for and coordinating intergovernmental solutions to growth-related problems, providing technical assistance to local governments, and meeting the needs of the municipalities in seven-county regions: Escambia, Santa Rosa, Okaloosa, Walton, Bay, Washington, and Holmes.

MINUTES
TOWN CENTER COMMUNITY
REDEVELOPMENT AGENCY
ADVISORY COMMITTEE MEETING
MAY 21, 2025 - 5:30 PM
DESTIN CITY HALL ANNEX CHAMBERS

1. CALL TO ORDER:

Chairman Wernet called the meeting to order at 5:30 PM on Wednesday, May 21, 2025, at the Destin City Hall Annex Council Chambers with the Pledge of Allegiance immediately following.

2. ROLL CALL:

Members Present	**Staff Present**
Lockwood Wernet	Kim Montgomery Deputy Clerk
Margie Avery	Daniel Butler Principal Planner
Kyle Davis	David Prichard CD Director
Preston Green	Jesse Hernandez Planner
Iris Bethea	Kyle Bauman Sp. Projects Counsel
Corlene Ziegler	

3. AGENDA APPROVAL:

Motion by Chairman Wernet, seconded by Committee member Davis to approve the agenda with no changes, passed 5-0.

4. MINUTES FOR APPROVAL:

- **March 19, 2025**

Motion by Chairman Wernet to approve the March 19, 2025 minutes as corrected, with Vice Chair Avery providing the second. The motion passed 6-0.

- **April 16, 2025 Minutes**

Motion by Committee member Green to approve the minutes of the April 16, 2025 as written with Committee member Avery providing the second. The motion passed 6-0.

5. CURRENT BUSINESS:

6. Development and City Projects - Update Daniel Butler

Mr. Butler provided a brief summary of the upcoming projects that are currently under review in the district.

- Cross Town Connector – FLUM and Rezoning of the two parcels for stormwater management is going before the Local Planning Agency on June 5th and then on to City Council on June 16, 2025 for first reading and July 7th for the second reading and adoption. Additionally, the bid is out for Ph. 1 of the stormwater portion of the project.
- Alvin's Island is still under review.

- Grace Lutheran Church resubmittal was received and is currently under TRC review.

7. MEMBER COMMENTS:

➢ **Committee member Davis – Work Plan for Mattie Kelly Blvd. Connection**

Objective: Connect North and South Maddie Kelly Blvd (0.06 miles) to enhance connectivity.

- Identified as NC5 in the CRA Master Plan under Strategic Goal #5.
- The segment lies between The Charles Apartments and Big Kahuna's.
- The area has high potential due to the surrounding vacant land, offices, and apartments.
    - Benefits include:
        - Reduced traffic congestion on Airport Rd and Hwy 98
        - Enhanced local access and economic opportunity
        - Improved connectivity

Motion by Committee member Green to approve the work plan to connect the roadway of N. Mattie Kelly Blvd. to S. Mattie Kelly Blvd., as presented by Committee member Davis and outlined in the Town Center CRA Master Plan and forward it to the CRA for their consideration. Committee member Avery provided the second. In discussion, a question was posed if the power company would allow the easement to be paved for the connection Chairman Wernet stated it was understood that they would, as long as there was not any disruption in the power distribution. Having no more discussion, Chairman Wernet called for the vote, **the motion passed with a unanimous vote of 6-0.**

➢ **Committee member Green – Capt. Jewel Melvin Park Improvements**

Committee member Green presented his work plan initiative to improve the Capt. Jewel Melvin Park by:

- Obtaining an easement from Twin Lakes
- Clearing the underbrush to improve the view of the water
- Opening up access to the water for fishing with a possible pier
- Shore up the edges of the lake where there's evidence of fishing from the bank for safety purposes
- Installing pavilion and picnic tables
- Install small-scale playground equipment.
- Install trash cans

Motion by Chairman Wernet, seconded by Vice Chair Avery for Committee member Green to further pursue developing this plan and encouraged him to work with the Planning department on the Linear Pathway plans and study how they would fit in with this work

plan. The motion passed 6-0.

There was a brief discussion about possibly having a workshop on the subject, but it was determined that it would be best to continue working on their work plans at their regular scheduled meeting date. It was also discussed and agreed upon that once this work plan is better established, to invite the Twin Lakes HOA in for discussions on potential improvements to the park.

8. ADJOURNMENT:

Having no further discussions, the meeting was adjourned at 6:30 PM.

Adopted and approved _____ day of _____2025.

_____ _____

Lockwood Wernet Chairman Kim Montgomery Deputy City Clerk

LOCAL PLANNING AGENCY MEETING MINUTES
MAY 15, 2025 - 5:30 P.M.
DESTIN CITY HALL ANNEX CHAMBERS

1. CALL TO ORDER & PLEDGE OF ALLEGIENCE:

Deputy Community Development Director Steve o'Connor called the Local Planning Agency meeting to order on Thursday, May 15, 2025, at 5:30 p.m., in the Destin City Annex Chambers; with the Pledge of Allegiance immediately following.

2. ROLL CALL:

Members Present	Members Absent	Staff Members Present
Ken Wampler	James T. Wood, Jr.	Kimberly Montgomery Deputy City Clerk
Marcie Bell	Todd Buhr	Daniel Butler Principal Planner
Jay Purut	Tammy Weidenhamer	Jesse Hernandez Planner
Bree Uptigrove		Steve o'Connor, Deputy CD Director
		David Prichard, Community Dev. Director
		Kim Kopp City Attorney via phone

3. Interim Chairman:

Committee member Bell nominated Agency member Ken Wampler as the interim Chairman with Agency member Purut providing the second. The motion passed unanimously.

4. AGENDA MINUTES:

3/6/2025
3/20/2025
4/3/2025

Motion to approve the minutes of the March 6, 2025, March 20, 2025 and April 3, 2025 as written with no changes or additions by Agency member Bell with Agency member Purut providing the second, the motion passed unanimously.

4. NEW BUSINESS:

A. Ordinance 24-17-CC – Property Maintenance Code

The Building Official, Mrs. Noell Bell stated that she removed Chapters 4 through 7, which because of redundancy and are now referenced. Additionally, some language was added to Section 302.3 under Exterior Property Areas: "Landscape Maintenance" language. Clarification was provided on unsafe structures. While the specifics of Chapters 4–7 (e.g., light, ventilation,

plumbing, mechanical, and electrical requirements) are excluded, they are still referenced in the Florida Building Codes and the Land Development Code.

Agency Bell spoke of concern she has for the language removed and spoke of instances where property owners, specifically townhome owners, who remodel the entire inside of without pulling any permits therefore no inspections are performed. It was emphasized that interior issues remain enforceable under building and maintenance codes, even if not stated in the ordinance. A brief discussion followed regarding enforcement challenges related to unauthorized interior renovations in multi-unit structures, such as townhomes, if the work is never reported while it is being renovated. The members acknowledged these concerns, and staff reinforced the role of complaint-based inspections.

Motion by Agency member Bell, seconded by Interim Chairman Wampler to recommend City Council approve Ordinance 24-17-CC - Property Maintenance Code. The motion passed 5-0.

B. Ordinance 25-08-LC – Adoption of Mobility Fees

Mr. o'Connor explained to the members how this ordinance has already been to Council and approved for first reading. Additionally, this ordinance proposes replacing the current transportation impact fees with mobility fees as outlined in the previously adopted Mobility Plan. The new fees reflect updated cost structures after 15+ years without changes, and the funds will be usable citywide for eligible projects including pedestrian, bicycle, and multimodal infrastructure, and this represents a shift from the limited-use zone-specific model to a more flexible network-wide approach.

Motion by Agency member Wampler, seconded by Agency member Bell to recommend City Council approve ordinance 25-08-LC, the motion passed 3-0, with Agency member Bell abstaining from the vote due to a personal gain/loss.

C. Ordinance 25-10-LC – Revising Rear Setbacks for Townhomes within the High Density Residential (HDR) zoning district.

Mr. Butler explained how this is a staff initiated ordinance which proposes to revise the rear setbacks for townhomes, specifically within the High Density Residential Zoning District from 10 feet to 5 feet for buildings that have a building height of 35 feet or less. He then provided the Agency members with an example how if a lot fronts the harbor, the rear setback is zero and if a lot fronts the Choctawhatchee Bay, they will have to comply with the Shoreline Protection Zone, which is 50 foot for any kind of principal structure, and allowing accessory structures within that area, not to constitute more than 40%. Therefore, all lots that do not front any kind of water body, there would be a rear property line setback of 10 feet across the board, for any building

having 35 feet or less. Additionally, staff is proposing for the rear setback to be reduced to five feet, because over the years, there have been properties that have either illegally built extensions or structures within their rear setback to five feet, and some others have been erroneously approved by staff between the years 2015 to 2017. Therefore, staff is trying to eliminate these nonconforming structures within the city and make them as equitable as possible.

Motion to recommend City Council adopt Ordinance 25-10-LC was made by Interim Chairman Wampler with Agency member Bell providing the second. The motion passed with a unanimous vote of 4-0.

- **Land Develop Code, Chapter 8 Discussion**

Staff provided an update and collected consensus on multiple points from the December 3rd City Council workshop:

- **Wind Devices:**

The members discussed several different options to allow certain events. For the initial 90-days before and 10 days after Agency member Uptigrove pointed out that could potentially be the entire summer and is entirely too long. Seven days before and 3 days, day of event, three days before and three days after, and day of and one day after an event and ultimately the decision was to allow them day of the event and then they be removed.

- **Sign Height:**

Staff and board agreed to retain the simple 8 ft max height without variable height percentages.

- **Vehicle Signage:**

Clarified that affixed and flush signage is acceptable with mobile billboards and protruding signage remain prohibited.

- **Digital Signage:**

Consensus to retain the 7-year amortization period, as initially recommended by LPA. Institutional zoning districts (e.g., churches, schools) are exempt and may retain digital signage.

- **Flags:**

Currently, flags are exempt and not prohibited. However, they will be counted toward total commercial signage allowances, if they're used to advertise commercial speech. Staff clarified distinction between political/non-commercial and commercial content when used as a part of their signage.

No formal motion is required. Staff will incorporate recommendations into the final ordinance draft for Council review.

6. PUBLIC COMMENTS: None

7. ADJOURNMENT:

Having no further discussion at this time, the meeting adjourned at 6:30 p.m.

Adopted and approved this _____ day of _____ 2025.

_____ _____

Kim Montgomery, Deputy City Clerk

MINUTES OF THE
HARBOR AND WATERWAYS BOARD MEETING
DESTIN CITY HALL ANNEX
MAY 22, 2025 - 5:30 P.M.

1. CALL TO ORDER:

Chairman Green called the meeting of the Thursday, May 22, 2025 Destin Harbor and Waterways Board meeting to at approximately 5:30 p.m., at Destin City Hall Annex, with the Pledge of Allegiance immediately following.

2. ROLL CALL:

Member Present:	**Members Absent**	**Staff:**
Jim Green	Guy Tadlock	Kim Montgomery Deputy City Clerk
John Stephens	Bill McKissick	Steve o'Connor Deputy CD Director
Jerod Hayden		Ashley Dominguez Planner
Ryan Holloway		Kim Kopp City Attorney

3. AGENDA APPROVAL:

With no changes needed for the agenda, the chairman called for the approval and the members all agreed.

4. NEW BUSINESS:

- **4144 Belcourt Dr, Residential Marine Construction, HWB-001565-2025**

Ms. Ashley Dominguez Planner for the city explained to the members the details of the request, which is also reflected in their staff report, for a new single-family dock, covered boat slip, two catwalks, and two platforms. These are the existing conditions that the contractor provided, and currently there is nothing there. The proposed scope is a total square footage of approximately 912 square feet for the proposed project consisting of a 64 linear feet dock with the total slip density of two slips. The proposed project meets the requirements of the Coastal Management Element of the Comprehensive Plan and links to the strategic goals and objectives of enhancing quality of life and safety for families. There is no anticipated effect on the budget and staff recommends the Harbor Waterways Board's approval of the marine construction project proposed at this address with the following conditions: All applicable federal and state approvals need to be submitted with the marine construction permit and all regulations of the city's marina siting must be adhered to and followed at all times.

Vice Chair Stephens questioned staff if the pilings are existing or newly installed.

According to Ms. Dominguez they were there already in place. Additionally, she informed the Board that the applicant did receive a stop work on the project to apply to the Harbor & Waterways Board and the permitting process for the project.

Vice Chair Stephens questioned if there were any grass beds in the area that may be affected by the project. Ms. Dominguez referred Vice Chair Stephens to the FDEP permit has the information in the permit regarding the presence of any sea grasses.

Motion by Vice Chair Stephens seconded by Board member Hayden, the Board voted 4-0 to recommend the Harbor and Waterways Board recommends to the City Council approval of the request for marine construction at 4144 Belcourt Dr, Residential Marine Construction, HWB-001565-2025at 4144 Belcourt Dr, for the construction of a new single-family residential dock and a covered boat slip, with the following conditions:

1. All applicable Federal or State approvals shall be submitted with the Marine Construction Permit application; and

2. All regulations of the City's Marina Siting LDC Section 11.05.00 shall be adhered to and followed at all times.

- **724 Harbor Blvd, Commercial Marine Construction, HWB-001582-2025**

Ms. Dominguez explained how the applicant is seeking a recommendation from the Harbor and Waterways Board and subsequent approval from City Council for the installation and reconfiguration of an existing 6-slip multi-family Commercial Marine Construction Project located at 724 Harbor Blvd. Additionally, the applicant has provided proof of submittal from the Florida Department of Environmental Protection (FDEP) and proof of Army Corps Submittal, Permit Application No. SAJ-2023-00893. City Staff has reviewed the application and determined that the project complies with LDC Section 11.05.00, Marina Siting, and the Coastal Management Element of the City's Comprehensive Plan (Coastal Management Element Policy 6-1.1.6), and staff recommends approval with conditions as outlined in the staff report.

Chairman Green asked staff if they had any response from the adjacent property owners regarding this project. According to Ms. Dominguez, staff sent the letters out on May 1st and have not received any response.

There were additional questions regarding slip use and if lifts were going to be installed into each slip. Mr. Simmons explained that they're requesting to construct the six slips for residential use only and they may or may not install lifts in all six, so they went ahead and requested all six of them with this submittal.

Motion by Chairman Green, seconded by Vice Chair Stephens, the motion passed with a unanimous vote of 4-0 for the Harbor and Waterways Board to recommend City

Council approval of the Proposed Commercial Marine Construction Project at 724 Harbor Blvd, for the reconfiguration of an existing multifamily commercial dock, with the following conditions:

1. All applicable Federal or State approvals shall be submitted with the Marine Construction Permit application; and
2. All regulations of the City's Marina Siting LDC Section 11.05.00 shall be adhered to and followed at all times.

- **Ordinance 25-05-CC - Relating to livery vessels; amending Article VIII "Registration of Livery Vessels"; amending provisions related to transferability of permits; providing for additional required training and safety measures.**

The City Attorney read the ordinance title into the record and provided a summary explanation of its purpose and provisions:

Purpose and Scope:

The ordinance is designed to implement required safety standards and administrative controls for livery vessel operations within the City of Destin. It achieves two primary objectives:

1. Aligning Safety Measures with Okaloosa County:
    - Introduces mandatory employee training requirements for livery vessel operators and staff.
    - Establishes standardized safety expectations for rental customers, particularly those operating motorized vessels.
    - Implements the bracelet system currently used by the County to monitor and verify operator eligibility and safety compliance.
2. Transferability and Cap on Livery Vessel Permits:
    - Establishes a firm cap of 490 permits, which includes:
        - All livery vessels permitted since the implementation of the moratorium,
        - Plus 11 additional vessels designated as yachts (not for rental).
    - Codifies the principle that each permit is tied to a specific, actively registered vessel:
        - The permit attaches to a vessel's unexpired Florida registration number.
        - The permit is not transferable apart from the vessel.

- **Permit Forfeiture Timeline:**

- Initially, permits were to be forfeited after 180 days of inactivity or failure to register a vessel with the city.

- Council determined that 180 days was excessive and amended this to 60 days.
- The revised provision now states that if the designated vessel is not registered or used for 60 consecutive days, and the business fails to notify the City, the permit is automatically forfeited and returned to the City of Destin for reassignment.

Chapter 13-148(D) – updated to reflect the new 60-day abandonment clause.

- Permits may only be transferred when the associated vessel is sold to a new owner.
- The new owner must provide notice to the city within 10 days of the transfer.
- If no notice is received, the permit is revoked and reverts to the city.
- Additional restriction added:
    - Once a permit has been transferred with a vessel sale, it cannot be transferred again for a period of two years.

Chapter 13-148(C) – now includes the clause:
"Further, such permit may not be fully transferred or assigned again within a two-year period from the date of that notification."

This was added at Council's request to ensure permit stability and avoid speculative or rapid reselling of permits.

- Concerns addressed by the board members: Avoiding inflated boat prices due to bundled permits.
- A valuation limit for vessel transfers was discussed:
    - Sale price must not exceed NADA value +10%.
- Clarification on Abandonment: Does not apply if business notifies city in good faith (e.g., replacing a boat).
    - Allow unassigned permits one year post-ordinance adoption to be attached to a vessel.
    - Establish annual lottery system for any returned permits, including alternate winners list.
    - Lottery winners have 90 days to meet compliance requirements or registration goes to alternates.

Motion by Chairman Green, seconded by Board member Holloway for the Harbor and Waterways Board recommends that when registered vessels with attached livery permits are sold, the sale price of the vessel shall not exceed the NADA Guide value plus 10%, to avoid artificial inflation of sales of registered vessels s based on permit value, the motion passed with a unanimous vote of 4-0.

In regards to medallions that don't get registered or assigned, in 13-148 (C) discussion, making the assigned vessels have one year to get registered, **Motion by Chairman Stephens, seconded by Chairman Green for the Harbor and Waterways Board recommends that any livery vessel registrations that are not assigned to an active vessel as of the date of adoption of the ordinance shall be given a one (1) year grace period to assign the registration to a vessel, after which the unassigned registration shall be forfeited to the City.**

5. MEMBER COMMENTS:

- ❖ **Committee member Stephens - Oyster Gardening & Water Quality Initiatives**

- Presented to Harbor CRA: approved with a condition to maintain a 3-foot buffer from seagrass beds.

- Presented to Okaloosa County Coastal Resources: supportive; potential for cost-sharing or engineering assistance.
    - Estimated potential cost: up to $60,000 depending on reef type and height.
    - Harbor CRA members suggested adding another breakwater to form an "L" shape, which was included in the updated plan.
        - Next presentations to the Parks & Rec Board
            - Followed by guidance on how to proceed toward Council since the project proponent is not city staff.

- **Pump-Out Stations & Water Quality Discussion:**

    - Monica Wallace Destin Water Users presented the following data:
        - Fecal coliforms, CBOD, enterococci — generally no alarming trends in reclaimed water and ambient monitoring data.
        - Outlier readings are likely tied to wildlife or storm events.
    - **Pump out materials:**
        - The plant is not equipped to handle concentrated boat waste.
        - Boat waste is classified as septic waste, typically requiring special treatment.
        - No current DWU-permitted marine pump-outs in Destin Harbor — unsure of existing plumbing setups at some sites such as Joe's Bayou, Harborwalk.
        - Preferred approach: smaller holding tanks regularly pumped out and hauled to Okaloosa County's permitted facility.
        - For future mooring fields, further data collection is needed to assess feasibility.
    - **Board generally agreed:**
        - Too many unknown variables for DWU to safely accept into the sewer system.
        - Private pump truck haul-off is still best practice until further data is available.
        - Suggested that more water quality sampling might be helpful.

❖ **Committee member Green – Norriego Point**

Chairman Green mentioned how he has concerns regarding the harborside of the point where the erosion control pads were installed and how he feels there needs to be signage installed warning boaters of their location because they will eventually be covered in sand.

Motion by Chairman Green, seconded by Board member Holloway to recommend the Harbor and Waterways Board recommends that City Council authorize installation of signage at Noriego Point to warn boaters of potential underwater hazards and erosion control structures, for public safety and protection of vessels.

10. ADJOURNMENT:

With there being no further discussion, the meeting adjourned at 7:30 p.m.

Adopted and approved this _____ day of _____ 2025.

_____ _____

Jim Green, Chairman Kim Montgomery, Deputy City Clerk

BOARD OF ADJUSTMENT
DESTIN CITY HALL ANNEX CHAMBERS
WEDNESDAY, JUNE 4, 2025
5:30 P.M.

1. CALL TO ORDER:

Chairman Weidenhamer called the Board of Adjustment Meeting to order at 5:30 p.m., on Wednesday, June 4, 2025, at Destin City Hall Annex Chambers.

2. ROLL CALL & PLEDGE OF ALLEGIANCE:

Present:	**Absent:**	**Staff Present:**
Tom Weidenhamer	James Moomaw	Kim Montgomery, Deputy City Clerk
Chatham Morgan		Daniel Butler Principal Planner
Lance Johnson		Kim Kopp City Attorney
Matthew Sweetser		

4. AGENDA APPROVAL:

Motion to approve the agenda as presented passed 4-0.

5. APPROVAL OF MINUTES: February 5, 2025 Meeting Minutes

Motion to approve the February 5, 2025 minutes as written was made by Board member Johnson with Chairman Weidenhamer providing the second. Motion passed 5-0.

6. NEW BUSINESS:

- **BOA-0011595-2025 – Norriego Park Sign Variance Request-10 Gulf Shore Drive**

Mr. Butler explained the City of Destin is seeking relief from Land Development Code (LDC) Section 16.04.A.3, which requires a ground sign to have a minimum setback of 10' from all property lines. The City is proposing to install the ground sign approximately two (2) feet from the property line. Both the city and the county are wanting to push the sign as close as possible to the property line and are requesting the Variance for the location of the sign because of the existing dunes and associated vegetation. The required location, per code, would pose a challenge for the sign being installed and staff does not want to cause any impacts to the dune or the vegetation that is present.

Motion by Board member Johnson seconded by Chairman Weidenhamer. Chairman Weidenhamer opened the hearing to the public for comment, with no public present, he closed the public and called for the vote, the motion passed 4-0.

7. ADJOURNMENT:

There being no further business the meeting was adjourned at 5:45 p.m.

Adopted and approved this _____ day of _____ 2025.

Tom Weidenhamer, Chairman Kim Montgomery, Deputy City Clerk

LOCAL PLANNING AGENCY MEETING MINUTES
JUNE 5, 2025 - 5:30 P.M.
DESTIN CITY HALL ANNEX CHAMBERS

1. CALL TO ORDER & PLEDGE OF ALLEGIENCE:

Chairman Wood called the Local Planning Agency meeting to order on Thursday, June 5, 2025, at 5:30 p.m., in the Destin City Annex Chambers; with the Pledge of Allegiance immediately following.

2. ROLL CALL:

Members Present	Members Absent	Staff Members Present
James T. Wood, Jr.	Bree Uptigrove	Kimberly Montgomery Deputy City Clerk
Marcie Bell	Todd Buhr	Daniel Butler Principal Planner
Jay Purut		Jesse Hernandez Planner
Ken Wampler		Kimberly Kopp, City Attorney
Tammy Weidenhamer		

3. AGENDA APPROVAL:

Motion by Agency member Wampler, seconded by Agency member Bell to approve the agenda with no changes. The motion passed unanimously

4. MINUTES: MARCH 15, 2025

Motion to approve the minutes of the March 15, 2025, as written with no changes or additions by Agency member Wampler with Agency member Bell providing the second, the motion passed unanimously.

4. NEW BUSINESS:

A. Proposed Ordinance 25-03-PC Future Land Use Map (FLUM) Amendment from Medium Density Residential-Village (MDR-V) to Recreation (REC)

B. Proposed Ordinance 25-04-LC Rezone from Medium Density Residential - Village (MDR-V) to Recreation (REC)

Principal Planner Daniel Butler explained to the member the reasoning for these two Ordinance, which go hand in hand, is to update the FLUM Map and the rezoning of the city owned property from is previous zone of Medium Density Residential-Village (MDR-V) to Recreation (REC) in order to prevent any development from ever happening. Additionally, this property is strictly for purposes of the installation of the necessary stormwater retention and a roadway and

nothing more. He pointed out that because this property will be adjacent to a roadway, also known as the Cross Town Connector, there will never be any intention to use any portion of it for a park like setting.

Motion by Agency member Bell, seconded by Agency member Weidenhamer to recommend City Council adopt both Ordinances 25-03-PC and 25-04-LC. The motion passed unanimously.

The City Attorney briefly explained that the City Council did not adopt the HDR Setback Ordinance as presented and staff will work on changing some of the language to only allow decks in the same setbacks as originally presented to them. It will be brought back before them for their review and a recommendation for adoption by the City Council.

6. PUBLIC COMMENTS: None

7. ADJOURNMENT:

Having no further discussion at this time, the meeting adjourned at 5:36 p.m.

Adopted and approved this _____ day of _____ 2025.

MINUTES OF THE
PARKS & RECREATION COMMITTEE
MEETING DESTIN CITY HALL BOARDROOM
May 27, 2025, - 4:00 PM

1. CALL TO ORDER:

Chairwoman Weidenhamer called the Parks & Recreation Committee meeting to order at 4:00 p.m. on Tuesday, May 27, 2025, in the Destin City Hall Boardroom.

2. ROLL CALL:

Members Present	Members Absent	Staff Present
Autumn Weidenhamer	Bryan Otto	Lisa Firth P & R Director
Allison Stephens		Ryan Reed P&R Deputy Director
Aubrey Santucci		Bryan Kellar Recreation Supervisor
Jessica Julian		Sharon Gardner Records Mgmt. Specialist
Jan McGraw		

3. APPROVAL OF MINUTES:

A.) April 22, 2025, Parks and Recreation Committee Meeting Minutes.

Motion made by Committee member Jessica Julian and seconded by Committee member Jan McGraw to approve the minutes as written from April 22, 2025. The motion passed 5-0. Committee member Bryan Otto was absent from this meeting.

4. NEW BUSINESS

A.) Artificial Turf Options for Nancy Weidenhamer Dog Park-

Austin Tipton from Forever Lawn Emerald Coast initiated the discussion by presenting various turf samples for evaluation. Attendees were encouraged to pass the samples around while Tipton described their features, construction, and backing materials. Questions were raised regarding:

- Individual Sample pricing
- Warranty applicability and labor
- Installation base and additional features like rebar-reinforced Nailer board.

Mr. Tipton offered areas they could go for site visits for real-world product use and performance. Later in the meeting the discussion briefly returned to the idea of installing artificial turf in the dog park areas. The consensus was to keep the artificial turf concept in active discussion with further exploration and planning to continue, possibly launching efforts in the fall.

B. John Stephens-Work Plan-Breakwater Snorkeling/Oyster Gardening
John Stephens, Chairman of the Harbor CRA Board Committee, addressed the members with a detailed presentation regarding two initiatives focused on marine habitat restoration and community engagement through sustainable practices. Mr. Stephens noted that the genesis of these ideas originated from a directive from former Parks and Recreation Chairwoman, Sandy Trammell, who expressed a desire for committee-led initiatives rather than staff-proposed plans. These proposals were developed in alignment with the City's Strategic Plan, prioritizing:

1. Destin residents
2. Destin businesses
3. Visitors

Project overview: Breakwater & Oyster Gardening Work Plan

Phase I. Vertical Oyster Gardening

- **Objective**: Install vertical oyster gardens under docks at city bayfront parks to support water filtration and shoreline restoration.
- **Method:** Recycled oyster shells are strung and submerged to attract oyster spat and oysters are relocated annually to build living shorelines.
- **Partnership:** Led in collaboration with Choctawhatchee Basin Alliance (CBA).
- **Potential Expansion:** Encourage participation from waterfront business with docks.
- **Target Locations:** Joe's Bayou, Clement Taylor Park, Leonard Destin Park, Harborview Park, and Main Street Park dock.
- **Community Engagement:** Opportunities for volunteer involvement and student service hours.

Phase 2. Marine Habitat Restoration at Clement Taylor Park

- **Objective: Construct a breakwater/living shoreline to:**
    1. Enhance water quality and marine biodiversity.
    2. Provide erosion control and climate resiliency.
    3. Improve swimmer safety and create a beginner snorkeling area.
- **Rationale:** Current snorkeling locations are unsafe or inaccessible: this initiative addresses those gaps.
- **Design Considerations:** Includes options like rock-bound reefs or rock rope structures: estimated cost ~$60,000 for shallow water builds.

Committee members expressed enthusiasm but acknowledged limited familiarity with the concept. Questions focused on site selection, shell sourcing, responsibilities for signage, safety, legal issues, and property permissions.

Motion made by Committee member Aubrey Santucci, with Chairwoman Weidenhamer providing the second to support the initiative presented by Mr. Stephens. The motion passed 5-0, Committee Member Otto was absent from this meeting.

C. John Stephens- Work Plan-Christmas Decorations:
Mr. Stephens introduced Work Plan #2, a proposal focused on enhancing holiday spirit and decorations within the Harbor CRA District and potentially the Town Center CRA District. This initiative was also inspired by a previous suggestion from former Parks & Recreation Chairwoman, Sandy Trammell to introduce more festive activities around the Christmas Season. Mr. Stephens proposed a variety of ideas to increase holiday visibility and community engagement during the Christmas season, emphasizing that these were brainstorming concepts, not formal proposals. The key goal is for both Harbor and Town Center CRA districts to participate, showcasing community-wide holiday celebrations. Discussion centered on expanding the event to include the local middle and high school bands and choirs to encourage family attendance and community participation. The work plan includes outreach to property and businesses along the Harbor to encourage participation in decorating, potentially sponsoring or donating funds towards the initiative.

Challenges and potential solutions revolved around inconsistent lighting, strategic budgeting, exploring the option of solar-powered decorations and utilizing light pole plugs along the harbor boardwalk.

Committee member Jessica Julian made the motion to support further development and exploration of Work Plan #2- Holiday Decorations & Community Engagement. Chairwoman Weidenhamer provided the second. Motion passed 5-0.

D. Morgan's Children's Park Ribbon Cutting
Parks & Recreation Deputy Director Ryan Reed discussed availability for the ribbon cutting ceremony at Morgan's Children's Park, with June 16th at 10a.m. being selected as the date. Committee members discussed ideas for fun and practical giveaways for the children attending the celebration. The consensus was that the preferred items were beach balls, sunglasses, and possibly frisbees. The committee members were encouraged to submit final item suggestions within the week to ensure timely ordering and customization.
The deputy director stated that he would send invitations to Destin City Council Members, Destin Chamber of Commerce, and possible outreach to Silver Sands School or families of children with disabilities to participate and represent the inclusive mission of the park.

5. OLD BUSINESS

A.) Park Inspection Assignments
Chairwoman Autumn Weidenhamer opened the discussion on park inspection assignments, confirming that the assignments previously distributed were still accurate unless any members had concerns or changes to request. No objections were raised, and assignments were reaffirmed. The Mattie Kelly Nature Walk was acknowledged as being in poor condition but is slated for complete replacement under a future redevelopment plan.

The committee members discussed the anticipated closure of Joe's Bayou for approximately one year during park-wide renovation. Members discussed the potential impact on boat launch access and alternative sites. There was a proposal to allow Destin

residents exclusive access with controlled launch policies and parking arrangements. Additional discussions included logistics of limited boat ramp availability in the event of a storm, or hurricane. It was noted that ramp closure timing and phasing will need to be planned carefully to reduce disruptions.

Continuing the discussion on parks, the committee members expressed positive feedback on the recovery of the live oak trees at Captain Royal Melvin Heritage park following storm impacts and treatment. Noted improvements attributed to staff efforts and regular watering with appreciation extended to those maintaining the trees and to those who observed and acknowledged the effort. Recognition was also given to the successful planting and upkeep of a new tree at Kell-Aire park. The committee members remarked on the continued community engagement, such as public observations and care for the park greenery.

6. COMMITTEE MEMBER COMMENTS/QUESTIONS

A.) Chairwoman Weidenhamer proposed a Little Free Library Work Plan to promote literacy by placing book-sharing boxes in public parks, starting with one park per year (beginning with the Dog Park, then Morgan's Children's Park). Concerns were raised about weather damage to books in outdoor boxes; members recommended selecting durable, waterproof models. Mildew was noted as a concern by Committee member Jessica Julian, and it was suggested to use a selection of composite or waterproof library boxes.

Brian Kellar, Recreation Supervisor, introduced the possibility of a United Way Partnership. The committee discussed a parallel opportunity with United Way to:

- Install a Learning Trail (approx. 10 interactive educational stations) spaced throughout Morgan's Children's Park and surrounding areas.
- Donate and maintain a Little Free Library at no cost to the city.
- Maintain the structure with annual repainting through their "Day of Caring" volunteer event.
- Trail details would include the first few stations to be installed near Children's Park sidewalks, with the remainder extending around the softball and soccer fields.
- Signs to include educational prompts with United Way branding.

Motion made by Committee member Aubrey Santucci, seconded by Committee member Allison Stephens to approve the Little Free Library Work Plan as presented and move forward with implementation, including United Way's donation of a library unit.

Chairwoman Weidenhamer mentioned having a ribbon cutting ceremony and possibly a tournament for when the pickleball courts are finally built. Committee member Jessica Julian spoke about knowing some people that may want to get involved as they have had experience running a pickleball tournament.

The next item that Chairwoman Weidenhamer proposed was exploring the potential installation of a volleyball net at Tarpon Beach Access, noting that there wasn't much available around our area.

Parks & Recreation Director Lisa Firth pointed out that Clement Taylor Park and Morgan Sports Center already have sand volleyball courts, but they're underutilized. Deputy Director Ryan Reed mentioned they could look into one at Tarpon Beach and speak with the county on it as they are the ones that rake and maintain that area of the beach. The suggestion was left open-ended with agreement to look into the feasibility of installing a volleyball net at Tarpon Beach, and to consider the costs, permitting, usage trends, and location logistics.

B.) Allison Stephens- Dog Park Monthly Responsibility Rotation: Discussion centered around the monthly oversight or maintenance responsibilities at the dog park. Clarification by Deputy Director Ryan Reed stated that after some personnel changes, the rotation became unclear. He committed to locating the original form used for scheduling, re-circulating it, and re-establishing the rotation to prevent redundant efforts.

Committee member Allison Stephens mentioned that she had prepared a work plan but noted the need to make changes and updates to it and present the revised version in the upcoming weeks.

C.) Aubrey Santucci-E-Bike Safety and Potential Partnership Project.
Committee member Aubrey Santucci shared that a local citizen has expressed interest in helping to allocate funds and possibly assist in securing a location for a new project, potentially through a public-private partnership model similar to the one used for the dog park. It was suggested that the City of Destin could consider matching private funds, emphasizing this approach as a viable way to move forward if the necessary details and support from the city could be arranged. The issue of safety regarding increased e-bike usage among youth was discussed as was also the idea of developing a dedicated e-bike track or course to provide a safe riding environment and potentially mitigate complaints. A brief group discussion followed regarding whether schools currently provide bike safety instruction. It was confirmed by multiple participants, both staff and committee members, that bike safety and home safety were recently included in PE classes. Committee member Jessica Julian confirmed that bike safety was being conducted up through the previous school year.

D.) Jessica Julian- Nothing tonight.
E.) Jan Mc Graw-Nothing tonight.

7. STAFF REPORTS
A.) Ryan Reed- Deputy Director Parks and Recreation-Master Plan Update-
1. Project overview and Phase 1 Status

Deputy Director Reed reported that three meetings have occurred so far, including a kickoff meeting and two meetings as part of Phase 1 of the Parks Master Plan development. The current work includes:

- Inventory collection of all park facilities and amenities across Destin.
- Initiating a needs assessment based on the inventory.
- Development of a public survey (currently in draft stage)
- Work on branding associated with the plan.

2. Phase 2 & Public Engagement Timeline

Phase 2 will mark the beginning of community and committee engagement. The exact dates for this engagement are not yet determined and will depend on the completion of the inventory and internal assessments.

More discussion ensued regarding the Parks Master Plan Community Survey including how it will be distributed online and by mail. The project remains in the early stages, with more detailed updates to come as it transitions into Phase 2, which will include broader community engagement.

The staff members discussed the City's financial current cost recovery model, established in 2014, which guides how much of program costs are recouped through fees:

- Parks themselves remain free to the public.
- Children's and senior programs recover 25% of costs.
- Higher recovery targets apply to adult and non-resident programs.

Staff emphasized that Destin meets its cost recovery goals but acknowledged the potential need to revisit this structure in the near future.

The forthcoming financial review (as part of the Master Plan) is expected to:

- Validate the need to keep fees low for residents, especially for youth programs.
- Clarify that residents are financially supporting recreation services, even though facilities appear "free"
- Highlight the City's role in offering inclusive recreational opportunities-not just elite travel programs.

B. July-Parks and Recreation Month Proclamation

Parks and Recreation Director Lisa Firth announced that Parks and Recreation representatives and the members of this committee are invited to attend the first City Council meeting in July to be formally recognized during the reading of the proclamation. The meeting is scheduled for July 7th, and a follow-up reminder will be sent out.

8. COMMENTS FROM THE AUDIENCE – John Stephens recommended that the committee reach out to Lance Johnson the former City Manager, and former Parks and

Recreation Director, as they are both on the board of the Destin Library Guild. They could possibly help with financial support for the items they discussed today.

9. **CLOSING REMARKS & ADJOURNMENT-** Chairwoman Weidenhamer announced the next meeting is scheduled for June 24th.

ADJOURNMENT:

Having no further discussions, the meeting adjourned at 5:48 PM

Adopted and approved this _____ day of _____2025.

MINUTES OF THE
PARKS & RECREATION COMMITTEE
WORKSHOP
DESTIN CITY HALL BOARDROOM
JUNE 24, 2025, - 4:00 PM

1. CALL TO ORDER:

Chairwoman Weidenhamer called the Parks & Recreation Workshop to order at 4:06 p.m. on Tuesday, June 24, 2025, in the Destin City Hall Boardroom.

2. ROLL CALL:

Members Present	Members Absent	Staff Present
Autumn Weidenhamer	Allison Stephens	Lisa Firth Parks & Recreation Director
Jessica Julian	Aubrey Santucci	Ryan Reed P&R Deputy Director
Jan McGraw	Bryan Otto	Bryan Kellar Recreation Supervisor
		Sharon Gardner Records Mgmt. Specialist

Parks and Recreation Deputy Director Ryan Reed clarified for the record that there isn't a quorum, so therefore they would not be approving the minutes.

3. APPROVAL OF MINUTES: MAY 27, 2025 - POSTPONED TO THE NEXT MEETING.

4. OLD BUSINESS

A) July 7th City Meeting Parks and Recreation Proclamation

Deputy Director Reed announced that on July 7th the City Council will be announcing the Proclamation naming the month of July 2025 as the Parks and Recreation month. He invited all members of the committee to attend and would be sending an email out as a reminder.

B) Adopt-A-Park Schedule:

Deputy Director Reed announced that at the next meeting he will review the Adopt-A-Park Schedule, and they will finalize the list for the upcoming months. Chairwoman Weidenhamer volunteered for addressing any issues at the Dog Park during the month of July

5. NEW BUSINESS

A) Independence Day Bike Parade

Deputy Director Reed reminded the committee members of the Bike Parade at Destin Elementary on July 1st from 4p.m. to 7 p.m. and asked for anyone to volunteer as judges or to just help the kids during the parade.

B) Parks and Recreation Master Plan

Deputy Director Reed announced that the company that is working on the Parks Master Plan would like to present their information to the committee at a special meeting on August 7th. He advised he would send an email out with the details to all of the members.

6. COMMITTEE MEMBER COMMENTS/QUESTIONS

A) Jessica Jullian- Clement Taylor Park: Committee Member Jullian inquired about the status of the renovation timeline for the park. Deputy Director Reed explained that the park is next on the list for renovation, but he doesn't have the exact start date. Discussion then turned to Norriego Park and how much progress has been made.

B) Autumn Weidenhamer- Captain Royal Melvin Heritage Park Yoga Classes:
Chairwoman Weidenhamer mentioned the free yoga classes at the park and asked if we can advertise it for more participation. She also mentioned the Adopt-A-Bench and Adopt-A-Tree programs and how there needs to be more information for them on the city website. Deputy Director Reed stated he would look into adding it to the website along with the Adopt-A-Street program that is already being advertised.

7. STAFF REPORTS-Friday Night Bites
A) Recreation Supervisor Kellar and Deputy Director Reed gave a brief overview of the event held on June 20th at Destin Elementary School. The discussion centered on the food trucks, the bouncy houses, and the water slides for the kids. Community participation wasn't as big as they had hoped for but with this being the first time for this event, they were optimistic for it to grow. Next event is scheduled for July 18th, for which Deputy Director Reed will send an email out to all committee members with the details.

B) United Way Learning Trails-
Recreation Supervisor Kellar spoke briefly about the learning trails and how they partnered up with United Way. They painted a couple of trails by the Children's Park, the pavilion, and a little bit of the sidewalk behind one of the fields at Morgans Sport Center. They were also able to put up the signs that tell you what to do for each little station, and he encouraged the committee members to take a look at them.

8. COMMENTS FROM THE AUDIENCE -None

9. CLOSING REMARKS & ADJOURNMENT- Next meeting date TBD.

10. PUBLIC COMMENTS- None

ADJOURNMENT:

Having no further discussions, the meeting adjourned at 4:21p.m.

ITEM # 2025-772

CITY OF DESTIN

AGENDA ITEM

COUNCIL MEETING DATE: July 7, 2025
TYPE OF AGENDA ITEM: City Manager Report
AGENDA OUTLINE NUMBER: 5.A.

TO: City Council

THRU: Kimberly Kopp, City Attorney
Larry Jones , City Manager

FROM: Larry Jones , City Manager

DATE: 7/3/2025

SUBJECT: Allowing Beach Bonfires on Destin Beaches

I. BACKGROUND: During the regular City Council meeting held on May 5, 2025, Councilmember Schmidt made the following motion regarding beach bonfires, which was approved by the Council:

> **Councilmember Schmidt proposed exploring the idea of allowing beach bonfires in Destin, similar to what is done in Walton County. He made a motion for the city manager and staff to research and bring back a proposal, including potential revenues and implementation logistics. The motion was seconded by Councilmember Hebert and passed 6-0.**

In addition to the passed motion above, Councilmember Bagby requested the following:

Councilmember Bagby requested that, along with the bonfire proposal, the staff should include a calculation of the linear feet of public beach the City of Destin actually controls. He highlighted that most of Destin's beach is privately owned, with the state and county controlling the largest public sections, limiting where beach bonfires could feasibly occur. He suggested coordinating with the county on James Lee Park if the city wants to pursue the idea for meaningful revenue.

As directed by Council on May 5, 2025, the City Manager and staff researched Walton County's regulations for permitting beach bonfires. The information below was gathered from Walton County, which was presented during the June 2nd Regular City Council meeting:

1. There is a permitting process for having a bonfire on the beach and all permit requests are processed through South Walton Fire District (SWFD), which includes public and private property.

2. Permits are $105.00 ($50.00 to SWFD, $50.00 to Walton County, $5.00 processing fee)

Total revenue in Walton County for beach bonfires in FY2024 was approximately $936,300.
50/50 split between South Walton Fire District and Walton County
SWFD revenue $468,150
Walton County revenue $468,150

In addition to the City Manager contacting Walton County, Larry and staff met with the Destin Fire District, who have expressed their willingness to assist with the permitting process if the Council decides to allow beach bonfires.

The following documents are attached to this item, which were also attached to the June 2, 2025, agenda packet:

- Walton County Rules for having a bonfire on the beach
- Walton County permit request
- Beachfront Property Totals in Linear Feet

On June 2nd, following a discussion regarding the above information, the following motion was passed:

Councilmember Destin made a motion to schedule a public hearing on this matter for the first City Council meeting in July, which is set for July 7th. The motion was seconded by Councilmember Braden and passed 6-0.

II. DISCUSSION: A public hearing is scheduled for July 7, 2025, during the Regular City Council meeting.

A. Link to Strategic Goals / Objectives: II. Enhanced quality of life and safety for families
III. Economic development and revitalization

B. Effect on Budget (EOB):

Discussion of Beach Bonfires

If the City Council is interested in considering allowing beach bonfires here are some considerations:

General

- Should bonfires be allowed?
- Should bonfires be allowed on both public and private property?
- Bonfire operators/vendors would be certified by the city or fire district
- All beach bonfires would be required to be permitted through the Destin Fire District
- Cost of permit?
- Fire pit setup would be in accordance with DFD/City standards prior to initiating a bonfire

Location

- Upland of the erosion control line or mean high water mark
- 25 feet from the property line
- 100 feet from any habitable structure
- 30 feet from other bonfires
- 200 feet from marked or known sea turtle nests
- 50 feet from vehicles, public roads, other structures, plants, vegetation, dunes

Set-up

- Materials will be hand carried to the service site (vehicles will not service the site)

Limitations

- Bonfire material would be required to be placed in a metal container and would be no larger than four (4) feet in diameter. Fire rings or pits with no bottoms would be strictly prohibited.
- Bonfire flames would be limited to no higher than four (4) feet.
- Bonfires would not be started or fueled by flammable liquids.
- Bonfire material would not be treated lumber, tar paper, rubber-type products, glue-impregnated material, plastic, foam, or trash. Bonfire material would be free of metals.
- Leave no trace ordinances and regulations shall be strictly followed

July 2, 2025

Please Note:

All beach bonfires are required to be permitted through the South Walton Fire District.

Our offices will be closed for the Holidays on these days

SWFD BEACH BONFIRE GUIDELINES

CONTAINER:

- Bonfire material shall be placed in a metal container such as a galvanized tub, fire pit or burn barrel and shall be no larger than four (4) feet in diameter.
- All containers shall be equipped with a steel bottom which must sit a minimum of 4 inches off the sandy portion of the beach.
- Fire rings or pits with no bottoms are strictly prohibited.
- There shall be a minimum of (3) feet clearance from the outer edge of the container at all times from any combustible materials.
- Bonfire material shall be stacked to ensure the flame reaches no higher than four (4) feet.
- No permitted fire shall be within 30 feet of another permitted fire on any beach owned, leased, dedicated to, or maintained by the County.
- There is a six (6) tiki torch maximum limit per event regardless of the number of permits issued for said event.

MATERIAL:

- Flammable and/or combustible liquids shall not be utilized for fueling the bonfires. Use paper and matches rather than lighter fluid/gasoline to ignite your fire.
- Bonfire material shall not consist of pressure treated lumber, tar paper, contents containing any rubber products, creosote treated lumber, glue impregnated material, plastic, foam, or household trash.
- All burn material shall be free of nails or other metals.

SET UP:

- Servicing of the bonfire site will be accomplished by hand carrying the equipment and supplies to the site. Vehicles shall not service the bonfire site (unless you have a beach vehicle permit.)
- **March 1st to October 31st**, bonfire pits and any evidence of shall not be placed on the beach prior to 5:00pm; and any evidence of or remnant from fires must be removed by 12:00 midnight.
- **November 1st to the last day of February**, bonfire pits and any evidence of shall not be placed on the beach prior to 4:00pm and any evidence of or remnants from fires must be removed by 11:00pm.

Applicants shall adhere to the following:

- The fire pit, galvanized tub or burn barrel shall not be buried in the sand at any time during use or after the fire.
- Shall be 100 feet away from habitable structures.
- Shall be 200 feet away from sea turtle nests.
- Shall be 50 feet away from vehicles, public roads, other structures, plants and vegetation (Dunes.)

EXTINGUISHMENT:

- Upon completion of the bonfire, all ashes and leftover material must be thoroughly extinguished and removed from the beach. ***KEEP A SOURCE OF WATER OR OTHER EXTINGUISHING DEVICE NEARBY.***

CLEAN UP AND RESTORATION:

- **It shall be unlawful and is in violation of the South Walton Fire District Ordinance as well as the Walton County Ordinance for any person to fail to cleanup as provided with the ordinance. Issuance of the permit does not excuse or relieve the applicant from liability, responsibility for any damages, residual damages as a result of an improper, carelessness or negligence in setting up, tending , or extinguishing the fire.**
- Cleanup and restoration of the site shall be completed by the expiration date and time set forth by the permit. The person obtaining the permit is responsible for providing the trash bags, removing the trash and placing all the trash in the proper containers.
- Evidence of or remnants from fires shall not be buried or deposited in the County beach garbage collection stations, beach dune systems, parking areas, or any other areas owned, leased, dedicated to, or maintained by the County.

Leave the area clean, dark & flat!

WEATHER:

- Unsuitable wind or weather conditions shall be taken into consideration prior to and during the actual bonfire; adverse conditions may cause the revocation of the permit.

Refunds or rainchecks are not granted on the permits, so please plan your event carefully.

AGE REQUIREMENTS:

- Permits are issued to persons 18 years or older. Participant under the age of 18 shall be chaperoned by an adult EIGHTEEN (18) years of age or older. FOR SUCH GROUPS, THE PERMIT WILL ONLY BE ISSUED TO THE CHAPERONE. Children shall be accompanied by an adult at all times when near a recreational fire.

THE PERMIT:

- The person obtaining the permit must be present during the hours of the bonfire. The approved bonfire permit shall be present upon request of a Fire Official or Law Enforcement Officer. The

South Walton Fire District reserves the right to check for permit compliance at any time.

PENALTIES

- Persons that light a beach bonfire without a permit are in violation of SWFD and Walton County Ordinances.
- Penalties for lighting a fire on the beach without a permit is $500.00 as listed in Walton County Resolution 2021-151
